Item 1.01 Entry into a Material Definitive Agreement.

On July 30, 2019, American Assets Trust, Inc. (the “Company”) and American Assets Trust, L.P. (the “Operating Partnership”) entered into a Note Purchase Agreement (the “Note Purchase Agreement”) with the various purchasers named therein (the “Purchasers”).

The Note Purchase Agreement provides for the private placement by the Operating Partnership of \$150 million of 3.91% Senior Guaranteed Notes, Series G, due July 30, 2030 (the “Series G Notes”). The Series G Notes were issued on July 30, 2019, and will pay interest semi-annually on the 30th day of January and 30th day of July until their maturity.

The Operating Partnership may prepay at any time all, or from time to time any part of, the Series G Notes, in an amount not less than 5% of the aggregate principal amount of the Series G Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid plus a Make-Whole Amount (as defined in the Note Purchase Agreement).

The Note Purchase Agreement contains a number of customary financial covenants, including, without limitation, secured and unsecured leverage ratios and fixed charge coverage ratios. Subject to the terms of the Note Purchase Agreement and the Series G Notes, upon certain events of default, including, but not limited to, (i) a default in the payment of any principal, Make-Whole Amount or interest under the Series G Notes, and (ii) a default in the payment of certain other indebtedness of the Operating Partnership, the Company or their subsidiaries, the principal and accrued and unpaid interest and the Make-Whole Amount on the outstanding Series G Notes will become due and payable at the option of the Purchasers.

The Operating Partnership’s obligations under the Series G Notes are fully and unconditionally guaranteed by the Company.

The Series G Notes have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The Operating Partnership offered and sold the Series G Notes in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act.

The above summary of the Note Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Note Purchase Agreement. A copy of the Note Purchase Agreement, including the form of the Series G Notes, is attached as Exhibit 10.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

3.91% SENIOR GUARANTEED NOTES, SERIES G, DUE JULY 30, 2030

July 30, 2019

TO EACH OF THE PURCHASERS LISTED IN
SCHEDULE B HERETO:

Ladies and Gentlemen:

American Assets Trust, L.P., a Maryland limited partnership (together with any successor thereto that becomes a party hereto pursuant to Section 10.7, the “**Company**”) and American Assets Trust, Inc. a Maryland corporation (the “**REIT**”), jointly and severally agree with each of the Purchasers as follows:

Section 1. AUTHORIZATION OF NOTES.

Section 1.1. Authorization of Notes. The Company will authorize the issue and sale of \$150,000,000 aggregate principal amount of its 3.91% Senior Guaranteed Notes, Series G, due July 30, 2030 (as amended, restated or otherwise modified from time to time pursuant to Section 17 and including any such notes issued in substitution therefor pursuant to Section 13, the “**Notes**”). The Notes shall be substantially in the form set out in Schedule 1. Certain capitalized and other terms used in this Agreement are defined in Schedule A. References to a “Schedule” are references to a Schedule attached to this Agreement unless otherwise specified. References to a “Section” are references to a Section of this Agreement unless otherwise specified.

Section 1.2. Affiliate Guaranty. The payment by the Company of all amounts due with respect to the Notes and the performance by the Company of its obligations under this Agreement will be absolutely and unconditionally guaranteed by the REIT, and may from time to time be absolutely and unconditionally guaranteed by certain of its and the Company’s Subsidiaries to the extent required by Section 9.7, in each case, pursuant to the guaranty agreement of the REIT substantially in the form of Schedule C attached hereto and made a part hereof (each as the same may be amended, modified, extended or renewed, the “**Affiliate Guaranty**”).

Section 2. SALE AND PURCHASE OF NOTES.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, Notes in the principal amount specified opposite such Purchaser’s name in Schedule B at the purchase price of 100% of the principal amount thereof. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

Section 3. CLOSING.

The sale and purchase of the Notes to be purchased by each Purchaser shall occur at a closing (the “**Closing**”) on July 30, 2019, at the offices of Chapman and Cutler LLP, 111 W. Monroe St., Chicago, Illinois 60603 at 10:00 a.m., central time. At the Closing the Company will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Closing and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company to account number 4124-514787 at Wells Fargo Bank, N.A., Address: 5901 Priestly Drive, Suite 130, Carlsbad, California 92008; ABA: 121-000-248. If at the Closing the Company shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser’s satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of any of the conditions specified in Section 4 not having been fulfilled to such Purchaser’s satisfaction or such failure by the Company to tender such Notes.

Section 4. CONDITIONS TO CLOSING.

Each Purchaser’s obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser’s satisfaction, prior to or at the Closing, of the following conditions:

Section 4.1. Representations and Warranties. (a) The representations and warranties of the Company in this Agreement shall be correct in all material respects when made and at the Closing.

