American Assets Trust, Inc. Reports Third Quarter 2026 Financial Results

SAN DIEGO, California - 10/27/2026 - American Assets Trust, Inc. (NYSE: AAT) (the “company”) today reported financial results for its third quarter ended September 30, 2026.

Third Quarter Highlights

- Net income available to common stockholders of \$7.7 million and \$18.0 million for the three and nine months ended September 30, 2026, respectively, or \$0.13 and \$0.30 per diluted share, respectively.
- Funds From Operations (“FFO”) of \$0.56 and \$1.57 per diluted share for the three and nine months ended September 30, 2026, respectively, compared to \$0.49 and \$1.53 per diluted share for the same periods in 2025.
- Same-store cash Net Operating Income (“NOI”) increased 8.3% and 2.3% for the three and nine months ended September 30, 2026, respectively, compared to the same periods in 2025.
- Increased 2026 FFO per diluted share guidance to a range of \$2.04 to \$2.10 with a midpoint of \$2.07, a \$0.04 increase over prior guidance.
- Achieved record average rental rates across our retail and multifamily segments during the third quarter.
- Leased 124,000 of office square feet, of which approximately 47,000 is comparable, at an average straight-line basis and cash-basis contractual rent increase of 8.2% and 2.1%, respectively, during the third quarter.
- Leased 108,000 of retail square feet, of which approximately 94,000 is comparable, at an average straight-line basis and cash-basis contractual rent increase of 16.8% and 7.4%, respectively, during the third quarter.

Financial Results

(Unaudited, amounts in thousands, except per share data)

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2026	2025	2026	2025
Net income	\$ 10,018	\$ 5,921	\$ 23,547	\$ 67,149
Basic and diluted income attributable to common stockholders per share	\$ 0.13	\$ 0.07	\$ 0.30	\$ 0.87
FFO attributable to common stock and common units	\$ 42,832	\$ 37,754	\$ 120,952	\$ 117,422
FFO per diluted share and unit	\$ 0.56	\$ 0.49	\$ 1.57	\$ 1.53

Net income decreased \$43.6 million for the nine months ended September 30, 2026, compared to the same period in 2025, primarily driven by the gain on sale of Del Monte Center recognized in 2025, higher interest expense as we ceased capitalization of interest related to La Jolla Commons III being placed into service, decrease in occupancy at First & Main and 14Acres and overall increase in rental expenses across our same-store properties. These decreases were partially offset by the acquisition of Genesee Park in 2025, prior year tax refunds received at Waialele Center and an increase in new tenant leases commenced at City Center Bellevue and La Jolla Commons III.

FFO increased \$3.5 million for the nine months ended September 30, 2026, compared to the same period in 2025, primarily due to the items described above. Gain on sale of Del Monte Center is excluded from FFO computations.

FFO is a non-GAAP supplemental earnings measure which the company considers meaningful in measuring its operating performance. A reconciliation of net income to FFO is attached to this press release.

Leasing

The portfolio leased status as of the end of the indicated quarter was as follows:

Use of Non-GAAP Information

Funds from Operations

The company calculates FFO in accordance with the standards established by the National Association of Real Estate Investment Trusts ("NAREIT"). FFO represents net income (computed in accordance with GAAP), excluding gains (or losses) from sales of depreciable operating property, impairment losses, real estate related depreciation and amortization (excluding amortization of deferred financing costs) and after adjustments for unconsolidated partnerships and joint ventures.

FFO is a supplemental non-GAAP financial measure. Management uses FFO as a supplemental performance measure because it believes that FFO is beneficial to investors as a starting point in measuring the company's operational performance. Specifically, in excluding real estate related depreciation and amortization and gains and losses from property dispositions, which do not relate to or are not indicative of operating performance, FFO provides a performance measure that, when compared year-over-year, captures trends in occupancy rates, rental rates and operating costs. The company also believes that, as a widely recognized measure of the performance of REITs, FFO will be used by investors as a basis to compare the company's operating performance with that of other REITs. However, because FFO excludes depreciation and amortization and captures neither the changes in the value of the company's properties that result from use or market conditions nor the level of capital expenditures and leasing commissions necessary to maintain the operating performance of the company's properties, all of which have real economic effects and could materially impact the company's results from operations, the utility of FFO as a measure of the company's performance is limited. In addition, other equity REITs may not calculate FFO in accordance with the NAREIT definition as the company does, and, accordingly, the company's FFO may not be comparable to such other REITs' FFO. Accordingly, FFO should be considered only as a supplement to net income as a measure of the company's performance. FFO should not be used as a measure of the company's liquidity, nor is it indicative of funds available to fund the company's cash needs, including the company's ability to pay dividends or service indebtedness. FFO also should not be used as a supplement to or substitute for cash flow from operating activities computed in accordance with GAAP.

