Except as may be provided from time to time by the General Partner with respect to one or more series of LTIP Units, LTIP Units shall be have the terms set forth in Article 16.

C. *Issuances to the General Partner*. No additional Partnership Units shall be issued to the General Partner unless (i) the additional Partnership Units are issued to all Partners in proportion to their respective Percentage Interests, (ii) (a) the additional Partnership Units are (x) Partnership Common Units issued in connection with an issuance of REIT Shares, or (y) Partnership Equivalent Units (other than Partnership Common Units) issued in connection with an issuance of Preferred Shares, New Securities or other interests in the General Partner (other than REIT Shares), and (b) the General Partner contributes to the Partnership the cash proceeds or other consideration received in connection with the issuance of such REIT Shares, Preferred Shares, New Securities or other interests in the General Partner, (iii) the additional Partnership Units are issued upon the conversion, redemption or exchange of Debt, Partnership Units or other securities issued by the Partnership or (iv) the additional Partnership Units are issued pursuant to Section 4.3.B, Section 4.3.E, Section 4.4 or Section 4.5.

D. *No Preemptive Rights*. Except as specified in Section 4.2.C(i) hereof, no Person, including, without limitation, any Partner or Assignee, shall have any preemptive, preferential, participation or similar right or rights to subscribe for or acquire any Partnership Interest.

Section 4.3 *Additional Funds and Capital Contributions*.

A. *General*. The General Partner may, at any time and from time to time, determine that the Partnership requires additional funds ("*Additional Funds*") for the acquisition or development of additional Properties, for the redemption of Partnership Units or for such other purposes as the General Partner may determine, in its sole and absolute discretion. Additional Funds may be obtained by the Partnership, at the election of the General Partner, in any manner provided in, and in accordance with, the terms of this Section 4.3 without the approval of any Limited Partner or any other Person.

B. *Additional Capital Contributions*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by accepting Capital Contributions from any Partners or other Persons. In connection with any such Capital Contribution (of cash or property), the General Partner is hereby authorized to cause the Partnership from time to time to issue additional Partnership Units (as set forth in Section 4.2 above) in consideration therefor and the Percentage Interests of the General Partner and the Limited Partners shall be adjusted to reflect the issuance of such additional Partnership Units.

C. *Loans by Third Parties*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by causing the Partnership to incur Debt to any Person (other than the General Partner (but, for this purpose, disregarding any Debt that may be deemed incurred to

the General Partner by virtue of clause (iii) of the definition of Debt)) upon such terms as the General Partner determines appropriate, including making such Debt convertible, redeemable or exchangeable for Partnership Units or REIT Shares; *provided, however*, that the Partnership shall not incur any such Debt if any Partner would be personally liable for the repayment of such Debt (unless such Partner otherwise agrees).

D. *General Partner Loans*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by causing the Partnership to incur Debt to the General Partner if (i) such Debt is, to the extent permitted by law, on substantially the same terms and conditions (including interest rate, repayment schedule, and conversion, redemption, repurchase and exchange rights) as Funding Debt incurred by the General Partner, the net proceeds of which are loaned to the Partnership to provide such Additional Funds, or (ii) such Debt is on terms and conditions no less favorable to the Partnership than would be available to the Partnership from any third party; *provided, however*, that the Partnership shall not incur any such Debt if any Partner would be personally liable for the repayment of such Debt (unless such Partner otherwise agrees).

E. *Issuance of Securities by the General Partner*. The General Partner shall not issue any additional REIT Shares, Capital Shares or New Securities unless the General Partner contributes the cash proceeds or other consideration received from the issuance of such additional REIT Shares, Capital Shares or New Securities (as the case may be) and from the exercise of the rights contained in any such additional Capital Shares or New Securities to the Partnership in exchange for (x) in the case of an issuance of REIT Shares, Partnership Common Units, or (y) in the case of an issuance of Capital Shares or New Securities, Partnership Equivalent Units; *provided, however*, that notwithstanding the foregoing, the General Partner may issue REIT Shares, Capital Shares or New Securities (a) pursuant to Section 4.4 or Section 15.1.B hereof, (b) pursuant to a dividend or distribution (including any stock split) of REIT Shares, Capital Shares or New Securities to all of the holders of REIT Shares, Capital Shares or New Securities (as the case may be), (c) upon a conversion, redemption or exchange of Capital Shares, (d) upon a conversion, redemption, exchange or exercise of New Securities, or (e) in connection with an acquisition of Partnership Units or a property or other asset to be owned, directly or indirectly, by the General Partner. In the event of any issuance of additional REIT Shares, Capital Shares or New Securities by the General Partner, and the contribution to the Partnership, by the General Partner, of the cash proceeds or other consideration received from such issuance (or property acquired with such proceeds), if any, if the cash proceeds actually received by the General Partner are less than the gross proceeds of such issuance as a result of any underwriter's discount or other expenses paid or incurred in connection with such issuance, then the General Partner shall be deemed to have made a Capital Contribution to the Partnership in the amount equal to the sum of the cash proceeds of such issuance plus the amount of such underwriter's discount and other expenses paid by the General Partner (which discount and expense shall be treated as an expense for the benefit of the Partnership for purposes of Section 7.4). In the event that the General Partner issues any additional REIT Shares, Capital Shares or New Securities and contributes the cash proceeds or other consideration received from the issuance thereof to the Partnership, the Partnership is expressly authorized to issue a number of Partnership Common Units or Partnership Equivalent Units to the General Partner equal to the number of REIT Shares, Capital Shares or New Securities so issued, divided by the Adjustment

Factor then in effect, in accordance with this Section 4.3.E without any further act, approval or vote of any Partner or any other Persons.

Section 4.4 *Stock Option Plans*.

A. *Options Granted to Persons other than Partnership Employees*. If at any time or from time to time, in connection with any Stock Option Plan, a stock option granted for REIT Shares to a Person other than a Partnership Employee is duly exercised:

(1) The General Partner, shall, as soon as practicable after such exercise, make a Capital Contribution to the Partnership in an amount equal to the exercise price paid to the General Partner by such exercising party in connection with the exercise of such stock option.

(2) Notwithstanding the amount of the Capital Contribution actually made pursuant to Section 4.4.A(1) hereof, the General Partner shall be deemed to have contributed to the Partnership as a Capital Contribution, in lieu of the Capital Contribution actually made and in consideration of an additional Limited Partner Interest (expressed in and as additional Partnership Common Units), an amount equal to the Value of a REIT Share as of the date of exercise multiplied by the number of REIT Shares then being issued in connection with the exercise of such stock option.

(3) An equitable Percentage Interest adjustment shall be made in which the General Partner shall be treated as having made a cash contribution equal to the amount described in Section 4.4.A(2) hereof.

B. *Options Granted to Partnership Employees*. If at any time or from time to time, in connection with any Stock Option Plan, a stock option granted for REIT Shares to a Partnership Employee is duly exercised:

(1) The General Partner shall sell to the Optionee, and the Optionee shall purchase from the General Partner, for a cash price per share equal to the Value of a REIT Share at the time of the exercise, the number of REIT Shares equal to (a) the exercise price payable by the Optionee in connection with the exercise of such stock option divided by (b) the Value of a REIT Share at the time of such exercise.

(2) The General Partner shall sell to the Partnership (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the General Partner shall sell to such Partnership Subsidiary), and the Partnership (or such subsidiary, as applicable) shall purchase from the General Partner, a number of REIT Shares equal to (a) the number of REIT Shares as to which such stock option is being exercised less (b) the number of REIT Shares sold pursuant to Section 4.4.B(1) hereof. The purchase price per REIT Share for such sale of REIT Shares to the Partnership (or such subsidiary) shall be the Value of a REIT Share as of the date of exercise of such stock option.

(3) The Partnership shall transfer to the Optionee (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the Partnership Subsidiary shall transfer to the Optionee) at no additional cost, as additional compensation, the number of REIT Shares described in Section 4.4.B(2) hereof.

(4) The General Partner shall, as soon as practicable after such exercise, make a Capital Contribution to the Partnership of an amount equal to all proceeds received (from whatever source, but excluding any payment in respect of payroll taxes or other withholdings) by the General Partner in connection with the exercise of such stock option. An equitable Percentage Interest adjustment shall be made as a result of such contribution.

C. *Future Stock Incentive Plans*. Nothing in this Agreement shall be construed or applied to preclude or restrain the General Partner from adopting, modifying or terminating stock incentive plans for the benefit of employees, directors or other business associates of the General Partner, the Partnership or any of their Affiliates. The Partners acknowledge and agree that, in the event that any such plan is adopted, modified or terminated by the General Partner, amendments to this Section 4.4 may become necessary or advisable and that any approval or Consent to any such amendments requested by the General Partner shall be deemed granted by the Limited Partners.

D. *Issuance of Partnership Common Units*. The Partnership is expressly authorized to issue Partnership Common Units in accordance with any Stock Option Plan pursuant to this Section 4.4 without any further act, approval or vote of any Partner or any other Persons.

Section 4.5 *Dividend Reinvestment Plan, Cash Option Purchase Plan, Stock Incentive Plan or Other Plan*. Except as may otherwise be provided in this Article 4, all amounts received or deemed received by the General Partner in respect of any dividend reinvestment plan, cash option purchase plan, stock incentive or other stock or subscription plan or agreement, either (a) shall be utilized by the General Partner to effect open market purchases of REIT Shares, or (b) if the General Partner elects instead to issue new REIT Shares with respect to such amounts, shall be contributed by the General Partner to the Partnership in exchange for additional Partnership Common Units. Upon such contribution, the Partnership will issue to the General Partner a number of Partnership Common Units equal to the quotient of (i) the new REIT Shares so issued, divided by (ii) the Adjustment Factor then in effect.

Section 4.6 *No Interest; No Return*. No Partner shall be entitled to interest on its Capital Contribution or on such Partner's Capital Account. Except as provided herein or by law, no Partner shall have any right to demand or receive the return of its Capital Contribution from the Partnership.

Section 4.7 *Conversion or Redemption of Capital Shares.*

A. *Conversion of Capital Shares*. If, at any time, any of the Capital Shares are converted into REIT Shares, in whole or in part, then a number of Partnership Units with preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption that are substantially the same as the preferences, conversion and other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption of such Capital Shares ("*Partnership Equivalent Units*") equal to the number of Capital Shares so converted shall automatically be converted into a number of Partnership Common Units equal to the quotient of (i) the number of REIT Shares issued upon such conversion divided by (ii) the

Adjustment Factor then in effect, and the Percentage Interests of the General Partner and the Limited Partners shall be adjusted to reflect such conversion.

B. *Redemption of Capital Shares or REIT Shares*. Except as otherwise provided in Section 7.4.C., if, at any time, any Capital Shares are redeemed or otherwise repurchased (whether by exercise of a put or call, automatically or by means of another arrangement) by the General Partner for cash, the Partnership shall, immediately prior to such redemption or repurchase of Capital Shares, redeem or repurchase an equal number of Partnership Equivalent Units held by the General Partner upon the same terms and for the same price per Partnership Equivalent Unit as such Capital Shares are redeemed. If, at any time, any REIT Shares are redeemed or otherwise repurchased by the General Partner, the Partnership shall, immediately prior to such redemption or repurchase of REIT Shares, redeem or repurchase a number of Partnership Common Units held by the General Partner equal to the quotient of (i) the REIT Shares so redeemed or repurchased, divided by (ii) the Adjustment Factor then in effect, such redemption or repurchase to be upon the same terms and for the same price per Partnership Common Unit (after giving effect to application of the Adjustment Factor) as such REIT Shares are redeemed or repurchased.

Section 4.8 *Other Contribution Provisions*. In the event that any Partner is admitted to the Partnership and is given a Capital Account in exchange for services rendered to the Partnership, such transaction shall be treated by the Partnership and the affected Partner as if the Partnership had compensated such partner in cash and such Partner had contributed the cash that the Partner would have received to the capital of the Partnership. In addition, with the Consent of the General Partner, one or more Partners may enter into contribution agreements with the Partnership which have the effect of providing a guarantee of certain obligations of the Partnership (and/or a wholly-owned Subsidiary of the Partnership).

ARTICLE 5
DISTRIBUTIONS

Section 5.1 *Requirement and Characterization of Distributions*. Subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may cause the Partnership to distribute such amounts, at such times, as the General Partner may, in its sole and absolute discretion, determine, to the Holders as of any Partnership Record Date: (i) first, with respect to any Partnership Units that are entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date); and (ii) second, with respect to any Partnership Units that are not entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units, as applicable (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date). Distributions payable with respect to any Partnership Units, other than any Partnership Units issued to the General Partner in connection with the issuance of REIT Shares by the General Partner, that were not outstanding during the entire quarterly period in respect of which any distribution is made shall be prorated based on the portion of the period that such Partnership Units were outstanding. The General Partner shall make such reasonable efforts, as determined by it in its

sole and absolute discretion and consistent with the General Partner's qualification as a REIT, to cause the Partnership to distribute sufficient amounts to enable the General Partner, for so long as the General Partner has determined to qualify as a REIT, to pay stockholder dividends that will (a) satisfy the requirements for qualifying as a REIT under the Code and Regulations (the "*REIT Requirements*") and (b) except to the extent otherwise determined by the General Partner, eliminate any U.S. federal income or excise tax liability of the General Partner. Notwithstanding anything in the forgoing to the contrary, a Holder of LTIP Units will only be entitled to distributions with respect to an LTIP Unit as set forth in Article 16 hereof and in making distributions pursuant to this Section 5.1, the General Partner of the Partnership shall take into account the provisions of Section 16.4 hereof.

Section 5.2 *Distributions in Kind*. Except as expressly provided herein, no right is given to any Holder to demand and receive property other than cash as provided in this Agreement. The General Partner may determine, in its sole and absolute discretion, to make a distribution in kind of Partnership assets to the Holders, and such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in accordance with Articles 5, 6 and 13 hereof; *provided*, *however*, that the General Partner shall not make a distribution in kind to any Holder unless the Holder has been given 90 days prior written notice of such distribution.

Section 5.3 *Amounts Withheld*. All amounts withheld pursuant to the Code or any provisions of any state, local or non-United States tax law and Section 10.4 hereof with respect to any allocation, payment or distribution to any Holder shall be treated as amounts paid or distributed to such Holder pursuant to Section 5.1 hereof for all purposes under this Agreement.

Section 5.4 *Distributions upon Liquidation*. Notwithstanding the other provisions of this Article 5, net proceeds from a Terminating Capital Transaction, and any other amounts distributed after the occurrence of a Liquidating Event, shall be distributed to the Holders in accordance with Section 13.2 hereof.

Section 5.5 *Distributions to Reflect Additional Partnership Units*. In the event that the Partnership issues additional Partnership Units pursuant to the provisions of Article 4 hereof, subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner is hereby authorized to make such revisions to this Article 5 and to Articles 6, 11 and 12 hereof as it determines are necessary or desirable to reflect the issuance of such additional Partnership Units, including, without limitation, making preferential distributions to Holders of certain classes of Partnership Units.

Section 5.6 *Restricted Distributions*. Notwithstanding any provision to the contrary contained in this Agreement, neither the Partnership nor the General Partner, on behalf of the Partnership, shall make a distribution to any Holder if such distribution would violate the Act or other applicable law.

ARTICLE 6
ALLOCATIONS

Section 6.1 *Timing and Amount of Allocations of Net Income and Net Loss*. Net Income and Net Loss of the Partnership shall be determined and allocated with respect to each Partnership Year as of the end of each such year, provided that the General Partner may in its discretion allocate Net Income and Net Loss for a shorter period as of the end of such period (and, for purposes of this Article 6, references to the term "Partnership Year" may include such shorter periods). Except as otherwise provided in this Article 6, and subject to Section 11.6.C hereof, an allocation to a Holder of a share of Net Income or Net Loss shall be treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing Net Income or Net Loss.

Section 6.2 *General Allocations*. Except as otherwise provided in this Article 6, Section 11.6.C and Section 16.5 hereof, Net Income and Net Loss for any Partnership Year shall be allocated to each of the Holders as follows:

A. *Net Income*.

(i) First, 100% to the General Partner in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to the General Partner pursuant to clause (iii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to the General Partner pursuant to this clause (i) for all prior Partnership Years;

(ii) Second, 100% to each Holder in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to each such Holder pursuant to clause (ii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to such Holder pursuant to this clause (ii) for all prior Partnership Years; and

(iii) Third, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units.

To the extent the allocations of Net Income set forth above in any paragraph of this Section 6.2.A are not sufficient to entirely satisfy the allocation set forth in such paragraph, such allocation shall be made in proportion to the total amount that would have been allocated pursuant to such paragraph without regard to such shortfall.

B. *Net Losses*.

(i) First, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units (to the extent consistent with this clause (i)) until the Adjusted Capital Account (ignoring for this purpose any amounts a Holder is obligated to contribute to the capital of the Partnership or is deemed obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c)(2)) of all such Holders is zero;

(ii) Second, 100% to the Holders (other than the General Partner) to the extent of, and in proportion to, the positive balance (if any) in their Adjusted Capital Accounts; and

(iii) Third, 100% to the General Partner.

C. *Allocations to Reflect Issuance of Additional Partnership Interests*. In the event that the Partnership issues additional Partnership Interests to the General Partner or any Additional Limited Partner pursuant to Section 4.2 or 4.3, the General Partner shall make such revisions to this Section 6.2 or to Section 12.2.C or 13.2.A as it determines are necessary to reflect the terms of the issuance of such additional Partnership Interests, including making preferential allocations to certain classes of Partnership Interests, subject to the terms of any Partnership Unit Designation with respect to Partnership Interests then outstanding.

D. *Special Allocations with Respect to LTIP Units*. After giving effect to the special allocations set forth in Section 6.4.A hereof, and notwithstanding the provisions of Sections 6.2.A and 6.2.B above, any Liquidating Gains shall first be allocated to Holders of LTIP Units until the Economic Capital Account Balances of such Holders, to the extent attributable to their ownership of LTIP Units, are equal to (i) the Common Unit Economic Balance, multiplied by (ii) the number of their LTIP Units. Any such allocations shall be made among the Holders of LTIP Units in proportion to the amounts required to be allocated to each under this Section 6.2.D. The parties agree that the intent of this Section 6.2.D is to make the Capital Account balances of the Holders of LTIP Units with respect to their LTIP Units economically equivalent to the Capital Account balance of the General Partner with respect to its Partnership Common Units. In the event that Liquidating Gains are allocated under this Section 6.2.D, Net Income allocable under Section 6.2.A and any Net Losses allocable under Section 6.2.B shall be recomputed without regard to the Liquidating Gains so allocated.

Section 6.3 *Additional Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Special Allocations Upon Liquidation*. Notwithstanding any provision in this Article 6 to the contrary, in the event that the Partnership disposes of all or substantially all of its assets in a transaction that will lead to a liquidation of the Partnership pursuant to Article 13 hereof, then any Net Income or Net Loss realized in connection with such transaction and thereafter (and, if necessary, constituent items of income, gain, loss and deduction) shall be specially allocated for such Partnership Year (and to the extent permitted by Section 761(c) of the Code, for the immediately preceding Partnership Year) among the Holders as required so as to cause liquidating distributions pursuant to Section 13.2.A(4) hereof to be made in the same amounts and proportions as would have resulted had such distributions instead been made pursuant to Article 5 hereof. In addition, if there is an adjustment to the Gross Asset Value of the assets of the Partnership pursuant to paragraph (b) of the definition of Gross Asset Value, allocations of Net Income or Net Loss arising from such adjustment shall be allocated in the same manner as described in the prior sentence.

B. *Offsetting Allocations*. Notwithstanding the provisions of Sections 6.1, 6.2.A and 6.2.B, but subject to Sections 6.3 and 6.4, in the event Net Income or items thereof are being

allocated to a Partner to offset prior Net Loss or items thereof which have been allocated to such Partner, the General Partner shall attempt to allocate such offsetting Net Income or items thereof which are of the same or similar character (including without limitation Section 704(b) book items versus tax items) to the original allocations with respect to such Partner.

C. *CODI Allocations*. Notwithstanding anything to the contrary contained herein, if any indebtedness of the Partnership encumbering the Properties contributed to the Partnership in connection with the General Partner's initial public offering is settled or paid off at a discount, any resulting COD Income of the Partnership shall be specially allocated proportionately (as determined by the General Partner) to those Holders that were partners in entities that contributed, or were deemed to contribute, the applicable Property to the Partnership in connection with such initial public offering to the extent the number of Partnership Units received by such Holders in exchange for their interests in such entities was determined, in part, by taking into account the anticipated discounted settlement or pay-off of such indebtedness. For purposes of the foregoing, "COD Income" shall mean income recognized by the Partnership pursuant to Code Section 61(a)(12).

Section 6.4 *Regulatory Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Regulatory Allocations*.

(i) *Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(f), notwithstanding the provisions of Section 6.2 hereof, or any other provision of this Article 6, if there is a net decrease in Partnership Minimum Gain during any Partnership Year, each Holder shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partnership Minimum Gain, as determined under Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.4.A(i) is intended to qualify as a "minimum gain chargeback" within the meaning of Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) *Partner Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(i)(4) or in Section 6.4.A(i) hereof, if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Year, each Holder who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(i)(4)

and 1.704-2(j)(2). This Section 6.4.A(ii) is intended to qualify as a "chargeback of partner nonrecourse debt minimum gain" within the meaning of Regulations Section 1.704-2(i) and shall be interpreted consistently therewith.

(iii) *Nonrecourse Deductions and Partner Nonrecourse Deductions*. Any Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holders in accordance with their respective Percentage Interests. Any Partner Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holder(s) who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable, in accordance with Regulations Section 1.704-2(i).

(iv) *Qualified Income Offset*. If any Holder unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be specially allocated, in accordance with Regulations Section 1.704-1(b)(2)(ii)(d), to such Holder in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account Deficit of such Holder as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(iv) shall be made if and only to the extent that such Holder would have an Adjusted Capital Account Deficit after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(iv) were not in the Agreement. It is intended that this Section 6.4.A(iv) qualify and be construed as a "qualified income offset" within the meaning of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(v) *Gross Income Allocation*. In the event that any Holder has a deficit Capital Account at the end of any Partnership Year that is in excess of the sum of (1) the amount (if any) that such Holder is obligated to restore to the Partnership upon complete liquidation of such Holder's Partnership Interest (including, the Holder's interest in outstanding Partnership Preferred Units and other Partnership Units) and (2) the amount that such Holder is deemed to be obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c) or the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Holder shall be specially allocated items of Partnership income and gain in the amount of such excess to eliminate such deficit as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(v) shall be made if and only to the extent that such Holder would have a deficit Capital Account in excess of such sum after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(v) and Section 6.4.A(iv) hereof were not in the Agreement.

(vi) *Limitation on Allocation of Net Loss*. To the extent that any allocation of Net Loss would cause or increase an Adjusted Capital Account Deficit as to any Holder, such allocation of Net Loss shall be reallocated (x) first, among the other Holders of Partnership Common Units in accordance with their respective Percentage Interests with respect to Partnership Common Units and (y) thereafter, among the Holders of other classes of Partnership Units as determined by the General Partner, subject to the limitations of this Section 6.4.A(vi).

(vii) *Section 754 Adjustment*. To the extent that an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Holder in complete liquidation of its interest in the Partnership, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Holders in accordance with their respective Percentage Interests in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Holder(s) to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(viii) *Curative Allocations*. The allocations set forth in Sections 6.4.A(i), (ii), (iii), (iv), (v), (vi) and (vii) hereof (the "*Regulatory Allocations*") are intended to comply with certain regulatory requirements, including the requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Sections 6.1 and 6.2 hereof, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Holders so that to the extent possible without violating the requirements giving rise to the Regulatory Allocations, the net amount of such allocations of other items and the Regulatory Allocations to each Holder shall be equal to the net amount that would have been allocated to each such Holder if the Regulatory Allocations had not occurred.

(ix) *Forfeiture Allocations*. Upon a forfeiture of any Unvested LTIP Units by any Partner, gross items of income, gain, loss or deduction shall be allocated to such Partner if and to the extent required by final Regulations promulgated after the Effective Date to ensure that allocations made with respect to all unvested Partnership Interests are recognized under Code Section 704(b).

(x) *LTIP Units*. For purposes of the allocations set forth in this Section 6.4, including, without limitation, Sections 6.4.A(iii) and (vi), each issued and outstanding LTIP Unit will be treated as one outstanding Partnership Common Unit.

B. *Allocation of Excess Nonrecourse Liabilities*. For purposes of determining a Holder's proportional share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Regulations Section 1.752-3(a)(3), each Holder's respective interest in Partnership profits shall be equal to such Holder's Percentage Interest with respect to Partnership Common Units, except as otherwise determined by the General Partner.

Section 6.5 *Tax Allocations*.

A. *In General*. Except as otherwise provided in this Section 6.5, for income tax purposes under the Code and the Regulations, each Partnership item of income, gain, loss and deduction (collectively, "*Tax Items*") shall be allocated among the Holders in the same manner as its correlative item of "book" income, gain, loss or deduction is allocated pursuant to Sections 6.2 and 6.3 hereof.

B. *Section 704(c) Allocations*. Notwithstanding Section 6.5.A hereof, Tax Items with respect to Property that is contributed to the Partnership with an initial Gross Asset Value that varies from its basis in the hands of the contributing Partner immediately preceding the date of contribution shall be allocated among the Holders for income tax purposes pursuant to Regulations promulgated under Code Section 704(c) so as to take into account such variation. With respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering, such variation between basis and initial Gross Asset Value shall be taken into account under the "traditional method" as described in Regulations Section 1.704-3(b). With respect to other Properties, the Partnership shall account for such variation under any method approved under Code Section 704(c) and the applicable Regulations as chosen by the General Partner. In the event that the Gross Asset Value of any Partnership asset is adjusted pursuant to subsection (b) of the definition of "Gross Asset Value" (provided in Article 1 hereof), subsequent allocations of Tax Items with respect to such asset shall take account of the variation, if any, between the adjusted basis of such asset and its Gross Asset Value in the same manner as under Code Section 704(c) and the applicable Regulations and using the method chosen by the General Partner; *provided*, *however*, that the "traditional method" as described in Regulations Section 1.704-3(b) shall be used with respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering. Allocations pursuant to this Section 6.5.B are solely for purposes of Federal, state and local income taxes and shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Net Income, Net Loss, or any other items or distributions pursuant to any provision of this Agreement.

(12) the control of any matters affecting the rights and obligations of the Partnership, including the settlement, compromise, submission to arbitration or any other form of dispute resolution, or abandonment, of any claim, cause of action, liability, debt or damages, due or owing to or from the Partnership, the commencement or defense of suits, legal proceedings, administrative proceedings, arbitrations or other forms of dispute resolution, and the representation of the Partnership in all suits or legal proceedings, administrative proceedings, arbitrations or other forms of dispute resolution, the incurring of legal expense, and the indemnification of any Person against liabilities and contingencies to the extent permitted by law;

(25) the registration of any class of securities of the Partnership under the Securities Act or the Exchange Act, and the listing of any debt securities of the Partnership on any exchange.

B. Each of the Limited Partners agrees that, except as provided in Section 7.3 hereof and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner is authorized to execute and deliver any affidavit, agreement, certificate, consent, instrument, notice, power of attorney, waiver or other writing or document in the name and on behalf of the Partnership and to otherwise exercise any power of the General

Partner under this Agreement and the Act on behalf of the Partnership without any further act, approval or vote of the Partners or any other Persons, notwithstanding any other provision of the Act or any applicable law, rule or regulation and, in the absence of any specific corporate action on the part of the General Partner to the contrary, the taking of any action or the execution of any such document or writing by an officer of the General Partner, in the name and on behalf of the General Partner, in its capacity as the general partner of the Partnership, shall conclusively evidence (1) the approval thereof by the General Partner, in its capacity as the general partner of the Partnership, (2) the General Partner's determination that such action, document or writing is necessary or desirable to conduct the business and affairs of the Partnership, exercise the powers of the Partnership under this Agreement and the Act or effectuate the purposes of the Partnership, or any other determination by the General Partner required by this Agreement in connection with the taking of such action or execution of such document or writing, and (3) the authority of such officer with respect thereto.

C. At all times from and after the date hereof, the General Partner may cause the Partnership to obtain and maintain (i) casualty, liability and other insurance on the Properties and (ii) liability insurance for the Indemnitees hereunder.

D. At all times from and after the date hereof, the General Partner may cause the Partnership to establish and maintain working capital and other reserves in such amounts as the General Partner, in its sole and absolute discretion, deems appropriate and reasonable from time to time.

E. In exercising its authority under this Agreement, the General Partner may, but shall be under no obligation to, take into account the tax consequences to any Partner of any action taken (or not taken) by it. The General Partner and the Partnership shall not have liability to a Limited Partner under any circumstances as a result of any income tax liability incurred by such Limited Partner as a result of an action (or inaction) by the General Partner pursuant to its authority under this Agreement.

F. The determination as to any of the following matters, made by or at the direction of the General Partner consistent with the this Agreement and the Act, shall be final and conclusive and shall be binding upon the Partnership and every Limited Partner: the amount of assets at any time available for distribution or the redemption of Partnership Common Units; the amount and timing of any distribution; any determination to redeem Tendered Units; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); the amount of any Partner's Capital Account, Adjusted Capital Account or Adjusted Capital Account Deficit; the amount of Net Income, Net Loss or Depreciation for any period; the Gross Asset Value of any Partnership asset; the Value of any REIT Share; any interpretation of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or distributions, qualifications or terms or conditions of redemption of any class or series of Partnership Interest; the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Partnership or of any Partnership Interest; the number of authorized or outstanding Units of any class or series; any matter relating to the acquisition, holding and disposition of any assets by the Partnership; or any other matter relating

to the business and affairs of the Partnership or required or permitted by applicable law, this Agreement or otherwise to be determined by the General Partner.

Section 7.2 *Certificate of Limited Partnership*. To the extent that such action is determined by the General Partner to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate and do all the things to maintain the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) under the laws of the State of Maryland and each other state, the District of Columbia or any other jurisdiction, in which the Partnership may elect to do business or own property. Subject to the terms of Section 8.5.A hereof, the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate or any amendment thereto to any Limited Partner. The General Partner shall use all reasonable efforts to cause to be filed such other certificates or documents as may be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability to the extent provided by applicable law) in the State of Maryland and any other state, or the District of Columbia or other jurisdiction, in which the Partnership may elect to do business or own property.

Section 7.3 *Restrictions on General Partner's Authority*.

A. The General Partner may not take any action in contravention of an express prohibition or limitation of this Agreement without the Consent of the Limited Partners, and may not, without limitation:

(1) take any action that would make it impossible to carry on the ordinary business of the Partnership, except as otherwise provided in this Agreement;

(2) perform any act that would subject a Limited Partner to liability as a general partner in any jurisdiction or any other liability except as provided herein or under the Act; or

(3) enter into any contract, mortgage, loan or other agreement that expressly prohibits or restricts (a) the General Partner or the Partnership from performing its specific obligations under Section 15.1 hereof in full or (b) a Limited Partner from exercising its rights under Section 15.1 hereof to effect a Redemption in full, except, in either case, with the Consent of each Limited Partner affected by the prohibition or restriction.

B. Except as provided in Section 7.3.C hereof, the General Partner shall not, without the prior Consent of the Partners, amend, modify or terminate this Agreement. Further, no amendment may alter the restrictions on the General Partner's authority set forth elsewhere in this Agreement (including, without limitation, this Section 7.3) without the Consent specified therein and no amendment may alter Section 11.2 hereof without the Consent of the Limited Partners.

C. Notwithstanding Section 7.3.B and 14.2 hereof but subject to Section 16.10 and the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner shall have the power, without the Consent of the Partners, to amend this Agreement as may be required to facilitate or implement any of the following purposes:

(1) to add to the obligations of the General Partner or surrender any right or power granted to the General Partner or any Affiliate of the General Partner for the benefit of the Limited Partners;

(2) to reflect the admission, substitution or withdrawal of Partners, the Transfer of any Partnership Interest, the termination of the Partnership in accordance with this Agreement, or the adjustment of outstanding LTIP Units as contemplated by Section 16.3, and to amend Exhibit A in connection with such admission, substitution, withdrawal, Transfer or adjustment;

(3) to reflect a change that is of an inconsequential nature or does not adversely affect the Limited Partners in any material respect, or to cure any ambiguity, correct or supplement any provision in this Agreement not inconsistent with law or with other provisions, or make other changes with respect to matters arising under this Agreement that will not be inconsistent with law or with the provisions of this Agreement;

(4) to set forth or amend the designations, preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications or terms or conditions of redemption of the Holders of any additional Partnership Interests issued pursuant to Article 4;

(5) to satisfy any requirements, conditions or guidelines contained in any order, directive, opinion, ruling or regulation of a Federal or state agency or contained in Federal or state law;

(6) (a) to reflect such changes as are reasonably necessary for the General Partner to maintain its status as a REIT or to satisfy the REIT Requirements, or (b) to reflect the Transfer of all or any part of a Partnership Interest among the General Partner and any Disregarded Entity with respect to the General Partner;

(7) to modify either or both of the manner in which items of Net Income or Net Loss are allocated pursuant to Article 6 or the manner in which Capital Accounts are adjusted, computed, or maintained (but in each case only to the extent otherwise provided in this Agreement and as may be permitted under applicable law);

(8) to reflect the issuance of additional Partnership Interests in accordance with Section 4.2; or

(9) to reflect any other modification to this Agreement as is reasonably necessary for the business or operations of the Partnership or the General Partner and which does not violate Section 7.3.D.

D. Notwithstanding Sections 7.3.B, 7.3.C and 14.2 hereof, this Agreement shall not be amended, and no action may be taken by the General Partner, without the Consent of each Partner adversely affected thereby, if such amendment or action would (i) convert a Limited Partner Interest in the Partnership into a General Partner Interest (except as a result of the General Partner acquiring such Partnership Interest), (ii) modify the limited liability of a Limited Partner, (iii) alter the rights of any Partner to receive the distributions to which such Partner is

entitled pursuant to Article 5 or Section 13.2.A(4) hereof, or alter the allocations specified in Article 6 hereof (except, in any case, as permitted pursuant to Sections 4.2, 5.5, 7.3.C and Article 6 hereof), (iv) alter or modify the Redemption rights, Cash Amount or REIT Shares Amount as set forth in Section 15.1 hereof, or amend or modify any related definitions, (v) subject to Section 7.9.D, remove, alter or amend the powers and restrictions related to REIT Requirements or permitting the General Partner to avoid paying tax under Code Sections 857 or 4981 contained in Sections 7.1 and 7.3, or (vi) amend this Section 7.3.D. Any such amendment or action consented to by any Partner shall be effective as to that Partner, notwithstanding the absence of such consent by any other Partner.

Section 7.4 *Reimbursement of the General Partner*.

A. The General Partner shall not be compensated for its services as General Partner of the Partnership except as provided in this Agreement (including the provisions of Articles 5 and 6 hereof regarding distributions, payments and allocations to which the General Partner may be entitled in its capacity as the General Partner).

B. Subject to Sections 7.4.D and 15.12 hereof, the Partnership shall be responsible for and shall pay all expenses relating to the Partnership's and the General Partner's organization and the ownership of each of their assets and operations. The General Partner is hereby authorized to pay compensation for accounting, administrative, legal, technical, management and other services rendered to the Partnership. The Partnership shall be liable for, and shall reimburse the General Partner, on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all sums expended in connection with the Partnership's business, including, without limitation, (i) expenses relating to the ownership of interests in and management and operation of the Partnership, (ii) compensation of officers and employees, including, without limitation, payments under future compensation plans, of the General Partner, or the Partnership that may provide for stock units, or phantom stock, pursuant to which employees of the General Partner, or the Partnership will receive payments based upon dividends on or the value of REIT Shares, (iii) director fees and expenses of the General Partner or its Affiliates, (iv) any expenses (other than the purchase price) incurred by the General Partner in connection with the redemption or other repurchase of REIT Shares or Capital Shares, and (v) all costs and expenses of the General Partner being a public company, including, without limitation, costs of filings with the SEC, reports and other distributions to its stockholders; *provided*, *however*, that the amount of any reimbursement shall be reduced by any interest earned by the General Partner with respect to bank accounts or other instruments or accounts held by it on behalf of the Partnership as permitted pursuant to Section 7.5 hereof. The Partners acknowledge that all such expenses of the General Partner are deemed to be for the benefit of the Partnership. Such reimbursements shall be in addition to any reimbursement of the General Partner as a result of indemnification pursuant to Section 7.7 hereof.

C. If the General Partner shall elect to purchase from its stockholders REIT Shares for the purpose of delivering such REIT Shares to satisfy an obligation under any dividend reinvestment program adopted by the General Partner, any employee stock purchase plan adopted by the General Partner or any similar obligation or arrangement undertaken by the General Partner in the future, in lieu of the treatment specified in Section 4.7.B., the purchase price paid by the General Partner for such REIT Shares shall be considered expenses of the

Partnership and shall be advanced to the General Partner or reimbursed to the General Partner, subject to the condition that: (1) if such REIT Shares subsequently are sold by the General Partner, the General Partner shall pay or cause to be paid to the Partnership any proceeds received by the General Partner for such REIT Shares (which sales proceeds shall include the amount of dividends reinvested under any dividend reinvestment or similar program; *provided*, that a transfer of REIT Shares for Partnership Common Units pursuant to Section 15.1 would not be considered a sale for such purposes); and (2) if such REIT Shares are not retransferred by the General Partner within 30 days after the purchase thereof, or the General Partner otherwise determines not to retransfer such REIT Shares, the Partnership shall redeem a number of Partnership Common Units determined in accordance with Section 4.7.B, as adjusted, to the extent the General Partner determines is necessary or advisable in its sole and absolute discretion, (x) pursuant to Section 7.5 (in the event the General Partner acquires material assets, other than on behalf of the Partnership) and (y) for stock dividends and distributions, stock splits and subdivisions, reverse stock splits and combinations, distributions of rights, warrants or options, and distributions of evidences of indebtedness or assets relating to assets not received by the General Partner pursuant to a pro rata distribution by the Partnership (in which case such advancement or reimbursement of expenses shall be treated as having been made as a distribution in redemption of such number of Partnership Units held by the General Partner).

D. To the extent practicable, Partnership expenses shall be billed directly to and paid by the Partnership and, subject to Section 15.12 hereof, if and to the extent any reimbursements to the General Partner or any of its Affiliates by the Partnership pursuant to this Section 7.4 constitute gross income to such Person (as opposed to the repayment of advances made by such Person on behalf of the Partnership), such amounts shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.5 *Outside Activities of the General Partner*. The General Partner shall not directly or indirectly enter into or conduct any business, other than in connection with, (a) the ownership, acquisition and disposition of Partnership Interests, (b) the management of the business and affairs of the Partnership, (c) the operation of the General Partner as a reporting company with a class (or classes) of securities registered under the Exchange Act, (d) its operations as a REIT, (e) the offering, sale, syndication, private placement or public offering of stock, bonds, securities or other interests, (f) financing or refinancing of any type related to the Partnership or its assets or activities, and (g) such activities as are incidental thereto; *provided*, *however*, that, except as otherwise provided herein, any funds raised by the General Partner pursuant to the preceding clauses (e) and (f) shall be made available to the Partnership, whether as Capital Contributions, loans or otherwise, as appropriate, and, *provided*, *further* that the General Partner may, in its sole and absolute discretion, from time to time hold or acquire assets in its own name or otherwise other than through the Partnership so long as the General Partner takes commercially reasonable measures to ensure that the economic benefits and burdens of such Property are otherwise vested in the Partnership, through assignment, mortgage loan or otherwise or, if it is not commercially reasonable to vest such economic interests in the Partnership, the Partners shall negotiate in good faith to amend this Agreement, including, without limitation, the definition of "Adjustment Factor," to reflect such activities and the direct ownership of assets by the General Partner. Nothing contained herein shall be deemed to prohibit the General Partner from executing guarantees of Partnership debt. The General Partner and all

Disregarded Entities with respect to the General Partner, taken as a group, shall not own any assets or take title to assets (other than temporarily in connection with an acquisition prior to contributing such assets to the Partnership) other than (i) interests in Disregarded Entities with respect to the General Partner, (ii) Partnership Interests as the General Partner, (iii) an interest (not to exceed 1% of capital and profits) in any Subsidiary of the Partnership that the General Partner holds to maintain such Subsidiary's status as a partnership for Federal income tax purposes or otherwise, and (iv) such cash and cash equivalents, bank accounts or similar instruments or accounts as such group deems reasonably necessary, taking into account Section 7.1.D hereof and the requirements necessary for the General Partner to qualify as a REIT and for the General Partner to carry out its responsibilities contemplated under this Agreement and the Charter. Any Limited Partner Interests acquired by the General Partner, whether pursuant to the exercise by a Limited Partner of its right to Redemption, or otherwise, shall be automatically converted into a General Partner Interest comprised of an identical number of Partnership Units with the same terms as the class or series so acquired. Any Affiliates of the General Partner may acquire Limited Partner Interests and shall, except as expressly provided in this Agreement, be entitled to exercise all rights of a Limited Partner relating to such Limited Partner Interests.

Section 7.6 *Transactions with Affiliates*.

A. The Partnership may lend or contribute funds to, and borrow funds from, Persons in which the Partnership has an equity investment, and such Persons may borrow funds from, and lend or contribute funds to, the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Person.

B. Except as provided in Section 7.5 hereof, the Partnership may transfer assets to joint ventures, limited liability companies, partnerships, corporations, business trusts or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions consistent with this Agreement and applicable law.

C. The General Partner and its Affiliates may sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, on terms and conditions established by the General Partner in its sole and absolute discretion.

D. The General Partner, in its sole and absolute discretion and without the approval of the Partners or any of them or any other Persons, may propose and adopt (on behalf of the Partnership) employee benefit plans (including without limitation plans that contemplate the issuance of LTIP Units) funded by the Partnership for the benefit of employees of the General Partner, the Partnership, Subsidiaries of the Partnership or any Affiliate of any of them in respect of services performed, directly or indirectly, for the benefit of the General Partner, the Partnership or any of the Partnership's Subsidiaries.

Section 7.7 *Indemnification*.

A. To the fullest extent permitted by applicable law, the Partnership shall indemnify each Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several,

expenses (including, without limitation, attorney's fees and other legal fees and expenses), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership ("*Actions*") as set forth in this Agreement in which such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise; *provided*, *however*, that the Partnership shall not indemnify an Indemnitee (i) if the act or omission of the Indemnitee was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, if the Indemnitee had reasonable cause to believe that the act or omission was unlawful; or (iii) for any transaction for which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement; and *provided*, *further*, that no payments pursuant to this Agreement shall be made by the Partnership to indemnify or advance funds to any Indemnitee (x) with respect to any Action initiated or brought voluntarily by such Indemnitee (and not by way of defense) unless (I) approved or authorized by the General Partner or (II) incurred to establish or enforce such Indemnitee's right to indemnification under this Agreement, and (y) in connection with one or more Actions or claims brought by the Partnership or involving such Indemnitee if such Indemnitee is found liable to the Partnership on any portion of any claim in any such Action.

Without limitation, the foregoing indemnity shall extend to any liability of any Indemnitee, pursuant to a loan guaranty or otherwise, for any indebtedness of the Partnership or any Subsidiary of the Partnership (including, without limitation, any indebtedness which the Partnership or any Subsidiary of the Partnership has assumed or taken subject to), and the General Partner is hereby authorized and empowered, on behalf of the Partnership, to enter into one or more indemnity agreements consistent with the provisions of this Section 7.7 in favor of any Indemnitee having or potentially having liability for any such indebtedness. It is the intention of this Section 7.7.A that the Partnership indemnify each Indemnitee to the fullest extent permitted by law and this Agreement. The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 7.7.A. The termination of any proceeding by conviction of an Indemnitee or upon a plea of *nolo contendere* or its equivalent by an Indemnitee, or an entry of an order of probation against an Indemnitee prior to judgment, does not create a presumption that such Indemnitee acted in a manner contrary to that specified in this Section 7.7.A with respect to the subject matter of such proceeding. Any indemnification pursuant to this Section 7.7 shall be made only out of the assets of the Partnership, and neither the General Partner nor any other Holder shall have any obligation to contribute to the capital of the Partnership or otherwise provide funds to enable the Partnership to fund its obligations under this Section 7.7.

B. To the fullest extent permitted by law, expenses incurred by an Indemnitee who is a party to a proceeding or otherwise subject to or the focus of or is involved in any Action shall be paid or reimbursed by the Partnership as incurred by the Indemnitee in advance of the final disposition of the Action upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in Section 7.7.A has been met, and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

C. The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee unless otherwise provided in a written agreement with such Indemnitee or in the writing pursuant to which such Indemnitee is indemnified.

D. The Partnership may, but shall not be obligated to, purchase and maintain insurance, on behalf of any of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. Any liabilities which an Indemnitee incurs as a result of acting on behalf of the Partnership or the General Partner (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the IRS, penalties assessed by the U.S. Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities or judgments or fines under this Section 7.7, unless such liabilities arise as a result of (i) an act or omission of such Indemnitee that was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, an act or omission that such Indemnitee had reasonable cause to believe was unlawful, or (iii) any transaction in which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement.

F. In no event may an Indemnitee subject any of the Holders to personal liability by reason of the indemnification provisions set forth in this Agreement.

G. An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

H. The provisions of this Section 7.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 7.7 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the Partnership's liability to any Indemnitee under this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

I. It is the intent of the parties that any amounts paid by the Partnership to the General Partner pursuant to this Section 7.7 shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.8 *Liability of the General Partner*.

A. The Limited Partners agree that: (i) the General Partner is acting for the benefit of the Partnership, the Limited Partners and the General Partner's stockholders collectively; (ii) in the event of a conflict between the interests of the Partnership or any Partner, on the one hand, and the separate interests of the General Partner or its stockholders, on the other hand, the General Partner is under no obligation not to give priority to the separate interests of the General Partner or the stockholders of the General Partner, and any action or failure to act on the part of the General Partner or its directors that gives priority to the separate interests of the General Partner or its stockholders that does not result in a violation of the contract rights of the Limited Partners under this Agreement does not violate the duty of loyalty owed by the General Partner to the Partnership and/or the Partners; and (iii) the General Partner shall not be liable to the Partnership or to any Partner for monetary damages for losses sustained, liabilities incurred or benefits not derived by the Partnership or any Limited Partner in connection with such decisions, except for liability for the General Partner's intentional harm or gross negligence.

B. Subject to its obligations and duties as General Partner set forth in this Agreement and applicable law, the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its employees or agents. The General Partner shall not be responsible to the Partnership or any Partner for any misconduct or negligence on the part of any such employee or agent appointed by it in good faith.

C. Any obligation or liability whatsoever of the General Partner which may arise at any time under this Agreement or any other instrument, transaction, or undertaking contemplated hereby shall be satisfied, if at all, out of the assets of the General Partner or the Partnership only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, any of the General Partner's directors, stockholders, officers, employees, or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise. Notwithstanding anything to the contrary set forth in this Agreement, none of the directors or officers of the General Partner shall be liable or accountable in damages or otherwise to the Partnership, any Partners, or any Assignees for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or of any act or omission.

D. Any amendment, modification or repeal of this Section 7.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's and its officers' and directors' liability to the Partnership and the Limited Partners under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

E. Notwithstanding anything herein to the contrary, except for liability for intentional harm or gross negligence on the part of such Partner or pursuant to any express indemnities given to the Partnership by any Partner pursuant to any other written instrument, no Partner shall have any personal liability whatsoever, to the Partnership or to the other Partners, or for the debts or liabilities of the Partnership or the Partnership's obligations hereunder, and the full recourse of the other Partner(s) shall be limited to the interest of that Partner in the Partnership. Without limitation of the foregoing, and except for liability for intentional harm or gross negligence on the part of any Partner, or pursuant to any such express indemnity, no property or assets of such Partner, other than its interest in the Partnership, shall be subject to levy, execution or other enforcement procedures for the satisfaction of any judgment (or other judicial process) in favor of any other Partner(s) and arising out of, or in connection with, this Agreement. This Agreement is executed by the officers of the General Partner solely as officers of the same and not in their own individual capacities.

F. To the extent that, at law or in equity, the General Partner has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or the Limited Partners, the General Partner shall not be liable to the Partnership or to any other Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or modify the duties and liabilities of the General Partner under the Act or otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such General Partner.

G. Whenever in this Agreement the General Partner is permitted or required to make a decision (i) in its "sole and absolute discretion," "sole discretion" or "discretion" or under a grant of similar authority or latitude, the General Partner shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest or factors affecting the Partnership or the Partners or any of them, or (ii) in its "good faith" or under another expressed standard, the General Partner shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement or any other agreement contemplated herein or by relevant provisions of law or in equity or otherwise. If any question should arise with respect to the operation of the Partnership, which is not otherwise specifically provided for in this Agreement or the Act, or with respect to the interpretation of this Agreement, the General Partner is hereby authorized to make a final determination with respect to any such question and to interpret this Agreement in such a manner as it shall deem, in its sole discretion, to be fair and equitable, and its determination and interpretations so made shall be final and binding on all parties. The General Partner's "sole and absolute discretion," "sole discretion" and "discretion" under this Agreement shall be exercised consistently with the General Partner's fiduciary duties and obligation of good faith and fair dealing under the Act.

Section 7.9 *Other Matters Concerning the General Partner*.

A. The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties.

B. The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, architects, engineers, environmental consultants and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters that the General Partner reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers or agents or a duly appointed attorney or attorneys-in-fact. Each such officer, agent or attorney shall, to the extent authorized by the General Partner, have full power and authority to do and perform all and every act and duty that is permitted or required to be done by the General Partner hereunder.

D. Notwithstanding any other provision of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner to continue to qualify as a REIT, (ii) for the General Partner otherwise to satisfy the REIT Requirements, (iii) for the General Partner to avoid incurring any taxes under Code Section 857 or Code Section 4981, or (iv) for any General Partner Affiliate to continue to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

Section 7.10 *Title to Partnership Assets*. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively with other Partners or Persons, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner or such nominee or Affiliate for the use and benefit of the Partnership in accordance with the provisions of this Agreement. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

Section 7.11 *Reliance by Third Parties*. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner has full power and authority, without the consent or approval of any other Partner, or Person, to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any contracts on behalf of the Partnership, and take any and all actions on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner in connection with any such dealing. In no event shall any Person dealing with the General Partner or its representatives be obligated to ascertain that the terms of this Agreement have been

complied with or to inquire into the necessity or expediency of any act or action of the General Partner or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

ARTICLE 8
RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

Section 8.1 *Limitation of Liability*. No Limited Partner shall have any liability under this Agreement except for intentional harm or gross negligence on the part of such Limited Partner or as expressly provided in this Agreement (including, without limitation, Section 10.4 hereof) or under the Act.

Section 8.2 *Management of Business*. Subject to the rights and powers of the General Partner hereunder, no Limited Partner or Assignee (other than the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such) shall take part in the operations, management or control (within the meaning of the Act) of the Partnership's business, transact any business in the Partnership's name or have the power to sign documents for or otherwise bind the Partnership. The transaction of any such business by the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent, representative, or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

Section 8.3 *Outside Activities of Limited Partners*. Subject to any agreements entered into pursuant to Section 7.6 hereof and any other agreements entered into by a Limited Partner or any of its Affiliates with the General Partner, the Partnership or a Subsidiary (including, without limitation, any employment agreement), any Limited Partner and any Assignee, officer, director, employee, agent, trustee, Affiliate, member or stockholder of any Limited Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities that are in direct or indirect competition with the Partnership or that are enhanced by the activities of the Partnership. Neither the Partnership nor any Partner shall have any rights by virtue of this Agreement in any business ventures of any Limited Partner or Assignee. Subject to such agreements, none of the Limited Partners nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any business ventures of any other Person (other than the General Partner), and such Person shall have no obligation pursuant to this Agreement, subject to Section 7.6 hereof and any other agreements entered into by a Limited Partner or its Affiliates with the General Partner, the Partnership or a Subsidiary, to offer any interest in any such business ventures to the Partnership, any Limited Partner, or any such other Person, even if such

opportunity is of a character that, if presented to the Partnership, any Limited Partner or such other Person, could be taken by such Person.

Section 8.4 *Return of Capital*. Except pursuant to the rights of Redemption set forth in Section 15.1 hereof or in any Partnership Unit Designation, no Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent of distributions made pursuant to this Agreement or upon termination of the Partnership as provided herein. Except to the extent provided in Article 5 and Article 6 hereof or otherwise expressly provided in this Agreement or in any Partnership Unit Designation, no Limited Partner or Assignee shall have priority over any other Limited Partner or Assignee either as to the return of Capital Contributions or as to profits, losses or distributions.

Section 8.5 *Rights of Limited Partners Relating to the Partnership*.

A. In addition to other rights provided by this Agreement or by the Act, and except as limited by Section 8.5.C hereof, the General Partner shall deliver to each Limited Partner a copy of any information mailed or electronically delivered to all of the common stockholders of the General Partner as soon as practicable after such mailing.

B. The Partnership shall notify any Limited Partner that is a Qualifying Party, on request, of the then current Adjustment Factor and any change made to the Adjustment Factor shall be set forth in the quarterly report required by Section 9.3.B hereof immediately following the date such change becomes effective.

C. Notwithstanding any other provision of this Section 8.5, the General Partner may keep confidential from the Limited Partners (or any of them), for such period of time as the General Partner determines in its sole and absolute discretion to be reasonable, any information that (i) the General Partner believes to be in the nature of trade secrets or other information the disclosure of which the General Partner in good faith believes is not in the best interests of the Partnership or the General Partner or (ii) the Partnership or the General Partner is required by law or by agreement to keep confidential.

Section 8.6 *Partnership Right to Call Limited Partner Interests*. Notwithstanding any other provision of this Agreement, on and after the date on which the aggregate Percentage Interests of the Limited Partners are less than one percent (1%), the Partnership shall have the right, but not the obligation, from time to time and at any time to redeem any and all outstanding Limited Partner Interests by treating any Limited Partner as a Tendering Party who has delivered a Notice of Redemption pursuant to Section 15.1 hereof for the amount of Partnership Common Units to be specified by the General Partner, in its sole and absolute discretion, by notice to such Limited Partner that the Partnership has elected to exercise its rights under this Section 8.6. Such notice given by the General Partner to a Limited Partner pursuant to this Section 8.6 shall be treated as if it were a Notice of Redemption delivered to the General Partner by such Limited Partner. For purposes of this Section 8.6, (a) any Limited Partner (whether or not otherwise a Qualifying Party) may, in the General Partner's sole and absolute discretion, be treated as a Qualifying Party that is a Tendering Party and (b) the provisions of Sections 15.1.F(2) and 15.1.F(3) hereof shall not apply, but the remainder of Section 15.1 hereof shall apply, mutatis mutandis.

Section 8.7 *Rights as Objecting Partner*. No Limited Partner and no Holder of a Partnership Interest shall be entitled to exercise any of the rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the Maryland General Corporation Law or any successor statute in connection with a merger of the Partnership.

ARTICLE 9
BOOKS, RECORDS, ACCOUNTING AND REPORTS

Section 9.1 *Records and Accounting*.

A. The General Partner shall keep or cause to be kept at the principal place of business of the Partnership those records and documents, if any, required to be maintained by the Act and any other books and records deemed by the General Partner to be appropriate with respect to the Partnership's business, including, without limitation, all books and records necessary to provide to the Limited Partners any information, lists and copies of documents required to be provided pursuant to Section 8.5.A, Section 9.3 or Article 13 hereof. Any records maintained by or on behalf of the Partnership in the regular course of its business may be kept on any information storage device, provided that the records so maintained are convertible into clearly legible written form within a reasonable period of time.

B. The books of the Partnership shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles, or on such other basis as the General Partner determines to be necessary or appropriate. To the extent permitted by sound accounting practices and principles, the Partnership and the General Partner may operate with integrated or consolidated accounting records, operations and principles.

Section 9.2 *Partnership Year*. For purposes of this Agreement, "Partnership Year" means the fiscal year of the Partnership, which shall be the same as the tax year of the Partnership. The tax year shall be the calendar year unless otherwise required by the Code.

Section 9.3 *Reports*.

A. As soon as practicable, but in no event later than one hundred five (105) days after the close of each Partnership Year, the General Partner shall cause to be mailed to each Limited Partner of record as of the close of the Partnership Year, financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such Partnership Year, presented in accordance with generally accepted accounting principles, such statements to be audited by a nationally recognized firm of independent public accountants selected by the General Partner.

B. As soon as practicable, but in no event later than sixty (60) days after the close of each calendar quarter (except the last calendar quarter of each year), the General Partner shall cause to be mailed to each Limited Partner of record as of the last day of the calendar quarter, a report containing unaudited financial statements of the Partnership for such calendar quarter, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, and such other information as may be required by applicable law or regulation or as the General Partner determines to be appropriate.

C. The General Partner shall have satisfied its obligations under Section 9.3.A and Section 9.3.B by posting or making available the reports required by this Section 9.3 on the website maintained from time to time by the Partnership or the General Partner, provided that such reports are able to be printed or downloaded from such website.

D. At the request of any Limited Partner, the General Partner shall provide access to the books, records and workpapers upon which the reports required by this Section 9.3 are based, to the extent required by the Act.

ARTICLE 10
TAX MATTERS

Section 10.1 *Preparation of Tax Returns*. The General Partner shall arrange for the preparation and timely filing of all returns with respect to Partnership income, gains, deductions, losses and other items required of the Partnership for Federal and state income tax purposes and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information reasonably required by Limited Partners for Federal and state income tax and any other tax reporting purposes. The Limited Partners shall promptly provide the General Partner with such information relating to the Contributed Properties as is readily available to the Limited Partners, including tax basis and other relevant information, as may be reasonably requested by the General Partner from time to time.

Section 10.2 *Tax Elections*. Except as otherwise provided herein, the General Partner shall, in its sole and absolute discretion, determine whether to make any available election pursuant to the Code, including, but not limited to, the election under Code Section 754. The General Partner shall have the right to seek to revoke any such election (including, without limitation, any election under Code Section 754) upon the General Partner's determination in its sole and absolute discretion that such revocation is in the best interests of the Partners.

Section 10.3 *Tax Matters Partner*.

A. The General Partner shall be the "tax matters partner" of the Partnership for federal income tax purposes. The tax matters partner shall receive no compensation for its services. All third-party costs and expenses incurred by the tax matters partner in performing its duties as such (including legal and accounting fees and expenses) shall be borne by the Partnership in addition to any reimbursement pursuant to Section 7.4 hereof. Nothing herein shall be construed to restrict the Partnership from engaging an accounting firm to assist the tax matters partner in discharging its duties hereunder.

B. The tax matters partner is authorized, but not required:

(1) to enter into any settlement with the IRS with respect to any administrative or judicial proceedings for the adjustment of Partnership items required to be taken into account by a Partner for income tax purposes (such administrative proceedings being referred to as a "tax audit" and such judicial proceedings being referred to as "judicial review"), and in the settlement agreement the tax matters partner may expressly state that such agreement shall bind all Partners, except that such settlement agreement shall not bind any Partner (i) who (within the time prescribed pursuant to the Code and Regulations) files a

statement with the IRS providing that the tax matters partner shall not have the authority to enter into a settlement agreement on behalf of such Partner (as the case may be) or (ii) who is a "notice partner" (as defined in Code Section 6231) or a member of a "notice group" (as defined in Code Section 6223(b)(2));

(2) in the event that a notice of a final administrative adjustment at the Partnership level of any item required to be taken into account by a Partner for tax purposes (a "*Final Adjustment*") is mailed to the tax matters partner, to seek judicial review of such Final Adjustment, including the filing of a petition for readjustment with the United States Tax Court or the United States Claims Court, or the filing of a complaint for refund with the District Court of the United States for the district in which the Partnership's principal place of business is located;

(3) to intervene in any action brought by any other Partner for judicial review of a final adjustment;

(4) to file a request for an administrative adjustment with the IRS at any time and, if any part of such request is not allowed by the IRS, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(5) to enter into an agreement with the IRS to extend the period for assessing any tax that is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item; and

(6) to take any other action on behalf of the Partners or any of them in connection with any tax audit or judicial review proceeding to the extent permitted by applicable law or regulations.

The taking of any action and the incurring of any expense by the tax matters partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole and absolute discretion of the tax matters partner and the provisions relating to indemnification of the General Partner set forth in Section 7.7 hereof shall be fully applicable to the tax matters partner in its capacity as such.

Section 10.4 *Withholding*. Each Limited Partner hereby authorizes the Partnership to withhold from or pay on behalf of or with respect to such Limited Partner any amount of Federal, state, local or foreign taxes that the General Partner determines the Partnership is required to withhold or pay with respect to any amount distributable or allocable to such Limited Partner pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Partnership pursuant to Code Section 1441, Code Section 1442, Code Section 1445 or Code Section 1446. Any amount withheld with respect to a Limited Partner pursuant to this Section 10.4 shall be treated as paid or distributed, as applicable, to such Limited Partner for all purposes under this Agreement. Any amount paid on behalf of or with respect to a Limited Partner, in excess of any such withheld amount, shall constitute a loan by the Partnership to such Limited Partner, which loan shall be repaid by such Limited Partner within thirty (30) days after the affected Limited Partner receives written notice from the General Partner that such payment must be made, provided that the Limited Partner shall not be required to repay such deemed loan

if either (i) the Partnership withholds such payment from a distribution that would otherwise be made to the Limited Partner or (ii) the General Partner determines, in its sole and absolute discretion, that such payment may be satisfied out of the Available Cash of the Partnership that would, but for such payment, be distributed to the Limited Partner. Any amounts payable by a Limited Partner hereunder shall bear interest at the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate) from the date such amount is due (i.e., thirty (30) days after the Limited Partner receives written notice of such amount) until such amount is paid in full.

Section 10.5 *Organizational Expenses*. The General Partner may cause the Partnership to elect to deduct expenses, if any, incurred by it in organizing the Partnership ratably over a 180-month period as provided in Section 709 of the Code.

ARTICLE 11
PARTNER TRANSFERS AND WITHDRAWALS

Section 11.1 *Transfer*.

A. No part of the interest of a Partner shall be subject to the claims of any creditor, to any spouse for alimony or support, or to legal process, and may not be voluntarily or involuntarily alienated or encumbered except as may be specifically provided for in this Agreement.

B. No Partnership Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article 11. Any Transfer or purported Transfer of a Partnership Interest not made in accordance with this Article 11 shall be null and void *ab initio*.

C. No Transfer of any Partnership Interest may be made to a lender to the Partnership or any Person who is related (within the meaning of Section 1.752-4(b) of the Regulations) to any lender to the Partnership whose loan constitutes a Nonrecourse Liability, without the Consent of the General Partner; *provided*, *however*, that, as a condition to such Consent, the lender may be required to enter into an arrangement with the Partnership and the General Partner to redeem or exchange for the REIT Shares Amount any Partnership Units in which a security interest is held by such lender simultaneously with the time at which such lender would be deemed to be a partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code (provided that, for purpose of calculating the REIT Shares Amount in this Section 11.1.C, "*Tendered Units*" shall mean all such Partnership Units in which a security interest is held by such lender).

Section 11.2 *Transfer of General Partner's Partnership Interest*.

A. Except as provided in Section 11.2.B or Section 11.2.C, and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may not Transfer all or any portion of its Partnership Interest (whether by sale, disposition, statutory merger or consolidation, liquidation or otherwise) without the Consent of the Limited Partners. It is a condition to any Transfer of a Partnership Interest of a General

Partner otherwise permitted hereunder (including any Transfer permitted pursuant to Section 11.2.B or Section 11.2.C) that: (i) coincident with such Transfer, the transferee is admitted as a General Partner pursuant to Section 12.1 hereof; (ii) the transferee assumes, by operation of law or express agreement, all of the obligations of the transferor General Partner under this Agreement with respect to such Transferred Partnership Interest; and (iii) the transferee has executed such instruments as may be necessary to effectuate such admission and to confirm the agreement of such transferee to be bound by all the terms and provisions of this Agreement with respect to the Partnership Interest so acquired and the admission of such transferee as a General Partner.

B. *Certain Transactions of the General Partner*. Except as provided in Section 11.2.D and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may, without the Consent of the Limited Partners, Transfer all of its Partnership Interest in connection with (a) a merger, consolidation or other combination of its assets with another entity, (b) a sale of all or substantially all of its assets not in the ordinary course of the Partnership's business or (c) a reclassification, recapitalization or change of any outstanding shares of the General Partner's stock or other outstanding equity interests (each, a "*Termination Transaction*") if:

(i) in connection with such Termination Transaction, all of the Limited Partners will receive, or will have the right to elect to receive, for each Partnership Common Unit an amount of cash, securities or other property equal to the product of the Adjustment Factor and the greatest amount of cash, securities or other property paid to a holder of one REIT Share in consideration of one REIT Share pursuant to the terms of such Termination Transaction; *provided*, that if, in connection with such Termination Transaction, a purchase, tender or exchange offer shall have been made to and accepted by the holders of the outstanding REIT Shares, each holder of Partnership Common Units shall receive, or shall have the right to elect to receive, the greatest amount of cash, securities or other property which such holder of Partnership Common Units would have received had it exercised its right to Redemption pursuant to Article 15 hereof and received REIT Shares in exchange for its Partnership Common Units immediately prior to the expiration of such purchase, tender or exchange offer and had thereupon accepted such purchase, tender or exchange offer and then such Termination Transaction shall have been consummated; or

(ii) all of the following conditions are met: (w) substantially all of the assets directly or indirectly owned by the surviving entity are owned directly or indirectly by the Partnership or another limited partnership or limited liability company which is the survivor of a merger, consolidation or combination of assets with the Partnership (in each case, the "*Surviving Partnership*"); (x) the Limited Partners that held Partnership Common Units immediately prior to the consummation of such Termination Transaction own a percentage interest of the Surviving Partnership based on the relative fair market value of the net assets of the Partnership and the other net assets of the Surviving Partnership immediately prior to the consummation of such transaction; (y) the rights, preferences and privileges in the Surviving Partnership of such Limited Partners are at least as favorable as those in effect with respect to Partnership Common Units immediately prior to the consummation of such transaction and as those applicable to any

other limited partners or non-managing members of the Surviving Partnership; and (z) the rights of such Limited Partners include at least one of the following: (a) the right to redeem their interests in the Surviving Partnership for the consideration available to such persons pursuant to Section 11.2.B(i) or (b) the right to redeem their interests in the Surviving Partnership for cash on terms substantially equivalent to those in effect with respect to their Partnership Common Units immediately prior to the consummation of such transaction, or, if the ultimate controlling person of the Surviving Partnership has publicly traded common equity securities, such common equity securities, with an exchange ratio based on the determination of relative fair market value of such securities and the REIT Shares.

C. Notwithstanding the other provisions of this Article 11 (other than Section 11.6.D hereof), the General Partner may Transfer all of its Partnership Interests at any time to any Person that is, at the time of such Transfer an Affiliate of the General Partner that is controlled by the General Partner, including any "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), without the Consent of any Limited Partners. The provisions of Section 11.2.B, 11.3, 11.4.A and 11.5 hereof shall not apply to any Transfer permitted by this Section 11.2.C.

D. The General Partner shall not, without prior Partnership Approval, consummate any transaction that would result in a direct or indirect transfer of all or any portion of the General Partner's Partnership Interest if such direct or indirect transfer would be effected through (a) a Termination Transaction or (b) the issuance of REIT Shares, in each case in connection with which the General Partner seeks to obtain or would be required to obtain approval of its stockholders (each of a "*General Partner Interest Transfer*").

E. Except in connection with Transfers permitted in this Article 11 and as otherwise provided in Section 12.1 in connection with the Transfer of the General Partner's entire Partnership Interest, the General Partner may not voluntarily withdraw as a general partner of the Partnership without the Consent of the Limited Partners.

Section 11.3 *Limited Partners' Rights to Transfer*.

A. *General*. Prior to the end of the first Fourteen-Month Period and except as provided in Section 11.1.C hereof, no Limited Partner shall Transfer all or any portion of its Partnership Interest to any transferee without the Consent of the General Partner; *provided*, *however*, that any Limited Partner may, at any time, without the consent or approval of the General Partner, (i) Transfer all or part of its Partnership Interest to any Family Member (including a Transfer by a Family Member that is an inter vivos or testamentary trust (whether revocable or irrevocable) to a Family Member that is a beneficiary of such trust), any Charity, any Controlled Entity or any Affiliate, or (ii) pledge (a "*Pledge*") all or any portion of its Partnership Interest to a lending institution as collateral or security for a bona fide loan or other extension of credit, and Transfer such pledged Partnership Interest to such lending institution in connection with the exercise of remedies under such loan or extension of credit (any Transfer or Pledge permitted by this proviso is hereinafter referred to as a "*Permitted Transfer*"). After such first Fourteen-Month Period, each Limited Partner, and each transferee of Partnership Units or Assignee pursuant to a Permitted Transfer, shall have the right to Transfer all or any portion of

its Partnership Interest to any Person, without the Consent of the General Partner but subject to the provisions of Section 11.4 hereof and to satisfaction of each of the following conditions:

(1) *General Partner Right of First Refusal*. The transferor Limited Partner (or the Partner's estate in the event of the Partner's death) shall give written notice of the proposed Transfer to the General Partner, which notice shall state (i) the identity and address of the proposed transferee and (ii) the amount and type of consideration proposed to be received for the Transferred Partnership Units. The General Partner shall have ten (10) Business Days upon which to give the transferor Limited Partner notice of its election to acquire the Partnership Units on the terms set forth in such notice. If it so elects, it shall purchase the Partnership Units on such terms within ten (10) Business Days after giving notice of such election; *provided, however*, that in the event that the proposed terms involve a purchase for cash, the General Partner may at its election deliver in lieu of all or any portion of such cash a note from the General Partner payable to the transferor Limited Partner at a date as soon as reasonably practicable, but in no event later than one hundred eighty (180) days after such purchase, and bearing interest at an annual rate equal to the total dividends declared with respect to one (1) REIT Share for the four (4) preceding fiscal quarters of the General Partner, divided by the Value as of the closing of such purchase; and *provided, further*, that such closing may be deferred to the extent necessary to effect compliance with the Hart-Scott-Rodino Act, if applicable, and any other applicable requirements of law. If it does not so elect, the transferor Limited Partner may Transfer such Partnership Units to a third party, on terms no more favorable to the transferee than the proposed terms, subject to the other conditions of this Section 11.3.

(2) *Qualified Transferee*. Any Transfer of a Partnership Interest shall be made only to a single Qualified Transferee; *provided, however*, that, for such purposes, all Qualified Transferees that are Affiliates, or that comprise investment accounts or funds managed by a single Qualified Transferee and its Affiliates, shall be considered together to be a single Qualified Transferee; and *provided, further*, that each Transfer meeting the minimum Transfer restriction of Section 11.3.A(4) hereof may be to a separate Qualified Transferee.

(3) *Opinion of Counsel*. The transferor Limited Partner shall deliver or cause to be delivered to the General Partner an opinion of counsel reasonably satisfactory to it to the effect that the proposed Transfer may be effected without registration under the Securities Act and will not otherwise violate the registration provisions of the Securities Act and the regulations promulgated thereunder or violate any state securities laws or regulations applicable to the Partnership or the Partnership Interests Transferred; *provided, however*, that the General Partner may, in its sole discretion, waive this condition upon the request of the transferor Limited Partner. If, in the opinion of such counsel, such Transfer would require the filing of a registration statement under the Securities Act or would otherwise violate any Federal or state securities laws or regulations applicable to the Partnership or the Partnership Units, the General Partner may prohibit any Transfer otherwise permitted under this Section 11.3 by a Limited Partner of Partnership Interests.

(4) *Minimum Transfer Restriction*. Any Transferring Partner must Transfer not less than the lesser of (i) five hundred (500) Partnership Units or (ii) all of the remaining Partnership Units owned by such Transferring Partner, unless, in each case, otherwise agreed to by

the General Partner; *provided*, *however*, that, for purposes of determining compliance with the foregoing restriction, all Partnership Units owned by Affiliates of a Limited Partner shall be considered to be owned by such Limited Partner.

(5) *Exception for Permitted Transfers*. The conditions of Sections 11.3.A(1) through 11.3.A(4) hereof shall not apply in the case of a Permitted Transfer.

It is a condition to any Transfer otherwise permitted hereunder (whether or not such Transfer is effected during or after the first Fourteen-Month Period) that the transferee assumes by operation of law or express agreement all of the obligations of the transferor Limited Partner under this Agreement with respect to such Transferred Partnership Interest, and no such Transfer (other than pursuant to a statutory merger or consolidation wherein all obligations and liabilities of the transferor Partner are assumed by a successor corporation by operation of law) shall relieve the transferor Partner of its obligations under this Agreement without the Consent of the General Partner. Notwithstanding the foregoing, any transferee of any Transferred Partnership Interest shall be subject to any restrictions on ownership and transfer of stock of the General Partner contained in the Charter that may limit or restrict such transferee's ability to exercise its Redemption rights, including, without limitation, the Ownership Limit. Any transferee, whether or not admitted as a Substituted Limited Partner, shall take subject to the obligations of the transferor hereunder. Unless admitted as a Substituted Limited Partner, no transferee, whether by a voluntary Transfer, by operation of law or otherwise, shall have any rights hereunder, other than the rights of an Assignee as provided in Section 11.5 hereof.

B. *Incapacity*. If a Limited Partner is subject to Incapacity, the executor, administrator, trustee, committee, guardian, conservator or receiver of such Limited Partner's estate shall have all the rights of a Limited Partner, but not more rights than those enjoyed by other Limited Partners, for the purpose of settling or managing the estate, and such power as the Incapacitated Limited Partner possessed to Transfer all or any part of its interest in the Partnership. The Incapacity of a Limited Partner, in and of itself, shall not dissolve or terminate the Partnership.

C. *Adverse Tax Consequences*. Notwithstanding anything to the contrary in this Agreement, the General Partner shall have the authority (but shall not be required) to take any steps it determines are necessary or appropriate in its sole and absolute discretion to prevent the Partnership from being taxable as a corporation for Federal income tax purposes. In addition, except with the Consent of the General Partner, no Transfer by a Limited Partner of its Partnership Interests (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any other acquisition of Partnership Units by the General Partner or any acquisition of Partnership Units by the Partnership) may be made to or by any Person if such Transfer could (i) result in the Partnership being treated as an association taxable as a corporation; (ii) result in a termination of the Partnership under Code Section 708; (iii) be treated as effectuated through an "established securities market" or a "secondary market (or the substantial equivalent thereof)" within the meaning of Code Section 7704 and the Regulations promulgated thereunder, (iv) result in the Partnership being unable to qualify for one or more of the "safe harbors" set forth in Regulations Section 1.7704-1 (or such other guidance subsequently published by the IRS setting forth safe harbors under which interests will not be treated as "readily tradable on a secondary market (or the substantial equivalent thereof)" within

the meaning of Section 7704 of the Code) (the "*Safe Harbors*") or (v) based on the advice of counsel to the Partnership or the General Partner, adversely affect the ability of the General Partner to continue to qualify as a REIT or subject the General Partner to any additional taxes under Code Section 857 or Code Section 4981.

Section 11.4 *Admission of Substituted Limited Partners*.

A. No Limited Partner shall have the right to substitute a transferee (including any transferees pursuant to Transfers permitted by Section 11.3 hereof) as a Limited Partner in its place. A transferee of a Limited Partner Interest may be admitted as a Substituted Limited Partner only with the Consent of the General Partner. The failure or refusal by the General Partner to permit a transferee of any such interests to become a Substituted Limited Partner shall not give rise to any cause of action against the Partnership or the General Partner. Subject to the foregoing, an Assignee shall not be admitted as a Substituted Limited Partner until and unless it furnishes to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all the terms, conditions and applicable obligations of this Agreement, (ii) a counterpart signature page to this Agreement executed by such Assignee and (iii) such other documents and instruments as may be required or advisable, in the sole and absolute discretion of the General Partner, to effect such Assignee's admission as a Substituted Limited Partner.

B. Concurrently with, and as evidence of, the admission of a Substituted Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and class and/or series of Partnership Units of such Substituted Limited Partner and to eliminate or adjust, if necessary, the name, address and number of Partnership Units of the predecessor of such Substituted Limited Partner.

C. A transferee who has been admitted as a Substituted Limited Partner in accordance with this Article 11 shall have all the rights and powers and be subject to all the restrictions and liabilities of a Limited Partner under this Agreement.

Section 11.5 *Assignees*. If the General Partner does not Consent to the admission of any permitted transferee under Section 11.3 hereof as a Substituted Limited Partner, as described in Section 11.4 hereof, or in the event that any Partnership Interest is deemed to have been Transferred notwithstanding the restrictions set forth in this Article 11, such transferee shall be considered an Assignee for purposes of this Agreement. An Assignee shall be entitled to all the rights of an assignee of a limited partnership interest under the Act, including the right to receive distributions from the Partnership and the share of Net Income, Net Losses and other items of income, gain, loss, deduction and credit of the Partnership attributable to the Partnership Interest assigned to such transferee and the rights to Transfer the Partnership Interest provided in this Article 11, but shall not be deemed to be a holder of a Partnership Interest for any other purpose under this Agreement (other than as expressly provided in Section 15.1 hereof with respect to a Qualifying Party that becomes a Tendering Party), and shall not be entitled to effect a Consent or vote with respect to such Partnership Interest on any matter presented to the Partners for approval (such right to Consent or vote, to the extent provided in this Agreement or under the Act, fully remaining with the transferor Limited Partner). In the event that any such transferee desires to make a further Transfer of any such Partnership Interest, such transferee shall be

subject to all the provisions of this Article 11 to the same extent and in the same manner as any Limited Partner desiring to make a Transfer of a Limited Partner Interest.

Section 11.6 *General Provisions*.

A. No Limited Partner may withdraw from the Partnership other than as a result of: (i) a permitted Transfer of all of such Limited Partner's Partnership Units in accordance with this Article 11 with respect to which the transferee becomes a Substituted Limited Partner; (ii) pursuant to a redemption (or acquisition by the General Partner) of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) the acquisition by the General Partner of all of such Limited Partner's Partnership Interest, whether or not pursuant to Section 15.1.B hereof.

B. Any Limited Partner who shall Transfer all of its Partnership Units in a Transfer (i) permitted pursuant to this Article 11 where such transferee was admitted as a Substituted Limited Partner, (ii) pursuant to the exercise of its rights to effect a redemption of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) to the General Partner, whether or not pursuant to Section 15.1.B hereof, shall cease to be a Limited Partner.