(b) The representations and warranties in this Agreement with respect to the REIT shall be correct in all material respects when made and at the Closing.

Section 4.2. Performance; No Default. (a) The Company shall have performed and complied in all material respects with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing. Before and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. Neither the REIT, the Company nor any Subsidiary shall have entered into any transaction since December 31, 2018 that would have been prohibited by Section 10 had such Section applied since such date.

(b) The REIT shall have performed and complied with all agreements and conditions contained in this Agreement or the Affiliate Guaranty required to be performed and complied with by it prior to or at the Closing.

Section 4.3. Compliance Certificates.

(a) *Officer’s Certificate.* The Company shall have delivered to such Purchaser an Officer’s Certificate, dated the date of the Closing, certifying on behalf of the Note Parties that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's Certificate*. The Company shall have delivered to such Purchaser a certificate of its Secretary or Assistant Secretary, dated the date of the Closing, certifying as to (i) the resolutions attached thereto and other limited partnership proceedings relating to the authorization, execution and delivery of the Notes and this Agreement and (ii) the Company's organizational documents as then in effect.

(c) *REIT Officer's Certificate*. The REIT shall have delivered to such Purchaser a certificate of an authorized officer, dated the date of the Closing, certifying as to the resolutions attached thereto and other legal proceedings relating to the authorization, execution and delivery of the Affiliate Guaranty and (ii) the REIT's organizational documents as then in effect.

(d) *Certificates*. The certificates provided under this Section 4.3 may be combined and delivered as one or more certificates.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the date of the Closing (a) from (x) Latham & Watkins LLP, special counsel for the Note Parties, covering the matters set forth in Schedule 4.4(a) (x), (y) Venable LLP, Maryland counsel for the Note Parties, covering the matters set forth in Schedule 4.4(a)(y) and (z) Adam Wyll, Esq., general counsel for the Note Parties, covering the matters set forth in Schedule 4.4(a) (z), and in each case covering such other customary matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers) and (b) from Chapman and Cutler LLP, the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Schedule 4.4(b) and covering such other customary matters incident to such transactions as such Purchaser may reasonably request.

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser at least ten Business Days prior to the date of the Closing, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Notes. Contemporaneously with the Closing the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in Schedule B.

Section 4.7. Payment of Special Counsel Fees. Without limiting Section 15.1, the Company shall have paid on or before the Closing the reasonable and documented fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least two Business Days prior to the Closing.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for the Notes.

Section 4.9. Changes in Structure. No Note Party shall have changed its jurisdiction of incorporation or organization, as applicable, or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Funding Instructions. At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company confirming the information specified in Section 3 including (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number and (iii) the account name and number into which the purchase price for the Notes is to be deposited.

Section 4.11. Proceedings and Documents. All corporate, limited partnership, limited liability company and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be reasonably satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

Section 4.12. Affiliate Guaranty. The Affiliate Guaranty shall have been executed and delivered by the REIT and shall be in full force and effect.

Section 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY:

The Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Power and Authority. Each Note Party and each of its Subsidiaries is an entity duly organized or formed, validly existing and, as applicable, in good standing under the laws of its jurisdiction of incorporation or organization, and is duly qualified as a foreign entity and, as applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or, as applicable, in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Note Party and each of its Subsidiaries has all requisite power and authority, as the case may be, (a) to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact and (b) to execute and deliver the Note Documents to which each is a party and to perform the provisions hereof and thereof, except in each case referred to in clause (a), to the extent that failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.2. Authorization, Etc. Each Note Document has been duly authorized by all necessary corporate or other organizational action, as the case may be, on the part of each Note Party party thereto, and each Note Document (excluding the Notes) constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of each Note Party party thereto enforceable against each such Note Party in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. The Company, through its agents, RBC Capital Markets, LLC and Mizuho Securities, has delivered or made available via electronic portal to each Purchaser a copy of the Private Placement Memorandum, dated June 2019 (the "**Private Placement Memorandum**"), relating to the

transactions contemplated hereby. This Agreement, the financial statements listed in Schedule 5.5 and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to July 17, 2019 in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement, the Memorandum and such documents, certificates or other writings and such financial statements delivered to each Purchaser being referred to, collectively, as the “**Disclosure Documents**”), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made; provided that, with respect to projections, estimates and other forward-looking information, the Company and the other Note Parties represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time (it being understood that such projections, estimates and other forward-looking information are not to be viewed as facts or guarantees and that actual results may vary materially from such projections, estimates and forward-looking information). Except as disclosed in the Disclosure Documents, since December 31, 2018 there has been no change in the financial condition, operations, business or properties of any Note Party or any Subsidiary except changes that could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. There is no fact known to any Note Party that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates. (a) Schedule 5.4 contains (except as noted therein) as of the date hereof complete and correct lists of each Note Party’s Subsidiaries, showing, as to each Subsidiary, the name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by a Note Party and each other Subsidiary.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by a Note Party and its Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by such Note Party or another Subsidiary free and clear of any Lien that is prohibited by this Agreement.