Cash Net Operating Income

The company uses cash NOI internally to evaluate and compare the operating performance of the company's properties. The company believes cash NOI provides useful information to investors regarding the company's financial condition and results of operations because it reflects only those income and expense items that are incurred at the property level, and when compared across periods, can be used to determine trends in earnings of the company's properties, as this measure is not affected by (1) the non-cash revenue and expense recognition items, (2) the cost of funds of the property owner, (3) the impact of depreciation and amortization expenses as well as gains or losses from the sale of operating real estate assets that are included in net income computed in accordance with GAAP or (4) general and administrative expenses and other gains and losses that are specific to the property owner. The company believes the exclusion of these items from net income is useful because the resulting measure captures the actual revenue generated and actual expenses incurred in operating the company's properties as well as trends in occupancy rates, rental rates and operating costs. Cash NOI is a measure of the operating performance of the company's properties but does not measure the company's performance as a whole. Cash NOI is therefore not a substitute for net income as computed in accordance with GAAP.

Cash NOI is a non-GAAP financial measure of performance. The company defines cash NOI as operating revenues (rental income, tenant reimbursements (other than tenant improvement reimbursements), ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance), adjusted for non-cash revenue and operating expense items such as straight-line rent, amortization of lease intangibles, amortization of lease incentives and other adjustments. Cash NOI also excludes lease termination fees, tenant improvement reimbursements, general and administrative expenses, depreciation and amortization, interest expense, other nonproperty income and losses, acquisition-related expense, gains and losses from property dispositions, extraordinary items, tenant improvements, and leasing commissions. Other REITs may use different methodologies for calculating cash NOI, and accordingly, the company's cash NOI may not be comparable to the cash NOIs of other REITs.

About American Assets Trust, Inc.

American Assets Trust, Inc. is a full service, vertically integrated and self-administered real estate investment trust ("REIT"), headquartered in San Diego, California. The company has over 55 years of experience in acquiring, improving, developing and managing premier office, retail, and residential properties throughout the United States in some of the nation's most dynamic, high-barrier-to-entry markets primarily in Southern California, Northern California, Washington, Oregon, Texas and Hawaii. The company's office portfolio comprises approximately 4.3 million rentable square feet, and its retail portfolio comprises approximately 2.4 million rentable square feet. In addition, the company owns one mixed-use property (including approximately 94,000 rentable square feet of retail space and a 369-room all-suite hotel) and 2,302 multifamily units. In 2011, the company was formed to succeed to the real estate business of American Assets, Inc., a privately held corporation founded in 1967 and, as such, has significant experience, long-standing relationships and extensive knowledge of its core markets, submarkets and asset classes. Forward Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws, which are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. The following factors, among others, could cause actual results and future events to differ materially from those set forth or contemplated in the forward-looking statements: adverse economic or real estate developments in our markets; defaults on, early terminations of or non-renewal of leases by tenants, including significant tenants; decreased rental rates or increased vacancy rates; our failure to generate sufficient cash flows to service our outstanding indebtedness; fluctuations in interest rates and increased operating costs; our failure to obtain necessary outside financing; our inability to develop or redevelop our properties due to market conditions; investment returns from our developed properties may be less than anticipated; general economic conditions, including the impact of tariffs and other trade restrictions; the potential impact of a prolonged government shutdown; financial market fluctuations; risks that affect the general office, retail, multifamily and mixed-use environment; the competitive environment in which we operate; system failures or security incidents through cyberattacks; the impact of epidemics, pandemics, or other outbreaks of illness, disease or virus and the actions taken by government authorities and others related thereto, including the ability of our company, our properties and our tenants to operate; difficulties in identifying properties to acquire and completing acquisitions; our failure to successfully operate acquired properties and operations; risks related to joint venture arrangements; potential litigation; difficulties in completing dispositions; conflicts of interests with our officers or directors; lack or insufficient amounts of insurance; environmental uncertainties and risks related to adverse weather conditions and natural disasters; other factors affecting the real estate industry generally; limitations imposed on our business and our ability to satisfy complex rules in order for American Assets Trust, Inc. to continue to qualify as a REIT, for U.S. federal income tax purposes; and changes in governmental regulations or interpretations thereof, such as real estate and zoning laws and increases in real property tax rates and taxation of REITs. While forward-looking statements reflect the company's good faith beliefs, assumptions and expectations, they are not guarantees of future performance. For a further discussion of these and other factors that could cause the company's future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in the company's most recent annual report on Form 10-K, and other risks described in documents subsequently filed by the company from time to time with the Securities and Exchange Commission. The company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes.