C. If any Partnership Unit is Transferred in compliance with the provisions of this Article 11, or is redeemed by the Partnership, or acquired by the General Partner pursuant to Section 15.1 hereof, on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit attributable to such Partnership Unit for such Partnership Year shall be allocated to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, to the transferee Partner, by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner in its sole and absolute discretion. Solely for purposes of making such allocations, unless the General Partner decides in its sole and absolute discretion to use another method permitted under the Code, each of such items for the calendar month in which a Transfer occurs shall be allocated to the transferee Partner and none of such items for the calendar month in which a Transfer or a Redemption occurs shall be allocated to the transferor Partner, or the Tendering Party (as the case may be) if such Transfer occurs on or before the fifteenth (15th) day of the month, otherwise such items shall be allocated to the transferor. All distributions of Available Cash attributable to such Partnership Unit with respect to which the Partnership Record Date is before the date of such Transfer, assignment or Redemption shall be made to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, all distributions of Available Cash thereafter attributable to such Partnership Unit shall be made to the transferee Partner.

D. In addition to any other restrictions on Transfer herein contained, in no event may any Transfer of a Partnership Interest by any Partner (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any acquisition of Partnership Units by the General Partner or any other acquisition of Partnership Units by the Partnership) be made: (i) to any person or entity who lacks the legal right, power or capacity to own a Partnership Interest; (ii)

in violation of applicable law; (iii) except with the Consent of the General Partner, of any component portion of a Partnership Interest, such as the Capital Account, or rights to distributions, separate and apart from all other components of a Partnership Interest; (iv) in the event that such Transfer could cause either the General Partner or any General Partner Affiliate to cease to comply with the REIT Requirements or to cease to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)); (v) except with the Consent of the General Partner, if such Transfer could, based on the advice of counsel to the Partnership or the General Partner, cause a termination of the Partnership for Federal or state income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vi) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause the Partnership to cease to be classified as a partnership for federal income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vii) if such Transfer would cause the Partnership to become, with respect to any employee benefit plan subject to Title I of ERISA, a "party-in-interest" (as defined in ERISA Section 3(14)) or a "disqualified person" (as defined in Code Section 4975(c)); (viii) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause any portion of the assets of the Partnership to constitute assets of any employee benefit plan pursuant to Department of Labor Regulations Section 2510.3-101; (ix) if such Transfer requires the registration of such Partnership Interest pursuant to any applicable Federal or state securities laws; (x) except with the Consent of the General Partner, if such Transfer (1) could be treated as effectuated through an "established securities market" or a "secondary market" (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code and the Regulations promulgated thereunder, (2) could cause the Partnership to become a "publicly traded partnership," as such term is defined in Sections 469(k)(2) or 7704(b) of the Code, (3) could be in violation of Section 3.4.C(iii), or (4) could cause the Partnership to fail one or more of the Safe Harbors; (xi) if such Transfer causes the Partnership (as opposed to the General Partner) to become a reporting company under the Exchange Act; or (xii) if such Transfer subjects the Partnership to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940 or ERISA, each as amended. The General Partner shall, in its sole discretion, be permitted to take all action necessary to prevent the Partnership from being classified as a "publicly traded partnership" under Code Section 7704.

E. Transfers pursuant to this Article 11 may only be made on the first day of a fiscal quarter of the Partnership, unless the General Partner otherwise Consents.

ARTICLE 12
ADMISSION OF PARTNERS

Section 12.1 *Admission of Successor General Partner*. A successor to all of the General Partner's General Partner Interest pursuant to a Transfer permitted by Section 11.2 hereof who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately upon such Transfer. Upon any such Transfer and the admission of any such transferee as a successor General Partner in accordance with this Section 12.1, the transferor General Partner shall be relieved of its obligations under this Agreement and shall cease to be a general partner of the Partnership without any separate Consent of the Limited Partners or the consent or approval of any other Partners. Any such

successor General Partner shall carry on the business and affairs of the Partnership without dissolution. In each case, the admission shall be subject to the successor General Partner executing and delivering to the Partnership an acceptance of all of the terms and conditions of this Agreement and such other documents or instruments as may be required to effect the admission of such Person as a General Partner. Upon any such Transfer, the transferee shall become the successor General Partner for all purposes herein, and shall be vested with the powers and rights of the transferor General Partner, and shall be liable for all obligations and responsible for all duties of the General Partner. Concurrently with, and as evidence of, the admission of a successor General Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such successor General Partner.

Section 12.2 *Admission of Additional Limited Partners*.

A. After the admission to the Partnership of the Original Limited Partners, a Person (other than an existing Partner) who makes a Capital Contribution to the Partnership in exchange for Partnership Units and in accordance with this Agreement or is issued LTIP Units in exchange for no consideration in accordance with Section 4.2.B hereof shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all of the terms and conditions of this Agreement, including, without limitation, the power of attorney granted in Section 2.4 hereof, (ii) a counterpart signature page to this Agreement executed by such Person and (iii) such other documents or instruments as may be required in the sole and absolute discretion of the General Partner in order to effect such Person's admission as an Additional Limited Partner. Concurrently with, and as evidence of, the admission of an Additional Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such Additional Limited Partner.

B. Notwithstanding anything to the contrary in this Section 12.2, no Person shall be admitted as an Additional Limited Partner without the Consent of the General Partner. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded on the books and records of the Partnership, following the Consent of the General Partner to such admission and the satisfaction of all the conditions set forth in Section 12.2.A.

C. If any Additional Limited Partner is admitted to the Partnership on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit allocable among Holders for such Partnership Year shall be allocated among such Additional Limited Partner and all other Holders by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner. Solely for purposes of making such allocations, each of such items for the calendar month in which an admission of any Additional Limited Partner occurs shall be allocated among all the Holders including such Additional Limited Partner, in accordance with the principles described in Section 11.6.C hereof. All distributions of Available Cash with respect to which the Partnership Record Date is before the date of such admission

shall be made solely to Partners and Assignees other than the Additional Limited Partner, and all distributions of Available Cash thereafter shall be made to all the Partners and Assignees including such Additional Limited Partner.

D. Any Additional Limited Partner admitted to the Partnership that is an Affiliate of the General Partner shall be deemed to be a "General Partner Affiliate" hereunder and shall be reflected as such on Exhibit A and the books and records of the Partnership.

Section 12.3 *Amendment of Agreement and Certificate of Limited Partnership*. For the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Act to amend the records of the Partnership and, if necessary, to prepare as soon as practical an amendment of this Agreement (including an amendment of Exhibit A) and, if required by law, shall prepare and file an amendment to the Certificate and may for this purpose exercise the power of attorney granted pursuant to Section 2.4 hereof.

Section 12.4 *Limit on Number of Partners*. Unless otherwise permitted by the General Partner in its sole and absolute discretion, no Person shall be admitted to the Partnership as an Additional Limited Partner if the effect of such admission would be to cause the Partnership to have a number of Partners that would cause the Partnership to become a reporting company under the Exchange Act.

Section 12.5 *Admission*. A Person shall be admitted to the Partnership as a limited partner of the Partnership or a general partner of the Partnership only upon strict compliance, and not upon substantial compliance, with the requirements set forth in this Agreement for admission to the Partnership as a Limited Partner or a General Partner.

ARTICLE 13
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1 *Dissolution*. The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the withdrawal of the General Partner, any successor General Partner shall continue the business and affairs of the Partnership without dissolution. However, the Partnership shall dissolve, and its affairs shall be wound up, upon the first to occur of any of the following (each a "*Liquidating Event*"):

A. an event of withdrawal, as defined in Section 10-402(2) – (9) of the Act (including, without limitation, bankruptcy), or the withdrawal in violation of this Agreement, of the last remaining General Partner unless, within ninety (90) days after the withdrawal, a Majority in Interest of the Partners remaining agree in writing, in their sole and absolute discretion, to continue the Partnership and to the appointment, effective as of the date of such withdrawal, of a successor General Partner;

B. an election to dissolve the Partnership made by the General Partner in its sole and absolute discretion, with or without the Consent of the Partners;

C. entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Act;

D. any sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business or a related series of transactions that, taken together, result in the sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business; or

E. the Redemption or other acquisition by the Partnership or the General Partner of all Partnership Units other than Partnership Units held by the General Partner.

Section 13.2 *Winding Up*.

A. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets and satisfying the claims of its creditors and the Holders. After the occurrence of a Liquidating Event, no Holder shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. The General Partner (or, in the event that there is no remaining General Partner or the General Partner has dissolved, become bankrupt within the meaning of the Act or ceased to operate, any Person elected by a Majority in Interest of the Partners (the General Partner or such other Person being referred to herein as the "*Liquidator*")) shall be responsible for overseeing the winding up and dissolution of the Partnership and shall take full account of the Partnership's liabilities and property, and the Partnership property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (which may, to the extent determined by the General Partner, include shares of stock in the General Partner) shall be applied and distributed in the following order:

(1) First, to the satisfaction of all of the Partnership's debts and liabilities to creditors other than the Holders (whether by payment or the making of reasonable provision for payment thereof);

(2) Second, to the satisfaction of all of the Partnership's debts and liabilities to the General Partner (whether by payment or the making of reasonable provision for payment thereof), including, but not limited to, amounts due as reimbursements under Section 7.4 hereof;

(3) Third, to the satisfaction of all of the Partnership's debts and liabilities to the other Holders (whether by payment or the making of reasonable provision for payment thereof); and

(4) Fourth, to the Partners in accordance with their positive Capital Account balances, determined after taking into account all Capital Account adjustments for all prior periods and the Partnership taxable year during which the liquidation occurs (other than those made as a result of the liquidating distribution set forth in this Section 13.2.A(4)).

The General Partner shall not receive any additional compensation for any services performed pursuant to this Article 13 other than reimbursement of its expenses as set forth in Section 7.4.

B. Notwithstanding the provisions of Section 13.2.A hereof that require liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Partnership, the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Holders, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (including to those Holders as creditors) and/or distribute to the Holders, in lieu of cash, as tenants in common and in accordance with the provisions of Section 13.2.A hereof, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Holders, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. If any Holder has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), except as otherwise agreed to by such Holder, such Holder shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever.

D. In the sole and absolute discretion of the General Partner or the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Holders pursuant to this Article 13 may be:

(1) distributed to a trust established for the benefit of the General Partner and the Holders for the purpose of liquidating Partnership assets, collecting amounts owed to the Partnership, and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership and/or Partnership activities. The assets of any such trust shall be distributed to the Holders, from time to time, in the reasonable discretion of the General Partner, in the same proportions and amounts as would otherwise have been distributed to the Holders pursuant to this Agreement; or

(2) withheld or escrowed to provide a reasonable reserve for Partnership liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Partnership, provided that such withheld or escrowed amounts shall be distributed to the Holders in the manner and order of priority set forth in Section 13.2.A hereof as soon as practicable.

Section 13.3 *Deemed Contribution and Distribution*. Notwithstanding any other provision of this Article 13, in the event that the Partnership is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), but no Liquidating Event has occurred, the Partnership's Property shall not be liquidated, the Partnership's liabilities shall not be paid or discharged and the Partnership's affairs shall not be wound up. Instead, for federal income tax

purposes the Partnership shall be deemed to have contributed all of its assets and liabilities to a new partnership in exchange for an interest in the new partnership; and immediately thereafter, distributed Partnership Units to the Partners in the new partnership in accordance with their respective Capital Accounts in liquidation of the Partnership, and the new partnership is deemed to continue the business of the Partnership. Nothing in this Section 13.3 shall be deemed to have constituted a Transfer to an Assignee as a Substituted Limited Partner without compliance with the provisions of Section 11.4 or Section 13.3 hereof.

Section 13.4 *Rights of Holders*. Except as otherwise provided in this Agreement and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, (a) each Holder shall look solely to the assets of the Partnership for the return of its Capital Contribution, (b) no Holder shall have the right or power to demand or receive property other than cash from the Partnership and (c) no Holder shall have priority over any other Holder as to the return of its Capital Contributions, distributions or allocations.

Section 13.5 *Notice of Dissolution*. In the event that a Liquidating Event occurs or an event occurs that would, but for an election or objection by one or more Partners pursuant to Section 13.1 hereof, result in a dissolution of the Partnership, the General Partner shall, within thirty (30) days thereafter, provide written notice thereof to each Holder and, in the General Partner's sole and absolute discretion or as required by the Act, to all other parties with whom the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner), and the General Partner may, or, if required by the Act, shall, publish notice thereof in a newspaper of general circulation in each place in which the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner).

Section 13.6 *Cancellation of Certificate of Limited Partnership*. Upon the completion of the liquidation of the Partnership cash and property as provided in Section 13.2 hereof, the Partnership shall be terminated, a certificate of cancellation shall be filed with the SDAT, all qualifications of the Partnership as a foreign limited partnership or association in jurisdictions other than the State of Maryland shall be cancelled, and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 13.7 *Reasonable Time for Winding-Up*. A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Partnership and the liquidation of its assets pursuant to Section 13.2 hereof, in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between and among the Partners during the period of liquidation; *provided, however*, reasonable efforts shall be made to complete such winding-up within twenty-four (24) months after the adoption of a plan of liquidation of the General Partner, as provided in Section 562(b)(2)(B) of the Code, if necessary, in the sole and absolute discretion of the General Partner.

ARTICLE 14
PROCEDURES FOR ACTIONS AND CONSENTS
OF PARTNERS; AMENDMENTS; MEETINGS

Section 14.1 *Procedures for Actions and Consents of Partners*. The actions requiring Consent of any Partner or Partners pursuant to this Agreement, including Section 7.3 hereof, or otherwise pursuant to applicable law, are subject to the procedures set forth in this Article 14.

Section 14.2 *Amendments*. Amendments to this Agreement may be proposed by the General Partner or by Limited Partners holding twenty-five percent (25%) or more of the Partnership Interests held by Limited Partners and, except as set forth in Section 7.3.B and Section 7.3.C and subject to Section 7.3.D, Section 16.10 and the rights of any Holder of Partnership Interest set forth in a Partnership Unit Designation, shall be approved by the Consent of the Partners. Following such proposal, the General Partner shall submit to the Partners entitled to vote thereon any proposed amendment that, pursuant to the terms of this Agreement, requires the consent, approval or vote of such Partners. The General Partner shall seek the consent, approval or vote of the Partners entitled to vote thereon on any such proposed amendment in accordance with Section 14.3 hereof.

Section 14.3 *Actions and Consents of the Partners*.

A. Meetings of the Partners may be called only by the General Partner to transact any business that the General Partner determines. The call shall state the nature of the business to be transacted. Notice of any such meeting shall be given to all Partners entitled to act at the meeting not less than seven (7) days nor more than sixty (60) days prior to the date of such meeting. Partners may vote in person or by proxy at such meeting. Unless approval by a different number or proportion of the Partners is required by this Agreement (including without limitation Section 11.2.D), the affirmative vote of Partners holding a majority of the Percentage Interests held by the Partners entitled to act on any proposal shall be sufficient to approve such proposal at a meeting of the Partners. Whenever the vote, consent or approval of Partners is permitted or required under this Agreement, such vote, consent or approval may be given at a meeting of Partners or may be given at a meeting of Partners or in accordance with the procedure prescribed in Section 14.3.B hereof.

B. Any action requiring the Consent of any Partner or group of Partners pursuant to this Agreement or that is required or permitted to be taken at a meeting of the Partners may be taken without a meeting if a consent in writing or by electronic transmission setting forth the action so taken or consented to is given by Partners whose affirmative vote would be sufficient to approve such action or provide such Consent at a meeting of the Partners. Such consent may be in one instrument or in several instruments, and shall have the same force and effect as the affirmative vote of such Partners at a meeting of the Partners. Such consent shall be filed with the General Partner. An action so taken shall be deemed to have been taken at a meeting held on the effective date so certified. For purposes of obtaining a Consent in writing or by electronic transmission, the General Partner may require a response within a reasonable specified time, but not less than fifteen (15) days, and failure to respond in such time period shall constitute a Consent that is consistent with the General Partner’s recommendation with respect to the

proposal; *provided, however*, that an action shall become effective at such time as requisite Consents are received even if prior to such specified time.

C. Each Partner entitled to act at a meeting of the Partners may authorize any Person or Persons to act for it by proxy on all matters in which a Partner is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Each proxy must be signed by the Partner or its attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy (or there is receipt of a proxy authorizing a later date). Every proxy shall be revocable at the pleasure of the Partner executing it, such revocation to be effective upon the Partnership's receipt of written notice of such revocation from the Partner executing such proxy, unless such proxy states that it is irrevocable and is coupled with an interest.

D. The General Partner may set, in advance, a record date for the purpose of determining the Partners (i) entitled to Consent to any action, (ii) entitled to receive notice of or vote at any meeting of the Partners or (iii) in order to make a determination of Partners for any other proper purpose. Such date, in any case, (x) shall not be prior to the close of business on the day the record date is fixed and shall be not more than ninety (90) days and, in the case of a meeting of the Partners, not less than five (5) days, before the date on which the meeting is to be held or Consent is to be given and (y) shall be, with respect to the determination of the existence of Partnership Approval, the record date established by the General Partner for the approval of its stockholders for the event constituting a General Partner Interest Transfer. If no record date is fixed, the record date for the determination of Partners entitled to notice of or to vote at a meeting of the Partners shall be at the close of business on the day on which the notice of the meeting is sent, and the record date for any other determination of Partners shall be the effective date of such Partner action, distribution or other event. When a determination of the Partners entitled to vote at any meeting of the Partners has been made as provided in this section, such determination shall apply to any adjournment thereof.

E. Each meeting of Partners shall be conducted by the General Partner or such other Person as the General Partner may appoint pursuant to such rules for the conduct of the meeting as the General Partner or such other Person deems appropriate in its sole and absolute discretion. Without limitation, meetings of Partners may be conducted in the same manner as meetings of the General Partner's stockholders and may be held at the same time as, and as part of, the meetings of the General Partner's stockholders.

ARTICLE 15
GENERAL PROVISIONS

Section 15.1 *Redemption Rights of Qualifying Parties*.

A. After the applicable Fourteen-Month Period, a Qualifying Party shall have the right (subject to the terms and conditions set forth herein) to require the Partnership to redeem all or a portion of the Partnership Common Units held by such Tendering Party (Partnership Common Units that have in fact been tendered for redemption being hereafter referred to as "*Tendered Units")* in exchange (a "*Redemption*") for the Cash Amount payable on the Specified Redemption Date. The Partnership may, in the General Partner's sole and absolute discretion,

redeem Tendered Units at the request of the Holder thereof prior to the end of the applicable Fourteen-Month Period (subject to the terms and conditions set forth herein) (a "*Special Redemption*"); *provided, however*, that the General Partner first receives a legal opinion to the same effect as the legal opinion described in Section 15.1.G of this Agreement. Any Redemption shall be exercised pursuant to a Notice of Redemption delivered to the General Partner by the Qualifying Party when exercising the Redemption right (the "*Tendering Party*"). The Partnership's obligation to effect a Redemption, however, shall not arise or be binding against the Partnership until the earlier of (i) the date the General Partner notifies the Tendering Party that the General Partner declines to acquire some or all of the Tendered Units under Section 15.1.B hereof following receipt of a Notice of Redemption and (ii) the Business Day following the Cut-Off Date. In the event of a Redemption, the Cash Amount shall be delivered as a certified or bank check payable to the Tendering Party or, in the General Partner's sole and absolute discretion, in immediately available funds, in each case, on or before the tenth (10th) Business Day following the date on which the General Partner receives a Notice of Redemption from the Tendering Party.

B. Notwithstanding the provisions of Section 15.1.A hereof, on or before the close of business on the Cut-Off Date, the General Partner may, in the General Partner's sole and absolute discretion but subject to the Ownership Limit, elect to acquire some or all of the Tendered Units from the Tendering Party in exchange for REIT Shares (the percentage of such Tendered Units to be acquired by the General Partner in exchange for REIT Shares being referred to as the "*Applicable Percentage*"). If the General Partner elects to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the General Partner shall give written notice thereof to the Tendering Party on or before the close of business on the Cut-Off Date. If the General Partner elects to acquire any of the Tendered Units for REIT Shares, the General Partner shall issue and deliver such REIT Shares to the Tendering Party pursuant to the terms of this Section 15.1.B, in which case (1) the General Partner shall assume directly the obligation with respect thereto and shall satisfy the Tendering Party's exercise of its Redemption right with respect to such Tendered Units and (2) such transaction shall be treated, for federal income tax purposes, as a transfer by the Tendering Party of such Tendered Units to the General Partner in exchange for the REIT Shares Amount. If the General Partner so elects, on the Specified Redemption Date, the Tendering Party shall sell such number of the Tendered Units to the General Partner in exchange for a number of REIT Shares equal to the product of the REIT Shares Amount and the Applicable Percentage. The Tendering Party shall submit (i) such information, certification or affidavit as the General Partner may reasonably require in connection with the application of the Ownership Limit to any such acquisition and (ii) such written representations, investment letters, legal opinions or other instruments necessary, in the General Partner's view, to effect compliance with the Securities Act. In the event of a purchase of the Tendered Units by the General Partner pursuant to this Section 15.1.B, the Tendering Party shall no longer have the right to cause the Partnership to effect a Redemption of such Tendered Units and, upon notice to the Tendering Party by the General Partner given on or before the close of business on the Cut-Off Date that the General Partner has elected to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the obligation of the Partnership to effect a Redemption of the Tendered Units as to which the General Partner's notice relates shall not accrue or arise. A number of REIT Shares equal to the product of the Applicable Percentage and the REIT Shares Amount, if applicable, shall be delivered by the General Partner as duly authorized, validly issued, fully paid and non-assessable REIT Shares and, if applicable, Rights, free of any pledge, lien, encumbrance or

restriction, other than the Ownership Limit, the Securities Act and relevant state securities or "blue sky" laws. Neither any Tendering Party whose Tendered Units are acquired by the General Partner pursuant to this Section 15.1.B, any Partner, any Assignee nor any other interested Person shall have any right to require or cause the General Partner to register, qualify or list any REIT Shares owned or held by such Person, whether or not such REIT Shares are issued pursuant to this Section 15.1.B, with the SEC, with any state securities commissioner, department or agency, under the Securities Act or the Exchange Act or with any stock exchange; *provided*, *however*, that this limitation shall not be in derogation of any registration or similar rights granted pursuant to any other written agreement between the General Partner and any such Person. Notwithstanding any delay in such delivery, the Tendering Party shall be deemed the owner of such REIT Shares and Rights for all purposes, including, without limitation, rights to vote or consent, receive dividends, and exercise rights, as of the Specified Redemption Date. REIT Shares issued upon an acquisition of the Tendered Units by the General Partner pursuant to this Section 15.1.B may contain such legends regarding restrictions under the Securities Act and applicable state securities laws as the General Partner determines to be necessary or advisable in order to ensure compliance with such laws.

C. Notwithstanding the provisions of Section 15.1.A and 15.1.B hereof, the Tendering Parties shall have no rights under this Agreement that would otherwise be prohibited by the Charter. To the extent that any attempted Redemption or acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof would be in violation of this Section 15.1.C, it shall be null and void *ab initio*, and the Tendering Party shall not acquire any rights or economic interests in REIT Shares otherwise issuable by the General Partner under Section 15.1.B hereof or cash otherwise payable under Section 15.1.A hereof.

D. If the General Partner does not elect to acquire the Tendered Units pursuant to Section 15.1.B hereof:

(1) The Partnership may elect to raise funds for the payment of the Cash Amount either (a) by requiring that the General Partner contribute to the Partnership funds from the proceeds of a registered public offering by the General Partner of REIT Shares sufficient to purchase the Tendered Units or (b) from any other sources (including, but not limited to, the sale of any Property and the incurrence of additional Debt) available to the Partnership. The General Partner shall make a Capital Contribution of any such amounts to the Partnership for an additional General Partner Interest. Any such contribution shall entitle the General Partner to an equitable Percentage Interest adjustment.

(2) If the Cash Amount is not paid on or before the Specified Redemption Date, interest shall accrue with respect to the Cash Amount from the day after the Specified Redemption Date to and including the date on which the Cash Amount is paid at a rate equal to the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate).

E. Notwithstanding the provisions of Section 15.1.B hereof, the General Partner shall not, under any circumstances, elect to acquire any Tendered Units in exchange for REIT Shares if such exchange would be prohibited under the Charter.

F. Notwithstanding anything herein to the contrary (but subject to Section 15.1.C hereof), with respect to any Redemption (or any tender of Partnership Common Units for Redemption if the Tendered Units are acquired by the General Partner pursuant to Section 15.1.B hereof) pursuant to this Section 15.1:

(1) All Partnership Common Units acquired by the General Partner pursuant to Section 15.1.B hereof shall automatically, and without further action required, be converted into and deemed to be a General Partner Interest comprised of the same number of Partnership Common Units.

(2) Subject to the Ownership Limit, no Tendering Party may effect a Redemption for less than one thousand (1,000) Partnership Common Units or, if such Tendering Party holds (as a Limited Partner or, economically, as an Assignee) less than one thousand (1,000) Partnership Common Units, all of the Partnership Common Units held by such Tendering Party, without, in each case, the Consent of the General Partner.

(3) If (i) a Tendering Party surrenders its Tendered Units during the period after the Partnership Record Date with respect to a distribution and before the record date established by the General Partner for a distribution to its stockholders of some or all of its portion of such Partnership distribution, and (ii) the General Partner elects to acquire any of such Tendered Units in exchange for REIT Shares pursuant to Section 15.1.B, such Tendering Party shall pay to the General Partner on the Specified Redemption Date an amount in cash equal to the portion of the Partnership distribution in respect of the Tendered Units exchanged for REIT Shares, insofar as such distribution relates to the same period for which such Tendering Party would receive a distribution in respect of such REIT Shares.

(4) The consummation of such Redemption (or an acquisition of Tendered Units by the General Partner pursuant to Section 15.1.B hereof, as the case may be) shall be subject to the expiration or termination of the applicable waiting period, if any, under the Hart-Scott-Rodino Act.

(5) The Tendering Party shall continue to own (subject, in the case of an Assignee, to the provisions of Section 11.5 hereof) all Partnership Common Units subject to any Redemption, and be treated as a Limited Partner or an Assignee, as applicable, with respect to such Partnership Common Units for all purposes of this Agreement, until such Partnership Common Units are either paid for by the Partnership pursuant to Section 15.1.A hereof or transferred to the General Partner and paid for, by the issuance of the REIT Shares, pursuant to Section 15.1.B hereof on the Specified Redemption Date. Until a Specified Redemption Date and an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, the Tendering Party shall have no rights as a stockholder of the General Partner with respect to the REIT Shares issuable in connection with such acquisition.

G. In connection with an exercise of Redemption rights pursuant to this Section 15.1, except as otherwise Consented to by the General Partner, the Tendering Party shall submit the following to the General Partner, in addition to the Notice of Redemption:

(1) A written affidavit, dated the same date as the Notice of Redemption, (a) disclosing the actual and constructive ownership, as determined for purposes of Code Sections 856(a)(6) and 856(h), of REIT Shares by (i) such Tendering Party and (ii) to the best of their knowledge any Related Party and (b) representing that, after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party will own REIT Shares in violation of the Ownership Limit;

(2) A written representation that neither the Tendering Party nor to the best of their knowledge any Related Party has any intention to acquire any additional REIT Shares prior to the closing of the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date; and

(3) An undertaking to certify, at and as a condition to the closing of (i) the Redemption or (ii) the acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date, that either (a) the actual and constructive ownership of REIT Shares by the Tendering Party and to the best of their knowledge any Related Party remain unchanged from that disclosed in the affidavit required by Section 15.1.G(1) or (b) after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party shall own REIT Shares in violation of the Ownership Limit.

(4) In connection with any Special Redemption, the General Partner shall have the right to receive an opinion of counsel reasonably satisfactory to it to the effect that the proposed Special Redemption will not cause the Partnership or the General Partner to violate any Federal or state securities laws or regulations applicable to the Special Redemption, the issuance and sale of the Tendered Units to the Tendering Party or the issuance and sale of REIT Shares to the Tendering Party pursuant to Section 15.1.B of this Agreement.

H. LTIP Unit Exception. Holders of LTIP Units shall not be entitled to the right of Redemption provided for in Section 15.1 of this Agreement, unless and until such LTIP Units have been converted into Partnership Common Units (or any other class or series of Partnership Units entitled to such right of Redemption) in accordance with their terms.

Section 15.2 *Addresses and Notice*. Any notice, demand, request or report required or permitted to be given or made to a Partner or Assignee under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by first class United States mail or by other means of written or electronic communication (including by telecopy, facsimile, electronic mail or commercial courier service) to the Partner, or Assignee at the address set forth in Exhibit A or Exhibit B (as applicable) or such other address of which the Partner shall notify the General Partner in accordance with this Section 15.2.

Section 15.3 *Titles and Captions*. All article or section titles or captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof. Except as

specifically provided otherwise, references to “Articles” or “Sections” are to Articles and Sections of this Agreement.

Section 15.4 *Pronouns and Plurals*. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa.

Section 15.5 *Further Action*. The parties shall execute and deliver all documents, provide all information and take or refrain from taking action as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 15.6 *Binding Effect*. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 15.7 *Waiver*.

A. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement or condition.

B. The restrictions, conditions and other limitations on the rights and benefits of the Limited Partners contained in this Agreement, and the duties, covenants and other requirements of performance or notice by the Limited Partners, are for the benefit of the Partnership and, except for an obligation to pay money to the Partnership, may be waived or relinquished by the General Partner, in its sole and absolute discretion, on behalf of the Partnership in one or more instances from time to time and at any time; *provided, however*, that any such waiver or relinquishment may not be made if it would have the effect of (i) creating liability for any other Limited Partner, (ii) causing the Partnership to cease to qualify as a limited partnership, (iii) reducing the amount of cash otherwise distributable to the Limited Partners (other than any such reduction that affects all of the Limited Partners holding the same class or series of Partnership Units on a uniform or pro rata basis, if approved by a Majority in Interest of the Partners holding such class or series of Partnership Units), (iv) resulting in the classification of the Partnership as an association or publicly traded partnership taxable as a corporation or (v) violating the Securities Act, the Exchange Act or any state “blue sky” or other securities laws; and *provided, further*, that any waiver relating to compliance with the Ownership Limit or other restrictions in the Charter shall be made and shall be effective only as provided in the Charter.

Section 15.8 *Counterparts*. This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 15.9 *Applicable Law; Consent to Jurisdiction; Waiver of Jury Trial*.

A. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Maryland, without regard to the principles of conflicts of law. In the

event of a conflict between any provision of this Agreement and any non-mandatory provision of the Act, the provisions of this Agreement shall control and take precedence.

B. Each Partner hereby (i) submits to the non-exclusive jurisdiction of any state or federal court sitting in the State of Maryland (collectively, the "*Maryland Courts*"), with respect to any dispute arising out of this Agreement or any transaction contemplated hereby to the extent such courts would have subject matter jurisdiction with respect to such dispute, (ii) irrevocably waives, and agrees not to assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of any of the Maryland Courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, or that the venue of the action is improper, (iii) agrees that notice or the service of process in any action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be properly served or delivered if delivered to such Partner at such Partner's last known address as set forth in the Partnership's books and records, and (iv) irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or related to this Agreement or the transactions contemplated hereby.

Section 15.10 *Entire Agreement*. This Agreement contains all of the understandings and agreements between and among the Partners with respect to the subject matter of this Agreement and the rights, interests and obligations of the Partners with respect to the Partnership. Notwithstanding the immediately preceding sentence, the Partners hereby acknowledge and agree that the General Partner, without the approval of any Limited Partner, may enter into side letters or similar written agreements with Limited Partners that are not Affiliates of the General Partner, executed contemporaneously with the admission of such Limited Partner to the Partnership, affecting the terms hereof, as negotiated with such Limited Partner and which the General Partner in its sole discretion deems necessary, desirable or appropriate. The parties hereto agree that any terms, conditions or provisions contained in such side letters or similar written agreements with a Limited Partner shall govern with respect to such Limited Partner notwithstanding the provisions of this Agreement.

Section 15.11 *Invalidity of Provisions*. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

Section 15.12 *Limitation to Preserve REIT Status*. Notwithstanding anything else in this Agreement, to the extent that the amount to be paid, credited, distributed or reimbursed by the Partnership to any REIT Partner or its officers, directors, employees or agents, whether as a reimbursement, fee, expense or indemnity (a "*REIT Payment*"), would constitute gross income to the REIT Partner for purposes of Code Section 856(c)(2) or Code Section 856(c)(3), then, notwithstanding any other provision of this Agreement, the amount of such REIT Payments, as selected by the General Partner in its discretion from among items of potential distribution, reimbursement, fees, expenses and indemnities, shall be reduced for any Partnership Year so that the REIT Payments, as so reduced, for or with respect to such REIT Partner shall not exceed the lesser of:

(i) an amount equal to the excess, if any, of (a) four and nine-tenths percent (4.9%) of the REIT Partner's total gross income (but excluding the amount of any REIT

Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(2) over (b) the amount of gross income (within the meaning of Code Section 856(c)(2)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(2) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code); or

(ii) an amount equal to the excess, if any, of (a) twenty-four percent (24%) of the REIT Partner's total gross income (but excluding the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(3) over (b) the amount of gross income (within the meaning of Code Section 856(c)(3)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(3) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code);

provided, however, that REIT Payments in excess of the amounts set forth in clauses (i) and (ii) above may be made if the General Partner, as a condition precedent, obtains an opinion of tax counsel that the receipt of such excess amounts should not adversely affect the REIT Partner's ability to qualify as a REIT. To the extent that REIT Payments may not be made in a Partnership Year as a consequence of the limitations set forth in this Section 15.12, such REIT Payments shall carry over and shall be treated as arising in the following Partnership Year if such carry over does not adversely affect the REIT Partner's ability to qualify as a REIT, provided, however, that any such REIT Payment shall not be carried over more than three Partnership Years, and any such remaining payments shall no longer be due and payable. The purpose of the limitations contained in this Section 15.12 is to prevent any REIT Partner from failing to qualify as a REIT under the Code by reason of such REIT Partner's share of items, including distributions, reimbursements, fees, expenses or indemnities, receivable directly or indirectly from the Partnership, and this Section 15.12 shall be interpreted and applied to effectuate such purpose.

Section 15.13 *No Partition*. No Partner nor any successor-in-interest to a Partner shall have the right while this Agreement remains in effect to have any property of the Partnership partitioned, or to file a complaint or institute any proceeding at law or in equity to have such property of the Partnership partitioned, and each Partner, on behalf of itself and its successors and assigns hereby waives any such right. It is the intention of the Partners that the rights of the parties hereto and their successors-in-interest to Partnership property, as among themselves, shall be governed by the terms of this Agreement, and that the rights of the Partners and their respective successors-in-interest shall be subject to the limitations and restrictions as set forth in this Agreement.

Section 15.14 *No Third-Party Rights Created Hereby*. The provisions of this Agreement are solely for the purpose of defining the interests of the Holders, inter se; and no other person, firm or entity (i.e., a party who is not a signatory hereto or a permitted successor to such signatory hereto) shall have any right, power, title or interest by way of subrogation or otherwise, in and to the rights, powers, title and provisions of this Agreement. No creditor or other third

party having dealings with the Partnership shall have the right to enforce the right or obligation of any Partner to make Capital Contributions or loans to the Partnership or to pursue any other right or remedy hereunder or at law or in equity. None of the rights or obligations of the Partners herein set forth to make Capital Contributions or loans to the Partnership shall be deemed an asset of the Partnership for any purpose by any creditor or other third party, nor may any such rights or obligations be sold, transferred or assigned by the Partnership or pledged or encumbered by the Partnership to secure any debt or other obligation of the Partnership or any of the Partners.

Section 15.15 *No Rights as Stockholders*. Nothing contained in this Agreement shall be construed as conferring upon the Holders of Partnership Units any rights whatsoever as stockholders of the General Partner, including without limitation any right to receive dividends or other distributions made to stockholders of the General Partner or to vote or to consent or receive notice as stockholders in respect of any meeting of stockholders for the election of directors of the General Partner or any other matter.

ARTICLE 16
LTIP UNITS

Section 16.1 *Designation*. A class of Partnership Units in the Partnership designated as the "*LTIP Units*" is hereby established. The number of LTIP Units that may be issued is not limited by this Agreement.

Section 16.2 *Vesting*.

A. *Vesting, Generally*. LTIP Units may, in the sole discretion of the General Partner, be issued subject to vesting, forfeiture and additional restrictions on Transfer pursuant to the terms of an award, vesting or other similar agreement (a "*Vesting Agreement*"). The terms of any Vesting Agreement may be modified by the General Partner from time to time in its sole discretion, subject to any restrictions on amendment imposed by the relevant Vesting Agreement or by the Plan, if applicable. LTIP Units that were fully vested when issued or that have vested and are no longer subject to forfeiture under the terms of a Vesting Agreement are referred to as "*Vested LTIP Units*"; all other LTIP Units shall be treated as "*Unvested LTIP Units*."

B. *Forfeiture*. Unless otherwise specified in the Vesting Agreement, the Plan or in any other applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, upon the occurrence of any event specified in such Vesting Agreement, Plan, Stock Option Plan, arrangement or program as resulting in either the right of the Partnership or the General Partner to repurchase LTIP Units at a specified purchase price or some other forfeiture of any LTIP Units, then if the Partnership or the General Partner exercises such right to repurchase or upon the occurrence of the event causing forfeiture in accordance with the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, then the relevant LTIP Units shall immediately, and without any further action, be treated as cancelled and no longer outstanding for any purpose. Unless otherwise specified in the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, no consideration or other payment shall be due with respect to any LTIP Units that have been forfeited, other than any distributions declared with respect to a Partnership Record Date and

with respect to such units prior to the effective date of the forfeiture. Except as otherwise provided in this Agreement (including without limitation Section 6.4.A(ix)) or any agreement relating to the grant of LTIP Units, in connection with any repurchase or forfeiture of such units, the balance of the portion of the Capital Account of the Holder of LTIP Units that is attributable to all of his or her LTIP Units shall be reduced by the amount, if any, by which it exceeds the target balance contemplated by Section 6.2.D, calculated with respect to such Holder's remaining LTIP Units, if any.

Section 16.3 *Adjustments*. The Partnership shall maintain at all times a one-to-one correspondence between LTIP Units and Partnership Common Units for conversion, distribution and other purposes, including without limitation complying with the following procedures; provided, that the foregoing is not intended to alter the special allocations pursuant to Section 6.2.D, differences between distributions to be made with respect to LTIP Units and Partnership Common Units pursuant to Section 13.2 and Section 16.4.B hereof in the event that the Capital Accounts attributable to the LTIP Units are less than those attributable to Partnership Common Units due to insufficient special allocation pursuant to Section 6.2.D or related provisions. If an Adjustment Event occurs, then the General Partner shall take any action reasonably necessary, including any amendment to this Agreement or Exhibit A hereto adjusting the number of outstanding LTIP Units or subdividing or combining outstanding LTIP Units, to maintain a one-for-one conversion and economic equivalence ratio between Partnership Common Units and LTIP Units. The following shall be "*Adjustment Events*": (i) the Partnership makes a distribution on all outstanding Partnership Common Units in Partnership Units, (ii) the Partnership subdivides the outstanding Partnership Common Units into a greater number of units or combines the outstanding Partnership Common Units into a smaller number of units, or (iii) the Partnership issues any Partnership Units in exchange for its outstanding Partnership Common Units by way of a reclassification or recapitalization of its Partnership Common Units. If more than one Adjustment Event occurs, any adjustment to the LTIP Units need be made only once using a single formula that takes into account each and every Adjustment Event as if all Adjustment Events occurred simultaneously. For the avoidance of doubt, the following shall not be Adjustment Events: (x) the issuance of Partnership Units in a financing, reorganization, acquisition or other similar business transaction, (y) the issuance of Partnership Units pursuant to any employee benefit or compensation plan or distribution reinvestment plan, or (z) the issuance of any Partnership Units to the General Partner in respect of a Capital Contribution to the Partnership of proceeds from the sale of securities by the General Partner. If the Partnership takes an action affecting the Partnership Common Units other than actions specifically described above as "Adjustment Events" and in the opinion of the General Partner such action would require action to maintain the one-to-one correspondence described above, the General Partner shall have the right to take such action, to the extent permitted by law, the Plan and by any applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, in such manner and at such time as the General Partner, in its sole discretion, may determine to be reasonably appropriate under the circumstances. If an amendment is made to this Agreement adjusting the number of outstanding LTIP Units as herein provided, the Partnership shall promptly file in the books and records of the Partnership an officer's certificate setting forth a brief statement of the facts requiring such adjustment, which certificate shall be conclusive evidence of the correctness of such adjustment absent manifest error. Promptly after filing of such certificate, the Partnership shall mail a notice to each LTIP

Unit Limited Partner setting forth the adjustment to his or her LTIP Units and the effective date of such adjustment.

Section 16.4 *Distributions*.

A. *Operating Distributions*. Except as otherwise provided in this Agreement, the Plan or any other applicable Stock Option Plan, any applicable Vesting Agreement or by the General Partner with respect to any particular class or series of LTIP Units, Holders of LTIP Units shall be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, regular, special, extraordinary or other distributions (other than distributions upon the occurrence of a Liquidating Event or proceeds from a Terminating Capital Transaction) which may be made from time to time, in an amount per unit equal to the amount of any such distributions that would have been payable to such holders if the LTIP Units had been Partnership Common Units (if applicable, assuming such LTIP Units were held for the entire period to which such distributions relate).

B. *Liquidating Distributions*. Holders of LTIP Units shall also be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, distributions upon the occurrence of a Liquidating Event or representing proceeds from a Terminating Capital Transaction in an amount per LTIP Unit equal to the amount of any such distributions payable on one Partnership Common Unit, whether made prior to, on or after the LTIP Unit Distribution Participation Date; provided that the amount of such distributions shall not exceed the positive balances of the Capital Accounts of the holders of such LTIP Units to the extent attributable to the ownership of such LTIP Units.

C. *Distributions Generally*. Distributions on the LTIP Units, if authorized, shall be payable on such dates and in such manner as may be authorized by the General Partner (any such date, an "*LTIP Unit Distribution Participation Date*"); provided that the LTIP Unit Distribution Participation Date shall be the same as the corresponding date relating to the corresponding distribution on the Partnership Common Units. The record date for determining which Holders of LTIP Units are entitled to receive a distributions shall be the corresponding Partnership Record Date.

Section 16.5 *Allocations*. Holders of LTIP Units shall be allocated Net Income and Net Loss in amounts per LTIP Unit equal to the amounts allocated per Partnership Common Unit. The allocations provided by the preceding sentence shall be subject to Sections 6.2.A and 6.2.B and in addition to any special allocations required by Section 6.2.D. The General Partner is authorized in its discretion to delay or accelerate the participation of the LTIP Units in allocations of Net Income and Net Loss under this Section 16.5, or to adjust the allocations made under this Section 16.5, so that the ratio of (i) the total amount of Net Income or Net Loss allocated with respect to each LTIP Unit in the taxable year in which that LTIP Unit's LTIP Unit Distribution Participation Date falls (excluding special allocations under Section 6.2.D), to (ii) the total amount distributed to that LTIP Unit with respect to such period, is more nearly equal to the ratio of (i) the Net Income and Net Loss allocated with respect to the General Partner's Partnership Common Units in such taxable year to (ii) the amounts distributed to the General Partner with respect to such Partnership Common Units and such taxable year.

Section 16.6 *Transfers*. Subject to the terms of any Vesting Agreement, an LTIP Unit Limited Partner shall be entitled to transfer his or her LTIP Units to the same extent, and subject to the same restrictions as Holders of Partnership Common Units are entitled to transfer their Partnership Common Units pursuant to Article 11.

Section 16.7 *Redemption*. The Redemption Right provided to Qualifying Parties under Section 15.1 shall not apply with respect to LTIP Units unless and until they are converted to Partnership Common Units as provided in Section 16.9 below.

Section 16.8 *Legend*. Any certificate evidencing an LTIP Unit shall bear an appropriate legend indicating that additional terms, conditions and restrictions on transfer, including without limitation any Vesting Agreement, apply to the LTIP Unit.

Section 16.9 *Conversion to Partnership Common Units*.

A. A Qualifying Party holding LTIP Units shall have the right (the "*Conversion Right*"), at his or her option, at any time to convert all or a portion of his or her Vested LTIP Units into Partnership Common Units; provided, however, that a Qualifying Party may not exercise the Conversion Right for less than one thousand (1,000) Vested LTIP Units or, if such Qualifying Party holds less than one thousand (1,000) Vested LTIP Units, all of the Vested LTIP Units held by such Qualifying Party. Qualifying Parties shall not have the right to convert Unvested LTIP Units into Partnership Common Units until they become Vested LTIP Units; *provided*, *however*, that when a Qualifying Party is notified of the expected occurrence of an event that will cause his or her Unvested LTIP Units to become Vested LTIP Units, such Qualifying Party may give the Partnership a Conversion Notice conditioned upon and effective as of the time of vesting and such Conversion Notice, unless subsequently revoked by the Qualifying Party, shall be accepted by the Partnership subject to such condition. In all cases, the conversion of any LTIP Units into Partnership Common Units shall be subject to the conditions and procedures set forth in this Section 16.9.

B. A Qualifying Party may convert his or her Vested LTIP Units into an equal number of fully paid and non-assessable Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3. Notwithstanding the foregoing, in no event may a Qualifying Party convert a number of Vested LTIP Units that exceeds (x) the Economic Capital Account Balance of such Limited Partner, to the extent attributable to his or her ownership of LTIP Units, divided by (y) the Common Unit Economic Balance, in each case as determined as of the effective date of conversion (the "*Capital Account Limitation*"). In order to exercise his or her Conversion Right, a Qualifying Party shall deliver a notice (a "*Conversion Notice*") in the form attached as Exhibit D to the Partnership (with a copy to the General Partner) not less than 3 nor more than 10 days prior to a date (the "*Conversion Date*") specified in such Conversion Notice; *provided*, *however*, that if the General Partner has not given to the Qualifying Party notice of a proposed or upcoming Transaction (as defined below) at least thirty (30) days prior to the effective date of such Transaction, then the Qualifying Party shall have the right to deliver a Conversion Notice until the earlier of (x) the tenth (10th) day after such notice from the General Partner of a Transaction or (y) the third business day immediately preceding the effective date of such Transaction. A Conversion Notice shall be provided in the manner provided in Section 15.2. Each Qualifying Party seeking to convert Vested LTIP Units

covenants and agrees with the Partnership that all Vested LTIP Units to be converted pursuant to this Section 16.9 shall be free and clear of all liens. Notwithstanding anything herein to the contrary, if the Fourteen-Month Period with respect to the Partnership Common Units into which the Vested LTIP Units are convertible has elapsed, a Qualifying Party may deliver a Notice of Redemption pursuant to Section 15.1.A relating to such Partnership Common Units in advance of the Conversion Date; *provided*, *however*, that the redemption of such Partnership Common Units by the Partnership shall in no event take place until on or after the Conversion Date. For clarity, it is noted that the objective of this paragraph is to put a Qualifying Party in a position where, if he or she so wishes, the Partnership Common Units into which his or her Vested LTIP Units will be converted can be redeemed by the Partnership pursuant to Section 15.1.A simultaneously with such conversion, with the further consequence that, if the General Partner elects to assume the Partnership's redemption obligation with respect to such Partnership Common Units under Section 15.1.B by delivering to such Qualifying Party REIT Shares rather than cash, then such Qualifying Party can have such REIT Shares issued to him or her simultaneously with the conversion of his or her Vested LTIP Units into Partnership Common Units. The General Partner shall cooperate with a Qualifying Party to coordinate the timing of the different events described in the foregoing sentence.

C. The Partnership, at any time at the election of the General Partner, may cause any number of Vested LTIP Units to be converted (a "*Forced Conversion*") into an equal number of Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3; *provided*, *however*, that the Partnership may not cause a Forced Conversion of any LTIP Units that would not at the time be eligible for conversion at the option of a Qualifying Party pursuant to Section 16.9.B. In order to exercise its right of Forced Conversion, the Partnership shall deliver a notice (a "*Forced Conversion Notice*") in the form attached hereto as Exhibit E to the applicable Holder of LTIP Units not less than 10 nor more than 60 days prior to the Conversion Date specified in such Forced Conversion Notice. A Forced Conversion Notice shall be provided in the manner provided in Section 15.2.

D. A conversion of Vested LTIP Units for which the Holder thereof has given a Conversion Notice or the Partnership has given a Forced Conversion Notice shall occur automatically after the close of business on the applicable Conversion Date without any action on the part of such Holder of LTIP Units other than the surrender of any certificate or certificates evidencing such Vested LTIP Units, as of which time such Holder of LTIP Units shall be credited on the books and records of the Partnership as of the opening of business on the next day with the number of Partnership Common Units into which such LTIP Units were converted. After the conversion of LTIP Units as aforesaid, the Partnership shall deliver to such Holder of LTIP Units, upon his or her written request, a certificate of the General Partner certifying the number of Partnership Common Units and remaining LTIP Units, if any, held by such person immediately after such conversion. The Assignee of any Limited Partner pursuant to Article 11 hereof may exercise the rights of such Limited Partner pursuant to this Section 16.9 and such Limited Partner shall be bound by the exercise of such rights by the Assignee.

E. For purposes of making future allocations under Section 6.2.D and applying the Capital Account Limitation, the portion of the Economic Capital Account Balance of the applicable Holder of LTIP Units that is treated as attributable to his or her LTIP Units shall be

reduced, as of the date of conversion, by the product of the number of LTIP Units converted and the Common Unit Economic Balance.

F. If the Partnership or the General Partner shall be a party to any transaction (including without limitation a merger, consolidation, unit exchange, self tender offer for all or substantially all Partnership Common Units or other business combination or reorganization, or sale of all or substantially all of the Partnership's assets, but excluding any transaction which constitutes an Adjustment Event) in each case as a result of which Partnership Common Units shall be exchanged for or converted into the right, or the Holders shall otherwise be entitled, to receive cash, securities or other property or any combination thereof (each of the foregoing being referred to herein as a "*Transaction*"), then the General Partner shall, immediately prior to the Transaction, exercise its right to cause a Forced Conversion with respect to the maximum number of LTIP Units then eligible for conversion, taking into account any allocations that occur in connection with the Transaction or that would occur in connection with the Transaction if the assets of the Partnership were sold at the Transaction price or, if applicable, at a value determined by the General Partner in good faith using the value attributed to the Partnership Common Units in the context of the Transaction (in which case the Conversion Date shall be the effective date of the Transaction). In anticipation of such Forced Conversion and the consummation of the Transaction, the Partnership shall use commercially reasonable efforts to cause each LTIP Unit Limited Partner to be afforded the right to receive in connection with such Transaction in consideration for the Partnership Common Units into which his or her LTIP Units will be converted the same kind and amount of cash, securities and other property (or any combination thereof) receivable upon the consummation of such Transaction by a Holder of the same number of Partnership Common Units, assuming such Holder is not a Person with which the Partnership consolidated or into which the Partnership merged or which merged into the Partnership or to which such sale or transfer was made, as the case may be (a "*Constituent Person*"), or an affiliate of a Constituent Person. In the event that Holders of Partnership Common Units have the opportunity to elect the form or type of consideration to be received upon consummation of the Transaction, prior to such Transaction the General Partner shall give prompt written notice to each LTIP Unit Limited Partner of such opportunity, and shall use commercially reasonable efforts to afford the LTIP Unit Limited Partner the right to elect, by written notice to the General Partner, the form or type of consideration to be received upon conversion of each LTIP Unit held by such Holder into Partnership Common Units in connection with such Transaction. If a LTIP Unit Limited Partner fails to make such an election, such Holder (and any of its transferees) shall receive upon conversion of each LTIP Unit held by him or her (or by any of his or her transferees) the same kind and amount of consideration that a Holder of Partnership Common Units would receive if such Holder of Partnership Common Units failed to make such an election. Subject to the rights of the Partnership and the General Partner under any Vesting Agreement and the relevant terms of the Plan or any other applicable Stock Option Plan, the Partnership shall use commercially reasonable effort to cause the terms of any Transaction to be consistent with the provisions of this Section 16.9.F and to enter into an agreement with the successor or purchasing entity, as the case may be, for the benefit of any LTIP Unit Limited Partner whose LTIP Units will not be converted into Partnership Common Units in connection with the Transaction that will (i) contain provisions enabling Qualifying Parties that remain outstanding after such Transaction to convert their LTIP Units into securities as comparable as reasonably possible under the circumstances to the Partnership Common Units and (ii) preserve as far as reasonably possible under the circumstances the distribution, special

allocation, conversion, and other rights set forth in the Agreement for the benefit of the LTIP Unit Limited Partners.

Section 16.10 *Voting*. LTIP Unit Limited Partners shall (a) have the same voting rights as Limited Partners holding Partnership Common Units, with the LTIP Unit Limited Partners voting together as a single class with the Partnership Common Units and having one vote per LTIP Unit; and (b) have the additional voting rights that are expressly set forth below, and Holders of LTIP Units shall not be entitled to approve, vote on or consent to any other matter. So long as any LTIP Units remain outstanding and except as provided in Section 16.3, the Partnership shall not, without the Consent of the Limited Partners holding a majority of the LTIP Units held by Limited Partners at the time (voting separately as a class), amend, alter or repeal, whether by merger, consolidation or otherwise, the provisions of the Agreement applicable to LTIP Units so as to materially and adversely affect any right, privilege or voting power of the LTIP Units or the LTIP Unit Limited Partners as such, unless such amendment, alteration, or repeal affects equally, ratably and proportionately the rights, privileges and voting powers of the Limited Partners holding Partnership Common Units; but subject, in any event, to the following provisions: (i) with respect to any Transaction, so long as the LTIP Units are treated in accordance with Section 16.9.F hereof, the consummation of such Transaction shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such; and (ii) any creation or issuance of any Partnership Units or of any class or series of Partnership Interest including without limitation additional Partnership Units or LTIP Units, whether ranking senior to, junior to, or on a parity with the LTIP Units with respect to distributions or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such. The foregoing voting provisions will not apply if, at or prior to the time when the action with respect to which such vote would otherwise be required will be effected, all outstanding LTIP Units shall have been converted or provision is made for such conversion to occur as of or prior to such time into Partnership Common Units.

Section 16.11 *Section 83 Safe Harbor*. Each Partner authorizes the General Partner to elect to apply the safe harbor (the "Section 83 Safe Harbor") set forth in proposed Regulations Section 1.83-3(l) and proposed IRS Revenue Procedure published in Notice 2005-43 (together, the "Proposed Section 83 Safe Harbor Regulation") (under which the fair market value of a Partnership Interest that is Transferred in connection with the performance of services is treated as being equal to the liquidation value of the interest) if such Proposed Section 83 Safe Harbor Regulation or similar Regulations are promulgated as a final or temporary Regulations. If the General Partner determines that the Partnership should make such election, the General Partner is hereby authorized to amend this Agreement without the consent of any other Partner to provide that (i) the Partnership is authorized and directed to elect the Section 83 Safe Harbor, (ii) the Partnership and each of its Partners (including any Person to whom a Partnership Interest, including an LTIP Unit, is Transferred in connection with the performance of services) will comply with all requirements of the Section 83 Safe Harbor with respect to all Partnership Interests Transferred in connection with the performance of services while such election remains in effect and (iii) the Partnership and each of its Partners will take all actions necessary, including providing the Partnership with any required information, to permit the Partnership to comply with the requirements set forth or referred to in the applicable Regulations for such

election to be effective until such time (if any) as the General Partner determines, in its sole discretion, that the Partnership should terminate such election. The General Partner is further authorized to amend this Agreement to modify Article 6 to the extent the General Partner determines in its discretion that such modification is necessary or desirable as a result of the issuance of any applicable law, Regulations, notice or ruling relating to the tax treatment of the transfer of a Partnership Interests in connection with the performance of services. Notwithstanding anything to the contrary in this Agreement, each Partner expressly confirms that it will be legally bound by any such amendment.

EXAMPLES REGARDING ADJUSTMENT FACTOR

For purposes of the following examples, it is assumed that (a) the Adjustment Factor in effect on [_____] is 1.0 and (b) on [_____] (the "*Partnership Record Date*" for purposes of these examples), prior to the events described in the examples, there are 100 REIT Shares issued and outstanding.

Example 1

On the Partnership Record Date, the General Partner declares a dividend on its outstanding REIT Shares in REIT Shares. The amount of the dividend is one REIT Share paid in respect of each REIT Share owned. Pursuant to Paragraph (i) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the stock dividend is declared, as follows:

1.0 * 200/100 = 2.0

Accordingly, the Adjustment Factor after the stock dividend is declared is 2.0.

Example 2

On the Partnership Record Date, the General Partner distributes options to purchase REIT Shares to all holders of its REIT Shares. The amount of the distribution is one option to acquire one REIT Share in respect of each REIT Share owned. The strike price is $4.00 a share. The Value of a REIT Share on the Partnership Record Date is $5.00 per share. Pursuant to Paragraph (ii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the options are distributed, as follows:

1.0 * (100 + 100)/(100 + [100 * $4.00/$5.00]) = 1.1111

Accordingly, the Adjustment Factor after the options are distributed is 1.1111. If the options expire or become no longer exercisable, then the retroactive adjustment specified in Paragraph (ii) of the definition of "Adjustment Factor" shall apply.

Example 3

On the Partnership Record Date, the General Partner distributes assets to all holders of its REIT Shares. The amount of the distribution is one asset with a fair market value (as determined by the General Partner) of $1.00 in respect of each REIT Share owned. It is also assumed that the assets do not relate to assets received by the General Partner pursuant to a pro rata distribution by the Partnership. The Value of a REIT Share on the Partnership Record Date is $5.00 a share. Pursuant to Paragraph (iii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the assets are distributed, as follows:

1.0 * $5.00/($5.00 - $1.00) = 1.25

Accordingly, the Adjustment Factor after the assets are distributed is 1.25.

ARTICLE I

CONTRIBUTION

Section 1.01 CONTRIBUTION TRANSACTION; ASSIGNMENT AND ASSUMPTION.

(a) At the Closing and subject to the terms and conditions contained in this Agreement, each Contributor hereby contributes, assigns, sets over, transfers, conveys and delivers to the Operating Partnership, absolutely and unconditionally and free and clear of all Liens (other than those arising under the partnership, limited liability company or similar agreement(s) of the applicable American Assets Entities (the "Organizational Documents")), all of its right, title and interest in and to its Contributed Interests, including all rights to indemnification in favor of such Contributor under the Organizational Documents; *provided*, that the Operating Partnership accepts the assignment by each Contributor and agrees to be bound by the terms of the Organizational Documents governing each Contributor's Contributed Interest and undertakes, assumes and agrees punctually and faithfully to perform, pay or discharge when due and otherwise in accordance with its terms, all agreements, covenants, conditions, obligations and liabilities of each Contributor in the applicable American Assets Entities with respect to each Contributor's Contributed Interest on or after the Closing Date.

(b) In accordance with the terms of the Organizational Documents governing each Contributor's Contributed Interest, this Agreement shall serve as notice to the partners, managers or members, as the case may be, of each of the applicable American Assets Entities of the transfer of each Contributor's Contributed Interest, and such partners, managers or members, as the case may be, of each of the applicable American Assets Entities consents to, and agrees and acknowledges that all requirements and conditions for such transfer and the admission of the Operating Partnership as a substituted partner or member have been satisfied or otherwise waived.

(c) All of the parties hereto agree that, as a result of the assignment and assumptions hereunder, for purposes of the Organizational Documents governing each Contributor's Contributed Interest, the Operating Partnership shall be a substituted limited partner or member, as the case may be, of the applicable American Assets Entity.

Section 1.02 CONSIDERATION.

(a) Under and subject to the terms and conditions set forth herein, as the result of an irrevocable election indicated on a Consent Form submitted by a Contributor, or as a result of the failure of a Contributor to submit a Consent Form, each Contributor is irrevocably bound to accept and entitled to receive, in consideration for the Contributed Interests contributed pursuant to this Agreement, a specified share of the aggregate pre-IPO equity value of the American Assets Entities in the form of the right to receive cash, REIT Shares and/or OP Units.

(b) At Closing, subject to the terms and conditions contained in this Agreement, in exchange for its Contributed Interests, each Contributor shall receive cash, OP Units and/or REIT Shares with an aggregate value equal to the portion of Equity Value represented by the Contributed Interests as set forth on Schedule I hereto (collectively referred to as the "Contribution Consideration").

Subject to Section 1.03, the amount of cash, number of OP Units and/or REIT Shares comprising the Contribution Consideration for each Contributed Interest shall be as follows:

(i) Cash. One hundred percent (100%) of the Allocated Share for each Contributed Interest held by a Contributor who is not an Accredited Investor shall be paid in cash.

(ii) OP Units. The Elected OP Unit Percentage of the Allocated Share for each Contributed Interest or portion thereof held by a Contributor who is an Accredited Investor shall be distributed in OP Units in the form of a number of OP Units equal to the applicable portion of such Allocated Share divided by the IPO Price; and

(iii) REIT Shares. The Elected REIT Shares Percentage of the Allocated Share for each Contributed Interest or portion thereof held by a Contributor who is an Accredited Investor shall be distributed in whole REIT Shares in the form of a number of REIT Shares equal to the applicable portion of such Allocated Share divided by the IPO Price; *provided*, that to the extent such distribution of REIT Shares to the Contributor would result in a violation of the restrictions on ownership and transfer set forth in Section 6.3 of the REIT's charter (the "Ownership Limits"), such Contributor shall receive (x) the maximum number of whole REIT Shares that would not result in such a violation of the Ownership Limits, and (y) that number of OP Units equal to the remaining number of REIT Shares not distributed as a result of the application of the foregoing clause (x).

(c) At Closing, each Contributor receiving OP Units in exchange for a Contributed Interest shall be admitted as a limited partner of the Operating Partnership. By executing and delivering this Agreement, each Contributor agrees and accepts all of the terms and conditions of the Operating Partnership Agreement and shall be deemed to have executed and delivered a counterpart signature page to the Operating Partnership Agreement.

Section 1.03 FRACTIONAL INTEREST. No fractional OP Units or REIT Shares shall be issued pursuant to this Agreement. None of the execution, delivery or performance of this Agreement, any agreement contemplated hereby between the parties to this Agreement and the transactions contemplated hereby between the parties to this Agreement does or will, with or without the giving of notice, lapse of time, or both, violate, conflict with, result in a breach of, or constitute a default under or give to others any right of termination, acceleration, cancellation or other right under, (A) the organizational documents of each Contributor which is a person other than a natural Person, (B) any agreement, document or instrument to which any Contributor is a party or by which a Contributor or its Contributed Interests are bound or (C) any term or provision of any judgment, order, writ, injunction, or decree binding on any Contributor (or its assets or properties), except, in the case of clause (B) or (C), any such breaches or defaults that would not, individually or in the aggregate, reasonably be expected to have a material adverse effect.

Section 4.06 TAXES. Except as set forth in Schedule 4.06, each Contributor has included all income, gain, loss, deduction or other Tax items in the Contributor's income Tax returns in a manner consistent with the Schedule K-1's received by such Contributor from each American Assets Entity, the interests of which are being contributed by Contributor.

Except as set forth in Schedule 4.08, to each Contributor's knowledge, there is no action, suit or proceeding pending or threatened against such Contributor affecting all or any portion of its Contributed Interests or such Contributor's ability to consummate the transactions contemplated hereby which, if adversely determined, would adversely affect such Contributor's ability to so consummate the transactions contemplated hereby. Each Contributor knows of no outstanding order, writ, injunction or decree of any Governmental Authority against or affecting all or any portion of such Contributor's Contributed Interests, which in any such case would impair such Contributor's ability to enter into and perform all of its obligations under this Agreement.

No attachments, execution proceedings, assignments for the benefit of creditors, insolvency, bankruptcy, reorganization or other proceedings are pending or, to such Contributor's knowledge, threatened against such Contributor, nor are any such proceedings contemplated by such Contributor.

Each Contributor acknowledges that the offering and issuance of the REIT Shares and/or OP Units to be acquired pursuant to this Agreement are intended to be exempt from registration under the Securities Act and that the REIT's and Operating Partnership's reliance on such exemptions is predicated in part on the accuracy and completeness of the representations and warranties of such Contributor contained herein and in such Contributor's Consent Form. In furtherance thereof, each Contributor represents and warrants to the Operating Partnership as follows:

(a) Each Contributor is an "accredited investor" (as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act).

(b) Each Contributor is acquiring the REIT Shares and/or OP Units solely for its own account for the purpose of investment and not as a nominee or agent for any other Person and not with a view to, or for offer or sale in connection with, any distribution of any thereof in violation of the securities Laws.

all information and documents about or pertaining to the Operating Partnership and the business and prospects of the Operating Partnership and the issuance of the REIT Shares and/or OP Units as such Contributor deems necessary or desirable, and has been given the opportunity to obtain any additional information or documents and to ask questions and receive answers about such information and documents, the REIT, the Operating Partnership and the business and prospects of the REIT and the Operating Partnership which such Contributor deems necessary or desirable to evaluate the merits and risks related to its investment in the REIT Shares and/or OP Units; and each Contributor understands and has taken cognizance of all risk factors related to the purchase of the REIT Shares and/or OP Units. Each Contributor is relying upon its own independent analysis and assessment (including with respect to taxes), and the advice of such Contributor's advisors (including tax advisors), and not upon that of the Operating Partnership or any of the Operating Partnership's Affiliates, for purposes of evaluating, entering into, and consummating the transactions contemplated hereby.

(d) Each Contributor acknowledges that (i) the OP Units are not redeemable or exchangeable for cash or REIT Shares for a minimum of 14 months after the date of issuance, and (ii) the REIT Shares and/or OP Units have not been registered under the Securities Act and, therefore, unless registered under the Securities Act or an exemption from registration is available, must be held (and the Contributor must continue to bear the economic risk of the investment in the REIT Shares and/or OP Units) indefinitely and may not be transferred or sold.

Section 4.11 NO OTHER REPRESENTATIONS OR WARRANTIES. Other than the representations and warranties expressly set forth in this Article IV and any other agreement entered into by such Contributor in connection with the Formation Transactions, each Contributor shall not be deemed to have made any other representation or warranty in connection with this Agreement or the transactions contemplated hereby.

Section 4.12 SURVIVAL OF REPRESENTATIONS AND WARRANTIES. The parties hereto agree and acknowledge that the representations and warranties set forth in this Article IV (other than Section 4.01, Section 4.02, Section 4.03, Section 4.07 and Section 4.10) shall not survive the Closing.

ARTICLE V

COVENANTS AND OTHER AGREEMENTS

Section 5.01 COVENANTS OF THE CONTRIBUTORS. From the date hereof through the Closing, except as otherwise provided for or as contemplated by this Agreement or the other applicable Formation Transaction Documentation, each Contributor shall not without the prior written consent of the Operating Partnership, which consent may be withheld by the Operating Partnership in its sole discretion:

(a) Sell, transfer or otherwise dispose, or agree to sell, transfer or otherwise dispose of, all or any portion of the Contributed Interests, or cause the sale, transfer or disposal of all or any portion of the Contributed Interests;

(b) Mortgage, pledge, hypothecate, encumber (or agree, permit or cause to become encumbered) all or any portion of the Contributed Interests;

(c) Cause the applicable American Assets Entity or its Subsidiaries to: file an entity classification election pursuant to Treasury Regulation Section 301.7701-3(c) on Internal Revenue Service Form 8832 (Entity Classification Election) to treat such American Assets Entity or any of its Subsidiaries as an association taxable as a corporation for United States federal income tax purposes; make or change any other Tax elections; settle or compromise any claim, notice, audit report or assessment in respect of Taxes; change any annual Tax accounting period; adopt or change any method of Tax accounting; file any amended Tax return; enter into any tax allocation agreement, tax sharing agreement, tax indemnity agreement or closing agreement relating to any Tax; surrender of any right to claim a Tax refund; or consent to any extension or waiver of the statute of limitations period applicable to any Tax claim or assessment; or

(d) Authorize or consent to, permit or cause any American Assets Entity to take, any of the actions prohibited by the Formation Transaction Documentation.

Section 5.02 COMMERCIALLY REASONABLE EFFORTS BY THE OPERATING PARTNERSHIP AND THE CONTRIBUTORS. Each of the Operating Partnership and each Contributor shall use commercially reasonable efforts and cooperate with each other in (i) promptly determining whether any filings are required to be made or consents, approvals, waivers, permits or authorizations are required to be obtained (under any applicable Law or regulation or from any Governmental Authority or third party) in connection with the transactions contemplated by this Agreement, and (ii) promptly making any such filings, in furnishing information required in connection therewith and in timely seeking to obtain any such consents, approvals, waivers, permits or authorizations.

Section 5.03 TAX MATTERS.

(a) So long as some portion of the Contribution Consideration with respect to the Contributed Interests is in the form of OP Units, the parties hereto intend and agree that, for United States federal income tax purposes, the contribution of such Contributed Interests shall constitute an "assets-over" partnership merger within the meaning of Treasury Regulations Section 1.708-1(c)(3)(i), and, as a result, that (i) any payment of cash or REIT Shares for the Contributed Interests shall be treated as a sale of such Contributed Interests by the holder and a purchase of such Contributed Interests by the Operating Partnership for the cash and/or REIT Shares so paid under the terms of this Agreement in accordance with Treasury Regulations Section 1.708-1(c)(4), and (ii) each such holder of the Contributed Interests who accepts cash and/or REIT Shares shall explicitly agree and consent (the "Sale Consent") to such treatment in their Consent Form as a condition to electing such consideration. To the extent the Operating Partnership acquires any Contributed Interests as described above, or previously acquired such interest, for United States federal income tax purposes the receipt by the Operating Partnership of the portion of property attributable to such Contributed Interests shall be treated as a distribution by applicable American Assets Entity in redemption of such Contributed Interests. Notwithstanding Section 1.02 and any holder's election as to the form of their Contribution Consideration, if any holder (other than a non-accredited investor), fails to execute a Sale Consent prior to the Closing, such holder's Contribution Consideration shall consist solely of OP Units. Any cash paid as the Contribution Consideration to a non-accredited investor for a Contributed Interest shall be paid only after the receipt of a Sale Consent from such holder.

(b) The Operating Partnership shall prepare or cause to be prepared and file or cause to be filed all income Tax returns of each American Assets Entity the Contributed Interests of which have been contributed pursuant to this agreement and any Subsidiary of such American Assets Entity which are due after the Closing Date. All such income Tax returns (including, for the avoidance of doubt, any amended Tax returns) shall be prepared in a manner consistent with past practice, except as otherwise required by applicable law. No later than ten (10) days prior to the due date (including extensions) for filing such income Tax returns, the Operating Partnership shall deliver such income Tax returns to American Assets, Inc. for its review and approval, which shall not be unreasonably withheld.

(c) The Operating Partnership shall prepare or cause to be prepared all other Tax returns of each American Assets Entity the Contributed Interests of which have been contributed pursuant to this agreement and any Subsidiary of such American Assets Entity.

(d) The REIT, the Operating Partnership and each Contributor shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax returns related to the transactions pursuant to this Agreement and any audit, litigation or administrative, judicial or other inquiry or proceeding with respect to Taxes related to the transactions pursuant to this Agreement. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information which are reasonably relevant to any such action or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The REIT, the Operating Partnership and each Contributor further agree, upon request, to use their reasonable efforts to obtain any certificate or other document from any governmental authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed with respect to the transactions contemplated hereby.

(e) Prior to Closing, each Contributor shall deliver to the Operating Partnership a properly executed certificate prepared in accordance with Treasury regulations section 1.1445-2(b) certifying such Contributor's non-foreign status, and if requested by the Operating Partnership, and any similar withholding certificates or other forms under applicable state, local or foreign Tax laws.

(f) The REIT and the Operating Partnership make no representations or warranties to the Contributors or to the American Assets Entities regarding the Tax treatment of the contributions pursuant to this Agreement or of the other Formation Transactions, or with respect to any other Tax consequences to any Contributor or any American Assets Entity of this Agreement or the other Formation Transactions. Each Contributor acknowledges that each American Assets Entity and each Contributor are relying solely on their own Tax advisors in connection with this Agreement and the other Formation Transactions.

Section 5.04 CONSENT AND WAIVER OF RIGHTS UNDER ORGANIZATIONAL DOCUMENTS. As of the Closing, each Contributor waives and relinquishes all rights and benefits otherwise afforded to the Contributor (a) under the Organizational Documents of the

applicable American Assets Entity including, without limitation, any rights of appraisal, rights of first offer or first refusal, buy/sell agreements, put, option, or similar parallel exit or dissenter rights in connection with the Formation Transactions and the IPO, and any right to consent to or approve of the sale or contribution or other transaction undertaken by the other equity holders of the applicable American Assets Entity of their Contributed Interests to the Operating Partnership, the REIT or any direct or indirect subsidiary thereof and any and all notice provisions related thereto, (b) to the extent permissible under applicable Laws, any statutory rights with respect to the Contributed Interests or the applicable American Assets Entity and (c) for claims against the REIT or the Operating Partnership for breach by any Contributor or any of their respective present or former officers, directors, managing members, general partners or Affiliates of their fiduciary duties or similar obligations (including duties of disclosure) to any of their respective present or former shareholders, members, partners, equity interest holders or Affiliates or the terms of the applicable Organizational Documents. With respect to each American Assets Entity and each Property in which a Contributed Interest of the Contributor represents a direct or indirect interest, each Contributor expressly gives all consents (and any consents necessary to authorize the proper parties in interest to give all consents) and waivers it is entitled to give that are necessary or desirable to facilitate the contribution or other Formation Transactions relating to such American Assets Entity or property. In addition, if the transactions contemplated hereby occur, this Agreement shall be deemed to be an amendment to the Organizational Documents of the applicable American Assets Entity to the extent the terms herein conflict with the terms thereof, including without limitation, terms with respect to allocations, distributions and the like. In the event the transactions contemplated by this Agreement do not occur, nothing in this Agreement shall be deemed to be or construed as an amendment or modification of, or commitment of any kind to amend or modify, the Organizational Documents of the applicable American Assets Entity, which shall remain in full force and effect without modification.

Section 5.06 ALTERNATE TRANSACTION. In the event that the Operating Partnership determines that a structure change is necessary, advisable or desirable, the Operating Partnership may elect, in its sole and absolute discretion, to effect the Alternate Transaction, without the need for the Operating Partnership to seek any further consent or action from any Contributor, and each Contributor shall, and it shall cause its stockholders, members or partners, as applicable, and Subsidiaries to, enter into such agreements as shall be necessary to consummate the Alternate Transaction.

Section 5.07 EXCLUSION OF INTERESTS. (b) If to the Contributor, to the address set forth opposite such Contributor's name on Schedule I hereto.

Section 6.02 DEFINITIONS. For purposes of this Agreement, the following terms shall have the following meanings.

(a) "Accredited Investor" has the meaning set forth under Regulation D of the Securities Act.

(b) "Affiliate" means, with respect to any Person, a Person that, directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the specified Person. For the purposes of this definition, "control" (including, with correlative meanings, the terms "controlled by" and "under common control with") as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise.

(c) "Allocated Share" means the amount that would be allocated to a Pre-Formation Participant that is the holder of an interest in an American Assets Entity in accordance with the provisions of the existing Organizational Documents of such entity relating to distributions of distributable net proceeds from sales of directly or indirectly owned properties or assets, and assuming the sale of the relevant Target Asset or Target Assets that are directly or indirectly owned by such entity for a value equal to such Target Asset's or Target Assets' respective Equity Value(s).

Notwithstanding the foregoing, the Allocated Share of any Pre-Formation Participant shall reflect the following adjustments:

1. Intercompany Debt Adjustment. In calculating Allocated Share, all Intercompany Debt shall be taken into account so that the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in the obligor of Intercompany Debt collectively are reduced, and the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in the obligee of such Intercompany Debt collectively are increased, in each case by the amount of such Intercompany Debt (such adjustments being referred to as "Intercompany Debt Adjustments").

2. Entity Specific Debt Adjustment. To the extent that Entity Specific Debt is allocated to a Target Asset, in calculating Allocated Shares of holders of direct or indirect Pre-Formation Interests in the American Assets Entity or Entities owning such Target Asset, the amount of the decrease in Equity Value of such Target Asset attributable to the allocation of such Entity Specific Debt to such Target Asset (through the operation of the formula set forth on Schedule III) (in each case, such decrease being the "Decrease") shall be taken into account so that:

    a. the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in any obligor(s) under such Entity Specific Debt collectively shall be (i) reduced by the amount equal to the excess of (w) the amount of the Entity Specific Debt owed by such obligor over (x) the amount of the Decrease allocated pro rata to such obligor as a direct or indirect owner of the Target Asset; or (ii) increased by the amount equal to the excess of (y) the amount of the Decrease allocated pro rata to such obligor as a direct or indirect owner of the Target Asset over (z) the amount of the Entity Specific Debt owed by such obligor; and

    b. the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in American Assets Entities owning such Target Asset that are not obligors under such Entity Specific Debt collectively shall be increased by the amount equal to the amount of the Decrease allocated pro rata to such holders as direct or indirect owner of the Target Asset;

with the net effect under the foregoing clauses (a)(i), (a)(ii) and (b) being that the adverse economic impact of the Decrease shall be borne equitably by the holders of direct or indirect Pre-Formation Interests in the actual obligor(s) under such Entity Specific Debt and not by any other holder of direct or indirect Pre-Formation Interests in the American Assets Entities owning such Target Asset.

Illustrative examples of the application of the foregoing Allocated Share adjustments using hypothetical numbers are included as Example 3 and Example 4 in ***Appendix A*** to Schedule III.

Reimbursement Agreements

1. Letter Agreement by and among American Assets, Inc. and the Property Entities (as defined therein) dated May 17, 2010

Schedule III

Calculation of Equity Value

For purposes of all Formation Transaction Documentation, "Equity Value" of any Target Asset directly or indirectly owned by the American Assets Entity subject to such agreement shall be calculated pursuant to the formula set forth below. Capitalized terms used in this Schedule III shall have the meanings set forth below and capitalized terms used herein without definition shall have the meanings assigned to such terms in the Agreement.

$$EV = EP \times [TFTV\text{-}TPA] + AA;$$

where:

EV = Equity Value;
EP = Equity Percentage;
TFTV= Total Formation Transaction Value;
TPA = Total Portfolio Adjustment; and
AA = Asset Adjustment;

provided, however, that if the resulting Equity Value for a Target Asset is a negative amount (a "Net Deficit"), then the REIT shall exercise one of the following options, as determined by the REIT in its sole and absolute discretion: (i) select the Target Asset as an Eliminated Asset or (ii) if one or more entities that are subject to the Formation Transaction Documentation that are the direct or indirect owners of such Target Asset would otherwise possess Excluded Assets the value of which in the aggregate would equal or exceed the amount of such Net Deficit, increase the Target Net Working Capital with respect to such entity or entities by the absolute value of such Net Deficit; and *provided further* that if the REIT shall have exercised option (ii) with respect to any Target Asset, the Equity Value with respect to such Target Asset shall be deemed to be equal to zero;

provided further, that if the Equity Value for ICW Valencia/Valencia Corporate Center as calculated above would result in the holders of direct or indirect Pre-Formation Interests in ICW Valencia, L.P. having an amount of Allocated Shares, prior to the application of the Intercompany Debt Adjustments, that is less than the value of the Intercompany Debt owed by ICW Valencia, L.P. to ICW Plaza, L.P. (such shortfall being referred to as the "Intercompany Debt Shortfall"), then (i) Western Insurance Holdings, Inc. shall issue a promissory note with a term of three years to ICW Valencia, L.P. which shall be treated as an Asset Adjustment with respect to ICW Valencia/Valencia Corporate Center and such promissory note (the "WIH Note") shall have such face amount as shall be necessary to increase the Equity Value of ICW Valencia/Valencia Corporate Center such that the Allocated Shares of holders of direct or indirect Pre-Formation Interests in ICW Valencia, L.P. shall increase by an amount, prior to the application of the Intercompany Debt Adjustments, equal to the Intercompany Debt Shortfall and (ii) the Equity Value for ICW Valencia/Valencia Corporate Center shall be recalculated to give effect to the Asset Adjustment attributable to the issuance of the WIH Note.