(c) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is subject to any legal, regulatory, contractual or other restriction (other than the agreements listed on Schedule 5.4, customary limitations imposed by corporate law or similar statutes and limitations imposed by the terms of any agreements governing Nonrecourse Indebtedness) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Note Parties or any of their Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Consolidated Group listed on Schedule 5.5. All of such financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Consolidated Group as of the respective dates specified

in such Schedule and the consolidated results of their operations, cash flows and changes in shareholders' equity for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments and the absence of footnotes). The Consolidated Group does not have any Material liabilities that are not disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. made per fiscal year by all holders and such discussion shall be held on or around the end of the SAS 100 review period and that representatives of such Note Party shall be entitled to be present at any such meeting), and (with the consent of such Note Party, which consent will not be unreasonably withheld) to visit the other offices and properties of such Note Party and each Subsidiary, all at such reasonable times and as often as may be reasonably requested in writing; *provided* that only one such visit or one such discussion shall be made per fiscal year by each holder;

(b) *Default* - if a Default or Event of Default then exists, at the expense of such Note Party to visit and inspect any of the offices or properties of such Note Party or any Subsidiary, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent public accountants (and by this provision such Note Party authorizes said accountants to discuss the affairs, finances and accounts of such Note Party and its Subsidiaries (*provided* that representatives of such Note Party shall be entitled to be present at any such meeting)), all at such times and as often as may be requested.

Section 7.4. Electronic Delivery. Financial statements, opinions of independent certified public accountants, other information and Officer's Certificates that are required to be delivered by the Note Parties pursuant to Sections 7.1(a), (b) or (c) and Section 7.2 shall be deemed to have been delivered if the Note Parties satisfy any of the following requirements with respect thereto:

(i) such financial statements satisfying the requirements of Section 7.1(a) or (b) and related Officer's Certificate satisfying the requirements of Section 7.2 are delivered to each holder of a Note by e-mail;

(ii) the REIT shall have timely filed such Form 10-Q or Form 10-K, satisfying the requirements of Section 7.1(a) or Section 7.1(b), as the case may be, with the SEC on EDGAR and the Company shall have made such form and the related Officer's Certificate satisfying the requirements of Section 7.2 available on its home page on the internet, which is located at www.americanassetstrust.com as of the date of this Agreement;

(iii) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificate(s) satisfying the requirements of Section 7.2 are timely posted by or on behalf of the Note Parties on IntraLinks or on any other similar website to which each holder of Notes has free access; or

(iv) the REIT shall have filed any of the items referred to in Section 7.1(c) with the SEC on EDGAR and the Company shall have made such items available on its home page on the internet or on IntraLinks or on any other similar website to which each holder of Notes has free access;

provided however, that in no case shall access to such financial statements, other information and Officer's Certificates be conditioned upon any waiver or other agreement or consent (other than confidentiality provisions consistent with Section 20 of this Agreement); *provided further* that in the case of any of clauses (ii), (iii) or (iv), the Company shall have given each holder of a Note prior written notice, which may be by e-mail or in accordance with Section 18, of such posting or filing in connection with each delivery, *provided further*, that upon request of any holder to receive paper copies of such forms, financial statements and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder.

Section 8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of the Notes shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than 5% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount (*provided* that no Make-Whole Amount shall be due if such Notes are prepaid during the last sixty (60) days of the term of such Notes). The Company will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than ten days and not more than 60 days prior to the date fixed for such prepayment unless the Company and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. (a) In the case of each partial prepayment of the Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

(b) Any prepayments pursuant to Section 8.7 shall be applied only to the Notes of the holders electing to participate in such prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each optional prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Company will not and will not permit any other Note Party or any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes or (b) pursuant to an offer to purchase made by the Company, any other Note Party or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least 10 Business Days. If the holders of more than 50% of the principal amounts of the Notes then outstanding accept such offer, the Company shall promptly notify the remaining holders of Notes of such fact and the expiration date for the acceptance by holders of Notes shall

be extended by the number of days necessary to give each such remaining holder at least 10 Business Days from its receipt of notice to accept such offer. The Company will promptly cancel all Notes acquired by it, any other Note Party or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

“Make-Whole Amount” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“Called Principal” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Reinvestment Yield” means, with respect to the Called Principal of any Note, .50% over the yield to maturity implied by the “Ask-Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask-Yield(s)” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then **“Reinvestment Yield”** means, with respect to the Called Principal of any Note, .50% over the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year composed of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.4 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.7. Change in Control.