This Supplemental Information contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 (set forth in Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act). Forward-looking statements involve numerous risks and uncertainties and you should not rely on them as predictions of future events. Forward-looking statements depend on assumptions, data or methods which may be incorrect or imprecise and we may not be able to realize them. We do not guarantee that the transactions and events described will happen as described (or that they will happen at all). The following factors, among others, could cause actual results and future events to differ materially from those set forth or contemplated in the forward-looking statements: adverse economic or real estate developments in our markets; defaults on, early terminations of or non-renewal of leases by tenants, including significant tenants; decreased rental rates or increased vacancy rates; our failure to generate sufficient cash flows to service our outstanding indebtedness; fluctuations in interest rates and increased operating costs; our failure to obtain necessary outside financing; our inability to develop or redevelop our properties due to market conditions; investment returns from our developed properties may be less than anticipated; general economic conditions, including the impact of tariffs and other trade restrictions; the potential impact of a prolonged government shutdown; financial market fluctuations; risks that affect the general office, retail, multifamily and mixed-use environment; the competitive environment in which we operate; system failures or security incidents through cyberattacks; the impact of epidemics, pandemics, or other outbreaks of illness, disease or virus and the actions taken by government authorities and others related thereto, including the ability of our company, our properties and our tenants to operate; difficulties in identifying properties to acquire and completing acquisitions; our failure to successfully operate acquired properties and operations; risks related to joint venture arrangements; potential litigation; difficulties in completing dispositions; conflicts of interests with our officers or directors; lack or insufficient amounts of insurance; environmental uncertainties and risks related to adverse weather conditions and natural disasters; other factors affecting the real estate industry generally; limitations imposed on our business and our ability to satisfy complex rules in order for American Assets Trust, Inc. to continue to qualify as a REIT, for U.S. federal income tax purposes; and changes in governmental regulations or interpretations thereof, such as real estate and zoning laws and increases in real property tax rates and taxation of REITs.

While forward-looking statements reflect our good faith beliefs, they are not guarantees of future performance. We disclaim any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, or new information, data or methods, future events or other changes. For a further discussion of these and other factors that could impact our future results, refer to our most recent Annual Report on Form 10-K and other risks described in documents subsequently filed by us from time to time with the Securities and Exchange Commission.

- (1) See Glossary of Terms.
- (2) For the three and nine months ended September 30, 2026 and 2025, the weighted average common shares and common units used to compute FFO per diluted share/unit included operating partnership common units and unvested restricted stock awards that are subject to time vesting. The shares/units used to compute FFO per diluted share/unit include additional shares/units which were excluded from the computation of diluted EPS, as they were anti-dilutive for the periods presented.
- (3) Represents the straight-line rent income recognized during the period offset by cash received during the period and the provision for bad debts recorded for deferred rent receivable balances.
- (4) Represents the adjustment related to the acquisition of buildings with above (below) market rents.
- (5) Represents adjustments related to amortization of lease incentives paid to tenants, amortization of lease intangibles, and straight-line rent expense for our leases at the Annex at The Landmark at One Market.

FFO and FAD are non-GAAP supplemental earnings measures which we consider meaningful in measuring our operating performance.

Notes:

- (1) Same-store and non-same-store classifications are determined based on properties held on September 30, 2026 and 2025. See Glossary of Terms.
- (2) Represents the straight-line rent income recognized during the period offset by cash received during the period and the provision for bad debts recorded for deferred rent receivable balances.
- (3) Represents the adjustment related to the acquisition of buildings with above (below) market rents.
- (4) Represents adjustments related to amortization of lease incentives paid to tenants, amortization of lease intangibles, and straight-line rent expense for our leases at The Annex at The Landmark at One Market.
- (5) Lease termination fees and tenant improvement reimbursements are excluded from same-store cash NOI to provide a more accurate measure of operating performance.

NOI and same-store cash NOI are non-GAAP supplemental earnings measures which we consider meaningful in measuring our operating performance. Reconciliations of NOI and same-store cash NOI to net income are included in the Glossary of Terms.

Cash NOI is a non-GAAP supplemental earnings measure which the company considers meaningful in measuring its operating performance. A reconciliation of total cash NOI to net income is included in the Glossary of Terms.