Attached as ***Appendix A*** to this Schedule III are illustrative calculations of Equity Value for a hypothetical portfolio of Target Assets.

"Actual Balance" shall mean: (i) with respect to each Existing Loan to be assumed in connection with the IPO, the unpaid principal amount of and past due unpaid interest on such Existing Loan as of the IPO Closing Date and immediately prior to any such assumption and all assumption fees and any related expenses with respect to such Existing Loan; and (ii) with respect to each Existing Loan to be prepaid, repaid or refinanced in connection with the IPO, the unpaid principal amount of and past due unpaid interest on such Existing Loan as of the IPO Closing Date and immediately prior to any such prepayment, repayment or refinancing and any related prepayment penalties and any related expenses; *provided*, however, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then the Actual Balance for such Target Asset shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed. With respect to each Existing Loan to be assumed, prepaid, repaid or refinanced in connection with the Formation Transactions, the Actual Balance as of the Closing Date shall be determined by the REIT within forty five (45) days prior to the date of the preliminary prospectus used in the IPO roadshow based on its good faith estimate of what such amounts will be as of the IPO Closing Date.

"Asset Adjustment" shall mean with respect to each Target Asset and any Existing Loan relating to such Target Asset, an amount equal to the Base Balance minus the Actual Balance (expressed as a positive or negative number, as applicable) with respect to all Existing Loans relating to such Target Asset, and in the case of ICW Valencia/Valencia Corporate Center, the face value of the WIH Note shall be deemed to reduce the Actual Balance of the Existing Loan relating to ICW Valencia/Valencia Corporate Center.

"Base Balance" shall mean with respect to each Existing Loan, the principal amount of such Existing Loan set forth on ***Appendix C*** to this Schedule III; *provided*, however, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then the Base Balance for such Target Asset shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed.

"Eliminated Asset" shall mean any Target Asset subject to the Formation Transaction Documentation that is excluded pursuant to the terms of the Formation Transaction Documentation from the Formation Transactions.

"Equity Percentage" shall mean with respect to each Target Asset, the percentage (expressed as a decimal) set forth opposite the name of such Target Asset on ***Appendix B*** to this Schedule III (which percentage is based on the Fairness Opinion of Duff & Phelps, LLC and represents such

Target Asset's percentage of the net asset values of the Target Assets (other than the Management Company) and the net equity value of the Management Company, taken as a whole); *provided*, *however*, that in the event a Target Asset is selected as or otherwise becomes for any reason an Eliminated Asset, then: (i) the Equity Percentage for each remaining Target Asset shall be recalculated as a fraction, the numerator of which is the original Equity Percentage for such remaining Target Asset and the denominator of which is (A) 100 minus (B) the original Equity Percentage of the Eliminated Asset; and (ii) the Equity Percentage of the Eliminated Asset shall be zero; and *provided*, *further*, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then, after giving effect to any Eliminated Assets pursuant to the preceding proviso, the Equity Percentage for such Target Asset and for each other remaining Target Asset subject directly or indirectly to the Formation Transaction Documentation shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed.

"Excluded Assets" has the meaning set forth in Section 5.03 to the Agreement.

"Existing Loan" shall mean (i) each mortgage or mezzanine loan secured by a Target Asset listed on ***Appendix C*** to this Schedule III and (ii) all unsecured indebtedness of an American Assets Entity or of an entity in which an American Assets Entity has a direct or indirect interest that will be assumed, prepaid, repaid or refinanced in connection with the IPO and that is set forth on ***Appendix D*** to this Schedule III (all indebtedness falling within the scope of this clause (ii) shall be referred to as "Entity Specific Debt"); for the avoidance of doubt, no Intercompany Debt shall constitute an Existing Loan (in order to avoid double counting, as Intercompany Debt is adjusted for through the definition of "Allocated Share"). Existing Entity Specific Debt will be deemed to relate to the Target Asset(s) and, if to multiple Target Assets, in the proportions set forth opposite the name of such Entity Specific Debt on ***Appendix D*** to this Schedule III, and all such Entity Specific Debt will be deemed to have a Base Balance of zero (because "Equity Percentage" as determined by Duff & Phelps, LLC was determined at the property level and did not take into account Entity Specific Debt, Entity Specific Debt is deemed to be zero in order to cause a readjustment of "Equity Value" of all Target Assets after taking into account such Entity Specific Debt).

"Target Asset" shall mean each property set forth on Appendix B to this Schedule III and the property management business of American Assets, Inc. (the "Management Company").

"Target Net Working Capital" has the meaning set forth in Schedule 5.03 to the Agreement.

"Total Portfolio Adjustment" shall mean the sum (which may be a positive or negative number) of all Asset Adjustments for every Target Asset, excluding Eliminated Assets.

"Total Formation Transaction Value" shall mean the aggregate dollar value of (i) the cash, (ii) the REIT Shares and (iii) the OP Units that are issued or issuable to all Pre-Formation Participants in the Formation Transactions as set forth in the Prospectus. Total Formation Transaction Value will be determined valuing REIT Shares and OP Units at a value per REIT Share or OP Unit equal to the IPO Price.

Appendix A to Schedule III

Worked Examples

The figures and calculations included in this ***Appendix A*** are for illustrative purposes only and are based on a hypothetical portfolio of properties. Neither the hypothetical Total Formation Transaction Value nor any of the other figures or calculations presented on ***Appendix A*** shall be binding on the REIT or the Operating Partnership, and should not be considered an indication of value of the American Assets Entities. The value of the American Assets Entities will ultimately be determined by the REIT in consultation with the underwriters of the IPO based on public investor demand and may be lower or higher than the hypothetical Total Formation Transaction Value shown on ***Appendix A***. In addition, the calculations in ***Appendix A*** assume that each of Target Assets in this hypothetical portfolio of properties will be wholly owned, directly or indirectly, by the REIT.

Example—Base Case

In the hypothetical examples shown below, the Target Assets that will be acquired by the REIT in the Formation Transactions consist of four shopping centers. The Total Formation Transaction Value, or "TFTV," for this entire portfolio of properties will be $400, absent the impact of certain potential adjustments described in the subsequent examples. Each Target Asset (i) is subject to a $25 mortgage, (ii) was determined by a third-party valuator to have a relative equity value equal to 25% of the entire portfolio and (iii) has two owners, each of whom has a 50% interest in the property.

Target Asset	Equity Percentage ("EP") (determined by 3rd party valuator)	Property Holding Companies & Ownership %
Shopping Center 1	25%	Company A (50%) Company B (50%)
Shopping Center 2	25%	Company C (50%) Company D (50%)
Shopping Center 3	25%	Company E (50%) Company F (50%)
Shopping Center 4	25%	Company G (50%) Company H (50%)
Total	100%	

Applying the Equity Value formula and assuming that there is no Entity Specific Debt and no increase or decrease in mortgage debt outstanding, the Equity Value of each of the four properties is as set forth below:

Property	Equity Value = EP x [TFTV – TPA] + AA
Shopping Center 1	100 = 25% x [400 - 0] + 0
Shopping Center 2	100 = 25% x [400 - 0] + 0
Shopping Center 3	100 = 25% x [400 - 0] + 0

Shopping Center 4	100 = 25% x [400 - 0] + 0
Total Equity Value	400

Example 2 – Mortgage Payoff

In this example, all of the facts described in the Base Case above are the same, except that prior to the completion of the Formation Transactions, the $25 mortgage on Shopping Center 1 is paid off such that at the time that Shopping Center 1 is acquired by the Operating Partnership it is not subject to any mortgage debt. This results in the following variation of the variable "AA" in the formula as applied to Shopping Center 1:

Property	**Asset Adjustment ("AA") (i.e., Base Balance - Actual Balance)**
Shopping Center 1	25 = 25 – 0
Shopping Center 2	0 = 25 – 25
Shopping Center 3	0 = 25 – 25
Shopping Center 4	0 = 25 – 25
Total Portfolio Adjustment ("TPA")	25

In addition, by virtue of the reduction in the outstanding mortgage debt that will be assumed by the Operating Partnership in connection with the Formation Transactions, the Total Formation Transaction Value will have increased by the $25 value of the mortgage repayment from $400 to $425.

Applying the Equity Value formula reflecting these new facts and assuming that there is no Entity Specific Debt, the Equity Value of each of the four properties is as set forth below:

Property	**Equity Value = EP x [TFTV – TPA] + AA**
Shopping Center 1	125 = 25% x [425 - 25] + 25
Shopping Center 2	100 = 25% x [425 - 25] + 0
Shopping Center 3	100 = 25% x [425 - 25] + 0
Shopping Center 4	100 = 25% x [425 - 25] + 0
Total Equity Value	425

Example 3 – Entity Specific Debt

In this example, all of the facts described in the Base Case above are the same, except that Company C is subject to $25 of Entity Specific Debt related to Shopping Center 2, which will be assumed by the Operating Partnership upon the completion of the Formation Transactions. This results in the following variation of the variable "AA" in the formula as applied to Shopping Center 2:

Property	Asset Adjustment ("AA") (i.e., Base Balance - Actual Balance)
Shopping Center 1	0 = 25 – 25
Shopping Center 2	-25 = 25 – 50
Shopping Center 3	0 = 25 – 25
Shopping Center 4	0 = 25 – 25
Total Portfolio Adjustment ("TPA")	-25

In addition, by virtue of the assumption by the Operating Partnership of this Entity Specific Debt in connection with the Formation Transactions, the Total Formation Transaction Value will have decreased by the $25 value of the Entity Specific Debt from $400 to $375.

Applying the Equity Value formula reflecting these new facts and assuming that there is no increase or decrease in mortgage debt outstanding, the Equity Value of each of the four properties is as set forth below:

Property	Equity Value = EP x [TFTV – TPA] + AA
Shopping Center 1	100 = 25% x [375 - (-25)] + 0
Shopping Center 2	75 = 25% x [375 - (-25)] + (-25)
Shopping Center 3	100 = 25% x [375 - (-25)] + 0
Shopping Center 4	100 = 25% x [375 - (-25)] + 0
Total Equity Value	375

Here, through the operation of the Equity Value formula, all $25 of Company C's Entity Specific Debt has been allocated to Shopping Center 2 and has not impacted the Equity Value of the other Target Assets. However, without further adjustment, Company C and Company D, each as a 50% owner of Shopping Center 2, are equally burdened by Company C's Entity Specific Debt as show below:

	Company C	Company D
Allocated Share (unadjusted) of Equity Value before Inclusion of Entity Specific Debt:	50 = 100 x 50%	50 = 100 x 50%
Allocated Share (unadjusted) of Equity Value after Inclusion of Entity Specific Debt:	37.5 = 75 x 50%	37.5 = 75 x 50%
Decrease in Allocated Share (unadjusted) of Equity Value due to Inclusion of Entity Specific Debt:	12.5 = 50 - 37.5	12.5 = 50 - 37.5

Accordingly, by virtue of the operation of the Equity Value formula, Company C has only been allocated half ($12.5 of $25.0) of the Company C Entity Specific Debt obligation that should be allocated to Company C, and Company D has been allocated the remaining $12.5.

In order to address this inequitable allocation of Company C Entity Specific Debt , the definition of “Allocated Share” provides for an adjustment to (i) reduce the amount that would otherwise be payable to Company C by the amount by which the Entity Specific Debt exceeds the amount of such obligation that was previously allocated to Company C and (ii) increase the amount payable to Company D by the amount of the Entity Specific Debt obligation that was previously allocated to Company D, with the following outcome:

	Company A	Company B
Allocated Share (adjusted):	25 = 37.5 - 12.5	50 = 37.5 + 12.5

As a result of this adjustment to the Allocated Shares of Company C and Company D, the economic impact of all of Company C’s Entity Specific Debt will be allocated to Company C.

Example 4 – Intercompany Debt

In this example, all of the facts described in the Base Case above are the same, except that between the owners of Shopping Center 3, Company E has an Intercompany Debt obligation in the amount of $25 to Company F.

Prior to the application of the adjustments contained in the definition of Allocated Share, the Allocated Shares of the Owners of Shopping Center 3 would be as follows:

	Company E	Company F
Allocated Share (unadjusted):	50 = 100 x 50%	50 = 100 x 50%

To account for Intercompany Debt, the definition of "Allocated Share" provides an adjustment to (i) reduce the Allocated Share that would otherwise be payable to Company E by an amount equal to its indebtedness to Company F and (ii) increase the Allocated Share that would otherwise be payable to Company F by an amount equal to Company E's indebtedness to Company F, with the following outcome:

	Company E	Company F
Allocated Share (adjusted):	25 = 100 x 50% - 25	75 = 100 x 50% + 25

As a result of this adjustment to the Allocated Shares of Company E and Company F, the Intercompany Debt obligations between these entities have now been resolved.

Excluded Assets

Excluded Assets consist of any excess of Net Working Capital over Target Net Working Capital. "Net Working Capital" means current assets minus current liabilities of the relevant entity as of a date within forty five (45) days prior to the date of the preliminary prospectus used in the IPO roadshow. Re: Proposed Public Offering by American Assets Trust, Inc.

Dear Sirs:

The undersigned, a stockholder of American Assets Trust, Inc., a Maryland corporation (the "Company") and/or a holder of common units of partnership interest (the "Units") in American Assets Trust, LP, a Maryland limited partnership and operating subsidiary of the Company (the "Operating Partnership"), understands that Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") and Wells Fargo Securities, LLC ("Wells Fargo") and each of the other Underwriters named in Schedule A to the Underwriting Agreement (as defined below) (collectively, the "Underwriters"), for whom Merrill Lynch and Wells Fargo are acting as representatives (in such capacity, the "Representatives") propose to enter into an Underwriting Agreement (the "Underwriting Agreement") with the Company and the Operating Partnership, providing for the public offering (the "Public Offering") of shares (the "Securities") of the Company's common stock, par value $0.01 per share (the "Common Stock"). In recognition of the benefit that the Public Offering will confer upon the undersigned as a stockholder of the Company and/or as a holder of Units in the Operating Partnership, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with each Underwriter to be named in the Underwriting Agreement that, during a period of 180 days from the date of the Underwriting Agreement (the "Lock-Up Period"), the undersigned will not, without the prior written consent of the Representatives, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise dispose of or transfer any shares of the Company's Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition (collectively, the "Lock-Up Securities"), or exercise any right with respect to the registration of any of the Lock-up Securities, or file or cause to be filed any registration statement in connection therewith, under the Securities Act of 1933, as amended, or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Lock-Up Securities, whether any such swap or transaction is to be settled by delivery of Common Stock or other securities, in cash or otherwise.

Notwithstanding the foregoing, and subject to the conditions below, the undersigned may transfer the Lock-Up Securities without the prior written consent of the Representatives:

(i) if the undersigned is a director or executive officer of the Company, pursuant to the establishment by the undersigned of a written trading plan designed to comply with Rule 10b5-1(c) of the Exchange Act, provided that no sales or other dispositions may occur under such plans until the expiration of the Lock-Up Period; or

(ii) as a *bona fide* gift or gifts or other dispositions by will or intestacy; or

(iii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this lock-up agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, not more remote than first cousin); or

(iv) to an immediate family member, a partnership or limited liability company solely for the direct or indirect benefit of the undersigned or the immediate family member of the undersigned; or

(v) to a spouse, former spouse, child or other dependent pursuant to a domestic relations order or an order of a court of competent jurisdiction; or

(vi) as a distribution to limited partners, limited liability company members or stockholders of the undersigned; or

(vii) to the undersigned's affiliates or to any investment fund or other entity controlled or managed by the undersigned; or

(viii) to the Company upon termination of the undersigned's employment with the Company; or

(ix) to pay the exercise price of options to purchase Common Stock pursuant to the cashless exercise feature of such options; or

(x) to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (ii) through (ix) above,

provided that, in each case, (1) the Representatives receive a signed lock-up agreement for the balance of the lockup period from each donee, trustee, distributee, or transferee, as the case may be, (2) any such transfer shall not involve a disposition for value, (3) such transfers or other actions are not required to be reported with the Securities and Exchange Commission on Form 4 in accordance with Section 16 of the Securities Exchange Act of 1934, as amended, and (4) the undersigned does not otherwise voluntarily effect any public filing or report regarding such transfers.

Furthermore, the undersigned may sell shares of Common Stock of the Company purchased by the undersigned on the open market after completion of the Public Offering if and only if (i) such sales are not required to be reported in any public report or filing with the Securities and Exchange Commission, or otherwise and (ii) the undersigned does not otherwise voluntarily effect any public filing or report regarding such sales.

Notwithstanding the foregoing, if:

(1) during the last 17 days of the Lock-Up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or

(2) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results or becomes aware that material news or a material event will occur during the 16-day period beginning on the last day of the 180-day Lock-Up Period,

the Representatives may extend, by written notice to the Company, the restrictions imposed by this lock-up agreement until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as applicable.

The undersigned agrees that, prior to engaging in any transaction or taking any other action that is subject to the terms of this lock-up agreement during the period from the date of this lock-up agreement to and including the 34th day following the expiration of the initial 180-day Lock-Up Period, it will give notice thereof to the Company and will not consummate such transaction or take any such action unless it has received written confirmation from the Company that the 180-day Lock-Up Period (as may have been extended pursuant to the previous paragraph) has expired.

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Lock-Up Securities except in compliance with the foregoing restrictions.

WHEREAS, the REIT desires to consolidate the ownership of a portfolio of properties currently owned, directly or indirectly, by certain entities, as set forth in the Formation Transaction Documentation.

WHEREAS, the Formation Transactions relate to the proposed initial public offering of the common stock of the REIT, par value $.01 per share, following which the REIT will operate as a self-administered and self-managed real estate investment trust within the meaning of Section 856 of the Code (as defined below); and

WHEREAS, as a condition to engaging in the Formation Transactions, and as an inducement to do so, the parties hereto are entering into this Agreement;

NOW, THEREFORE, in consideration of the promises and mutual agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

DEFINED TERMS

For purposes of this Agreement the following terms shall apply:

Section 1.1 "50% Termination" has the meaning set forth in Section 1.40.

Section 1.2 "Affiliate" means, with respect to any Person, any Person directly or indirectly controlling or controlled by or under common control with such Person. For the purposes of this definition, "control" when used with respect to any Person means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such Person, whether through the ownership of voting securities, by contract or otherwise, and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

Section 1.3 "Agreement" has the meaning set forth in the preamble.

Section 1.4 "Approved Liability" means either:

(a) A liability of the Operating Partnership (or of an entity whose separate existence from the Operating Partnership is disregarded for Federal income tax purposes) with respect to which all of the following requirements are satisfied:

(i) the liability is secured by real property or other assets (the "Collateral") owned directly or indirectly by the Operating Partnership (or by an entity whose separate existence from the Operating Partnership is disregarded for Federal income tax purposes);

(ii) on the date on which the Operating Partnership designated such liability as a Approved Liability, the fair market value (as reasonably determined in good faith by the Operating Partnership) of the Collateral was at least 140% times the outstanding principal amount (and any accrued and unpaid interest) of the liability and any other Approved Liabilities secured by such Collateral at such time, *provided* that if interest on such liability is not required to be paid at least annually or if the documents evidencing such liability permit the borrower to borrow additional amounts that are secured by the Collateral, the outstanding principal amount of such liability shall include the maximum amount that could be so added to the principal amount of such liability without a default, *provided*, *however*, if notwithstanding the Operating Partnership's commercially reasonable efforts, it is unable to make available the Guarantee Opportunities required by this Agreement, 130% shall be substituted for 140% as set forth above;

(iii) the liability constitutes "qualified nonrecourse financing" as defined in Section 465(b)(6) of the Code with respect to the Protected Partners;

(iv) other than guaranties by the Guaranty Partners, no other person has executed any guaranties with respect to such liability; and

(v) the Collateral does not provide security for another liability (other than another Approved Liability) that ranks senior to, or *pari passu* with, the liability described in clause (i) above.

For purposes of determining whether clause (ii) has been satisfied in situations where one or more potential Approved Liabilities are secured by more than one item of Collateral, the Operating Partnership shall allocate such liabilities among such items of Collateral in proportion to their relative fair market values (as reasonably determined in good faith by the Operating Partnership);

(b) A liability of the Operating Partnership that

(i) is not secured by any of the assets of the Operating Partnership and is a general, recourse obligation of the Operating Partnership, and

(ii) is not provided by a lender that has an interest in the Operating Partnership or is related to the Operating Partnership within the meaning of Section 465(b)(3)(C) or the Code;

(c) Solely with respect to the Non-Qualified Liability Amount for each Non-Qualified Liability Partner, the applicable Non-Qualified Liabilities; or

Section 1.10 "Exchange" has the meaning set forth in Section 2.1(b).

Section 1.11 "Formation Transaction Documentation" means all of the agreements and plans of merger and contribution agreements, substantially in the forms accompanying the Request for Consent and Private Placement Memorandum dated July [__], 2010, pursuant to which all or a portion of the equity interests in certain specified entities are to be acquired by the REIT or the Operating Partnership, directly or indirectly, as part of the Formation Transactions.

Section 1.18 "Guaranty Opportunity" has the meaning set forth in Section 2.4(b).

Section 1.19 "Make Whole Amount" means: (a) with respect to any Protected Partner that recognizes gain under Section 704(c) of the Code as a result of a Tax Protection Period Transfer, *the sum of* (i) *the product of* (x) the income and gain recognized by such Protected Partner under Section 704(c) of the Code in respect of such Tax Protection Period Transfer (taking into account any adjustments under Section 743 of the Code to which such Protected Partner is entitled) *multiplied by* (y) the Make Whole Tax Rate, *plus* (ii) an amount equal to the combined Federal, applicable state and local income taxes (calculated using the Make Whole Tax Rate) imposed on a Protected Partner as a result of the receipt by a Protected Partner of a payment under Section 2.2 (the "Gross Up Amount"); *provided*, *however*, that the Gross Up Amount shall be computed without regard to any losses, credit, or other tax attributes that a Protected Partner might have that would reduce its actual tax liability; and (b) with respect to any Guaranty Partner or Non-Qualified Liability Partner that recognizes gain as a result of a breach by the Operating Partnership of the provisions of Section 2.4 or Section 2.5 hereof, *the sum of* (i) *the product of* (x) the income and gain recognized by such Guaranty Partner or Non-Qualified Liability Partner by reason of such breach, *multiplied by* (y) the Make Whole Tax Rate, *plus* (ii) an amount equal to the combined Federal, applicable state and local income taxes (calculated using the Make Whole Tax Rate) imposed on a Guaranty Partner or Non-Qualified Liability Partner as a result of the receipt by a Guaranty Partner or Non-Qualified Liability Partner of a payment under Section 2.4 or Section 2.5 (the "Debt Gross Up Amount"); *provided*, *however*, that the Debt Gross Up Amount shall be computed without regard to any losses, credit, or other tax attributes that a Guaranty Partner or Non-Qualified Liability Partner might have that would reduce its actual tax liability. For purposes of calculating the amount of Section 704(c) gain that is allocated to a Protected Partner, (i) subject to clause (ii) below, any "reverse Section 704(c) gain" allocated to such partner pursuant to Treasury Regulations § 1.704-3(a)(6) shall not be taken into account, and (ii) if, as a result of adjustments to the Gross Asset Value (as defined in the OP Agreement) of the Protected Properties pursuant to clause (b) of the definition of Gross Asset Value as set forth in the OP Agreement, all or a portion of the gain recognized by the Operating Partnership that would have been Section 704(c) gain without regard to such adjustments becomes or is treated as "reverse Section 704(c) gain" or Section 704(b) gain under Section 704 of the Code, then such gain shall continue to be treated as Section 704(c) gain;

provided that the total amount of 704(c) gain and income taken into account for purpose of calculating the Make Whole Amount shall not exceed the initial Section 704(c) gain amount as of the Closing Date (whether or not equal to the estimated amount set forth on Exhibit B).

Notwithstanding the foregoing, if a Protected Partner, Guaranty Partner or Non-Qualified Liability Partner demonstrates to the reasonable satisfaction of the Operating Partnership that such Protected Partner, Guaranty Partner or Non-Qualified Liability Partner, as applicable, is not entitled to a Federal income tax deduction for all or a portion of the income taxes paid to a state or locality, the Make Whole Tax Rate applicable to such Protected Partner, Guaranty Partner or Non-Qualified Liability Partner shall be reduced only by the deduction, if any, the Protected Partner, Guaranty Partner or Non-Qualified Liability Partner is entitled to take for such taxes.

ARTICLE II

TAX PROTECTIONS

Section 2.1 Taxable Transfers.

(a) Unless the Partners' Representative expressly consents in writing to a Tax Protection Period Transfer (for the avoidance of doubt, no vote in favor of a Tax Protection Period Transfer by the Partners' Representative or any of its Affiliates or by a Protected Partner, in each case in its capacity as owner shares of the REIT or OP Units, shall constitute consent), during the Tax Protection Period, the Operating Partnership shall indemnify the Protected Partners as set forth in Section 2.2 if the Operating Partnership or any entity in which the Operating Partnership holds a direct or indirect interest shall cause or permit (i) any Transfer of all or any portion of a Protected Property (including any interest therein or in the entity owning, directly or indirectly, the Protected Property) in a transaction that would result in the recognition of taxable income or gain by any Protected Partner under Section 704(c) of the Code, or (ii) any Fundamental Transaction that would result in the recognition of taxable income or gain to any Protected Partner (a Fundamental Transaction and a Transfer, collectively a "Tax Protection Period Transfer").

(b) Section 2.1(a) shall not apply to any Tax Protection Period Transfer of a Protected Property (including any interest therein or in the entity owning, directly or indirectly, the Protected Property): (i) in a transaction in which no gain is required to be recognized by a Protected Partner (an "Exchange"), including a transaction qualifying under Section 1031 or Section 721 (or any successor statutes) of the Code; *provided*, *however*, that any property acquired by the Operating Partnership in the Exchange shall remain subject to the provisions of this Article II in place of the exchanged Protected Property for the remainder of the Tax Protection Period; (ii) as a result of the condemnation or other taking of any Protected Property by a governmental entity in an eminent domain proceeding or otherwise, provided that the Operating Partnership shall use commercially reasonable efforts to structure such disposition as either a tax-free like-kind exchange under Section 1031 or a tax-free reinvestment of proceeds under Section 1033, provided that in no event shall the Operating Partnership be obligated to acquire or invest in any property that it otherwise would not have acquired or invested in.

(c) For any taxable Transfer of all or any portion of any property of the Operating Partnership which is not a Tax Protection Period Transfer, the Operating Partnership shall use commercially reasonable efforts to cooperate with the Limited Partners to minimize any taxes payable by the Limited Partners in connection with any such Transfers.

Section 2.2 Indemnification for Taxable Transfers.

(a) In the event of a Tax Protection Period Transfer described in Section 2.1(a), each Protected Partner shall, within 30 days after the closing of such Tax Protection Period Transfer, receive from the Operating Partnership an amount of cash equal to the estimated Make Whole Amount applicable to such Tax Protection Period Transfer. If it is later determined that the true Make Whole Amount applicable to a Protected Partner exceeds the estimated Make Whole Amount applicable to such Protected Partner, then the Operating Partnership shall pay such excess to such Protected Partner within 90 days after the closing of the Tax Protection Period Transfer, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Protected Partner shall promptly refund such excess to the Operating Partnership, but only to the extent such excess was actually received by such Protected Partner.

(b) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of any Protected Partner under Section 2.1(a) shall be a claim against the Operating Partnership for the Make Whole Amount as set forth in this Section 2.2, and no Protected Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.1(a) or bring a claim against any person that acquires a Protected Property from the Operating Partnership in violation of Section 2.1(a).

Section 2.3 Section 704(c) Gains. A good faith estimate of the initial amount of Section 704(c) gain allocable to each Protected Partner as of the Closing Date of each OP Merger is set forth on Exhibit B hereto. The parties acknowledge that the initial amount of such Section 704(c) gain may be adjusted over time as required by Section 704(c) of the Code and the Regulations promulgated thereunder.

Section 2.4 Approved Liability Maintenance and Allocation.

(a) During the Tax Protection Period, the Operating Partnership shall: (1) maintain on a continuous basis an amount of Approved Liabilities at least equal to the Required Liability Amount; and (2) provide the Partners' Representative, promptly upon request, with a description of the nature and amount of any Approved Liabilities that are available to be guarantied by the Guaranty Partners pursuant to Section 2.4(b) of this Agreement. For the avoidance of doubt, and notwithstanding any other provision of this Agreement, the Operating Partnership shall not be required to maintain any amount of Approved Liabilities in excess of the aggregate Required Liability Amount of all Guaranty Partners.

(b) (i) During the Tax Protection Period, the Operating Partnership shall provide each Guaranty Partner with the opportunity to execute a guaranty, substantially in the form attached hereto as Exhibit F or otherwise in a form and manner that is reasonably acceptable to the Partners' Representative, of one or more Approved Liabilities that are Guaranty Permissible Liabilities in an amount up to such Guaranty Partner's Required Liability Amount (each such opportunity and each opportunity required by Section 2.4(c), Section 2.5(b),and Section 2.5(c), a "Guaranty Opportunity"), and (ii) after the Tax Protection Period, and for so long as a Guaranty Partner has not had a 50% Termination, the Operating Partnership shall use commercially reasonable efforts to make Guaranty Opportunities available to each Guaranty Partner, provided that in the case of this clause (ii), the Operating Partnership shall not be required to incur any indebtedness that it would not otherwise have incurred, as determined by the Operating Partnership in its reasonable discretion; *provided*, *however*, that in the case of clauses (i) and (ii) the aggregate amount of all guaranties required to be made available by the Operating Partnership for execution by all Guaranty Partners need not exceed the aggregate Required Liability Amount of all Guaranty Partners. The Operating Partnership shall have the discretion to identify the Approved Liability or Approved Liabilities that shall be made available for guaranty by each Guaranty Partner. Each Guaranty Partner and its indirect owners may allocate the Guaranty Opportunity afforded to such Guaranty Partner in any manner they choose. The Operating Partnership agrees to file its tax returns allocating any debt subject to a Guaranty to the applicable Guaranty Partners. Each Guaranty Partner shall bear the costs incurred by it in connection with the execution of any guaranty to which it is a party. To the extent a Guaranty Partner executes a guaranty, the Operating Partnership shall deliver a copy of such guaranty to the lender under the Guarantied Liability promptly after receiving such copy from the relevant Guaranty Partner.

(c) During the Tax Protection Period, the Operating Partnership shall not allow a Debt Notification Event to occur unless the Operating Partnership provides at least thirty (30) days' written notice (a "Section 2.4 Notice") to each Guaranty Partner that may be affected thereby. The Section 2.4 Notice shall describe the Debt Notification Event and designate one or more Approved Liabilities that may be guarantied by the Guaranty Partners pursuant to Section 2.4(b) of this Agreement in an amount equal to the amount of the refinanced or repaid Approved Liability that was guarantied by such Guaranty Partner immediately prior to the date of the refinancing or repayment. Any Guaranty Partner that desires to execute a guaranty following the receipt of a Section 2.4 Notice shall provide the Operating Partnership with notice thereof within fifteen (15) days after the date of the Section 2.4 Notice.

(d) Provided the Operating Partnership satisfies its obligations under Section 2.4(a), (b) and (c) of this Agreement, it shall have no liability to a Guaranty Partner

under Section 2.4(e) for breach of Section 2.4, whether or not such Guaranty Partner accepts its Guaranty Opportunity. Furthermore, the Operating Partnership makes no representation or warranty to any Guaranty Partner concerning the treatment or effect of any guaranty under Federal, state, local, or foreign tax law, and bears no responsibility for any tax liability of any Guaranty Partner or Affiliate thereof that is attributable to a reallocation, by a taxing authority, of debt subject to a guaranty (other than a reallocation that results from any act or omission taken by the Operating Partnership or one of its Affiliates in violation of this Section 2.4 or an act or omission that is indemnifiable under Section 2.4(e) of this Agreement).

(e) If the Operating Partnership shall fail to comply with any provision of this Section 2.4, the Operating Partnership shall pay, within thirty (30) days of such failure, a Make Whole Payment to each Guaranty Partner who recognizes income or gain as a result of such failure equal to the estimated Make Whole Amount applicable to such failure. If it is determined that the true Make Whole Amount applicable to a Guaranty Partner exceeds the estimated Make Whole Amount applicable to such Guaranty Partner, then the Operating Partnership shall pay such excess to such Guaranty Partner within thirty (30) days after the date of such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Guaranty Partner shall pay such excess to the Operating Partnership within thirty (30) days after the date of such determination, but only to the extent such excess was actually received by such Guaranty Partner.

(f) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of any Guaranty Partner for a breach or violation of the covenants set forth in Section 2.4 shall be a claim a claim against the Operating Partnership for the Make Whole Amount as set forth in Section 2.4(e), and no Guaranty Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.4.

(g) Notwithstanding any provision of this Section 2.4 to the contrary, to the extent a Guaranty Partner is also a Non-Qualified Liability Partner that has guaranteed Non-Qualified Liabilities pursuant to Section 2.5, the amount of such guaranteed liabilities shall be treated as the Operating Partnership's satisfaction of that amount of its obligation to provide a Guaranty Opportunity under this Section 2.4, and such liabilities shall be treated as an Approved Liability for purposes of this Section 2.4, including for purposes of determining whether a Section 2.4 Notice and substitute Approved Liability are required.

Section 2.5 Non-Qualified Liability Maintenance and Allocation.

(a) During the Non-Qualified Liability Period, the Operating Partnership shall not repay any Non-Qualified Liability (excluding any scheduled payments of principal occurring pursuant to the terms of such Non-Qualified Liability) which has been guarantied by a Non-Qualified Liability Partner pursuant to Section 2.5(b) unless: (i) the Operating Partnership repays such Non-Qualified Liability with proceeds generated by its incurrence of other liabilities which each such Non-Qualified Liability Partner is offered an opportunity to guaranty; or (ii) the Partners' Representative consents in writing to such repayment.

(b) During the Non-Qualified Liability Period, the Operating Partnership shall use commercially reasonable efforts to provide each Non-Qualified Liability Partner with the opportunity to execute a guaranty, substantially in the form attached hereto as Exhibit F or otherwise in a form and manner that is reasonably acceptable to the Partners' Representative, of each Non-Qualified Liability listed below such Non-Qualified Liability Partner's name in Exhibit E in an amount up to such Non-Qualified Liability Partner's Non-Qualified Liability Amount. Each Non-Qualified Liability Partner and its indirect owners may allocate the Guaranty Opportunity afforded to such Non-Qualified Liability Partner in any manner they choose. The Operating Partnership agrees to file its tax returns allocating any Guarantied Liability to the applicable Non-Qualified Liability Partners. Each Non-Qualified Liability Partner shall bear the costs incurred by it in connection with the execution of any guaranty to which it is a party. To the extent a Non-Qualified Liability Partner executes a guaranty, the Operating Partnership shall deliver a copy of such guaranty to the lender under the Guarantied Liability promptly after receiving such copy from the relevant Non-Qualified Liability Partner.

(c) During the Non-Qualified Liability Period, if the Operating Partnership intends to repay any Non-Qualified Liability with proceeds generated by its incurrence of other liabilities as provided in Section 2.5(a)(i), the Operating Partnership shall provide at least thirty (30) days' written notice (a "Section 2.5 Notice") to each Non-Qualified Liability Partner that may be affected thereby. The Section 2.5 Notice shall describe which Non-Qualified Liability is being repaid and the nature and amount of the liability, if any, being incurred to repay such Non-Qualified Liability. The Operating Partnership shall use commercially reasonable efforts to make available to each affected Non-Qualified Liability Partner the opportunity to guaranty any such newly-incurred liability in the same manner as provided in Section 2.5(b) in an amount equal to the amount of the repaid Non-Qualified Liability that was guarantied by such Non-Qualified Liability Partner immediately prior to the date of the repayment. Any Non-Qualified Liability Partner that desires to execute a guaranty following the receipt of a Section 2.5 Notice shall provide the Operating Partnership with notice thereof within fifteen (15) days after the date of the Section 2.5 Notice.

(d) Provided the Operating Partnership satisfies its obligations under Section 2.5(a), (b) and (c) of this Agreement, it shall have no liability to any Non-Qualified Liability Partner for breach of Section 2.5, whether or not such Non-Qualified Liability Partner accepts its Guaranty Opportunity. For the avoidance of doubt, and notwithstanding any other provision of this Agreement, the Operating Partnership shall have no liability to any Non-Qualified Liability Partner if the Operating Partnership is unable, despite its commercially reasonable efforts, to provide each Non-Qualified Liability Partner with the opportunity to guaranty a Non-Qualified Liability. Furthermore, the Operating Partnership makes no representation or warranty to any Non-Qualified Liability Partner concerning the treatment or effect of any guaranty under Federal, state, local, or foreign tax law, and bears no responsibility for any tax liability of any Non-Qualified Liability Partner or Affiliate thereof that is attributable to a reallocation, by a taxing authority, of debt subject to a guaranty (other than a reallocation that results from any act or omission taken by the Operating Partnership or one of its Affiliates in violation of this Section 2.5).

(e) If the Operating Partnership shall fail to comply with any provision of this Section 2.5, the Operating Partnership shall pay, within thirty (30) days of such failure, a Make Whole Payment to each Non-Qualified Liability Partner who recognizes income or gain as a result of such failure equal to the estimated Make Whole Amount applicable to such failure. If it is determined that the true Make Whole Amount applicable to a Non-Qualified Liability Partner exceeds the estimated Make Whole Amount applicable to such Non-Qualified Liability Partner, then the Operating Partnership shall pay such excess to such Non-Qualified Liability Partner within thirty (30) days after the date of such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Non-Qualified Liability Partner shall pay such excess to the Operating Partnership within thirty (30) days after the date of such determination, but only to the extent such excess was actually received by such Non-Qualified Liability Partner.

(f) Notwithstanding any provision of this Agreement to the contrary, no Non-Qualified Liability Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.5.

Section 2.7 Dispute Resolution. Any controversy, dispute, or claim of any nature arising out of, in connection with, or in relation to the interpretation, performance, enforcement or breach of this Agreement (and any closing document executed in connection herewith) shall be governed by Section 5.08 of the Representation, Warranty and Indemnity Agreement.

ARTICLE II
REGISTRATION RIGHTS

Section 2.1. Underwritten Demand Registration.

(a) Commencing on or after the date that is three hundred sixty five (365) days after the consummation date of the IPO and until such time as a Resale Shelf Registration Statement (or to the extent permitted by Section 2.4(b), an Issuer Shelf Registration Statement) has been declared effective, or if at any time on or after the date that is sixteen (16) months after the consummation date of the IPO, a Resale Shelf Registration Statement (or to the extent permitted by Section 2.4(b), an Issuer Shelf Registration Statement) shall not be effective, the majority in interest of the Rady Holder(s) may make written requests to the Company for one or more registrations of underwritten offerings under the Securities Act of all or part of their Common Stock constituting Registrable Securities (a "Rady Demand Registration"). The Company shall prepare and file a registration statement on an appropriate form with respect to any Rady Demand Registration (the "Rady Demand Registration Statement") and shall use its reasonable efforts to cause the Rady Demand Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof. Any request for a Rady Demand Registration will specify the number of shares of Registrable Securities proposed to be sold in the underwritten offering. The Company shall have the opportunity to register such number of shares of Common Stock as it may elect on the Rady Demand Registration Statement and as part of the same underwritten offering in connection with a Rady Demand Registration (a "Company Piggy-Back Registration"). Unless a majority in interest of the Rady Holders participating in such Rady Demand Registration shall consent in writing, no party, other than the Company, shall be permitted to offer securities in connection with any such Rady Demand Registration.

(b) Underwriters. The Company shall select the book-running managing Underwriter in connection with any Rady Demand Registration; provided that such managing Underwriter must be reasonably satisfactory to a majority in interest of the Rady Holders participating in such Rady Demand Registration. The Company may select any additional investment banks and managers to be used in connection with the offering; provided that such additional investment bankers and managers must be reasonably satisfactory to a majority in interest of the Rady Holders participating in such Rady Demand Registration.

Section 2.2. Piggy-Back Registration. If the Company proposes to file a registration statement under the Securities Act with respect to an underwritten offering of Common Stock by the Company for its own account (other than (i) any registration statement filed in connection with a demand registration by a party other than a Rady Holder or (ii) a registration statement on Form S-4 or S-8 (or any substitute form that may be adopted by the Commission) or filed in connection with an exchange offer or offering of securities solely to the Company's existing securityholders), then the Company shall give written notice of such proposed filing to the Rady Holders as soon as practicable (but in no event less than ten (10) days before the anticipated filing date), and such notice shall offer such Rady Holders the opportunity to register such number of shares of Registrable Securities as each such Rady Holder may request (a "Rady Piggy-Back Registration"); provided, that if and so long as a Shelf Registration Statement is on file and effective, then the Company shall have no obligation to effect a Rady Piggy-Back Registration. The Company shall use its commercially reasonable efforts to cause the managing Underwriter(s) of a proposed underwritten offering to permit the Registrable Securities requested to be included in a Rady Piggy-Back Registration to be included on the same terms and conditions as any similar securities of the Company included therein.

Section 2.3. Reduction of Offering. Notwithstanding anything contained in Sections 2.1 and 2.2, if the managing Underwriter(s) of an offering described in Section 2.1 or 2.2 advise in writing the Company and the Rady Holders that the size of the intended offering is such that the success of the offering would be significantly and adversely affected by inclusion of (i) the Registrable Securities requested to be included by the Rady Holders in a Rady Piggy-Back Registration or (ii) the Common Stock requested to be included by the Company in a Rady Demand Registration/Company Piggy-Back Registration, then: (x) in the case of a Rady Demand Registration/ Company Piggy-Back Registration, the amount of the Common Stock to be offered for the account of the Company shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s), provided, that the amount of securities to be offered by the Company shall not be reduced to less than fifty percent (50%) of the total number of securities to be included in such offering; and (y) in the case of a Rady Piggy-Back Registration, the amount of securities to be offered for the accounts of Rady Holders shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s), provided, that the amount of securities to be offered by the Rady Holders shall not be reduced to less than thirty percent (30%) of the total number of securities to be included in such offering.

Section 2.4. Shelf Registration.

(a) Subject to Section 2.14, the Company shall prepare and file not later than fourteen (14) months after the consummation date of the IPO, a "shelf" registration statement with respect to the resale of the Registrable Securities ("Resale Shelf Registration") by the Holders thereof on an appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 (the "Resale Shelf Registration Statement") and permitting registration of such Registrable Securities for resale by such Holders in accordance with the methods of distribution elected by the Holders and set forth in the Resale Shelf Registration Statement. The Company shall use its reasonable efforts to cause the Resale Shelf Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof, and, subject to Sections 2.4(d) and 2.14, to keep such Resale Shelf Registration Statement continuously effective for a period ending when all shares of Common Stock covered by the Resale Shelf Registration Statement are no longer Registrable Securities.

At the time the Resale Shelf Registration Statement is declared effective, each Holder that has delivered a duly completed and executed Notice and Questionnaire to the Company on or prior to the date ten (10) Business Days prior to such time of effectiveness shall be named as a selling securityholder in the Resale Shelf Registration Statement and the related prospectus in such a manner as to permit such Holder to deliver such prospectus to purchasers of Registrable Securities in accordance with applicable law. If required by applicable law, subject to the terms and conditions hereof, after effectiveness of the Resale Shelf Registration Statement, the Company shall file a supplement to such prospectus or amendment to the Resale Shelf Registration Statement not less than once a quarter as necessary to name as selling securityholders therein any Holders that provide to the Company a duly completed and executed Notice and Questionnaire and shall use reasonable efforts to cause any post-effective amendment to such Resale Shelf Registration Statement filed for such purpose to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof.

(b) The Company may, at its option, satisfy its obligation to prepare and file a Resale Shelf Registration Statement pursuant to Section 2.4(a) with respect to shares of Common Stock issuable upon exchange of Exchangeable Common OP Units by preparing and filing with the Commission not later than fourteen (14) months after the consummation date of the IPO a registration statement on an appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 (an "Issuer Shelf Registration Statement") providing for (i) the issuance by the Company, from time to time, to the Holders of such Exchangeable Common OP Units, of shares of Common Stock registered under the Securities Act (the "Primary Shares") and (ii) to the extent such Primary Shares constitute Restricted Shares, the registered resale thereof by their Holders from time to time in accordance with the methods of distribution elected by the Holders and set forth therein (but except as provided in Section 2.4(c) below, not an underwritten offering). The Company shall use its reasonable efforts to cause the Issuer Shelf Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after filing thereof and, subject to Sections 2.4(d) and 2.14, to keep the Issuer Shelf Registration Statement continuously effective for a period (the "Effectiveness Period") expiring on the date all of the shares of Common Stock covered by such Issuer Shelf Registration Statement have been issued by the Company pursuant thereto or are no longer Registrable Securities. If the Company shall exercise its rights under this Section 2.4(b), Holders (other than Holders of Restricted Shares) shall have

no right to have shares of Common Stock issued or issuable upon exchange of Exchangeable Common OP Units included in a Resale Shelf Registration Statement pursuant to Section 2.4(a).

(c) Underwritten Registered Resales. Any offering under a Resale Shelf Registration Statement or by Holders under an Issuer Shelf Registration Statement shall be underwritten at the written request of Holders of Registrable Securities under such registration statement that hold in the aggregate at least ten percent 10% of the Registrable Securities originally issued in the Formation Transactions (provided, that the Registrable Securities requested to be registered in such underwritten offering shall either (i) have a Market Value of at least $25,000,000 on the date of such request or (ii) shall represent all remaining Registrable Securities held by all Rady Holders and shall have a Market Value of at least $10,000,000 on the date of such request; provided, further, that the Company shall not be obligated to effect more than three (3) underwritten offerings under this Section 2.4(c); and provided, further, that the Company shall not be obligated to effect, or take any action to effect, an underwritten offering (i) within 120 days following the last date on which an underwritten offering was effected pursuant to this Section 2.4(c) or Section 2.1(a) or during any lock-up period required by the Underwriters in any prior underwritten offering conducted by the Company on its own behalf or on behalf of selling stockholders, or (ii) during the period commencing with the date thirty (30) days prior to the Company's good faith estimate of the date of filing of (provided the Company is actively employed in good faith commercially reasonable efforts to file such registration statement), and ending on a date ninety (90) days after the effective date of, a registration statement with respect to an offering by the Company. Any request for an underwritten offering hereunder shall be made to the Company in accordance with the notice provisions of this Agreement.

(d) Subsequent Filing. The Company shall prepare and file such additional registration statements as necessary every three (3) years and use its reasonable efforts to cause such registration statements to be declared effective by the Commission so that a Shelf Registration Statement remains continuously effective, subject to Section 2.14, with respect to resales of Registrable Securities as and for the periods required under Section 2.4(a) or (b), as applicable (such subsequent registration statements to constitute a Resale Shelf Registration Statement or an Issuer Shelf Registration Statement, as the case may be, hereunder).

(e) Selling Holders Become Party to Agreement. Each Holder acknowledges that by participating in its registration rights pursuant to this Agreement, such Holder will be deemed a party to this Agreement and will be bound by its terms, notwithstanding such Holder's failure to deliver a Notice and Questionnaire; provided, that any Holder that has not delivered a duly completed and executed Notice and Questionnaire shall not be entitled to be named as a Selling Holder in, or have the Registrable Securities held by it covered by, a Shelf Registration Statement.

Section 2.5. Reduction of Offering. Notwithstanding anything contained herein, if the managing Underwriter(s) of an offering described in Section 2.4(c) advise in writing the Company and the Holder(s) of the Registrable Securities included in such offering that the size of the intended offering is such that the success of the offering would be significantly adversely

affected by inclusion of all the Registrable Securities requested to be included, then the amount of securities to be offered for the accounts of Holders shall be reduced pro rata (according to the Registrable Securities requested for inclusion) to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s) but in priority to any securities proposed to be sold by any other holders of securities of the Company with registration rights to participate therein. The Company shall have the opportunity to include such number of securities as it may elect in an offering described in Section 2.4(c); provided, if the managing Underwriter(s) of such offering advise in writing the Company and the Holder(s) of the Registrable Securities requested to be included that the success of the offering would be significantly adversely affected by inclusion of all the securities requested to be included by the Company, then the amount of securities to be offered for the account of the Company shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s); provided, further, the amount of securities to be offered by the Company shall not be reduced to less than fifty percent (50%) of the total number of securities to be included in such offering.

Section 2.6. Registration Procedures; Filings; Information. Subject to Section 2.14 hereof, in connection with any Resale Shelf Registration Statement under Section 2.4(a), the Company will use its reasonable efforts to effect the registration of the Registrable Securities covered thereby in accordance with the intended method of disposition thereof as quickly as practicable, and, in connection with any Issuer Shelf Registration Statement under Section 2.4(b), the Company will use its reasonable efforts to effect the registration of the Primary Shares (including for resale, to the extent provided in clause (ii) of Section 2.4(b)) as quickly as reasonably practicable. In connection with any Shelf Registration Statement:

(a) The Company will no later than two (2) Business Days prior to filing a Resale Shelf Registration Statement (or an Issuer Shelf Registration Statement providing for resales pursuant to clause (ii) of Section 2.4(b)) or prospectus or any amendment or supplement thereto, furnish to each Selling Holder and each Underwriter, if any, of the Registrable Securities covered by such registration statement copies of such registration statement as proposed to be filed, and thereafter furnish to such Selling Holder and Underwriter, if any, such number of conformed copies of such registration statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such registration statement (including each preliminary prospectus) and such other documents as such Selling Holder or Underwriter may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Selling Holder.

(b) After the filing of a Resale Shelf Registration Statement (or an Issuer Shelf Registration Statement providing for resales pursuant to clause (ii) of Section 2.4(b)), the Company will promptly notify each Selling Holder of Registrable Securities covered by such registration statement of any stop order issued or threatened by the Commission and take all reasonable actions required to prevent the entry of such stop order or to remove it if entered.

(c) The Company will use its reasonable efforts to (i) register or qualify the Registrable Securities under such other securities or "blue sky" laws of such jurisdictions in the United States (where an exemption does not apply) as any Selling Holder or managing Underwriter(s), if any, reasonably (in light of such Selling Holder's intended plan of distribution) requests and (ii) cause such Registrable Securities to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be reasonably necessary or advisable to enable such Selling Holder to consummate the disposition of the Registrable Securities owned by such Selling Holder; provided that the Company will not be required to (A) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (c), (B) subject itself to general taxation in any such jurisdiction or (C) consent to general service of process in any such jurisdiction. The Company will promptly notify each Selling Holder of the receipt by the Company of any notification with respect to the suspension of the qualification of any Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction or the initiation of any proceeding for such purpose.

(d) The Company will immediately notify each Selling Holder of such Registrable Securities, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of (i) the Company's receipt of any notification of the suspension of the qualification of any Registrable Securities covered by a Resale Shelf Registration Statement (or an Issuer Shelf Registration Statement providing for resales pursuant to clause (ii) of Section 2.4(b)) for sale in any jurisdiction; or (ii) the occurrence of an event requiring the preparation of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and promptly make available to each Selling Holder any such supplement or amendment.

(e) The Company will otherwise use its reasonable efforts to comply with all applicable rules and regulations of the Commission, and make available to its securityholders, as soon as reasonably practicable, an earnings statement covering a period of twelve (12) months, beginning within three (3) months after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder (or any successor rule or regulation hereafter adopted by the Commission).

(f) In the case of an underwritten offering pursuant to a Resale Shelf Registration Statement (or an Issuer Shelf Registration Statement providing for resales pursuant to clause (ii) of Section 2.4(b)), the Company will enter into and perform its obligations under customary agreements (including an underwriting agreement, if any, in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities (including, to the extent reasonably requested by the lead or managing Underwriters, sending appropriate officers of the Company to attend "road shows" scheduled in reasonable number and at reasonable times in connection

with any such underwritten offering, and obtaining customary comfort letters and legal opinions) subject to such underwritten offering.

(g) In the case of an underwritten offering pursuant to a Resale Shelf Registration Statement, the Company will make available for inspection by any Selling Holder of Registrable Securities subject to such underwritten offering, any Underwriter participating in any disposition of such Registrable Securities and any attorney, accountant or other professional retained by any such Selling Holder or Underwriter, all financial and other records, pertinent corporate documents and properties of the Company as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information reasonably requested by any inspectors in connection with such registration statement, subject to entry by each such Person of a customary confidentiality agreement in a form reasonably acceptable to the Company.

(h) The Company will use its reasonable efforts to cause all Registrable Securities covered by such Resale Shelf Registration Statement or Primary Shares covered by such Issuer Shelf Registration Statement to be listed on each securities exchange on which similar securities issued by the Company are then listed.

(i) In addition to the Notice and Questionnaire, the Company may require each Selling Holder of Registrable Securities to promptly furnish in writing to the Company such information regarding such Selling Holder, the Registrable Securities held by it and the intended method of distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration. No Holder may include Registrable Securities in any registration statement pursuant to this Agreement unless and until such Holder has furnished to the Company such information. Each Holder further agrees to furnish as soon as reasonably practicable to the Company all information required to be disclosed in order to make information previously furnished to the Company by such Holder not materially misleading.

(j) Each Selling Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.6(b) or 2.6(d) or upon receipt of a Suspension Notice, such Selling Holder will forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such Selling Holder's receipt of written notice from the Company that such disposition may be made and, in the case of clause (ii) of Section 2.6(d) or, if applicable, Section 2.14, copies of any supplemented or amended prospectus contemplated by clause (ii) of Section 2.6(d) or, if applicable, prepared under Section 2.14, and, if so directed by the Company, such Selling Holder will deliver to the Company all copies, other than permanent file copies then in such Selling Holder's possession, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. Each Selling Holder of Registrable Securities agrees that it will immediately notify the Company at any time when a prospectus relating to the registration of such Registrable Securities is required to be delivered under the Securities Act of the happening of an event as a result of which information previously furnished by such Selling Holder to the Company in writing for inclusion in such prospectus contains an untrue statement of a material fact or omits to state any material fact

required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made.

Section 2.7. Registration Expenses. In connection with any registration statement required to be filed hereunder, the Company shall pay the following registration expenses incurred in connection with the registration hereunder (the "Registration Expenses"), regardless whether such registration statement is declared effective by the Commission: (i) all registration and filing fees, (ii) fees and expenses of compliance with securities or "blue sky" laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (iii) printing expenses, (iv) internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), (v) the fees and expenses incurred in connection with the listing of the Registrable Securities, (vi) reasonable fees and disbursements of counsel for the Company and customary fees and expenses for independent certified public accountants retained by the Company, including in connection with the preparation of comfort letters, and any transfer agent and registrar fees, and (vii) the reasonable fees and expenses of any special experts retained by the Company in connection with such registration. The Company shall have no obligation to pay any fees, discounts or commissions attributable to the sale of Registrable Securities, or any out-of-pocket expenses of the Holders (or the agents who manage their accounts) or any transfer taxes relating to the registration or sale of the Registrable Securities.

Section 2.8. Indemnification by the Company. The Company agrees to indemnify and hold harmless each Selling Holder of Registrable Securities, its officers, directors, agents, partners, members, employees, managers, advisors, sub-advisors, attorneys, representatives and Affiliates, and each Person, if any, who controls such Selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against, as incurred, any and all losses, claims, damages and liabilities (or actions in respect thereof) that arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, preliminary prospectus, prospectus, or free writing prospectus relating to the Registrable Securities (in each case, as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or that arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, except insofar as such losses, claims, damages or liabilities arise out of or are based upon any such untrue statement or omission or alleged untrue statement or omission included in reliance upon and in conformity with information furnished in writing to the Company by such Selling Holder or on such Selling Holder's behalf expressly for inclusion therein.

Section 2.9. Indemnification by Holders of Registrable Securities. Each Selling Holder agrees, severally but not jointly or jointly and severally, to indemnify and hold harmless the Company, its officers, directors, agents, employees, attorneys, representatives and Affiliates, and each Person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from the Company to such Selling Holder, but only with respect to information relating to such Selling Holder included in reliance upon and in conformity with information furnished in writing by such Selling Holder or on such Selling Holder's behalf expressly for use in any registration

statement, preliminary prospectus, prospectus or free writing prospectus relating to the Registrable Securities, or any amendment or supplement thereto. In case any action or proceeding shall be brought against the Company or its officers, directors or agents or any such controlling person, in respect of which indemnity may be sought against such Selling Holder, such Selling Holder shall have the rights and duties given to the Company, and the Company or its officers, directors or agents or such controlling person shall have the rights and duties given to such Selling Holder, by Section 2.10; provided, however, that the total obligations of such Selling Holder under this Agreement (including, but not limited to, obligations arising under Section 2.11 herein) will be limited to an amount equal to the net proceeds actually received by such Selling Holder (after deducting any discounts and commissions) from the disposition of Registrable Securities pursuant to such registration statement.

Section 2.10. Conduct of Indemnification Proceedings. In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 2.8 or 2.9, such person (an "Indemnified Party") shall promptly notify the person against whom such indemnity may be sought (an "Indemnifying Party") in writing and the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Party, and shall assume the payment of all fees and expenses; provided, however, that the failure of any Indemnified Party to give such notice will not relieve such Indemnifying Party of any obligations under Section 2.8 or 2.9, except to the extent such Indemnifying Party is materially prejudiced by such failure. In any such proceeding, any Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of such counsel or (ii) representation of the Indemnified Party by the counsel retained by the Indemnifying Party would be inappropriate due to actual or potential differing interests between the Indemnified Party and the Indemnified Party. It is understood that the Indemnifying Party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for all such Indemnified Parties, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Indemnified Parties, such firm shall be designated in writing by (i) in the case of Persons indemnified pursuant to Section 2.8 hereof, the Selling Holders which owned a majority of the Registrable Securities sold under the applicable registration statement and (ii) in the case of Persons indemnified pursuant to Section 2.9, the Company. The Indemnifying Party shall not be liable for any settlement of any proceeding effected without its written consent, which consent shall not be unreasonably withheld, but if settled with such consent, or if there be a final judgment for the plaintiff, the Indemnifying Party shall indemnify and hold harmless such Indemnified Parties from and against any loss or liability (to the extent stated above) by reason of such settlement or judgment. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such proceeding without any admission of liability by such Indemnified Party.

Section 2.11. Contribution. If the indemnification provided for in Section 2.8 or 2.9 hereof is held by a court of competent jurisdiction to be unavailable to an Indemnified Party or insufficient in respect of any losses, claims, damages or liabilities that otherwise would have been covered by Section 2.8 or 2.9 hereof, then each such Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the Company, on the one hand, and of each Selling Holder, on the other hand, in connection with such statements or omissions which resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of each Selling Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such party.

The Company and the Selling Holders agree that it would not be just and equitable if contribution pursuant to this Section 2.11 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 2.11, no Selling Holder shall be required to contribute any amount which in the aggregate exceeds the amount by which the net proceeds actually received by such Selling Holder from the sale of its securities to the public exceeds the amount of any damages which such Selling Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Selling Holder's obligations to contribute pursuant to this Section 2.11, if any, are several in proportion to the proceeds of the offering actually received by such Selling Holder bears to the total proceeds of the offering received by all the Selling Holders and not joint.

Section 2.12. Rule 144. The Company covenants that it will (a) make and keep public information regarding the Company available as those terms are defined in Rule 144, (b) file in a timely manner any reports and documents required to be filed by it under the Securities Act and the Exchange Act, (c) furnish to any Holder forthwith upon request (i) a written statement by the Company as to its compliance with the reporting requirements of Rule 144 (at any time more than ninety (90) days after the effective date of the registration statement for the Company's initial public offering), the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), and (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (d) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144.

Section 2.13. Participation in Underwritten Offerings. No Person may participate in any underwritten offerings hereunder unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements and these registration rights provided for in this Article II.

Section 2.14. Suspension of Use of Registration Statement.

(a) If the Board of Directors of the Company determines in its good faith judgment that the filing of a Rady Demand Registration Statement or Resale Shelf Registration Statement under Section 2.1(a) or Section 2.4(a) or the use of any related prospectus would be materially detrimental to the Company because such action would require the disclosure of material information that the Company has a bona fide business purpose for preserving as confidential or the disclosure of which would materially impede the Company's ability to consummate a significant transaction, and that the Company is not otherwise required by applicable securities laws or regulations to disclose, upon written notice of such determination by the Company to the Holders which shall be signed by the Chief Executive Officer, President or any Executive Vice President of the Company certifying thereto, the rights of the Holders to offer, sell or distribute any Registrable Securities pursuant to a Resale Shelf Registration or to require the Company to take action with respect to the registration or sale of any Registrable Securities pursuant to a Resale Shelf Registration Statement shall be suspended until the earliest of (i) the date upon which the Company notifies the Holders in writing that suspension of such rights for the grounds set forth in this Section 2.14(a) is no longer necessary and they may resume use of the applicable prospectus, (ii) the date upon which copies of the applicable supplemented or amended prospectus is distributed to the Holders, and (iii) (x) up to thirty (30) consecutive days after the notice to the Holders if that notice is given during the Initial Period or (y) ninety (90) consecutive days after the notice to the Holders if that notice is given after the Initial Period; provided, that the Company shall not be entitled to exercise any such right more than two (2) times in any twelve (12) month period or less than thirty (30) days from the termination of the prior such suspension period; and provided further, that such exercise shall not prevent the Holders from being entitled to at least three hundred twenty (320) days of effective registration with respect to such registration statement during each Initial Period and thereafter two hundred ten (210) days of effective registration with respect to such registration statement in any 365-day period. The Company agrees to give the notice under (i) above as promptly as practicable following the date that such suspension of rights is no longer necessary.

(b) If all reports required to be filed by the Company pursuant to the Exchange Act have not been filed by the required date without regard to any extension, or if the consummation of any business combination by the Company has occurred or is probable for purposes of Rule 3-05 or Article 11 of Regulation S-X promulgated under the Securities Act or any similar successor rule, upon written notice thereof by the Company to the Holders, the rights of the Holders to offer, sell or distribute any Registrable Securities pursuant to a Rady Demand Registration Statement or Resale Shelf Registration Statement or to require the Company to take action with respect to the registration or sale of any Registrable Securities

pursuant to a Rady Demand Registration Statement or Resale Shelf Registration Statement shall be suspended until the date on which the Company has filed such reports or obtained and filed the financial information required by Rule 3-05 or Article 11 of Regulation S-X to be included or incorporated by reference, as applicable, in a Rady Demand Registration Statement or Resale Shelf Registration Statement, and the Company shall use commercially reasonable efforts to file the required reports or obtain and file the financial information required to be included or incorporated by reference, as applicable, as promptly as commercially practicable, and shall notify the Holders as promptly as practicable when such suspension is no longer required.

Section 2.15. Additional Shares. The Company, at its option, may register under a Shelf Registration Statement and any filings with any state securities commissions filed pursuant to this Agreement, any number of unissued shares of Common Stock or any shares of Common Stock owned by any other stockholder or stockholders of the Company; provided that in no event shall the inclusion of such shares on a registration statement reduce the amount offered for the account of the Holders in any underwritten offering at the request of the Holders pursuant to Section 2.1(a) or Section 2.4(c).

ARTICLE III
MISCELLANEOUS

Section 3.1. Remedies. In addition to being entitled to exercise all rights provided herein and granted by law, including recovery of damages, the Holders shall be entitled to specific performance of the rights under this Agreement. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

Section 3.2. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, in each case without the written consent of the Company and the Holders against whom enforcement is sought. No failure or delay by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon any breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement or condition.

Section 3.3. Notices. All notices and other communications in connection with this Agreement shall be made in writing by hand delivery, registered first-class mail, telecopier, or air courier guaranteeing overnight delivery:

(1) if to any Holder, initially to the address indicated in such Holder's Notice and Questionnaire or, if no Notice and Questionnaire has been delivered, c/o American Assets Trust, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: Chief Executive Officer, or to such other address and to such other Persons as any Holder may hereafter specify in writing; and

(2) if to the Company, initially at 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: Chief Executive Officer, or to such other address as the Company may hereafter specify in writing.

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; when received if deposited in the mail, postage prepaid, if mailed; when receipt acknowledged, if telecopied; and on the next Business Day, if timely delivered to an air courier guaranteeing overnight delivery.

Section 3.4. Successors and Assigns; Assignment of Registration Rights. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties. Any Holder may assign its rights under this Agreement without the consent of the Company in connection with a transfer of such Holder's Registrable Securities; provided, that the Holder notifies the Company of such proposed transfer and assignment and the transferee or assignee of such rights assumes in writing the obligations of such Holder under this Agreement.

Section 3.5. Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 3.6. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of California.

Section 3.7. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

Section 3.8. Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein with respect to the registration rights granted by the Company with respect to the Registrable Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

Section 3.9. Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

Section 3.10. Termination. The obligations of the parties hereunder shall terminate with respect to a Holder when it no longer holds Registrable Securities and with respect to the Company upon the end of the Effectiveness Period with respect to any Issuer Shelf Registration Statement and with respect to a Resale Shelf Registration Statement when there are no longer Registrable Securities with respect to such Resale Shelf Registration Statement, except, in each case, for any obligations under Sections 2.4(d), 2.7, 2.8, 2.9, 2.10, 2.11 and Article III.

Section 3.11. Waiver of Jury Trial. The parties hereto (including any Initial Holder and any subsequent Holder) irrevocably waive any right to trial by jury.

Certain legal consequences arise from being named as selling security holders in the Resale Shelf Registration Statement and the related prospectus. Accordingly, holders and beneficial owners of Registrable Securities are advised to consult their own securities law counsel regarding the consequences of being named or not being named as a selling security holder in the Resale Shelf Registration Statement and the related prospectus.

AMENDED AND RESTATED
AGREEMENT OF LIMITED PARTNERSHIP
OF AMERICAN ASSETS TRUST, L.P.

THIS AMENDED AND RESTATED AGREEMENT OF LIMITED PARTNERSHIP OF AMERICAN ASSETS TRUST, L.P., dated as of [_____], 2010, is made and entered into by and among AMERICAN ASSETS TRUST, INC., a Maryland corporation, as the General Partner and the Persons whose names are set forth on Exhibit A attached hereto, as limited partners, and any Additional Limited Partner that is admitted from time to time to the Partnership and listed on Exhibit A attached hereto.

WHEREAS, a Certificate of Limited Partnership of the Partnership was filed with the State Department of Assessments and Taxation of Maryland on [_____], 2010 (the "*Formation Date*"), and the initial general partner and limited partners of the Partnership entered into an original agreement of limited partnership of the Partnership effective as of the Formation Date (the "*Original Partnership Agreement*"); and

WHEREAS, the Partners (as hereinafter defined) now desire to amend and restate the Original Partnership Agreement and admit the Persons whose names are set forth on Exhibit A attached hereto as limited partners of the Partnership by entering into this Agreement (as hereinafter defined);

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE 1
DEFINED TERMS

The following definitions shall be for all purposes, unless otherwise clearly indicated to the contrary, applied to the terms used in this Agreement:

"*Act*" means the Maryland Revised Uniform Limited Partnership Act, Title 10 of the Corporations and Associations Article of the Annotated Code of Maryland, as it may be amended from time to time, and any successor to such statute.

"*Actions*" has the meaning set forth in Section 7.7 hereof.

"*Additional Funds*" has the meaning set forth in Section 4.3.A hereof.

"*Additional Limited Partner*" means a Person who is admitted to the Partnership as a limited partner pursuant to the Act and Section 4.2 and Section 12.2 hereof and who is shown as such on the books and records of the Partnership.

"*Adjusted Capital Account*" means, with respect to any Partner, the balance in such Partner's Capital Account as of the end of the relevant Partnership Year or other applicable period, after giving effect to the following adjustments:

(i) increase such Capital Account by any amounts that such Partner is obligated to restore pursuant to this Agreement upon liquidation of such Partner's Partnership Interest or that such Person is deemed to be obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c) or the penultimate sentence of each of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(ii) decrease such Capital Account by the items described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6).

The foregoing definition of "Adjusted Capital Account" is intended to comply with the provisions of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

"*Adjusted Capital Account Deficit*" means, with respect to any Partner, the deficit balance, if any, in such Partner's Adjusted Capital Account as of the end of the relevant Partnership Year or other applicable period.

"*Adjustment Event*" has the meaning set forth in Section 16.3 hereof.

"*Adjustment Factor*" means 1.0; *provided*, *however*, that in the event that:

(i) the General Partner (a) declares or pays a dividend on its outstanding REIT Shares wholly or partly in REIT Shares or makes a distribution to all holders of its outstanding REIT Shares wholly or partly in REIT Shares, (b) splits or subdivides its outstanding REIT Shares or (c) effects a reverse stock split or otherwise combines its outstanding REIT Shares into a smaller number of REIT Shares, the Adjustment Factor shall be adjusted by multiplying the Adjustment Factor previously in effect by a fraction, (i) the numerator of which shall be the number of REIT Shares issued and outstanding on the record date for such dividend, distribution, split, subdivision, reverse split or combination (assuming for such purposes that such dividend, distribution, split, subdivision, reverse split or combination has occurred as of such time) and (ii) the denominator of which shall be the actual number of REIT Shares (determined without the above assumption) issued and outstanding on the record date for such dividend, distribution, split, subdivision, reverse split or combination;

(ii) the General Partner distributes any rights, options or warrants to all holders of its REIT Shares to subscribe for or to purchase or to otherwise acquire REIT Shares, or other securities or rights convertible into, exchangeable for or exercisable for REIT Shares (other than REIT Shares issuable pursuant to a Qualified DRIP/COPP), at a price per share less than the Value of a REIT Share on the record date for such distribution (each a "*Distributed Right*"), then, as of the distribution date of such Distributed Rights or, if later, the time such Distributed Rights become exercisable, the Adjustment Factor shall be adjusted by multiplying the Adjustment Factor previously in effect by a fraction (a) the numerator of which shall be the number of REIT Shares issued and outstanding on the record date (or, if later, the date such Distributed Rights become exercisable) plus the maximum number of REIT Shares purchasable under such Distributed Rights and (b) the denominator of which shall be the number of REIT Shares

issued and outstanding on the record date (or, if later, the date such Distributed Rights become exercisable) plus a fraction (1) the numerator of which is the maximum number of REIT Shares purchasable under such Distributed Rights times the minimum purchase price per REIT Share under such Distributed Rights and (2) the denominator of which is the Value of a REIT Share as of the record date (or, if later, the date such Distributed Rights become exercisable); *provided*, *however*, that, if any such Distributed Rights expire or become no longer exercisable, then the Adjustment Factor shall be adjusted, effective retroactive to the date of distribution of the Distributed Rights, to reflect a reduced maximum number of REIT Shares or any change in the minimum purchase price for the purposes of the above fraction; and

(iii) the General Partner shall, by dividend or otherwise, distribute to all holders of its REIT Shares evidences of its indebtedness or assets (including securities, but excluding any dividend or distribution referred to in subsection (i) or (ii) above), which evidences of indebtedness or assets relate to assets not received by the General Partner pursuant to a pro rata distribution by the Partnership, then the Adjustment Factor shall be adjusted to equal the amount determined by multiplying the Adjustment Factor in effect immediately prior to the close of business as of the record date by a fraction (a) the numerator of which shall be such Value of a REIT Share as of the record date and (b) the denominator of which shall be the Value of a REIT Share as of the record date less the then fair market value (as determined by the General Partner, whose determination shall be conclusive) of the portion of the evidences of indebtedness or assets so distributed applicable to one REIT Share.

Notwithstanding the foregoing, no adjustments to the Adjustment Factor will be made for any class or series of Partnership Interests to the extent that the Partnership makes or effects any correlative distribution or payment to all of the Partners holding Partnership Interests of such class or series, or effects any correlative split or reverse split in respect of the Partnership Interests of such class or series. Any adjustments to the Adjustment Factor shall become effective immediately after such event, retroactive to the record date, if any, for such event. For illustrative purposes, examples of adjustments to the Adjustment Factor are set forth on Exhibit B attached hereto.

"*Affiliate*" means, with respect to any Person, any Person directly or indirectly controlling or controlled by or under common control with such Person. For the purposes of this definition, "control" when used with respect to any Person means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such Person, whether through the ownership of voting securities, by contract or otherwise, and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

(i) the sum, without duplication, of:

(2) Depreciation and all other noncash charges to the extent deducted in determining Net Income or Net Loss for such period,

(3) the amount of any reduction in reserves of the Partnership referred to in clause (ii)(6) below (including, without limitation, reductions resulting because the General Partner determines such amounts are no longer necessary),

(4) the excess, if any, of the net cash proceeds from the sale, exchange, disposition, financing or refinancing of Partnership property for such period over the gain (or loss, as the case may be) recognized from such sale, exchange, disposition, financing or refinancing during such period (excluding Terminating Capital Transactions), and

(5) all other cash received (including amounts previously accrued as Net Income and amounts of deferred income) or any net amounts borrowed by the Partnership for such period that was not included in determining Net Income or Net Loss for such period;

(ii) less the sum, without duplication, of:

(8) the amount of any working capital accounts and other cash or similar balances which the General Partner determines to be necessary or appropriate in its sole and absolute discretion.

Notwithstanding the foregoing, Available Cash shall not include (a) any cash received or reductions in reserves, or take into account any disbursements made, or reserves established, after dissolution and the commencement of the liquidation and winding up of the Partnership or (b) any Capital Contributions, whenever received or any payments, expenditures or investments made with such Capital Contributions.

(iii) In the event any interest in the Partnership is Transferred in accordance with the terms of this Agreement (which Transfer does not result in the termination of the Partnership for U.S. federal income tax purposes), the transferee shall succeed to the Capital Account of the transferor to the extent that it relates to the Transferred interest.

(iv) In determining the amount of any liability for purposes of subsections (i) and (ii) hereof, there shall be taken into account Code Section 752(c) and any other applicable provisions of the Code and Regulations.

If the General Partner shall determine that it is necessary or prudent to modify the manner in which the Capital Accounts are maintained in order to comply with such Regulations, the General Partner may make such modification, provided that such modification is not likely to have any material effect on the amounts distributable to any Partner pursuant to Article 13 hereof upon the dissolution of the Partnership. The General Partner may, in its sole discretion, (a) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Partners and the amount of Partnership capital reflected on the Partnership's balance sheet, as computed for book purposes, in accordance with Regulations Section 1.704-1(b)(2)(iv)(q) and (b) make any appropriate modifications in the event that unanticipated events might otherwise cause this Agreement not to comply with Regulations Section 1.704-1(b) or Section 1.704-2.

(2) Notwithstanding the amount of the Capital Contribution actually made pursuant to Section 4.4.A(1) hereof, the General Partner shall be deemed to have contributed to the Partnership as a Capital Contribution, in lieu of the Capital Contribution actually made and in consideration of an additional Limited Partner Interest (expressed in and as additional Partnership Common Units), an amount equal to the Value of a REIT Share as of the date of exercise multiplied by the number of REIT Shares then being issued in connection with the exercise of such stock option.

(3) An equitable Percentage Interest adjustment shall be made in which the General Partner shall be treated as having made a cash contribution equal to the amount described in Section 4.4.A(2) hereof.

B. *Options Granted to Partnership Employees*. If at any time or from time to time, in connection with any Stock Option Plan, a stock option granted for REIT Shares to a Partnership Employee is duly exercised:

(2) The General Partner shall sell to the Partnership (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the General Partner shall sell to such Partnership Subsidiary), and the Partnership (or such subsidiary, as applicable) shall purchase from the General Partner, a number of REIT Shares equal to (a) the number of REIT Shares as to which such stock option is being exercised less (b) the number of REIT Shares sold pursuant to Section 4.4.B(1) hereof. The purchase price per REIT Share for such sale of REIT Shares to the Partnership (or such subsidiary) shall be the Value of a REIT Share as of the date of exercise of such stock option.

(3) The Partnership shall transfer to the Optionee (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the Partnership Subsidiary shall transfer to the Optionee) at no additional cost, as additional compensation, the number of REIT Shares described in Section 4.4.B(2) hereof.

(4) The General Partner shall, as soon as practicable after such exercise, make a Capital Contribution to the Partnership of an amount equal to all proceeds received (from whatever source, but excluding any payment in respect of payroll taxes or other withholdings) by the General Partner in connection with the exercise of such stock option. An equitable Percentage Interest adjustment shall be made as a result of such contribution.

C. *Future Stock Incentive Plans*. Nothing in this Agreement shall be construed or applied to preclude or restrain the General Partner from adopting, modifying or terminating stock incentive plans for the benefit of employees, directors or other business associates of the General Partner, the Partnership or any of their Affiliates. The Partners acknowledge and agree that, in the event that any such plan is adopted, modified or terminated by the General Partner, amendments to this Section 4.4 may become necessary or advisable and that any approval or Consent to any such amendments requested by the General Partner shall be deemed granted by the Limited Partners.

D. *Issuance of Partnership Common Units*. The Partnership is expressly authorized to issue Partnership Common Units in accordance with any Stock Option Plan pursuant to this Section 4.4 without any further act, approval or vote of any Partner or any other Persons.

Upon such contribution, the Partnership will issue to the General Partner a number of Partnership Common Units equal to the quotient of (i) the new REIT Shares so issued, divided by (ii) the Adjustment Factor then in effect.

Section 4.6 *No Interest; No Return*. No Partner shall be entitled to interest on its Capital Contribution or on such Partner's Capital Account. Except as provided herein or by law, no Partner shall have any right to demand or receive the return of its Capital Contribution from the Partnership.

Section 4.7 *Conversion or Redemption of Capital Shares*.