(a) *Notice of Change in Control.* The Company will, within ten (10) Business Days after the occurrence of any Change in Control, give written notice (the **“Change in Control Notice”**) of such Change in Control to each holder of Notes. Such Change in Control Notice shall contain and constitute an offer to prepay the Notes as described in Section 8.7(b) hereof and shall be accompanied by the certificate described in Section 8.7(e).

(b) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by Section 8.7(a) shall be an offer to prepay, in accordance with and subject to this Section 8.7, all, but not less than all, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such Change in Control Notice (the **“Proposed Prepayment Date”**). Such date shall be not fewer than 30 days and not more than 60 days after the date of delivery of the Change in Control Notice.

(c) *Acceptance.* Any holder of Notes may accept the offer to prepay made pursuant to this Section 8.7 by causing a notice of such acceptance to be delivered to the Company not fewer than 10 days prior to the Proposed Prepayment Date. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this Section 8.7 shall be deemed to constitute a rejection of such offer by such holder.

(d) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.7 shall be at 100% of the principal amount of such Notes together with accrued and unpaid interest thereon but without any Make-Whole Amount or other premium. The prepayment shall be made on the Proposed Prepayment Date.

(e) *Officer’s Certificate.* Each offer to prepay the Notes pursuant to this Section 8.7 shall be accompanied by a certificate, executed by a Senior Financial Officer and dated the date of delivery of the Change in Control Notice, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this Section 8.7; (iii) the principal amount of each Note offered to be prepaid (which shall be 100% of the outstanding principal balance of each such Note); (iv) the interest that would be due on each Note offered

to be prepaid, accrued to the Proposed Prepayment Date; (v) that the conditions of this Section 8.7 required to be fulfilled prior to the giving of notice have been fulfilled; and (vi) in reasonable detail, the general nature and date of the Change in Control.

Section 8.8. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding, (x) subject to clause (y), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 9.2. Insurance. Each of the REIT and the Company will, and will cause each other Note Party and each Subsidiary to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

Section 9.6. Books and Records. Each of the REIT and the Company will, and will cause each other Note Party and each Subsidiary to, maintain proper books of record and account in conformity with GAAP and in conformity in all material respects with all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over any such Note Party or such Subsidiary, as the case may be. Section 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to any Note Party described in Section 11(g) or (h) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note Document, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due

solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by any Note Document upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all reasonable and documented costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable and documented attorneys' fees, expenses and disbursements.

Section 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person(s) in whose name any Note(s) shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 13.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$100,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

Section 14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of Bank of America, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule B, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

Section 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all reasonable and documented costs and expenses (including reasonable

and documented attorneys' fees of one special counsel for the holders, taken as a whole, and, if reasonably required by the Required Holders, one local counsel in each applicable jurisdiction and/or one specialty counsel in any applicable specialty) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of any Note Document (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under any Note Document or in responding to any subpoena or other legal process or informal investigative demand issued in connection with any Note Document, or by reason of being a holder of any Note, (b) the costs and expenses, including fees of one financial advisor for all of the holders, taken as a whole, incurred in connection with the insolvency or bankruptcy of any Note Party or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated by any Note Document and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$3,500. If required by the NAIC, each Note Party shall obtain and maintain at its own cost and expense a Legal Entity Identifier (LEI). The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes), (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note and (iii) any judgment, liability, claim, order, decree, fine, penalty, cost, fee, expense (including reasonable attorneys' fees and expenses) or obligation resulting from the consummation of the transactions contemplated hereby, including the use of the proceeds of the Notes by the Company provided, that the Company shall have no obligation under this clause (iii) to the extent such obligation has resulted from (x) the gross negligence or willful misconduct of a holder or (y) the material breach in bad faith of such holder's obligations hereunder.

Section 15.2. Certain Taxes. The Company agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of any Note Document or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States or any other jurisdiction where the Company or any other Note Party has assets or of any amendment of, or waiver or consent under or with respect to, any Note Document, and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Company pursuant to this Section 15, and will save each holder of a Note to the extent permitted by applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Company hereunder.

Section 15.3. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of any Note Document, and the termination of this Agreement.

Section 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of a Note Party pursuant to this Agreement shall be deemed representations and warranties of such Note Party under this Agreement.

Subject to the preceding sentence, this Agreement and the other Note Documents embody the entire agreement and understanding between each Purchaser and the Note Parties and supersede all prior agreements and understandings relating to the subject matter hereof.

Section 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the Make-Whole Amount, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver, or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions of any Note Document. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to any Note Document to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions of any Note Document unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to any Note Document by a holder of a Note that has transferred or has agreed to transfer its Note to (i) any Note Party, any Subsidiary or any Affiliate of any Note Party or (ii) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Company and/or any of its Affiliates (either pursuant to a waiver under Section 17.1(c) or subsequent to Section 8.5 having been amended pursuant to Section 17.1(c)), in each case in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all

other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in any Note Document applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Note Parties and any holder of a Note and no delay in exercising any rights under any Note Document shall operate as a waiver of any rights of any holder of such Note.