Notes:

- (1) Base rent for our office and retail portfolios and the retail portion of our mixed-use portfolio represents base rent for the three months ended September 30, 2026 (before deferrals, abatements, and tenant improvement reimbursements) and excludes the impact of straight-line rent and above (below) market rent adjustments. Total abatements for our office portfolio and retail portfolio were approximately \$2.7 million and \$0.1 million, respectively, for the three months ended September 30, 2026. There were no abatements for our mixed-use portfolio for the three months ended September 30, 2026. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. Multifamily portfolio base rent represents base rent (including parking, before abatements) less vacancy allowance and employee rent credits and includes additional rents (which include insufficient notice penalties, month-to-month charges and pet rent). There were \$1.2 million of abatements for our multifamily portfolio for the three months ended September 30, 2026. For Waikiki Beach Walk - Embassy Suites™, base rent is equal to the actual room revenue for the three months ended September 30, 2026. Total tenant improvement reimbursements for our office portfolio, retail portfolio and the retail portion of our mixed-use portfolio were approximately \$0.2 million in the aggregate for the three months ended September 30, 2026. A reconciliation of base rent to rental income is shown below:

Base Rent	\$ 97,840
Billed Expense Reimbursement	11,043
Percentage Rent	793
Straight-line rent components	926
Other Rental Income*	(2,765)
Rental Income	\$ 107,837

* Other rental income includes rent abatement, rent deferral, above market rent, below market rent, lease incentives, tenant improvement reimbursement, storage rent and other miscellaneous rental income.

- (2) Represents additional property-related income for the three months ended September 30, 2026, which includes (i) percentage rent, (ii) other rent (such as storage rent, license fees and association fees) and (iii) other property income (such as late fees, default fees, parking revenue, the reimbursement of general excise taxes, laundry income and food and beverage sales), and excludes lease termination fees.
- (3) Represents billed tenant expense reimbursements for the three months ended September 30, 2026.
- (4) Represents property operating expenses for the three months ended September 30, 2026. Property operating expenses includes all rental expenses, except non cash rent expense.
- (5) Represents rental adjustments related to base rent (deferrals and abatements).
- (6) See Glossary of Terms.
- (7) Coastal Collection at Torrey Reserve was formerly known as Torrey Reserve Campus.
- (8) Base rent shown includes amounts related to American Assets Trust, L.P.'s corporate leases at Torrey Point and Lloyd Portfolio. This intercompany rent is eliminated in the consolidated statement of operations. The base rent and abatement were both \$0.4 million for the three months ended September 30, 2026.

Notes:

- (1) Includes interest and principal payments due over the next twelve months.
- (2) The Secured Notes Payable total does not include debt issuance costs, net of \$0.1 million.
- (3) Term Loan A accrues interest at a variable rate, which we fixed as part of an interest rate swap for an effective interest rate of 2.65% through January 5, 2027, subject to adjustments based on our consolidated leverage ratio. After January 5, 2027, interest will be accrued at a variable rate based on the applicable Secured Overnight Financing Rate ("SOFR"), plus a spread which ranges from 1.20%-1.70% based on our consolidated leverage ratio. For the purpose of the annual debt service calculation, the SOFR rate of 3.65% as of April 1, 2026 (the effective date of the Fourth Amended and Restated Credit Agreement) and spread of 1.25% is utilized.
- (4) \$250 million of 4.29% Senior Guaranteed Notes, Series D, due March 1, 2027. Net of the settlement of the forward-starting interest rate swap, the effective interest rate for the Series D Notes is approximately 3.87% per annum, through maturity.
- (5) \$100 million of 4.24% Senior Guaranteed Notes, Series E, due May 23, 2029. Net of the settlement of the treasury lock contract, the effective interest rate for the Series E Notes is approximately 4.18%, through maturity.
- (6) \$150 million of 3.91% Senior Guaranteed Notes, Series G, due July 30, 2030. Net of the settlement of the treasury lock contract, the effective interest rate for the Series G Notes is approximately 3.88% through maturity.
- (7) \$500 million of 3.375% Senior Notes due February 1, 2031. Net of the debt issuance discount, the effective interest rate for the 3.375% Notes is approximately 3.502% through maturity.
- (8) \$525 million of 6.150% Senior Notes due October 1, 2034. Net of the debt issuance discount and settlement of the treasury lock contracts, the effective interest rate for the 6.150% Notes is approximately 6.209% through maturity.
- (9) The Unsecured Notes Payable total does not include debt issuance costs and discounts, net of \$11.4 million.
- (10) On April 1, 2026, the Unsecured Line of Credit (the "Revolver Loan") capacity was increased to \$500 million, with a maturity date of April 1, 2030, subject to two, six-month extension options. The Revolver Loan currently accrues interest at SOFR, plus the applicable SOFR adjustment and a spread which ranges from 1.05%-1.50%, based on our consolidated leverage ratio. The Revolver Loan total does not include debt issuance costs, net of \$3.5 million.

Notes:

(1) Net debt is equal to total debt less cash on hand.

(2) See Glossary of Terms for discussion of EBITDA and Adjusted EBITDA.

(3) As used here, Adjusted EBITDA represents the actual for the three months ended September 30, 2026, annualized.

(4) Calculated as Adjusted EBITDA divided by interest on borrowed funds, including capitalized interest and excluding debt fair value adjustments and loan fee amortization.