A. *Conversion of Capital Shares*. If, at any time, any of the Capital Shares are converted into REIT Shares, in whole or in part, then a number of Partnership Units with preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption that are substantially the same as the preferences, conversion and other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption of such Capital Shares ("*Partnership Equivalent Units*") equal to the number of Capital Shares so converted shall automatically be converted into a number of Partnership Common Units equal to the quotient of (i) the number of REIT Shares issued upon such conversion divided by (ii) the

Adjustment Factor then in effect, and the Percentage Interests of the General Partner and the Limited Partners shall be adjusted to reflect such conversion.

B. *Redemption of Capital Shares or REIT Shares*. Except as otherwise provided in Section 7.4.C., if, at any time, any Capital Shares are redeemed or otherwise repurchased (whether by exercise of a put or call, automatically or by means of another arrangement) by the General Partner for cash, the Partnership shall, immediately prior to such redemption or repurchase of Capital Shares, redeem or repurchase an equal number of Partnership Equivalent Units held by the General Partner upon the same terms and for the same price per Partnership Equivalent Unit as such Capital Shares are redeemed. If, at any time, any REIT Shares are redeemed or otherwise repurchased by the General Partner, the Partnership shall, immediately prior to such redemption or repurchase of REIT Shares, redeem or repurchase a number of Partnership Common Units held by the General Partner equal to the quotient of (i) the REIT Shares so redeemed or repurchased, divided by (ii) the Adjustment Factor then in effect, such redemption or repurchase to be upon the same terms and for the same price per Partnership Common Unit (after giving effect to application of the Adjustment Factor) as such REIT Shares are redeemed or repurchased.

Section 4.8 *Other Contribution Provisions*. In the event that any Partner is admitted to the Partnership and is given a Capital Account in exchange for services rendered to the Partnership, such transaction shall be treated by the Partnership and the affected Partner as if the Partnership had compensated such partner in cash and such Partner had contributed the cash that the Partner would have received to the capital of the Partnership. In addition, with the Consent of the General Partner, one or more Partners may enter into contribution agreements with the Partnership which have the effect of providing a guarantee of certain obligations of the Partnership (and/or a wholly-owned Subsidiary of the Partnership).

ARTICLE 5
DISTRIBUTIONS

Section 5.1 *Requirement and Characterization of Distributions*. Subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may cause the Partnership to distribute such amounts, at such times, as the General Partner may, in its sole and absolute discretion, determine, to the Holders as of any Partnership Record Date: (i) first, with respect to any Partnership Units that are entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date); and (ii) second, with respect to any Partnership Units that are not entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units, as applicable (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date). Distributions payable with respect to any Partnership Units, other than any Partnership Units issued to the General Partner in connection with the issuance of REIT Shares by the General Partner, that were not outstanding during the entire quarterly period in respect of which any distribution is made shall be prorated based on the portion of the period that such Partnership Units were outstanding. The General Partner shall make such reasonable efforts, as determined by it in its

sole and absolute discretion and consistent with the General Partner's qualification as a REIT, to cause the Partnership to distribute sufficient amounts to enable the General Partner, for so long as the General Partner has determined to qualify as a REIT, to pay stockholder dividends that will (a) satisfy the requirements for qualifying as a REIT under the Code and Regulations (the "*REIT Requirements*") and (b) except to the extent otherwise determined by the General Partner, eliminate any U.S. federal income or excise tax liability of the General Partner. Notwithstanding anything in the forgoing to the contrary, a Holder of LTIP Units will only be entitled to distributions with respect to an LTIP Unit as set forth in Article 16 hereof and in making distributions pursuant to this Section 5.1, the General Partner of the Partnership shall take into account the provisions of Section 16.4 hereof.

Section 5.2 *Distributions in Kind*. Except as expressly provided herein, no right is given to any Holder to demand and receive property other than cash as provided in this Agreement. The General Partner may determine, in its sole and absolute discretion, to make a distribution in kind of Partnership assets to the Holders, and such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in accordance with Articles 5, 6 and 13 hereof; *provided*, *however*, that the General Partner shall not make a distribution in kind to any Holder unless the Holder has been given 90 days prior written notice of such distribution.

Section 5.3 *Amounts Withheld*. All amounts withheld pursuant to the Code or any provisions of any state, local or non-United States tax law and Section 10.4 hereof with respect to any allocation, payment or distribution to any Holder shall be treated as amounts paid or distributed to such Holder pursuant to Section 5.1 hereof for all purposes under this Agreement.

Section 5.4 *Distributions upon Liquidation*. Notwithstanding the other provisions of this Article 5, net proceeds from a Terminating Capital Transaction, and any other amounts distributed after the occurrence of a Liquidating Event, shall be distributed to the Holders in accordance with Section 13.2 hereof.

Section 5.5 *Distributions to Reflect Additional Partnership Units*. In the event that the Partnership issues additional Partnership Units pursuant to the provisions of Article 4 hereof, subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner is hereby authorized to make such revisions to this Article 5 and to Articles 6, 11 and 12 hereof as it determines are necessary or desirable to reflect the issuance of such additional Partnership Units, including, without limitation, making preferential distributions to Holders of certain classes of Partnership Units.

Section 5.6 *Restricted Distributions*. Notwithstanding any provision to the contrary contained in this Agreement, neither the Partnership nor the General Partner, on behalf of the Partnership, shall make a distribution to any Holder if such distribution would violate the Act or other applicable law.

ARTICLE 6
ALLOCATIONS

Section 6.1 *Timing and Amount of Allocations of Net Income and Net Loss*. Net Income and Net Loss of the Partnership shall be determined and allocated with respect to each Partnership Year as of the end of each such year, provided that the General Partner may in its discretion allocate Net Income and Net Loss for a shorter period as of the end of such period (and, for purposes of this Article 6, references to the term "Partnership Year" may include such shorter periods). Except as otherwise provided in this Article 6, and subject to Section 11.6.C hereof, an allocation to a Holder of a share of Net Income or Net Loss shall be treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing Net Income or Net Loss.

Section 6.2 *General Allocations*. Except as otherwise provided in this Article 6, Section 11.6.C and Section 16.5 hereof, Net Income and Net Loss for any Partnership Year shall be allocated to each of the Holders as follows:

A. *Net Income*.

(i) First, 100% to the General Partner in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to the General Partner pursuant to clause (iii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to the General Partner pursuant to this clause (i) for all prior Partnership Years;

(ii) Second, 100% to each Holder in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to each such Holder pursuant to clause (ii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to such Holder pursuant to this clause (ii) for all prior Partnership Years; and

(iii) Third, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units.

To the extent the allocations of Net Income set forth above in any paragraph of this Section 6.2.A are not sufficient to entirely satisfy the allocation set forth in such paragraph, such allocation shall be made in proportion to the total amount that would have been allocated pursuant to such paragraph without regard to such shortfall.

B. *Net Losses*.

(i) First, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units (to the extent consistent with this clause (i)) until the Adjusted Capital Account (ignoring for this purpose any amounts a Holder is obligated to contribute to the capital of the Partnership or is deemed obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c)(2)) of all such Holders is zero;

(ii) Second, 100% to the Holders (other than the General Partner) to the extent of, and in proportion to, the positive balance (if any) in their Adjusted Capital Accounts; and

(iii) Third, 100% to the General Partner.

C. *Allocations to Reflect Issuance of Additional Partnership Interests*. In the event that the Partnership issues additional Partnership Interests to the General Partner or any Additional Limited Partner pursuant to Section 4.2 or 4.3, the General Partner shall make such revisions to this Section 6.2 or to Section 12.2.C or 13.2.A as it determines are necessary to reflect the terms of the issuance of such additional Partnership Interests, including making preferential allocations to certain classes of Partnership Interests, subject to the terms of any Partnership Unit Designation with respect to Partnership Interests then outstanding.

D. *Special Allocations with Respect to LTIP Units*. After giving effect to the special allocations set forth in Section 6.4.A hereof, and notwithstanding the provisions of Sections 6.2.A and 6.2.B above, any Liquidating Gains shall first be allocated to Holders of LTIP Units until the Economic Capital Account Balances of such Holders, to the extent attributable to their ownership of LTIP Units, are equal to (i) the Common Unit Economic Balance, multiplied by (ii) the number of their LTIP Units. Any such allocations shall be made among the Holders of LTIP Units in proportion to the amounts required to be allocated to each under this Section 6.2.D. The parties agree that the intent of this Section 6.2.D is to make the Capital Account balances of the Holders of LTIP Units with respect to their LTIP Units economically equivalent to the Capital Account balance of the General Partner with respect to its Partnership Common Units. In the event that Liquidating Gains are allocated under this Section 6.2.D, Net Income allocable under Section 6.2.A and any Net Losses allocable under Section 6.2.B shall be recomputed without regard to the Liquidating Gains so allocated.

Section 6.3 *Additional Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Special Allocations Upon Liquidation*. Notwithstanding any provision in this Article 6 to the contrary, in the event that the Partnership disposes of all or substantially all of its assets in a transaction that will lead to a liquidation of the Partnership pursuant to Article 13 hereof, then any Net Income or Net Loss realized in connection with such transaction and thereafter (and, if necessary, constituent items of income, gain, loss and deduction) shall be specially allocated for such Partnership Year (and to the extent permitted by Section 761(c) of the Code, for the immediately preceding Partnership Year) among the Holders as required so as to cause liquidating distributions pursuant to Section 13.2.A(4) hereof to be made in the same amounts and proportions as would have resulted had such distributions instead been made pursuant to Article 5 hereof. In addition, if there is an adjustment to the Gross Asset Value of the assets of the Partnership pursuant to paragraph (b) of the definition of Gross Asset Value, allocations of Net Income or Net Loss arising from such adjustment shall be allocated in the same manner as described in the prior sentence.

B. *Offsetting Allocations*. Notwithstanding the provisions of Sections 6.1, 6.2.A and 6.2.B, but subject to Sections 6.3 and 6.4, in the event Net Income or items thereof are being

allocated to a Partner to offset prior Net Loss or items thereof which have been allocated to such Partner, the General Partner shall attempt to allocate such offsetting Net Income or items thereof which are of the same or similar character (including without limitation Section 704(b) book items versus tax items) to the original allocations with respect to such Partner.

C. *CODI Allocations*. Notwithstanding anything to the contrary contained herein, if any indebtedness of the Partnership encumbering the Properties contributed to the Partnership in connection with the General Partner's initial public offering is settled or paid off at a discount, any resulting COD Income of the Partnership shall be specially allocated proportionately (as determined by the General Partner) to those Holders that were partners in entities that contributed, or were deemed to contribute, the applicable Property to the Partnership in connection with such initial public offering to the extent the number of Partnership Units received by such Holders in exchange for their interests in such entities was determined, in part, by taking into account the anticipated discounted settlement or pay-off of such indebtedness. For purposes of the foregoing, "COD Income" shall mean income recognized by the Partnership pursuant to Code Section 61(a)(12).

Section 6.4 *Regulatory Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Regulatory Allocations*.

(i) *Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(f), notwithstanding the provisions of Section 6.2 hereof, or any other provision of this Article 6, if there is a net decrease in Partnership Minimum Gain during any Partnership Year, each Holder shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partnership Minimum Gain, as determined under Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.4.A(i) is intended to qualify as a "minimum gain chargeback" within the meaning of Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) *Partner Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(i)(4) or in Section 6.4.A(i) hereof, if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Year, each Holder who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(i)(4)

and 1.704-2(j)(2). This Section 6.4.A(ii) is intended to qualify as a "chargeback of partner nonrecourse debt minimum gain" within the meaning of Regulations Section 1.704-2(i) and shall be interpreted consistently therewith.

(iii) *Nonrecourse Deductions and Partner Nonrecourse Deductions*. Any Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holders in accordance with their respective Percentage Interests. Any Partner Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holder(s) who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable, in accordance with Regulations Section 1.704-2(i).

(iv) *Qualified Income Offset*. If any Holder unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be specially allocated, in accordance with Regulations Section 1.704-1(b)(2)(ii)(d), to such Holder in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account Deficit of such Holder as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(iv) shall be made if and only to the extent that such Holder would have an Adjusted Capital Account Deficit after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(iv) were not in the Agreement. It is intended that this Section 6.4.A(iv) qualify and be construed as a "qualified income offset" within the meaning of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(v) *Gross Income Allocation*. In the event that any Holder has a deficit Capital Account at the end of any Partnership Year that is in excess of the sum of (1) the amount (if any) that such Holder is obligated to restore to the Partnership upon complete liquidation of such Holder's Partnership Interest (including, the Holder's interest in outstanding Partnership Preferred Units and other Partnership Units) and (2) the amount that such Holder is deemed to be obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c) or the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Holder shall be specially allocated items of Partnership income and gain in the amount of such excess to eliminate such deficit as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(v) shall be made if and only to the extent that such Holder would have a deficit Capital Account in excess of such sum after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(v) and Section 6.4.A(iv) hereof were not in the Agreement.

(vi) *Limitation on Allocation of Net Loss*. To the extent that any allocation of Net Loss would cause or increase an Adjusted Capital Account Deficit as to any Holder, such allocation of Net Loss shall be reallocated (x) first, among the other Holders of Partnership Common Units in accordance with their respective Percentage Interests with respect to Partnership Common Units and (y) thereafter, among the Holders of other classes of Partnership Units as determined by the General Partner, subject to the limitations of this Section 6.4.A(vi).

(vii) *Section 754 Adjustment*. To the extent that an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Holder in complete liquidation of its interest in the Partnership, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Holders in accordance with their respective Percentage Interests in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Holder(s) to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(viii) *Curative Allocations*. The allocations set forth in Sections 6.4.A(i), (ii), (iii), (iv), (v), (vi) and (vii) hereof (the "*Regulatory Allocations*") are intended to comply with certain regulatory requirements, including the requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Sections 6.1 and 6.2 hereof, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Holders so that to the extent possible without violating the requirements giving rise to the Regulatory Allocations, the net amount of such allocations of other items and the Regulatory Allocations to each Holder shall be equal to the net amount that would have been allocated to each such Holder if the Regulatory Allocations had not occurred.

(ix) *Forfeiture Allocations*. Upon a forfeiture of any Unvested LTIP Units by any Partner, gross items of income, gain, loss or deduction shall be allocated to such Partner if and to the extent required by final Regulations promulgated after the Effective Date to ensure that allocations made with respect to all unvested Partnership Interests are recognized under Code Section 704(b).

(x) *LTIP Units*. For purposes of the allocations set forth in this Section 6.4, including, without limitation, Sections 6.4.A(iii) and (vi), each issued and outstanding LTIP Unit will be treated as one outstanding Partnership Common Unit.

B. Allocation of Excess Nonrecourse Liabilities. For purposes of determining a Holder's proportional share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Regulations Section 1.752-3(a)(3), each Holder's respective interest in Partnership profits shall be equal to such Holder's Percentage Interest with respect to Partnership Common Units, except as otherwise determined by the General Partner.

Section 6.5 *Tax Allocations*.

A. *In General*. Except as otherwise provided in this Section 6.5, for income tax purposes under the Code and the Regulations, each Partnership item of income, gain, loss and deduction (collectively, "*Tax Items*") shall be allocated among the Holders in the same manner as its correlative item of "book" income, gain, loss or deduction is allocated pursuant to Sections 6.2 and 6.3 hereof.

B. *Section 704(c) Allocations*. Notwithstanding Section 6.5.A hereof, Tax Items with respect to Property that is contributed to the Partnership with an initial Gross Asset Value that varies from its basis in the hands of the contributing Partner immediately preceding the date of contribution shall be allocated among the Holders for income tax purposes pursuant to Regulations promulgated under Code Section 704(c) so as to take into account such variation. With respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering, such variation between basis and initial Gross Asset Value shall be taken into account under the "traditional method" as described in Regulations Section 1.704-3(b). With respect to other Properties, the Partnership shall account for such variation under any method approved under Code Section 704(c) and the applicable Regulations as chosen by the General Partner. In the event that the Gross Asset Value of any Partnership asset is adjusted pursuant to subsection (b) of the definition of "Gross Asset Value" (provided in Article 1 hereof), subsequent allocations of Tax Items with respect to such asset shall take account of the variation, if any, between the adjusted basis of such asset and its Gross Asset Value in the same manner as under Code Section 704(c) and the applicable Regulations and using the method chosen by the General Partner; *provided*, *however*, that the "traditional method" as described in Regulations Section 1.704-3(b) shall be used with respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering. Allocations pursuant to this Section 6.5.B are solely for purposes of Federal, state and local income taxes and shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Net Income, Net Loss, or any other items or distributions pursuant to any provision of this Agreement.

ARTICLE 7

(25) the registration of any class of securities of the Partnership under the Securities Act or the Exchange Act, and the listing of any debt securities of the Partnership on any exchange.

B. Each of the Limited Partners agrees that, except as provided in Section 7.3 hereof and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner is authorized to execute and deliver any affidavit, agreement, certificate, consent, instrument, notice, power of attorney, waiver or other writing or document in the name and on behalf of the Partnership and to otherwise exercise any power of the General

Partner under this Agreement and the Act on behalf of the Partnership without any further act, approval or vote of the Partners or any other Persons, notwithstanding any other provision of the Act or any applicable law, rule or regulation and, in the absence of any specific corporate action on the part of the General Partner to the contrary, the taking of any action or the execution of any such document or writing by an officer of the General Partner, in the name and on behalf of the General Partner, in its capacity as the general partner of the Partnership, shall conclusively evidence (1) the approval thereof by the General Partner, in its capacity as the general partner of the Partnership, (2) the General Partner's determination that such action, document or writing is necessary or desirable to conduct the business and affairs of the Partnership, exercise the powers of the Partnership under this Agreement and the Act or effectuate the purposes of the Partnership, or any other determination by the General Partner required by this Agreement in connection with the taking of such action or execution of such document or writing, and (3) the authority of such officer with respect thereto.

E. In exercising its authority under this Agreement, the General Partner may, but shall be under no obligation to, take into account the tax consequences to any Partner of any action taken (or not taken) by it. The General Partner and the Partnership shall not have liability to a Limited Partner under any circumstances as a result of any income tax liability incurred by such Limited Partner as a result of an action (or inaction) by the General Partner pursuant to its authority under this Agreement.

F. Subject to the terms of Section 8.5.A hereof, the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate or any amendment thereto to any Limited Partner. The General Partner shall use all reasonable efforts to cause to be filed such other certificates or documents as may be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability to the extent provided by applicable law) in the State of Maryland and any other state, or the District of Columbia or other jurisdiction, in which the Partnership may elect to do business or own property.

Section 7.3 *Restrictions on General Partner's Authority*.

A. The General Partner may not take any action in contravention of an express prohibition or limitation of this Agreement without the Consent of the Limited Partners, and may not, without limitation:

(2) perform any act that would subject a Limited Partner to liability as a general partner in any jurisdiction or any other liability except as provided herein or under the Act; or

(3) enter into any contract, mortgage, loan or other agreement that expressly prohibits or restricts (a) the General Partner or the Partnership from performing its specific obligations under Section 15.1 hereof in full or (b) a Limited Partner from exercising its rights under Section 15.1 hereof to effect a Redemption in full, except, in either case, with the Consent of each Limited Partner affected by the prohibition or restriction.

B. Except as provided in Section 7.3.C hereof, the General Partner shall not, without the prior Consent of the Partners, amend, modify or terminate this Agreement. Further, no amendment may alter the restrictions on the General Partner's authority set forth elsewhere in this Agreement (including, without limitation, this Section 7.3) without the Consent specified therein and no amendment may alter Section 11.2 hereof without the Consent of the Limited Partners.

C. Notwithstanding Section 7.3.B and 14.2 hereof but subject to Section 16.10 and the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner shall have the power, without the Consent of the Partners, to amend this Agreement as may be required to facilitate or implement any of the following purposes:

(1) to add to the obligations of the General Partner or surrender any right or power granted to the General Partner or any Affiliate of the General Partner for the benefit of the Limited Partners;

(2) to reflect the admission, substitution or withdrawal of Partners, the Transfer of any Partnership Interest, the termination of the Partnership in accordance with this Agreement, or the adjustment of outstanding LTIP Units as contemplated by Section 16.3, and to amend Exhibit A in connection with such admission, substitution, withdrawal, Transfer or adjustment;

(3) to reflect a change that is of an inconsequential nature or does not adversely affect the Limited Partners in any material respect, or to cure any ambiguity, correct or supplement any provision in this Agreement not inconsistent with law or with other provisions, or make other changes with respect to matters arising under this Agreement that will not be inconsistent with law or with the provisions of this Agreement;

(4) to set forth or amend the designations, preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications or terms or conditions of redemption of the Holders of any additional Partnership Interests issued pursuant to Article 4;

(5) to satisfy any requirements, conditions or guidelines contained in any order, directive, opinion, ruling or regulation of a Federal or state agency or contained in Federal or state law;

(6) (a) to reflect such changes as are reasonably necessary for the General Partner to maintain its status as a REIT or to satisfy the REIT Requirements, or (b) to reflect the Transfer of all or any part of a Partnership Interest among the General Partner and any Disregarded Entity with respect to the General Partner;

(7) to modify either or both of the manner in which items of Net Income or Net Loss are allocated pursuant to Article 6 or the manner in which Capital Accounts are adjusted, computed, or maintained (but in each case only to the extent otherwise provided in this Agreement and as may be permitted under applicable law);

(8) to reflect the issuance of additional Partnership Interests in accordance with Section 4.2; or

(9) to reflect any other modification to this Agreement as is reasonably necessary for the business or operations of the Partnership or the General Partner and which does not violate Section 7.3.D.

D. Notwithstanding Sections 7.3.B, 7.3.C and 14.2 hereof, this Agreement shall not be amended, and no action may be taken by the General Partner, without the Consent of each Partner adversely affected thereby, if such amendment or action would (i) convert a Limited Partner Interest in the Partnership into a General Partner Interest (except as a result of the General Partner acquiring such Partnership Interest), (ii) modify the limited liability of a Limited Partner, (iii) alter the rights of any Partner to receive the distributions to which such Partner is

entitled pursuant to Article 5 or Section 13.2.A(4) hereof, or alter the allocations specified in Article 6 hereof (except, in any case, as permitted pursuant to Sections 4.2, 5.5, 7.3.C and Article 6 hereof), (iv) alter or modify the Redemption rights, Cash Amount or REIT Shares Amount as set forth in Section 15.1 hereof, or amend or modify any related definitions, (v) subject to Section 7.9.D, remove, alter or amend the powers and restrictions related to REIT Requirements or permitting the General Partner to avoid paying tax under Code Sections 857 or 4981 contained in Sections 7.1 and 7.3, or (vi) amend this Section 7.3.D. Any such amendment or action consented to by any Partner shall be effective as to that Partner, notwithstanding the absence of such consent by any other Partner.

Section 7.4 *Reimbursement of the General Partner*.

A. The General Partner shall not be compensated for its services as General Partner of the Partnership except as provided in this Agreement (including the provisions of Articles 5 and 6 hereof regarding distributions, payments and allocations to which the General Partner may be entitled in its capacity as the General Partner).

B. Subject to Sections 7.4.D and 15.12 hereof, the Partnership shall be responsible for and shall pay all expenses relating to the Partnership's and the General Partner's organization and the ownership of each of their assets and operations. The General Partner is hereby authorized to pay compensation for accounting, administrative, legal, technical, management and other services rendered to the Partnership. The Partnership shall be liable for, and shall reimburse the General Partner, on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all sums expended in connection with the Partnership's business, including, without limitation, (i) expenses relating to the ownership of interests in and management and operation of the Partnership, (ii) compensation of officers and employees, including, without limitation, payments under future compensation plans, of the General Partner, or the Partnership that may provide for stock units, or phantom stock, pursuant to which employees of the General Partner, or the Partnership will receive payments based upon dividends on or the value of REIT Shares, (iii) director fees and expenses of the General Partner or its Affiliates, (iv) any expenses (other than the purchase price) incurred by the General Partner in connection with the redemption or other repurchase of REIT Shares or Capital Shares, and (v) all costs and expenses of the General Partner being a public company, including, without limitation, costs of filings with the SEC, reports and other distributions to its stockholders; *provided*, *however*, that the amount of any reimbursement shall be reduced by any interest earned by the General Partner with respect to bank accounts or other instruments or accounts held by it on behalf of the Partnership as permitted pursuant to Section 7.5 hereof. The Partners acknowledge that all such expenses of the General Partner are deemed to be for the benefit of the Partnership. Such reimbursements shall be in addition to any reimbursement of the General Partner as a result of indemnification pursuant to Section 7.7 hereof.

C. If the General Partner shall elect to purchase from its stockholders REIT Shares for the purpose of delivering such REIT Shares to satisfy an obligation under any dividend reinvestment program adopted by the General Partner, any employee stock purchase plan adopted by the General Partner or any similar obligation or arrangement undertaken by the General Partner in the future, in lieu of the treatment specified in Section 4.7.B., the purchase price paid by the General Partner for such REIT Shares shall be considered expenses of the

Partnership and shall be advanced to the General Partner or reimbursed to the General Partner, subject to the condition that: (1) if such REIT Shares subsequently are sold by the General Partner, the General Partner shall pay or cause to be paid to the Partnership any proceeds received by the General Partner for such REIT Shares (which sales proceeds shall include the amount of dividends reinvested under any dividend reinvestment or similar program; *provided*, that a transfer of REIT Shares for Partnership Common Units pursuant to Section 15.1 would not be considered a sale for such purposes); and (2) if such REIT Shares are not retransferred by the General Partner within 30 days after the purchase thereof, or the General Partner otherwise determines not to retransfer such REIT Shares, the Partnership shall redeem a number of Partnership Common Units determined in accordance with Section 4.7.B, as adjusted, to the extent the General Partner determines is necessary or advisable in its sole and absolute discretion, (x) pursuant to Section 7.5 (in the event the General Partner acquires material assets, other than on behalf of the Partnership) and (y) for stock dividends and distributions, stock splits and subdivisions, reverse stock splits and combinations, distributions of rights, warrants or options, and distributions of evidences of indebtedness or assets relating to assets not received by the General Partner pursuant to a pro rata distribution by the Partnership (in which case such advancement or reimbursement of expenses shall be treated as having been made as a distribution in redemption of such number of Partnership Units held by the General Partner).

D. To the extent practicable, Partnership expenses shall be billed directly to and paid by the Partnership and, subject to Section 15.12 hereof, if and to the extent any reimbursements to the General Partner or any of its Affiliates by the Partnership pursuant to this Section 7.4 constitute gross income to such Person (as opposed to the repayment of advances made by such Person on behalf of the Partnership), such amounts shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.5 *Outside Activities of the General Partner*. The General Partner shall not directly or indirectly enter into or conduct any business, other than in connection with, (a) the ownership, acquisition and disposition of Partnership Interests, (b) the management of the business and affairs of the Partnership, (c) the operation of the General Partner as a reporting company with a class (or classes) of securities registered under the Exchange Act, (d) its operations as a REIT, (e) the offering, sale, syndication, private placement or public offering of stock, bonds, securities or other interests, (f) financing or refinancing of any type related to the Partnership or its assets or activities, and (g) such activities as are incidental thereto; *provided*, *however*, that, except as otherwise provided herein, any funds raised by the General Partner pursuant to the preceding clauses (e) and (f) shall be made available to the Partnership, whether as Capital Contributions, loans or otherwise, as appropriate, and, *provided*, *further* that the General Partner may, in its sole and absolute discretion, from time to time hold or acquire assets in its own name or otherwise other than through the Partnership so long as the General Partner takes commercially reasonable measures to ensure that the economic benefits and burdens of such Property are otherwise vested in the Partnership, through assignment, mortgage loan or otherwise or, if it is not commercially reasonable to vest such economic interests in the Partnership, the Partners shall negotiate in good faith to amend this Agreement, including, without limitation, the definition of "Adjustment Factor," to reflect such activities and the direct ownership of assets by the General Partner. Nothing contained herein shall be deemed to prohibit the General Partner from executing guarantees of Partnership debt. The General Partner and all

Disregarded Entities with respect to the General Partner, taken as a group, shall not own any assets or take title to assets (other than temporarily in connection with an acquisition prior to contributing such assets to the Partnership) other than (i) interests in Disregarded Entities with respect to the General Partner, (ii) Partnership Interests as the General Partner, (iii) an interest (not to exceed 1% of capital and profits) in any Subsidiary of the Partnership that the General Partner holds to maintain such Subsidiary's status as a partnership for Federal income tax purposes or otherwise, and (iv) such cash and cash equivalents, bank accounts or similar instruments or accounts as such group deems reasonably necessary, taking into account Section 7.1.D hereof and the requirements necessary for the General Partner to qualify as a REIT and for the General Partner to carry out its responsibilities contemplated under this Agreement and the Charter. Any Limited Partner Interests acquired by the General Partner, whether pursuant to the exercise by a Limited Partner of its right to Redemption, or otherwise, shall be automatically converted into a General Partner Interest comprised of an identical number of Partnership Units with the same terms as the class or series so acquired. Any Affiliates of the General Partner may acquire Limited Partner Interests and shall, except as expressly provided in this Agreement, be entitled to exercise all rights of a Limited Partner relating to such Limited Partner Interests.

Section 7.6 *Transactions with Affiliates*.

A. The Partnership may lend or contribute funds to, and borrow funds from, Persons in which the Partnership has an equity investment, and such Persons may borrow funds from, and lend or contribute funds to, the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Person.

B. Except as provided in Section 7.5 hereof, the Partnership may transfer assets to joint ventures, limited liability companies, partnerships, corporations, business trusts or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions consistent with this Agreement and applicable law.

C. The General Partner and its Affiliates may sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, on terms and conditions established by the General Partner in its sole and absolute discretion.

D. The General Partner, in its sole and absolute discretion and without the approval of the Partners or any of them or any other Persons, may propose and adopt (on behalf of the Partnership) employee benefit plans (including without limitation plans that contemplate the issuance of LTIP Units) funded by the Partnership for the benefit of employees of the General Partner, the Partnership, Subsidiaries of the Partnership or any Affiliate of any of them in respect of services performed, directly or indirectly, for the benefit of the General Partner, the Partnership or any of the Partnership's Subsidiaries.

Section 7.7 *Indemnification*.

A. To the fullest extent permitted by applicable law, the Partnership shall indemnify each Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several,

expenses (including, without limitation, attorney's fees and other legal fees and expenses), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership ("*Actions*") as set forth in this Agreement in which such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise; *provided*, *however*, that the Partnership shall not indemnify an Indemnitee (i) if the act or omission of the Indemnitee was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, if the Indemnitee had reasonable cause to believe that the act or omission was unlawful; or (iii) for any transaction for which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement; and *provided*, *further*, that no payments pursuant to this Agreement shall be made by the Partnership to indemnify or advance funds to any Indemnitee (x) with respect to any Action initiated or brought voluntarily by such Indemnitee (and not by way of defense) unless (I) approved or authorized by the General Partner or (II) incurred to establish or enforce such Indemnitee's right to indemnification under this Agreement, and (y) in connection with one or more Actions or claims brought by the Partnership or involving such Indemnitee if such Indemnitee is found liable to the Partnership on any portion of any claim in any such Action.

Without limitation, the foregoing indemnity shall extend to any liability of any Indemnitee, pursuant to a loan guaranty or otherwise, for any indebtedness of the Partnership or any Subsidiary of the Partnership (including, without limitation, any indebtedness which the Partnership or any Subsidiary of the Partnership has assumed or taken subject to), and the General Partner is hereby authorized and empowered, on behalf of the Partnership, to enter into one or more indemnity agreements consistent with the provisions of this Section 7.7 in favor of any Indemnitee having or potentially having liability for any such indebtedness. It is the intention of this Section 7.7.A that the Partnership indemnify each Indemnitee to the fullest extent permitted by law and this Agreement. The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 7.7.A. The termination of any proceeding by conviction of an Indemnitee or upon a plea of *nolo contendere* or its equivalent by an Indemnitee, or an entry of an order of probation against an Indemnitee prior to judgment, does not create a presumption that such Indemnitee acted in a manner contrary to that specified in this Section 7.7.A with respect to the subject matter of such proceeding. Any indemnification pursuant to this Section 7.7 shall be made only out of the assets of the Partnership, and neither the General Partner nor any other Holder shall have any obligation to contribute to the capital of the Partnership or otherwise provide funds to enable the Partnership to fund its obligations under this Section 7.7.

B. To the fullest extent permitted by law, expenses incurred by an Indemnitee who is a party to a proceeding or otherwise subject to or the focus of or is involved in any Action shall be paid or reimbursed by the Partnership as incurred by the Indemnitee in advance of the final disposition of the Action upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in Section 7.7.A has been met, and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

C. The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee unless otherwise provided in a written agreement with such Indemnitee or in the writing pursuant to which such Indemnitee is indemnified.

D. The Partnership may, but shall not be obligated to, purchase and maintain insurance, on behalf of any of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. Any liabilities which an Indemnitee incurs as a result of acting on behalf of the Partnership or the General Partner (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the IRS, penalties assessed by the U.S. Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities or judgments or fines under this Section 7.7, unless such liabilities arise as a result of (i) an act or omission of such Indemnitee that was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, an act or omission that such Indemnitee had reasonable cause to believe was unlawful, or (iii) any transaction in which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement.

F. In no event may an Indemnitee subject any of the Holders to personal liability by reason of the indemnification provisions set forth in this Agreement.

G. An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

H. The provisions of this Section 7.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 7.7 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the Partnership's liability to any Indemnitee under this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

I. It is the intent of the parties that any amounts paid by the Partnership to the General Partner pursuant to this Section 7.7 shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.8 *Liability of the General Partner*.

A. The Limited Partners agree that: (i) the General Partner is acting for the benefit of the Partnership, the Limited Partners and the General Partner's stockholders collectively; (ii) in the event of a conflict between the interests of the Partnership or any Partner, on the one hand, and the separate interests of the General Partner or its stockholders, on the other hand, the General Partner is under no obligation not to give priority to the separate interests of the General Partner or the stockholders of the General Partner, and any action or failure to act on the part of the General Partner or its directors that gives priority to the separate interests of the General Partner or its stockholders that does not result in a violation of the contract rights of the Limited Partners under this Agreement does not violate the duty of loyalty owed by the General Partner to the Partnership and/or the Partners; and (iii) the General Partner shall not be liable to the Partnership or to any Partner for monetary damages for losses sustained, liabilities incurred or benefits not derived by the Partnership or any Limited Partner in connection with such decisions, except for liability for the General Partner's intentional harm or gross negligence.

B. Subject to its obligations and duties as General Partner set forth in this Agreement and applicable law, the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its employees or agents. The General Partner shall not be responsible to the Partnership or any Partner for any misconduct or negligence on the part of any such employee or agent appointed by it in good faith.

C. Any obligation or liability whatsoever of the General Partner which may arise at any time under this Agreement or any other instrument, transaction, or undertaking contemplated hereby shall be satisfied, if at all, out of the assets of the General Partner or the Partnership only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, any of the General Partner's directors, stockholders, officers, employees, or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise. Notwithstanding anything to the contrary set forth in this Agreement, none of the directors or officers of the General Partner shall be liable or accountable in damages or otherwise to the Partnership, any Partners, or any Assignees for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or of any act or omission.

D. Any amendment, modification or repeal of this Section 7.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's and its officers' and directors' liability to the Partnership and the Limited Partners under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

E. Notwithstanding anything herein to the contrary, except for liability for intentional harm or gross negligence on the part of such Partner or pursuant to any express indemnities given to the Partnership by any Partner pursuant to any other written instrument, no Partner shall have any personal liability whatsoever, to the Partnership or to the other Partners, or for the debts or liabilities of the Partnership or the Partnership's obligations hereunder, and the full recourse of the other Partner(s) shall be limited to the interest of that Partner in the Partnership. Without limitation of the foregoing, and except for liability for intentional harm or gross negligence on the part of any Partner, or pursuant to any such express indemnity, no property or assets of such Partner, other than its interest in the Partnership, shall be subject to levy, execution or other enforcement procedures for the satisfaction of any judgment (or other judicial process) in favor of any other Partner(s) and arising out of, or in connection with, this Agreement. This Agreement is executed by the officers of the General Partner solely as officers of the same and not in their own individual capacities.

F. To the extent that, at law or in equity, the General Partner has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or the Limited Partners, the General Partner shall not be liable to the Partnership or to any other Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or modify the duties and liabilities of the General Partner under the Act or otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such General Partner.

G. Whenever in this Agreement the General Partner is permitted or required to make a decision (i) in its "sole and absolute discretion," "sole discretion" or "discretion" or under a grant of similar authority or latitude, the General Partner shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest or factors affecting the Partnership or the Partners or any of them, or (ii) in its "good faith" or under another expressed standard, the General Partner shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement or any other agreement contemplated herein or by relevant provisions of law or in equity or otherwise. If any question should arise with respect to the operation of the Partnership, which is not otherwise specifically provided for in this Agreement or the Act, or with respect to the interpretation of this Agreement, the General Partner is hereby authorized to make a final determination with respect to any such question and to interpret this Agreement in such a manner as it shall deem, in its sole discretion, to be fair and equitable, and its determination and interpretations so made shall be final and binding on all parties. The General Partner's "sole and absolute discretion," "sole discretion" and "discretion" under this Agreement shall be exercised consistently with the General Partner's fiduciary duties and obligation of good faith and fair dealing under the Act.

Section 7.9 *Other Matters Concerning the General Partner*.

A. The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties.

B. The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, architects, engineers, environmental consultants and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters that the General Partner reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers or agents or a duly appointed attorney or attorneys-in-fact. Each such officer, agent or attorney shall, to the extent authorized by the General Partner, have full power and authority to do and perform all and every act and duty that is permitted or required to be done by the General Partner hereunder.

D. Notwithstanding any other provision of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner to continue to qualify as a REIT, (ii) for the General Partner otherwise to satisfy the REIT Requirements, (iii) for the General Partner to avoid incurring any taxes under Code Section 857 or Code Section 4981, or (iv) for any General Partner Affiliate to continue to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

Section 7.10 *Title to Partnership Assets*. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively with other Partners or Persons, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner or such nominee or Affiliate for the use and benefit of the Partnership in accordance with the provisions of this Agreement. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

Section 7.11 *Reliance by Third Parties*. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner has full power and authority, without the consent or approval of any other Partner, or Person, to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any contracts on behalf of the Partnership, and take any and all actions on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner in connection with any such dealing. In no event shall any Person dealing with the General Partner or its representatives be obligated to ascertain that the terms of this Agreement have been

complied with or to inquire into the necessity or expediency of any act or action of the General Partner or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

ARTICLE 8
RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

Section 8.1 *Limitation of Liability*. No Limited Partner shall have any liability under this Agreement except for intentional harm or gross negligence on the part of such Limited Partner or as expressly provided in this Agreement (including, without limitation, Section 10.4 hereof) or under the Act.

Section 8.2 *Management of Business*. Subject to the rights and powers of the General Partner hereunder, no Limited Partner or Assignee (other than the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such) shall take part in the operations, management or control (within the meaning of the Act) of the Partnership's business, transact any business in the Partnership's name or have the power to sign documents for or otherwise bind the Partnership. The transaction of any such business by the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent, representative, or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

Section 8.3 *Outside Activities of Limited Partners*. Subject to any agreements entered into pursuant to Section 7.6 hereof and any other agreements entered into by a Limited Partner or any of its Affiliates with the General Partner, the Partnership or a Subsidiary (including, without limitation, any employment agreement), any Limited Partner and any Assignee, officer, director, employee, agent, trustee, Affiliate, member or stockholder of any Limited Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities that are in direct or indirect competition with the Partnership or that are enhanced by the activities of the Partnership. Neither the Partnership nor any Partner shall have any rights by virtue of this Agreement in any business ventures of any Limited Partner or Assignee. Subject to such agreements, none of the Limited Partners nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any business ventures of any other Person (other than the General Partner), and such Person shall have no obligation pursuant to this Agreement, subject to Section 7.6 hereof and any other agreements entered into by a Limited Partner or its Affiliates with the General Partner, the Partnership or a Subsidiary, to offer any interest in any such business ventures to the Partnership, any Limited Partner, or any such other Person, even if such

opportunity is of a character that, if presented to the Partnership, any Limited Partner or such other Person, could be taken by such Person.

Section 8.4 *Return of Capital*. Except pursuant to the rights of Redemption set forth in Section 15.1 hereof or in any Partnership Unit Designation, no Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent of distributions made pursuant to this Agreement or upon termination of the Partnership as provided herein. Except to the extent provided in Article 5 and Article 6 hereof or otherwise expressly provided in this Agreement or in any Partnership Unit Designation, no Limited Partner or Assignee shall have priority over any other Limited Partner or Assignee either as to the return of Capital Contributions or as to profits, losses or distributions.

Section 8.5 *Rights of Limited Partners Relating to the Partnership*.

A. In addition to other rights provided by this Agreement or by the Act, and except as limited by Section 8.5.C hereof, the General Partner shall deliver to each Limited Partner a copy of any information mailed or electronically delivered to all of the common stockholders of the General Partner as soon as practicable after such mailing.

B. The Partnership shall notify any Limited Partner that is a Qualifying Party, on request, of the then current Adjustment Factor and any change made to the Adjustment Factor shall be set forth in the quarterly report required by Section 9.3.B hereof immediately following the date such change becomes effective.

C. Notwithstanding any other provision of this Section 8.5, the General Partner may keep confidential from the Limited Partners (or any of them), for such period of time as the General Partner determines in its sole and absolute discretion to be reasonable, any information that (i) the General Partner believes to be in the nature of trade secrets or other information the disclosure of which the General Partner in good faith believes is not in the best interests of the Partnership or the General Partner or (ii) the Partnership or the General Partner is required by law or by agreement to keep confidential.

Section 8.6 *Partnership Right to Call Limited Partner Interests*. Notwithstanding any other provision of this Agreement, on and after the date on which the aggregate Percentage Interests of the Limited Partners are less than one percent (1%), the Partnership shall have the right, but not the obligation, from time to time and at any time to redeem any and all outstanding Limited Partner Interests by treating any Limited Partner as a Tendering Party who has delivered a Notice of Redemption pursuant to Section 15.1 hereof for the amount of Partnership Common Units to be specified by the General Partner, in its sole and absolute discretion, by notice to such Limited Partner that the Partnership has elected to exercise its rights under this Section 8.6. Such notice given by the General Partner to a Limited Partner pursuant to this Section 8.6 shall be treated as if it were a Notice of Redemption delivered to the General Partner by such Limited Partner. For purposes of this Section 8.6, (a) any Limited Partner (whether or not otherwise a Qualifying Party) may, in the General Partner's sole and absolute discretion, be treated as a Qualifying Party that is a Tendering Party and (b) the provisions of Sections 15.1.F(2) and 15.1.F(3) hereof shall not apply, but the remainder of Section 15.1 hereof shall apply, mutatis mutandis.

Section 8.7 *Rights as Objecting Partner*. No Limited Partner and no Holder of a Partnership Interest shall be entitled to exercise any of the rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the Maryland General Corporation Law or any successor statute in connection with a merger of the Partnership.

ARTICLE 9
BOOKS, RECORDS, ACCOUNTING AND REPORTS

Section 9.1 *Records and Accounting*.

A. The General Partner shall keep or cause to be kept at the principal place of business of the Partnership those records and documents, if any, required to be maintained by the Act and any other books and records deemed by the General Partner to be appropriate with respect to the Partnership's business, including, without limitation, all books and records necessary to provide to the Limited Partners any information, lists and copies of documents required to be provided pursuant to Section 8.5.A, Section 9.3 or Article 13 hereof. Any records maintained by or on behalf of the Partnership in the regular course of its business may be kept on any information storage device, provided that the records so maintained are convertible into clearly legible written form within a reasonable period of time.

B. The books of the Partnership shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles, or on such other basis as the General Partner determines to be necessary or appropriate. To the extent permitted by sound accounting practices and principles, the Partnership and the General Partner may operate with integrated or consolidated accounting records, operations and principles.

Section 9.2 *Partnership Year*. For purposes of this Agreement, "Partnership Year" means the fiscal year of the Partnership, which shall be the same as the tax year of the Partnership. The tax year shall be the calendar year unless otherwise required by the Code.

Section 9.3 *Reports*.

A. As soon as practicable, but in no event later than one hundred five (105) days after the close of each Partnership Year, the General Partner shall cause to be mailed to each Limited Partner of record as of the close of the Partnership Year, financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such Partnership Year, presented in accordance with generally accepted accounting principles, such statements to be audited by a nationally recognized firm of independent public accountants selected by the General Partner.

B. As soon as practicable, but in no event later than sixty (60) days after the close of each calendar quarter (except the last calendar quarter of each year), the General Partner shall cause to be mailed to each Limited Partner of record as of the last day of the calendar quarter, a report containing unaudited financial statements of the Partnership for such calendar quarter, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, and such other information as may be required by applicable law or regulation or as the General Partner determines to be appropriate.

C. The General Partner shall have satisfied its obligations under Section 9.3.A and Section 9.3.B by posting or making available the reports required by this Section 9.3 on the website maintained from time to time by the Partnership or the General Partner, provided that such reports are able to be printed or downloaded from such website.

D. At the request of any Limited Partner, the General Partner shall provide access to the books, records and workpapers upon which the reports required by this Section 9.3 are based, to the extent required by the Act.

ARTICLE 10
TAX MATTERS

Section 10.1 *Preparation of Tax Returns*. The General Partner shall arrange for the preparation and timely filing of all returns with respect to Partnership income, gains, deductions, losses and other items required of the Partnership for Federal and state income tax purposes and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information reasonably required by Limited Partners for Federal and state income tax and any other tax reporting purposes. The Limited Partners shall promptly provide the General Partner with such information relating to the Contributed Properties as is readily available to the Limited Partners, including tax basis and other relevant information, as may be reasonably requested by the General Partner from time to time.

Section 10.2 *Tax Elections*. Except as otherwise provided herein, the General Partner shall, in its sole and absolute discretion, determine whether to make any available election pursuant to the Code, including, but not limited to, the election under Code Section 754. The General Partner shall have the right to seek to revoke any such election (including, without limitation, any election under Code Section 754) upon the General Partner's determination in its sole and absolute discretion that such revocation is in the best interests of the Partners.

Section 10.3 *Tax Matters Partner*.

A. The General Partner shall be the "tax matters partner" of the Partnership for federal income tax purposes. The tax matters partner shall receive no compensation for its services. All third-party costs and expenses incurred by the tax matters partner in performing its duties as such (including legal and accounting fees and expenses) shall be borne by the Partnership in addition to any reimbursement pursuant to Section 7.4 hereof. Nothing herein shall be construed to restrict the Partnership from engaging an accounting firm to assist the tax matters partner in discharging its duties hereunder.

B. The tax matters partner is authorized, but not required:

(1) to enter into any settlement with the IRS with respect to any administrative or judicial proceedings for the adjustment of Partnership items required to be taken into account by a Partner for income tax purposes (such administrative proceedings being referred to as a "tax audit" and such judicial proceedings being referred to as "judicial review"), and in the settlement agreement the tax matters partner may expressly state that such agreement shall bind all Partners, except that such settlement agreement shall not bind any Partner (i) who (within the time prescribed pursuant to the Code and Regulations) files a

statement with the IRS providing that the tax matters partner shall not have the authority to enter into a settlement agreement on behalf of such Partner (as the case may be) or (ii) who is a "notice partner" (as defined in Code Section 6231) or a member of a "notice group" (as defined in Code Section 6223(b)(2));

(2) in the event that a notice of a final administrative adjustment at the Partnership level of any item required to be taken into account by a Partner for tax purposes (a "*Final Adjustment*") is mailed to the tax matters partner, to seek judicial review of such Final Adjustment, including the filing of a petition for readjustment with the United States Tax Court or the United States Claims Court, or the filing of a complaint for refund with the District Court of the United States for the district in which the Partnership's principal place of business is located;

(3) to intervene in any action brought by any other Partner for judicial review of a final adjustment;

(4) to file a request for an administrative adjustment with the IRS at any time and, if any part of such request is not allowed by the IRS, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(5) to enter into an agreement with the IRS to extend the period for assessing any tax that is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item; and

(6) to take any other action on behalf of the Partners or any of them in connection with any tax audit or judicial review proceeding to the extent permitted by applicable law or regulations.

The taking of any action and the incurring of any expense by the tax matters partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole and absolute discretion of the tax matters partner and the provisions relating to indemnification of the General Partner set forth in Section 7.7 hereof shall be fully applicable to the tax matters partner in its capacity as such.

Section 10.4 *Withholding*. Each Limited Partner hereby authorizes the Partnership to withhold from or pay on behalf of or with respect to such Limited Partner any amount of Federal, state, local or foreign taxes that the General Partner determines the Partnership is required to withhold or pay with respect to any amount distributable or allocable to such Limited Partner pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Partnership pursuant to Code Section 1441, Code Section 1442, Code Section 1445 or Code Section 1446. Any amount withheld with respect to a Limited Partner pursuant to this Section 10.4 shall be treated as paid or distributed, as applicable, to such Limited Partner for all purposes under this Agreement. Any amount paid on behalf of or with respect to a Limited Partner, in excess of any such withheld amount, shall constitute a loan by the Partnership to such Limited Partner, which loan shall be repaid by such Limited Partner within thirty (30) days after the affected Limited Partner receives written notice from the General Partner that such payment must be made, provided that the Limited Partner shall not be required to repay such deemed loan

if either (i) the Partnership withholds such payment from a distribution that would otherwise be made to the Limited Partner or (ii) the General Partner determines, in its sole and absolute discretion, that such payment may be satisfied out of the Available Cash of the Partnership that would, but for such payment, be distributed to the Limited Partner. Any amounts payable by a Limited Partner hereunder shall bear interest at the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate) from the date such amount is due (i.e., thirty (30) days after the Limited Partner receives written notice of such amount) until such amount is paid in full.

Section 10.5 *Organizational Expenses*. The General Partner may cause the Partnership to elect to deduct expenses, if any, incurred by it in organizing the Partnership ratably over a 180-month period as provided in Section 709 of the Code.

ARTICLE 11
PARTNER TRANSFERS AND WITHDRAWALS

Section 11.1 *Transfer*.

A. No part of the interest of a Partner shall be subject to the claims of any creditor, to any spouse for alimony or support, or to legal process, and may not be voluntarily or involuntarily alienated or encumbered except as may be specifically provided for in this Agreement.

B. No Partnership Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article 11. Any Transfer or purported Transfer of a Partnership Interest not made in accordance with this Article 11 shall be null and void *ab initio*.

C. No Transfer of any Partnership Interest may be made to a lender to the Partnership or any Person who is related (within the meaning of Section 1.752-4(b) of the Regulations) to any lender to the Partnership whose loan constitutes a Nonrecourse Liability, without the Consent of the General Partner; *provided*, *however*, that, as a condition to such Consent, the lender may be required to enter into an arrangement with the Partnership and the General Partner to redeem or exchange for the REIT Shares Amount any Partnership Units in which a security interest is held by such lender simultaneously with the time at which such lender would be deemed to be a partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code (provided that, for purpose of calculating the REIT Shares Amount in this Section 11.1.C, "*Tendered Units*" shall mean all such Partnership Units in which a security interest is held by such lender).

Section 11.2 *Transfer of General Partner's Partnership Interest*.

A. Except as provided in Section 11.2.B or Section 11.2.C, and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may not Transfer all or any portion of its Partnership Interest (whether by sale, disposition, statutory merger or consolidation, liquidation or otherwise) without the Consent of the Limited Partners. It is a condition to any Transfer of a Partnership Interest of a General

Partner otherwise permitted hereunder (including any Transfer permitted pursuant to Section 11.2.B or Section 11.2.C) that: (i) coincident with such Transfer, the transferee is admitted as a General Partner pursuant to Section 12.1 hereof; (ii) the transferee assumes, by operation of law or express agreement, all of the obligations of the transferor General Partner under this Agreement with respect to such Transferred Partnership Interest; and (iii) the transferee has executed such instruments as may be necessary to effectuate such admission and to confirm the agreement of such transferee to be bound by all the terms and provisions of this Agreement with respect to the Partnership Interest so acquired and the admission of such transferee as a General Partner.

B. *Certain Transactions of the General Partner*. Except as provided in Section 11.2.D and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may, without the Consent of the Limited Partners, Transfer all of its Partnership Interest in connection with (a) a merger, consolidation or other combination of its assets with another entity, (b) a sale of all or substantially all of its assets not in the ordinary course of the Partnership's business or (c) a reclassification, recapitalization or change of any outstanding shares of the General Partner's stock or other outstanding equity interests (each, a "*Termination Transaction*") if:

(i) in connection with such Termination Transaction, all of the Limited Partners will receive, or will have the right to elect to receive, for each Partnership Common Unit an amount of cash, securities or other property equal to the product of the Adjustment Factor and the greatest amount of cash, securities or other property paid to a holder of one REIT Share in consideration of one REIT Share pursuant to the terms of such Termination Transaction; *provided*, that if, in connection with such Termination Transaction, a purchase, tender or exchange offer shall have been made to and accepted by the holders of the outstanding REIT Shares, each holder of Partnership Common Units shall receive, or shall have the right to elect to receive, the greatest amount of cash, securities or other property which such holder of Partnership Common Units would have received had it exercised its right to Redemption pursuant to Article 15 hereof and received REIT Shares in exchange for its Partnership Common Units immediately prior to the expiration of such purchase, tender or exchange offer and had thereupon accepted such purchase, tender or exchange offer and then such Termination Transaction shall have been consummated; or

(ii) all of the following conditions are met: (w) substantially all of the assets directly or indirectly owned by the surviving entity are owned directly or indirectly by the Partnership or another limited partnership or limited liability company which is the survivor of a merger, consolidation or combination of assets with the Partnership (in each case, the "*Surviving Partnership*"); (x) the Limited Partners that held Partnership Common Units immediately prior to the consummation of such Termination Transaction own a percentage interest of the Surviving Partnership based on the relative fair market value of the net assets of the Partnership and the other net assets of the Surviving Partnership immediately prior to the consummation of such transaction; (y) the rights, preferences and privileges in the Surviving Partnership of such Limited Partners are at least as favorable as those in effect with respect to Partnership Common Units immediately prior to the consummation of such transaction and as those applicable to any

other limited partners or non-managing members of the Surviving Partnership; and (z) the rights of such Limited Partners include at least one of the following: (a) the right to redeem their interests in the Surviving Partnership for the consideration available to such persons pursuant to Section 11.2.B(i) or (b) the right to redeem their interests in the Surviving Partnership for cash on terms substantially equivalent to those in effect with respect to their Partnership Common Units immediately prior to the consummation of such transaction, or, if the ultimate controlling person of the Surviving Partnership has publicly traded common equity securities, such common equity securities, with an exchange ratio based on the determination of relative fair market value of such securities and the REIT Shares.

C. Notwithstanding the other provisions of this Article 11 (other than Section 11.6.D hereof), the General Partner may Transfer all of its Partnership Interests at any time to any Person that is, at the time of such Transfer an Affiliate of the General Partner that is controlled by the General Partner, including any "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), without the Consent of any Limited Partners. The provisions of Section 11.2.B, 11.3, 11.4.A and 11.5 hereof shall not apply to any Transfer permitted by this Section 11.2.C.

D. The General Partner shall not, without prior Partnership Approval, consummate any transaction that would result in a direct or indirect transfer of all or any portion of the General Partner's Partnership Interest if such direct or indirect transfer would be effected through (a) a Termination Transaction or (b) the issuance of REIT Shares, in each case in connection with which the General Partner seeks to obtain or would be required to obtain approval of its stockholders (each of a "*General Partner Interest Transfer*").

E. Except in connection with Transfers permitted in this Article 11 and as otherwise provided in Section 12.1 in connection with the Transfer of the General Partner's entire Partnership Interest, the General Partner may not voluntarily withdraw as a general partner of the Partnership without the Consent of the Limited Partners.

Section 11.3 *Limited Partners' Rights to Transfer*.

A. *General*. Prior to the end of the first Fourteen-Month Period and except as provided in Section 11.1.C hereof, no Limited Partner shall Transfer all or any portion of its Partnership Interest to any transferee without the Consent of the General Partner; *provided*, *however*, that any Limited Partner may, at any time, without the consent or approval of the General Partner, (i) Transfer all or part of its Partnership Interest to any Family Member (including a Transfer by a Family Member that is an inter vivos or testamentary trust (whether revocable or irrevocable) to a Family Member that is a beneficiary of such trust), any Charity, any Controlled Entity or any Affiliate, or (ii) pledge (a "*Pledge*") all or any portion of its Partnership Interest to a lending institution as collateral or security for a bona fide loan or other extension of credit, and Transfer such pledged Partnership Interest to such lending institution in connection with the exercise of remedies under such loan or extension of credit (any Transfer or Pledge permitted by this proviso is hereinafter referred to as a "*Permitted Transfer*"). After such first Fourteen-Month Period, each Limited Partner, and each transferee of Partnership Units or Assignee pursuant to a Permitted Transfer, shall have the right to Transfer all or any portion of

its Partnership Interest to any Person, without the Consent of the General Partner but subject to the provisions of Section 11.4 hereof and to satisfaction of each of the following conditions:

(1) *General Partner Right of First Refusal*. The transferor Limited Partner (or the Partner's estate in the event of the Partner's death) shall give written notice of the proposed Transfer to the General Partner, which notice shall state (i) the identity and address of the proposed transferee and (ii) the amount and type of consideration proposed to be received for the Transferred Partnership Units. The General Partner shall have ten (10) Business Days upon which to give the transferor Limited Partner notice of its election to acquire the Partnership Units on the terms set forth in such notice. If it so elects, it shall purchase the Partnership Units on such terms within ten (10) Business Days after giving notice of such election; *provided, however*, that in the event that the proposed terms involve a purchase for cash, the General Partner may at its election deliver in lieu of all or any portion of such cash a note from the General Partner payable to the transferor Limited Partner at a date as soon as reasonably practicable, but in no event later than one hundred eighty (180) days after such purchase, and bearing interest at an annual rate equal to the total dividends declared with respect to one (1) REIT Share for the four (4) preceding fiscal quarters of the General Partner, divided by the Value as of the closing of such purchase; and *provided, further*, that such closing may be deferred to the extent necessary to effect compliance with the Hart-Scott-Rodino Act, if applicable, and any other applicable requirements of law. If it does not so elect, the transferor Limited Partner may Transfer such Partnership Units to a third party, on terms no more favorable to the transferee than the proposed terms, subject to the other conditions of this Section 11.3.

(2) *Qualified Transferee*. Any Transfer of a Partnership Interest shall be made only to a single Qualified Transferee; *provided, however*, that, for such purposes, all Qualified Transferees that are Affiliates, or that comprise investment accounts or funds managed by a single Qualified Transferee and its Affiliates, shall be considered together to be a single Qualified Transferee; and *provided, further*, that each Transfer meeting the minimum Transfer restriction of Section 11.3.A(4) hereof may be to a separate Qualified Transferee.

(3) *Opinion of Counsel*. The transferor Limited Partner shall deliver or cause to be delivered to the General Partner an opinion of counsel reasonably satisfactory to it to the effect that the proposed Transfer may be effected without registration under the Securities Act and will not otherwise violate the registration provisions of the Securities Act and the regulations promulgated thereunder or violate any state securities laws or regulations applicable to the Partnership or the Partnership Interests Transferred; *provided, however*, that the General Partner may, in its sole discretion, waive this condition upon the request of the transferor Limited Partner. If, in the opinion of such counsel, such Transfer would require the filing of a registration statement under the Securities Act or would otherwise violate any Federal or state securities laws or regulations applicable to the Partnership or the Partnership Units, the General Partner may prohibit any Transfer otherwise permitted under this Section 11.3 by a Limited Partner of Partnership Interests.

(4) *Minimum Transfer Restriction*. Any Transferring Partner must Transfer not less than the lesser of (i) five hundred (500) Partnership Units or (ii) all of the remaining Partnership Units owned by such Transferring Partner, unless, in each case, otherwise agreed to by

the General Partner; *provided*, *however*, that, for purposes of determining compliance with the foregoing restriction, all Partnership Units owned by Affiliates of a Limited Partner shall be considered to be owned by such Limited Partner.

(5) *Exception for Permitted Transfers*. The conditions of Sections 11.3.A(1) through 11.3.A(4) hereof shall not apply in the case of a Permitted Transfer.

It is a condition to any Transfer otherwise permitted hereunder (whether or not such Transfer is effected during or after the first Fourteen-Month Period) that the transferee assumes by operation of law or express agreement all of the obligations of the transferor Limited Partner under this Agreement with respect to such Transferred Partnership Interest, and no such Transfer (other than pursuant to a statutory merger or consolidation wherein all obligations and liabilities of the transferor Partner are assumed by a successor corporation by operation of law) shall relieve the transferor Partner of its obligations under this Agreement without the Consent of the General Partner. Notwithstanding the foregoing, any transferee of any Transferred Partnership Interest shall be subject to any restrictions on ownership and transfer of stock of the General Partner contained in the Charter that may limit or restrict such transferee's ability to exercise its Redemption rights, including, without limitation, the Ownership Limit. Any transferee, whether or not admitted as a Substituted Limited Partner, shall take subject to the obligations of the transferor hereunder. Unless admitted as a Substituted Limited Partner, no transferee, whether by a voluntary Transfer, by operation of law or otherwise, shall have any rights hereunder, other than the rights of an Assignee as provided in Section 11.5 hereof.

B. *Incapacity*. If a Limited Partner is subject to Incapacity, the executor, administrator, trustee, committee, guardian, conservator or receiver of such Limited Partner's estate shall have all the rights of a Limited Partner, but not more rights than those enjoyed by other Limited Partners, for the purpose of settling or managing the estate, and such power as the Incapacitated Limited Partner possessed to Transfer all or any part of its interest in the Partnership. The Incapacity of a Limited Partner, in and of itself, shall not dissolve or terminate the Partnership.

C. *Adverse Tax Consequences*. Notwithstanding anything to the contrary in this Agreement, the General Partner shall have the authority (but shall not be required) to take any steps it determines are necessary or appropriate in its sole and absolute discretion to prevent the Partnership from being taxable as a corporation for Federal income tax purposes. In addition, except with the Consent of the General Partner, no Transfer by a Limited Partner of its Partnership Interests (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any other acquisition of Partnership Units by the General Partner or any acquisition of Partnership Units by the Partnership) may be made to or by any Person if such Transfer could (i) result in the Partnership being treated as an association taxable as a corporation; (ii) result in a termination of the Partnership under Code Section 708; (iii) be treated as effectuated through an "established securities market" or a "secondary market (or the substantial equivalent thereof)" within the meaning of Code Section 7704 and the Regulations promulgated thereunder, (iv) result in the Partnership being unable to qualify for one or more of the "safe harbors" set forth in Regulations Section 1.7704-1 (or such other guidance subsequently published by the IRS setting forth safe harbors under which interests will not be treated as "readily tradable on a secondary market (or the substantial equivalent thereof)" within

the meaning of Section 7704 of the Code) (the "*Safe Harbors*") or (v) based on the advice of counsel to the Partnership or the General Partner, adversely affect the ability of the General Partner to continue to qualify as a REIT or subject the General Partner to any additional taxes under Code Section 857 or Code Section 4981.

Section 11.4 *Admission of Substituted Limited Partners*.

A. No Limited Partner shall have the right to substitute a transferee (including any transferees pursuant to Transfers permitted by Section 11.3 hereof) as a Limited Partner in its place. A transferee of a Limited Partner Interest may be admitted as a Substituted Limited Partner only with the Consent of the General Partner. The failure or refusal by the General Partner to permit a transferee of any such interests to become a Substituted Limited Partner shall not give rise to any cause of action against the Partnership or the General Partner. Subject to the foregoing, an Assignee shall not be admitted as a Substituted Limited Partner until and unless it furnishes to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all the terms, conditions and applicable obligations of this Agreement, (ii) a counterpart signature page to this Agreement executed by such Assignee and (iii) such other documents and instruments as may be required or advisable, in the sole and absolute discretion of the General Partner, to effect such Assignee's admission as a Substituted Limited Partner.

B. Concurrently with, and as evidence of, the admission of a Substituted Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and class and/or series of Partnership Units of such Substituted Limited Partner and to eliminate or adjust, if necessary, the name, address and number of Partnership Units of the predecessor of such Substituted Limited Partner.

C. A transferee who has been admitted as a Substituted Limited Partner in accordance with this Article 11 shall have all the rights and powers and be subject to all the restrictions and liabilities of a Limited Partner under this Agreement.

Section 11.5 *Assignees*. If the General Partner does not Consent to the admission of any permitted transferee under Section 11.3 hereof as a Substituted Limited Partner, as described in Section 11.4 hereof, or in the event that any Partnership Interest is deemed to have been Transferred notwithstanding the restrictions set forth in this Article 11, such transferee shall be considered an Assignee for purposes of this Agreement. An Assignee shall be entitled to all the rights of an assignee of a limited partnership interest under the Act, including the right to receive distributions from the Partnership and the share of Net Income, Net Losses and other items of income, gain, loss, deduction and credit of the Partnership attributable to the Partnership Interest assigned to such transferee and the rights to Transfer the Partnership Interest provided in this Article 11, but shall not be deemed to be a holder of a Partnership Interest for any other purpose under this Agreement (other than as expressly provided in Section 15.1 hereof with respect to a Qualifying Party that becomes a Tendering Party), and shall not be entitled to effect a Consent or vote with respect to such Partnership Interest on any matter presented to the Partners for approval (such right to Consent or vote, to the extent provided in this Agreement or under the Act, fully remaining with the transferor Limited Partner). In the event that any such transferee desires to make a further Transfer of any such Partnership Interest, such transferee shall be

subject to all the provisions of this Article 11 to the same extent and in the same manner as any Limited Partner desiring to make a Transfer of a Limited Partner Interest.

Section 11.6 *General Provisions.*

A. No Limited Partner may withdraw from the Partnership other than as a result of: (i) a permitted Transfer of all of such Limited Partner's Partnership Units in accordance with this Article 11 with respect to which the transferee becomes a Substituted Limited Partner; (ii) pursuant to a redemption (or acquisition by the General Partner) of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) the acquisition by the General Partner of all of such Limited Partner's Partnership Interest, whether or not pursuant to Section 15.1.B hereof.

B. Any Limited Partner who shall Transfer all of its Partnership Units in a Transfer (i) permitted pursuant to this Article 11 where such transferee was admitted as a Substituted Limited Partner, (ii) pursuant to the exercise of its rights to effect a redemption of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) to the General Partner, whether or not pursuant to Section 15.1.B hereof, shall cease to be a Limited Partner.

C. If any Partnership Unit is Transferred in compliance with the provisions of this Article 11, or is redeemed by the Partnership, or acquired by the General Partner pursuant to Section 15.1 hereof, on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit attributable to such Partnership Unit for such Partnership Year shall be allocated to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, to the transferee Partner, by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner in its sole and absolute discretion. Solely for purposes of making such allocations, unless the General Partner decides in its sole and absolute discretion to use another method permitted under the Code, each of such items for the calendar month in which a Transfer occurs shall be allocated to the transferee Partner and none of such items for the calendar month in which a Transfer or a Redemption occurs shall be allocated to the transferor Partner, or the Tendering Party (as the case may be) if such Transfer occurs on or before the fifteenth (15th) day of the month, otherwise such items shall be allocated to the transferor. All distributions of Available Cash attributable to such Partnership Unit with respect to which the Partnership Record Date is before the date of such Transfer, assignment or Redemption shall be made to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, all distributions of Available Cash thereafter attributable to such Partnership Unit shall be made to the transferee Partner.

D. In addition to any other restrictions on Transfer herein contained, in no event may any Transfer of a Partnership Interest by any Partner (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any acquisition of Partnership Units by the General Partner or any other acquisition of Partnership Units by the Partnership) be made: (i) to any person or entity who lacks the legal right, power or capacity to own a Partnership Interest; (ii)

in violation of applicable law; (iii) except with the Consent of the General Partner, of any component portion of a Partnership Interest, such as the Capital Account, or rights to distributions, separate and apart from all other components of a Partnership Interest; (iv) in the event that such Transfer could cause either the General Partner or any General Partner Affiliate to cease to comply with the REIT Requirements or to cease to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)); (v) except with the Consent of the General Partner, if such Transfer could, based on the advice of counsel to the Partnership or the General Partner, cause a termination of the Partnership for Federal or state income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vi) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause the Partnership to cease to be classified as a partnership for federal income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vii) if such Transfer would cause the Partnership to become, with respect to any employee benefit plan subject to Title I of ERISA, a "party-in-interest" (as defined in ERISA Section 3(14)) or a "disqualified person" (as defined in Code Section 4975(c)); (viii) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause any portion of the assets of the Partnership to constitute assets of any employee benefit plan pursuant to Department of Labor Regulations Section 2510.3-101; (ix) if such Transfer requires the registration of such Partnership Interest pursuant to any applicable Federal or state securities laws; (x) except with the Consent of the General Partner, if such Transfer (1) could be treated as effectuated through an "established securities market" or a "secondary market" (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code and the Regulations promulgated thereunder, (2) could cause the Partnership to become a "publicly traded partnership," as such term is defined in Sections 469(k)(2) or 7704(b) of the Code, (3) could be in violation of Section 3.4.C(iii), or (4) could cause the Partnership to fail one or more of the Safe Harbors; (xi) if such Transfer causes the Partnership (as opposed to the General Partner) to become a reporting company under the Exchange Act; or (xii) if such Transfer subjects the Partnership to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940 or ERISA, each as amended. The General Partner shall, in its sole discretion, be permitted to take all action necessary to prevent the Partnership from being classified as a "publicly traded partnership" under Code Section 7704.

E. Transfers pursuant to this Article 11 may only be made on the first day of a fiscal quarter of the Partnership, unless the General Partner otherwise Consents.

ARTICLE 12
ADMISSION OF PARTNERS

Section 12.1 *Admission of Successor General Partner*. A successor to all of the General Partner's General Partner Interest pursuant to a Transfer permitted by Section 11.2 hereof who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately upon such Transfer. Upon any such Transfer and the admission of any such transferee as a successor General Partner in accordance with this Section 12.1, the transferor General Partner shall be relieved of its obligations under this Agreement and shall cease to be a general partner of the Partnership without any separate Consent of the Limited Partners or the consent or approval of any other Partners. Any such

successor General Partner shall carry on the business and affairs of the Partnership without dissolution. In each case, the admission shall be subject to the successor General Partner executing and delivering to the Partnership an acceptance of all of the terms and conditions of this Agreement and such other documents or instruments as may be required to effect the admission of such Person as a General Partner. Upon any such Transfer, the transferee shall become the successor General Partner for all purposes herein, and shall be vested with the powers and rights of the transferor General Partner, and shall be liable for all obligations and responsible for all duties of the General Partner. Concurrently with, and as evidence of, the admission of a successor General Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such successor General Partner.

Section 12.2 *Admission of Additional Limited Partners*.

A. After the admission to the Partnership of the Original Limited Partners, a Person (other than an existing Partner) who makes a Capital Contribution to the Partnership in exchange for Partnership Units and in accordance with this Agreement or is issued LTIP Units in exchange for no consideration in accordance with Section 4.2.B hereof shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all of the terms and conditions of this Agreement, including, without limitation, the power of attorney granted in Section 2.4 hereof, (ii) a counterpart signature page to this Agreement executed by such Person and (iii) such other documents or instruments as may be required in the sole and absolute discretion of the General Partner in order to effect such Person's admission as an Additional Limited Partner. Concurrently with, and as evidence of, the admission of an Additional Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such Additional Limited Partner.

B. Notwithstanding anything to the contrary in this Section 12.2, no Person shall be admitted as an Additional Limited Partner without the Consent of the General Partner. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded on the books and records of the Partnership, following the Consent of the General Partner to such admission and the satisfaction of all the conditions set forth in Section 12.2.A.

C. If any Additional Limited Partner is admitted to the Partnership on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit allocable among Holders for such Partnership Year shall be allocated among such Additional Limited Partner and all other Holders by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner. Solely for purposes of making such allocations, each of such items for the calendar month in which an admission of any Additional Limited Partner occurs shall be allocated among all the Holders including such Additional Limited Partner, in accordance with the principles described in Section 11.6.C hereof. All distributions of Available Cash with respect to which the Partnership Record Date is before the date of such admission

shall be made solely to Partners and Assignees other than the Additional Limited Partner, and all distributions of Available Cash thereafter shall be made to all the Partners and Assignees including such Additional Limited Partner.

D. Any Additional Limited Partner admitted to the Partnership that is an Affiliate of the General Partner shall be deemed to be a "General Partner Affiliate" hereunder and shall be reflected as such on Exhibit A and the books and records of the Partnership.

Section 12.3 *Amendment of Agreement and Certificate of Limited Partnership*. For the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Act to amend the records of the Partnership and, if necessary, to prepare as soon as practical an amendment of this Agreement (including an amendment of Exhibit A) and, if required by law, shall prepare and file an amendment to the Certificate and may for this purpose exercise the power of attorney granted pursuant to Section 2.4 hereof.

Section 12.4 *Limit on Number of Partners*. Unless otherwise permitted by the General Partner in its sole and absolute discretion, no Person shall be admitted to the Partnership as an Additional Limited Partner if the effect of such admission would be to cause the Partnership to have a number of Partners that would cause the Partnership to become a reporting company under the Exchange Act.

Section 12.5 *Admission.* A Person shall be admitted to the Partnership as a limited partner of the Partnership or a general partner of the Partnership only upon strict compliance, and not upon substantial compliance, with the requirements set forth in this Agreement for admission to the Partnership as a Limited Partner or a General Partner.

ARTICLE 13
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1 *Dissolution*. The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the withdrawal of the General Partner, any successor General Partner shall continue the business and affairs of the Partnership without dissolution. However, the Partnership shall dissolve, and its affairs shall be wound up, upon the first to occur of any of the following (each a "*Liquidating Event*"):

A. an event of withdrawal, as defined in Section 10-402(2) – (9) of the Act (including, without limitation, bankruptcy), or the withdrawal in violation of this Agreement, of the last remaining General Partner unless, within ninety (90) days after the withdrawal, a Majority in Interest of the Partners remaining agree in writing, in their sole and absolute discretion, to continue the Partnership and to the appointment, effective as of the date of such withdrawal, of a successor General Partner;

B. an election to dissolve the Partnership made by the General Partner in its sole and absolute discretion, with or without the Consent of the Partners;

C. entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Act;

D. any sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business or a related series of transactions that, taken together, result in the sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business; or

E. the Redemption or other acquisition by the Partnership or the General Partner of all Partnership Units other than Partnership Units held by the General Partner.

Section 13.2 *Winding Up*.

A. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets and satisfying the claims of its creditors and the Holders. After the occurrence of a Liquidating Event, no Holder shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. The General Partner (or, in the event that there is no remaining General Partner or the General Partner has dissolved, become bankrupt within the meaning of the Act or ceased to operate, any Person elected by a Majority in Interest of the Partners (the General Partner or such other Person being referred to herein as the "*Liquidator*")) shall be responsible for overseeing the winding up and dissolution of the Partnership and shall take full account of the Partnership's liabilities and property, and the Partnership property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (which may, to the extent determined by the General Partner, include shares of stock in the General Partner) shall be applied and distributed in the following order:

(1) First, to the satisfaction of all of the Partnership's debts and liabilities to creditors other than the Holders (whether by payment or the making of reasonable provision for payment thereof);

(2) Second, to the satisfaction of all of the Partnership's debts and liabilities to the General Partner (whether by payment or the making of reasonable provision for payment thereof), including, but not limited to, amounts due as reimbursements under Section 7.4 hereof;

(3) Third, to the satisfaction of all of the Partnership's debts and liabilities to the other Holders (whether by payment or the making of reasonable provision for payment thereof); and

(4) Fourth, to the Partners in accordance with their positive Capital Account balances, determined after taking into account all Capital Account adjustments for all prior periods and the Partnership taxable year during which the liquidation occurs (other than those made as a result of the liquidating distribution set forth in this Section 13.2.A(4)).

The General Partner shall not receive any additional compensation for any services performed pursuant to this Article 13 other than reimbursement of its expenses as set forth in Section 7.4.

B. Notwithstanding the provisions of Section 13.2.A hereof that require liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Partnership, the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Holders, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (including to those Holders as creditors) and/or distribute to the Holders, in lieu of cash, as tenants in common and in accordance with the provisions of Section 13.2.A hereof, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Holders, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. If any Holder has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), except as otherwise agreed to by such Holder, such Holder shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever.

D. In the sole and absolute discretion of the General Partner or the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Holders pursuant to this Article 13 may be:

(1) distributed to a trust established for the benefit of the General Partner and the Holders for the purpose of liquidating Partnership assets, collecting amounts owed to the Partnership, and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership and/or Partnership activities. The assets of any such trust shall be distributed to the Holders, from time to time, in the reasonable discretion of the General Partner, in the same proportions and amounts as would otherwise have been distributed to the Holders pursuant to this Agreement; or

(2) withheld or escrowed to provide a reasonable reserve for Partnership liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Partnership, provided that such withheld or escrowed amounts shall be distributed to the Holders in the manner and order of priority set forth in Section 13.2.A hereof as soon as practicable.

Section 13.3 *Deemed Contribution and Distribution*. Notwithstanding any other provision of this Article 13, in the event that the Partnership is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), but no Liquidating Event has occurred, the Partnership's Property shall not be liquidated, the Partnership's liabilities shall not be paid or discharged and the Partnership's affairs shall not be wound up. Instead, for federal income tax

purposes the Partnership shall be deemed to have contributed all of its assets and liabilities to a new partnership in exchange for an interest in the new partnership; and immediately thereafter, distributed Partnership Units to the Partners in the new partnership in accordance with their respective Capital Accounts in liquidation of the Partnership, and the new partnership is deemed to continue the business of the Partnership. Nothing in this Section 13.3 shall be deemed to have constituted a Transfer to an Assignee as a Substituted Limited Partner without compliance with the provisions of Section 11.4 or Section 13.3 hereof.

Section 13.4 *Rights of Holders*. Except as otherwise provided in this Agreement and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, (a) each Holder shall look solely to the assets of the Partnership for the return of its Capital Contribution, (b) no Holder shall have the right or power to demand or receive property other than cash from the Partnership and (c) no Holder shall have priority over any other Holder as to the return of its Capital Contributions, distributions or allocations.

Section 13.5 *Notice of Dissolution*. In the event that a Liquidating Event occurs or an event occurs that would, but for an election or objection by one or more Partners pursuant to Section 13.1 hereof, result in a dissolution of the Partnership, the General Partner shall, within thirty (30) days thereafter, provide written notice thereof to each Holder and, in the General Partner's sole and absolute discretion or as required by the Act, to all other parties with whom the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner), and the General Partner may, or, if required by the Act, shall, publish notice thereof in a newspaper of general circulation in each place in which the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner).