Section 17.4. Notes Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under any Note Document, or have directed the taking of any action provided in any Note Document to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by any Note Party or any of its Affiliates shall be deemed not to be outstanding.

Section 18. NOTICES.

Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by an internationally recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by an internationally recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

Notices under this Section 18 will be deemed given only when actually received.

Section 19. REPRODUCTION OF DOCUMENTS.

The Note Documents and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser

in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit a Note Party or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

Section 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of any Note Party or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of such Note Party or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by a Note Party or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Section 22.5. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

(a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company and the REIT agree, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 22.7(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) The Company consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 22.7 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

[Form of Affiliate Guaranty]

SCHEDULE C

AFFILIATE GUARANTY AGREEMENT

This Affiliate Guaranty (as amended, modified, restated and/or supplemented from time to time, this “*Guaranty*”) is executed as of July 30, 2019, by each undersigned Guarantor (each a “*Guarantor*,” and collectively, the “*Guarantors*”), for the benefit of the Purchasers (as defined below) and the other holders from time to time of the Notes (as defined below). The Purchasers and such other holders are herein collectively referred to as the “*Holders*” and individually a “*Holder*.”

Recitals:

Whereas, American Assets Trust, Inc., a Maryland corporation (the “*REIT*”) and American Assets Trust, L.P., a Maryland limited partnership (the “*Company*”), are entering into a Note Purchase Agreement dated as of July 30, 2019 (as amended, modified, supplemented or restated from time to time, the “*Note Purchase Agreement*”) with the Persons listed on the signature pages thereto (the “*Purchasers*”) simultaneously with the delivery of this Guaranty (this “*Guaranty*”). *Capitalized terms used herein shall have the meanings specified in the Note Purchase Agreement unless otherwise defined herein.*

Whereas, the Company has authorized the issuance and sale, pursuant to the Note Purchase Agreement of, \$150,000,000 aggregate principal amount of its 3.91% Senior Guaranteed Notes, Series G, due July 30, 2030 (the “*Notes*”).

Whereas, each Guarantor is either the REIT, which is the direct parent of the Company or a direct or indirect Subsidiary of the Company and will, directly or indirectly, benefit from the financing arrangements contemplated by the Note Purchase Agreement.

Whereas, this Guaranty is integral to the transactions contemplated by the Note Purchase Agreement, and the execution and delivery hereof is a condition precedent to the effectiveness of the Note Purchase Agreement and the Purchasers’ obligation to purchase the Notes.

Whereas, each Guarantor will obtain substantial direct and indirect benefits from the issuance of the Notes by the Company and, accordingly, desires to execute this Guaranty in order to satisfy the condition described in the preceding paragraph and to induce the Purchasers to purchase the Notes.

Now, Therefore, as an inducement to the Purchasers to enter into the Note Purchase Agreement and to purchase the Notes thereunder, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Holders of the Notes and the other parties to whom any Obligations are owing, and hereby covenants and agrees as follows:

Schedule C
(to Note Purchase Agreement)

Section 1. Guaranty.

Each Guarantor, jointly and severally with the other Guarantors, hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of all of the Obligations, including without limitation (i) the principal of, premium, if any, and interest on the Notes issued by the Company under the Note Purchase Agreement, (ii) all renewals, extensions, amendments, refinancings and other modifications thereof, and (iii) all out-of-pocket expenses incurred by any Holder (including the reasonable fees, charges and disbursements of one counsel for the Holders, taken as a whole) in connection with the collection or enforcement thereof for which the Company is liable under the Note Purchase Agreement, and whether recovery upon such Obligations may be or hereafter become unenforceable or shall be an allowed or disallowed claim under any proceeding or case commenced by or against the Company or any other Note Party under the Bankruptcy Code (Title 11, United States Code), any successor statute or any other liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief laws of the United States or other applicable jurisdictions from time to time in effect (collectively, "*Debtor Relief Laws*"), and including interest that accrues after the commencement by or against the Company or any other Note Party of any proceeding under any Debtor Relief Laws (collectively, the "*Guaranteed Obligations*"). The books and records of the Holders showing the amount of the Guaranteed Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon the Guarantors and conclusive for the purpose of establishing the amount of the Guaranteed Obligations absent manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses (other than the defense of payment and performance in full of the Guaranteed Obligations) it may now have or hereafter acquire in any way relating to any or all of the foregoing.