(5) The debt covenant headings set forth in this table are utilized, and the covenants themselves are detailed, in the documents governing the 3.375% Senior Notes and the 6.150% Senior Notes.

Third Quarter 2026 Supplemental Information

Adjusted EBITDA is a non-GAAP supplemental earnings measure which we consider meaningful in measuring our operating performance. Reconciliations of Adjusted EBITDA to net income are in the Glossary of Terms.

Our portfolio has numerous potential opportunities to create future shareholder value. These opportunities could be subject to government approvals, lender consents, tenant consents, market conditions, availability of debt and/or equity financing, etc. Many of these opportunities are in their preliminary stages and may not ultimately come to fruition. This schedule will update as we modify various assumptions and markets conditions change. Square footages and units set forth below are estimates only and ultimately may differ materially from actual square footages and units.

Development/Redevelopment Pipeline					
Property	Property Type	Location	Estimated Rentable Square Feet	Multifamily Units	Opportunity

Lomas Santa Fe Plaza	Retail	Solana Beach, CA		TBD	Development of multifamily units
Genesee Park	Multifamily	San Diego, CA		TBD	Development of multifamily units
Solana Beach Towne Centre	Retail	Solana Beach, CA		TBD	Development of multifamily units
Carmel Mountain Plaza	Retail	San Diego, CA		TBD	Development of multifamily units
Lloyd Portfolio - multiple phases ⁽¹⁾	Mixed Use	Portland, OR			
Phase 2B - Oregon Square			385,000	N/A	Development of high density, transit oriented, mixed-use urban village

Notes:

- (1) The Lloyd Portfolio was acquired in 2011, consisting of approximately 600,000 rentable square feet on more than 16 acres located in the Lloyd District of Portland, Oregon. The portion of the property that has been designated for additional development is expected to include a high density, transit oriented, mixed-use urban village, with the potential to be in excess of approximately three million square feet. The zoning for such development opportunity allows a 12:1 Floor Area Ratio with a 250 foot height limit and provides for retail, office and/or multifamily development. Additional development plans are in the early stages and will continue to progress as demand and economic conditions allow.

Notes:

- (1) The net rentable square feet for each of our retail properties and the retail portion of our mixed-use property is the sum of (1) the square footages of existing leases, plus (2) for available space, the field-verified square footage. The net rentable square feet for each of our office properties is the sum of (1) the square footages of existing leases, plus (2) for available space, management's estimate of net rentable square feet based, in part, on past leases. The net rentable square feet included in such office leases is generally determined consistently with the Building Owners and Managers Association, 2017 measurement guidelines. Net rentable square footage may be adjusted from the prior periods to reflect re-measurement of leased space at the properties.
- (2) Percentage leased for each of our retail and office properties and the retail portion of the mixed-use property includes square footage under leases as of September 30, 2026, including leases which may not have commenced as of September 30, 2026. Percentage occupied for our multifamily properties includes total units rented and occupied as of September 30, 2026. Percentage leased for our multifamily properties includes units leased but not occupied as of September 30, 2026.
- (3) Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements)) under commenced leases for the month ended September 30, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. The foregoing notwithstanding:
 - The annualized base rent for La Jolla Commons I & II has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$39,197,419 to our estimate of annual triple net operating expenses of \$10,190,434 for an estimated annualized base rent on a modified gross lease basis of \$49,387,853 for La Jolla Commons I & II.
 - The annualized base rent for 14Acres has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$4,464,306 to our estimate of annual triple net operating expenses of \$1,819,271 for an estimated annualized base rent on a modified gross lease basis of \$6,283,577 for 14Acres.
 - The annualized base rent for Timber Ridge has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$6,139,287 to our estimate of annual triple net operating expenses of \$2,195,683 for an estimated annualized base rent on a modified gross lease basis of \$8,334,970 for Timber Ridge.
 - The annualized base rent for Timber Springs has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$2,311,571 to our estimate of annual triple net operating expenses of \$885,511 for an estimated annualized base rent on a modified gross lease basis of \$3,197,082 for Timber Springs.

- (4) Annualized base rent per occupied square foot for our retail and office properties and the retail portion of the mixed-use property is calculated by dividing annualized base rent from commenced leases as of September 30, 2026, by occupied square footage. Annualized base rent per occupied unit for our multifamily properties is calculated by dividing annualized base rent by units occupied as of September 30, 2026. The foregoing notwithstanding, the annualized base rent per occupied square foot for La Jolla Commons, 14Acres, Timber Ridge and Timber Springs has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases. See footnote 3 for further explanation.
- (5) Retail anchor tenants are defined as retail tenants leasing 50,000 square feet or more.
- (6) Other principal retail tenants, excluding anchor tenants.
- (7) Coastal Collection at Torrey Reserve was formerly known as Torrey Reserve Campus.
- (8) This property contains 422,426 net rentable square feet consisting of The Landmark at One Market (378,206 net rentable square feet) as well as a separate long-term leasehold interest in approximately 44,220 net rentable square feet of space located in an adjacent six-story leasehold known as the Annex. We currently lease the Annex from an affiliate of the Paramount Group pursuant to a long-term master lease effective through June 30, 2031.
- (9) Lease data for signed but not commenced leases as of September 30, 2026 is in the following table:

	Leased Square Feet Under Signed But Not Commenced Leases (a)	Annualized Base Rent (b)	Annualized Base Rent per Leased Square Foot (b)	Pro Forma Annualized Base Rent per Leased Square Foot (c)
Office Portfolio	209,357	\$ 11,954,193	\$ 57.10	\$ 60.87
Retail Portfolio	16,257	\$ 878,296	\$ 54.03	\$ 30.68
Total Retail and Office Portfolio	225,614	\$ 12,832,489	\$ 56.88	\$ 49.00

- (a) Office portfolio leases signed but not commenced of 71,613, 72,966, 26,942, 30,982 and 6,854 square feet are expected to commence during the fourth quarter of 2026, and first, second, third and fourth quarters of 2027, respectively. Retail portfolio leases signed but not commenced of 3,188, 1,587, 3,786, 1,400 and 6,296 square feet are expected to commence during the fourth quarter of 2026 and first, second, third and fourth quarters of 2027, respectively.
- (b) Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements) for signed but not commenced leases as of September 30, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. Annualized base rent per leased square foot is calculated by dividing annualized base rent, by square footage for signed but not commenced leases.
- (c) Pro forma annualized base rent is calculated by dividing annualized base rent for commenced leases and for signed but not commenced leases as of September 30, 2026, by square footage under lease as of September 30, 2026.
- (10) Net rentable square feet at certain of our retail properties includes pad sites leased pursuant to the ground leases in the following table:

Property	Number of Ground Leases	Square Footage Leased Pursuant to Ground Leases	Aggregate Annualized Base Rent
Carmel Mountain Plaza	5	17,607	\$ 1,055,634
South Bay Marketplace	1	2,824	\$ 114,552
Alamo Quarry Market	4	31,994	\$ 723,455
Gateway Marketplace	1	18,903	\$ 244,944

- (11) The Santa Fe Park RV Resort is subject to seasonal variation, with higher rates of occupancy occurring during the summer months. During the 12 months ended September 30, 2026, the highest average monthly occupancy rate for this property was 84.7%, occurring in July 2026. The number of units at the Santa Fe Park RV Resort includes 120 RV spaces and four apartments. The Santa Fe Park RV resort is excluded from the multifamily presentation above to accurately reflect true multifamily performance.
- (12) Hassalo on Eighth - Multifamily includes three residential buildings: Velomor, Aster Tower, and Elwood.
- (13) Average occupancy represents the percentage of available units that were sold during the three months ended September 30, 2026, and is calculated by dividing the number of units sold by the product of the total number of units and the total number of days in the period. Average daily rate represents the average rate paid for the units sold and is calculated by dividing the total room revenue (i.e., excluding food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services) for the three months ended September 30, 2026 by the number of units sold. Revenue per available room, or RevPAR, represents the total unit revenue per total available units for the three months ended September 30, 2026 and is calculated by multiplying average occupancy by the average daily rate. RevPAR does not include food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services.

Notes:

- (1) Percentage leased for mixed-use property includes square footage under leases as of September 30, 2026, including leases which may not have commenced as of September 30, 2026.
- (2) Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements)) for the month ended September 30, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses.
- (3) Annualized base rent per leased square foot is calculated by dividing annualized base rent, by square footage under lease as of September 30, 2026.
- (4) Average occupancy represents the percentage of available units that were sold during the three months ended September 30, 2026, and is calculated by dividing the number of units sold by the product of the total number of units and the total number of days in the period. Average daily rate represents the average rate paid for the units sold and is calculated by dividing the total room revenue (i.e., excluding food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services) for each respective quarter period by the number of units sold. Revenue per available room, or RevPAR, represents the total unit revenue per total available units for each respective quarter period and is calculated by multiplying average occupancy by the average daily rate. RevPAR does not include food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services.

- Notes:
- (1) Annualized base rent per occupied square foot is calculated by dividing (i) annualized base rent for leases expiring during the applicable period, by (ii) square footage under such expiring leases. Annualized base rent is calculated by multiplying (i) base rental payments (defined as cash base rents (before abatements)) for the month ended September 30, 2026 for the leases expiring during the applicable period by (ii) 12 months.
 - (2) Individual items may not add up to total due to rounding.