Section 13.6 *Cancellation of Certificate of Limited Partnership*. Upon the completion of the liquidation of the Partnership cash and property as provided in Section 13.2 hereof, the Partnership shall be terminated, a certificate of cancellation shall be filed with the SDAT, all qualifications of the Partnership as a foreign limited partnership or association in jurisdictions other than the State of Maryland shall be cancelled, and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 13.7 *Reasonable Time for Winding-Up*. A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Partnership and the liquidation of its assets pursuant to Section 13.2 hereof, in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between and among the Partners during the period of liquidation; *provided, however*, reasonable efforts shall be made to complete such winding-up within twenty-four (24) months after the adoption of a plan of liquidation of the General Partner, as provided in Section 562(b)(2)(B) of the Code, if necessary, in the sole and absolute discretion of the General Partner.

ARTICLE 14
PROCEDURES FOR ACTIONS AND CONSENTS
OF PARTNERS; AMENDMENTS; MEETINGS

Section 14.1 *Procedures for Actions and Consents of Partners*. The actions requiring Consent of any Partner or Partners pursuant to this Agreement, including Section 7.3 hereof, or otherwise pursuant to applicable law, are subject to the procedures set forth in this Article 14.

Section 14.2 *Amendments*. Amendments to this Agreement may be proposed by the General Partner or by Limited Partners holding twenty-five percent (25%) or more of the Partnership Interests held by Limited Partners and, except as set forth in Section 7.3.B and Section 7.3.C and subject to Section 7.3.D, Section 16.10 and the rights of any Holder of Partnership Interest set forth in a Partnership Unit Designation, shall be approved by the Consent of the Partners. Following such proposal, the General Partner shall submit to the Partners entitled to vote thereon any proposed amendment that, pursuant to the terms of this Agreement, requires the consent, approval or vote of such Partners. The General Partner shall seek the consent, approval or vote of the Partners entitled to vote thereon on any such proposed amendment in accordance with Section 14.3 hereof.

Section 14.3 *Actions and Consents of the Partners*.

A. Meetings of the Partners may be called only by the General Partner to transact any business that the General Partner determines. The call shall state the nature of the business to be transacted. Notice of any such meeting shall be given to all Partners entitled to act at the meeting not less than seven (7) days nor more than sixty (60) days prior to the date of such meeting. Partners may vote in person or by proxy at such meeting. Unless approval by a different number or proportion of the Partners is required by this Agreement (including without limitation Section 11.2.D), the affirmative vote of Partners holding a majority of the Percentage Interests held by the Partners entitled to act on any proposal shall be sufficient to approve such proposal at a meeting of the Partners. Whenever the vote, consent or approval of Partners is permitted or required under this Agreement, such vote, consent or approval may be given at a meeting of Partners or may be given at a meeting of Partners or in accordance with the procedure prescribed in Section 14.3.B hereof.

B. Any action requiring the Consent of any Partner or group of Partners pursuant to this Agreement or that is required or permitted to be taken at a meeting of the Partners may be taken without a meeting if a consent in writing or by electronic transmission setting forth the action so taken or consented to is given by Partners whose affirmative vote would be sufficient to approve such action or provide such Consent at a meeting of the Partners. Such consent may be in one instrument or in several instruments, and shall have the same force and effect as the affirmative vote of such Partners at a meeting of the Partners. Such consent shall be filed with the General Partner. An action so taken shall be deemed to have been taken at a meeting held on the effective date so certified. For purposes of obtaining a Consent in writing or by electronic transmission, the General Partner may require a response within a reasonable specified time, but not less than fifteen (15) days, and failure to respond in such time period shall constitute a Consent that is consistent with the General Partner’s recommendation with respect to the

proposal; *provided, however*, that an action shall become effective at such time as requisite Consents are received even if prior to such specified time.

C. Each Partner entitled to act at a meeting of the Partners may authorize any Person or Persons to act for it by proxy on all matters in which a Partner is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Each proxy must be signed by the Partner or its attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy (or there is receipt of a proxy authorizing a later date). Every proxy shall be revocable at the pleasure of the Partner executing it, such revocation to be effective upon the Partnership's receipt of written notice of such revocation from the Partner executing such proxy, unless such proxy states that it is irrevocable and is coupled with an interest.

D. The General Partner may set, in advance, a record date for the purpose of determining the Partners (i) entitled to Consent to any action, (ii) entitled to receive notice of or vote at any meeting of the Partners or (iii) in order to make a determination of Partners for any other proper purpose. Such date, in any case, (x) shall not be prior to the close of business on the day the record date is fixed and shall be not more than ninety (90) days and, in the case of a meeting of the Partners, not less than five (5) days, before the date on which the meeting is to be held or Consent is to be given and (y) shall be, with respect to the determination of the existence of Partnership Approval, the record date established by the General Partner for the approval of its stockholders for the event constituting a General Partner Interest Transfer. If no record date is fixed, the record date for the determination of Partners entitled to notice of or to vote at a meeting of the Partners shall be at the close of business on the day on which the notice of the meeting is sent, and the record date for any other determination of Partners shall be the effective date of such Partner action, distribution or other event. When a determination of the Partners entitled to vote at any meeting of the Partners has been made as provided in this section, such determination shall apply to any adjournment thereof.

E. Each meeting of Partners shall be conducted by the General Partner or such other Person as the General Partner may appoint pursuant to such rules for the conduct of the meeting as the General Partner or such other Person deems appropriate in its sole and absolute discretion. Without limitation, meetings of Partners may be conducted in the same manner as meetings of the General Partner's stockholders and may be held at the same time as, and as part of, the meetings of the General Partner's stockholders.

ARTICLE 15
GENERAL PROVISIONS

Section 15.1 *Redemption Rights of Qualifying Parties*.

A. After the applicable Fourteen-Month Period, a Qualifying Party shall have the right (subject to the terms and conditions set forth herein) to require the Partnership to redeem all or a portion of the Partnership Common Units held by such Tendering Party (Partnership Common Units that have in fact been tendered for redemption being hereafter referred to as "*Tendered Units")* in exchange (a "*Redemption*") for the Cash Amount payable on the Specified Redemption Date. The Partnership may, in the General Partner's sole and absolute discretion,

redeem Tendered Units at the request of the Holder thereof prior to the end of the applicable Fourteen-Month Period (subject to the terms and conditions set forth herein) (a "*Special Redemption*"); *provided, however*, that the General Partner first receives a legal opinion to the same effect as the legal opinion described in Section 15.1.G of this Agreement. Any Redemption shall be exercised pursuant to a Notice of Redemption delivered to the General Partner by the Qualifying Party when exercising the Redemption right (the "*Tendering Party*"). The Partnership's obligation to effect a Redemption, however, shall not arise or be binding against the Partnership until the earlier of (i) the date the General Partner notifies the Tendering Party that the General Partner declines to acquire some or all of the Tendered Units under Section 15.1.B hereof following receipt of a Notice of Redemption and (ii) the Business Day following the Cut-Off Date. In the event of a Redemption, the Cash Amount shall be delivered as a certified or bank check payable to the Tendering Party or, in the General Partner's sole and absolute discretion, in immediately available funds, in each case, on or before the tenth (10th) Business Day following the date on which the General Partner receives a Notice of Redemption from the Tendering Party.

B. Notwithstanding the provisions of Section 15.1.A hereof, on or before the close of business on the Cut-Off Date, the General Partner may, in the General Partner's sole and absolute discretion but subject to the Ownership Limit, elect to acquire some or all of the Tendered Units from the Tendering Party in exchange for REIT Shares (the percentage of such Tendered Units to be acquired by the General Partner in exchange for REIT Shares being referred to as the "*Applicable Percentage*"). If the General Partner elects to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the General Partner shall give written notice thereof to the Tendering Party on or before the close of business on the Cut-Off Date. If the General Partner elects to acquire any of the Tendered Units for REIT Shares, the General Partner shall issue and deliver such REIT Shares to the Tendering Party pursuant to the terms of this Section 15.1.B, in which case (1) the General Partner shall assume directly the obligation with respect thereto and shall satisfy the Tendering Party's exercise of its Redemption right with respect to such Tendered Units and (2) such transaction shall be treated, for federal income tax purposes, as a transfer by the Tendering Party of such Tendered Units to the General Partner in exchange for the REIT Shares Amount. If the General Partner so elects, on the Specified Redemption Date, the Tendering Party shall sell such number of the Tendered Units to the General Partner in exchange for a number of REIT Shares equal to the product of the REIT Shares Amount and the Applicable Percentage. The Tendering Party shall submit (i) such information, certification or affidavit as the General Partner may reasonably require in connection with the application of the Ownership Limit to any such acquisition and (ii) such written representations, investment letters, legal opinions or other instruments necessary, in the General Partner's view, to effect compliance with the Securities Act. In the event of a purchase of the Tendered Units by the General Partner pursuant to this Section 15.1.B, the Tendering Party shall no longer have the right to cause the Partnership to effect a Redemption of such Tendered Units and, upon notice to the Tendering Party by the General Partner given on or before the close of business on the Cut-Off Date that the General Partner has elected to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the obligation of the Partnership to effect a Redemption of the Tendered Units as to which the General Partner's notice relates shall not accrue or arise. A number of REIT Shares equal to the product of the Applicable Percentage and the REIT Shares Amount, if applicable, shall be delivered by the General Partner as duly authorized, validly issued, fully paid and non-assessable REIT Shares and, if applicable, Rights, free of any pledge, lien, encumbrance or

restriction, other than the Ownership Limit, the Securities Act and relevant state securities or "blue sky" laws. Neither any Tendering Party whose Tendered Units are acquired by the General Partner pursuant to this Section 15.1.B, any Partner, any Assignee nor any other interested Person shall have any right to require or cause the General Partner to register, qualify or list any REIT Shares owned or held by such Person, whether or not such REIT Shares are issued pursuant to this Section 15.1.B, with the SEC, with any state securities commissioner, department or agency, under the Securities Act or the Exchange Act or with any stock exchange; *provided*, *however*, that this limitation shall not be in derogation of any registration or similar rights granted pursuant to any other written agreement between the General Partner and any such Person. Notwithstanding any delay in such delivery, the Tendering Party shall be deemed the owner of such REIT Shares and Rights for all purposes, including, without limitation, rights to vote or consent, receive dividends, and exercise rights, as of the Specified Redemption Date. REIT Shares issued upon an acquisition of the Tendered Units by the General Partner pursuant to this Section 15.1.B may contain such legends regarding restrictions under the Securities Act and applicable state securities laws as the General Partner determines to be necessary or advisable in order to ensure compliance with such laws.

C. Notwithstanding the provisions of Section 15.1.A and 15.1.B hereof, the Tendering Parties shall have no rights under this Agreement that would otherwise be prohibited by the Charter. To the extent that any attempted Redemption or acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof would be in violation of this Section 15.1.C, it shall be null and void *ab initio*, and the Tendering Party shall not acquire any rights or economic interests in REIT Shares otherwise issuable by the General Partner under Section 15.1.B hereof or cash otherwise payable under Section 15.1.A hereof.

D. If the General Partner does not elect to acquire the Tendered Units pursuant to Section 15.1.B hereof:

(1) The Partnership may elect to raise funds for the payment of the Cash Amount either (a) by requiring that the General Partner contribute to the Partnership funds from the proceeds of a registered public offering by the General Partner of REIT Shares sufficient to purchase the Tendered Units or (b) from any other sources (including, but not limited to, the sale of any Property and the incurrence of additional Debt) available to the Partnership. The General Partner shall make a Capital Contribution of any such amounts to the Partnership for an additional General Partner Interest. Any such contribution shall entitle the General Partner to an equitable Percentage Interest adjustment.

(2) If the Cash Amount is not paid on or before the Specified Redemption Date, interest shall accrue with respect to the Cash Amount from the day after the Specified Redemption Date to and including the date on which the Cash Amount is paid at a rate equal to the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate).

E. Notwithstanding the provisions of Section 15.1.B hereof, the General Partner shall not, under any circumstances, elect to acquire any Tendered Units in exchange for REIT Shares if such exchange would be prohibited under the Charter.

F. Notwithstanding anything herein to the contrary (but subject to Section 15.1.C hereof), with respect to any Redemption (or any tender of Partnership Common Units for Redemption if the Tendered Units are acquired by the General Partner pursuant to Section 15.1.B hereof) pursuant to this Section 15.1:

(1) All Partnership Common Units acquired by the General Partner pursuant to Section 15.1.B hereof shall automatically, and without further action required, be converted into and deemed to be a General Partner Interest comprised of the same number of Partnership Common Units.

(2) Subject to the Ownership Limit, no Tendering Party may effect a Redemption for less than one thousand (1,000) Partnership Common Units or, if such Tendering Party holds (as a Limited Partner or, economically, as an Assignee) less than one thousand (1,000) Partnership Common Units, all of the Partnership Common Units held by such Tendering Party, without, in each case, the Consent of the General Partner.

(3) If (i) a Tendering Party surrenders its Tendered Units during the period after the Partnership Record Date with respect to a distribution and before the record date established by the General Partner for a distribution to its stockholders of some or all of its portion of such Partnership distribution, and (ii) the General Partner elects to acquire any of such Tendered Units in exchange for REIT Shares pursuant to Section 15.1.B, such Tendering Party shall pay to the General Partner on the Specified Redemption Date an amount in cash equal to the portion of the Partnership distribution in respect of the Tendered Units exchanged for REIT Shares, insofar as such distribution relates to the same period for which such Tendering Party would receive a distribution in respect of such REIT Shares.

(4) The consummation of such Redemption (or an acquisition of Tendered Units by the General Partner pursuant to Section 15.1.B hereof, as the case may be) shall be subject to the expiration or termination of the applicable waiting period, if any, under the Hart-Scott-Rodino Act.

(5) The Tendering Party shall continue to own (subject, in the case of an Assignee, to the provisions of Section 11.5 hereof) all Partnership Common Units subject to any Redemption, and be treated as a Limited Partner or an Assignee, as applicable, with respect to such Partnership Common Units for all purposes of this Agreement, until such Partnership Common Units are either paid for by the Partnership pursuant to Section 15.1.A hereof or transferred to the General Partner and paid for, by the issuance of the REIT Shares, pursuant to Section 15.1.B hereof on the Specified Redemption Date. Until a Specified Redemption Date and an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, the Tendering Party shall have no rights as a stockholder of the General Partner with respect to the REIT Shares issuable in connection with such acquisition.

G. In connection with an exercise of Redemption rights pursuant to this Section 15.1, except as otherwise Consented to by the General Partner, the Tendering Party shall submit the following to the General Partner, in addition to the Notice of Redemption:

(1) A written affidavit, dated the same date as the Notice of Redemption, (a) disclosing the actual and constructive ownership, as determined for purposes of Code Sections 856(a)(6) and 856(h), of REIT Shares by (i) such Tendering Party and (ii) to the best of their knowledge any Related Party and (b) representing that, after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party will own REIT Shares in violation of the Ownership Limit;

(2) A written representation that neither the Tendering Party nor to the best of their knowledge any Related Party has any intention to acquire any additional REIT Shares prior to the closing of the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date; and

(3) An undertaking to certify, at and as a condition to the closing of (i) the Redemption or (ii) the acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date, that either (a) the actual and constructive ownership of REIT Shares by the Tendering Party and to the best of their knowledge any Related Party remain unchanged from that disclosed in the affidavit required by Section 15.1.G(1) or (b) after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party shall own REIT Shares in violation of the Ownership Limit.

(4) In connection with any Special Redemption, the General Partner shall have the right to receive an opinion of counsel reasonably satisfactory to it to the effect that the proposed Special Redemption will not cause the Partnership or the General Partner to violate any Federal or state securities laws or regulations applicable to the Special Redemption, the issuance and sale of the Tendered Units to the Tendering Party or the issuance and sale of REIT Shares to the Tendering Party pursuant to Section 15.1.B of this Agreement.

H. LTIP Unit Exception. Holders of LTIP Units shall not be entitled to the right of Redemption provided for in Section 15.1 of this Agreement, unless and until such LTIP Units have been converted into Partnership Common Units (or any other class or series of Partnership Units entitled to such right of Redemption) in accordance with their terms.

Section 15.2 *Addresses and Notice*. Any notice, demand, request or report required or permitted to be given or made to a Partner or Assignee under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by first class United States mail or by other means of written or electronic communication (including by telecopy, facsimile, electronic mail or commercial courier service) to the Partner, or Assignee at the address set forth in Exhibit A or Exhibit B (as applicable) or such other address of which the Partner shall notify the General Partner in accordance with this Section 15.2.

Section 15.3 *Titles and Captions*. All article or section titles or captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof. Except as

specifically provided otherwise, references to “Articles” or “Sections” are to Articles and Sections of this Agreement.

Section 15.4 *Pronouns and Plurals*. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa.

Section 15.5 *Further Action*. The parties shall execute and deliver all documents, provide all information and take or refrain from taking action as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 15.6 *Binding Effect*. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 15.7 *Waiver*.

A. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement or condition.

B. The restrictions, conditions and other limitations on the rights and benefits of the Limited Partners contained in this Agreement, and the duties, covenants and other requirements of performance or notice by the Limited Partners, are for the benefit of the Partnership and, except for an obligation to pay money to the Partnership, may be waived or relinquished by the General Partner, in its sole and absolute discretion, on behalf of the Partnership in one or more instances from time to time and at any time; *provided*, *however*, that any such waiver or relinquishment may not be made if it would have the effect of (i) creating liability for any other Limited Partner, (ii) causing the Partnership to cease to qualify as a limited partnership, (iii) reducing the amount of cash otherwise distributable to the Limited Partners (other than any such reduction that affects all of the Limited Partners holding the same class or series of Partnership Units on a uniform or pro rata basis, if approved by a Majority in Interest of the Partners holding such class or series of Partnership Units), (iv) resulting in the classification of the Partnership as an association or publicly traded partnership taxable as a corporation or (v) violating the Securities Act, the Exchange Act or any state “blue sky” or other securities laws; and *provided*, *further*, that any waiver relating to compliance with the Ownership Limit or other restrictions in the Charter shall be made and shall be effective only as provided in the Charter.

Section 15.8 *Counterparts*. This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 15.9 *Applicable Law; Consent to Jurisdiction; Waiver of Jury Trial*.

A. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Maryland, without regard to the principles of conflicts of law. In the

event of a conflict between any provision of this Agreement and any non-mandatory provision of the Act, the provisions of this Agreement shall control and take precedence.

B. Each Partner hereby (i) submits to the non-exclusive jurisdiction of any state or federal court sitting in the State of Maryland (collectively, the "*Maryland Courts*"), with respect to any dispute arising out of this Agreement or any transaction contemplated hereby to the extent such courts would have subject matter jurisdiction with respect to such dispute, (ii) irrevocably waives, and agrees not to assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of any of the Maryland Courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, or that the venue of the action is improper, (iii) agrees that notice or the service of process in any action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be properly served or delivered if delivered to such Partner at such Partner's last known address as set forth in the Partnership's books and records, and (iv) irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or related to this Agreement or the transactions contemplated hereby.

Section 15.10 *Entire Agreement*. This Agreement contains all of the understandings and agreements between and among the Partners with respect to the subject matter of this Agreement and the rights, interests and obligations of the Partners with respect to the Partnership. Notwithstanding the immediately preceding sentence, the Partners hereby acknowledge and agree that the General Partner, without the approval of any Limited Partner, may enter into side letters or similar written agreements with Limited Partners that are not Affiliates of the General Partner, executed contemporaneously with the admission of such Limited Partner to the Partnership, affecting the terms hereof, as negotiated with such Limited Partner and which the General Partner in its sole discretion deems necessary, desirable or appropriate. The parties hereto agree that any terms, conditions or provisions contained in such side letters or similar written agreements with a Limited Partner shall govern with respect to such Limited Partner notwithstanding the provisions of this Agreement.

Section 15.11 *Invalidity of Provisions*. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

Section 15.12 *Limitation to Preserve REIT Status*. Notwithstanding anything else in this Agreement, to the extent that the amount to be paid, credited, distributed or reimbursed by the Partnership to any REIT Partner or its officers, directors, employees or agents, whether as a reimbursement, fee, expense or indemnity (a "*REIT Payment*"), would constitute gross income to the REIT Partner for purposes of Code Section 856(c)(2) or Code Section 856(c)(3), then, notwithstanding any other provision of this Agreement, the amount of such REIT Payments, as selected by the General Partner in its discretion from among items of potential distribution, reimbursement, fees, expenses and indemnities, shall be reduced for any Partnership Year so that the REIT Payments, as so reduced, for or with respect to such REIT Partner shall not exceed the lesser of:

(i) an amount equal to the excess, if any, of (a) four and nine-tenths percent (4.9%) of the REIT Partner's total gross income (but excluding the amount of any REIT

Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(2) over (b) the amount of gross income (within the meaning of Code Section 856(c)(2)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(2) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code); or

(ii) an amount equal to the excess, if any, of (a) twenty-four percent (24%) of the REIT Partner's total gross income (but excluding the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(3) over (b) the amount of gross income (within the meaning of Code Section 856(c)(3)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(3) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code);

provided, however, that REIT Payments in excess of the amounts set forth in clauses (i) and (ii) above may be made if the General Partner, as a condition precedent, obtains an opinion of tax counsel that the receipt of such excess amounts should not adversely affect the REIT Partner's ability to qualify as a REIT. To the extent that REIT Payments may not be made in a Partnership Year as a consequence of the limitations set forth in this Section 15.12, such REIT Payments shall carry over and shall be treated as arising in the following Partnership Year if such carry over does not adversely affect the REIT Partner's ability to qualify as a REIT, provided, however, that any such REIT Payment shall not be carried over more than three Partnership Years, and any such remaining payments shall no longer be due and payable. The purpose of the limitations contained in this Section 15.12 is to prevent any REIT Partner from failing to qualify as a REIT under the Code by reason of such REIT Partner's share of items, including distributions, reimbursements, fees, expenses or indemnities, receivable directly or indirectly from the Partnership, and this Section 15.12 shall be interpreted and applied to effectuate such purpose.

Section 15.13 *No Partition*. No Partner nor any successor-in-interest to a Partner shall have the right while this Agreement remains in effect to have any property of the Partnership partitioned, or to file a complaint or institute any proceeding at law or in equity to have such property of the Partnership partitioned, and each Partner, on behalf of itself and its successors and assigns hereby waives any such right. It is the intention of the Partners that the rights of the parties hereto and their successors-in-interest to Partnership property, as among themselves, shall be governed by the terms of this Agreement, and that the rights of the Partners and their respective successors-in-interest shall be subject to the limitations and restrictions as set forth in this Agreement.

Section 15.14 *No Third-Party Rights Created Hereby*. The provisions of this Agreement are solely for the purpose of defining the interests of the Holders, inter se; and no other person, firm or entity (i.e., a party who is not a signatory hereto or a permitted successor to such signatory hereto) shall have any right, power, title or interest by way of subrogation or otherwise, in and to the rights, powers, title and provisions of this Agreement. No creditor or other third

party having dealings with the Partnership shall have the right to enforce the right or obligation of any Partner to make Capital Contributions or loans to the Partnership or to pursue any other right or remedy hereunder or at law or in equity. None of the rights or obligations of the Partners herein set forth to make Capital Contributions or loans to the Partnership shall be deemed an asset of the Partnership for any purpose by any creditor or other third party, nor may any such rights or obligations be sold, transferred or assigned by the Partnership or pledged or encumbered by the Partnership to secure any debt or other obligation of the Partnership or any of the Partners.

Section 15.15 *No Rights as Stockholders*. Nothing contained in this Agreement shall be construed as conferring upon the Holders of Partnership Units any rights whatsoever as stockholders of the General Partner, including without limitation any right to receive dividends or other distributions made to stockholders of the General Partner or to vote or to consent or receive notice as stockholders in respect of any meeting of stockholders for the election of directors of the General Partner or any other matter.

ARTICLE 16
LTIP UNITS

Section 16.1 *Designation*. A class of Partnership Units in the Partnership designated as the "*LTIP Units*" is hereby established. The number of LTIP Units that may be issued is not limited by this Agreement.

Section 16.2 *Vesting*.

A. *Vesting, Generally*. LTIP Units may, in the sole discretion of the General Partner, be issued subject to vesting, forfeiture and additional restrictions on Transfer pursuant to the terms of an award, vesting or other similar agreement (a "*Vesting Agreement*"). The terms of any Vesting Agreement may be modified by the General Partner from time to time in its sole discretion, subject to any restrictions on amendment imposed by the relevant Vesting Agreement or by the Plan, if applicable. LTIP Units that were fully vested when issued or that have vested and are no longer subject to forfeiture under the terms of a Vesting Agreement are referred to as "*Vested LTIP Units*"; all other LTIP Units shall be treated as "*Unvested LTIP Units*."

B. *Forfeiture*. Unless otherwise specified in the Vesting Agreement, the Plan or in any other applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, upon the occurrence of any event specified in such Vesting Agreement, Plan, Stock Option Plan, arrangement or program as resulting in either the right of the Partnership or the General Partner to repurchase LTIP Units at a specified purchase price or some other forfeiture of any LTIP Units, then if the Partnership or the General Partner exercises such right to repurchase or upon the occurrence of the event causing forfeiture in accordance with the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, then the relevant LTIP Units shall immediately, and without any further action, be treated as cancelled and no longer outstanding for any purpose. Unless otherwise specified in the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, no consideration or other payment shall be due with respect to any LTIP Units that have been forfeited, other than any distributions declared with respect to a Partnership Record Date and

with respect to such units prior to the effective date of the forfeiture. Except as otherwise provided in this Agreement (including without limitation Section 6.4.A(ix)) or any agreement relating to the grant of LTIP Units, in connection with any repurchase or forfeiture of such units, the balance of the portion of the Capital Account of the Holder of LTIP Units that is attributable to all of his or her LTIP Units shall be reduced by the amount, if any, by which it exceeds the target balance contemplated by Section 6.2.D, calculated with respect to such Holder's remaining LTIP Units, if any.

Section 16.3 *Adjustments*. The Partnership shall maintain at all times a one-to-one correspondence between LTIP Units and Partnership Common Units for conversion, distribution and other purposes, including without limitation complying with the following procedures; provided, that the foregoing is not intended to alter the special allocations pursuant to Section 6.2.D, differences between distributions to be made with respect to LTIP Units and Partnership Common Units pursuant to Section 13.2 and Section 16.4.B hereof in the event that the Capital Accounts attributable to the LTIP Units are less than those attributable to Partnership Common Units due to insufficient special allocation pursuant to Section 6.2.D or related provisions. If an Adjustment Event occurs, then the General Partner shall take any action reasonably necessary, including any amendment to this Agreement or Exhibit A hereto adjusting the number of outstanding LTIP Units or subdividing or combining outstanding LTIP Units, to maintain a one-for-one conversion and economic equivalence ratio between Partnership Common Units and LTIP Units. The following shall be "*Adjustment Events*": (i) the Partnership makes a distribution on all outstanding Partnership Common Units in Partnership Units, (ii) the Partnership subdivides the outstanding Partnership Common Units into a greater number of units or combines the outstanding Partnership Common Units into a smaller number of units, or (iii) the Partnership issues any Partnership Units in exchange for its outstanding Partnership Common Units by way of a reclassification or recapitalization of its Partnership Common Units. If more than one Adjustment Event occurs, any adjustment to the LTIP Units need be made only once using a single formula that takes into account each and every Adjustment Event as if all Adjustment Events occurred simultaneously. For the avoidance of doubt, the following shall not be Adjustment Events: (x) the issuance of Partnership Units in a financing, reorganization, acquisition or other similar business transaction, (y) the issuance of Partnership Units pursuant to any employee benefit or compensation plan or distribution reinvestment plan, or (z) the issuance of any Partnership Units to the General Partner in respect of a Capital Contribution to the Partnership of proceeds from the sale of securities by the General Partner. If the Partnership takes an action affecting the Partnership Common Units other than actions specifically described above as "Adjustment Events" and in the opinion of the General Partner such action would require action to maintain the one-to-one correspondence described above, the General Partner shall have the right to take such action, to the extent permitted by law, the Plan and by any applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, in such manner and at such time as the General Partner, in its sole discretion, may determine to be reasonably appropriate under the circumstances. If an amendment is made to this Agreement adjusting the number of outstanding LTIP Units as herein provided, the Partnership shall promptly file in the books and records of the Partnership an officer's certificate setting forth a brief statement of the facts requiring such adjustment, which certificate shall be conclusive evidence of the correctness of such adjustment absent manifest error. Promptly after filing of such certificate, the Partnership shall mail a notice to each LTIP

Unit Limited Partner setting forth the adjustment to his or her LTIP Units and the effective date of such adjustment.

Section 16.4 *Distributions*.

A. *Operating Distributions*. Except as otherwise provided in this Agreement, the Plan or any other applicable Stock Option Plan, any applicable Vesting Agreement or by the General Partner with respect to any particular class or series of LTIP Units, Holders of LTIP Units shall be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, regular, special, extraordinary or other distributions (other than distributions upon the occurrence of a Liquidating Event or proceeds from a Terminating Capital Transaction) which may be made from time to time, in an amount per unit equal to the amount of any such distributions that would have been payable to such holders if the LTIP Units had been Partnership Common Units (if applicable, assuming such LTIP Units were held for the entire period to which such distributions relate).

B. *Liquidating Distributions*. Holders of LTIP Units shall also be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, distributions upon the occurrence of a Liquidating Event or representing proceeds from a Terminating Capital Transaction in an amount per LTIP Unit equal to the amount of any such distributions payable on one Partnership Common Unit, whether made prior to, on or after the LTIP Unit Distribution Participation Date; provided that the amount of such distributions shall not exceed the positive balances of the Capital Accounts of the holders of such LTIP Units to the extent attributable to the ownership of such LTIP Units.

C. *Distributions Generally*. Distributions on the LTIP Units, if authorized, shall be payable on such dates and in such manner as may be authorized by the General Partner (any such date, an "*LTIP Unit Distribution Participation Date*"); provided that the LTIP Unit Distribution Participation Date shall be the same as the corresponding date relating to the corresponding distribution on the Partnership Common Units. The record date for determining which Holders of LTIP Units are entitled to receive a distributions shall be the corresponding Partnership Record Date.

Section 16.5 *Allocations*. Holders of LTIP Units shall be allocated Net Income and Net Loss in amounts per LTIP Unit equal to the amounts allocated per Partnership Common Unit. The allocations provided by the preceding sentence shall be subject to Sections 6.2.A and 6.2.B and in addition to any special allocations required by Section 6.2.D. The General Partner is authorized in its discretion to delay or accelerate the participation of the LTIP Units in allocations of Net Income and Net Loss under this Section 16.5, or to adjust the allocations made under this Section 16.5, so that the ratio of (i) the total amount of Net Income or Net Loss allocated with respect to each LTIP Unit in the taxable year in which that LTIP Unit's LTIP Unit Distribution Participation Date falls (excluding special allocations under Section 6.2.D), to (ii) the total amount distributed to that LTIP Unit with respect to such period, is more nearly equal to the ratio of (i) the Net Income and Net Loss allocated with respect to the General Partner's Partnership Common Units in such taxable year to (ii) the amounts distributed to the General Partner with respect to such Partnership Common Units and such taxable year.

Section 16.6 *Transfers*. Subject to the terms of any Vesting Agreement, an LTIP Unit Limited Partner shall be entitled to transfer his or her LTIP Units to the same extent, and subject to the same restrictions as Holders of Partnership Common Units are entitled to transfer their Partnership Common Units pursuant to Article 11.

Section 16.7 *Redemption*. The Redemption Right provided to Qualifying Parties under Section 15.1 shall not apply with respect to LTIP Units unless and until they are converted to Partnership Common Units as provided in Section 16.9 below.

Section 16.8 *Legend*. Any certificate evidencing an LTIP Unit shall bear an appropriate legend indicating that additional terms, conditions and restrictions on transfer, including without limitation any Vesting Agreement, apply to the LTIP Unit.

Section 16.9 *Conversion to Partnership Common Units*.

A. A Qualifying Party holding LTIP Units shall have the right (the "*Conversion Right*"), at his or her option, at any time to convert all or a portion of his or her Vested LTIP Units into Partnership Common Units; provided, however, that a Qualifying Party may not exercise the Conversion Right for less than one thousand (1,000) Vested LTIP Units or, if such Qualifying Party holds less than one thousand (1,000) Vested LTIP Units, all of the Vested LTIP Units held by such Qualifying Party. Qualifying Parties shall not have the right to convert Unvested LTIP Units into Partnership Common Units until they become Vested LTIP Units; *provided*, *however*, that when a Qualifying Party is notified of the expected occurrence of an event that will cause his or her Unvested LTIP Units to become Vested LTIP Units, such Qualifying Party may give the Partnership a Conversion Notice conditioned upon and effective as of the time of vesting and such Conversion Notice, unless subsequently revoked by the Qualifying Party, shall be accepted by the Partnership subject to such condition. In all cases, the conversion of any LTIP Units into Partnership Common Units shall be subject to the conditions and procedures set forth in this Section 16.9.

B. A Qualifying Party may convert his or her Vested LTIP Units into an equal number of fully paid and non-assessable Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3. Notwithstanding the foregoing, in no event may a Qualifying Party convert a number of Vested LTIP Units that exceeds (x) the Economic Capital Account Balance of such Limited Partner, to the extent attributable to his or her ownership of LTIP Units, divided by (y) the Common Unit Economic Balance, in each case as determined as of the effective date of conversion (the "*Capital Account Limitation*"). In order to exercise his or her Conversion Right, a Qualifying Party shall deliver a notice (a "*Conversion Notice*") in the form attached as Exhibit D to the Partnership (with a copy to the General Partner) not less than 3 nor more than 10 days prior to a date (the "*Conversion Date*") specified in such Conversion Notice; *provided*, *however*, that if the General Partner has not given to the Qualifying Party notice of a proposed or upcoming Transaction (as defined below) at least thirty (30) days prior to the effective date of such Transaction, then the Qualifying Party shall have the right to deliver a Conversion Notice until the earlier of (x) the tenth (10th) day after such notice from the General Partner of a Transaction or (y) the third business day immediately preceding the effective date of such Transaction. A Conversion Notice shall be provided in the manner provided in Section 15.2. Each Qualifying Party seeking to convert Vested LTIP Units

covenants and agrees with the Partnership that all Vested LTIP Units to be converted pursuant to this Section 16.9 shall be free and clear of all liens. Notwithstanding anything herein to the contrary, if the Fourteen-Month Period with respect to the Partnership Common Units into which the Vested LTIP Units are convertible has elapsed, a Qualifying Party may deliver a Notice of Redemption pursuant to Section 15.1.A relating to such Partnership Common Units in advance of the Conversion Date; *provided*, *however*, that the redemption of such Partnership Common Units by the Partnership shall in no event take place until on or after the Conversion Date. For clarity, it is noted that the objective of this paragraph is to put a Qualifying Party in a position where, if he or she so wishes, the Partnership Common Units into which his or her Vested LTIP Units will be converted can be redeemed by the Partnership pursuant to Section 15.1.A simultaneously with such conversion, with the further consequence that, if the General Partner elects to assume the Partnership's redemption obligation with respect to such Partnership Common Units under Section 15.1.B by delivering to such Qualifying Party REIT Shares rather than cash, then such Qualifying Party can have such REIT Shares issued to him or her simultaneously with the conversion of his or her Vested LTIP Units into Partnership Common Units. The General Partner shall cooperate with a Qualifying Party to coordinate the timing of the different events described in the foregoing sentence.

C. The Partnership, at any time at the election of the General Partner, may cause any number of Vested LTIP Units to be converted (a "*Forced Conversion*") into an equal number of Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3; *provided*, *however*, that the Partnership may not cause a Forced Conversion of any LTIP Units that would not at the time be eligible for conversion at the option of a Qualifying Party pursuant to Section 16.9.B. In order to exercise its right of Forced Conversion, the Partnership shall deliver a notice (a "*Forced Conversion Notice*") in the form attached hereto as Exhibit E to the applicable Holder of LTIP Units not less than 10 nor more than 60 days prior to the Conversion Date specified in such Forced Conversion Notice. A Forced Conversion Notice shall be provided in the manner provided in Section 15.2.

D. A conversion of Vested LTIP Units for which the Holder thereof has given a Conversion Notice or the Partnership has given a Forced Conversion Notice shall occur automatically after the close of business on the applicable Conversion Date without any action on the part of such Holder of LTIP Units other than the surrender of any certificate or certificates evidencing such Vested LTIP Units, as of which time such Holder of LTIP Units shall be credited on the books and records of the Partnership as of the opening of business on the next day with the number of Partnership Common Units into which such LTIP Units were converted. After the conversion of LTIP Units as aforesaid, the Partnership shall deliver to such Holder of LTIP Units, upon his or her written request, a certificate of the General Partner certifying the number of Partnership Common Units and remaining LTIP Units, if any, held by such person immediately after such conversion. The Assignee of any Limited Partner pursuant to Article 11 hereof may exercise the rights of such Limited Partner pursuant to this Section 16.9 and such Limited Partner shall be bound by the exercise of such rights by the Assignee.

E. For purposes of making future allocations under Section 6.2.D and applying the Capital Account Limitation, the portion of the Economic Capital Account Balance of the applicable Holder of LTIP Units that is treated as attributable to his or her LTIP Units shall be

reduced, as of the date of conversion, by the product of the number of LTIP Units converted and the Common Unit Economic Balance.

F. If the Partnership or the General Partner shall be a party to any transaction (including without limitation a merger, consolidation, unit exchange, self tender offer for all or substantially all Partnership Common Units or other business combination or reorganization, or sale of all or substantially all of the Partnership's assets, but excluding any transaction which constitutes an Adjustment Event) in each case as a result of which Partnership Common Units shall be exchanged for or converted into the right, or the Holders shall otherwise be entitled, to receive cash, securities or other property or any combination thereof (each of the foregoing being referred to herein as a "*Transaction*"), then the General Partner shall, immediately prior to the Transaction, exercise its right to cause a Forced Conversion with respect to the maximum number of LTIP Units then eligible for conversion, taking into account any allocations that occur in connection with the Transaction or that would occur in connection with the Transaction if the assets of the Partnership were sold at the Transaction price or, if applicable, at a value determined by the General Partner in good faith using the value attributed to the Partnership Common Units in the context of the Transaction (in which case the Conversion Date shall be the effective date of the Transaction). In anticipation of such Forced Conversion and the consummation of the Transaction, the Partnership shall use commercially reasonable efforts to cause each LTIP Unit Limited Partner to be afforded the right to receive in connection with such Transaction in consideration for the Partnership Common Units into which his or her LTIP Units will be converted the same kind and amount of cash, securities and other property (or any combination thereof) receivable upon the consummation of such Transaction by a Holder of the same number of Partnership Common Units, assuming such Holder is not a Person with which the Partnership consolidated or into which the Partnership merged or which merged into the Partnership or to which such sale or transfer was made, as the case may be (a "*Constituent Person*"), or an affiliate of a Constituent Person. In the event that Holders of Partnership Common Units have the opportunity to elect the form or type of consideration to be received upon consummation of the Transaction, prior to such Transaction the General Partner shall give prompt written notice to each LTIP Unit Limited Partner of such opportunity, and shall use commercially reasonable efforts to afford the LTIP Unit Limited Partner the right to elect, by written notice to the General Partner, the form or type of consideration to be received upon conversion of each LTIP Unit held by such Holder into Partnership Common Units in connection with such Transaction. If a LTIP Unit Limited Partner fails to make such an election, such Holder (and any of its transferees) shall receive upon conversion of each LTIP Unit held by him or her (or by any of his or her transferees) the same kind and amount of consideration that a Holder of Partnership Common Units would receive if such Holder of Partnership Common Units failed to make such an election. Subject to the rights of the Partnership and the General Partner under any Vesting Agreement and the relevant terms of the Plan or any other applicable Stock Option Plan, the Partnership shall use commercially reasonable effort to cause the terms of any Transaction to be consistent with the provisions of this Section 16.9.F and to enter into an agreement with the successor or purchasing entity, as the case may be, for the benefit of any LTIP Unit Limited Partner whose LTIP Units will not be converted into Partnership Common Units in connection with the Transaction that will (i) contain provisions enabling Qualifying Parties that remain outstanding after such Transaction to convert their LTIP Units into securities as comparable as reasonably possible under the circumstances to the Partnership Common Units and (ii) preserve as far as reasonably possible under the circumstances the distribution, special

allocation, conversion, and other rights set forth in the Agreement for the benefit of the LTIP Unit Limited Partners.

Section 16.10 *Voting*. LTIP Unit Limited Partners shall (a) have the same voting rights as Limited Partners holding Partnership Common Units, with the LTIP Unit Limited Partners voting together as a single class with the Partnership Common Units and having one vote per LTIP Unit; and (b) have the additional voting rights that are expressly set forth below, and Holders of LTIP Units shall not be entitled to approve, vote on or consent to any other matter. So long as any LTIP Units remain outstanding and except as provided in Section 16.3, the Partnership shall not, without the Consent of the Limited Partners holding a majority of the LTIP Units held by Limited Partners at the time (voting separately as a class), amend, alter or repeal, whether by merger, consolidation or otherwise, the provisions of the Agreement applicable to LTIP Units so as to materially and adversely affect any right, privilege or voting power of the LTIP Units or the LTIP Unit Limited Partners as such, unless such amendment, alteration, or repeal affects equally, ratably and proportionately the rights, privileges and voting powers of the Limited Partners holding Partnership Common Units; but subject, in any event, to the following provisions: (i) with respect to any Transaction, so long as the LTIP Units are treated in accordance with Section 16.9.F hereof, the consummation of such Transaction shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such; and (ii) any creation or issuance of any Partnership Units or of any class or series of Partnership Interest including without limitation additional Partnership Units or LTIP Units, whether ranking senior to, junior to, or on a parity with the LTIP Units with respect to distributions or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such. EXAMPLES REGARDING ADJUSTMENT FACTOR

For purposes of the following examples, it is assumed that (a) the Adjustment Factor in effect on [_____] is 1.0 and (b) on [_____] (the "*Partnership Record Date*" for purposes of these examples), prior to the events described in the examples, there are 100 REIT Shares issued and outstanding.

Example 1

On the Partnership Record Date, the General Partner declares a dividend on its outstanding REIT Shares in REIT Shares. The amount of the dividend is one REIT Share paid in respect of each REIT Share owned. Pursuant to Paragraph (i) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the stock dividend is declared, as follows:

1.0 * 200/100 = 2.0

Accordingly, the Adjustment Factor after the stock dividend is declared is 2.0.

Example 2

On the Partnership Record Date, the General Partner distributes options to purchase REIT Shares to all holders of its REIT Shares. The amount of the distribution is one option to acquire one REIT Share in respect of each REIT Share owned. The strike price is $4.00 a share. The Value of a REIT Share on the Partnership Record Date is $5.00 per share. Pursuant to Paragraph (ii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the options are distributed, as follows:

1.0 * (100 + 100)/(100 + [100 * $4.00/$5.00]) = 1.1111

Accordingly, the Adjustment Factor after the options are distributed is 1.1111. If the options expire or become no longer exercisable, then the retroactive adjustment specified in Paragraph (ii) of the definition of "Adjustment Factor" shall apply.

Example 3

On the Partnership Record Date, the General Partner distributes assets to all holders of its REIT Shares. The amount of the distribution is one asset with a fair market value (as determined by the General Partner) of $1.00 in respect of each REIT Share owned. It is also assumed that the assets do not relate to assets received by the General Partner pursuant to a pro rata distribution by the Partnership. The Value of a REIT Share on the Partnership Record Date is $5.00 a share. Pursuant to Paragraph (iii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the assets are distributed, as follows:

1.0 * $5.00/($5.00 - $1.00) = 1.25

Accordingly, the Adjustment Factor after the assets are distributed is 1.25.

BENEFICIALLY OR CONSTRUCTIVELY OWN SHARES OF CAPITAL STOCK WHICH CAUSES OR WILL CAUSE A PERSON TO BENEFICIALLY OR CONSTRUCTIVELY OWN SHARES OF CAPITAL STOCK IN EXCESS OR IN VIOLATION OF THE ABOVE LIMITATIONS MUST IMMEDIATELY NOTIFY THE CORPORATION. IF ANY OF THE RESTRICTIONS ON TRANSFER OR OWNERSHIP SET FORTH IN (I) THROUGH (III) ABOVE ARE VIOLATED, THE SHARES OF CAPITAL STOCK REPRESENTED HEREBY WILL BE AUTOMATICALLY TRANSFERRED TO A TRUSTEE OF A TRUST FOR THE BENEFIT OF ONE OR MORE CHARITABLE BENEFICIARIES. IN ADDITION, THE CORPORATION MAY TAKE OTHER ACTIONS, INCLUDING REDEEMING SHARES UPON THE TERMS AND CONDITIONS SPECIFIED BY THE BOARD OF DIRECTORS IN ITS SOLE AND ABSOLUTE DISCRETION IF THE BOARD OF DIRECTORS DETERMINES THAT OWNERSHIP OR A TRANSFER OR OTHER EVENT MAY VIOLATE THE RESTRICTIONS DESCRIBED ABOVE. FURTHERMORE, UPON THE OCCURRENCE OF CERTAIN EVENTS, ATTEMPTED TRANSFERS IN VIOLATION OF THE RESTRICTIONS DESCRIBED ABOVE MAY BE VOID *AB INITIO*. ALL UNDERLINED TERMS IN THIS LEGEND HAVE THE MEANINGS DEFINED IN THE CHARTER OF THE CORPORATION, AS THE SAME MAY BE AMENDED FROM TIME TO TIME, A COPY OF WHICH, INCLUDING THE RESTRICTIONS ON TRANSFER AND OWNERSHIP, WILL BE FURNISHED TO EACH HOLDER OF CAPITAL STOCK OF THE CORPORATION ON REQUEST AND WITHOUT CHARGE. REQUESTS FOR SUCH A COPY MAY BE DIRECTED TO THE SECRETARY OF THE CORPORATION AT ITS PRINCIPAL OFFICE.

Section 2.04 CLOSING DELIVERIES. At the Closing, the parties shall make, execute, acknowledge and deliver, or cause to be made, executed, acknowledged and delivered, any other documents reasonably requested by the Operating Partnership or OP Subsidiary or reasonably necessary or desirable to assign, transfer, convey, contribute and deliver the Contributed Interests, free and clear of all Liens and to effectuate the transactions contemplated hereby.

Section 2.05 CLOSING COSTS. If the Closing occurs, the REIT and the Operating Partnership shall be solely responsible for all transaction costs and expenses of the REIT, the Operating Partnership and the American Assets Entities in connection with the Formation Transactions and the IPO, which include, but are not limited to, the underwriting discounts and commissions. In the event the Closing does not occur, such costs and expenses shall be paid in accordance with the terms of that certain letter agreement entered into by the Property Entities (as defined therein) and American Assets, Inc., a California corporation, dated as of May 17, 2010.

Section 2.06 TERM OF THE AGREEMENT. This Agreement shall terminate automatically if (i) the initial registration statement of the REIT for the IPO (the "Registration

Statement") has not been filed with the SEC by March 31, 2011, or (ii) the contributions contemplated herein shall not have been consummated on or prior to December 31, 2011 (such date is hereinafter referred to as the "Outside Date").

Section 2.07 EFFECT OF TERMINATION. In the event of termination of this Agreement for any reason, all obligations on the part of the Operating Partnership the OP Subsidiary and each Contributor under this Agreement shall terminate, except that the obligations set forth in Article VI shall survive, it being understood and agreed, however, for the avoidance of doubt, that if this Agreement is terminated because one or more of the conditions to the non-breaching party's obligations under this Agreement are not satisfied by the Outside Date as a result of the other party's material breach of a covenant, representation, warranty or other obligation under this Agreement or any other Formation Transaction Documentation, the non-breaching party's right to pursue all legal remedies with respect to such breach will survive such termination unimpaired.

Section 2.08 TAX WITHHOLDING. The Operating Partnership and OP Subsidiary shall be entitled to deduct and withhold from the consideration payable pursuant to this Agreement to any holder of Contributed Interest such amounts required to be deducted and withheld with respect to the making of such payment under the Code or any provision of state, local or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the former holder of Contributed Interest in respect of which such deduction and withholding was made.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE OPERATING PARTNERSHIP AND OP SUBSIDIARY

Each of the Operating Partnership and OP Subsidiary hereby represents and warrants to each Contributor as follows:

Section 3.01 ORGANIZATION; AUTHORITY.

(a) Each of the Operating Partnership and OP Subsidiary has been duly incorporated or formed and is validly existing and in good standing under the Laws of its jurisdiction of formation or incorporation, as applicable, and, upon the effectiveness of the Operating Partnership Agreement, will have all requisite power and authority to enter into this Agreement and the other Formation Transaction Documentation and to carry out the transactions contemplated hereby and thereby, and to own, lease and/or operate its property and to carry on its business as presently conducted and each of the Operating Partnership and OP Subsidiary, to the extent required under applicable Laws, is qualified to do business and is in good standing in each jurisdiction in which the nature of its business or the character of its property make such qualification necessary, other than such failures to be so qualified as would not, individually or in the aggregate, reasonably be expected to have an OP Material Adverse Effect.

(b) Schedule 3.01(b) sets forth as of the date hereof, (i) each Subsidiary of the Operating Partnership (each an "Operating Partnership Subsidiary"), (ii) the ownership interest

therein of the Operating Partnership, and (iii) if not wholly owned by the Operating Partnership, the identity and ownership interest of each of the other owners of such Operating Partnership Subsidiary. Each Operating Partnership Subsidiary has been duly organized or formed and is validly existing and is in good standing under the Laws of its jurisdiction of organization or formation, as applicable, has all requisite power and authority to own, lease and/or operate its property and to carry on its business as presently conducted and, to the extent required under applicable Laws, is qualified to do business and is in good standing in each jurisdiction in which the nature of its business or the character of its property make such qualification necessary, other than such failures to be so qualified as would not, individually or in the aggregate, reasonably be expected to have an OP Material Adverse Effect.

Section 3.02 DUE AUTHORIZATION. The execution, delivery and performance of this Agreement and the other Formation Transaction Documentation (including each agreement, document and instrument executed and delivered by or on behalf of the Operating Partnership and OP Subsidiary pursuant to this Agreement or the other Formation Transaction Documentation) by the Operating Partnership and OP Subsidiary has been duly and validly authorized by all necessary actions required of each of the Operating Partnership and OP Subsidiary, respectively. This Agreement, the other Formation Transaction Documentation and each agreement, document and instrument executed and delivered by or on behalf of each of the Operating Partnership and OP Subsidiary pursuant to this Agreement or the other Formation Transaction Documentation constitutes, or when executed and delivered will constitute, the legal, valid and binding obligation of each of the Operating Partnership and OP Subsidiary, enforceable against each of the Operating Partnership and OP Subsidiary in accordance with its terms, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 3.03 CONSENTS AND APPROVALS. Except in connection with the IPO and the consummation of the other Formation Transactions or as shall have been obtained on or prior to the Closing Date, no consent, waiver, approval, authorization, order, license, permit or registration of, qualification, designation, declaration or filing with, any Person or Governmental Authority or under any applicable Laws is required to be obtained by the Operating Partnership or OP Subsidiary in connection with the execution, delivery and performance of this Agreement and the transactions contemplated hereby, except for (i) those consents, waivers, approvals, authorizations, orders, licenses, permits, registrations, qualifications, designations, declarations or filings, the failure of which to obtain or to file would not, individually or in the aggregate, reasonably be expected to have an OP Material Adverse Effect, or (ii) those consents of the Pre-Formation Participants under the organizational documents of the applicable American Assets Entity, the failure of which to obtain would not, individually or in the aggregate, reasonably be expected to have an OP Material Adverse Effect.

Section 3.04 NO VIOLATION. None of the execution, delivery or performance of this Agreement, the other Formation Transaction Documentation, any agreement contemplated hereby between the parties to this Agreement and the transactions contemplated hereby between the parties to this Agreement does or will, with or without the giving of notice, lapse of time, or both, violate, conflict with, result in a breach of, or constitute a default under or give to others any right of termination, acceleration, cancellation or other right under, (A) the organizational documents of the Operating Partnership or OP Subsidiary, (B) any agreement, document or

instrument to which the Operating Partnership or OP Subsidiary or any of their respective assets are bound or (C) any term or provision of any judgment, order, writ, injunction, or decree binding on the Operating Partnership or OP Subsidiary, except for, in the case of clause (B) or (C), any such breaches or defaults that would not, individually or in the aggregate, reasonably be expected to have an OP Material Adverse Effect.

Section 3.05 VALIDITY OF OP UNITS. Any OP Units to be issued pursuant to this Agreement will have been duly authorized and, when issued against the consideration therefor, will be validly issued by the Operating Partnership, free and clear of all Liens created by the Operating Partnership (other than any Liens created by the Agreement of Limited Partnership of the Operating Partnership (the "Operating Partnership Agreement")).

Section 3.06 LITIGATION. Except for actions, suits or proceedings covered by policies of insurance, there is no action, suit or proceeding pending or, to the knowledge of the Operating Partnership or OP Subsidiary, threatened against the Operating Partnership or any Operating Partnership Subsidiary, other than actions, suits, proceedings that individually or in the aggregate, would not reasonably be expected, (a) if adversely determined, to have an OP Material Adverse Effect, or (b) to impair the ability of the Operating Partnership or OP Subsidiary to execute or deliver, or materially perform its obligations under, this Agreement and the documents executed by it pursuant to this Agreement or to consummate the transactions contemplated hereby or thereby, to such an extent as would result in an OP Material Adverse Effect.

Section 3.07 OPERATING PARTNERSHIP AGREEMENT. Attached as Exhibit F hereto is a true and correct copy of the Operating Partnership Agreement in substantially final form.

Section 3.08 LIMITED ACTIVITIES. Except for activities in connection with the IPO or the Formation Transactions or in the ordinary course of business, neither the Operating Partnership, the Operating Partnership Subsidiaries nor OP Subsidiary have engaged in any material business or incurred any material obligations.

Section 3.09 NO BROKER. Neither the Operating Partnership nor OP Subsidiary has entered into, and each of the Operating Partnership and OP Subsidiary covenants that it will not enter into, any agreement, arrangement or understanding with any Person or firm which will result in the obligation of any Contributor nor any Affiliates thereof to pay any finder's fee, brokerage commission or similar payment in connection with the transaction contemplated by this Agreement (other than underwriting discounts, commissions and other fees and expenses to be paid by the REIT in connection with the IPO and any related financing transactions).

Section 3.10 NO OTHER REPRESENTATIONS OR WARRANTIES. Other than the representations and warranties expressly set forth in this Article III and any other agreement entered into in connection with the Formation Transactions, the Operating Partnership and OP Subsidiary shall not be deemed to have made any other representation or warranty in connection with this Agreement or the transactions contemplated hereby. All representations, warranties and covenants of the Operating Partnership and OP Subsidiary contained in this Agreement shall expire at Closing.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE CONTRIBUTORS

Except as disclosed in the Prospectus or the schedules hereto, each Contributor hereby represents, warrants and agrees that as of the Closing Date:

Section 4.01 ORGANIZATION; AUTHORITY. If such Contributor is a natural person, such Contributor has the legal capacity and authority to execute, deliver and perform its obligations under this Agreement, and no Person has any community property rights, by virtue of marriage or otherwise, with respect to the Contributed Interest. If such Contributor is a Person other than a natural person, such Contributor has been duly formed, is validly existing and (to the extent such concept is applicable to such Person) in good standing under the Laws of its jurisdiction of formation, and has all requisite power and authority to enter into this Agreement, each agreement contemplated hereby and the other Formation Transaction Documentation to which it is a party (including any agreement, document and instrument executed and delivered by or on behalf of such Contributor pursuant to this Agreement or the other Formation Transaction Documentation) and to carry out the transactions contemplated hereby and thereby.

Section 4.02 DUE AUTHORIZATION. If such Contributor is a Person other than a natural person, the execution, delivery and performance of this Agreement (including any agreement, document and instrument executed and delivered pursuant to this Agreement) by such Contributor have been duly and validly authorized by all necessary actions required of such Contributor. This Agreement and each agreement, document and instrument executed and delivered by or on behalf of such Contributor pursuant to this Agreement constitutes, or when executed and delivered will constitute, the legal, valid and binding obligation of such Contributor, each enforceable against such Contributor in accordance with its terms, subject to applicable bankruptcy, insolvency, moratorium or other similar Laws relating to creditors' rights and general principles of equity.

Section 4.03 OWNERSHIP OF CONTRIBUTED INTERESTS. Such Contributor is the sole record owner of all of its Contributed Interests and has the power and authority to transfer, sell, assign and convey to the Operating Partnership its Contributed Interests free and clear of any Liens and, upon delivery of the consideration for such Contributed Interests as provided herein, the Operating Partnership will acquire good and valid title thereto, free and clear of any Liens (other than those Liens created by the Organizational Documents governing such Contributed Interest). Except as provided for or contemplated by this Agreement or the other applicable Formation Transaction Documentation, there are no rights to purchase, veto rights with respect to transfers, subscriptions, warrants, options, conversion rights, preemptive rights, agreements, instruments or understandings of any kind outstanding (i) relating to its Contributed Interests or (ii) to purchase, transfer or to otherwise acquire, or to in any way encumber, any of the interests which comprise its Contributed Interests or any securities or obligations of any kind convertible into any of the interests which comprise its Contributed Interests. Such Contributor has no equity interest, either direct or indirect, in the Properties, except for such Contributor's Contributed Interests.

Section 4.04 CONSENTS AND APPROVALS. Except as shall have been obtained or satisfied on or prior to the Closing Date, no consent, waiver, approval, authorization, order, license, permit or registration of, qualification, designation, declaration, or filing with, any Person or Governmental Authority or under any applicable Laws is required to be obtained by such Contributor in connection with the execution, delivery and performance of this Agreement and the transactions contemplated hereby, except for those consents, waivers, approvals, authorizations or registrations, qualifications, designations, declarations or filings, the failure of which to obtain or to file would not, individually or in the aggregate, reasonably be expected to have a material adverse effect.

Section 4.05 NO VIOLATION. None of the execution, delivery or performance of this Agreement, any agreement contemplated hereby between the parties to this Agreement and the transactions contemplated hereby between the parties to this Agreement does or will, with or without the giving of notice, lapse of time, or both, violate, conflict with, result in a breach of, or constitute a default under or give to others any right of termination, acceleration, cancellation or other right under, (A) the organizational documents of such Contributor, if such Contributor is a person other than a natural Person, (B) any agreement, document or instrument to which such Contributor is a party or by which such Contributor or its Contributed Interests are bound or (C) any term or provision of any judgment, order, writ, injunction, or decree binding on such Contributor (or its assets or properties), except, in the case of clause (B) or (C), any such breaches or defaults that would not, individually or in the aggregate, reasonably be expected to have a material adverse effect.

Section 4.06 TAXES. Except as set forth in Schedule 4.06, such Contributor has included all income, gain, loss, deduction or other Tax items in such Contributor's income Tax returns in a manner consistent with the Schedule K-1's received by such Contributor from each American Assets Entity, the interests of which are being contributed by such Contributor.

Section 4.07 NON-FOREIGN PERSON. Unless otherwise indicated on the Contributor's Consent Form, such Contributor is a United States person (as defined in the Code).

Section 4.08 LITIGATION. Except as set forth in Schedule 4.08, to such Contributor's knowledge, there is no action, suit or proceeding pending or threatened against such Contributor affecting all or any portion of its Contributed Interests or such Contributor's ability to consummate the transactions contemplated hereby which, if adversely determined, would adversely affect such Contributor's ability to so consummate the transactions contemplated hereby. Such Contributor knows of no outstanding order, writ, injunction or decree of any Governmental Authority against or affecting all or any portion of such Contributor's Contributed Interests, which in any such case would impair such Contributor's ability to enter into and perform all of its obligations under this Agreement.

Section 4.09 INSOLVENCY. No attachments, execution proceedings, assignments for the benefit of creditors, insolvency, bankruptcy, reorganization or other proceedings are pending or, to such Contributor's knowledge, threatened against such Contributor, nor are any such proceedings contemplated by such Contributor.

Section 4.10 INVESTMENT. Such Contributor acknowledges that the offering and issuance of the REIT Shares and/or OP Units to be acquired pursuant to this Agreement are intended to be exempt from registration under the Securities Act and that the REIT's and Operating Partnership's reliance on such exemptions is predicated in part on the accuracy and completeness of the representations and warranties of such Contributor contained herein and in such Contributor's Consent Form. In furtherance thereof, such Contributor represents and warrants to the Operating Partnership as follows:

(a) Such Contributor is an "accredited investor" (as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act).

(b) Such Contributor is acquiring the REIT Shares and/or OP Units solely for its own account for the purpose of investment and not as a nominee or agent for any other Person and not with a view to, or for offer or sale in connection with, any distribution of any thereof in violation of the securities Laws.

(c) Such Contributor is knowledgeable, sophisticated and experienced in business and financial matters; such Contributor has previously invested in securities similar to the REIT Shares and/or OP Units and fully understands the limitations on transfer imposed by the federal securities Laws. Such Contributor is able to bear the economic risk of holding the REIT Shares and/or OP Units for an indefinite period and is able to afford the complete loss of its investment in the REIT Shares and/or OP Units; such Contributor has received and reviewed all information and documents about or pertaining to the Operating Partnership and the business and prospects of the Operating Partnership and the issuance of the REIT Shares and/or OP Units as such Contributor deems necessary or desirable, and has been given the opportunity to obtain any additional information or documents and to ask questions and receive answers about such information and documents, the REIT, the Operating Partnership and the business and prospects of the REIT and the Operating Partnership which such Contributor deems necessary or desirable to evaluate the merits and risks related to its investment in the REIT Shares and/or OP Units; and such Contributor understands and has taken cognizance of all risk factors related to the purchase of the REIT Shares and/or OP Units. Such Contributor is relying upon its own independent analysis and assessment (including with respect to taxes), and the advice of such Contributor's advisors (including tax advisors), and not upon that of the Operating Partnership or any of the Operating Partnership's Affiliates, for purposes of evaluating, entering into, and consummating the transactions contemplated hereby.

(d) Such Contributor acknowledges that (i) the OP Units are not redeemable or exchangeable for cash or REIT Shares for a minimum of 14 months after the date of issuance, and (ii) the REIT Shares and/or OP Units have not been registered under the Securities Act and, therefore, unless registered under the Securities Act or an exemption from registration is available, must be held (and the Contributor must continue to bear the economic risk of the investment in the REIT Shares and/or OP Units) indefinitely and may not be transferred or sold.

Section 4.11 NO OTHER REPRESENTATIONS OR WARRANTIES. Other than the representations and warranties expressly set forth in this Article IV and any other agreement entered into by such Contributor in connection with the Formation Transactions, such Contributor shall not be deemed to have made any other representation or warranty in connection with this Agreement or the transactions contemplated hereby.

Section 4.12 SURVIVAL OF REPRESENTATIONS AND WARRANTIES. The parties hereto agree and acknowledge that the representations and warranties set forth in this Article IV (other than Section 4.01, Section 4.02, Section 4.03, Section 4.07 and Section 4.10) shall not survive the Closing.

ARTICLE V

COVENANTS AND OTHER AGREEMENTS

Section 5.01 COVENANTS OF THE CONTRIBUTORS. From the date hereof through the Closing, except as otherwise provided for or as contemplated by this Agreement or the other applicable Formation Transaction Documentation, each Contributor shall not without the prior written consent of the Operating Partnership, which consent may be withheld by the Operating Partnership in its sole discretion:

(a) Sell, transfer or otherwise dispose, or agree to sell, transfer or otherwise dispose of, all or any portion of the Contributed Interests, or cause the sale, transfer or disposal of all or any portion of the Contributed Interests;

(b) Mortgage, pledge, hypothecate, encumber (or agree, permit or cause to become encumbered) all or any portion of the Contributed Interests;

(c) Cause the applicable American Assets Entity or its Subsidiaries to: file an entity classification election pursuant to Treasury Regulation Section 301.7701-3(c) on Internal Revenue Service Form 8832 (Entity Classification Election) to treat such American Assets Entity or any of its Subsidiaries as an association taxable as a corporation for United States federal income tax purposes; make or change any other Tax elections; settle or compromise any claim, notice, audit report or assessment in respect of Taxes; change any annual Tax accounting period; adopt or change any method of Tax accounting; file any amended Tax return; enter into any tax allocation agreement, tax sharing agreement, tax indemnity agreement or closing agreement relating to any Tax; surrender of any right to claim a Tax refund; or consent to any extension or waiver of the statute of limitations period applicable to any Tax claim or assessment; or

(d) Authorize or consent to, permit or cause any American Assets Entity to take, any of the actions prohibited by the Formation Transaction Documentation.

Section 5.02 COMMERCIALLY REASONABLE EFFORTS BY THE OPERATING PARTNERSHIP AND THE CONTRIBUTORS. Each of the Operating Partnership and each Contributor shall use commercially reasonable efforts and cooperate with each other in (i) promptly determining whether any filings are required to be made or consents, approvals, waivers, permits or authorizations are required to be obtained (under any applicable Law or regulation or from any Governmental Authority or third party) in connection with the transactions contemplated by this Agreement, and (ii) promptly making any such filings, in furnishing information required in connection therewith and in timely seeking to obtain any such consents, approvals, waivers, permits or authorizations.

Section 5.03 TAX MATTERS.

(a) So long as some portion of the Contribution Consideration with respect to the Contributed Interests is in the form of OP Units, the parties hereto intend and agree that, for United States federal income tax purposes, the Contribution of such Contributed Interests shall constitute an "assets-over" partnership merger within the meaning of Treasury Regulations Section 1.708-1(c)(3)(i), and, as a result, that (i) any payment of cash or REIT Shares for the Contributed Interests shall be treated as a sale of such Contributed Interests by the holder and a purchase of such Contributed Interests by the Operating Partnership for the cash and/or REIT Shares so paid under the terms of this Agreement in accordance with Treasury Regulations Section 1.708-1(c)(4), and (ii) each such holder of the Contributed Interests who accepts cash and/or REIT Shares shall explicitly agree and consent (the "Sale Consent") to such treatment in their Consent Form as a condition to electing such consideration. To the extent the Operating Partnership acquires any Contributed Interests as described above, or previously acquired such interest, for United States federal income tax purposes the receipt by the Operating Partnership of the portion of property attributable to such Contributed Interests shall be treated as a distribution by applicable American Assets Entity in redemption of such Contributed Interests. Notwithstanding Section 1.02 and any holder's election as to the form of their Contribution Consideration, if any holder (other than a non-accredited investor), fails to execute a Sale Consent prior to the Closing, such holder's Contribution Consideration shall consist solely of OP Units. Any cash paid as the Contribution Consideration to a non-accredited investor for a Contributed Interest shall be paid only after the receipt of a Sale Consent from such holder

(b) The Operating Partnership shall prepare or cause to be prepared and file or cause to be filed all income Tax returns of each American Assets Entity the Contributed Interests of which have been contributed pursuant to this agreement and any Subsidiary of such American Assets Entity which are due after the Closing Date. All such income Tax returns (including, for the avoidance of doubt, any amended Tax returns) shall be prepared in a manner consistent with past practice, except as otherwise required by applicable law. No later than ten (10) days prior to the due date (including extensions) for filing such income Tax returns, the Operating Partnership shall deliver such income Tax returns to American Assets, Inc. for its review and approval, which shall not be unreasonably withheld.

(c) The Operating Partnership shall prepare or cause to be prepared all other Tax returns of each American Assets Entity the Contributed Interests of which have been contributed pursuant to this agreement and any Subsidiary of such American Assets Entity.

(d) The REIT, the Operating Partnership and each Contributor shall cooperate fully, as and to the extent reasonably requested by the other party, in connection with the filing of Tax returns related to the transactions pursuant to this Agreement and any audit, litigation or administrative, judicial or other inquiry or proceeding with respect to Taxes related to the transactions pursuant to this Agreement. Such cooperation shall include the retention and (upon the other party's request) the provision of records and information which are reasonably relevant to any such action or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The REIT, the Operating Partnership and each Contributor further agree, upon request, to use their reasonable efforts to obtain any certificate or other document from any governmental authority or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed with respect to the transactions contemplated hereby.

(e) Prior to Closing, each Contributor shall deliver to the Operating Partnership a properly executed certificate prepared in accordance with Treasury regulations section 1.1445-2(b) certifying such Contributor's non-foreign status, and if requested by the Operating Partnership, and any similar withholding certificates or other forms under applicable state, local or foreign Tax laws.

(f) The REIT and the Operating Partnership make no representations or warranties to the Contributors or to the American Assets Entities regarding the Tax treatment of the contributions pursuant to this Agreement or of the other Formation Transactions, or with respect to any other Tax consequences to any Contributor or any American Assets Entity of this Agreement or the other Formation Transactions. Each Contributor acknowledges that each American Assets Entity and each Contributor are relying solely on their own Tax advisors in connection with this Agreement and the other Formation Transactions.

Section 5.04 CONSENT AND WAIVER OF RIGHTS UNDER ORGANIZATIONAL DOCUMENTS. As of the Closing, each Contributor waives and relinquishes all rights and benefits otherwise afforded to the Contributor (a) under the Organizational Documents of the applicable American Assets Entity including, without limitation, any rights of appraisal, rights of first offer or first refusal, buy/sell agreements, put, option, or similar parallel exit or dissenter rights in connection with the Formation Transactions and the IPO, and any right to consent to or approve of the sale or contribution or other transaction undertaken by the other partners or members of the applicable American Assets Entity of their Contributed Interests to the Operating Partnership, the REIT or any direct or indirect subsidiary thereof and any and all notice provisions related thereto, (b) to the extent permissible under applicable Laws, any statutory rights with respect to the Contributed Interests or the applicable American Assets Entity and (c) for claims against the REIT or the Operating Partnership for breach by any Contributor or any of their respective present or former officers, directors, managing members, general partners or Affiliates of their fiduciary duties or similar obligations (including duties of disclosure) to any of their respective present or former shareholders, members, partners, equity interest holders or Affiliates or the terms of the applicable Organizational Documents. Each Contributor acknowledges that the agreements contained herein and the transactions contemplated hereby and any actions taken in contemplation of the transactions contemplated hereby may conflict with, and may not have been contemplated by, the Organizational Documents of the applicable American Assets Entity or other agreements among one or more holders of such Contributed Interests or one or more of the partners or members of any such American Assets Entity. With respect to each American Assets Entity and each Property in which a Contributed Interest of the Contributor represents a direct or indirect interest, such Contributor expressly gives all consents (and any consents necessary to authorize the proper parties in interest to give all consents) and waivers it is entitled to give that are necessary or desirable to facilitate the contribution or other Formation Transactions relating to such American Assets Entity or property. In addition, if the transactions contemplated hereby occur, this Agreement shall be deemed to be an amendment to the Organizational Documents of the applicable American Assets Entity to the extent the terms herein conflict with the terms thereof, including without limitation, terms with respect to allocations, distributions and the like. In the event the transactions contemplated by this

Agreement do not occur, nothing in this Agreement shall be deemed to be or construed as an amendment or modification of, or commitment of any kind to amend or modify, the Organizational Documents of the applicable American Assets Entity, which shall remain in full force and effect without modification.

Section 5.05 EXCLUDED ASSETS. Prior to or, as specified on Schedule 5.05, as soon as possible following the Closing and after such amounts are reasonably determinable, each American Assets Entity and its Subsidiaries shall distribute or cause to be distributed or paid out the assets identified on Schedule 5.05 (the "Excluded Assets").

Section 5.06 OBLIGATIONS OF OP SUBSIDIARY. Subject to the terms of this Agreement, the Operating Partnership shall take all reasonable action necessary to cause OP Subsidiary (i) to be formed prior to the Closing Date and become a party to this Agreement by executing a counterpart of this Agreement where indicated on the signature page hereof (the date of such execution, the "Joinder Date") and (ii) to perform its obligations under this Agreement and to consummate the transactions contemplated hereby on the terms and conditions set forth in this Agreement. All representations, warranties, covenants, agreements, rights and obligations of OP Subsidiary herein shall become effective as to OP Subsidiary as of the Joinder Date.

Section 5.07 ALTERNATE TRANSACTION. In the event that the Operating Partnership determines that a structure change is necessary, advisable or desirable, the Operating Partnership may elect, in its sole and absolute discretion, to effect the Alternate Transaction, without the need for the Operating Partnership to seek any further consent or action from any Contributor, and each Contributor shall, and it shall cause its stockholders, members or partners, as applicable, and Subsidiaries to, enter into such agreements as shall be necessary to consummate the Alternate Transaction.

Section 5.08 EXCLUSION OF INTERESTS. The parties hereby agree that the Operating Partnership shall have the right, in its sole discretion, to exclude any Contributed Interest, or any interest held directly or indirectly through a Contributed Interest, from this contribution after the date hereof until the Effective Time, provided that the Operating Partnership shall provide prior written notice to such Contributor regarding such exclusion.

ARTICLE VI

GENERAL PROVISIONS

Section 6.01 NOTICES. All notices and other communications under this Agreement shall be in writing and shall be deemed given when (a) delivered personally, (b) five (5) Business Days after being mailed by certified mail, return receipt requested and postage prepaid, (c) one (1) Business Day after being sent by a nationally recognized overnight courier or (d) transmitted by facsimile if confirmed within twenty-four (24) hours thereafter by a signed original sent in the manner provided in clause (a), (b) or (c) to the parties at the following addresses (or at such other address for a party as shall be specified by notice from such party):

(a) if to the Operating Partnership to:

American Assets Trust, L.P.

11455 El Camino Real, Suite 200
San Diego, California 92130
Facsimile: (858) 350-2620
Attention: Chief Executive Officer

(b) If to a Contributor, to the address set forth opposite such Contributor's name on Schedule I hereto.

Section 6.02 DEFINITIONS. For purposes of this Agreement, the following terms shall have the following meanings.

(a) "Accredited Investor" has the meaning set forth under Regulation D of the Securities Act.

(b) "Affiliate" means, with respect to any Person, a Person that, directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the specified Person. For the purposes of this definition, "control" (including, with correlative meanings, the terms "controlled by" and "under common control with") as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise.

(c) "Allocated Share" means the amount that would be allocated to a Pre-Formation Participant that is the holder of an interest in an American Assets Entity in accordance with the provisions of the existing Organizational Documents of such entity relating to distributions of distributable net proceeds from sales of directly or indirectly owned properties or assets, and assuming the sale of the relevant Target Asset or Target Assets that are directly or indirectly owned by such entity for a value equal to such Target Asset's or Target Assets' respective Equity Value(s).

Notwithstanding the foregoing, the Allocated Share of any Pre-Formation Participant shall reflect the following adjustments:

1. Intercompany Debt Adjustment. In calculating Allocated Share, all Intercompany Debt shall be taken into account so that the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in the obligor of Intercompany Debt collectively are reduced, and the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in the obligee of such Intercompany Debt collectively are increased, in each case by the amount of such Intercompany Debt (such adjustments being referred to as "Intercompany Debt Adjustments").
2. Entity Specific Debt Adjustment. To the extent that Entity Specific Debt is allocated to a Target Asset, in calculating Allocated Shares of holders of direct or indirect Pre-Formation Interests in the American Assets Entity or Entities owning such Target Asset, the amount of the decrease in Equity Value of such Target Asset attributable to the allocation of such Entity Specific Debt to such Target Asset (through the operation of the formula set forth on Schedule II) (in each case, such decrease being the "Decrease") shall be taken into account so that:
    a. the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in any obligor(s) under such Entity Specific Debt collectively shall be (i) reduced by the amount equal to the excess of (w) the amount of the Entity Specific Debt owed by such obligor over (x) the amount of the Decrease allocated pro rata to such obligor as a direct or indirect owner of the Target Asset; or (ii) increased by the amount equal to the excess of (y) the amount of the Decrease allocated pro rata to such obligor as a direct or indirect owner of the Target Asset over (z) the amount of the Entity Specific Debt owed by such obligor; and

b. the Allocated Shares of the holders of direct or indirect Pre-Formation Interests in American Assets Entities owning such Target Asset that are not obligors under such Entity Specific Debt collectively shall be increased by the amount equal to the amount of the Decrease allocated pro rata to such holders as direct or indirect owner of the Target Asset;

Schedule II

Calculation of Equity Value

For purposes of all Formation Transaction Documentation, "Equity Value" of any Target Asset directly or indirectly owned by the American Assets Entity subject to such agreement shall be calculated pursuant to the formula set forth below. Capitalized terms used in this Schedule II shall have the meanings set forth below and capitalized terms used herein without definition shall have the meanings assigned to such terms in the Agreement.

$$EV = EP \times [TFTV\text{-}TPA] + AA;$$

where:

EV = Equity Value;
EP = Equity Percentage;
TFTV= Total Formation Transaction Value;
TPA = Total Portfolio Adjustment; and
AA = Asset Adjustment;

provided, however, that if the resulting Equity Value for a Target Asset is a negative amount (a "Net Deficit"), then the REIT shall exercise one of the following options, as determined by the REIT in its sole and absolute discretion: (i) select the Target Asset as an Eliminated Asset or (ii) if one or more entities that are subject to the Formation Transaction Documentation that are the direct or indirect owners of such Target Asset would otherwise possess Excluded Assets the value of which in the aggregate would equal or exceed the amount of such Net Deficit, increase the Target Net Working Capital with respect to such entity or entities by the absolute value of such Net Deficit; and *provided further* that if the REIT shall have exercised option (ii) with respect to any Target Asset, the Equity Value with respect to such Target Asset shall be deemed to be equal to zero;

provided further, that if the Equity Value for ICW Valencia/Valencia Corporate Center as calculated above would result in the holders of direct or indirect Pre-Formation Interests in ICW Valencia, L.P. having an amount of Allocated Shares, prior to the application of the Intercompany Debt Adjustments, that is less than the value of the Intercompany Debt owed by ICW Valencia, L.P. to ICW Plaza, L.P. (such shortfall being referred to as the "Intercompany Debt Shortfall"), then (i) Western Insurance Holdings, Inc. shall issue a promissory note with a term of three years to ICW Valencia, L.P. which shall be treated as an Asset Adjustment with respect to ICW Valencia/Valencia Corporate Center and such promissory note (the "WIH Note") shall have such face amount as shall be necessary to increase the Equity Value of ICW Valencia/Valencia Corporate Center such that the Allocated Shares of holders of direct or indirect Pre-Formation Interests in ICW Valencia, L.P. shall increase by an amount, prior to the application of the Intercompany Debt Adjustments, equal to the Intercompany Debt Shortfall and (ii) the Equity Value for ICW Valencia/Valencia Corporate Center shall be recalculated to give effect to the Asset Adjustment attributable to the issuance of the WIH Note.

Attached as ***Appendix A*** to this Schedule II are illustrative calculations of Equity Value for a hypothetical portfolio of Target Assets.