Anything contained in this Guaranty to the contrary notwithstanding, it is the intention of each Guarantor and the Holders that the obligations of each Guarantor hereunder at any time shall be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code (Title 11, United States Code) or any comparable provisions of any similar federal or state law. To that end, but only in the event and to the extent that after giving effect to Section 17 of this Guaranty, such Guarantor's obligations with respect to the Guaranteed Obligations or any payment made pursuant to such Guaranteed Obligations would, but for the operation of the first sentence of this paragraph, be subject to avoidance or recovery in any such proceeding under applicable Debtor Relief Laws after giving effect to Section 17 of this Guaranty, the amount of such Guarantor's obligations with respect to the Guaranteed Obligations shall be limited to the largest amount which, after giving effect thereto, would not, under applicable Debtor Relief Laws, render such Guarantor's obligations with respect to the Guaranteed Obligations unenforceable or avoidable or otherwise subject to recovery under applicable Debtor Relief Laws. To the extent any payment actually made pursuant to the Guaranteed Obligations exceeds the limitation of the first sentence of this paragraph and is otherwise subject to avoidance and recovery in any such proceeding under applicable Debtor Relief Laws, the amount subject to avoidance shall in all events be limited to the amount by which such actual payment exceeds such limitation, and the Guaranteed Obligations as limited by the first sentence of this paragraph shall in all events remain in full force and effect and be fully enforceable against such Guarantor. The first sentence of this paragraph is intended solely to preserve the rights of the Holders hereunder against such

Guarantor in such proceeding to the maximum extent permitted by applicable Debtor Relief Laws and neither such Guarantor, the Company, any other Guarantor nor any other Person shall have any right or claim under such sentence that would not otherwise be available under applicable Debtor Relief Laws in such proceeding.

Section 2. Rights of Holders.

Each Guarantor consents and agrees that the Holders may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the times for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security (if any) and direct the order or manner of sale thereof as the Holders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of the Guarantors under this Guaranty or which, but for this provision, might operate as a discharge of one or more of the Guarantors.

Section 3. Certain Waivers.

Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Company, any other Note Party or any other guarantor of the Guaranteed Obligations or any part thereof, or the cessation from any cause whatsoever (including any act or omission of any Holder) of the liability of the Company; (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Company; (c) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (d) any right to require any Holder to proceed against the Company or any other Note Party, proceed against or exhaust any security for any of the Guaranteed Obligations, or pursue any other remedy in the power of any Holder; (e) any benefit of and any right to participate in any security now or hereafter held by any Holder; and (f) to the full extent permitted by law, any and all other defenses (other than the defense of payment and performance in full of the Guaranteed Obligations) or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

Section 4. Obligations Independent.

The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor of the Guaranteed Obligations or any part thereof, and a separate action may be brought against any Guarantor to enforce this Guaranty whether or not the Company or any other Person is joined as a party. For the avoidance of doubt, all obligations of each Guarantor under this Guaranty are joint and several obligations of all the Guarantors.

Section 5. Subrogation.

No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Guaranteed Obligations and any amounts payable under this Guaranty (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made) have been indefeasibly paid and performed in full in immediately available funds. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust by such Guarantor for the benefit of the Holders and shall forthwith be paid to the Holders for application to the Guaranteed Obligations in accordance with the terms of the Note Documents.

Section 6. Termination; Reinstatement.

(a) This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until all of the Guaranteed Obligations (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made) and any amounts payable under this Guaranty have been indefeasibly paid and performed in full in immediately available funds. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Company or a Guarantor is made, or a Holder exercises its right of setoff, in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by a Holder in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Holders are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

(b) Notwithstanding anything to the contrary contained in this Guaranty, each Guarantor hereby acknowledges and agrees that if at any time any Subsidiary of the Company is released from its obligations as a Guarantor under this Guaranty in accordance with Section 9.7(b) of the Note Purchase Agreement, such Subsidiary is required to become a Guarantor pursuant to Section 9.7(a) of the Note Purchase Agreement, then, immediately at the time such Subsidiary is so required to become a Guarantor, all Obligations of such Subsidiary under this Guaranty (including its guaranty of the Guaranteed Obligations hereunder) shall be automatically revived and reinstated without any action on the part of the Holders, such Subsidiary or any other Person. In connection with any such revival and reinstatement of the obligations of such Subsidiary hereunder, such Subsidiary shall (x) execute such reaffirmations of its obligations hereunder (including reaffirmations of its guaranty of the Guaranteed Obligations) as reasonably requested by the Required Holders and (y) cause all requirements of Section 9.7(a) of the Note Purchase Agreement to be satisfied with respect to such Subsidiary.

Section 7. Release of Liability of Guarantor.

(a) Notwithstanding anything contained to the contrary herein, any Person (other than the REIT) that ceases to be a Guarantor pursuant to Section 9.7(b) of the Note Purchase Agreement shall cease to be a party hereto and shall automatically be released from this Guaranty without further action by any Person.