APPENDIX

Earnings Before Interest, Taxes, Depreciation, and Amortization (EBITDA): EBITDA is a non-GAAP measure that means net income or loss plus depreciation and amortization, net interest expense, income taxes, gain or loss on sale of real estate and impairments of real estate, if any. EBITDA is presented because it approximates a key performance measure in our debt covenants, but it should not be considered an alternative measure of operating results or cash flow from operations as determined in accordance with GAAP. The reconciliation of net income to EBITDA for the three and nine months ended September 30, 2026 and 2025 is as follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2026	2025	2026	2025
Net income	\$ 10,018	\$ 5,921	\$ 23,547	\$ 67,149
Depreciation and amortization	33,029	32,014	98,052	95,290
Interest expense, net	19,971	19,773	59,609	58,337
Interest income	(727)	(1,083)	(1,982)	(3,460)
Income tax expense	184	156	403	691
Gain on sale of real estate	—	—	—	(44,476)
EBITDA	\$ 62,475	\$ 56,781	\$ 179,629	\$ 173,531

Adjusted EBITDA: Adjusted EBITDA is a non-GAAP measure that begins with EBITDA and includes adjustments for certain items that we believe are not representative of ongoing operating performance. Specifically, we include an early extinguishment of debt adjustment and pro forma adjustment to reflect a full period of NOI on the operating properties we acquire during the quarter, to assume all transactions occurred at the beginning of the quarter. We use Adjusted EBITDA as a supplemental performance measure because we believe these items create significant earnings volatility which in turn results in less comparability between reporting periods and less predictability regarding future earnings potential. However, Adjusted EBITDA should not be considered an alternative measure of operating results or cash flow from operations as determined by GAAP. The reconciliation of EBITDA to Adjusted EBITDA for the three and nine months ended September 30, 2026 and 2025 is as follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2026	2025	2026	2025
EBITDA	\$ 62,475	\$ 56,781	\$ 179,629	\$ 173,531
Pro forma adjustments	—	—	—	—
Adjusted EBITDA	\$ 62,475	\$ 56,781	\$ 179,629	\$ 173,531

Earnings Before Interest, Taxes, Depreciation, and Amortization for Real Estate (EBITDA_{re}): EBITDA_{re} is a supplemental non-GAAP measure of real estate companies' operating performances. The National Association of Real Estate Investment Trusts (NAREIT) defines EBITDA_{re} as follows: net income or loss, computed in accordance with GAAP plus depreciation and amortization, net interest expense, income taxes, gain or loss on sale of real estate including gain or loss on change of control, impairments of real estate, and adjustments to reflect the entity's share of EBITDA_{re} of unconsolidated affiliates, if any. EBITDA_{re} is presented because it approximates a key performance measure in our debt covenants, but it should not be considered an alternative measure of operating results or cash flow from operations as determined in accordance with GAAP. The reconciliation of net income to EBITDA_{re} for the three and nine months ended September 30, 2026 and 2025 is as follows:

	Three Months Ended September 30,		Nine Months Ended September 30,	
	2026	2025	2026	2025
Net income	\$ 10,018	\$ 5,921	\$ 23,547	\$ 67,149
Depreciation and amortization	33,029	32,014	98,052	95,290
Interest expense, net	19,971	19,773	59,609	58,337
Interest income	(727)	(1,083)	(1,982)	(3,460)
Income tax expense	184	156	403	691
Gain on sale of real estate	—	—	—	(44,476)
EBITDA _{re}	\$ 62,475	\$ 56,781	\$ 179,629	\$ 173,531

Funds From Operations (FFO): FFO is a supplemental measure of real estate companies' operating performances. NAREIT defines FFO as follows: net income, computed in accordance with GAAP plus depreciation and amortization of real estate assets and excluding extraordinary items, gains and losses on sale of real estate and impairment losses. NAREIT developed FFO as a relative measure of performance and liquidity of an equity REIT in order to recognize that the value of income-producing real estate historically has not depreciated on the basis determined under GAAP. However, FFO does not represent cash flows from operating activities in accordance with GAAP (which, unlike FFO, generally reflects all cash effects of transactions and other events in the determination of net income); should not be considered an alternative to net income as an indication of our performance; and is not necessarily indicative of cash flow as a measure of liquidity or ability to pay dividends. We consider FFO a meaningful additional measure of operating performance primarily because it excludes the assumption that the value of real estate assets diminishes predictably over time, and because industry analysts have accepted it as a performance measure. Comparison of our presentation of FFO to similarly titled measures for other REITs may not necessarily be meaningful due to possible differences in the application of the NAREIT definition used by such REITs.