"Actual Balance" shall mean: (i) with respect to each Existing Loan to be assumed in connection with the IPO, the unpaid principal amount of and past due unpaid interest on such Existing Loan as of the IPO Closing Date and immediately prior to any such assumption and all assumption fees and any related expenses with respect to such Existing Loan; and (ii) with respect to each Existing Loan to be prepaid, repaid or refinanced in connection with the IPO, the unpaid principal amount of and past due unpaid interest on such Existing Loan as of the IPO Closing Date and immediately prior to any such prepayment, repayment or refinancing and any related prepayment penalties and any related expenses; *provided*, however, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then the Actual Balance for such Target Asset shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed. With respect to each Existing Loan to be assumed, prepaid, repaid or refinanced in connection with the Formation Transactions, the Actual Balance as of the Closing Date shall be determined by the REIT within forty five (45) days prior to the date of the preliminary prospectus used in the IPO roadshow based on its good faith estimate of what such amounts will be as of the IPO Closing Date.

"Asset Adjustment" shall mean with respect to each Target Asset and any Existing Loan relating to such Target Asset, an amount equal to the Base Balance minus the Actual Balance (expressed as a positive or negative number, as applicable) with respect to all Existing Loans relating to such Target Asset, and in the case of ICW Valencia/Valencia Corporate Center, the face value of the WIH Note shall be deemed to reduce the Actual Balance of the Existing Loan relating to ICW Valencia/Valencia Corporate Center.

"Base Balance" shall mean with respect to each Existing Loan, the principal amount of such Existing Loan set forth on ***Appendix C*** to this Schedule II; *provided*, however, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then the Base Balance for such Target Asset shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed.

"Eliminated Asset" shall mean any Target Asset subject to the Formation Transaction Documentation that is excluded pursuant to the terms of the Formation Transaction Documentation from the Formation Transactions.

"Equity Percentage" shall mean with respect to each Target Asset, the percentage (expressed as a decimal) set forth opposite the name of such Target Asset on ***Appendix B*** to this Schedule II (which percentage is based on the Fairness Opinion of Duff & Phelps, LLC and represents such Target Asset's percentage of the net asset values of the Target Assets (other than the

Management Company) and the net equity value of the Management Company, taken as a whole); *provided, however*, that in the event a Target Asset is selected as or otherwise becomes for any reason an Eliminated Asset, then: (i) the Equity Percentage for each remaining Target Asset shall be recalculated as a fraction, the numerator of which is the original Equity Percentage for such remaining Target Asset and the denominator of which is (A) 100 minus (B) the original Equity Percentage of the Eliminated Asset; and (ii) the Equity Percentage of the Eliminated Asset shall be zero; and *provided, further*, that in the event a Target Asset is not included in the Formation Transactions pursuant to a merger (or contribution of all direct or indirect Pre-Formation Interests in such Target Asset) but a portion of the direct or indirect Pre-Formation Interests in such Target Asset is otherwise contributed to the Operating Partnership or a subsidiary of the Operating Partnership, then, after giving effect to any Eliminated Assets pursuant to the preceding proviso, the Equity Percentage for such Target Asset and for each other remaining Target Asset subject directly or indirectly to the Formation Transaction Documentation shall be proportionately adjusted to take into account the portion of the direct or indirect Pre-Formation Interests in such Target Asset that will not be so contributed.

"Excluded Assets" has the meaning set forth in Section 5.03 to the Agreement.

"Existing Loan" shall mean (i) each mortgage or mezzanine loan secured by a Target Asset listed on ***Appendix C*** to this Schedule II and (ii) all unsecured indebtedness of an American Assets Entity or of an entity in which an American Assets Entity has a direct or indirect interest that will be assumed, prepaid, repaid or refinanced in connection with the IPO and that is set forth on ***Appendix D*** to this Schedule II (all indebtedness falling within the scope of this clause (ii) shall be referred to as "Entity Specific Debt"); for the avoidance of doubt, no Intercompany Debt shall constitute an Existing Loan (in order to avoid double counting, as Intercompany Debt is adjusted for through the definition of "Allocated Share"). Existing Entity Specific Debt will be deemed to relate to the Target Asset(s) and, if to multiple Target Assets, in the proportions set forth opposite the name of such Entity Specific Debt on ***Appendix D*** to this Schedule II, and all such Entity Specific Debt will be deemed to have a Base Balance of zero (because "Equity Percentage" as determined by Duff & Phelps, LLC was determined at the property level and did not take into account Entity Specific Debt, Entity Specific Debt is deemed to be zero in order to cause a readjustment of "Equity Value" of all Target Assets after taking into account such Entity Specific Debt).

"Target Asset" shall mean each property set forth on Appendix B to this Schedule II and the property management business of American Assets, Inc. (the "Management Company").

"Target Net Working Capital" has the meaning set forth in Schedule 5.03 to the Agreement.

"Total Portfolio Adjustment" shall mean the sum (which may be a positive or negative number) of all Asset Adjustments for every Target Asset, excluding Eliminated Assets.

"Total Formation Transaction Value" shall mean the aggregate dollar value of (i) the cash, (ii) the REIT Shares and (iii) the OP Units that are issued or issuable to all Pre-Formation Participants in the Formation Transactions as set forth in the Prospectus. Total Formation Transaction Value will be determined valuing REIT Shares and OP Units at a value per REIT Share or OP Unit equal to the IPO Price.

Appendix A to Schedule II

Worked Examples

The figures and calculations included in this ***Appendix A*** are for illustrative purposes only and are based on a hypothetical portfolio of properties. Neither the hypothetical Total Formation Transaction Value nor any of the other figures or calculations presented on ***Appendix A*** shall be binding on the REIT or the Operating Partnership, and should not be considered an indication of value of the American Assets Entities. The value of the American Assets Entities will ultimately be determined by the REIT in consultation with the underwriters of the IPO based on public investor demand and may be lower or higher than the hypothetical Total Formation Transaction Value shown on ***Appendix A***. In addition, the calculations in ***Appendix A*** assume that each of Target Assets in this hypothetical portfolio of properties will be wholly owned, directly or indirectly, by the REIT.

Example - Base Case

In the hypothetical examples shown below, the Target Assets that will be acquired by the REIT in the Formation Transactions consist of four shopping centers. The Total Formation Transaction Value, or "TFTV," for this entire portfolio of properties will be $400, absent the impact of certain potential adjustments described in the subsequent examples. Each Target Asset (i) is subject to a $25 mortgage, (ii) was determined by a third-party valuator to have a relative equity value equal to 25% of the entire portfolio and (iii) has two owners, each of whom has a 50% interest in the property.

Target Asset	Equity Percentage ("EP") (determined by 3rd party valuator)	Property Holding Companies & Ownership %
Shopping Center 1	25%	Company A (50%) Company B (50%)
Shopping Center 2	25%	Company C (50%) Company D (50%)
Shopping Center 3	25%	Company E (50%) Company F (50%)
Shopping Center 4	25%	Company G (50%) Company H (50%)
Total	100%	

Applying the Equity Value formula and assuming that there is no Entity Specific Debt and no increase or decrease in mortgage debt outstanding, the Equity Value of each of the four properties is as set forth below:

Property	Equity Value = EP x [TFTV – TPA] + AA
Shopping Center 1	100 = 25% x [400 - 0] + 0
Shopping Center 2	100 = 25% x [400 - 0] + 0
Shopping Center 3	100 = 25% x [400 - 0] + 0

Shopping Center 4	100 = 25% x [400 - 0] + 0
Total Equity Value	400

Example 2 – Mortgage Payoff

In this example, all of the facts described in the Base Case above are the same, except that prior to the completion of the Formation Transactions, the $25 mortgage on Shopping Center 1 is paid off such that at the time that Shopping Center 1 is acquired by the Operating Partnership it is not subject to any mortgage debt. This results in the following variation of the variable "AA" in the formula as applied to Shopping Center 1:

Property	Asset Adjustment ("AA") (i.e., Base Balance - Actual Balance)
Shopping Center 1	25 = 25 – 0
Shopping Center 2	0 = 25 – 25
Shopping Center 3	0 = 25 – 25
Shopping Center 4	0 = 25 – 25
Total Portfolio Adjustment ("TPA")	25

In addition, by virtue of the reduction in the outstanding mortgage debt that will be assumed by the Operating Partnership in connection with the Formation Transactions, the Total Formation Transaction Value will have increased by the $25 value of the mortgage repayment from $400 to $425.

Applying the Equity Value formula reflecting these new facts and assuming that there is no Entity Specific Debt, the Equity Value of each of the four properties is as set forth below:

Property	Equity Value = EP x [TFTV – TPA] + AA
Shopping Center 1	125 = 25% x [425 - 25] + 25
Shopping Center 2	100 = 25% x [425 - 25] + 0
Shopping Center 3	100 = 25% x [425 - 25] + 0
Shopping Center 4	100 = 25% x [425 - 25] + 0
Total Equity Value	425

Example 3 – Entity Specific Debt

In this example, all of the facts described in the Base Case above are the same, except that Company C is subject to $25 of Entity Specific Debt related to Shopping Center 2, which will be assumed by the Operating Partnership upon the completion of the Formation Transactions. This results in the following variation of the variable "AA" in the formula as applied to Shopping Center 2:

Property	Asset Adjustment ("AA") (i.e., Base Balance - Actual Balance)
Shopping Center 1	0 = 25 – 25
Shopping Center 2	-25 = 25 – 50
Shopping Center 3	0 = 25 – 25
Shopping Center 4	0 = 25 – 25
Total Portfolio Adjustment ("TPA")	-25

In addition, by virtue of the assumption by the Operating Partnership of this Entity Specific Debt in connection with the Formation Transactions, the Total Formation Transaction Value will have decreased by the $25 value of the Entity Specific Debt from $400 to $375.

Applying the Equity Value formula reflecting these new facts and assuming that there is no increase or decrease in mortgage debt outstanding, the Equity Value of each of the four properties is as set forth below:

Property	Equity Value = EP x [TFTV – TPA] + AA
Shopping Center 1	100 = 25% x [375 - (-25)] + 0
Shopping Center 2	75 = 25% x [375 - (-25)] + (-25)
Shopping Center 3	100 = 25% x [375 - (-25)] + 0
Shopping Center 4	100 = 25% x [375 - (-25)] + 0
Total Equity Value	375

Here, through the operation of the Equity Value formula, all $25 of Company C's Entity Specific Debt has been allocated to Shopping Center 2 and has not impacted the Equity Value of the other Target Assets. However, without further adjustment, Company C and Company D, each as a 50% owner of Shopping Center 2, are equally burdened by Company C's Entity Specific Debt as show below:

	Company C	Company D
Allocated Share (unadjusted) of Equity Value before Inclusion of Entity Specific Debt:	50 = 100 x 50%	50 = 100 x 50%
Allocated Share (unadjusted) of Equity Value after Inclusion of Entity Specific Debt:	37.5 = 75 x 50%	37.5 = 75 x 50%
Decrease in Allocated Share (unadjusted) of Equity Value due to Inclusion of Entity Specific Debt:	12.5 = 50 - 37.5	12.5 = 50 - 37.5

Accordingly, by virtue of the operation of the Equity Value formula, Company C has only been allocated half ($12.5 of $25.0) of the Company C Entity Specific Debt obligation that should be allocated to Company C, and Company D has been allocated the remaining $12.5.

In order to address this inequitable allocation of Company C Entity Specific Debt , the definition of “Allocated Share” provides for an adjustment to (i) reduce the amount that would otherwise be payable to Company C by the amount by which the Entity Specific Debt exceeds the amount of such obligation that was previously allocated to Company C and (ii) increase the amount payable to Company D by the amount of the Entity Specific Debt obligation that was previously allocated to Company D, with the following outcome:

	Company A	Company B
Allocated Share (adjusted):	25 = 37.5 - 12.5	50 = 37.5 + 12.5

As a result of this adjustment to the Allocated Shares of Company C and Company D, the economic impact of all of Company C’s Entity Specific Debt will be allocated to Company C.

Example 4 – Intercompany Debt

In this example, all of the facts described in the Base Case above are the same, except that between the owners of Shopping Center 3, Company E has an Intercompany Debt obligation in the amount of $25 to Company F.

Prior to the application of the adjustments contained in the definition of Allocated Share, the Allocated Shares of the Owners of Shopping Center 3 would be as follows:

	Company E	Company F
Allocated Share (unadjusted):	50 = 100 x 50%	50 = 100 x 50%

To account for Intercompany Debt, the definition of "Allocated Share" provides an adjustment to (i) reduce the Allocated Share that would otherwise be payable to Company E by an amount equal to its indebtedness to Company F and (ii) increase the Allocated Share that would otherwise be payable to Company F by an amount equal to Company E's indebtedness to Company F, with the following outcome:

	Company E	Company F
Allocated Share (adjusted):	25 = 100 x 50% - 25	75 = 100 x 50% + 25

As a result of this adjustment to the Allocated Shares of Company E and Company F, the Intercompany Debt obligations between these entities have now been resolved.

Re: Proposed Public Offering by American Assets Trust, Inc.

Dear Sirs:

The undersigned, a stockholder of American Assets Trust, Inc., a Maryland corporation (the "Company") and/or a holder of common units of partnership interest (the "Units") in American Assets Trust, LP, a Maryland limited partnership and operating subsidiary of the Company (the "Operating Partnership"), understands that Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch") and Wells Fargo Securities, LLC ("Wells Fargo") and each of the other Underwriters named in Schedule A to the Underwriting Agreement (as defined below) (collectively, the "Underwriters"), for whom Merrill Lynch and Wells Fargo are acting as representatives (in such capacity, the "Representatives") propose to enter into an Underwriting Agreement (the "Underwriting Agreement") with the Company and the Operating Partnership, providing for the public offering (the "Public Offering") of shares (the "Securities") of the Company's common stock, par value $0.01 per share (the "Common Stock"). In recognition of the benefit that the Public Offering will confer upon the undersigned as a stockholder of the Company and/or as a holder of Units in the Operating Partnership, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned agrees with each Underwriter to be named in the Underwriting Agreement that, during a period of 180 days from the date of the Underwriting Agreement (the "Lock-Up Period"), the undersigned will not, without the prior written consent of the Representatives, directly or indirectly, (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise dispose of or transfer any shares of the Company's Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock, whether now owned or hereafter acquired by the undersigned or with respect to which the undersigned has or hereafter acquires the power of disposition (collectively, the "Lock-Up Securities"), or exercise any right with respect to the registration of any of the Lock-up Securities, or file or cause to be filed any registration statement in connection therewith, under the Securities Act of 1933, as amended, or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the Lock-Up Securities, whether any such swap or transaction is to be settled by delivery of Common Stock or other securities, in cash or otherwise.

Notwithstanding the foregoing, and subject to the conditions below, the undersigned may transfer the Lock-Up Securities without the prior written consent of the Representatives:

(i) if the undersigned is a director or executive officer of the Company, pursuant to the establishment by the undersigned of a written trading plan designed to comply with Rule 10b5-1(c) of the Exchange Act, provided that no sales or other dispositions may occur under such plans until the expiration of the Lock-Up Period; or

(ii) as a *bona fide* gift or gifts or other dispositions by will or intestacy; or

(iii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this lock-up agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, not more remote than first cousin); or

(iv) to an immediate family member, a partnership or limited liability company solely for the direct or indirect benefit of the undersigned or the immediate family member of the undersigned; or

(v) to a spouse, former spouse, child or other dependent pursuant to a domestic relations order or an order of a court of competent jurisdiction; or

(vi) as a distribution to limited partners, limited liability company members or stockholders of the undersigned; or

(vii) to the undersigned's affiliates or to any investment fund or other entity controlled or managed by the undersigned; or

(viii) to the Company upon termination of the undersigned's employment with the Company; or

(ix) to pay the exercise price of options to purchase Common Stock pursuant to the cashless exercise feature of such options; or

(x) to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (ii) through (ix) above,

provided that, in each case, (1) the Representatives receive a signed lock-up agreement for the balance of the lockup period from each donee, trustee, distributee, or transferee, as the case may be, (2) any such transfer shall not involve a disposition for value, (3) such transfers or other actions are not required to be reported with the Securities and Exchange Commission on Form 4 in accordance with Section 16 of the Securities Exchange Act of 1934, as amended, and (4) the undersigned does not otherwise voluntarily effect any public filing or report regarding such transfers.

Furthermore, the undersigned may sell shares of Common Stock of the Company purchased by the undersigned on the open market after completion of the Public Offering if and only if (i) such sales are not required to be reported in any public report or filing with the Securities and Exchange Commission, or otherwise and (ii) the undersigned does not otherwise voluntarily effect any public filing or report regarding such sales.

Notwithstanding the foregoing, if:

(1) during the last 17 days of the Lock-Up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs; or

(2) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results or becomes aware that material news or a material event will occur during the 16-day period beginning on the last day of the 180-day Lock-Up Period,

the Representatives may extend, by written notice to the Company, the restrictions imposed by this lock-up agreement until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as applicable.

Section 1.1 "50% Termination" has the meaning set forth in Section 1.40.

(iii) the liability constitutes "qualified nonrecourse financing" as defined in Section 465(b)(6) of the Code with respect to the Protected Partners;

For purposes of determining whether clause (ii) has been satisfied in situations where one or more potential Approved Liabilities are secured by more than one item of Collateral, the Operating Partnership shall allocate such liabilities among such items of Collateral in proportion to their relative fair market values (as reasonably determined in good faith by the Operating Partnership);

(b) A liability of the Operating Partnership that

(i) is not secured by any of the assets of the Operating Partnership and is a general, recourse obligation of the Operating Partnership, and

(a) Unless the Partners' Representative expressly consents in writing to a Tax Protection Period Transfer (for the avoidance of doubt, no vote in favor of a Tax Protection Period Transfer by the Partners' Representative or any of its Affiliates or by a Protected Partner, in each case in its capacity as owner shares of the REIT or OP Units, shall constitute consent), during the Tax Protection Period, the Operating Partnership shall indemnify the Protected Partners as set forth in Section 2.2 if the Operating Partnership or any entity in which the Operating Partnership holds a direct or indirect interest shall cause or permit (i) any Transfer of all or any portion of a Protected Property (including any interest therein or in the entity owning, directly or indirectly, the Protected Property) in a transaction that would result in the recognition of taxable income or gain by any Protected Partner under Section 704(c) of the Code, or (ii) any Fundamental Transaction that would result in the recognition of taxable income or gain to any Protected Partner (a Fundamental Transaction and a Transfer, collectively a "Tax Protection Period Transfer").

(b) Section 2.1(a) shall not apply to any Tax Protection Period Transfer of a Protected Property (including any interest therein or in the entity owning, directly or indirectly, the Protected Property): (i) in a transaction in which no gain is required to be recognized by a Protected Partner (an "Exchange"), including a transaction qualifying under Section 1031 or Section 721 (or any successor statutes) of the Code; *provided*, *however*, that any property acquired by the Operating Partnership in the Exchange shall remain subject to the provisions of this Article II in place of the exchanged Protected Property for the remainder of the Tax Protection Period; (ii) as a result of the condemnation or other taking of any Protected Property by a governmental entity in an eminent domain proceeding or otherwise, provided that the Operating Partnership shall use commercially reasonable efforts to structure such disposition as either a tax-free like-kind exchange under Section 1031 or a tax-free reinvestment of proceeds under Section 1033, provided that in no event shall the Operating Partnership be obligated to acquire or invest in any property that it otherwise would not have acquired or invested in.

(c) For any taxable Transfer of all or any portion of any property of the Operating Partnership which is not a Tax Protection Period Transfer, the Operating Partnership shall use commercially reasonable efforts to cooperate with the Limited Partners to minimize any taxes payable by the Limited Partners in connection with any such Transfers.

Section 2.2 Indemnification for Taxable Transfers.

(a) In the event of a Tax Protection Period Transfer described in Section 2.1(a), each Protected Partner shall, within 30 days after the closing of such Tax Protection Period Transfer, receive from the Operating Partnership an amount of cash equal to the estimated Make Whole Amount applicable to such Tax Protection Period Transfer. If it is later determined that the true Make Whole Amount applicable to a Protected Partner exceeds the estimated Make Whole Amount applicable to such Protected Partner, then the Operating Partnership shall pay such excess to such Protected Partner within 90 days after the closing of the Tax Protection Period Transfer, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Protected Partner shall promptly refund such excess to the Operating Partnership, but only to the extent such excess was actually received by such Protected Partner.

(b) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of any Protected Partner under Section 2.1(a) shall be a claim against the Operating Partnership for the Make Whole Amount as set forth in this Section 2.2, and no Protected Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.1(a) or bring a claim against any person that acquires a Protected Property from the Operating Partnership in violation of Section 2.1(a).

Section 2.3 Section 704(c) Gains. A good faith estimate of the initial amount of Section 704(c) gain allocable to each Protected Partner as of the Closing Date of each OP Merger is set forth on Exhibit B hereto. The parties acknowledge that the initial amount of such Section 704(c) gain may be adjusted over time as required by Section 704(c) of the Code and the Regulations promulgated thereunder.

Section 2.4 Approved Liability Maintenance and Allocation.

(a) During the Tax Protection Period, the Operating Partnership shall: (1) maintain on a continuous basis an amount of Approved Liabilities at least equal to the Required Liability Amount; and (2) provide the Partners' Representative, promptly upon request, with a description of the nature and amount of any Approved Liabilities that are available to be guarantied by the Guaranty Partners pursuant to Section 2.4(b) of this Agreement. For the avoidance of doubt, and notwithstanding any other provision of this Agreement, the Operating Partnership shall not be required to maintain any amount of Approved Liabilities in excess of the aggregate Required Liability Amount of all Guaranty Partners.

(b) (i) During the Tax Protection Period, the Operating Partnership shall provide each Guaranty Partner with the opportunity to execute a guaranty, substantially in the form attached hereto as Exhibit F or otherwise in a form and manner that is reasonably acceptable to the Partners' Representative, of one or more Approved Liabilities that are Guaranty Permissible Liabilities in an amount up to such Guaranty Partner's Required Liability Amount (each such opportunity and each opportunity required by Section 2.4(c), Section 2.5(b),and Section 2.5(c), a "Guaranty Opportunity"), and (ii) after the Tax Protection Period, and for so long as a Guaranty Partner has not had a 50% Termination, the Operating Partnership shall use commercially reasonable efforts to make Guaranty Opportunities available to each Guaranty Partner, provided that in the case of this clause (ii), the Operating Partnership shall not be required to incur any indebtedness that it would not otherwise have incurred, as determined by the Operating Partnership in its reasonable discretion; *provided*, *however*, that in the case of clauses (i) and (ii) the aggregate amount of all guaranties required to be made available by the Operating Partnership for execution by all Guaranty Partners need not exceed the aggregate Required Liability Amount of all Guaranty Partners. The Operating Partnership shall have the discretion to identify the Approved Liability or Approved Liabilities that shall be made available for guaranty by each Guaranty Partner. Each Guaranty Partner and its indirect owners may allocate the Guaranty Opportunity afforded to such Guaranty Partner in any manner they choose. The Operating Partnership agrees to file its tax returns allocating any debt subject to a Guaranty to the applicable Guaranty Partners. Each Guaranty Partner shall bear the costs incurred by it in connection with the execution of any guaranty to which it is a party. To the extent a Guaranty Partner executes a guaranty, the Operating Partnership shall deliver a copy of such guaranty to the lender under the Guarantied Liability promptly after receiving such copy from the relevant Guaranty Partner.

(c) During the Tax Protection Period, the Operating Partnership shall not allow a Debt Notification Event to occur unless the Operating Partnership provides at least thirty (30) days' written notice (a "Section 2.4 Notice") to each Guaranty Partner that may be affected thereby. The Section 2.4 Notice shall describe the Debt Notification Event and designate one or more Approved Liabilities that may be guarantied by the Guaranty Partners pursuant to Section 2.4(b) of this Agreement in an amount equal to the amount of the refinanced or repaid Approved Liability that was guarantied by such Guaranty Partner immediately prior to the date of the refinancing or repayment. Any Guaranty Partner that desires to execute a guaranty following the receipt of a Section 2.4 Notice shall provide the Operating Partnership with notice thereof within fifteen (15) days after the date of the Section 2.4 Notice.

(d) Provided the Operating Partnership satisfies its obligations under Section 2.4(a), (b) and (c) of this Agreement, it shall have no liability to a Guaranty Partner

under Section 2.4(e) for breach of Section 2.4, whether or not such Guaranty Partner accepts its Guaranty Opportunity. Furthermore, the Operating Partnership makes no representation or warranty to any Guaranty Partner concerning the treatment or effect of any guaranty under Federal, state, local, or foreign tax law, and bears no responsibility for any tax liability of any Guaranty Partner or Affiliate thereof that is attributable to a reallocation, by a taxing authority, of debt subject to a guaranty (other than a reallocation that results from any act or omission taken by the Operating Partnership or one of its Affiliates in violation of this Section 2.4 or an act or omission that is indemnifiable under Section 2.4(e) of this Agreement).

(e) If the Operating Partnership shall fail to comply with any provision of this Section 2.4, the Operating Partnership shall pay, within thirty (30) days of such failure, a Make Whole Payment to each Guaranty Partner who recognizes income or gain as a result of such failure equal to the estimated Make Whole Amount applicable to such failure. If it is determined that the true Make Whole Amount applicable to a Guaranty Partner exceeds the estimated Make Whole Amount applicable to such Guaranty Partner, then the Operating Partnership shall pay such excess to such Guaranty Partner within thirty (30) days after the date of such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Guaranty Partner shall pay such excess to the Operating Partnership within thirty (30) days after the date of such determination, but only to the extent such excess was actually received by such Guaranty Partner.

(f) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of any Guaranty Partner for a breach or violation of the covenants set forth in Section 2.4 shall be a claim a claim against the Operating Partnership for the Make Whole Amount as set forth in Section 2.4(e), and no Guaranty Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.4.

(g) Notwithstanding any provision of this Section 2.4 to the contrary, to the extent a Guaranty Partner is also a Non-Qualified Liability Partner that has guaranteed Non-Qualified Liabilities pursuant to Section 2.5, the amount of such guaranteed liabilities shall be treated as the Operating Partnership's satisfaction of that amount of its obligation to provide a Guaranty Opportunity under this Section 2.4, and such liabilities shall be treated as an Approved Liability for purposes of this Section 2.4, including for purposes of determining whether a Section 2.4 Notice and substitute Approved Liability are required.

Section 2.5 Non-Qualified Liability Maintenance and Allocation.

(a) During the Non-Qualified Liability Period, the Operating Partnership shall not repay any Non-Qualified Liability (excluding any scheduled payments of principal occurring pursuant to the terms of such Non-Qualified Liability) which has been guarantied by a Non-Qualified Liability Partner pursuant to Section 2.5(b) unless: (i) the Operating Partnership repays such Non-Qualified Liability with proceeds generated by its incurrence of other liabilities which each such Non-Qualified Liability Partner is offered an opportunity to guaranty; or (ii) the Partners' Representative consents in writing to such repayment.

(b) During the Non-Qualified Liability Period, the Operating Partnership shall use commercially reasonable efforts to provide each Non-Qualified Liability Partner with the opportunity to execute a guaranty, substantially in the form attached hereto as Exhibit F or otherwise in a form and manner that is reasonably acceptable to the Partners' Representative, of each Non-Qualified Liability listed below such Non-Qualified Liability Partner's name in Exhibit E in an amount up to such Non-Qualified Liability Partner's Non-Qualified Liability Amount. Each Non-Qualified Liability Partner and its indirect owners may allocate the Guaranty Opportunity afforded to such Non-Qualified Liability Partner in any manner they choose. The Operating Partnership agrees to file its tax returns allocating any Guarantied Liability to the applicable Non-Qualified Liability Partners. Each Non-Qualified Liability Partner shall bear the costs incurred by it in connection with the execution of any guaranty to which it is a party. To the extent a Non-Qualified Liability Partner executes a guaranty, the Operating Partnership shall deliver a copy of such guaranty to the lender under the Guarantied Liability promptly after receiving such copy from the relevant Non-Qualified Liability Partner.

(c) During the Non-Qualified Liability Period, if the Operating Partnership intends to repay any Non-Qualified Liability with proceeds generated by its incurrence of other liabilities as provided in Section 2.5(a)(i), the Operating Partnership shall provide at least thirty (30) days' written notice (a "Section 2.5 Notice") to each Non-Qualified Liability Partner that may be affected thereby. The Section 2.5 Notice shall describe which Non-Qualified Liability is being repaid and the nature and amount of the liability, if any, being incurred to repay such Non-Qualified Liability. The Operating Partnership shall use commercially reasonable efforts to make available to each affected Non-Qualified Liability Partner the opportunity to guaranty any such newly-incurred liability in the same manner as provided in Section 2.5(b) in an amount equal to the amount of the repaid Non-Qualified Liability that was guarantied by such Non-Qualified Liability Partner immediately prior to the date of the repayment. Any Non-Qualified Liability Partner that desires to execute a guaranty following the receipt of a Section 2.5 Notice shall provide the Operating Partnership with notice thereof within fifteen (15) days after the date of the Section 2.5 Notice.

(d) Provided the Operating Partnership satisfies its obligations under Section 2.5(a), (b) and (c) of this Agreement, it shall have no liability to any Non-Qualified Liability Partner for breach of Section 2.5, whether or not such Non-Qualified Liability Partner accepts its Guaranty Opportunity. For the avoidance of doubt, and notwithstanding any other provision of this Agreement, the Operating Partnership shall have no liability to any Non-Qualified Liability Partner if the Operating Partnership is unable, despite its commercially reasonable efforts, to provide each Non-Qualified Liability Partner with the opportunity to guaranty a Non-Qualified Liability. Furthermore, the Operating Partnership makes no representation or warranty to any Non-Qualified Liability Partner concerning the treatment or effect of any guaranty under Federal, state, local, or foreign tax law, and bears no responsibility for any tax liability of any Non-Qualified Liability Partner or Affiliate thereof that is attributable to a reallocation, by a taxing authority, of debt subject to a guaranty (other than a reallocation that results from any act or omission taken by the Operating Partnership or one of its Affiliates in violation of this Section 2.5).

(e) If the Operating Partnership shall fail to comply with any provision of this Section 2.5, the Operating Partnership shall pay, within thirty (30) days of such failure, a Make Whole Payment to each Non-Qualified Liability Partner who recognizes income or gain as a result of such failure equal to the estimated Make Whole Amount applicable to such failure. If it is determined that the true Make Whole Amount applicable to a Non-Qualified Liability Partner exceeds the estimated Make Whole Amount applicable to such Non-Qualified Liability Partner, then the Operating Partnership shall pay such excess to such Non-Qualified Liability Partner within thirty (30) days after the date of such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then such Non-Qualified Liability Partner shall pay such excess to the Operating Partnership within thirty (30) days after the date of such determination, but only to the extent such excess was actually received by such Non-Qualified Liability Partner.

(f) Notwithstanding any provision of this Agreement to the contrary, no Non-Qualified Liability Partner shall be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.5.

Section 2.7 Dispute Resolution. The Company shall prepare and file a registration statement on an appropriate form with respect to any Rady Demand Registration (the "Rady Demand Registration Statement") and shall use its reasonable efforts to cause the Rady Demand Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof. Any request for a Rady Demand Registration will specify the number of shares of Registrable Securities proposed to be sold in the underwritten offering. The Company shall have the opportunity to register such number of shares of Common Stock as it may elect on the Rady Demand Registration Statement and as part of the same underwritten offering in connection with a Rady Demand Registration (a "Company Piggy-Back Registration"). Unless a majority in interest of the Rady Holders participating in such Rady Demand Registration shall consent in writing, no party, other than the Company, shall be permitted to offer securities in connection with any such Rady Demand Registration.

(b) Underwriters. The Company shall select the book-running managing Underwriter in connection with any Rady Demand Registration; provided that such managing Underwriter must be reasonably satisfactory to a majority in interest of the Rady Holders participating in such Rady Demand Registration. The Company shall use its commercially reasonable efforts to cause the managing Underwriter(s)of a proposed underwritten offering to permit the Registrable Securities requested to be included in a Rady Piggy-Back Registration to be included on the same terms and conditions as any similar securities of the Company included therein.

Section 2.3. Reduction of Offering. Notwithstanding anything contained in Sections 2.1 and 2.2, if the managing Underwriter(s) of an offering described in Section 2.1 or 2.2 advise in writing the Company and the Rady Holders that the size of the intended offering is such that the success of the offering would be significantly and adversely affected by inclusion of (i) the Registrable Securities requested to be included by the Rady Holders in a Rady Piggy-Back Registration or (ii) the Common Stock requested to be included by the Company in a Rady Demand Registration/Company Piggy-Back Registration, then: (x) in the case of a Rady Demand Registration/ Company Piggy-Back Registration, the amount of the Common Stock to be offered for the account of the Company shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s), provided, that the amount of securities to be offered by the Company shall not be reduced to less than fifty percent (50%) of the total number of securities to be included in such offering;and (y) in the caseof a Rady Piggy-Back Registration, the amount of securities to be offered for the accounts of Rady Holders shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s), provided, that the amount of securities to be offered by the Rady Holders shall not be reduced to less than thirty percent (30%) of the total number of securities to be included in such offering.

The Company shall use its reasonable efforts to cause the Resale Shelf Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof, and, subject to Sections 2.4(d) and 2.14, to keep such Resale Shelf Registration Statement continuously effective for a period ending when all shares of Common Stock covered by the Resale Shelf Registration Statement are no longer Registrable Securities.

At the time the Resale Shelf Registration Statement is declared effective, each Holder that has delivered a duly completed and executed Notice and Questionnaire to the Company on or prior to the date ten (10) Business Days prior to such time of effectiveness shall be named as a selling securityholder in the Resale Shelf Registration Statement and the related prospectus in such a manner as to permit such Holder to deliver such prospectus to purchasers of Registrable Securities in accordance with applicable law. If required by applicable law, subject to the terms and conditions hereof, after effectiveness of the Resale Shelf Registration Statement, the Company shall file a supplement to such prospectus or amendment to the Resale Shelf Registration Statement not less than once a quarter as necessary to name as selling securityholders therein any Holders that provide to the Company a duly completed and executed Notice and Questionnaire and shall use reasonable efforts to cause any post-effective amendment to such Resale Shelf Registration Statement filed for such purpose to be declared effective by the Commission as promptly as reasonably practicable after the filing thereof.

(b) The Company may, at its option, satisfy its obligation to prepare and file a Resale Shelf Registration Statement pursuant to Section 2.4(a) with respect to shares of Common Stock issuable upon exchange of Exchangeable Common OP Units by preparing and filing with the Commission not later than fourteen (14) months after the consummation date of the IPO a registration statement on an appropriate form for an offering to be made on a delayed or continuous basis pursuant to Rule 415 (an "Issuer Shelf Registration Statement") providing for (i) the issuance by the Company, from time to time, to the Holders of such Exchangeable Common OP Units, of shares of Common Stock registered under the Securities Act (the "Primary Shares") and (ii) to the extent such Primary Shares constitute Restricted Shares, the registered resale thereof by their Holders from time to time in accordance with the methods of distribution elected by the Holders and set forth therein (but except as provided in Section 2.4(c) below, not an underwritten offering). The Company shall use its reasonable efforts to cause the Issuer Shelf Registration Statement to be declared effective by the Commission as promptly as reasonably practicable after filing thereof and, subject to Sections 2.4(d) and 2.14, to keep the Issuer Shelf Registration Statement continuously effective for a period (the "Effectiveness Period") expiring on the date all of the shares of Common Stock covered by such Issuer Shelf Registration Statement have been issued by the Company pursuant thereto or are no longer Registrable Securities. If the Company shall exercise its rights under this Section 2.4(b), Holders (other than Holders of Restricted Shares) shall have

no right to have shares of Common Stock issued or issuable upon exchange of Exchangeable Common OP Units included in a Resale Shelf Registration Statement pursuant to Section 2.4(a).

affected by inclusion of all the Registrable Securities requested to be included, then the amount of securities to be offered for the accounts of Holders shall be reduced pro rata (according to the Registrable Securities requested for inclusion) to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s) but in priority to any securities proposed to be sold by any other holders of securities of the Company with registration rights to participate therein. The Company shall have the opportunity to include such number of securities as it may elect in an offering described in Section 2.4(c); provided, if the managing Underwriter(s) of such offering advise in writing the Company and the Holder(s) of the Registrable Securities requested to be included that the success of the offering would be significantly adversely affected by inclusion of all the securities requested to be included by the Company, then the amount of securities to be offered for the account of the Company shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing Underwriter(s); provided, further, the amount of securities to be offered by the Company shall not be reduced to less than fifty percent (50%) of the total number of securities to be included in such offering.

(h) The Company will use its reasonable efforts to cause all Registrable Securities covered by such Resale Shelf Registration Statement or Primary Shares covered by such Issuer Shelf Registration Statement to be listed on each securities exchange on which similar securities issued by the Company are then listed.

(i) In addition to the Notice and Questionnaire, the Company may require each Selling Holder of Registrable Securities to promptly furnish in writing to the Company such information regarding such Selling Holder, the Registrable Securities held by it and the intended method of distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration. No Holder may include Registrable Securities in any registration statement pursuant to this Agreement unless and until such Holder has furnished to the Company such information. Each Holder further agrees to furnish as soon as reasonably practicable to the Company all information required to be disclosed in order to make information previously furnished to the Company by such Holder not materially misleading.

(j) Each Selling Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 2.6(b) or 2.6(d) or upon receipt of a Suspension Notice, such Selling Holder will forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such Selling Holder's receipt of written notice from the Company that such disposition may be made and, in the case of clause (ii) of Section 2.6(d) or, if applicable, Section 2.14, copies of any supplemented or amended prospectus contemplated by clause (ii) of Section 2.6(d) or, if applicable, prepared under Section 2.14, and, if so directed by the Company, such Selling Holder will deliver to the Company all copies, other than permanent file copies then in such Selling Holder's possession, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. Each Selling Holder of Registrable Securities agrees that it will immediately notify the Company at any time when a prospectus relating to the registration of such Registrable Securities is required to be delivered under the Securities Act of the happening of an event as a result of which information previously furnished by such Selling Holder to the Company in writing for inclusion in such prospectus contains an untrue statement of a material fact or omits to state any material fact

required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made.

Section 2.7. Registration Expenses. In connection with any registration statement required to be filed hereunder, the Company shall pay the following registration expenses incurred in connection with the registration hereunder (the "Registration Expenses"), regardless whether such registration statement is declared effective by the Commission: (i) all registration and filing fees, (ii) fees and expenses of compliance with securities or "blue sky" laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (iii) printing expenses, (iv) internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), (v) the fees and expenses incurred in connection with the listing of the Registrable Securities, (vi) reasonable fees and disbursements of counsel for the Company and customary fees and expenses for independent certified public accountants retained by the Company, including in connection with the preparation of comfort letters, and any transfer agent and registrar fees, and (vii) the reasonable fees and expenses of any special experts retained by the Company in connection with such registration. The Company shall have no obligation to pay any fees, discounts or commissions attributable to the sale of Registrable Securities, or any out-of-pocket expenses of the Holders (or the agents who manage their accounts) or any transfer taxes relating to the registration or sale of the Registrable Securities.

Section 2.8. Indemnification by the Company. The Company agrees to indemnify and hold harmless each Selling Holder of Registrable Securities, its officers, directors, agents, partners, members, employees, managers, advisors, sub-advisors, attorneys, representatives and Affiliates, and each Person, if any, who controls such Selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against, as incurred, any and all losses, claims, damages and liabilities (or actions in respect thereof) that arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, preliminary prospectus, prospectus, or free writing prospectus relating to the Registrable Securities (in each case, as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or that arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, except insofar as such losses, claims, damages or liabilities arise out of or are based upon any such untrue statement or omission or alleged untrue statement or omission included in reliance upon and in conformity with information furnished in writing to the Company by such Selling Holder or on such Selling Holder's behalf expressly for inclusion therein.

Section 2.9. Indemnification by Holders of Registrable Securities. Each Selling Holder agrees, severally but not jointly or jointly and severally, to indemnify and hold harmless the Company, its officers, directors, agents, employees, attorneys, representatives and Affiliates, and each Person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from the Company to such Selling Holder, but only with respect to information relating to such Selling Holder included in reliance upon and in conformity with information furnished in writing by such Selling Holder or on such Selling Holder's behalf expressly for use in any registration

statement, preliminary prospectus, prospectus or free writing prospectus relating to the Registrable Securities, or any amendment or supplement thereto. In case any action or proceeding shall be brought against the Company or its officers, directors or agents or any such controlling person, in respect of which indemnity may be sought against such Selling Holder, such Selling Holder shall have the rights and duties given to the Company, and the Company or its officers, directors or agents or such controlling person shall have the rights and duties given to such Selling Holder, by Section 2.10; provided, however, that the total obligations of such Selling Holder under this Agreement (including, but not limited to, obligations arising under Section 2.11 herein) will be limited to an amount equal to the net proceeds actually received by such Selling Holder (after deducting any discounts and commissions) from the disposition of Registrable Securities pursuant to such registration statement.

Section 2.10. Conduct of Indemnification Proceedings. In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 2.8 or 2.9, such person (an "Indemnified Party") shall promptly notify the person against whom such indemnity may be sought (an "Indemnifying Party") in writing and the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Party, and shall assume the payment of all fees and expenses; provided, however, that the failure of any Indemnified Party to give such notice will not relieve such Indemnifying Party of any obligations under Section 2.8 or 2.9, except to the extent such Indemnifying Party is materially prejudiced by such failure. In any such proceeding, any Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of such counsel or (ii) representation of the Indemnified Party by the counsel retained by the Indemnifying Party would be inappropriate due to actual or potential differing interests between the Indemnified Party and the Indemnified Party. It is understood that the Indemnifying Party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for all such Indemnified Parties, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Indemnified Parties, such firm shall be designated in writing by (i) in the case of Persons indemnified pursuant to Section 2.8 hereof, the Selling Holders which owned a majority of the Registrable Securities sold under the applicable registration statement and (ii) in the case of Persons indemnified pursuant to Section 2.9, the Company. The Indemnifying Party shall not be liable for any settlement of any proceeding effected without its written consent, which consent shall not be unreasonably withheld, but if settled with such consent, or if there be a final judgment for the plaintiff, the Indemnifying Party shall indemnify and hold harmless such Indemnified Parties from and against any loss or liability (to the extent stated above) by reason of such settlement or judgment. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, which consent shall not be unreasonably withheld, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such proceeding without any admission of liability by such Indemnified Party.

Section 2.11. Contribution. If the indemnification provided for in Section 2.8 or 2.9 hereof is held by a court of competent jurisdiction to be unavailable to an Indemnified Party or insufficient in respect of any losses, claims, damages or liabilities that otherwise would have been covered by Section 2.8 or 2.9 hereof, then each such Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities in such proportion as is appropriate to reflect the relative fault of the Company, on the one hand, and of each Selling Holder, on the other hand, in connection with such statements or omissions which resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of each Selling Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such party.

The Company and the Selling Holders agree that it would not be just and equitable if contribution pursuant to this Section 2.11 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 2.11, no Selling Holder shall be required to contribute any amount which in the aggregate exceeds the amount by which the net proceeds actually received by such Selling Holder from the sale of its securities to the public exceeds the amount of any damages which such Selling Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Selling Holder's obligations to contribute pursuant to this Section 2.11, if any, are several in proportion to the proceeds of the offering actually received by such Selling Holder bears to the total proceeds of the offering received by all the Selling Holders and not joint.

Section 2.12. Rule 144. The Company covenants that it will (a) make and keep public information regarding the Company available as those terms are defined in Rule 144, (b) file in a timely manner any reports and documents required to be filed by it under the Securities Act and the Exchange Act, (c) furnish to any Holder forthwith upon request (i) a written statement by the Company as to its compliance with the reporting requirements of Rule 144 (at any time more than ninety (90) days after the effective date of the registration statement for the Company's initial public offering), the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), and (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (d) take such further action as any Holder may reasonably request, all to the extent required from time to time to enable Holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144.

Section 2.13. Participation in Underwritten Offerings. No Person may participate in any underwritten offerings hereunder unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements and these registration rights provided for in this Article II.

Section 2.14. Suspension of Use of Registration Statement.

(a) If the Board of Directors of the Company determines in its good faith judgment that the filing of a Rady Demand Registration Statement or Resale Shelf Registration Statement under Section 2.1(a) or Section 2.4(a) or the use of any related prospectus would be materially detrimental to the Company because such action would require the disclosure of material information that the Company has a bona fide business purpose for preserving as confidential or the disclosure of which would materially impede the Company's ability to consummate a significant transaction, and that the Company is not otherwise required by applicable securities laws or regulations to disclose, upon written notice of such determination by the Company to the Holders which shall be signed by the Chief Executive Officer, President or any Executive Vice President of the Company certifying thereto, the rights of the Holders to offer, sell or distribute any Registrable Securities pursuant to a Resale Shelf Registration or to require the Company to take action with respect to the registration or sale of any Registrable Securities pursuant to a Resale Shelf Registration Statement shall be suspended until the earliest of (i) the date upon which the Company notifies the Holders in writing that suspension of such rights for the grounds set forth in this Section 2.14(a) is no longer necessary and they may resume use of the applicable prospectus, (ii) the date upon which copies of the applicable supplemented or amended prospectus is distributed to the Holders, and (iii) (x) up to thirty (30) consecutive days after the notice to the Holders if that notice is given during the Initial Period or (y) ninety (90) consecutive days after the notice to the Holders if that notice is given after the Initial Period; provided, that the Company shall not be entitled to exercise any such right more than two (2) times in any twelve (12) month period or less than thirty (30) days from the termination of the prior such suspension period; and provided further, that such exercise shall not prevent the Holders from being entitled to at least three hundred twenty (320) days of effective registration with respect to such registration statement during each Initial Period and thereafter two hundred ten (210) days of effective registration with respect to such registration statement in any 365-day period. The Company agrees to give the notice under (i) above as promptly as practicable following the date that such suspension of rights is no longer necessary.

(b) If all reports required to be filed by the Company pursuant to the Exchange Act have not been filed by the required date without regard to any extension, or if the consummation of any business combination by the Company has occurred or is probable for purposes of Rule 3-05 or Article 11 of Regulation S-X promulgated under the Securities Act or any similar successor rule, upon written notice thereof by the Company to the Holders, the rights of the Holders to offer, sell or distribute any Registrable Securities pursuant to a Rady Demand Registration Statement or Resale Shelf Registration Statement or to require the Company to take action with respect to the registration or sale of any Registrable Securities

pursuant to a Rady Demand Registration Statement or Resale Shelf Registration Statement shall be suspended until the date on which the Company has filed such reports or obtained and filed the financial information required by Rule 3-05 or Article 11 of Regulation S-X to be included or incorporated by reference, as applicable, in a Rady Demand Registration Statement or Resale Shelf Registration Statement, and the Company shall use commercially reasonable efforts to file the required reports or obtain and file the financial information required to be included or incorporated by reference, as applicable, as promptly as commercially practicable, and shall notify the Holders as promptly as practicable when such suspension is no longer required.

Section 2.15. Additional Shares. The Company, at its option, may register under a Shelf Registration Statement and any filings with any state securities commissions filed pursuant to this Agreement, any number of unissued shares of Common Stock or any shares of Common Stock owned by any other stockholder or stockholders of the Company; provided that in no event shall the inclusion of such shares on a registration statement reduce the amount offered for the account of the Holders in any underwritten offering at the request of the Holders pursuant to Section 2.1(a) or Section 2.4(c).

ARTICLE III
MISCELLANEOUS

Section 3.1. Remedies. In addition to being entitled to exercise all rights provided herein and granted by law, including recovery of damages, the Holders shall be entitled to specific performance of the rights under this Agreement. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

Section 3.2. Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, in each case without the written consent of the Company and the Holders against whom enforcement is sought. No failure or delay by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon any breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement or condition.

Section 3.3. Notices. All notices and other communications in connection with this Agreement shall be made in writing by hand delivery, registered first-class mail, telecopier, or air courier guaranteeing overnight delivery:

(1) if to any Holder, initially to the address indicated in such Holder's Notice and Questionnaire or, if no Notice and Questionnaire has been delivered, c/o American Assets Trust, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: Chief Executive Officer, or to such other address and to such other Persons as any Holder may hereafter specify in writing; and

(2) if to the Company, initially at 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: Chief Executive Officer, or to such other address as the Company may hereafter specify in writing.

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; when received if deposited in the mail, postage prepaid, if mailed; when receipt acknowledged, if telecopied; and on the next Business Day, if timely delivered to an air courier guaranteeing overnight delivery.

Section 3.4. Successors and Assigns; Assignment of Registration Rights. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties. Any Holder may assign its rights under this Agreement without the consent of the Company in connection with a transfer of such Holder's Registrable Securities; provided, that the Holder notifies the Company of such proposed transfer and assignment and the transferee or assignee of such rights assumes in writing the obligations of such Holder under this Agreement.

Section 3.5. Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 3.6. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of California.

Section 3.7. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

Section 3.8. Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein with respect to the registration rights granted by the Company with respect to the Registrable Securities. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

Section 3.9. Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

Section 3.10. Termination. The obligations of the parties hereunder shall terminate with respect to a Holder when it no longer holds Registrable Securities and with respect to the Company upon the end of the Effectiveness Period with respect to any Issuer Shelf Registration Statement and with respect to a Resale Shelf Registration Statement when there are no longer Registrable Securities with respect to such Resale Shelf Registration Statement, except, in each case, for any obligations under Sections 2.4(d), 2.7, 2.8, 2.9, 2.10, 2.11 and Article III.

Section 3.11. Waiver of Jury Trial. The parties hereto (including any Initial Holder and any subsequent Holder) irrevocably waive any right to trial by jury.

Form of Notice and Questionnaire

The undersigned beneficial holder of shares of common stock, par value $.01 per share ("Common Stock"), of American Assets Trust, Inc. (the "Company") and/or units of limited partnership interests ("OP Units" and, together with the Common Stock, the "Registrable Securities") of American Assets Trust, L.P. (the "Operating Partnership"), understands that the Company has filed or intends to file with the Securities and Exchange Commission (the "SEC") one or more registration statements (collectively, the "Resale Shelf Registration Statement") for the registration and resale under Rule 415 of the Securities Act of 1933, as amended (the "Securities Act"), of the Registrable Securities in accordance with the terms of the Registration Rights Agreement (the "Registration Rights Agreement"), dated [_____], 2010, among the Company and the holders listed on Schedule I thereto. A copy of the Registration Rights Agreement is available from the Company upon request at the address set forth below. All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Registration Rights Agreement.

Each beneficial owner of Registrable Securities is entitled to the benefits of the Registration Rights Agreement. In order to sell or otherwise dispose of any Registrable Securities pursuant to the Resale Shelf Registration Statement, a beneficial owner of Registrable Securities generally will be required to be named as a selling security holder in the related prospectus, deliver a prospectus to purchasers of Registrable Securities and be bound by those provisions of the Registration Rights Agreement applicable to such beneficial owner (including certain indemnification provisions as described below). **To be included in the Resale Shelf Registration Statement, this Notice and Questionnaire must be completed, executed and delivered to the Company at the address set forth herein on or prior to the tenth business day before the effectiveness of the Resale Shelf Registration Statement.** We will give notice of the filing and effectiveness of the initial Resale Shelf Registration Statement by issuing a press release and by mailing a notice to the holders at their addresses set forth in the register of the registrar.

Beneficial owners that do not complete this Notice and Questionnaire and deliver it to the Company as provided below will not be named as selling security holders in the prospectus and therefore will not be permitted to sell any Registrable Securities pursuant to the Resale Shelf Registration Statement. Beneficial owners are encouraged to complete and deliver this Notice and Questionnaire prior to the effectiveness of the initial Resale Shelf Registration Statement so that such beneficial owners may be named as selling security holders in the related prospectus at the time of effectiveness. Upon receipt of a completed Notice and Questionnaire from a beneficial owner following the effectiveness of the initial Resale Shelf Registration Statement, in accordance with the Registration Rights Agreement, the Company will file such amendments to the initial Resale Shelf Registration Statement or additional shelf registration statements or supplements to the related prospectus as are necessary to permit such holder to deliver such prospectus to purchasers of Registrable Securities.

Certain legal consequences arise from being named as selling security holders in the Resale Shelf Registration Statement and the related prospectus. Accordingly, holders and beneficial owners of Registrable Securities are advised to consult their own securities law counsel regarding the consequences of being named or not being named as a selling security holder in the Resale Shelf Registration Statement and the related prospectus.

ARTICLE 1
DEFINED TERMS

The following definitions shall be for all purposes, unless otherwise clearly indicated to the contrary, applied to the terms used in this Agreement:

"*Act*" means the Maryland Revised Uniform Limited Partnership Act, Title 10 of the Corporations and Associations Article of the Annotated Code of Maryland, as it may be amended from time to time, and any successor to such statute.

"*Actions*" has the meaning set forth in Section 7.7 hereof.

"*Additional Funds*" has the meaning set forth in Section 4.3.A hereof.

"*Additional Limited Partner*" means a Person who is admitted to the Partnership as a limited partner pursuant to the Act and Section 4.2 and Section 12.2 hereof and who is shown as such on the books and records of the Partnership.

"*Adjusted Capital Account*" means, with respect to any Partner, the balance in such Partner's Capital Account as of the end of the relevant Partnership Year or other applicable period, after giving effect to the following adjustments:

(i) increase such Capital Account by any amounts that such Partner is obligated to restore pursuant to this Agreement upon liquidation of such Partner's Partnership Interest or that such Person is deemed to be obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c) or the penultimate sentence of each of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(ii) decrease such Capital Account by the items described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) and (6).

The foregoing definition of "Adjusted Capital Account" is intended to comply with the provisions of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

"*Adjusted Capital Account Deficit*" means, with respect to any Partner, the deficit balance, if any, in such Partner's Adjusted Capital Account as of the end of the relevant Partnership Year or other applicable period.

"*Adjustment Event*" has the meaning set forth in Section 16.3 hereof.

"*Adjustment Factor*" means 1.0; *provided*, *however*, that in the event that:

(i) the General Partner (a) declares or pays a dividend on its outstanding REIT Shares wholly or partly in REIT Shares or makes a distribution to all holders of its outstanding REIT Shares wholly or partly in REIT Shares, (b) splits or subdivides its outstanding REIT Shares or (c) effects a reverse stock split or otherwise combines its outstanding REIT Shares into a smaller number of REIT Shares, the Adjustment Factor shall be adjusted by multiplying the Adjustment Factor previously in effect by a fraction, (i) the numerator of which shall be the number of REIT Shares issued and outstanding on the record date for such dividend, distribution, split, subdivision, reverse split or combination (assuming for such purposes that such dividend, distribution, split, subdivision, reverse split or combination has occurred as of such time) and (ii) the denominator of which shall be the actual number of REIT Shares (determined without the above assumption) issued and outstanding on the record date for such dividend, distribution, split, subdivision, reverse split or combination;

(ii) the General Partner distributes any rights, options or warrants to all holders of its REIT Shares to subscribe for or to purchase or to otherwise acquire REIT Shares, or other securities or rights convertible into, exchangeable for or exercisable for REIT Shares (other than REIT Shares issuable pursuant to a Qualified DRIP/COPP), at a price per share less than the Value of a REIT Share on the record date for such distribution (each a "*Distributed Right*"), then, as of the distribution date of such Distributed Rights or, if later, the time such Distributed Rights become exercisable, the Adjustment Factor shall be adjusted by multiplying the Adjustment Factor previously in effect by a fraction (a) the numerator of which shall be the number of REIT Shares issued and outstanding on the record date (or, if later, the date such Distributed Rights become exercisable) plus the maximum number of REIT Shares purchasable under such Distributed Rights and (b) the denominator of which shall be the number of REIT Shares

issued and outstanding on the record date (or, if later, the date such Distributed Rights become exercisable) plus a fraction (1) the numerator of which is the maximum number of REIT Shares purchasable under such Distributed Rights times the minimum purchase price per REIT Share under such Distributed Rights and (2) the denominator of which is the Value of a REIT Share as of the record date (or, if later, the date such Distributed Rights become exercisable); *provided*, *however*, that, if any such Distributed Rights expire or become no longer exercisable, then the Adjustment Factor shall be adjusted, effective retroactive to the date of distribution of the Distributed Rights, to reflect a reduced maximum number of REIT Shares or any change in the minimum purchase price for the purposes of the above fraction; and

(iii) the General Partner shall, by dividend or otherwise, distribute to all holders of its REIT Shares evidences of its indebtedness or assets (including securities, but excluding any dividend or distribution referred to in subsection (i) or (ii) above), which evidences of indebtedness or assets relate to assets not received by the General Partner pursuant to a pro rata distribution by the Partnership, then the Adjustment Factor shall be adjusted to equal the amount determined by multiplying the Adjustment Factor in effect immediately prior to the close of business as of the record date by a fraction (a) the numerator of which shall be such Value of a REIT Share as of the record date and (b) the denominator of which shall be the Value of a REIT Share as of the record date less the then fair market value (as determined by the General Partner, whose determination shall be conclusive) of the portion of the evidences of indebtedness or assets so distributed applicable to one REIT Share.

Notwithstanding the foregoing, no adjustments to the Adjustment Factor will be made for any class or series of Partnership Interests to the extent that the Partnership makes or effects any correlative distribution or payment to all of the Partners holding Partnership Interests of such class or series, or effects any correlative split or reverse split in respect of the Partnership Interests of such class or series. Any adjustments to the Adjustment Factor shall become effective immediately after such event, retroactive to the record date, if any, for such event. For illustrative purposes, examples of adjustments to the Adjustment Factor are set forth on Exhibit B attached hereto.

Each Partner (including, without limitation, each Additional Limited Partner or Substituted Limited Partner as a condition to becoming an Additional Limited Partner or Substituted Limited Partner) represents, warrants and agrees that (i) it has acquired and continues to hold its interest in the Partnership for its own account for investment purposes only and not for the purpose of, or with a view toward, the resale or distribution of all or any part thereof in violation of applicable laws, and not with a view toward selling or otherwise distributing such interest or any part thereof at any particular time or under any predetermined circumstances in violation of applicable laws; (ii) it is a sophisticated investor, able and accustomed to handling sophisticated financial matters for itself, particularly real estate investments, and that it has a sufficiently high net worth that it does not anticipate a need for the funds that it has invested in the Partnership in what it understands to be a highly speculative and illiquid investment; and (iii) without the Consent of the General Partner, it shall not take any action that would cause (a) the Partnership at any time to have more than 100 partners, including as partners those persons ("*Flow-Through Partners*") indirectly owning an interest in the Partnership through an entity treated as a partnership, Disregarded Entity, S corporation or grantor trust (each such entity, a "*Flow-Through Entity*"), but only if substantially all of the value of such person's interest in the Flow-Through Entity is attributable to the Flow-Through Entity's interest (direct or indirect) in the Partnership; or (b) the Partnership Interest initially issued to such Partner or its predecessors to be held by more than [__] partners, including as partners any Flow-Through Partners.

D. The representations and warranties contained in Sections 3.4.A, 3.4.B and 3.4.C hereof shall survive the execution and delivery of this Agreement by each Partner (and, in the case of an Additional Limited Partner or a Substituted Limited Partner, the admission of such Additional Limited Partner or Substituted Limited Partner as a Limited Partner in the Partnership) and the dissolution, liquidation and termination of the Partnership.

E. Each Partner (including, without limitation, each Additional Limited Partner or Substituted Limited Partner as a condition to becoming an Additional Limited Partner or Substituted Limited Partner) hereby acknowledges that no representations as to potential profit, cash flows, funds from operations or yield, if any, in respect of the Partnership or the General Partner have been made by any Partner or any employee or representative or Affiliate of any Partner, and that projections and any other information, including, without limitation, financial and descriptive information and documentation, that may have been in any manner submitted to such Partner shall not constitute any representation or warranty of any kind or nature, express or implied.

F. Notwithstanding the foregoing, the General Partner may, in its sole and absolute discretion, permit the modification of any of the representations and warranties contained in Sections 3.4.A, 3.4.B and 3.4.C above as applicable to any Partner (including, without limitation any Additional Limited Partner or Substituted Limited Partner or any transferee of either), provided that such representations and warranties, as modified, shall be set forth in either (i) a Partnership Unit Designation applicable to the Partnership Units held by such Partner or (ii) a separate writing addressed to the Partnership and the General Partner.

ARTICLE 4
CAPITAL CONTRIBUTIONS

Each Partner owns Partnership Units in the amount set forth for such Partner on Exhibit A, as the same may be amended from time to time by the General Partner to the extent necessary to reflect accurately sales, exchanges or other Transfers, redemptions, Capital Contributions, the issuance of additional Partnership Units, or similar events having an effect on a Partner's ownership of Partnership Units. Except as provided by law or in Section 4.2, 4.3, or 10.4 hereof, the Partners shall have no obligation or, except with the prior Consent of the General Partner, right to make any additional Capital Contributions or loans to the Partnership.

Section 4.2 *Issuances of Additional Partnership Interests*. Subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation:

Upon the issuance of any additional Partnership Interest, the General Partner shall amend Exhibit A and the books and records of the Partnership as appropriate to reflect such issuance.

B. *Issuances of LTIP Units*. Without limiting the generality of the foregoing, from time to time, the General Partner is hereby authorized to issue LTIP Units to Persons providing

services to or for the benefit of the Partnership for such consideration or for no consideration as the General Partner may determine to be appropriate and on such terms and conditions as shall be established by the General Partner, and admit such Persons as Limited Partners. Except to the extent a Capital Contribution is made with respect to an LTIP Unit, each LTIP Unit is intended to qualify as a profits interests in the Partnership within the meaning of the Code, the Regulations, and any published guidance by the IRS with respect thereto. Except as may be provided from time to time by the General Partner with respect to one or more series of LTIP Units, LTIP Units shall be have the terms set forth in Article 16.

D. *No Preemptive Rights*. Except as specified in Section 4.2.C(i) hereof, no Person, including, without limitation, any Partner or Assignee, shall have any preemptive, preferential, participation or similar right or rights to subscribe for or acquire any Partnership Interest.

Section 4.3 *Additional Funds and Capital Contributions*.

A. *General*. The General Partner may, at any time and from time to time, determine that the Partnership requires additional funds ("*Additional Funds*") for the acquisition or development of additional Properties, for the redemption of Partnership Units or for such other purposes as the General Partner may determine, in its sole and absolute discretion. Additional Funds may be obtained by the Partnership, at the election of the General Partner, in any manner provided in, and in accordance with, the terms of this Section 4.3 without the approval of any Limited Partner or any other Person.

B. *Additional Capital Contributions*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by accepting Capital Contributions from any Partners or other Persons. In connection with any such Capital Contribution (of cash or property), the General Partner is hereby authorized to cause the Partnership from time to time to issue additional Partnership Units (as set forth in Section 4.2 above) in consideration therefor and the Percentage Interests of the General Partner and the Limited Partners shall be adjusted to reflect the issuance of such additional Partnership Units.

C. *Loans by Third Parties*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by causing the Partnership to incur Debt to any Person (other than the General Partner (but, for this purpose, disregarding any Debt that may be deemed incurred to

the General Partner by virtue of clause (iii) of the definition of Debt)) upon such terms as the General Partner determines appropriate, including making such Debt convertible, redeemable or exchangeable for Partnership Units or REIT Shares; *provided, however*, that the Partnership shall not incur any such Debt if any Partner would be personally liable for the repayment of such Debt (unless such Partner otherwise agrees).

D. *General Partner Loans*. The General Partner, on behalf of the Partnership, may obtain any Additional Funds by causing the Partnership to incur Debt to the General Partner if (i) such Debt is, to the extent permitted by law, on substantially the same terms and conditions (including interest rate, repayment schedule, and conversion, redemption, repurchase and exchange rights) as Funding Debt incurred by the General Partner, the net proceeds of which are loaned to the Partnership to provide such Additional Funds, or (ii) such Debt is on terms and conditions no less favorable to the Partnership than would be available to the Partnership from any third party; *provided, however*, that the Partnership shall not incur any such Debt if any Partner would be personally liable for the repayment of such Debt (unless such Partner otherwise agrees).

E. *Issuance of Securities by the General Partner*. The General Partner shall not issue any additional REIT Shares, Capital Shares or New Securities unless the General Partner contributes the cash proceeds or other consideration received from the issuance of such additional REIT Shares, Capital Shares or New Securities (as the case may be) and from the exercise of the rights contained in any such additional Capital Shares or New Securities to the Partnership in exchange for (x) in the case of an issuance of REIT Shares, Partnership Common Units, or (y) in the case of an issuance of Capital Shares or New Securities, Partnership Equivalent Units; *provided, however*, that notwithstanding the foregoing, the General Partner may issue REIT Shares, Capital Shares or New Securities (a) pursuant to Section 4.4 or Section 15.1.B hereof, (b) pursuant to a dividend or distribution (including any stock split) of REIT Shares, Capital Shares or New Securities to all of the holders of REIT Shares, Capital Shares or New Securities (as the case may be), (c) upon a conversion, redemption or exchange of Capital Shares, (d) upon a conversion, redemption, exchange or exercise of New Securities, or (e) in connection with an acquisition of Partnership Units or a property or other asset to be owned, directly or indirectly, by the General Partner. In the event of any issuance of additional REIT Shares, Capital Shares or New Securities by the General Partner, and the contribution to the Partnership, by the General Partner, of the cash proceeds or other consideration received from such issuance (or property acquired with such proceeds), if any, if the cash proceeds actually received by the General Partner are less than the gross proceeds of such issuance as a result of any underwriter's discount or other expenses paid or incurred in connection with such issuance, then the General Partner shall be deemed to have made a Capital Contribution to the Partnership in the amount equal to the sum of the cash proceeds of such issuance plus the amount of such underwriter's discount and other expenses paid by the General Partner (which discount and expense shall be treated as an expense for the benefit of the Partnership for purposes of Section 7.4). In the event that the General Partner issues any additional REIT Shares, Capital Shares or New Securities and contributes the cash proceeds or other consideration received from the issuance thereof to the Partnership, the Partnership is expressly authorized to issue a number of Partnership Common Units or Partnership Equivalent Units to the General Partner equal to the number of REIT Shares, Capital Shares or New Securities so issued, divided by the Adjustment

Factor then in effect, in accordance with this Section 4.3.E without any further act, approval or vote of any Partner or any other Persons.

Section 4.4 *Stock Option Plans*.

A. *Options Granted to Persons other than Partnership Employees*. If at any time or from time to time, in connection with any Stock Option Plan, a stock option granted for REIT Shares to a Person other than a Partnership Employee is duly exercised:

(1) The General Partner, shall, as soon as practicable after such exercise, make a Capital Contribution to the Partnership in an amount equal to the exercise price paid to the General Partner by such exercising party in connection with the exercise of such stock option.

(2) Notwithstanding the amount of the Capital Contribution actually made pursuant to Section 4.4.A(1) hereof, the General Partner shall be deemed to have contributed to the Partnership as a Capital Contribution, in lieu of the Capital Contribution actually made and in consideration of an additional Limited Partner Interest (expressed in and as additional Partnership Common Units), an amount equal to the Value of a REIT Share as of the date of exercise multiplied by the number of REIT Shares then being issued in connection with the exercise of such stock option.

(3) An equitable Percentage Interest adjustment shall be made in which the General Partner shall be treated as having made a cash contribution equal to the amount described in Section 4.4.A(2) hereof.

B. *Options Granted to Partnership Employees*. If at any time or from time to time, in connection with any Stock Option Plan, a stock option granted for REIT Shares to a Partnership Employee is duly exercised:

(1) The General Partner shall sell to the Optionee, and the Optionee shall purchase from the General Partner, for a cash price per share equal to the Value of a REIT Share at the time of the exercise, the number of REIT Shares equal to (a) the exercise price payable by the Optionee in connection with the exercise of such stock option divided by (b) the Value of a REIT Share at the time of such exercise.

(2) The General Partner shall sell to the Partnership (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the General Partner shall sell to such Partnership Subsidiary), and the Partnership (or such subsidiary, as applicable) shall purchase from the General Partner, a number of REIT Shares equal to (a) the number of REIT Shares as to which such stock option is being exercised less (b) the number of REIT Shares sold pursuant to Section 4.4.B(1) hereof. The purchase price per REIT Share for such sale of REIT Shares to the Partnership (or such subsidiary) shall be the Value of a REIT Share as of the date of exercise of such stock option.

(3) The Partnership shall transfer to the Optionee (or if the Optionee is an employee or other service provider of a Partnership Subsidiary, the Partnership Subsidiary shall transfer to the Optionee) at no additional cost, as additional compensation, the number of REIT Shares described in Section 4.4.B(2) hereof.

(4) The General Partner shall, as soon as practicable after such exercise, make a Capital Contribution to the Partnership of an amount equal to all proceeds received (from whatever source, but excluding any payment in respect of payroll taxes or other withholdings) by the General Partner in connection with the exercise of such stock option. An equitable Percentage Interest adjustment shall be made as a result of such contribution.

C. *Future Stock Incentive Plans*. Nothing in this Agreement shall be construed or applied to preclude or restrain the General Partner from adopting, modifying or terminating stock incentive plans for the benefit of employees, directors or other business associates of the General Partner, the Partnership or any of their Affiliates. The Partners acknowledge and agree that, in the event that any such plan is adopted, modified or terminated by the General Partner, amendments to this Section 4.4 may become necessary or advisable and that any approval or Consent to any such amendments requested by the General Partner shall be deemed granted by the Limited Partners.

D. *Issuance of Partnership Common Units*. The Partnership is expressly authorized to issue Partnership Common Units in accordance with any Stock Option Plan pursuant to this Section 4.4 without any further act, approval or vote of any Partner or any other Persons.

Section 4.5 *Dividend Reinvestment Plan, Cash Option Purchase Plan, Stock Incentive Plan or Other Plan*. Except as may otherwise be provided in this Article 4, all amounts received or deemed received by the General Partner in respect of any dividend reinvestment plan, cash option purchase plan, stock incentive or other stock or subscription plan or agreement, either (a) shall be utilized by the General Partner to effect open market purchases of REIT Shares, or (b) if the General Partner elects instead to issue new REIT Shares with respect to such amounts, shall be contributed by the General Partner to the Partnership in exchange for additional Partnership Common Units. Upon such contribution, the Partnership will issue to the General Partner a number of Partnership Common Units equal to the quotient of (i) the new REIT Shares so issued, divided by (ii) the Adjustment Factor then in effect.

Section 4.6 *No Interest; No Return*. No Partner shall be entitled to interest on its Capital Contribution or on such Partner's Capital Account. Except as provided herein or by law, no Partner shall have any right to demand or receive the return of its Capital Contribution from the Partnership.

Section 4.7 *Conversion or Redemption of Capital Shares*.

A. *Conversion of Capital Shares*. If, at any time, any of the Capital Shares are converted into REIT Shares, in whole or in part, then a number of Partnership Units with preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption that are substantially the same as the preferences, conversion and other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms and conditions of redemption of such Capital Shares ("*Partnership Equivalent Units*") equal to the number of Capital Shares so converted shall automatically be converted into a number of Partnership Common Units equal to the quotient of (i) the number of REIT Shares issued upon such conversion divided by (ii) the

Adjustment Factor then in effect, and the Percentage Interests of the General Partner and the Limited Partners shall be adjusted to reflect such conversion.

B. *Redemption of Capital Shares or REIT Shares.* Except as otherwise provided in Section 7.4.C., if, at any time, any Capital Shares are redeemed or otherwise repurchased (whether by exercise of a put or call, automatically or by means of another arrangement) by the General Partner for cash, the Partnership shall, immediately prior to such redemption or repurchase of Capital Shares, redeem or repurchase an equal number of Partnership Equivalent Units held by the General Partner upon the same terms and for the same price per Partnership Equivalent Unit as such Capital Shares are redeemed. If, at any time, any REIT Shares are redeemed or otherwise repurchased by the General Partner, the Partnership shall, immediately prior to such redemption or repurchase of REIT Shares, redeem or repurchase a number of Partnership Common Units held by the General Partner equal to the quotient of (i) the REIT Shares so redeemed or repurchased, divided by (ii) the Adjustment Factor then in effect, such redemption or repurchase to be upon the same terms and for the same price per Partnership Common Unit (after giving effect to application of the Adjustment Factor) as such REIT Shares are redeemed or repurchased.

Section 4.8 *Other Contribution Provisions*. In the event that any Partner is admitted to the Partnership and is given a Capital Account in exchange for services rendered to the Partnership, such transaction shall be treated by the Partnership and the affected Partner as if the Partnership had compensated such partner in cash and such Partner had contributed the cash that the Partner would have received to the capital of the Partnership. In addition, with the Consent of the General Partner, one or more Partners may enter into contribution agreements with the Partnership which have the effect of providing a guarantee of certain obligations of the Partnership (and/or a wholly-owned Subsidiary of the Partnership).

ARTICLE 5
DISTRIBUTIONS

Section 5.1 *Requirement and Characterization of Distributions*. Subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may cause the Partnership to distribute such amounts, at such times, as the General Partner may, in its sole and absolute discretion, determine, to the Holders as of any Partnership Record Date: (i) first, with respect to any Partnership Units that are entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date); and (ii) second, with respect to any Partnership Units that are not entitled to any preference in distribution, in accordance with the rights of Holders of such class(es) of Partnership Units, as applicable (and, within each such class, among the Holders of each such class, pro rata in proportion to their respective Percentage Interests of such class on such Partnership Record Date). Distributions payable with respect to any Partnership Units, other than any Partnership Units issued to the General Partner in connection with the issuance of REIT Shares by the General Partner, that were not outstanding during the entire quarterly period in respect of which any distribution is made shall be prorated based on the portion of the period that such Partnership Units were outstanding. The General Partner shall make such reasonable efforts, as determined by it in its

sole and absolute discretion and consistent with the General Partner's qualification as a REIT, to cause the Partnership to distribute sufficient amounts to enable the General Partner, for so long as the General Partner has determined to qualify as a REIT, to pay stockholder dividends that will (a) satisfy the requirements for qualifying as a REIT under the Code and Regulations (the "*REIT Requirements*") and (b) except to the extent otherwise determined by the General Partner, eliminate any U.S. federal income or excise tax liability of the General Partner. Notwithstanding anything in the forgoing to the contrary, a Holder of LTIP Units will only be entitled to distributions with respect to an LTIP Unit as set forth in Article 16 hereof and in making distributions pursuant to this Section 5.1, the General Partner of the Partnership shall take into account the provisions of Section 16.4 hereof.

Section 5.2 *Distributions in Kind*. Except as expressly provided herein, no right is given to any Holder to demand and receive property other than cash as provided in this Agreement. The General Partner may determine, in its sole and absolute discretion, to make a distribution in kind of Partnership assets to the Holders, and such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in accordance with Articles 5, 6 and 13 hereof; *provided*, *however*, that the General Partner shall not make a distribution in kind to any Holder unless the Holder has been given 90 days prior written notice of such distribution.

Section 5.3 *Amounts Withheld*. All amounts withheld pursuant to the Code or any provisions of any state, local or non-United States tax law and Section 10.4 hereof with respect to any allocation, payment or distribution to any Holder shall be treated as amounts paid or distributed to such Holder pursuant to Section 5.1 hereof for all purposes under this Agreement.

Section 5.4 *Distributions upon Liquidation*. Notwithstanding the other provisions of this Article 5, net proceeds from a Terminating Capital Transaction, and any other amounts distributed after the occurrence of a Liquidating Event, shall be distributed to the Holders in accordance with Section 13.2 hereof.

Section 5.5 *Distributions to Reflect Additional Partnership Units*. In the event that the Partnership issues additional Partnership Units pursuant to the provisions of Article 4 hereof, subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner is hereby authorized to make such revisions to this Article 5 and to Articles 6, 11 and 12 hereof as it determines are necessary or desirable to reflect the issuance of such additional Partnership Units, including, without limitation, making preferential distributions to Holders of certain classes of Partnership Units.

Section 5.6 *Restricted Distributions*. Notwithstanding any provision to the contrary contained in this Agreement, neither the Partnership nor the General Partner, on behalf of the Partnership, shall make a distribution to any Holder if such distribution would violate the Act or other applicable law.

ARTICLE 6
ALLOCATIONS

Section 6.1 *Timing and Amount of Allocations of Net Income and Net Loss*. Net Income and Net Loss of the Partnership shall be determined and allocated with respect to each Partnership Year as of the end of each such year, provided that the General Partner may in its discretion allocate Net Income and Net Loss for a shorter period as of the end of such period (and, for purposes of this Article 6, references to the term "Partnership Year" may include such shorter periods). Except as otherwise provided in this Article 6, and subject to Section 11.6.C hereof, an allocation to a Holder of a share of Net Income or Net Loss shall be treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing Net Income or Net Loss.

Section 6.2 *General Allocations*. Except as otherwise provided in this Article 6, Section 11.6.C and Section 16.5 hereof, Net Income and Net Loss for any Partnership Year shall be allocated to each of the Holders as follows:

A. *Net Income*.

(i) First, 100% to the General Partner in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to the General Partner pursuant to clause (iii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to the General Partner pursuant to this clause (i) for all prior Partnership Years;

(ii) Second, 100% to each Holder in an amount equal to the remainder, if any, of the cumulative Net Losses allocated to each such Holder pursuant to clause (ii) in Section 6.2.B for all prior Partnership Years minus the cumulative Net Income allocated to such Holder pursuant to this clause (ii) for all prior Partnership Years; and

(iii) Third, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units.

To the extent the allocations of Net Income set forth above in any paragraph of this Section 6.2.A are not sufficient to entirely satisfy the allocation set forth in such paragraph, such allocation shall be made in proportion to the total amount that would have been allocated pursuant to such paragraph without regard to such shortfall.

B. *Net Losses*.

(i) First, 100% to the Holders of Partnership Common Units in accordance with their respective Percentage Interests in the Partnership Common Units (to the extent consistent with this clause (i)) until the Adjusted Capital Account (ignoring for this purpose any amounts a Holder is obligated to contribute to the capital of the Partnership or is deemed obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c)(2)) of all such Holders is zero;

(ii) Second, 100% to the Holders (other than the General Partner) to the extent of, and in proportion to, the positive balance (if any) in their Adjusted Capital Accounts; and

(iii) Third, 100% to the General Partner.

C. *Allocations to Reflect Issuance of Additional Partnership Interests*. In the event that the Partnership issues additional Partnership Interests to the General Partner or any Additional Limited Partner pursuant to Section 4.2 or 4.3, the General Partner shall make such revisions to this Section 6.2 or to Section 12.2.C or 13.2.A as it determines are necessary to reflect the terms of the issuance of such additional Partnership Interests, including making preferential allocations to certain classes of Partnership Interests, subject to the terms of any Partnership Unit Designation with respect to Partnership Interests then outstanding.

