#### REPORT OF INDEPENDENT AUDITORS

The Board of Directors and Shareholders of American Assets Trust, Inc.

We have audited the accompanying statement of revenues over certain operating expenses ("the financial statement") of Pacific Ridge Apartments for the year ended December 31, 2016, and the related notes to the financial statement.

### Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in conformity with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that are free of material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates, made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues over certain operating expenses as described in Note 1 of Pacific Ridge's financial statement for the year ended December 31, 2016, in conformity with U.S. generally accepted accounting principles.

### **Basis of Accounting**

As described in Note 1 to the financial statement, the statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, and is not intended to be a complete presentation of Pacific Ridge's revenues and expenses. Our opinion is not modified with respect to this matter.

## Pacific Ridge Apartments Notes to Statement of Revenues over Certain Operating Expenses December 31, 2016 and the three months ended March 31, 2017 (unaudited)

### NOTE 1. ORGANIZATION AND DESCRIPTION OF BUSINESS

On April 28, 2017, American Assets Trust, Inc. (the "Company"), through a wholly-owned subsidiary of American Assets Trust, L.P. (the "Operating Partnership") the Company's operating partnership, completed the acquisition of Pacific Ridge Apartments (the "Property"), a 533 unit luxury apartment community located in San Diego, California from CP III Pacific Ridge RF, LLC and CP III Pacific Ridge Solar, LLC. The gross purchase price of Pacific Ridge Apartments was \$232 million, excluding closing costs of approximately \$0.1 million.

The accompanying statement of revenues over certain operating expenses has been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual results of operations for the year ended December 31, 2016 and the period from January 1, 2017 through March 31, 2017 due to the exclusion of the following expenses, which may not be comparable to the proposed future operations of the property:

- Depreciation and amortization
- Interest expense
- Interest income

The accompanying unaudited statement of revenues over certain operating expenses for the three months ended March 31, 2017 have been prepared in accordance with the U.S. generally accepted accounting principles ("GAAP") for interim financial information as contained within the Financial Accounting Standards Board Accounting Standards Codification and the rules and regulations of the SEC, including the instructions to Form 8-K and Article 3-14 of Regulation S-X. Accordingly, the unaudited statement of revenue over certain operating expenses does not include all of the information and footnotes required by GAAP for audited financial statements. In the opinion of management, the statement of revenues over certain operating expenses for the unaudited interim period presented includes all adjustments, which are of a normal and recurring nature, necessary for a fair and consistent presentation of the results for such period. Operating results for the three months ended March 31, 2017 are not necessarily indicative of the results that may be expected for the year ended December 31, 2017.

An audited statement of revenues over certain operating expenses is being presented for the most recent fiscal year instead of the three most recent years based on the following factors: (i) the Property was acquired from an unaffiliated party and (ii) based on due diligence of the Property by the Company, management is not aware of any material factors relating to the Property that would cause this financial information to not be indicative of future operating results

The number of units and other measures used to describe real estate included in these notes to the statement of revenues over certain operating expenses are presented on an unaudited basis.

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Revenue Recognition

Revenues from tenants renting or leasing apartment homes are recorded when due from tenants and are recognized monthly as they are earned, which is not materially different than on a straight-line basis. Apartment homes are rented under short-term leases (generally, lease terms of 7 to 15 months, with a majority having 12-month lease terms).

### Accounting estimates

The preparation of the financial statements requires management to use estimates and assumptions that affect the reported amounts of revenues over certain operating expenses during the reporting period. Actual results could materially differ from these estimates in the near term.

## Pacific Ridge Apartments Notes to Statement of Revenues over Certain Operating Expenses – (Continued) December 31, 2016 and the three months ended March 31, 2017 (unaudited)

### NOTE 3. CERTAIN OPERATING EXPENSES

Certain operating expenses include only those costs expected to be comparable to the proposed future operations of the Property. Repairs and maintenance expense are charged to operations as incurred. Costs such as depreciation, amortization and interest expense are excluded from the statement of revenues over certain operating expenses.

### NOTE 4. COMMITMENTS AND CONTINGENCIES

The Property is not subject to any material litigation nor to management's knowledge is any material litigation currently threatened against the Property.

The Property is subject to various environmental laws of federal, state and local governments. Compliance with existing environmental laws is not expected to have a material adverse effect on the Property's financial condition and results of operations for the periods presented.

### NOTE 5. SUBSEQUENT EVENTS

Subsequent events were evaluated through June 28, 2017, the date the financial statements were available to be issued.

### American Assets Trust, Inc. Unaudited Pro Forma Financial Information

The unaudited consolidated pro forma financial information should be read in conjunction with the Company's Form 8-K filed with the Securities and Exchange Commission ("SEC") on April 28, 2017, announcing the acquisition of the Pacific Ridge Apartments and amended hereby; the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016 and the Company's Quarterly Report on Form 10-Q for the quarter ended March 31, 2017; and the Statements of Revenues over Certain Operating Expenses of Pacific Ridge Apartments included elsewhere in this Form 8-K/A. In management's opinion, all adjustments necessary to reflect these acquisitions and related transactions have been made.

The unaudited consolidated pro forma financial information is not necessarily indicative of what the Company's actual results of operations would have been had the transaction been consummated on the dates indicated, nor does it purport to represent the Company's results of operations or financial position for any future period. The pro forma results of operations for the periods ended December 31, 2016 and March 31, 2017 are not necessarily indicative of the operating results for these periods.

The Company purchased Pacific Ridge Apartments, a 533 unit, multifamily community, located in San Diego, California on April 28, 2017. The pro forma balance sheet as of March 31, 2017 presents consolidated financial information as if the acquisition of Pacific Ridge Apartments had taken place on March 31, 2017. The pro forma statements of operations for the year ended December 31, 2016, and the three months ended March 31, 2017, present the pro forma results of operations as if the acquisition had taken place as of January 1, 2016. Explanations or details of the pro forma adjustments are in the notes to the financial statements.