Funds Available for Distribution (FAD): FAD is a supplemental measure of our liquidity. We compute FAD by subtracting from FFO second generation tenant improvements and leasing commissions and recurring capital expenditures, eliminating the net effect of straight-line rents, amortization of above (below) market rents for acquisition properties, the effects of other lease intangibles, adding noncash amortization of deferred financing costs and debt fair value adjustments, adding noncash compensation expense, and adding (subtracting) unrealized losses (gains) on marketable securities. Recurring capital expenditures exclude spending related to repositioning initiatives at operating properties, such as building improvements intended to attract tenants and increase revenues and/or occupancy rates at properties designated for such initiatives, as well as planned capital expenditures identified at the time of acquisition, such as building improvements necessary to bring an acquired property to our operational standards, and tenant improvements and leasing commissions incurred prior to an acquired property reaching stabilization. FAD provides an additional perspective on our ability to fund cash needs and make distributions by adjusting FFO for the impact of certain cash and noncash items, as well as adjusting FFO for recurring capital expenditures and leasing costs. However, other REITs may use different methodologies for calculating FAD and, accordingly, our FAD may not be comparable to other REITs.

Net Operating Income (NOI): We define NOI as operating revenues (rental income, tenant reimbursements, lease termination fees, ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance). NOI excludes general and administrative expenses, interest expense, depreciation and amortization, acquisition-related expense, other nonproperty income and losses, gains and losses from property dispositions, extraordinary items, tenant improvements and leasing commissions. Other REITs may use different methodologies for calculating NOI, and accordingly, our NOI may not be comparable to other REITs. Since NOI excludes general and administrative expenses, interest expense, depreciation and amortization, acquisition-related expenses, other nonproperty income and losses, gains and losses from property dispositions, and extraordinary items, it provides a performance measure that, when compared year over year, reflects the revenues and expenses directly associated with owning and operating commercial real estate and the impact to operations from trends in occupancy rates, rental rates, and operating costs, providing a perspective on operations not immediately apparent from net income. However, NOI should not be viewed as an alternative measure of our financial performance since it does not reflect general and administrative expenses, interest expense, depreciation and amortization costs, other nonproperty income and losses, the level of capital expenditures and leasing costs necessary to maintain the operating performance of the properties, or trends in development and construction activities which are significant economic costs and activities that could materially impact our results from operations.

Overall Portfolio: Includes all operating properties owned by us as of September 30, 2026.

Cash NOI: We define cash NOI as operating revenues (rental income, tenant reimbursements (other than tenant improvement reimbursements), ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance), adjusted for non-cash revenue and operating expense items such as straight-line rent, amortization of lease intangibles, amortization of lease incentives and other adjustments. Cash NOI also excludes lease termination fees, tenant improvement reimbursements, general and administrative expenses, depreciation and amortization, interest expense, other non-property income and losses, acquisition-related expense, gains and losses from property dispositions, extraordinary items, tenant improvements, and leasing commissions. Other REITs may use different methodologies for calculating cash NOI, and accordingly, our cash NOI may not be comparable to the cash NOIs of other REITs. We believe cash NOI provides useful information to investors regarding the company's financial condition and results of operations because it reflects only those income and expense items that are incurred at the property level, and when compared across periods, can be used to determine trends in earnings of the company's properties as this measure is not affected by (1) the non-cash revenue and expense recognition items, (2) the cost of funds of the property owner, (3) the impact of depreciation and amortization expenses as well as gains or losses from the sale of operating real estate assets that are included in net income computed in accordance with GAAP or (4) general and administrative expenses and other gains and losses that are specific to the property owner. We believe the exclusion of these items from net (loss) income is useful because the resulting measure captures the actual revenue generated and actual expenses incurred in operating the company's properties as well as trends in occupancy rates, rental rates and operating costs. Cash NOI is a measure of the operating performance of the company's properties but does not measure the company's performance as a whole. Cash NOI is therefore not a substitute for net income as computed in accordance with GAAP. A Reconciliation of Total Cash NOI to Net Income is presented below:

- (1) La Jolla Commons Tower III is considered same-store for the three months ended September 30, 2026 and non-same-store for the nine months ended September 30, 2026, as it was placed into service on April 1, 2025.
- (2) One Beach Street and Lloyd Portfolio - Land were previously included as redevelopment property. One Beach Street is considered same-store for the three and nine months ended September 30, 2026 as it was placed into operations on August 1, 2024. Lloyd Portfolio - Land is not leased and has no active redevelopment activity; as such it is included within the non-same-store portfolio.
- (3) Genesee Park is considered same-store for the three months ended September 30, 2026 and non-same-store for the nine months ended September 30, 2026, since it was acquired on February 28, 2025.

Tenant Improvements and Incentives: Represents not only the total dollars committed for the improvement (fit-out) of a space as it relates to a specific lease but may also include base building costs (i.e., expansion, escalators, new entrances, etc.) which are required to make the space leasable. Incentives include amounts paid to tenants as an inducement to sign a lease that do not represent building improvements.