D. *Special Allocations with Respect to LTIP Units*. After giving effect to the special allocations set forth in Section 6.4.A hereof, and notwithstanding the provisions of Sections 6.2.A and 6.2.B above, any Liquidating Gains shall first be allocated to Holders of LTIP Units until the Economic Capital Account Balances of such Holders, to the extent attributable to their ownership of LTIP Units, are equal to (i) the Common Unit Economic Balance, multiplied by (ii) the number of their LTIP Units. Any such allocations shall be made among the Holders of LTIP Units in proportion to the amounts required to be allocated to each under this Section 6.2.D. The parties agree that the intent of this Section 6.2.D is to make the Capital Account balances of the Holders of LTIP Units with respect to their LTIP Units economically equivalent to the Capital Account balance of the General Partner with respect to its Partnership Common Units. In the event that Liquidating Gains are allocated under this Section 6.2.D, Net Income allocable under Section 6.2.A and any Net Losses allocable under Section 6.2.B shall be recomputed without regard to the Liquidating Gains so allocated.

Section 6.3 *Additional Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Special Allocations Upon Liquidation*. Notwithstanding any provision in this Article 6 to the contrary, in the event that the Partnership disposes of all or substantially all of its assets in a transaction that will lead to a liquidation of the Partnership pursuant to Article 13 hereof, then any Net Income or Net Loss realized in connection with such transaction and thereafter (and, if necessary, constituent items of income, gain, loss and deduction) shall be specially allocated for such Partnership Year (and to the extent permitted by Section 761(c) of the Code, for the immediately preceding Partnership Year) among the Holders as required so as to cause liquidating distributions pursuant to Section 13.2.A(4) hereof to be made in the same amounts and proportions as would have resulted had such distributions instead been made pursuant to Article 5 hereof. In addition, if there is an adjustment to the Gross Asset Value of the assets of the Partnership pursuant to paragraph (b) of the definition of Gross Asset Value, allocations of Net Income or Net Loss arising from such adjustment shall be allocated in the same manner as described in the prior sentence.

B. *Offsetting Allocations*. Notwithstanding the provisions of Sections 6.1, 6.2.A and 6.2.B, but subject to Sections 6.3 and 6.4, in the event Net Income or items thereof are being

allocated to a Partner to offset prior Net Loss or items thereof which have been allocated to such Partner, the General Partner shall attempt to allocate such offsetting Net Income or items thereof which are of the same or similar character (including without limitation Section 704(b) book items versus tax items) to the original allocations with respect to such Partner.

C. *CODI Allocations*. Notwithstanding anything to the contrary contained herein, if any indebtedness of the Partnership encumbering the Properties contributed to the Partnership in connection with the General Partner's initial public offering is settled or paid off at a discount, any resulting COD Income of the Partnership shall be specially allocated proportionately (as determined by the General Partner) to those Holders that were partners in entities that contributed, or were deemed to contribute, the applicable Property to the Partnership in connection with such initial public offering to the extent the number of Partnership Units received by such Holders in exchange for their interests in such entities was determined, in part, by taking into account the anticipated discounted settlement or pay-off of such indebtedness. For purposes of the foregoing, "COD Income" shall mean income recognized by the Partnership pursuant to Code Section 61(a)(12).

Section 6.4 *Regulatory Allocation Provisions*. Notwithstanding the foregoing provisions of this Article 6:

A. *Regulatory Allocations*.

(i) *Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(f), notwithstanding the provisions of Section 6.2 hereof, or any other provision of this Article 6, if there is a net decrease in Partnership Minimum Gain during any Partnership Year, each Holder shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partnership Minimum Gain, as determined under Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be allocated shall be determined in accordance with Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2). This Section 6.4.A(i) is intended to qualify as a "minimum gain chargeback" within the meaning of Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) *Partner Minimum Gain Chargeback*. Except as otherwise provided in Regulations Section 1.704-2(i)(4) or in Section 6.4.A(i) hereof, if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Year, each Holder who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Holder's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Holder pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Sections 1.704-2(i)(4)

and 1.704-2(j)(2). This Section 6.4.A(ii) is intended to qualify as a "chargeback of partner nonrecourse debt minimum gain" within the meaning of Regulations Section 1.704-2(i) and shall be interpreted consistently therewith.

(iii) *Nonrecourse Deductions and Partner Nonrecourse Deductions*. Any Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holders in accordance with their respective Percentage Interests. Any Partner Nonrecourse Deductions for any Partnership Year shall be specially allocated to the Holder(s) who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable, in accordance with Regulations Section 1.704-2(i).

(iv) *Qualified Income Offset*. If any Holder unexpectedly receives an adjustment, allocation or distribution described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be specially allocated, in accordance with Regulations Section 1.704-1(b)(2)(ii)(d), to such Holder in an amount and manner sufficient to eliminate, to the extent required by such Regulations, the Adjusted Capital Account Deficit of such Holder as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(iv) shall be made if and only to the extent that such Holder would have an Adjusted Capital Account Deficit after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(iv) were not in the Agreement. It is intended that this Section 6.4.A(iv) qualify and be construed as a "qualified income offset" within the meaning of Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(v) *Gross Income Allocation*. In the event that any Holder has a deficit Capital Account at the end of any Partnership Year that is in excess of the sum of (1) the amount (if any) that such Holder is obligated to restore to the Partnership upon complete liquidation of such Holder's Partnership Interest (including, the Holder's interest in outstanding Partnership Preferred Units and other Partnership Units) and (2) the amount that such Holder is deemed to be obligated to restore pursuant to Regulations Section 1.704-1(b)(2)(ii)(c) or the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Holder shall be specially allocated items of Partnership income and gain in the amount of such excess to eliminate such deficit as quickly as possible, provided that an allocation pursuant to this Section 6.4.A(v) shall be made if and only to the extent that such Holder would have a deficit Capital Account in excess of such sum after all other allocations provided in this Article 6 have been tentatively made as if this Section 6.4.A(v) and Section 6.4.A(iv) hereof were not in the Agreement.

(vi) *Limitation on Allocation of Net Loss*. To the extent that any allocation of Net Loss would cause or increase an Adjusted Capital Account Deficit as to any Holder, such allocation of Net Loss shall be reallocated (x) first, among the other Holders of Partnership Common Units in accordance with their respective Percentage Interests with respect to Partnership Common Units and (y) thereafter, among the Holders of other classes of Partnership Units as determined by the General Partner, subject to the limitations of this Section 6.4.A(vi).

(vii) *Section 754 Adjustment*. To the extent that an adjustment to the adjusted tax basis of any Partnership asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Regulations Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Holder in complete liquidation of its interest in the Partnership, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Holders in accordance with their respective Percentage Interests in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Holder(s) to whom such distribution was made in the event that Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(viii) *Curative Allocations*. The allocations set forth in Sections 6.4.A(i), (ii), (iii), (iv), (v), (vi) and (vii) hereof (the "*Regulatory Allocations*") are intended to comply with certain regulatory requirements, including the requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Sections 6.1 and 6.2 hereof, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Holders so that to the extent possible without violating the requirements giving rise to the Regulatory Allocations, the net amount of such allocations of other items and the Regulatory Allocations to each Holder shall be equal to the net amount that would have been allocated to each such Holder if the Regulatory Allocations had not occurred.

(ix) *Forfeiture Allocations*. Upon a forfeiture of any Unvested LTIP Units by any Partner, gross items of income, gain, loss or deduction shall be allocated to such Partner if and to the extent required by final Regulations promulgated after the Effective Date to ensure that allocations made with respect to all unvested Partnership Interests are recognized under Code Section 704(b).

(x) *LTIP Units*. For purposes of the allocations set forth in this Section 6.4, including, without limitation, Sections 6.4.A(iii) and (vi), each issued and outstanding LTIP Unit will be treated as one outstanding Partnership Common Unit.

B. *Allocation of Excess Nonrecourse Liabilities*. For purposes of determining a Holder's proportional share of the "excess nonrecourse liabilities" of the Partnership within the meaning of Regulations Section 1.752-3(a)(3), each Holder's respective interest in Partnership profits shall be equal to such Holder's Percentage Interest with respect to Partnership Common Units, except as otherwise determined by the General Partner.

Section 6.5 *Tax Allocations*.

A. *In General*. Except as otherwise provided in this Section 6.5, for income tax purposes under the Code and the Regulations, each Partnership item of income, gain, loss and deduction (collectively, "*Tax Items*") shall be allocated among the Holders in the same manner as its correlative item of "book" income, gain, loss or deduction is allocated pursuant to Sections 6.2 and 6.3 hereof.

B. *Section 704(c) Allocations*. Notwithstanding Section 6.5.A hereof, Tax Items with respect to Property that is contributed to the Partnership with an initial Gross Asset Value that varies from its basis in the hands of the contributing Partner immediately preceding the date of contribution shall be allocated among the Holders for income tax purposes pursuant to Regulations promulgated under Code Section 704(c) so as to take into account such variation. With respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering, such variation between basis and initial Gross Asset Value shall be taken into account under the "traditional method" as described in Regulations Section 1.704-3(b). With respect to other Properties, the Partnership shall account for such variation under any method approved under Code Section 704(c) and the applicable Regulations as chosen by the General Partner. In the event that the Gross Asset Value of any Partnership asset is adjusted pursuant to subsection (b) of the definition of "Gross Asset Value" (provided in Article 1 hereof), subsequent allocations of Tax Items with respect to such asset shall take account of the variation, if any, between the adjusted basis of such asset and its Gross Asset Value in the same manner as under Code Section 704(c) and the applicable Regulations and using the method chosen by the General Partner; *provided*, *however*, that the "traditional method" as described in Regulations Section 1.704-3(b) shall be used with respect to Partnership Property that is contributed to the Partnership in connection with the General Partner's initial public offering. Allocations pursuant to this Section 6.5.B are solely for purposes of Federal, state and local income taxes and shall not affect, or in any way be taken into account in computing, any Partner's Capital Account or share of Net Income, Net Loss, or any other items or distributions pursuant to any provision of this Agreement.

The General Partner and the Partnership shall not have liability to a Limited Partner under any circumstances as a result of any income tax liability incurred by such Limited Partner as a result of an action (or inaction) by the General Partner pursuant to its authority under this Agreement.

F. Subject to the terms of Section 8.5.A hereof, the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate or any amendment thereto to any Limited Partner. The General Partner shall use all reasonable efforts to cause to be filed such other certificates or documents as may be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability to the extent provided by applicable law) in the State of Maryland and any other state, or the District of Columbia or other jurisdiction, in which the Partnership may elect to do business or own property.

Section 7.3 *Restrictions on General Partner's Authority*.

A. The General Partner may not take any action in contravention of an express prohibition or limitation of this Agreement without the Consent of the Limited Partners, and may not, without limitation:

(1) take any action that would make it impossible to carry on the ordinary business of the Partnership, except as otherwise provided in this Agreement;

(2) perform any act that would subject a Limited Partner to liability as a general partner in any jurisdiction or any other liability except as provided herein or under the Act; or

(3) enter into any contract, mortgage, loan or other agreement that expressly prohibits or restricts (a) the General Partner or the Partnership from performing its specific obligations under Section 15.1 hereof in full or (b) a Limited Partner from exercising its rights under Section 15.1 hereof to effect a Redemption in full, except, in either case, with the Consent of each Limited Partner affected by the prohibition or restriction.

B. Except as provided in Section 7.3.C hereof, the General Partner shall not, without the prior Consent of the Partners, amend, modify or terminate this Agreement. Further, no amendment may alter the restrictions on the General Partner's authority set forth elsewhere in this Agreement (including, without limitation, this Section 7.3) without the Consent specified therein and no amendment may alter Section 11.2 hereof without the Consent of the Limited Partners.

C. Notwithstanding Section 7.3.B and 14.2 hereof but subject to Section 16.10 and the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner shall have the power, without the Consent of the Partners, to amend this Agreement as may be required to facilitate or implement any of the following purposes:

(1) to add to the obligations of the General Partner or surrender any right or power granted to the General Partner or any Affiliate of the General Partner for the benefit of the Limited Partners;

(2) to reflect the admission, substitution or withdrawal of Partners, the Transfer of any Partnership Interest, the termination of the Partnership in accordance with this Agreement, or the adjustment of outstanding LTIP Units as contemplated by Section 16.3, and to amend Exhibit A in connection with such admission, substitution, withdrawal, Transfer or adjustment;

(7) to modify either or both of the manner in which items of Net Income or Net Loss are allocated pursuant to Article 6 or the manner in which Capital Accounts are adjusted, computed, or maintained (but in each case only to the extent otherwise provided in this Agreement and as may be permitted under applicable law);

(8) to reflect the issuance of additional Partnership Interests in accordance with Section 4.2; or

(9) to reflect any other modification to this Agreement as is reasonably necessary for the business or operations of the Partnership or the General Partner and which does not violate Section 7.3.D.

D. Notwithstanding Sections 7.3.B, 7.3.C and 14.2 hereof, this Agreement shall not be amended, and no action may be taken by the General Partner, without the Consent of each Partner adversely affected thereby, if such amendment or action would (i) convert a Limited Partner Interest in the Partnership into a General Partner Interest (except as a result of the General Partner acquiring such Partnership Interest), (ii) modify the limited liability of a Limited Partner, (iii) alter the rights of any Partner to receive the distributions to which such Partner is

entitled pursuant to Article 5 or Section 13.2.A(4) hereof, or alter the allocations specified in Article 6 hereof (except, in any case, as permitted pursuant to Sections 4.2, 5.5, 7.3.C and Article 6 hereof), (iv) alter or modify the Redemption rights, Cash Amount or REIT Shares Amount as set forth in Section 15.1 hereof, or amend or modify any related definitions, (v) subject to Section 7.9.D, remove, alter or amend the powers and restrictions related to REIT Requirements or permitting the General Partner to avoid paying tax under Code Sections 857 or 4981 contained in Sections 7.1 and 7.3, or (vi) amend this Section 7.3.D. Any such amendment or action consented to by any Partner shall be effective as to that Partner, notwithstanding the absence of such consent by any other Partner.

Section 7.4 *Reimbursement of the General Partner*.

A. The General Partner shall not be compensated for its services as General Partner of the Partnership except as provided in this Agreement (including the provisions of Articles 5 and 6 hereof regarding distributions, payments and allocations to which the General Partner may be entitled in its capacity as the General Partner).

B. Subject to Sections 7.4.D and 15.12 hereof, the Partnership shall be responsible for and shall pay all expenses relating to the Partnership's and the General Partner's organization and the ownership of each of their assets and operations. The General Partner is hereby authorized to pay compensation for accounting, administrative, legal, technical, management and other services rendered to the Partnership. The Partnership shall be liable for, and shall reimburse the General Partner, on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all sums expended in connection with the Partnership's business, including, without limitation, (i) expenses relating to the ownership of interests in and management and operation of the Partnership, (ii) compensation of officers and employees, including, without limitation, payments under future compensation plans, of the General Partner, or the Partnership that may provide for stock units, or phantom stock, pursuant to which employees of the General Partner, or the Partnership will receive payments based upon dividends on or the value of REIT Shares, (iii) director fees and expenses of the General Partner or its Affiliates, (iv) any expenses (other than the purchase price) incurred by the General Partner in connection with the redemption or other repurchase of REIT Shares or Capital Shares, and (v) all costs and expenses of the General Partner being a public company, including, without limitation, costs of filings with the SEC, reports and other distributions to its stockholders; *provided*, *however*, that the amount of any reimbursement shall be reduced by any interest earned by the General Partner with respect to bank accounts or other instruments or accounts held by it on behalf of the Partnership as permitted pursuant to Section 7.5 hereof. The Partners acknowledge that all such expenses of the General Partner are deemed to be for the benefit of the Partnership. Such reimbursements shall be in addition to any reimbursement of the General Partner as a result of indemnification pursuant to Section 7.7 hereof.

C. If the General Partner shall elect to purchase from its stockholders REIT Shares for the purpose of delivering such REIT Shares to satisfy an obligation under any dividend reinvestment program adopted by the General Partner, any employee stock purchase plan adopted by the General Partner or any similar obligation or arrangement undertaken by the General Partner in the future, in lieu of the treatment specified in Section 4.7.B., the purchase price paid by the General Partner for such REIT Shares shall be considered expenses of the

Partnership and shall be advanced to the General Partner or reimbursed to the General Partner, subject to the condition that: (1) if such REIT Shares subsequently are sold by the General Partner, the General Partner shall pay or cause to be paid to the Partnership any proceeds received by the General Partner for such REIT Shares (which sales proceeds shall include the amount of dividends reinvested under any dividend reinvestment or similar program; *provided*, that a transfer of REIT Shares for Partnership Common Units pursuant to Section 15.1 would not be considered a sale for such purposes); and (2) if such REIT Shares are not retransferred by the General Partner within 30 days after the purchase thereof, or the General Partner otherwise determines not to retransfer such REIT Shares, the Partnership shall redeem a number of Partnership Common Units determined in accordance with Section 4.7.B, as adjusted, to the extent the General Partner determines is necessary or advisable in its sole and absolute discretion, (x) pursuant to Section 7.5 (in the event the General Partner acquires material assets, other than on behalf of the Partnership) and (y) for stock dividends and distributions, stock splits and subdivisions, reverse stock splits and combinations, distributions of rights, warrants or options, and distributions of evidences of indebtedness or assets relating to assets not received by the General Partner pursuant to a pro rata distribution by the Partnership (in which case such advancement or reimbursement of expenses shall be treated as having been made as a distribution in redemption of such number of Partnership Units held by the General Partner).

D. To the extent practicable, Partnership expenses shall be billed directly to and paid by the Partnership and, subject to Section 15.12 hereof, if and to the extent any reimbursements to the General Partner or any of its Affiliates by the Partnership pursuant to this Section 7.4 constitute gross income to such Person (as opposed to the repayment of advances made by such Person on behalf of the Partnership), such amounts shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.5 *Outside Activities of the General Partner*. The General Partner shall not directly or indirectly enter into or conduct any business, other than in connection with, (a) the ownership, acquisition and disposition of Partnership Interests, (b) the management of the business and affairs of the Partnership, (c) the operation of the General Partner as a reporting company with a class (or classes) of securities registered under the Exchange Act, (d) its operations as a REIT, (e) the offering, sale, syndication, private placement or public offering of stock, bonds, securities or other interests, (f) financing or refinancing of any type related to the Partnership or its assets or activities, and (g) such activities as are incidental thereto; *provided*, *however*, that, except as otherwise provided herein, any funds raised by the General Partner pursuant to the preceding clauses (e) and (f) shall be made available to the Partnership, whether as Capital Contributions, loans or otherwise, as appropriate, and, *provided*, *further* that the General Partner may, in its sole and absolute discretion, from time to time hold or acquire assets in its own name or otherwise other than through the Partnership so long as the General Partner takes commercially reasonable measures to ensure that the economic benefits and burdens of such Property are otherwise vested in the Partnership, through assignment, mortgage loan or otherwise or, if it is not commercially reasonable to vest such economic interests in the Partnership, the Partners shall negotiate in good faith to amend this Agreement, including, without limitation, the definition of "Adjustment Factor," to reflect such activities and the direct ownership of assets by the General Partner. Nothing contained herein shall be deemed to prohibit the General Partner from executing guarantees of Partnership debt. The General Partner and all

Disregarded Entities with respect to the General Partner, taken as a group, shall not own any assets or take title to assets (other than temporarily in connection with an acquisition prior to contributing such assets to the Partnership) other than (i) interests in Disregarded Entities with respect to the General Partner, (ii) Partnership Interests as the General Partner, (iii) an interest (not to exceed 1% of capital and profits) in any Subsidiary of the Partnership that the General Partner holds to maintain such Subsidiary's status as a partnership for Federal income tax purposes or otherwise, and (iv) such cash and cash equivalents, bank accounts or similar instruments or accounts as such group deems reasonably necessary, taking into account Section 7.1.D hereof and the requirements necessary for the General Partner to qualify as a REIT and for the General Partner to carry out its responsibilities contemplated under this Agreement and the Charter. Any Limited Partner Interests acquired by the General Partner, whether pursuant to the exercise by a Limited Partner of its right to Redemption, or otherwise, shall be automatically converted into a General Partner Interest comprised of an identical number of Partnership Units with the same terms as the class or series so acquired. Any Affiliates of the General Partner may acquire Limited Partner Interests and shall, except as expressly provided in this Agreement, be entitled to exercise all rights of a Limited Partner relating to such Limited Partner Interests.

Section 7.6 *Transactions with Affiliates*.

A. The Partnership may lend or contribute funds to, and borrow funds from, Persons in which the Partnership has an equity investment, and such Persons may borrow funds from, and lend or contribute funds to, the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Person.

B. Except as provided in Section 7.5 hereof, the Partnership may transfer assets to joint ventures, limited liability companies, partnerships, corporations, business trusts or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions consistent with this Agreement and applicable law.

C. The General Partner and its Affiliates may sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, on terms and conditions established by the General Partner in its sole and absolute discretion.

D. The General Partner, in its sole and absolute discretion and without the approval of the Partners or any of them or any other Persons, may propose and adopt (on behalf of the Partnership) employee benefit plans (including without limitation plans that contemplate the issuance of LTIP Units) funded by the Partnership for the benefit of employees of the General Partner, the Partnership, Subsidiaries of the Partnership or any Affiliate of any of them in respect of services performed, directly or indirectly, for the benefit of the General Partner, the Partnership or any of the Partnership's Subsidiaries.

Section 7.7 *Indemnification*.

A. To the fullest extent permitted by applicable law, the Partnership shall indemnify each Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several,

expenses (including, without limitation, attorney's fees and other legal fees and expenses), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership ("*Actions*") as set forth in this Agreement in which such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise; *provided*, *however*, that the Partnership shall not indemnify an Indemnitee (i) if the act or omission of the Indemnitee was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, if the Indemnitee had reasonable cause to believe that the act or omission was unlawful; or (iii) for any transaction for which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement; and *provided*, *further*, that no payments pursuant to this Agreement shall be made by the Partnership to indemnify or advance funds to any Indemnitee (x) with respect to any Action initiated or brought voluntarily by such Indemnitee (and not by way of defense) unless (I) approved or authorized by the General Partner or (II) incurred to establish or enforce such Indemnitee's right to indemnification under this Agreement, and (y) in connection with one or more Actions or claims brought by the Partnership or involving such Indemnitee if such Indemnitee is found liable to the Partnership on any portion of any claim in any such Action.

Without limitation, the foregoing indemnity shall extend to any liability of any Indemnitee, pursuant to a loan guaranty or otherwise, for any indebtedness of the Partnership or any Subsidiary of the Partnership (including, without limitation, any indebtedness which the Partnership or any Subsidiary of the Partnership has assumed or taken subject to), and the General Partner is hereby authorized and empowered, on behalf of the Partnership, to enter into one or more indemnity agreements consistent with the provisions of this Section 7.7 in favor of any Indemnitee having or potentially having liability for any such indebtedness. It is the intention of this Section 7.7.A that the Partnership indemnify each Indemnitee to the fullest extent permitted by law and this Agreement. The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 7.7.A. The termination of any proceeding by conviction of an Indemnitee or upon a plea of *nolo contendere* or its equivalent by an Indemnitee, or an entry of an order of probation against an Indemnitee prior to judgment, does not create a presumption that such Indemnitee acted in a manner contrary to that specified in this Section 7.7.A with respect to the subject matter of such proceeding. Any indemnification pursuant to this Section 7.7 shall be made only out of the assets of the Partnership, and neither the General Partner nor any other Holder shall have any obligation to contribute to the capital of the Partnership or otherwise provide funds to enable the Partnership to fund its obligations under this Section 7.7.

B. To the fullest extent permitted by law, expenses incurred by an Indemnitee who is a party to a proceeding or otherwise subject to or the focus of or is involved in any Action shall be paid or reimbursed by the Partnership as incurred by the Indemnitee in advance of the final disposition of the Action upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in Section 7.7.A has been met, and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

C. The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee unless otherwise provided in a written agreement with such Indemnitee or in the writing pursuant to which such Indemnitee is indemnified.

D. The Partnership may, but shall not be obligated to, purchase and maintain insurance, on behalf of any of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. Any liabilities which an Indemnitee incurs as a result of acting on behalf of the Partnership or the General Partner (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the IRS, penalties assessed by the U.S. Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities or judgments or fines under this Section 7.7, unless such liabilities arise as a result of (i) an act or omission of such Indemnitee that was material to the matter giving rise to the Action and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) in the case of any criminal proceeding, an act or omission that such Indemnitee had reasonable cause to believe was unlawful, or (iii) any transaction in which such Indemnitee actually received an improper personal benefit in violation or breach of any provision of this Agreement.

F. In no event may an Indemnitee subject any of the Holders to personal liability by reason of the indemnification provisions set forth in this Agreement.

G. An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

H. The provisions of this Section 7.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 7.7 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the Partnership's liability to any Indemnitee under this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

I. It is the intent of the parties that any amounts paid by the Partnership to the General Partner pursuant to this Section 7.7 shall be treated as "guaranteed payments" within the meaning of Code Section 707(c) and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

Section 7.8 *Liability of the General Partner*.

A. The Limited Partners agree that: (i) the General Partner is acting for the benefit of the Partnership, the Limited Partners and the General Partner's stockholders collectively; (ii) in the event of a conflict between the interests of the Partnership or any Partner, on the one hand, and the separate interests of the General Partner or its stockholders, on the other hand, the General Partner is under no obligation not to give priority to the separate interests of the General Partner or the stockholders of the General Partner, and any action or failure to act on the part of the General Partner or its directors that gives priority to the separate interests of the General Partner or its stockholders that does not result in a violation of the contract rights of the Limited Partners under this Agreement does not violate the duty of loyalty owed by the General Partner to the Partnership and/or the Partners; and (iii) the General Partner shall not be liable to the Partnership or to any Partner for monetary damages for losses sustained, liabilities incurred or benefits not derived by the Partnership or any Limited Partner in connection with such decisions, except for liability for the General Partner's intentional harm or gross negligence.

B. Subject to its obligations and duties as General Partner set forth in this Agreement and applicable law, the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its employees or agents. The General Partner shall not be responsible to the Partnership or any Partner for any misconduct or negligence on the part of any such employee or agent appointed by it in good faith.

C. Any obligation or liability whatsoever of the General Partner which may arise at any time under this Agreement or any other instrument, transaction, or undertaking contemplated hereby shall be satisfied, if at all, out of the assets of the General Partner or the Partnership only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement thereof be had to, any of the General Partner's directors, stockholders, officers, employees, or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise. Notwithstanding anything to the contrary set forth in this Agreement, none of the directors or officers of the General Partner shall be liable or accountable in damages or otherwise to the Partnership, any Partners, or any Assignees for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or of any act or omission.

D. Any amendment, modification or repeal of this Section 7.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's and its officers' and directors' liability to the Partnership and the Limited Partners under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

E. Notwithstanding anything herein to the contrary, except for liability for intentional harm or gross negligence on the part of such Partner or pursuant to any express indemnities given to the Partnership by any Partner pursuant to any other written instrument, no Partner shall have any personal liability whatsoever, to the Partnership or to the other Partners, or for the debts or liabilities of the Partnership or the Partnership's obligations hereunder, and the full recourse of the other Partner(s) shall be limited to the interest of that Partner in the Partnership. Without limitation of the foregoing, and except for liability for intentional harm or gross negligence on the part of any Partner, or pursuant to any such express indemnity, no property or assets of such Partner, other than its interest in the Partnership, shall be subject to levy, execution or other enforcement procedures for the satisfaction of any judgment (or other judicial process) in favor of any other Partner(s) and arising out of, or in connection with, this Agreement. This Agreement is executed by the officers of the General Partner solely as officers of the same and not in their own individual capacities.

F. To the extent that, at law or in equity, the General Partner has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or the Limited Partners, the General Partner shall not be liable to the Partnership or to any other Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or modify the duties and liabilities of the General Partner under the Act or otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such General Partner.

G. Whenever in this Agreement the General Partner is permitted or required to make a decision (i) in its "sole and absolute discretion," "sole discretion" or "discretion" or under a grant of similar authority or latitude, the General Partner shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest or factors affecting the Partnership or the Partners or any of them, or (ii) in its "good faith" or under another expressed standard, the General Partner shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement or any other agreement contemplated herein or by relevant provisions of law or in equity or otherwise. If any question should arise with respect to the operation of the Partnership, which is not otherwise specifically provided for in this Agreement or the Act, or with respect to the interpretation of this Agreement, the General Partner is hereby authorized to make a final determination with respect to any such question and to interpret this Agreement in such a manner as it shall deem, in its sole discretion, to be fair and equitable, and its determination and interpretations so made shall be final and binding on all parties. The General Partner's "sole and absolute discretion," "sole discretion" and "discretion" under this Agreement shall be exercised consistently with the General Partner's fiduciary duties and obligation of good faith and fair dealing under the Act.

Section 7.9 *Other Matters Concerning the General Partner*.

A. The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties.

B. The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, architects, engineers, environmental consultants and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters that the General Partner reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers or agents or a duly appointed attorney or attorneys-in-fact. Each such officer, agent or attorney shall, to the extent authorized by the General Partner, have full power and authority to do and perform all and every act and duty that is permitted or required to be done by the General Partner hereunder.

D. Notwithstanding any other provision of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner to continue to qualify as a REIT, (ii) for the General Partner otherwise to satisfy the REIT Requirements, (iii) for the General Partner to avoid incurring any taxes under Code Section 857 or Code Section 4981, or (iv) for any General Partner Affiliate to continue to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

Section 7.10 *Title to Partnership Assets*. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively with other Partners or Persons, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner or such nominee or Affiliate for the use and benefit of the Partnership in accordance with the provisions of this Agreement. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

Section 7.11 *Reliance by Third Parties*. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner has full power and authority, without the consent or approval of any other Partner, or Person, to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any contracts on behalf of the Partnership, and take any and all actions on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner in connection with any such dealing. In no event shall any Person dealing with the General Partner or its representatives be obligated to ascertain that the terms of this Agreement have been

complied with or to inquire into the necessity or expediency of any act or action of the General Partner or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

ARTICLE 8
RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

Section 8.1 *Limitation of Liability*. No Limited Partner shall have any liability under this Agreement except for intentional harm or gross negligence on the part of such Limited Partner or as expressly provided in this Agreement (including, without limitation, Section 10.4 hereof) or under the Act.

Section 8.2 *Management of Business*. Subject to the rights and powers of the General Partner hereunder, no Limited Partner or Assignee (other than the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such) shall take part in the operations, management or control (within the meaning of the Act) of the Partnership's business, transact any business in the Partnership's name or have the power to sign documents for or otherwise bind the Partnership. The transaction of any such business by the General Partner, any of its Affiliates or any officer, director, member, employee, partner, agent, representative, or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

Section 8.3 *Outside Activities of Limited Partners*. Subject to any agreements entered into pursuant to Section 7.6 hereof and any other agreements entered into by a Limited Partner or any of its Affiliates with the General Partner, the Partnership or a Subsidiary (including, without limitation, any employment agreement), any Limited Partner and any Assignee, officer, director, employee, agent, trustee, Affiliate, member or stockholder of any Limited Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities that are in direct or indirect competition with the Partnership or that are enhanced by the activities of the Partnership. Neither the Partnership nor any Partner shall have any rights by virtue of this Agreement in any business ventures of any Limited Partner or Assignee. Subject to such agreements, none of the Limited Partners nor any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any business ventures of any other Person (other than the General Partner), and such Person shall have no obligation pursuant to this Agreement, subject to Section 7.6 hereof and any other agreements entered into by a Limited Partner or its Affiliates with the General Partner, the Partnership or a Subsidiary, to offer any interest in any such business ventures to the Partnership, any Limited Partner, or any such other Person, even if such

opportunity is of a character that, if presented to the Partnership, any Limited Partner or such other Person, could be taken by such Person.

Section 8.4 *Return of Capital*. Except pursuant to the rights of Redemption set forth in Section 15.1 hereof or in any Partnership Unit Designation, no Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent of distributions made pursuant to this Agreement or upon termination of the Partnership as provided herein. Except to the extent provided in Article 5 and Article 6 hereof or otherwise expressly provided in this Agreement or in any Partnership Unit Designation, no Limited Partner or Assignee shall have priority over any other Limited Partner or Assignee either as to the return of Capital Contributions or as to profits, losses or distributions.

Section 8.5 *Rights of Limited Partners Relating to the Partnership*.

A. In addition to other rights provided by this Agreement or by the Act, and except as limited by Section 8.5.C hereof, the General Partner shall deliver to each Limited Partner a copy of any information mailed or electronically delivered to all of the common stockholders of the General Partner as soon as practicable after such mailing.

B. The Partnership shall notify any Limited Partner that is a Qualifying Party, on request, of the then current Adjustment Factor and any change made to the Adjustment Factor shall be set forth in the quarterly report required by Section 9.3.B hereof immediately following the date such change becomes effective.

C. Notwithstanding any other provision of this Section 8.5, the General Partner may keep confidential from the Limited Partners (or any of them), for such period of time as the General Partner determines in its sole and absolute discretion to be reasonable, any information that (i) the General Partner believes to be in the nature of trade secrets or other information the disclosure of which the General Partner in good faith believes is not in the best interests of the Partnership or the General Partner or (ii) the Partnership or the General Partner is required by law or by agreement to keep confidential.

Section 8.6 *Partnership Right to Call Limited Partner Interests*. Notwithstanding any other provision of this Agreement, on and after the date on which the aggregate Percentage Interests of the Limited Partners are less than one percent (1%), the Partnership shall have the right, but not the obligation, from time to time and at any time to redeem any and all outstanding Limited Partner Interests by treating any Limited Partner as a Tendering Party who has delivered a Notice of Redemption pursuant to Section 15.1 hereof for the amount of Partnership Common Units to be specified by the General Partner, in its sole and absolute discretion, by notice to such Limited Partner that the Partnership has elected to exercise its rights under this Section 8.6. Such notice given by the General Partner to a Limited Partner pursuant to this Section 8.6 shall be treated as if it were a Notice of Redemption delivered to the General Partner by such Limited Partner. For purposes of this Section 8.6, (a) any Limited Partner (whether or not otherwise a Qualifying Party) may, in the General Partner's sole and absolute discretion, be treated as a Qualifying Party that is a Tendering Party and (b) the provisions of Sections 15.1.F(2) and 15.1.F(3) hereof shall not apply, but the remainder of Section 15.1 hereof shall apply, mutatis mutandis.

Section 8.7 *Rights as Objecting Partner*. No Limited Partner and no Holder of a Partnership Interest shall be entitled to exercise any of the rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the Maryland General Corporation Law or any successor statute in connection with a merger of the Partnership.

ARTICLE 9
BOOKS, RECORDS, ACCOUNTING AND REPORTS

Section 9.1 *Records and Accounting*.

A. The General Partner shall keep or cause to be kept at the principal place of business of the Partnership those records and documents, if any, required to be maintained by the Act and any other books and records deemed by the General Partner to be appropriate with respect to the Partnership's business, including, without limitation, all books and records necessary to provide to the Limited Partners any information, lists and copies of documents required to be provided pursuant to Section 8.5.A, Section 9.3 or Article 13 hereof. Any records maintained by or on behalf of the Partnership in the regular course of its business may be kept on any information storage device, provided that the records so maintained are convertible into clearly legible written form within a reasonable period of time.

B. The books of the Partnership shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles, or on such other basis as the General Partner determines to be necessary or appropriate. To the extent permitted by sound accounting practices and principles, the Partnership and the General Partner may operate with integrated or consolidated accounting records, operations and principles.

Section 9.2 *Partnership Year*. For purposes of this Agreement, "Partnership Year" means the fiscal year of the Partnership, which shall be the same as the tax year of the Partnership. The tax year shall be the calendar year unless otherwise required by the Code.

Section 9.3 *Reports*.

A. As soon as practicable, but in no event later than one hundred five (105) days after the close of each Partnership Year, the General Partner shall cause to be mailed to each Limited Partner of record as of the close of the Partnership Year, financial statements of the Partnership, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, for such Partnership Year, presented in accordance with generally accepted accounting principles, such statements to be audited by a nationally recognized firm of independent public accountants selected by the General Partner.

B. As soon as practicable, but in no event later than sixty (60) days after the close of each calendar quarter (except the last calendar quarter of each year), the General Partner shall cause to be mailed to each Limited Partner of record as of the last day of the calendar quarter, a report containing unaudited financial statements of the Partnership for such calendar quarter, or of the General Partner if such statements are prepared solely on a consolidated basis with the General Partner, and such other information as may be required by applicable law or regulation or as the General Partner determines to be appropriate.

C. The General Partner shall have satisfied its obligations under Section 9.3.A and Section 9.3.B by posting or making available the reports required by this Section 9.3 on the website maintained from time to time by the Partnership or the General Partner, provided that such reports are able to be printed or downloaded from such website.

D. At the request of any Limited Partner, the General Partner shall provide access to the books, records and workpapers upon which the reports required by this Section 9.3 are based, to the extent required by the Act.

ARTICLE 10
TAX MATTERS

Section 10.1 *Preparation of Tax Returns*. The General Partner shall arrange for the preparation and timely filing of all returns with respect to Partnership income, gains, deductions, losses and other items required of the Partnership for Federal and state income tax purposes and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information reasonably required by Limited Partners for Federal and state income tax and any other tax reporting purposes. The Limited Partners shall promptly provide the General Partner with such information relating to the Contributed Properties as is readily available to the Limited Partners, including tax basis and other relevant information, as may be reasonably requested by the General Partner from time to time.

Section 10.2 *Tax Elections*. Except as otherwise provided herein, the General Partner shall, in its sole and absolute discretion, determine whether to make any available election pursuant to the Code, including, but not limited to, the election under Code Section 754. The General Partner shall have the right to seek to revoke any such election (including, without limitation, any election under Code Section 754) upon the General Partner's determination in its sole and absolute discretion that such revocation is in the best interests of the Partners.

Section 10.3 *Tax Matters Partner*.

A. The General Partner shall be the "tax matters partner" of the Partnership for federal income tax purposes. The tax matters partner shall receive no compensation for its services. All third-party costs and expenses incurred by the tax matters partner in performing its duties as such (including legal and accounting fees and expenses) shall be borne by the Partnership in addition to any reimbursement pursuant to Section 7.4 hereof. Nothing herein shall be construed to restrict the Partnership from engaging an accounting firm to assist the tax matters partner in discharging its duties hereunder.

B. The tax matters partner is authorized, but not required:

(1) to enter into any settlement with the IRS with respect to any administrative or judicial proceedings for the adjustment of Partnership items required to be taken into account by a Partner for income tax purposes (such administrative proceedings being referred to as a "tax audit" and such judicial proceedings being referred to as "judicial review"), and in the settlement agreement the tax matters partner may expressly state that such agreement shall bind all Partners, except that such settlement agreement shall not bind any Partner (i) who (within the time prescribed pursuant to the Code and Regulations) files a

statement with the IRS providing that the tax matters partner shall not have the authority to enter into a settlement agreement on behalf of such Partner (as the case may be) or (ii) who is a "notice partner" (as defined in Code Section 6231) or a member of a "notice group" (as defined in Code Section 6223(b)(2));

(2) in the event that a notice of a final administrative adjustment at the Partnership level of any item required to be taken into account by a Partner for tax purposes (a "*Final Adjustment*") is mailed to the tax matters partner, to seek judicial review of such Final Adjustment, including the filing of a petition for readjustment with the United States Tax Court or the United States Claims Court, or the filing of a complaint for refund with the District Court of the United States for the district in which the Partnership's principal place of business is located;

(3) to intervene in any action brought by any other Partner for judicial review of a final adjustment;

(4) to file a request for an administrative adjustment with the IRS at any time and, if any part of such request is not allowed by the IRS, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(5) to enter into an agreement with the IRS to extend the period for assessing any tax that is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item; and

(6) to take any other action on behalf of the Partners or any of them in connection with any tax audit or judicial review proceeding to the extent permitted by applicable law or regulations.

The taking of any action and the incurring of any expense by the tax matters partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole and absolute discretion of the tax matters partner and the provisions relating to indemnification of the General Partner set forth in Section 7.7 hereof shall be fully applicable to the tax matters partner in its capacity as such.

Section 10.4 *Withholding*. Each Limited Partner hereby authorizes the Partnership to withhold from or pay on behalf of or with respect to such Limited Partner any amount of Federal, state, local or foreign taxes that the General Partner determines the Partnership is required to withhold or pay with respect to any amount distributable or allocable to such Limited Partner pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Partnership pursuant to Code Section 1441, Code Section 1442, Code Section 1445 or Code Section 1446. Any amount withheld with respect to a Limited Partner pursuant to this Section 10.4 shall be treated as paid or distributed, as applicable, to such Limited Partner for all purposes under this Agreement. Any amount paid on behalf of or with respect to a Limited Partner, in excess of any such withheld amount, shall constitute a loan by the Partnership to such Limited Partner, which loan shall be repaid by such Limited Partner within thirty (30) days after the affected Limited Partner receives written notice from the General Partner that such payment must be made, provided that the Limited Partner shall not be required to repay such deemed loan

if either (i) the Partnership withholds such payment from a distribution that would otherwise be made to the Limited Partner or (ii) the General Partner determines, in its sole and absolute discretion, that such payment may be satisfied out of the Available Cash of the Partnership that would, but for such payment, be distributed to the Limited Partner. Any amounts payable by a Limited Partner hereunder shall bear interest at the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate) from the date such amount is due (i.e., thirty (30) days after the Limited Partner receives written notice of such amount) until such amount is paid in full.

Section 10.5 *Organizational Expenses*. The General Partner may cause the Partnership to elect to deduct expenses, if any, incurred by it in organizing the Partnership ratably over a 180-month period as provided in Section 709 of the Code.

ARTICLE 11
PARTNER TRANSFERS AND WITHDRAWALS

Section 11.1 *Transfer*.

A. No part of the interest of a Partner shall be subject to the claims of any creditor, to any spouse for alimony or support, or to legal process, and may not be voluntarily or involuntarily alienated or encumbered except as may be specifically provided for in this Agreement.

B. No Partnership Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article 11. Any Transfer or purported Transfer of a Partnership Interest not made in accordance with this Article 11 shall be null and void *ab initio*.

C. No Transfer of any Partnership Interest may be made to a lender to the Partnership or any Person who is related (within the meaning of Section 1.752-4(b) of the Regulations) to any lender to the Partnership whose loan constitutes a Nonrecourse Liability, without the Consent of the General Partner; *provided*, *however*, that, as a condition to such Consent, the lender may be required to enter into an arrangement with the Partnership and the General Partner to redeem or exchange for the REIT Shares Amount any Partnership Units in which a security interest is held by such lender simultaneously with the time at which such lender would be deemed to be a partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code (provided that, for purpose of calculating the REIT Shares Amount in this Section 11.1.C, "*Tendered Units*" shall mean all such Partnership Units in which a security interest is held by such lender).

Section 11.2 *Transfer of General Partner's Partnership Interest*.

A. Except as provided in Section 11.2.B or Section 11.2.C, and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may not Transfer all or any portion of its Partnership Interest (whether by sale, disposition, statutory merger or consolidation, liquidation or otherwise) without the Consent of the Limited Partners. It is a condition to any Transfer of a Partnership Interest of a General

Partner otherwise permitted hereunder (including any Transfer permitted pursuant to Section 11.2.B or Section 11.2.C) that: (i) coincident with such Transfer, the transferee is admitted as a General Partner pursuant to Section 12.1 hereof; (ii) the transferee assumes, by operation of law or express agreement, all of the obligations of the transferor General Partner under this Agreement with respect to such Transferred Partnership Interest; and (iii) the transferee has executed such instruments as may be necessary to effectuate such admission and to confirm the agreement of such transferee to be bound by all the terms and provisions of this Agreement with respect to the Partnership Interest so acquired and the admission of such transferee as a General Partner.

B. *Certain Transactions of the General Partner*. Except as provided in Section 11.2.D and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, the General Partner may, without the Consent of the Limited Partners, Transfer all of its Partnership Interest in connection with (a) a merger, consolidation or other combination of its assets with another entity, (b) a sale of all or substantially all of its assets not in the ordinary course of the Partnership's business or (c) a reclassification, recapitalization or change of any outstanding shares of the General Partner's stock or other outstanding equity interests (each, a "*Termination Transaction*") if:

(i) in connection with such Termination Transaction, all of the Limited Partners will receive, or will have the right to elect to receive, for each Partnership Common Unit an amount of cash, securities or other property equal to the product of the Adjustment Factor and the greatest amount of cash, securities or other property paid to a holder of one REIT Share in consideration of one REIT Share pursuant to the terms of such Termination Transaction; *provided*, that if, in connection with such Termination Transaction, a purchase, tender or exchange offer shall have been made to and accepted by the holders of the outstanding REIT Shares, each holder of Partnership Common Units shall receive, or shall have the right to elect to receive, the greatest amount of cash, securities or other property which such holder of Partnership Common Units would have received had it exercised its right to Redemption pursuant to Article 15 hereof and received REIT Shares in exchange for its Partnership Common Units immediately prior to the expiration of such purchase, tender or exchange offer and had thereupon accepted such purchase, tender or exchange offer and then such Termination Transaction shall have been consummated; or

(ii) all of the following conditions are met: (w) substantially all of the assets directly or indirectly owned by the surviving entity are owned directly or indirectly by the Partnership or another limited partnership or limited liability company which is the survivor of a merger, consolidation or combination of assets with the Partnership (in each case, the "*Surviving Partnership*"); (x) the Limited Partners that held Partnership Common Units immediately prior to the consummation of such Termination Transaction own a percentage interest of the Surviving Partnership based on the relative fair market value of the net assets of the Partnership and the other net assets of the Surviving Partnership immediately prior to the consummation of such transaction; (y) the rights, preferences and privileges in the Surviving Partnership of such Limited Partners are at least as favorable as those in effect with respect to Partnership Common Units immediately prior to the consummation of such transaction and as those applicable to any

other limited partners or non-managing members of the Surviving Partnership; and (z) the rights of such Limited Partners include at least one of the following: (a) the right to redeem their interests in the Surviving Partnership for the consideration available to such persons pursuant to Section 11.2.B(i) or (b) the right to redeem their interests in the Surviving Partnership for cash on terms substantially equivalent to those in effect with respect to their Partnership Common Units immediately prior to the consummation of such transaction, or, if the ultimate controlling person of the Surviving Partnership has publicly traded common equity securities, such common equity securities, with an exchange ratio based on the determination of relative fair market value of such securities and the REIT Shares.

C. Notwithstanding the other provisions of this Article 11 (other than Section 11.6.D hereof), the General Partner may Transfer all of its Partnership Interests at any time to any Person that is, at the time of such Transfer an Affiliate of the General Partner that is controlled by the General Partner, including any "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)), without the Consent of any Limited Partners. The provisions of Section 11.2.B, 11.3, 11.4.A and 11.5 hereof shall not apply to any Transfer permitted by this Section 11.2.C.

D. The General Partner shall not, without prior Partnership Approval, consummate any transaction that would result in a direct or indirect transfer of all or any portion of the General Partner's Partnership Interest if such direct or indirect transfer would be effected through (a) a Termination Transaction or (b) the issuance of REIT Shares, in each case in connection with which the General Partner seeks to obtain or would be required to obtain approval of its stockholders (each of a "*General Partner Interest Transfer*").

E. Except in connection with Transfers permitted in this Article 11 and as otherwise provided in Section 12.1 in connection with the Transfer of the General Partner's entire Partnership Interest, the General Partner may not voluntarily withdraw as a general partner of the Partnership without the Consent of the Limited Partners.

Section 11.3 *Limited Partners' Rights to Transfer*.

A. *General*. Prior to the end of the first Fourteen-Month Period and except as provided in Section 11.1.C hereof, no Limited Partner shall Transfer all or any portion of its Partnership Interest to any transferee without the Consent of the General Partner; *provided*, *however*, that any Limited Partner may, at any time, without the consent or approval of the General Partner, (i) Transfer all or part of its Partnership Interest to any Family Member (including a Transfer by a Family Member that is an inter vivos or testamentary trust (whether revocable or irrevocable) to a Family Member that is a beneficiary of such trust), any Charity, any Controlled Entity or any Affiliate, or (ii) pledge (a "*Pledge*") all or any portion of its Partnership Interest to a lending institution as collateral or security for a bona fide loan or other extension of credit, and Transfer such pledged Partnership Interest to such lending institution in connection with the exercise of remedies under such loan or extension of credit (any Transfer or Pledge permitted by this proviso is hereinafter referred to as a "*Permitted Transfer*"). After such first Fourteen-Month Period, each Limited Partner, and each transferee of Partnership Units or Assignee pursuant to a Permitted Transfer, shall have the right to Transfer all or any portion of

its Partnership Interest to any Person, without the Consent of the General Partner but subject to the provisions of Section 11.4 hereof and to satisfaction of each of the following conditions:

(1) *General Partner Right of First Refusal*. The transferor Limited Partner (or the Partner's estate in the event of the Partner's death) shall give written notice of the proposed Transfer to the General Partner, which notice shall state (i) the identity and address of the proposed transferee and (ii) the amount and type of consideration proposed to be received for the Transferred Partnership Units. The General Partner shall have ten (10) Business Days upon which to give the transferor Limited Partner notice of its election to acquire the Partnership Units on the terms set forth in such notice. If it so elects, it shall purchase the Partnership Units on such terms within ten (10) Business Days after giving notice of such election; *provided, however*, that in the event that the proposed terms involve a purchase for cash, the General Partner may at its election deliver in lieu of all or any portion of such cash a note from the General Partner payable to the transferor Limited Partner at a date as soon as reasonably practicable, but in no event later than one hundred eighty (180) days after such purchase, and bearing interest at an annual rate equal to the total dividends declared with respect to one (1) REIT Share for the four (4) preceding fiscal quarters of the General Partner, divided by the Value as of the closing of such purchase; and *provided, further*, that such closing may be deferred to the extent necessary to effect compliance with the Hart-Scott-Rodino Act, if applicable, and any other applicable requirements of law. If it does not so elect, the transferor Limited Partner may Transfer such Partnership Units to a third party, on terms no more favorable to the transferee than the proposed terms, subject to the other conditions of this Section 11.3.

(2) *Qualified Transferee*. Any Transfer of a Partnership Interest shall be made only to a single Qualified Transferee; *provided, however*, that, for such purposes, all Qualified Transferees that are Affiliates, or that comprise investment accounts or funds managed by a single Qualified Transferee and its Affiliates, shall be considered together to be a single Qualified Transferee; and *provided, further*, that each Transfer meeting the minimum Transfer restriction of Section 11.3.A(4) hereof may be to a separate Qualified Transferee.

(3) *Opinion of Counsel*. The transferor Limited Partner shall deliver or cause to be delivered to the General Partner an opinion of counsel reasonably satisfactory to it to the effect that the proposed Transfer may be effected without registration under the Securities Act and will not otherwise violate the registration provisions of the Securities Act and the regulations promulgated thereunder or violate any state securities laws or regulations applicable to the Partnership or the Partnership Interests Transferred; *provided, however*, that the General Partner may, in its sole discretion, waive this condition upon the request of the transferor Limited Partner. If, in the opinion of such counsel, such Transfer would require the filing of a registration statement under the Securities Act or would otherwise violate any Federal or state securities laws or regulations applicable to the Partnership or the Partnership Units, the General Partner may prohibit any Transfer otherwise permitted under this Section 11.3 by a Limited Partner of Partnership Interests.

(4) *Minimum Transfer Restriction*. Any Transferring Partner must Transfer not less than the lesser of (i) five hundred (500) Partnership Units or (ii) all of the remaining Partnership Units owned by such Transferring Partner, unless, in each case, otherwise agreed to by

the General Partner; *provided*, *however*, that, for purposes of determining compliance with the foregoing restriction, all Partnership Units owned by Affiliates of a Limited Partner shall be considered to be owned by such Limited Partner.

(5) *Exception for Permitted Transfers*. The conditions of Sections 11.3.A(1) through 11.3.A(4) hereof shall not apply in the case of a Permitted Transfer.

It is a condition to any Transfer otherwise permitted hereunder (whether or not such Transfer is effected during or after the first Fourteen-Month Period) that the transferee assumes by operation of law or express agreement all of the obligations of the transferor Limited Partner under this Agreement with respect to such Transferred Partnership Interest, and no such Transfer (other than pursuant to a statutory merger or consolidation wherein all obligations and liabilities of the transferor Partner are assumed by a successor corporation by operation of law) shall relieve the transferor Partner of its obligations under this Agreement without the Consent of the General Partner. Notwithstanding the foregoing, any transferee of any Transferred Partnership Interest shall be subject to any restrictions on ownership and transfer of stock of the General Partner contained in the Charter that may limit or restrict such transferee's ability to exercise its Redemption rights, including, without limitation, the Ownership Limit. Any transferee, whether or not admitted as a Substituted Limited Partner, shall take subject to the obligations of the transferor hereunder. Unless admitted as a Substituted Limited Partner, no transferee, whether by a voluntary Transfer, by operation of law or otherwise, shall have any rights hereunder, other than the rights of an Assignee as provided in Section 11.5 hereof.

B. *Incapacity*. If a Limited Partner is subject to Incapacity, the executor, administrator, trustee, committee, guardian, conservator or receiver of such Limited Partner's estate shall have all the rights of a Limited Partner, but not more rights than those enjoyed by other Limited Partners, for the purpose of settling or managing the estate, and such power as the Incapacitated Limited Partner possessed to Transfer all or any part of its interest in the Partnership. The Incapacity of a Limited Partner, in and of itself, shall not dissolve or terminate the Partnership.

C. *Adverse Tax Consequences*. Notwithstanding anything to the contrary in this Agreement, the General Partner shall have the authority (but shall not be required) to take any steps it determines are necessary or appropriate in its sole and absolute discretion to prevent the Partnership from being taxable as a corporation for Federal income tax purposes. In addition, except with the Consent of the General Partner, no Transfer by a Limited Partner of its Partnership Interests (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any other acquisition of Partnership Units by the General Partner or any acquisition of Partnership Units by the Partnership) may be made to or by any Person if such Transfer could (i) result in the Partnership being treated as an association taxable as a corporation; (ii) result in a termination of the Partnership under Code Section 708; (iii) be treated as effectuated through an "established securities market" or a "secondary market (or the substantial equivalent thereof)" within the meaning of Code Section 7704 and the Regulations promulgated thereunder, (iv) result in the Partnership being unable to qualify for one or more of the "safe harbors" set forth in Regulations Section 1.7704-1 (or such other guidance subsequently published by the IRS setting forth safe harbors under which interests will not be treated as "readily tradable on a secondary market (or the substantial equivalent thereof)" within

the meaning of Section 7704 of the Code) (the "*Safe Harbors*") or (v) based on the advice of counsel to the Partnership or the General Partner, adversely affect the ability of the General Partner to continue to qualify as a REIT or subject the General Partner to any additional taxes under Code Section 857 or Code Section 4981.

Section 11.4 *Admission of Substituted Limited Partners*.

A. No Limited Partner shall have the right to substitute a transferee (including any transferees pursuant to Transfers permitted by Section 11.3 hereof) as a Limited Partner in its place. A transferee of a Limited Partner Interest may be admitted as a Substituted Limited Partner only with the Consent of the General Partner. The failure or refusal by the General Partner to permit a transferee of any such interests to become a Substituted Limited Partner shall not give rise to any cause of action against the Partnership or the General Partner. Subject to the foregoing, an Assignee shall not be admitted as a Substituted Limited Partner until and unless it furnishes to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all the terms, conditions and applicable obligations of this Agreement, (ii) a counterpart signature page to this Agreement executed by such Assignee and (iii) such other documents and instruments as may be required or advisable, in the sole and absolute discretion of the General Partner, to effect such Assignee's admission as a Substituted Limited Partner.

B. Concurrently with, and as evidence of, the admission of a Substituted Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and class and/or series of Partnership Units of such Substituted Limited Partner and to eliminate or adjust, if necessary, the name, address and number of Partnership Units of the predecessor of such Substituted Limited Partner.

C. A transferee who has been admitted as a Substituted Limited Partner in accordance with this Article 11 shall have all the rights and powers and be subject to all the restrictions and liabilities of a Limited Partner under this Agreement.

Section 11.5 *Assignees*. If the General Partner does not Consent to the admission of any permitted transferee under Section 11.3 hereof as a Substituted Limited Partner, as described in Section 11.4 hereof, or in the event that any Partnership Interest is deemed to have been Transferred notwithstanding the restrictions set forth in this Article 11, such transferee shall be considered an Assignee for purposes of this Agreement. An Assignee shall be entitled to all the rights of an assignee of a limited partnership interest under the Act, including the right to receive distributions from the Partnership and the share of Net Income, Net Losses and other items of income, gain, loss, deduction and credit of the Partnership attributable to the Partnership Interest assigned to such transferee and the rights to Transfer the Partnership Interest provided in this Article 11, but shall not be deemed to be a holder of a Partnership Interest for any other purpose under this Agreement (other than as expressly provided in Section 15.1 hereof with respect to a Qualifying Party that becomes a Tendering Party), and shall not be entitled to effect a Consent or vote with respect to such Partnership Interest on any matter presented to the Partners for approval (such right to Consent or vote, to the extent provided in this Agreement or under the Act, fully remaining with the transferor Limited Partner). In the event that any such transferee desires to make a further Transfer of any such Partnership Interest, such transferee shall be

subject to all the provisions of this Article 11 to the same extent and in the same manner as any Limited Partner desiring to make a Transfer of a Limited Partner Interest.

Section 11.6 *General Provisions.*

A. No Limited Partner may withdraw from the Partnership other than as a result of: (i) a permitted Transfer of all of such Limited Partner's Partnership Units in accordance with this Article 11 with respect to which the transferee becomes a Substituted Limited Partner; (ii) pursuant to a redemption (or acquisition by the General Partner) of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) the acquisition by the General Partner of all of such Limited Partner's Partnership Interest, whether or not pursuant to Section 15.1.B hereof.

B. Any Limited Partner who shall Transfer all of its Partnership Units in a Transfer (i) permitted pursuant to this Article 11 where such transferee was admitted as a Substituted Limited Partner, (ii) pursuant to the exercise of its rights to effect a redemption of all of its Partnership Units pursuant to a Redemption under Section 15.1 hereof and/or pursuant to any Partnership Unit Designation or (iii) to the General Partner, whether or not pursuant to Section 15.1.B hereof, shall cease to be a Limited Partner.

C. If any Partnership Unit is Transferred in compliance with the provisions of this Article 11, or is redeemed by the Partnership, or acquired by the General Partner pursuant to Section 15.1 hereof, on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit attributable to such Partnership Unit for such Partnership Year shall be allocated to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, to the transferee Partner, by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner in its sole and absolute discretion. Solely for purposes of making such allocations, unless the General Partner decides in its sole and absolute discretion to use another method permitted under the Code, each of such items for the calendar month in which a Transfer occurs shall be allocated to the transferee Partner and none of such items for the calendar month in which a Transfer or a Redemption occurs shall be allocated to the transferor Partner, or the Tendering Party (as the case may be) if such Transfer occurs on or before the fifteenth (15th) day of the month, otherwise such items shall be allocated to the transferor. All distributions of Available Cash attributable to such Partnership Unit with respect to which the Partnership Record Date is before the date of such Transfer, assignment or Redemption shall be made to the transferor Partner or the Tendering Party (as the case may be) and, in the case of a Transfer other than a Redemption, all distributions of Available Cash thereafter attributable to such Partnership Unit shall be made to the transferee Partner.

D. In addition to any other restrictions on Transfer herein contained, in no event may any Transfer of a Partnership Interest by any Partner (including any Redemption, any conversion of LTIP Units into Partnership Common Units, any acquisition of Partnership Units by the General Partner or any other acquisition of Partnership Units by the Partnership) be made: (i) to any person or entity who lacks the legal right, power or capacity to own a Partnership Interest; (ii)

in violation of applicable law; (iii) except with the Consent of the General Partner, of any component portion of a Partnership Interest, such as the Capital Account, or rights to distributions, separate and apart from all other components of a Partnership Interest; (iv) in the event that such Transfer could cause either the General Partner or any General Partner Affiliate to cease to comply with the REIT Requirements or to cease to qualify as a "qualified REIT subsidiary" (within the meaning of Code Section 856(i)(2)); (v) except with the Consent of the General Partner, if such Transfer could, based on the advice of counsel to the Partnership or the General Partner, cause a termination of the Partnership for Federal or state income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vi) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause the Partnership to cease to be classified as a partnership for federal income tax purposes (except as a result of the Redemption (or acquisition by the General Partner) of all Partnership Common Units held by all Limited Partners); (vii) if such Transfer would cause the Partnership to become, with respect to any employee benefit plan subject to Title I of ERISA, a "party-in-interest" (as defined in ERISA Section 3(14)) or a "disqualified person" (as defined in Code Section 4975(c)); (viii) if such Transfer could, based on the advice of legal counsel to the Partnership or the General Partner, cause any portion of the assets of the Partnership to constitute assets of any employee benefit plan pursuant to Department of Labor Regulations Section 2510.3-101; (ix) if such Transfer requires the registration of such Partnership Interest pursuant to any applicable Federal or state securities laws; (x) except with the Consent of the General Partner, if such Transfer (1) could be treated as effectuated through an "established securities market" or a "secondary market" (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code and the Regulations promulgated thereunder, (2) could cause the Partnership to become a "publicly traded partnership," as such term is defined in Sections 469(k)(2) or 7704(b) of the Code, (3) could be in violation of Section 3.4.C(iii), or (4) could cause the Partnership to fail one or more of the Safe Harbors; (xi) if such Transfer causes the Partnership (as opposed to the General Partner) to become a reporting company under the Exchange Act; or (xii) if such Transfer subjects the Partnership to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940 or ERISA, each as amended. The General Partner shall, in its sole discretion, be permitted to take all action necessary to prevent the Partnership from being classified as a "publicly traded partnership" under Code Section 7704.

E. Transfers pursuant to this Article 11 may only be made on the first day of a fiscal quarter of the Partnership, unless the General Partner otherwise Consents.

ARTICLE 12
ADMISSION OF PARTNERS

Section 12.1 *Admission of Successor General Partner*. A successor to all of the General Partner's General Partner Interest pursuant to a Transfer permitted by Section 11.2 hereof who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately upon such Transfer. Upon any such Transfer and the admission of any such transferee as a successor General Partner in accordance with this Section 12.1, the transferor General Partner shall be relieved of its obligations under this Agreement and shall cease to be a general partner of the Partnership without any separate Consent of the Limited Partners or the consent or approval of any other Partners. Any such

successor General Partner shall carry on the business and affairs of the Partnership without dissolution. In each case, the admission shall be subject to the successor General Partner executing and delivering to the Partnership an acceptance of all of the terms and conditions of this Agreement and such other documents or instruments as may be required to effect the admission of such Person as a General Partner. Upon any such Transfer, the transferee shall become the successor General Partner for all purposes herein, and shall be vested with the powers and rights of the transferor General Partner, and shall be liable for all obligations and responsible for all duties of the General Partner. Concurrently with, and as evidence of, the admission of a successor General Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such successor General Partner.

Section 12.2 *Admission of Additional Limited Partners*.

A. After the admission to the Partnership of the Original Limited Partners, a Person (other than an existing Partner) who makes a Capital Contribution to the Partnership in exchange for Partnership Units and in accordance with this Agreement or is issued LTIP Units in exchange for no consideration in accordance with Section 4.2.B hereof shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance, in form and substance satisfactory to the General Partner, of all of the terms and conditions of this Agreement, including, without limitation, the power of attorney granted in Section 2.4 hereof, (ii) a counterpart signature page to this Agreement executed by such Person and (iii) such other documents or instruments as may be required in the sole and absolute discretion of the General Partner in order to effect such Person's admission as an Additional Limited Partner. Concurrently with, and as evidence of, the admission of an Additional Limited Partner, the General Partner shall amend Exhibit A and the books and records of the Partnership to reflect the name, address and number and classes and/or series of Partnership Units of such Additional Limited Partner.

B. Notwithstanding anything to the contrary in this Section 12.2, no Person shall be admitted as an Additional Limited Partner without the Consent of the General Partner. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded on the books and records of the Partnership, following the Consent of the General Partner to such admission and the satisfaction of all the conditions set forth in Section 12.2.A.

C. If any Additional Limited Partner is admitted to the Partnership on any day other than the first day of a Partnership Year, then Net Income, Net Losses, each item thereof and all other items of income, gain, loss, deduction and credit allocable among Holders for such Partnership Year shall be allocated among such Additional Limited Partner and all other Holders by taking into account their varying interests during the Partnership Year in accordance with Code Section 706(d), using the "interim closing of the books" method or another permissible method selected by the General Partner. Solely for purposes of making such allocations, each of such items for the calendar month in which an admission of any Additional Limited Partner occurs shall be allocated among all the Holders including such Additional Limited Partner, in accordance with the principles described in Section 11.6.C hereof. All distributions of Available Cash with respect to which the Partnership Record Date is before the date of such admission

shall be made solely to Partners and Assignees other than the Additional Limited Partner, and all distributions of Available Cash thereafter shall be made to all the Partners and Assignees including such Additional Limited Partner.

D. Any Additional Limited Partner admitted to the Partnership that is an Affiliate of the General Partner shall be deemed to be a "General Partner Affiliate" hereunder and shall be reflected as such on Exhibit A and the books and records of the Partnership.

Section 12.3 *Amendment of Agreement and Certificate of Limited Partnership*. For the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Act to amend the records of the Partnership and, if necessary, to prepare as soon as practical an amendment of this Agreement (including an amendment of Exhibit A) and, if required by law, shall prepare and file an amendment to the Certificate and may for this purpose exercise the power of attorney granted pursuant to Section 2.4 hereof.

Section 12.4 *Limit on Number of Partners*. Unless otherwise permitted by the General Partner in its sole and absolute discretion, no Person shall be admitted to the Partnership as an Additional Limited Partner if the effect of such admission would be to cause the Partnership to have a number of Partners that would cause the Partnership to become a reporting company under the Exchange Act.

Section 12.5 *Admission.* A Person shall be admitted to the Partnership as a limited partner of the Partnership or a general partner of the Partnership only upon strict compliance, and not upon substantial compliance, with the requirements set forth in this Agreement for admission to the Partnership as a Limited Partner or a General Partner.

ARTICLE 13
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 13.1 *Dissolution*. The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the withdrawal of the General Partner, any successor General Partner shall continue the business and affairs of the Partnership without dissolution. However, the Partnership shall dissolve, and its affairs shall be wound up, upon the first to occur of any of the following (each a "*Liquidating Event*"):

A. an event of withdrawal, as defined in Section 10-402(2) – (9) of the Act (including, without limitation, bankruptcy), or the withdrawal in violation of this Agreement, of the last remaining General Partner unless, within ninety (90) days after the withdrawal, a Majority in Interest of the Partners remaining agree in writing, in their sole and absolute discretion, to continue the Partnership and to the appointment, effective as of the date of such withdrawal, of a successor General Partner;

B. an election to dissolve the Partnership made by the General Partner in its sole and absolute discretion, with or without the Consent of the Partners;

C. entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Act;

D. any sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business or a related series of transactions that, taken together, result in the sale or other disposition of (other than the attachment of a lien or security interest in) all or substantially all of the assets of the Partnership outside the ordinary course of the Partnership's business; or

E. the Redemption or other acquisition by the Partnership or the General Partner of all Partnership Units other than Partnership Units held by the General Partner.

Section 13.2 *Winding Up*.

A. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets and satisfying the claims of its creditors and the Holders. After the occurrence of a Liquidating Event, no Holder shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. The General Partner (or, in the event that there is no remaining General Partner or the General Partner has dissolved, become bankrupt within the meaning of the Act or ceased to operate, any Person elected by a Majority in Interest of the Partners (the General Partner or such other Person being referred to herein as the "*Liquidator*")) shall be responsible for overseeing the winding up and dissolution of the Partnership and shall take full account of the Partnership's liabilities and property, and the Partnership property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (which may, to the extent determined by the General Partner, include shares of stock in the General Partner) shall be applied and distributed in the following order:

(1) First, to the satisfaction of all of the Partnership's debts and liabilities to creditors other than the Holders (whether by payment or the making of reasonable provision for payment thereof);

(2) Second, to the satisfaction of all of the Partnership's debts and liabilities to the General Partner (whether by payment or the making of reasonable provision for payment thereof), including, but not limited to, amounts due as reimbursements under Section 7.4 hereof;

(3) Third, to the satisfaction of all of the Partnership's debts and liabilities to the other Holders (whether by payment or the making of reasonable provision for payment thereof); and

(4) Fourth, to the Partners in accordance with their positive Capital Account balances, determined after taking into account all Capital Account adjustments for all prior periods and the Partnership taxable year during which the liquidation occurs (other than those made as a result of the liquidating distribution set forth in this Section 13.2.A(4)).

The General Partner shall not receive any additional compensation for any services performed pursuant to this Article 13 other than reimbursement of its expenses as set forth in Section 7.4.

B. Notwithstanding the provisions of Section 13.2.A hereof that require liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Partnership, the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Holders, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (including to those Holders as creditors) and/or distribute to the Holders, in lieu of cash, as tenants in common and in accordance with the provisions of Section 13.2.A hereof, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Holders, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. If any Holder has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), except as otherwise agreed to by such Holder, such Holder shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever.

D. In the sole and absolute discretion of the General Partner or the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Holders pursuant to this Article 13 may be:

(1) distributed to a trust established for the benefit of the General Partner and the Holders for the purpose of liquidating Partnership assets, collecting amounts owed to the Partnership, and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership and/or Partnership activities. The assets of any such trust shall be distributed to the Holders, from time to time, in the reasonable discretion of the General Partner, in the same proportions and amounts as would otherwise have been distributed to the Holders pursuant to this Agreement; or

(2) withheld or escrowed to provide a reasonable reserve for Partnership liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Partnership, provided that such withheld or escrowed amounts shall be distributed to the Holders in the manner and order of priority set forth in Section 13.2.A hereof as soon as practicable.

Section 13.3 *Deemed Contribution and Distribution*. Notwithstanding any other provision of this Article 13, in the event that the Partnership is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), but no Liquidating Event has occurred, the Partnership's Property shall not be liquidated, the Partnership's liabilities shall not be paid or discharged and the Partnership's affairs shall not be wound up. Instead, for federal income tax

purposes the Partnership shall be deemed to have contributed all of its assets and liabilities to a new partnership in exchange for an interest in the new partnership; and immediately thereafter, distributed Partnership Units to the Partners in the new partnership in accordance with their respective Capital Accounts in liquidation of the Partnership, and the new partnership is deemed to continue the business of the Partnership. Nothing in this Section 13.3 shall be deemed to have constituted a Transfer to an Assignee as a Substituted Limited Partner without compliance with the provisions of Section 11.4 or Section 13.3 hereof.

Section 13.4 *Rights of Holders*. Except as otherwise provided in this Agreement and subject to the rights of any Holder of any Partnership Interest set forth in a Partnership Unit Designation, (a) each Holder shall look solely to the assets of the Partnership for the return of its Capital Contribution, (b) no Holder shall have the right or power to demand or receive property other than cash from the Partnership and (c) no Holder shall have priority over any other Holder as to the return of its Capital Contributions, distributions or allocations.

Section 13.5 *Notice of Dissolution*. In the event that a Liquidating Event occurs or an event occurs that would, but for an election or objection by one or more Partners pursuant to Section 13.1 hereof, result in a dissolution of the Partnership, the General Partner shall, within thirty (30) days thereafter, provide written notice thereof to each Holder and, in the General Partner's sole and absolute discretion or as required by the Act, to all other parties with whom the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner), and the General Partner may, or, if required by the Act, shall, publish notice thereof in a newspaper of general circulation in each place in which the Partnership regularly conducts business (as determined in the sole and absolute discretion of the General Partner).

Section 13.6 *Cancellation of Certificate of Limited Partnership*. Upon the completion of the liquidation of the Partnership cash and property as provided in Section 13.2 hereof, the Partnership shall be terminated, a certificate of cancellation shall be filed with the SDAT, all qualifications of the Partnership as a foreign limited partnership or association in jurisdictions other than the State of Maryland shall be cancelled, and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 13.7 *Reasonable Time for Winding-Up*. A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Partnership and the liquidation of its assets pursuant to Section 13.2 hereof, in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between and among the Partners during the period of liquidation; *provided, however*, reasonable efforts shall be made to complete such winding-up within twenty-four (24) months after the adoption of a plan of liquidation of the General Partner, as provided in Section 562(b)(2)(B) of the Code, if necessary, in the sole and absolute discretion of the General Partner.

ARTICLE 14
PROCEDURES FOR ACTIONS AND CONSENTS
OF PARTNERS; AMENDMENTS; MEETINGS

Section 14.1 *Procedures for Actions and Consents of Partners*. The actions requiring Consent of any Partner or Partners pursuant to this Agreement, including Section 7.3 hereof, or otherwise pursuant to applicable law, are subject to the procedures set forth in this Article 14.

Section 14.2 *Amendments*. Amendments to this Agreement may be proposed by the General Partner or by Limited Partners holding twenty-five percent (25%) or more of the Partnership Interests held by Limited Partners and, except as set forth in Section 7.3.B and Section 7.3.C and subject to Section 7.3.D, Section 16.10 and the rights of any Holder of Partnership Interest set forth in a Partnership Unit Designation, shall be approved by the Consent of the Partners. Following such proposal, the General Partner shall submit to the Partners entitled to vote thereon any proposed amendment that, pursuant to the terms of this Agreement, requires the consent, approval or vote of such Partners. The General Partner shall seek the consent, approval or vote of the Partners entitled to vote thereon on any such proposed amendment in accordance with Section 14.3 hereof.

Section 14.3 *Actions and Consents of the Partners*.

A. Meetings of the Partners may be called only by the General Partner to transact any business that the General Partner determines. The call shall state the nature of the business to be transacted. Notice of any such meeting shall be given to all Partners entitled to act at the meeting not less than seven (7) days nor more than sixty (60) days prior to the date of such meeting. Partners may vote in person or by proxy at such meeting. Unless approval by a different number or proportion of the Partners is required by this Agreement (including without limitation Section 11.2.D), the affirmative vote of Partners holding a majority of the Percentage Interests held by the Partners entitled to act on any proposal shall be sufficient to approve such proposal at a meeting of the Partners. Whenever the vote, consent or approval of Partners is permitted or required under this Agreement, such vote, consent or approval may be given at a meeting of Partners or may be given at a meeting of Partners or in accordance with the procedure prescribed in Section 14.3.B hereof.

B. Any action requiring the Consent of any Partner or group of Partners pursuant to this Agreement or that is required or permitted to be taken at a meeting of the Partners may be taken without a meeting if a consent in writing or by electronic transmission setting forth the action so taken or consented to is given by Partners whose affirmative vote would be sufficient to approve such action or provide such Consent at a meeting of the Partners. Such consent may be in one instrument or in several instruments, and shall have the same force and effect as the affirmative vote of such Partners at a meeting of the Partners. Such consent shall be filed with the General Partner. An action so taken shall be deemed to have been taken at a meeting held on the effective date so certified. For purposes of obtaining a Consent in writing or by electronic transmission, the General Partner may require a response within a reasonable specified time, but not less than fifteen (15) days, and failure to respond in such time period shall constitute a Consent that is consistent with the General Partner’s recommendation with respect to the

proposal; *provided, however*, that an action shall become effective at such time as requisite Consents are received even if prior to such specified time.

C. Each Partner entitled to act at a meeting of the Partners may authorize any Person or Persons to act for it by proxy on all matters in which a Partner is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Each proxy must be signed by the Partner or its attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy (or there is receipt of a proxy authorizing a later date). Every proxy shall be revocable at the pleasure of the Partner executing it, such revocation to be effective upon the Partnership's receipt of written notice of such revocation from the Partner executing such proxy, unless such proxy states that it is irrevocable and is coupled with an interest.

D. The General Partner may set, in advance, a record date for the purpose of determining the Partners (i) entitled to Consent to any action, (ii) entitled to receive notice of or vote at any meeting of the Partners or (iii) in order to make a determination of Partners for any other proper purpose. Such date, in any case, (x) shall not be prior to the close of business on the day the record date is fixed and shall be not more than ninety (90) days and, in the case of a meeting of the Partners, not less than five (5) days, before the date on which the meeting is to be held or Consent is to be given and (y) shall be, with respect to the determination of the existence of Partnership Approval, the record date established by the General Partner for the approval of its stockholders for the event constituting a General Partner Interest Transfer. If no record date is fixed, the record date for the determination of Partners entitled to notice of or to vote at a meeting of the Partners shall be at the close of business on the day on which the notice of the meeting is sent, and the record date for any other determination of Partners shall be the effective date of such Partner action, distribution or other event. When a determination of the Partners entitled to vote at any meeting of the Partners has been made as provided in this section, such determination shall apply to any adjournment thereof.

E. Each meeting of Partners shall be conducted by the General Partner or such other Person as the General Partner may appoint pursuant to such rules for the conduct of the meeting as the General Partner or such other Person deems appropriate in its sole and absolute discretion. Without limitation, meetings of Partners may be conducted in the same manner as meetings of the General Partner's stockholders and may be held at the same time as, and as part of, the meetings of the General Partner's stockholders.

ARTICLE 15
GENERAL PROVISIONS

Section 15.1 *Redemption Rights of Qualifying Parties*.

A. After the applicable Fourteen-Month Period, a Qualifying Party shall have the right (subject to the terms and conditions set forth herein) to require the Partnership to redeem all or a portion of the Partnership Common Units held by such Tendering Party (Partnership Common Units that have in fact been tendered for redemption being hereafter referred to as "*Tendered Units")* in exchange (a "*Redemption*") for the Cash Amount payable on the Specified Redemption Date. The Partnership may, in the General Partner's sole and absolute discretion,

redeem Tendered Units at the request of the Holder thereof prior to the end of the applicable Fourteen-Month Period (subject to the terms and conditions set forth herein) (a "*Special Redemption*"); *provided, however*, that the General Partner first receives a legal opinion to the same effect as the legal opinion described in Section 15.1.G of this Agreement. Any Redemption shall be exercised pursuant to a Notice of Redemption delivered to the General Partner by the Qualifying Party when exercising the Redemption right (the "*Tendering Party*"). The Partnership's obligation to effect a Redemption, however, shall not arise or be binding against the Partnership until the earlier of (i) the date the General Partner notifies the Tendering Party that the General Partner declines to acquire some or all of the Tendered Units under Section 15.1.B hereof following receipt of a Notice of Redemption and (ii) the Business Day following the Cut-Off Date. In the event of a Redemption, the Cash Amount shall be delivered as a certified or bank check payable to the Tendering Party or, in the General Partner's sole and absolute discretion, in immediately available funds, in each case, on or before the tenth (10th) Business Day following the date on which the General Partner receives a Notice of Redemption from the Tendering Party.