(b) On and after the consummation of any such release, the Holders shall, upon the request and at the sole expense of the Company, provide the Company with written confirmation of such release and shall take such further actions as reasonably requested by the Company to evidence such release all in accordance with Section 9.7(b) of the Note Purchase Agreement.

Section 8. Stay of Acceleration.

In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against the Company or any other Note Party under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by the Guarantors who are not subject to such automatic stay immediately upon demand by the Required Holders.

Section 9. Modifications; Miscellaneous.

Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except in a writing signed by each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and the Required Holders. No failure by any Holder to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein.

Section 10. Condition of Note Parties.

Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Note Parties and any other guarantor of the Guaranteed Obligations such information concerning the financial condition, business and operations of the Note Parties and any such other guarantors as such Guarantor requires, and that no Holder has any duty, and no Guarantor is relying on any Holder at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of any Note Party or any other guarantor of the Guaranteed Obligations (such Guarantor waiving any duty on the part of the Holders to disclose such information and any defense relating to the failure to provide the same).

Section 11. Setoff.

In addition to any rights now or hereafter granted under applicable law (including, without limitation, Section 151 of the New York Debtor and Creditor Law) and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Holder and each of their respective Affiliates is hereby authorized, at any time or from time to time, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Holder or any of its Affiliates to or for the credit or the account of any Guarantor, against and on account of the Guaranteed Obligations of such Guarantor to such Holder under this Guaranty, irrespective of whether or not such Holder has made any demand hereunder and although said Guaranteed Obligations, shall be contingent or unmatured or are owed to a branch or office or Affiliate of such Lender different from the branch or office or Affiliate holding such deposit or obligated on such indebtedness. The rights of each Holder and their respective

Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Holder or its respective Affiliates may have. Each Holder (by its acceptance of the benefits hereof) acknowledges and agrees to promptly notify the Company after any such setoff and application; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12. Representations and Warranties.

Each Guarantor represents and warrants as of the date hereof and as of the date of the Closing that (a) it is duly organized and in good standing under the laws of the jurisdiction of its organization and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or similar laws affecting the enforceability of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought at law or in equity); (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable law, regulation or order, and does not and will not result in the breach of, or constitute a default or require any consent under, any agreement, instrument, or document to which it is a party or by which it or any of its property may be bound or affected, except as could not reasonably be expected to have a Material Adverse Effect; and (d) all consents, approvals, licenses and authorizations of, and filings and registrations with, any Governmental Authority required under applicable law and regulations for the making and performance of this Guaranty have been obtained or made and are in full force and effect. In addition, each Guarantor represents and warrants that (x) until all of the Guaranteed Obligations (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made) and any amounts payable under this Guaranty have been indefeasibly paid and performed in full in immediately available funds, such Guarantor will comply with all covenants contained in the Note Purchase Agreement applicable to it as if it were a party thereto; and (y) an executed (or conformed) copy of each of the Note Documents has been made available to a senior officer of such Guarantor and such officer is familiar with the contents thereof.

Section 13. Indemnification and Survival.

Without limitation on any other obligations of any Guarantor or remedies of any Holder under this Guaranty, each Guarantor shall, jointly and severally, to the full extent permitted by law, indemnify, defend and save and hold harmless each Holder if, and to the same extent that, the Holder is required to indemnify, defend and save and hold harmless such Holder under Section 15 of the Note Purchase Agreement. The obligations of the Guarantors under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

Section 14. Guaranty Enforceable by Required Holders.

This Guaranty may be enforced only by the action of the Required Holders, and no other Holder will have any right individually to seek to enforce or to enforce this Guaranty or to realize upon the security (if any) to be granted by the Note Documents, it being understood and agreed that such rights and remedies may be exercised by the Required Holders, upon the terms of this Guaranty and the other Note Documents. It is understood and agreed that the agreement in this Section 14 is solely for the benefit of the Holders.

Section 15. Subordination of Indebtedness Held by Guarantors.

Any indebtedness of any Note Party now or hereafter held by any Guarantor is hereby subordinated to the prior payment in full in immediately available funds of all the Guaranteed Obligations, and such indebtedness of any Note Party to any Guarantor, if the Required Holders, after an Event of Default has occurred and is continuing, so request, shall be collected, enforced and received by such Guarantor as trustee for the Holders and be paid over to the Holders for application to the Guaranteed Obligations in accordance with the terms of the Note Documents. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any indebtedness of any Note Party to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Holders that it will not exercise any right of subrogation which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all of the Guaranteed Obligations and any amounts payable under this Guaranty (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made) have been indefeasibly paid and performed in full in immediately available funds; *provided*, that if any amount shall be paid to any Guarantor on account of such subrogation rights prior to such time, such amount shall be held in trust for the benefit of the Holders and shall forthwith be paid to the Holders for the benefit of the Holders to be credited and applied to the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Note Documents. Upon the indefeasible payment in full in immediately available funds of all of the Guaranteed Obligations and any amounts payable under this Guaranty (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made), each Guarantor shall be subrogated to the rights of the Holders to receive payments or distributions applicable to the Guaranteed Obligations until all Indebtedness of the Company held by such Guarantor shall be paid in full.

Section 16. Additional Guarantors.

Any Subsidiary of the REIT that is required to become a party to this Guaranty after the date hereof pursuant to Section 9.7(a) the Note Purchase Agreement shall become a Guarantor hereunder by executing and delivering a joinder agreement in the form attached hereto as Annex I.

Section 17. Contribution.

At any time a payment in respect of the Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "*Relevant Payment*") is made on the Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "*Aggregate Excess Amount*"), each such Guarantor shall have a right of contribution against each other Guarantor who either has not made any payments or has made payments in respect of the Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Guaranteed Obligations (the aggregate amount of such deficit, the "*Aggregate Deficit Amount*") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the

Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment at the time of each computation; *provided*, that no Guarantor may take any action to enforce such right until all of the Guaranteed Obligations and any amounts payable under this Guaranty (other than contingent indemnification obligations that survive termination of the Loan Documents and for which no claim has been made) have been indefeasibly paid and performed in full in immediately available funds, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 17 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 17, (i) each Guarantor's "*Contribution Percentage*" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "*Adjusted Net Worth*" of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the "*Net Worth*" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Guaranteed Obligations arising under this Guaranty) on such date. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 17, each Guarantor who makes any payment in respect of the Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Guaranteed Obligations (other than contingent indemnification obligations that survive termination of the Note Documents for which no claim has been made) have been indefeasibly paid and performed in full in cash. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Required Holders.

Section 18. Counterparts.

This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Company and the Holders.

Section 19. Headings Descriptive.

The headings of the several Sections of this Guaranty are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Guaranty.

Section 20. Governing Law; Assignment; Jurisdiction; Notices.

This Guaranty shall be governed by, and construed in accordance with, the law of the State of New York (without giving effect to the conflicts of law provisions thereof). This Guaranty shall bind the Guarantor and its successors and assigns, *provided* that no Guarantor may assign its rights or obligations under this Guaranty (and any attempted assignment without such consent shall be void), and inure to the benefit of the Holders and their respective successors and assigns and the Holders may, in accordance with the Note Purchase Agreement and without affecting the obligations of any Guarantor hereunder, assign or sell the Notes and this Guaranty, in whole or in part. Each Guarantor hereby irrevocably (i) submits to the non-exclusive

jurisdiction of courts of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty, and (ii) waives to the fullest extent permitted by law any defense asserting an inconvenient forum in connection therewith. Each of the parties hereto (x) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law, and (y) consents to the service of process out of any of the aforementioned courts, in the manner provided in Section 22.7 of the Note Purchase Agreement, to (A) in the case of the Holders, at the address provided in the Note Purchase Agreement and (B) in the case of a Guarantor, at its address set forth opposite its signature page below. All notices and other communications to any Guarantor under this Guaranty shall be in writing and delivered in the manner set forth in Section 22.7 of the Note Purchase Agreement. All notices and other communications shall be in writing and addressed to such party at (i) in the case of any Holder, as provided in the Note Purchase Agreement, and (ii) in the case of any Guarantor, at its address set forth opposite its signature below.

Section 21. Waiver of Jury Trial; Final Agreement.

TO THE EXTENT ALLOWED BY APPLICABLE LAW, EACH GUARANTOR AND EACH HOLDER EACH IRREVOCABLY WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING ON, ARISING OUT OF OR RELATING TO THIS GUARANTY OR THE GUARANTEED OBLIGATIONS.

IN WITNESS WHEREOF, each Guarantor has caused this Guaranty to be executed and delivered as of the date first above written.

Company Release – 7/30/19

SAN DIEGO – American Assets Trust, Inc. (NYSE:AAT) (the “Company”) and American Assets Trust, L.P. (the “Operating Partnership”) announced today the closing of a privately placed debt offering of \$150,000,000 of eleven-year senior guaranteed notes (the “Series G Notes”) by the Operating Partnership. The Series G Notes are unsecured, will pay a fixed interest rate of 3.91% and are due on July 30, 2030.

Prior to closing, the Operating Partnership entered into a treasury lock contract to reduce the interest rate variability exposure of the projected interest cash outflows under the then-prospective private placement of the Series G Notes described above. As a result, net of the settlement of the treasury lock contract, the fixed interest rate in accordance with GAAP for the Series G Notes is approximately 3.88% per annum, through maturity.

The Company intends to use the proceeds from the private placement of the Series G Notes to repay outstanding amounts on its credit facility and for other general corporate purposes.