B. Notwithstanding the provisions of Section 15.1.A hereof, on or before the close of business on the Cut-Off Date, the General Partner may, in the General Partner's sole and absolute discretion but subject to the Ownership Limit, elect to acquire some or all of the Tendered Units from the Tendering Party in exchange for REIT Shares (the percentage of such Tendered Units to be acquired by the General Partner in exchange for REIT Shares being referred to as the "*Applicable Percentage*"). If the General Partner elects to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the General Partner shall give written notice thereof to the Tendering Party on or before the close of business on the Cut-Off Date. If the General Partner elects to acquire any of the Tendered Units for REIT Shares, the General Partner shall issue and deliver such REIT Shares to the Tendering Party pursuant to the terms of this Section 15.1.B, in which case (1) the General Partner shall assume directly the obligation with respect thereto and shall satisfy the Tendering Party's exercise of its Redemption right with respect to such Tendered Units and (2) such transaction shall be treated, for federal income tax purposes, as a transfer by the Tendering Party of such Tendered Units to the General Partner in exchange for the REIT Shares Amount. If the General Partner so elects, on the Specified Redemption Date, the Tendering Party shall sell such number of the Tendered Units to the General Partner in exchange for a number of REIT Shares equal to the product of the REIT Shares Amount and the Applicable Percentage. The Tendering Party shall submit (i) such information, certification or affidavit as the General Partner may reasonably require in connection with the application of the Ownership Limit to any such acquisition and (ii) such written representations, investment letters, legal opinions or other instruments necessary, in the General Partner's view, to effect compliance with the Securities Act. In the event of a purchase of the Tendered Units by the General Partner pursuant to this Section 15.1.B, the Tendering Party shall no longer have the right to cause the Partnership to effect a Redemption of such Tendered Units and, upon notice to the Tendering Party by the General Partner given on or before the close of business on the Cut-Off Date that the General Partner has elected to acquire some or all of the Tendered Units pursuant to this Section 15.1.B, the obligation of the Partnership to effect a Redemption of the Tendered Units as to which the General Partner's notice relates shall not accrue or arise. A number of REIT Shares equal to the product of the Applicable Percentage and the REIT Shares Amount, if applicable, shall be delivered by the General Partner as duly authorized, validly issued, fully paid and non-assessable REIT Shares and, if applicable, Rights, free of any pledge, lien, encumbrance or

restriction, other than the Ownership Limit, the Securities Act and relevant state securities or "blue sky" laws. Neither any Tendering Party whose Tendered Units are acquired by the General Partner pursuant to this Section 15.1.B, any Partner, any Assignee nor any other interested Person shall have any right to require or cause the General Partner to register, qualify or list any REIT Shares owned or held by such Person, whether or not such REIT Shares are issued pursuant to this Section 15.1.B, with the SEC, with any state securities commissioner, department or agency, under the Securities Act or the Exchange Act or with any stock exchange; *provided*, *however*, that this limitation shall not be in derogation of any registration or similar rights granted pursuant to any other written agreement between the General Partner and any such Person. Notwithstanding any delay in such delivery, the Tendering Party shall be deemed the owner of such REIT Shares and Rights for all purposes, including, without limitation, rights to vote or consent, receive dividends, and exercise rights, as of the Specified Redemption Date. REIT Shares issued upon an acquisition of the Tendered Units by the General Partner pursuant to this Section 15.1.B may contain such legends regarding restrictions under the Securities Act and applicable state securities laws as the General Partner determines to be necessary or advisable in order to ensure compliance with such laws.

C. Notwithstanding the provisions of Section 15.1.A and 15.1.B hereof, the Tendering Parties shall have no rights under this Agreement that would otherwise be prohibited by the Charter. To the extent that any attempted Redemption or acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof would be in violation of this Section 15.1.C, it shall be null and void *ab initio*, and the Tendering Party shall not acquire any rights or economic interests in REIT Shares otherwise issuable by the General Partner under Section 15.1.B hereof or cash otherwise payable under Section 15.1.A hereof.

D. If the General Partner does not elect to acquire the Tendered Units pursuant to Section 15.1.B hereof:

(1) The Partnership may elect to raise funds for the payment of the Cash Amount either (a) by requiring that the General Partner contribute to the Partnership funds from the proceeds of a registered public offering by the General Partner of REIT Shares sufficient to purchase the Tendered Units or (b) from any other sources (including, but not limited to, the sale of any Property and the incurrence of additional Debt) available to the Partnership. The General Partner shall make a Capital Contribution of any such amounts to the Partnership for an additional General Partner Interest. Any such contribution shall entitle the General Partner to an equitable Percentage Interest adjustment.

(2) If the Cash Amount is not paid on or before the Specified Redemption Date, interest shall accrue with respect to the Cash Amount from the day after the Specified Redemption Date to and including the date on which the Cash Amount is paid at a rate equal to the base rate on corporate loans at large United States money center commercial banks, as published from time to time in the Wall Street Journal (but not higher than the maximum lawful rate).

E. Notwithstanding the provisions of Section 15.1.B hereof, the General Partner shall not, under any circumstances, elect to acquire any Tendered Units in exchange for REIT Shares if such exchange would be prohibited under the Charter.

F. Notwithstanding anything herein to the contrary (but subject to Section 15.1.C hereof), with respect to any Redemption (or any tender of Partnership Common Units for Redemption if the Tendered Units are acquired by the General Partner pursuant to Section 15.1.B hereof) pursuant to this Section 15.1:

(1) All Partnership Common Units acquired by the General Partner pursuant to Section 15.1.B hereof shall automatically, and without further action required, be converted into and deemed to be a General Partner Interest comprised of the same number of Partnership Common Units.

(2) Subject to the Ownership Limit, no Tendering Party may effect a Redemption for less than one thousand (1,000) Partnership Common Units or, if such Tendering Party holds (as a Limited Partner or, economically, as an Assignee) less than one thousand (1,000) Partnership Common Units, all of the Partnership Common Units held by such Tendering Party, without, in each case, the Consent of the General Partner.

(3) If (i) a Tendering Party surrenders its Tendered Units during the period after the Partnership Record Date with respect to a distribution and before the record date established by the General Partner for a distribution to its stockholders of some or all of its portion of such Partnership distribution, and (ii) the General Partner elects to acquire any of such Tendered Units in exchange for REIT Shares pursuant to Section 15.1.B, such Tendering Party shall pay to the General Partner on the Specified Redemption Date an amount in cash equal to the portion of the Partnership distribution in respect of the Tendered Units exchanged for REIT Shares, insofar as such distribution relates to the same period for which such Tendering Party would receive a distribution in respect of such REIT Shares.

(4) The consummation of such Redemption (or an acquisition of Tendered Units by the General Partner pursuant to Section 15.1.B hereof, as the case may be) shall be subject to the expiration or termination of the applicable waiting period, if any, under the Hart-Scott-Rodino Act.

(5) The Tendering Party shall continue to own (subject, in the case of an Assignee, to the provisions of Section 11.5 hereof) all Partnership Common Units subject to any Redemption, and be treated as a Limited Partner or an Assignee, as applicable, with respect to such Partnership Common Units for all purposes of this Agreement, until such Partnership Common Units are either paid for by the Partnership pursuant to Section 15.1.A hereof or transferred to the General Partner and paid for, by the issuance of the REIT Shares, pursuant to Section 15.1.B hereof on the Specified Redemption Date. Until a Specified Redemption Date and an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, the Tendering Party shall have no rights as a stockholder of the General Partner with respect to the REIT Shares issuable in connection with such acquisition.

G. In connection with an exercise of Redemption rights pursuant to this Section 15.1, except as otherwise Consented to by the General Partner, the Tendering Party shall submit the following to the General Partner, in addition to the Notice of Redemption:

(1) A written affidavit, dated the same date as the Notice of Redemption, (a) disclosing the actual and constructive ownership, as determined for purposes of Code Sections 856(a)(6) and 856(h), of REIT Shares by (i) such Tendering Party and (ii) to the best of their knowledge any Related Party and (b) representing that, after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party will own REIT Shares in violation of the Ownership Limit;

(2) A written representation that neither the Tendering Party nor to the best of their knowledge any Related Party has any intention to acquire any additional REIT Shares prior to the closing of the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date; and

(3) An undertaking to certify, at and as a condition to the closing of (i) the Redemption or (ii) the acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof on the Specified Redemption Date, that either (a) the actual and constructive ownership of REIT Shares by the Tendering Party and to the best of their knowledge any Related Party remain unchanged from that disclosed in the affidavit required by Section 15.1.G(1) or (b) after giving effect to the Redemption or an acquisition of the Tendered Units by the General Partner pursuant to Section 15.1.B hereof, neither the Tendering Party nor to the best of their knowledge any Related Party shall own REIT Shares in violation of the Ownership Limit.

(4) In connection with any Special Redemption, the General Partner shall have the right to receive an opinion of counsel reasonably satisfactory to it to the effect that the proposed Special Redemption will not cause the Partnership or the General Partner to violate any Federal or state securities laws or regulations applicable to the Special Redemption, the issuance and sale of the Tendered Units to the Tendering Party or the issuance and sale of REIT Shares to the Tendering Party pursuant to Section 15.1.B of this Agreement.

H. LTIP Unit Exception. Holders of LTIP Units shall not be entitled to the right of Redemption provided for in Section 15.1 of this Agreement, unless and until such LTIP Units have been converted into Partnership Common Units (or any other class or series of Partnership Units entitled to such right of Redemption) in accordance with their terms.

Section 15.2 *Addresses and Notice*. Any notice, demand, request or report required or permitted to be given or made to a Partner or Assignee under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by first class United States mail or by other means of written or electronic communication (including by telecopy, facsimile, electronic mail or commercial courier service) to the Partner, or Assignee at the address set forth in Exhibit A or Exhibit B (as applicable) or such other address of which the Partner shall notify the General Partner in accordance with this Section 15.2.

Section 15.3 *Titles and Captions*. All article or section titles or captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof. Except as

specifically provided otherwise, references to “Articles” or “Sections” are to Articles and Sections of this Agreement.

Section 15.4 *Pronouns and Plurals*. Whenever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa.

Section 15.5 *Further Action*. The parties shall execute and deliver all documents, provide all information and take or refrain from taking action as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 15.6 *Binding Effect*. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 15.7 *Waiver.*

A. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach or any other covenant, duty, agreement or condition.

B. The restrictions, conditions and other limitations on the rights and benefits of the Limited Partners contained in this Agreement, and the duties, covenants and other requirements of performance or notice by the Limited Partners, are for the benefit of the Partnership and, except for an obligation to pay money to the Partnership, may be waived or relinquished by the General Partner, in its sole and absolute discretion, on behalf of the Partnership in one or more instances from time to time and at any time; *provided*, *however*, that any such waiver or relinquishment may not be made if it would have the effect of (i) creating liability for any other Limited Partner, (ii) causing the Partnership to cease to qualify as a limited partnership, (iii) reducing the amount of cash otherwise distributable to the Limited Partners (other than any such reduction that affects all of the Limited Partners holding the same class or series of Partnership Units on a uniform or pro rata basis, if approved by a Majority in Interest of the Partners holding such class or series of Partnership Units), (iv) resulting in the classification of the Partnership as an association or publicly traded partnership taxable as a corporation or (v) violating the Securities Act, the Exchange Act or any state “blue sky” or other securities laws; and *provided*, *further*, that any waiver relating to compliance with the Ownership Limit or other restrictions in the Charter shall be made and shall be effective only as provided in the Charter.

Section 15.8 *Counterparts*. This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 15.9 *Applicable Law; Consent to Jurisdiction; Waiver of Jury Trial*.

A. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Maryland, without regard to the principles of conflicts of law. In the

event of a conflict between any provision of this Agreement and any non-mandatory provision of the Act, the provisions of this Agreement shall control and take precedence.

B. Each Partner hereby (i) submits to the non-exclusive jurisdiction of any state or federal court sitting in the State of Maryland (collectively, the "*Maryland Courts*"), with respect to any dispute arising out of this Agreement or any transaction contemplated hereby to the extent such courts would have subject matter jurisdiction with respect to such dispute, (ii) irrevocably waives, and agrees not to assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of any of the Maryland Courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, or that the venue of the action is improper, (iii) agrees that notice or the service of process in any action, suit or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be properly served or delivered if delivered to such Partner at such Partner's last known address as set forth in the Partnership's books and records, and (iv) irrevocably waives any and all right to trial by jury in any legal proceeding arising out of or related to this Agreement or the transactions contemplated hereby.

Section 15.10 *Entire Agreement*. This Agreement contains all of the understandings and agreements between and among the Partners with respect to the subject matter of this Agreement and the rights, interests and obligations of the Partners with respect to the Partnership. Notwithstanding the immediately preceding sentence, the Partners hereby acknowledge and agree that the General Partner, without the approval of any Limited Partner, may enter into side letters or similar written agreements with Limited Partners that are not Affiliates of the General Partner, executed contemporaneously with the admission of such Limited Partner to the Partnership, affecting the terms hereof, as negotiated with such Limited Partner and which the General Partner in its sole discretion deems necessary, desirable or appropriate. The parties hereto agree that any terms, conditions or provisions contained in such side letters or similar written agreements with a Limited Partner shall govern with respect to such Limited Partner notwithstanding the provisions of this Agreement.

Section 15.11 *Invalidity of Provisions*. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

Section 15.12 *Limitation to Preserve REIT Status*. Notwithstanding anything else in this Agreement, to the extent that the amount to be paid, credited, distributed or reimbursed by the Partnership to any REIT Partner or its officers, directors, employees or agents, whether as a reimbursement, fee, expense or indemnity (a "*REIT Payment*"), would constitute gross income to the REIT Partner for purposes of Code Section 856(c)(2) or Code Section 856(c)(3), then, notwithstanding any other provision of this Agreement, the amount of such REIT Payments, as selected by the General Partner in its discretion from among items of potential distribution, reimbursement, fees, expenses and indemnities, shall be reduced for any Partnership Year so that the REIT Payments, as so reduced, for or with respect to such REIT Partner shall not exceed the lesser of:

(i) an amount equal to the excess, if any, of (a) four and nine-tenths percent (4.9%) of the REIT Partner's total gross income (but excluding the amount of any REIT

Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(2) over (b) the amount of gross income (within the meaning of Code Section 856(c)(2)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(2) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code); or

(ii) an amount equal to the excess, if any, of (a) twenty-four percent (24%) of the REIT Partner's total gross income (but excluding the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code) for the Partnership Year that is described in subsections (A) through (I) of Code Section 856(c)(3) over (b) the amount of gross income (within the meaning of Code Section 856(c)(3)) derived by the REIT Partner from sources other than those described in subsections (A) through (I) of Code Section 856(c)(3) (but not including the amount of any REIT Payments and amounts excluded from gross income pursuant to Section 856(c)(5)(G) of the Code);

provided, however, that REIT Payments in excess of the amounts set forth in clauses (i) and (ii) above may be made if the General Partner, as a condition precedent, obtains an opinion of tax counsel that the receipt of such excess amounts should not adversely affect the REIT Partner's ability to qualify as a REIT. To the extent that REIT Payments may not be made in a Partnership Year as a consequence of the limitations set forth in this Section 15.12, such REIT Payments shall carry over and shall be treated as arising in the following Partnership Year if such carry over does not adversely affect the REIT Partner's ability to qualify as a REIT, provided, however, that any such REIT Payment shall not be carried over more than three Partnership Years, and any such remaining payments shall no longer be due and payable. The purpose of the limitations contained in this Section 15.12 is to prevent any REIT Partner from failing to qualify as a REIT under the Code by reason of such REIT Partner's share of items, including distributions, reimbursements, fees, expenses or indemnities, receivable directly or indirectly from the Partnership, and this Section 15.12 shall be interpreted and applied to effectuate such purpose.

Section 15.13 *No Partition*. No Partner nor any successor-in-interest to a Partner shall have the right while this Agreement remains in effect to have any property of the Partnership partitioned, or to file a complaint or institute any proceeding at law or in equity to have such property of the Partnership partitioned, and each Partner, on behalf of itself and its successors and assigns hereby waives any such right. It is the intention of the Partners that the rights of the parties hereto and their successors-in-interest to Partnership property, as among themselves, shall be governed by the terms of this Agreement, and that the rights of the Partners and their respective successors-in-interest shall be subject to the limitations and restrictions as set forth in this Agreement.

Section 15.14 *No Third-Party Rights Created Hereby*. The provisions of this Agreement are solely for the purpose of defining the interests of the Holders, inter se; and no other person, firm or entity (i.e., a party who is not a signatory hereto or a permitted successor to such signatory hereto) shall have any right, power, title or interest by way of subrogation or otherwise, in and to the rights, powers, title and provisions of this Agreement. No creditor or other third

party having dealings with the Partnership shall have the right to enforce the right or obligation of any Partner to make Capital Contributions or loans to the Partnership or to pursue any other right or remedy hereunder or at law or in equity. None of the rights or obligations of the Partners herein set forth to make Capital Contributions or loans to the Partnership shall be deemed an asset of the Partnership for any purpose by any creditor or other third party, nor may any such rights or obligations be sold, transferred or assigned by the Partnership or pledged or encumbered by the Partnership to secure any debt or other obligation of the Partnership or any of the Partners.

Section 15.15 *No Rights as Stockholders*. Nothing contained in this Agreement shall be construed as conferring upon the Holders of Partnership Units any rights whatsoever as stockholders of the General Partner, including without limitation any right to receive dividends or other distributions made to stockholders of the General Partner or to vote or to consent or receive notice as stockholders in respect of any meeting of stockholders for the election of directors of the General Partner or any other matter.

ARTICLE 16
LTIP UNITS

Section 16.1 *Designation*. A class of Partnership Units in the Partnership designated as the "*LTIP Units*" is hereby established. The number of LTIP Units that may be issued is not limited by this Agreement.

Section 16.2 *Vesting*.

A. *Vesting, Generally*. LTIP Units may, in the sole discretion of the General Partner, be issued subject to vesting, forfeiture and additional restrictions on Transfer pursuant to the terms of an award, vesting or other similar agreement (a "*Vesting Agreement*"). The terms of any Vesting Agreement may be modified by the General Partner from time to time in its sole discretion, subject to any restrictions on amendment imposed by the relevant Vesting Agreement or by the Plan, if applicable. LTIP Units that were fully vested when issued or that have vested and are no longer subject to forfeiture under the terms of a Vesting Agreement are referred to as "*Vested LTIP Units*"; all other LTIP Units shall be treated as "*Unvested LTIP Units*."

B. *Forfeiture*. Unless otherwise specified in the Vesting Agreement, the Plan or in any other applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, upon the occurrence of any event specified in such Vesting Agreement, Plan, Stock Option Plan, arrangement or program as resulting in either the right of the Partnership or the General Partner to repurchase LTIP Units at a specified purchase price or some other forfeiture of any LTIP Units, then if the Partnership or the General Partner exercises such right to repurchase or upon the occurrence of the event causing forfeiture in accordance with the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, then the relevant LTIP Units shall immediately, and without any further action, be treated as cancelled and no longer outstanding for any purpose. Unless otherwise specified in the applicable Vesting Agreement, Plan, Stock Option Plan, arrangement or program, no consideration or other payment shall be due with respect to any LTIP Units that have been forfeited, other than any distributions declared with respect to a Partnership Record Date and

with respect to such units prior to the effective date of the forfeiture. Except as otherwise provided in this Agreement (including without limitation Section 6.4.A(ix)) or any agreement relating to the grant of LTIP Units, in connection with any repurchase or forfeiture of such units, the balance of the portion of the Capital Account of the Holder of LTIP Units that is attributable to all of his or her LTIP Units shall be reduced by the amount, if any, by which it exceeds the target balance contemplated by Section 6.2.D, calculated with respect to such Holder's remaining LTIP Units, if any.

Section 16.3 *Adjustments*. The Partnership shall maintain at all times a one-to-one correspondence between LTIP Units and Partnership Common Units for conversion, distribution and other purposes, including without limitation complying with the following procedures; provided, that the foregoing is not intended to alter the special allocations pursuant to Section 6.2.D, differences between distributions to be made with respect to LTIP Units and Partnership Common Units pursuant to Section 13.2 and Section 16.4.B hereof in the event that the Capital Accounts attributable to the LTIP Units are less than those attributable to Partnership Common Units due to insufficient special allocation pursuant to Section 6.2.D or related provisions. If an Adjustment Event occurs, then the General Partner shall take any action reasonably necessary, including any amendment to this Agreement or Exhibit A hereto adjusting the number of outstanding LTIP Units or subdividing or combining outstanding LTIP Units, to maintain a one-for-one conversion and economic equivalence ratio between Partnership Common Units and LTIP Units. The following shall be "*Adjustment Events*": (i) the Partnership makes a distribution on all outstanding Partnership Common Units in Partnership Units, (ii) the Partnership subdivides the outstanding Partnership Common Units into a greater number of units or combines the outstanding Partnership Common Units into a smaller number of units, or (iii) the Partnership issues any Partnership Units in exchange for its outstanding Partnership Common Units by way of a reclassification or recapitalization of its Partnership Common Units. If more than one Adjustment Event occurs, any adjustment to the LTIP Units need be made only once using a single formula that takes into account each and every Adjustment Event as if all Adjustment Events occurred simultaneously. For the avoidance of doubt, the following shall not be Adjustment Events: (x) the issuance of Partnership Units in a financing, reorganization, acquisition or other similar business transaction, (y) the issuance of Partnership Units pursuant to any employee benefit or compensation plan or distribution reinvestment plan, or (z) the issuance of any Partnership Units to the General Partner in respect of a Capital Contribution to the Partnership of proceeds from the sale of securities by the General Partner. If the Partnership takes an action affecting the Partnership Common Units other than actions specifically described above as "Adjustment Events" and in the opinion of the General Partner such action would require action to maintain the one-to-one correspondence described above, the General Partner shall have the right to take such action, to the extent permitted by law, the Plan and by any applicable Stock Option Plan or other compensatory arrangement or incentive program pursuant to which LTIP Units are issued, in such manner and at such time as the General Partner, in its sole discretion, may determine to be reasonably appropriate under the circumstances. If an amendment is made to this Agreement adjusting the number of outstanding LTIP Units as herein provided, the Partnership shall promptly file in the books and records of the Partnership an officer's certificate setting forth a brief statement of the facts requiring such adjustment, which certificate shall be conclusive evidence of the correctness of such adjustment absent manifest error. Promptly after filing of such certificate, the Partnership shall mail a notice to each LTIP

Unit Limited Partner setting forth the adjustment to his or her LTIP Units and the effective date of such adjustment.

Section 16.4 *Distributions*.

A. *Operating Distributions*. Except as otherwise provided in this Agreement, the Plan or any other applicable Stock Option Plan, any applicable Vesting Agreement or by the General Partner with respect to any particular class or series of LTIP Units, Holders of LTIP Units shall be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, regular, special, extraordinary or other distributions (other than distributions upon the occurrence of a Liquidating Event or proceeds from a Terminating Capital Transaction) which may be made from time to time, in an amount per unit equal to the amount of any such distributions that would have been payable to such holders if the LTIP Units had been Partnership Common Units (if applicable, assuming such LTIP Units were held for the entire period to which such distributions relate).

B. *Liquidating Distributions*. Holders of LTIP Units shall also be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, distributions upon the occurrence of a Liquidating Event or representing proceeds from a Terminating Capital Transaction in an amount per LTIP Unit equal to the amount of any such distributions payable on one Partnership Common Unit, whether made prior to, on or after the LTIP Unit Distribution Participation Date; provided that the amount of such distributions shall not exceed the positive balances of the Capital Accounts of the holders of such LTIP Units to the extent attributable to the ownership of such LTIP Units.

C. *Distributions Generally*. Distributions on the LTIP Units, if authorized, shall be payable on such dates and in such manner as may be authorized by the General Partner (any such date, an "*LTIP Unit Distribution Participation Date*"); provided that the LTIP Unit Distribution Participation Date shall be the same as the corresponding date relating to the corresponding distribution on the Partnership Common Units. The record date for determining which Holders of LTIP Units are entitled to receive a distributions shall be the corresponding Partnership Record Date.

Section 16.5 *Allocations*. Holders of LTIP Units shall be allocated Net Income and Net Loss in amounts per LTIP Unit equal to the amounts allocated per Partnership Common Unit. The allocations provided by the preceding sentence shall be subject to Sections 6.2.A and 6.2.B and in addition to any special allocations required by Section 6.2.D. The General Partner is authorized in its discretion to delay or accelerate the participation of the LTIP Units in allocations of Net Income and Net Loss under this Section 16.5, or to adjust the allocations made under this Section 16.5, so that the ratio of (i) the total amount of Net Income or Net Loss allocated with respect to each LTIP Unit in the taxable year in which that LTIP Unit's LTIP Unit Distribution Participation Date falls (excluding special allocations under Section 6.2.D), to (ii) the total amount distributed to that LTIP Unit with respect to such period, is more nearly equal to the ratio of (i) the Net Income and Net Loss allocated with respect to the General Partner's Partnership Common Units in such taxable year to (ii) the amounts distributed to the General Partner with respect to such Partnership Common Units and such taxable year.

Section 16.6 *Transfers*. Subject to the terms of any Vesting Agreement, an LTIP Unit Limited Partner shall be entitled to transfer his or her LTIP Units to the same extent, and subject to the same restrictions as Holders of Partnership Common Units are entitled to transfer their Partnership Common Units pursuant to Article 11.

Section 16.7 *Redemption*. The Redemption Right provided to Qualifying Parties under Section 15.1 shall not apply with respect to LTIP Units unless and until they are converted to Partnership Common Units as provided in Section 16.9 below.

Section 16.8 *Legend*. Any certificate evidencing an LTIP Unit shall bear an appropriate legend indicating that additional terms, conditions and restrictions on transfer, including without limitation any Vesting Agreement, apply to the LTIP Unit.

Section 16.9 *Conversion to Partnership Common Units*.

A. A Qualifying Party holding LTIP Units shall have the right (the "*Conversion Right*"), at his or her option, at any time to convert all or a portion of his or her Vested LTIP Units into Partnership Common Units; provided, however, that a Qualifying Party may not exercise the Conversion Right for less than one thousand (1,000) Vested LTIP Units or, if such Qualifying Party holds less than one thousand (1,000) Vested LTIP Units, all of the Vested LTIP Units held by such Qualifying Party. Qualifying Parties shall not have the right to convert Unvested LTIP Units into Partnership Common Units until they become Vested LTIP Units; *provided*, *however*, that when a Qualifying Party is notified of the expected occurrence of an event that will cause his or her Unvested LTIP Units to become Vested LTIP Units, such Qualifying Party may give the Partnership a Conversion Notice conditioned upon and effective as of the time of vesting and such Conversion Notice, unless subsequently revoked by the Qualifying Party, shall be accepted by the Partnership subject to such condition. In all cases, the conversion of any LTIP Units into Partnership Common Units shall be subject to the conditions and procedures set forth in this Section 16.9.

B. A Qualifying Party may convert his or her Vested LTIP Units into an equal number of fully paid and non-assessable Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3. Notwithstanding the foregoing, in no event may a Qualifying Party convert a number of Vested LTIP Units that exceeds (x) the Economic Capital Account Balance of such Limited Partner, to the extent attributable to his or her ownership of LTIP Units, divided by (y) the Common Unit Economic Balance, in each case as determined as of the effective date of conversion (the "*Capital Account Limitation*"). In order to exercise his or her Conversion Right, a Qualifying Party shall deliver a notice (a "*Conversion Notice*") in the form attached as Exhibit D to the Partnership (with a copy to the General Partner) not less than 3 nor more than 10 days prior to a date (the "*Conversion Date*") specified in such Conversion Notice; *provided*, *however*, that if the General Partner has not given to the Qualifying Party notice of a proposed or upcoming Transaction (as defined below) at least thirty (30) days prior to the effective date of such Transaction, then the Qualifying Party shall have the right to deliver a Conversion Notice until the earlier of (x) the tenth (10th) day after such notice from the General Partner of a Transaction or (y) the third business day immediately preceding the effective date of such Transaction. A Conversion Notice shall be provided in the manner provided in Section 15.2. Each Qualifying Party seeking to convert Vested LTIP Units

covenants and agrees with the Partnership that all Vested LTIP Units to be converted pursuant to this Section 16.9 shall be free and clear of all liens. Notwithstanding anything herein to the contrary, if the Fourteen-Month Period with respect to the Partnership Common Units into which the Vested LTIP Units are convertible has elapsed, a Qualifying Party may deliver a Notice of Redemption pursuant to Section 15.1.A relating to such Partnership Common Units in advance of the Conversion Date; *provided*, *however*, that the redemption of such Partnership Common Units by the Partnership shall in no event take place until on or after the Conversion Date. For clarity, it is noted that the objective of this paragraph is to put a Qualifying Party in a position where, if he or she so wishes, the Partnership Common Units into which his or her Vested LTIP Units will be converted can be redeemed by the Partnership pursuant to Section 15.1.A simultaneously with such conversion, with the further consequence that, if the General Partner elects to assume the Partnership's redemption obligation with respect to such Partnership Common Units under Section 15.1.B by delivering to such Qualifying Party REIT Shares rather than cash, then such Qualifying Party can have such REIT Shares issued to him or her simultaneously with the conversion of his or her Vested LTIP Units into Partnership Common Units. The General Partner shall cooperate with a Qualifying Party to coordinate the timing of the different events described in the foregoing sentence.

C. The Partnership, at any time at the election of the General Partner, may cause any number of Vested LTIP Units to be converted (a "*Forced Conversion*") into an equal number of Partnership Common Units, giving effect to all adjustments (if any) made pursuant to Section 16.3; *provided*, *however*, that the Partnership may not cause a Forced Conversion of any LTIP Units that would not at the time be eligible for conversion at the option of a Qualifying Party pursuant to Section 16.9.B. In order to exercise its right of Forced Conversion, the Partnership shall deliver a notice (a "*Forced Conversion Notice*") in the form attached hereto as Exhibit E to the applicable Holder of LTIP Units not less than 10 nor more than 60 days prior to the Conversion Date specified in such Forced Conversion Notice. A Forced Conversion Notice shall be provided in the manner provided in Section 15.2.

D. A conversion of Vested LTIP Units for which the Holder thereof has given a Conversion Notice or the Partnership has given a Forced Conversion Notice shall occur automatically after the close of business on the applicable Conversion Date without any action on the part of such Holder of LTIP Units other than the surrender of any certificate or certificates evidencing such Vested LTIP Units, as of which time such Holder of LTIP Units shall be credited on the books and records of the Partnership as of the opening of business on the next day with the number of Partnership Common Units into which such LTIP Units were converted. After the conversion of LTIP Units as aforesaid, the Partnership shall deliver to such Holder of LTIP Units, upon his or her written request, a certificate of the General Partner certifying the number of Partnership Common Units and remaining LTIP Units, if any, held by such person immediately after such conversion. The Assignee of any Limited Partner pursuant to Article 11 hereof may exercise the rights of such Limited Partner pursuant to this Section 16.9 and such Limited Partner shall be bound by the exercise of such rights by the Assignee.

E. For purposes of making future allocations under Section 6.2.D and applying the Capital Account Limitation, the portion of the Economic Capital Account Balance of the applicable Holder of LTIP Units that is treated as attributable to his or her LTIP Units shall be

reduced, as of the date of conversion, by the product of the number of LTIP Units converted and the Common Unit Economic Balance.

F. If the Partnership or the General Partner shall be a party to any transaction (including without limitation a merger, consolidation, unit exchange, self tender offer for all or substantially all Partnership Common Units or other business combination or reorganization, or sale of all or substantially all of the Partnership's assets, but excluding any transaction which constitutes an Adjustment Event) in each case as a result of which Partnership Common Units shall be exchanged for or converted into the right, or the Holders shall otherwise be entitled, to receive cash, securities or other property or any combination thereof (each of the foregoing being referred to herein as a "*Transaction*"), then the General Partner shall, immediately prior to the Transaction, exercise its right to cause a Forced Conversion with respect to the maximum number of LTIP Units then eligible for conversion, taking into account any allocations that occur in connection with the Transaction or that would occur in connection with the Transaction if the assets of the Partnership were sold at the Transaction price or, if applicable, at a value determined by the General Partner in good faith using the value attributed to the Partnership Common Units in the context of the Transaction (in which case the Conversion Date shall be the effective date of the Transaction). In anticipation of such Forced Conversion and the consummation of the Transaction, the Partnership shall use commercially reasonable efforts to cause each LTIP Unit Limited Partner to be afforded the right to receive in connection with such Transaction in consideration for the Partnership Common Units into which his or her LTIP Units will be converted the same kind and amount of cash, securities and other property (or any combination thereof) receivable upon the consummation of such Transaction by a Holder of the same number of Partnership Common Units, assuming such Holder is not a Person with which the Partnership consolidated or into which the Partnership merged or which merged into the Partnership or to which such sale or transfer was made, as the case may be (a "*Constituent Person*"), or an affiliate of a Constituent Person. In the event that Holders of Partnership Common Units have the opportunity to elect the form or type of consideration to be received upon consummation of the Transaction, prior to such Transaction the General Partner shall give prompt written notice to each LTIP Unit Limited Partner of such opportunity, and shall use commercially reasonable efforts to afford the LTIP Unit Limited Partner the right to elect, by written notice to the General Partner, the form or type of consideration to be received upon conversion of each LTIP Unit held by such Holder into Partnership Common Units in connection with such Transaction. If a LTIP Unit Limited Partner fails to make such an election, such Holder (and any of its transferees) shall receive upon conversion of each LTIP Unit held by him or her (or by any of his or her transferees) the same kind and amount of consideration that a Holder of Partnership Common Units would receive if such Holder of Partnership Common Units failed to make such an election. Subject to the rights of the Partnership and the General Partner under any Vesting Agreement and the relevant terms of the Plan or any other applicable Stock Option Plan, the Partnership shall use commercially reasonable effort to cause the terms of any Transaction to be consistent with the provisions of this Section 16.9.F and to enter into an agreement with the successor or purchasing entity, as the case may be, for the benefit of any LTIP Unit Limited Partner whose LTIP Units will not be converted into Partnership Common Units in connection with the Transaction that will (i) contain provisions enabling Qualifying Parties that remain outstanding after such Transaction to convert their LTIP Units into securities as comparable as reasonably possible under the circumstances to the Partnership Common Units and (ii) preserve as far as reasonably possible under the circumstances the distribution, special

allocation, conversion, and other rights set forth in the Agreement for the benefit of the LTIP Unit Limited Partners.

Section 16.10 *Voting*. LTIP Unit Limited Partners shall (a) have the same voting rights as Limited Partners holding Partnership Common Units, with the LTIP Unit Limited Partners voting together as a single class with the Partnership Common Units and having one vote per LTIP Unit; and (b) have the additional voting rights that are expressly set forth below, and Holders of LTIP Units shall not be entitled to approve, vote on or consent to any other matter. So long as any LTIP Units remain outstanding and except as provided in Section 16.3, the Partnership shall not, without the Consent of the Limited Partners holding a majority of the LTIP Units held by Limited Partners at the time (voting separately as a class), amend, alter or repeal, whether by merger, consolidation or otherwise, the provisions of the Agreement applicable to LTIP Units so as to materially and adversely affect any right, privilege or voting power of the LTIP Units or the LTIP Unit Limited Partners as such, unless such amendment, alteration, or repeal affects equally, ratably and proportionately the rights, privileges and voting powers of the Limited Partners holding Partnership Common Units; but subject, in any event, to the following provisions: (i) with respect to any Transaction, so long as the LTIP Units are treated in accordance with Section 16.9.F hereof, the consummation of such Transaction shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such; and (ii) any creation or issuance of any Partnership Units or of any class or series of Partnership Interest including without limitation additional Partnership Units or LTIP Units, whether ranking senior to, junior to, or on a parity with the LTIP Units with respect to distributions or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unit Limited Partners as such. The foregoing voting provisions will not apply if, at or prior to the time when the action with respect to which such vote would otherwise be required will be effected, all outstanding LTIP Units shall have been converted or provision is made for such conversion to occur as of or prior to such time into Partnership Common Units.

Section 16.11 *Section 83 Safe Harbor*. Each Partner authorizes the General Partner to elect to apply the safe harbor (the "Section 83 Safe Harbor") set forth in proposed Regulations Section 1.83-3(l) and proposed IRS Revenue Procedure published in Notice 2005-43 (together, the "Proposed Section 83 Safe Harbor Regulation") (under which the fair market value of a Partnership Interest that is Transferred in connection with the performance of services is treated as being equal to the liquidation value of the interest) if such Proposed Section 83 Safe Harbor Regulation or similar Regulations are promulgated as a final or temporary Regulations. If the General Partner determines that the Partnership should make such election, the General Partner is hereby authorized to amend this Agreement without the consent of any other Partner to provide that (i) the Partnership is authorized and directed to elect the Section 83 Safe Harbor, (ii) the Partnership and each of its Partners (including any Person to whom a Partnership Interest, including an LTIP Unit, is Transferred in connection with the performance of services) will comply with all requirements of the Section 83 Safe Harbor with respect to all Partnership Interests Transferred in connection with the performance of services while such election remains in effect and (iii) the Partnership and each of its Partners will take all actions necessary, including providing the Partnership with any required information, to permit the Partnership to comply with the requirements set forth or referred to in the applicable Regulations for such

election to be effective until such time (if any) as the General Partner determines, in its sole discretion, that the Partnership should terminate such election. The General Partner is further authorized to amend this Agreement to modify Article 6 to the extent the General Partner determines in its discretion that such modification is necessary or desirable as a result of the issuance of any applicable law, Regulations, notice or ruling relating to the tax treatment of the transfer of a Partnership Interests in connection with the performance of services. Notwithstanding anything to the contrary in this Agreement, each Partner expressly confirms that it will be legally bound by any such amendment.

EXAMPLES REGARDING ADJUSTMENT FACTOR

For purposes of the following examples, it is assumed that (a) the Adjustment Factor in effect on [_____] is 1.0 and (b) on [_____] (the "*Partnership Record Date*" for purposes of these examples), prior to the events described in the examples, there are 100 REIT Shares issued and outstanding.

Example 1

On the Partnership Record Date, the General Partner declares a dividend on its outstanding REIT Shares in REIT Shares. The amount of the dividend is one REIT Share paid in respect of each REIT Share owned. Pursuant to Paragraph (i) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the stock dividend is declared, as follows:

1.0 * 200/100 = 2.0

Accordingly, the Adjustment Factor after the stock dividend is declared is 2.0.

Example 2

On the Partnership Record Date, the General Partner distributes options to purchase REIT Shares to all holders of its REIT Shares. The amount of the distribution is one option to acquire one REIT Share in respect of each REIT Share owned. The strike price is $4.00 a share. The Value of a REIT Share on the Partnership Record Date is $5.00 per share. Pursuant to Paragraph (ii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the options are distributed, as follows:

1.0 * (100 + 100)/(100 + [100 * $4.00/$5.00]) = 1.1111

Accordingly, the Adjustment Factor after the options are distributed is 1.1111. If the options expire or become no longer exercisable, then the retroactive adjustment specified in Paragraph (ii) of the definition of "Adjustment Factor" shall apply.

Example 3

On the Partnership Record Date, the General Partner distributes assets to all holders of its REIT Shares. The amount of the distribution is one asset with a fair market value (as determined by the General Partner) of $1.00 in respect of each REIT Share owned. It is also assumed that the assets do not relate to assets received by the General Partner pursuant to a pro rata distribution by the Partnership. The Value of a REIT Share on the Partnership Record Date is $5.00 a share. Pursuant to Paragraph (iii) of the definition of "Adjustment Factor," the Adjustment Factor shall be adjusted on the Partnership Record Date, effective immediately after the assets are distributed, as follows:

1.0 * $5.00/($5.00 - $1.00) = 1.25

Accordingly, the Adjustment Factor after the assets are distributed is 1.25.

Any such offer of employment shall be made in writing by Assignee on or before the Closing. Each Affected Employee shall commence employment with Assignee or an Affiliate of Assignee and shall be deemed to have accepted Assignee's or Assignee's Affiliate's offer of employment by reporting for work at his or her normal work location (i) for Affected Employees who are actively employed as of the Closing, immediately following the Closing, and (ii) for Affected Employees who, as of the Closing, are absent due to a leave of absence, upon such Affected Employees return to active employment. (b) Service Credit; Pre-Existing Conditions. Assignee shall, or shall cause an Affiliate to, give each Transferred Employee full credit for such Transferred Employee's service with Assignor and/or its Affiliates prior to Closing, in any case, for purposes of eligibility, vesting and benefit accrual under employee benefit plans and programs of Assignee and its Affiliates in which Transferred Employees become eligible to participate following the Closing ("Assignee Plans"), to the extent such credit was recognized under comparable employee benefit plans or programs of Assignor and/or their Affiliates ("Assignor Plans") immediately prior to Closing, except to the extent such service credit results in duplication of benefits. With respect to any Assignee Plans that are welfare benefit plans in which Transferred Employees become eligible to participate on or after the Closing, Assignee shall, or shall cause an Affiliate to, (i) cause there to be waived any eligibility requirements or pre-existing condition limitations, and (ii) give effect, in determining any deductible and maximum out-of-pocket limitations, to amounts paid by such Transferred Employees under comparable Assignor Plans, in each case, to the extent waived and given effect (as applicable) under comparable Assignor Plans immediately prior to Closing.

(c) Accrued PTO. Prior to Closing, Assignor shall, to the extent required by applicable law in order to transfer vacation days, sick time, personal days and other paid-time-off accrued by Transferred Employees prior to the Closing in accordance with applicable policies of Assignor and/or its Affiliates ("Accrued PTO") to Assignee, solicit in writing the consent of each Affected Employee to rollover to Assignor or its designated Affiliate each such Affected Employee's Accrued PTO (if any) upon Closing (the "Accrued PTO Rollover Consents"). For each Affected Employee who becomes a Transferred Employee and either (i) provides such Accrued PTO Rollover Consent on or prior to Closing or (ii) with respect to whom an Accrued PTO Rollover Consent is not required by applicable law to transfer Accrued PTO to Assignee or

its Affiliate, Assignee shall assume and honor or cause an Affiliate to assume and honor such Transferred Employees Accrued PTO. Transferred Employees shall be permitted to use any such assumed Accrued PTO in a manner consistent with Assignee's policies applicable to similarly-situated employees of Assignee and to accrue additional vacation and other paid-time-off in accordance with Assignee's policies and procedures, as in effect from time to time. At the Closing, Assignor shall, or shall cause its Affiliates to, transfer to Assignee an amount equal to the total Accrued PTO subject to the Accrued PTO Rollover Consents. To the extent that any Transferred Employees have not provided an Accrued PTO Rollover Consent upon Closing and such consent is required by law to effect a rollover to Assignee or its Affiliates of Accrued PTO, Assignor shall, or shall cause its Affiliates to, pay out to such Transferred Employees their Accrued PTO at Closing.

(d) WARN Act. Assignee shall be solely responsible for providing notice under of the Worker Adjustment and Retraining Notification Act ("WARN Act") or California Labor Code Section 1400 *et*. *seq*.("Cal-WARN Act"), if Assignee takes any action that would require notice be provided under the WARN ACT or the Cal-WARN Act.

(e) Qualified Plan. As soon as practicable following the Closing, the Assignor shall spin-off and transfer the account balances of each Transferred Employee who is a participant in Assignor's tax-qualified defined contribution plan that is a 401(k) plan (the "Assignor 401(k) Plan") to a tax-qualified defined contribution 401(k) plan established by or maintained by Assignee or one of its Affiliates (the "Assignee 401(k) Plan") in a trustee to trustee transfer in accordance with Section 414(l) of the Internal Revenue Code of 1986, as amended (the "Code"). Assignee shall cause the Assignee 401(k) Plan to have such terms as are necessary so that the transfers described in this Section do not adversely affect the qualified status of the Assignor 401(k) Plan. The transfer of the account balance liability and related assets shall include a trustee to trustee transfer of all participant loan accounts and liabilities under the Assignor 401(k) Plan.

(f) Flexible Spending Plan. With respect to the year in which the Closing occurs, Assignee shall, or shall cause its Affiliates to, establish flexible spending accounts for medical and dependent care expenses under a new or existing plan established or maintained under Section 125 or Section 129 of the Code ("Assignee's FSA"), effective as of the Closing, for each Transferred Employee who is, as of the Closing, a participant in a flexible spending account of Assignor for medical or dependent care expenses under a plan pursuant to Sections 125 or 129 of the Code (the "Assignor's FSA"). Assignee shall, or shall cause its Affiliates to, credit or debit, as applicable, effective on the day after the Closing, the applicable account of each such Transferred Employee under Assignee's FSA with an amount equal to the balance of such Transferred Employee's account under the Assignor's FSA as of the Closing. At the Closing, Assignor shall, or shall cause its Affiliates to, transfer to Assignee an amount equal to the total contributions made to Assignor's FSA by Transferred Employees, reduced by an amount equal to the total claims already paid to such Transferred Employees in respect of the plan year in which the Closing occurs.

(g) Payroll. To the extent permitted by applicable law, the parties hereto shall adopt the "alternate procedure" for preparing and filing all IRS Forms W-2, IRS Forms W-3, IRS Forms W-4, IRS Forms W-5 and IRS Forms 941, as described in Section 5 of Revenue

Procedure 2004-53 and such other applicable guidance. In addition, the parties intend that, to the extent permissible under the Code, Assignee qualify as a "successor employer" for purposes of receiving credit for the payment of taxes under the Federal Insurance Contribution Act and Federal Unemployment Tax Act by Assignor with respect to the Transferred Employees within the meaning of Sections 3121 and 3306 of the Code. The parties shall cooperate to effectuate the foregoing.

(h) Deferred Compensation Plan. To the extent permitted by law, Assignee shall, or shall cause its Affiliates to, establish deferred compensation accounts under a plan established or maintained by Assignee or one of its Affiliates ("Assignee's DCP"), effective as of the Closing, for each Transferred Employee who is, as of the Closing, a participant in the American Assets, Inc. Executive Deferral Plan VI ("Assignor's DCP"). Assignee shall, or shall cause its Affiliates to credit, effective on the day after the Closing, the applicable account of each such Transferred Employee under Assignee's DCP with an amount equal to the balance of such Transferred Employee's account under Assignor's DCP as of the Closing. At the Closing, Assignor shall, or shall cause its Affiliates to, transfer to Assignee an amount equal to the total contributions made to Assignor's DCP by or on behalf of Transferred Employees. The parties shall cooperate to effectuate the foregoing. Notwithstanding the foregoing, the provisions of this Section 4(h) shall not apply to the extent that such transactions would cause in all or any portion of a Transferred Employee's benefits under Assignor's DCP to become taxable to such Transferred Employee prior to receipt as a result of a failure to comply with the requirements of Section 409A of the Code.

(i) Excluded Liabilities. Except as otherwise specifically set forth in Section 2 above or this Section 4, Assignor shall retain and be responsible for any and all liabilities and obligations that relate to or arise from the employment by Assignor or any of its Affiliates of the Transferred Employees arising prior to the Closing and any liabilities and obligations relating to any present or former employee of Assignor or any of its Affiliates who does not become a Transferred Employee.

(j) Limitations. Assignee shall have no obligation to continue any employment or other service relationship with any Transferred Employee or other service provider. Any employment opportunity offered by Assignor hereunder shall be "at will" and may be terminated by Assignee or any of its Affiliates at any time for any reason. Nothing in this Agreement shall (i) create any third-party rights in any Transferred Employees or any current or former employees or other service providers of Assignor or its Affiliates (or any beneficiaries or dependents of the foregoing); or (ii) obligate Assignor or its Affiliates to adopt, maintain or continue any Assignor Plan or other employee benefit plan or compensatory arrangement at any time.

(k) Definition of Affiliate. For purposes of this Agreement, "Affiliate" shall mean, as to any individual, corporation, partnership, limited liability company, association, trust, unincorporated entity or other legal entity (each a "Person"), any other Person that directly, or indirectly through one or more intermediaries, controls, is controlled by, or under common control with such Person. As used in this definition, "control" (including, with correlative meanings, "controlled by" and "under common control with") shall mean possession, directly or indirectly, of the power to direct or cause the direction of the management and policies (whether through ownership of securities or partnership or other ownership interests, by contract or otherwise).

5. Termination. This Agreement may be terminated at any time upon the written agreement of Assignee and Assignor.

6. Capital Contribution. The assignment of the Contributed Assets and the Assumed Liabilities shall be deemed a capital contribution of Assignor.

The Contributed Assets and the Assumed Liabilities are all of the assets and liabilities materially necessary for the operation of the Business.

8. Consents. The parties shall use commercially reasonable efforts to obtain all materially necessary consents and approvals of governmental authorities and third parties (including lenders) for Assignor to consummate the transactions contemplated hereby.

9. Further Actions. If, at any time prior to or after the Closing, the Assignee shall determine or be advised that any deeds, bills of sale, assignments, assurances or other actions or things are necessary or desirable to vest, perfect or confirm of record or otherwise in the Operating Partnership the right, title or interest in or to a Contributed Interests, the Contributor of such Contributed Interest shall execute and deliver all such deeds, bills of sale, assignments and assurances and take and do all such other actions and things as may be necessary or desirable to vest, perfect or confirm any and all right, title and interest in such Contributed Interests or otherwise to carry out this Agreement.

10. Counterparts. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each party and delivered to each other party.

11. Entire Agreement. This Agreement, including, without limitation, the schedules attached hereto, constitute the entire agreement and supersede each prior agreement and understanding, whether written or oral, among the parties regarding the subject matter of this Agreement. This Agreement is not intended to confer any rights or remedies on any person other than the parties hereto.

12. Assignment. This Agreement shall be binding upon, and shall be enforceable by and inure to the benefit of, the parties hereto and their respective heirs, legal representatives, successors and assigns.

13. Severability. Each provision of this Agreement will be interpreted so as to be effective and valid under applicable law, but if any provision is held invalid, illegal or unenforceable under applicable law in any jurisdiction, then such invalidity, illegality or unenforceability will not affect any other provision, and this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been included herein.

14. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of California, regardless of any laws that might otherwise govern under applicable principles of conflicts of laws thereof.

15. Amendments and Waivers. Any term of this Agreement may be amended and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of both parties hereto; provided that the Assignor may at any time prior to the Closing amend the schedules hereto to reflect changes in the composition of its assets, liabilities and/or employees.

PROVIDED, HOWEVER, these presents are upon the express condition that, when all of the Obligations have been paid in full, Lender shall re-convey the Property and shall surrender this Security Instrument and all notes and instruments evidencing the Obligations to Borrower.

Article 2. PAYMENTS

Section 2.1. DEBT AND OBLIGATIONS SECURED. This Security Instrument and the grants, assignments and transfers made in Article 1 are given for the purpose of securing the following, in such order of priority as Lender may determine in its sole discretion (the "**Debt**"): (a) the payment of the indebtedness evidenced by the Note in lawful money of the United States of America; (b) the payment of interest, prepayment premiums, default interest, late charges and other sums, as provided in the Note, this Security Instrument or the Other Security Documents (defined below); (c) the payment of all other moneys agreed or provided to be paid by Borrower in the Note, this Security Instrument or the Other Security Documents (collectively sometimes referred to herein as the "**Loan Documents**"); (d) the payment of all sums advanced pursuant to this Security Instrument to protect and preserve the Property and the lien and the security interest created hereby; (e) the payment of all sums reasonably advanced and costs and expenses reasonably incurred (including unpaid or unreimbursed servicing and special servicing fees) by Lender in connection with the Debt or any part thereof, any renewal, extension, or change of or substitution for the Debt or any part thereof, or the acquisition or perfection of the security therefor, whether made or incurred at the request of Borrower or Lender. This Security Instrument and the grants, assignments and transfers made in Article 1 are also given for the purpose of securing the performance of all other obligations of Borrower contained herein and the performance of each obligation of Borrower contained in any renewal, extension, amendment, modification, consolidation, change of, or substitution or replacement for, all or any part of this Security Instrument, the Note, or the Other Security Documents (collectively, the "**Other Obligations**"). Borrower's obligations for the payment of the Debt and the performance of the Other Obligations shall be referred to collectively herein as the "**Obligations**."

Section 2.2. PAYMENTS. Unless payments are made in the required amount in immediately available funds at the place where the Note is payable, remittances in payment of all

or any part of the Debt shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Lender in funds immediately available at the place where the Note is payable (or any other place as Lender, in Lender's sole discretion, may have established by delivery of written notice thereof to Borrower) and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall not cure any then-existing Event of Default (defined below).

Article 3. BORROWER COVENANTS

Borrower covenants and agrees that:

Section 3.1. PAYMENT OF DEBT. Borrower will pay the Debt at the time and in the manner provided in the Note and in this Security Instrument.

Section 3.2. INCORPORATION BY REFERENCE. All the covenants, conditions and agreements contained in (a) the Note and (b) all and any of the documents other than the Note or this Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender, which wholly or partially secure or guaranty payment of the Note (the "**Other Security Documents**"), are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3. INSURANCE.

(a) Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Lender, shall obtain and maintain, or cause to be maintained, during the entire term of this Security Instrument policies of insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("**Special Form**") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Security Instrument shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) for all such insurance coverage and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (y) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of

such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such lesser amount as Lender shall require; and (z) earthquake insurance in amounts and in form and substance reasonably satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity, provided that the insurance required to be maintained pursuant to clauses (y) and (z) above shall be on terms consistent with the Special Form policy required pursuant to this subsection (i). Notwithstanding anything to the contrary in this Security Instrument, the insurance coverage described in the foregoing subparagraphs (y) and (z) shall be required (1) as of the date hereof only if determined to be necessary by Lender based upon its reasonable evaluation of third party reports, and (2) at any time hereafter in the event subsequent third party reports indicate a change in the condition of or circumstances surrounding the Property;

(ii) rental loss insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) in an annual aggregate amount equal to 100% of all rents or estimated gross revenues from the operation of the Properties (as reduced to reflect actual vacancies and expenses not incurred during a period of Restoration) and covering rental losses for a period of at least eighteen (18) months, after the date of the casualty, and notwithstanding that the Policy may expire prior to the end of such period; and (D) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and the Personal Property has been repaired, the continued loss of income will be insured until such income returns to the same level it was prior to the loss, or the expiration of six (6) months from the date of the completion of the Restoration, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such rental loss insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding eighteen (18) month period and a reasonable vacancy factor acceptable to Lender. All proceeds payable to Lender pursuant to this subsection shall be disbursed by Lender to Borrower immediately following Lender's receipt thereof, provided no Event of Default is then in existence; provided, however, (i) if a Cash Management Period (as defined in the Cash Management Agreement) then exists, such proceeds shall be deposited into the Cash Management Account (as defined in the Cash Management Agreement) and disbursed in accordance with the applicable terms and conditions of the Cash Management Agreement, and (ii) that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form referenced in subsection (i), above, does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the commercial general liability insurance policy in (v) below; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars ($2,000,000.00) in the aggregate and One Million and No/100 Dollars ($1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until reasonably required to be changed by Lender as provided in subsection 3.3(b) below; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability and (5) contractual liability covering the indemnities contained in Section 13.1 to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, if any, used by Borrower in the operation of the Property, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars ($1,000,000.00);

(vii) umbrella liability insurance in an amount not less than Ten Million and No/100 Dollars ($10,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(viii) so-called "dramshop" insurance, if applicable, or other liability insurance required in connection with the sale of alcoholic beverages; and

(ix) upon sixty (60) days' written notice, such other reasonable insurance such as sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 3.3(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and (i) shall be issued by financially sound and responsible insurance companies reasonably approved by Lender, and authorized or licensed to do business in the state where the Property is located, with claims paying ability/financial strength ratings of "AA" or better by S&P (as defined in the Cash Management Agreement) and Fitch (as defined in the Cash Management Agreement) and "Aa2" or better by Moody's (as defined in the Cash Management Agreement) and general policy ratings of A or better and financial classes of X or better by A.M. Best Company, Inc.; (ii) shall name Borrower as the insured and Lender as an additional insured, as its interests may appear; (iii) in the case of property damage, boiler and machinery and, if required pursuant to the provisions hereof, flood and earthquake insurance, shall contain a so called New York Non Contributory Standard Mortgagee Clause and (other than those strictly limited to liability protection) a

Lender's Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, naming Lender as the person to which all payments made by such insurance company shall be paid; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of this Security Instrument without cost to Lender; (vi) shall be assigned and, if requested in writing by Lender, the originals (or duplicate originals certified to be true and correct by the applicable insurer or its agent) delivered to Lender; and (vii) shall contain such provisions, consistent with the provisions hereof, as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements or clauses providing that (I) neither Borrower, Lender nor any other party shall be a co insurer under said Policies, (II) that Lender shall receive at least ten (10) days prior written notice of any modification, reduction or cancellation of any Policy, (III) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned, (IV) Lender shall not be liable for any Insurance Premiums (defined below) thereon or subject to any assessments thereunder, and (V) such Policies do not exclude coverage for acts of terror or similar acts of sabotage. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender's servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least thirty (30) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like; provided, however, such increased coverages shall not be requested more frequently than once every three years, and shall only be requested if such coverage is commercially available at commercially reasonable rates and such rates are consistent with those paid in respect of comparable properties in comparable locations, and Lender also reasonably determines that either (I) prudent owners of real estate comparable to the Property are maintaining same or (II) prudent institutional lenders (including without limitation, investment banks) to such owners are generally requiring that such owners maintain such insurance.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be approved by Lender (the "**Restoration**") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim, or (2) allow Borrower to agree with

the insurance company or companies on the amount to be paid upon the loss; provided, that (A) provided no Event of Default shall have occurred and be continuing, Borrower may adjust losses aggregating not in excess of the Threshold Amount (defined below) if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred and be continuing, Lender shall not settle or adjust any such claim under clause (1), above, without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

Section 3.4. PAYMENT OF TAXES, ETC. (a) Subject to the provisions of Sections 3.4(b) and 3.5 hereof, Borrower shall pay all taxes, assessments, water rates, sewer rents, governmental impositions, and other charges, including without limitation vault charges and license fees for the use of vaults, chutes and similar areas adjoining the Land, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Taxes**"), all ground rents, maintenance charges and similar charges, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Other Charges**"), and all charges for utility services provided to the Property prior to the same becoming delinquent. Borrower will deliver to Lender, promptly upon Lender's written request, evidence satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent. Borrower shall not suffer and shall promptly cause to be paid and discharged any lien or charge against the Property arising out of such Taxes, Other Charges and utility service charges. Except to the extent sums sufficient to pay all Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument, Borrower shall furnish to Lender, promptly upon Lender's written request, paid receipts for the payment of the Taxes and Other Charges.

(b) Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Taxes, provided that (i) no Event of Default has occurred and is continuing under the Note, this Security Instrument or any of the Other Security Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the collection of the Taxes from Borrower and from the Property or Borrower shall have paid all of the Taxes under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (vi) Borrower shall have deposited with Lender adequate reserves for the payment of the Taxes, together with all interest and penalties thereon, unless Borrower has paid all of the Taxes under protest, and (vii) Borrower shall have furnished the security as may be required in the proceeding to insure the payment of any contested Taxes, together with all interest and penalties thereon.

Section 3.5. ESCROW FUND. Except as provided below, Borrower shall pay to Lender on the first day of each calendar month (a) one twelfth of an amount which would be sufficient to pay the Taxes payable, or estimated by Lender to be payable, during the next

ensuing twelve (12) months and (b) one twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration thereof (the amounts in (a) and (b) above shall be called the "**Escrow Fund**"). Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge and authorizes Lender or its agent to obtain the bills for Taxes and Other Charges directly from the appropriate taxing authority. The Escrow Fund and the payments of interest or principal or both, payable pursuant to the Note shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will timely apply the Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 3.3 and 3.4 hereof. If the amount of the Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Sections 3.3 and 3.4 hereof, Lender shall promptly return any excess to Borrower. In disbursing such excess, Lender may deal with the person shown on the records of Lender to be the owner of the Property. If the Escrow Fund is not sufficient to pay the items set forth in (a) and (b) above, Borrower shall promptly pay to Lender, upon demand, an amount which Lender shall estimate as sufficient to make up the deficiency. The Escrow Fund shall not constitute a trust fund and may be commingled with other monies held by Lender. No earnings or interest on the Escrow Fund shall be payable to Borrower. Notwithstanding the foregoing, Borrower shall not be required to make deposits to the Escrow Fund for Insurance Premiums pursuant to this Section 3.5 so long as (i) no Event of Default occurs and is continuing hereunder, (ii) Borrower pays all Insurance Premiums by no later than ten (10) Business Days prior to the delinquency thereof, and (iii) Borrower provides Lender paid receipts for the payment of the Insurance Premiums by no later than one (1) Business Day prior to the delinquency thereof. Upon the occurrence of a failure of any of the conditions specified in clauses (i) through (iii) above, Borrower shall, upon Lender's demand therefor, commence making the deposits to the Escrow Fund for Insurance Premiums required pursuant to this Section 3.5 commencing with the next Monthly Payment Date (as defined in the Note), which payments shall continue until Borrower corrects each such failure.

Section 3.6. CONDEMNATION. Borrower shall promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding affecting the Land and/or the Improvements and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney in fact coupled with an interest, with exclusive powers to collect, receive and apply to the Debt (or provide to Borrower to pay for Restoration) any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and, at any time during which an Event of Default has occurred and is continuing, to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the

rate or rates provided herein or in the Note. Any award or payment to be applied to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the unpaid portion of the Debt.

Notwithstanding anything contained in this Section 3.6 or this Security Instrument to the contrary, but subject to the provisions of Section 4.4, below, Lender may elect to (y) apply the net proceeds of any condemnation award (after deduction of Lender's reasonable costs and expenses, if any, in collecting the same) in reduction of the Debt in such order and manner as Lender may elect, whether due or not, or (z) make the proceeds available to Borrower for the restoration or repair of the Property. Any implied covenant in this Security Instrument restricting the right of Lender to make such an election is waived by Borrower. In addition, Borrower hereby waives the provisions of any law prohibiting Lender from making such an election.

Section 3.7. LEASES AND RENTS. (a) Borrower does hereby absolutely and unconditionally assign to Lender, Borrower's right, title and interest in all current and future Leases and Rents, it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Such assignment to Lender shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise impose any obligation upon Lender. Borrower agrees to execute and deliver to Lender such additional instruments, in form and substance satisfactory to Lender, as may hereafter be requested by Lender to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section 3.7, Lender grants to Borrower a revocable license (revocable only as provided herein) to operate and manage the Property and to collect, retain, and enjoy the Rents pursuant to (and as such license may be limited by) the terms and conditions contained in the Restricted Account Agreement and the Cash Management Agreement. Furthermore, notwithstanding anything to contrary contained herein and notwithstanding the rights granted to Lender pursuant to this Section 3.7, all Rents shall be deposited, held and applied pursuant to the provisions of the Restricted Account Agreement and the Cash Management Agreement. Upon the occurrence and continuance of an Acceleration Default, the license granted to Borrower herein shall automatically be revoked (subject to automatic reinstatement upon Borrower's cure of the applicable Event of Default), and Lender shall, subject to the provisions of the Other Security Documents, immediately be entitled to possession of all Rents, whether or not Lender enters upon or takes control of the Property. Subject to the provisions of the Other Security Documents, Lender is hereby granted by Borrower the right, at its option, during any period of revocation of the license granted herein, to enter upon the Property in person, by agent or by court appointed receiver to collect the Rents. Any Rents collected during the revocation of the license shall, subject to any contrary provision of the Other Security Documents, be applied by Lender against the Debt, in such order and priority as it may determine.

(b) All Leases entered into after the date hereof shall be written on (i) the standard form of lease which has been approved by Lender or (ii) an Acceptable Chain Tenant Form

(defined below). Commercially reasonable changes may be made to the Lender-approved standard lease or an Acceptable Chain Tenant Form without the prior written consent of Lender in the ordinary course of Borrower's business. All Leases (including any Acceptable Chain Tenant Form) shall provide that they are subordinate to this Security Instrument (subject to Lender's agreement (by Lender's acceptance of this Security Instrument hereby given) not to disturb such tenant's tenancies while they are in compliance with the terms of their Lease) and that the tenant thereunder agrees to attorn to Lender. As used herein, the term "**Acceptable Chain Tenant Form**" shall mean the form of lease promulgated by a prospective national or regional chain tenant that insists, on a programmatic or institutional basis, on using its own form of lease; provided, that, the provisions contained in such form of lease (i) are commercially reasonably for properties similar to the Property, (ii) do not contain any rights, options (including, without limitation, rights to purchase the Property or any interest therein) or obligations that would be unacceptable to a prudent secondary market lender substantially similar to Lender and (iii) do not have a Material Adverse Effect (defined below). As used above, the term "**Material Adverse Effect**" shall mean a material adverse effect on (i) the Property, (ii) the business, profits, prospects, management, operations or condition (financial or otherwise) of Borrower, Guarantor or the Property, (iii) the enforceability, validity, perfection or priority of the lien of this Security Instrument or the other Loan Documents, or (iv) the ability of Borrower to perform its obligations under this Security Instrument or the other Loan Documents.

(c) Borrower (i) shall observe and perform all material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall receive thereunder; (iii) shall not collect any of the Rents more than one (1) month in advance (other than security deposits and prepaid first and last month's rent collected in the ordinary course of Borrower's business); and (iv) shall not execute any other assignment of the lessor's interest in the Leases or the Rents. Borrower (A) shall enforce all material terms, covenants and conditions contained in the Leases upon the part of the lessees thereunder to be observed or performed, short of termination thereof and short instituting litigation (provided, that, Borrower (1) shall be obligated to so institute litigation if the failure to do so would have a Material Adverse Effect and (2) may terminate a Lease only in the event of (aa) a monetary event of default under such Lease or (bb) a material non-monetary default under such Lease where the tenant fails to cure such event of default 30 days beyond the cure period set forth in the subject Lease); (B) may alter, modify or change the terms of the Leases in any material respect without the prior written consent of Lender, provided that such alterations, modifications or changes are commercially reasonable alterations, modifications or changes agreed to in the ordinary course of Borrower's business; (C) shall not, without Lender's consent, convey or transfer or suffer or permit a conveyance or transfer of the Property or of any interest therein so as to effect a merger of the estates and rights, or a termination or diminution of the obligations of, tenants under the Leases; (D) may approve or consent to any assignment of or subletting under the Leases in accordance with the terms of such Leases, without the prior written consent of Lender; and (E) shall not cancel the Leases or accept a surrender thereof, except that any Lease may be canceled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms as the canceled Lease.

(d) Borrower, as the lessor thereunder, may enter into proposed lease renewals and new leases without the prior written consent of Lender, provided each such proposed lease:

(i) shall have an initial term of not less than three (3) years or greater than ten (10) years; (ii) shall provide for rental rates (including rates during any renewal or option term or rates applicable to any expansion space) comparable to then existing local market rates that would be agreed to in an arm's length transaction; (iii) shall be to a tenant which Borrower reasonably determines to be capable and reputable; and (iv) shall comply with the provisions of subsection (b) above (except that any lease renewals may be on the same form as the original lease). Borrower may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (iv) immediately above, provided Lender consents in writing to such proposed lease, such consent not to be unreasonably withheld or delayed. Borrower expressly understands that any and all proposed leases are included in the definition of "Lease" or "Leases" as such terms may be used throughout this Security Instrument, the Note and the Other Security Documents. Borrower shall furnish Lender with executed copies of all Leases and any amendments or other agreements pertaining thereto.

(e) Notwithstanding anything to the contrary contained herein or in any other Loan Document, Borrower shall not, without the prior written consent of Lender, enter into, renew, extend, terminate (for reasons other than non-payment of rent), reduce rents under, permit an assignment or subleasing of (other than in accordance with its express terms) or otherwise amend, modify or waive any material or economic provisions of, accept a surrender of space under, or shorten the term of, any Major Lease or any instrument guaranteeing or providing credit support for any Major Lease. As used herein, the term "**Major Lease**" shall mean (i) any Lease which, individually or when aggregated with all other Leases at the Property with the same tenant or any Affiliate (defined below) of such tenant, demises 25,000 square feet or more of the Property's net rentable square footage, (ii) any Lease which contains any option, offer, right of first refusal or other similar entitlement to purchase all or any portion of the Property (which such rights shall be deemed to be exclusive of any rights under any Lease to extend the term thereof or to lease additional space at the Property) or (iii) any instrument guaranteeing or providing credit support for any Lease meeting the requirements of (i) or (ii) above. As used above, the term "**Affiliate**" shall mean, with respect to any tenant under any Lease at the Property, any affiliate of such tenant, unless such affiliate (i) operates under a separate trade name and under a separate corporate or other similar division from such tenant and (ii) is otherwise treated as a separate tenant under a separate Lease by Borrower. Notwithstanding the foregoing, Lender's prior written consent shall be required in order for Borrower to terminate (for reasons other than non-payment of rent), accept a surrender of space under or shorten the term of any Lease (or any instrument guaranteeing or providing credit support for such Lease) if such applicable Lease, individually or when aggregated with all other Leases at the Property with the same tenant or any Affiliate of such tenant, demises 20,000 square feet or more of the Property's net rentable square footage.

(f) Notwithstanding anything to the contrary contained herein, to the extent Lender's prior approval is required for any leasing matters set forth in this Section, Lender shall have ten (10) Business Days from receipt of written request and all required information and documentation relating thereto in which to approve or disapprove such matter, provided that such request to Lender is marked in bold lettering with the following language: "LENDER'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE PURSUANT TO THE TERMS OF A MORTGAGE BETWEEN THE UNDERSIGNED AND LENDER". In the event that Lender fails to respond to the leasing

matter in question within such time, Lender's approval shall be deemed given for all purposes. Borrower shall provide Lender with such information and documentation as may be reasonably required by Lender, including, without limitation, lease comparables and other market information as reasonably required by Lender. Lender shall not be entitled to any fee or reimbursement in connection with any such review and approval process in excess of the reasonable fees or reimbursements customarily charged by lenders or servicers of secondary market loans similar to the Loan for actions similar to the foregoing.

(g) Intentionally Omitted.

(h) Intentionally Omitted.

(i) Within ten (10) Business Days after receipt of written request therefore and a copy of the executed corresponding Lease, Lender shall execute and deliver to Borrower a subordination, non-disturbance and attornment agreement (an "**SNDA**"). If the form of the SNDA shall be prescribed by the Lease in question, and Lender shall have approved (or been deemed to have approved) such Lease, Lender shall execute and deliver the SNDA in the form prescribed by such Lease. In the case of any other Lease or any Lease as to which Lender's approval is not required pursuant to the terms hereof where such tenant thereunder requests an SNDA, the SNDA to be executed and delivered by Lender shall be in substantially the form attached hereto as Exhibit B, as such form may be modified to reflect reasonable changes thereto negotiated by Lender and such tenant. Lender agrees to negotiate in good faith the terms of the SNDA with any tenant under any Lease. All reasonable attorneys' fees and disbursements incurred by Lender in connection with the negotiation of such SNDA shall be payable by Borrower within ten (10) Business Days after Lender's written request therefore, whether or not the SNDA is ultimately executed and/or recorded.

Section 3.8. MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Personal Property) without the consent of Lender. Without limiting the foregoing, Lender hereby acknowledges that Borrower has informed Lender that Borrower is contemplating developing (for retail purposes) a portion of the Property located to the east of the premises currently demised to Kmart. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated or which may be affected by any proceeding of the character referred to in Section 3.6 hereof and shall complete and pay for any structure at any time in the process of construction or repair on the Land. Borrower shall not initiate, join in, acquiesce in, or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof which may have a material adverse affect on the use, operation or value of the Property. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Borrower will not cause or permit the nonconforming use to be discontinued or abandoned without the express written consent of Lender.

Section 3.9. WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk

of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or give cause for cancellation of any Policy, or do or permit to be done thereon anything that may in any way impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.10. COMPLIANCE WITH LAWS. Borrower shall promptly comply with all existing and future federal, state and local laws, orders, ordinances, governmental rules and regulations or court orders affecting or which may be interpreted to affect the Property, or the use thereof ("**Applicable Laws**"). Borrower shall from time to time, upon Lender's request, based on Lender's belief, in the exercise of Lender's reasonable judgment, that the Property is in violation of any Applicable Law, provide Lender with evidence satisfactory to Lender that the Property complies with the Applicable Laws which Lender believes the Property is in violation of or is exempt from compliance with such Applicable Laws. Borrower shall give prompt notice to Lender of the receipt by Borrower of any notice related to a violation of any Applicable Laws and of the commencement of any proceedings or investigations which relate to compliance with Applicable Laws.

Section 3.11. BOOKS AND RECORDS. (a) Borrower shall keep adequate books and records of account in accordance with Borrower's current methods (which such methods are tax basis accounting) or such other method as may be acceptable to Lender in its reasonable discretion, in each case consistently applied (each or any of the foregoing, the "**Approved Accounting Method**") and furnish to Lender:

(i) prior to Securitization (defined below), monthly (but in no event for a period of more than two (2) years from the date hereof) and, thereafter, quarterly, rent rolls signed, dated and certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the names of all tenants of the Improvements, the portion of Improvements occupied by each tenant, the base rent and any other charges payable under each Lease and the term of each Lease, including the expiration date, and any other information as is reasonably required by Lender, within thirty (30) days after the end of each calendar month or quarter (as applicable);

(ii) prior to Securitization (defined below), monthly (but in no event for a period of more than two (2) years from the date hereof) and, thereafter, quarterly, operating statements of the Property certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the total revenues received, total expenses incurred, total capital expenditures (including, but not limited to, all capital improvements (including, but not limited to, tenant improvements)), leasing commissions and other leasing costs, total debt service and total cash flow, and if available, any quarterly operating statement prepared by an independent certified public accountant, within thirty (30) days after the close of each calendar month or quarter (as applicable); and

(iii) an annual balance sheet and profit and loss statement of Borrower, prepared and certified by Borrower, and, if available, any financial statements prepared by an independent certified public accountant within ninety (90) days after the close of each fiscal year of Borrower.

(b)

(i) Upon request from Lender, Borrower and its affiliates shall furnish to Lender: (1) an accounting of all security deposits held in connection with any Lease of any part of the Property; and (2) an annual operating budget presented on a monthly basis consistent with the annual operating statement described above for the Property and all proposed capital replacements and improvements.

(ii) (A) During the occurrence and continuance of a Cash Management Period (as defined in the Cash Management Agreement dated the date hereof), Lender shall have the right to approve each annual operating budget for the Property, which such budget shall set forth in reasonable detail budgeted monthly operating income and monthly budgeted operating capital and other expenses for the Property. Borrower shall submit to Lender (a) a draft operating budget in form and substance reasonably acceptable to Lender no later than thirty (30) days prior to the commencement of each Fiscal Year (defined below) during the continuance of a Cash Management Period; and (b) a final operating budget in form and substance reasonably acceptable to Lender no later than fifteen (15) days prior to the commencement of each Fiscal Year during the continuance of a Cash Management Period. In no event shall Lender be required to make (or cause to be made) any disbursements from the Borrower Expense Subaccount (as defined in the Cash Management Agreement) until Lender has received the Approved Annual Budget (defined below) for the applicable Fiscal Year. Prior to Lender's approval of a draft operating budget, the most recent Approved Annual Budget shall apply. Any annual operating budget approved by Lender in accordance with the terms hereof shall be referred to as an "**Approved Annual Budget**". Notwithstanding the foregoing, upon the commencement of a Cash Management Period, Lender shall have the right to approve all requests by Borrower for disbursement for operating costs and expenses and Extraordinary Expenses (as defined in the Cash Management Agreement dated the date hereof) pursuant to the terms of such Cash Management Agreement until Lender's approval of the Approved Annual Budget for the immediately succeeding Fiscal Year in accordance with this Subsection 3.11(b)(ii).

(B) Notwithstanding anything to the contrary contained herein, to the extent Lender's prior approval is required for any budget or budget matters set forth in this Section 3.11(b)(ii), Lender shall have ten (10) Business Days from receipt of written request and all required information and documentation relating thereto in which to approve or disapprove such matter, provided that such request to Lender is marked in bold lettering with the following language: "LENDER'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE (SUBJECT TO LENDER'S RIGHT TO RECEIVE AN EXTENSION NOTICE) PURSUANT TO THE TERMS OF A MORTGAGE BETWEEN THE UNDERSIGNED AND LENDER" and the envelope containing the request must be marked "PRIORITY." Borrower shall be further obligated to send to Lender a subsequent written notice (the "**Extension Notice**") if Lender does not respond to Borrower's initial ten (10) Business Day Notice, which Extension Notice shall not be delivered by Borrower until the expiration of the

initial ten (10) Business Day period set forth above. In the event that Lender fails to respond to the budget or budget matter in question within five (5) Business Days of receipt of the Extension Notice, Lender's approval shall be deemed given for all purposes. Borrower shall provide Lender with such information and documentation as may be reasonably required by Lender.

(c) Borrower and its affiliates shall furnish Lender with such other additional financial or management information as may, from time to time, be reasonably required by Lender.

In order to implement the admission to Borrower or such SPE Component Entity (as applicable) of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower or such SPE Component Entity (as applicable) as Special Member, Special Member shall not be a member of Borrower or such SPE Component Entity (as applicable).

(II) Upon the occurrence of any event that causes the Member to cease to be a member of Borrower or such SPE Component Entity (as applicable), to the fullest extent permitted by law, the personal representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of Member in Borrower or such SPE Component Entity (as applicable), agree in writing (i) to continue Borrower or such SPE Component Entity (as applicable) and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower or such SPE Component Entity (as applicable), effective as of the occurrence of the event that terminated the continued membership of Member of Borrower or such SPE Component Entity (as applicable) in Borrower or such SPE Component Entity (as applicable). Any action initiated by or brought against Member or Special Member under any applicable Insolvency Laws shall not cause Member or Special Member to cease to be a member of Borrower or such SPE Component Entity (as applicable) and upon the occurrence of such an event, the business of Borrower or such SPE Component Entity (as applicable) shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower or such SPE Component Entity (as applicable) upon the occurrence of any action initiated by or brought against Member or Special Member under any applicable Insolvency Laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower or such SPE Component Entity (as applicable).

(e) Borrower shall not change or permit to be changed (a) Borrower’s name, (b) Borrower’s identity (including its trade name or names), (c) Borrower’s principal place of business set forth on the first page of this Security Instrument, (d) the corporate, partnership or other organizational structure of Borrower, each SPE Component Entity (if any), or Guarantor, (e) Borrower’s state of organization, or (f) Borrower’s organizational identification number, without in each case notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change and, in the case of a change in Borrower’s structure, without first obtaining the prior written consent of Lender. In addition, Borrower shall not change or permit to be changed any organizational documents of Borrower or any SPE Component Entity (if any) if such change would adversely impact the covenants set forth in this Section 4.3. Borrower authorizes Lender to file any financing statement or financing statement amendment

required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property. Thereafter and during the continuance of an Independent Director Trigger Event, any provision herein relating to any Independent Director shall be deemed to relate to both Independent Directors (for example (and by way of illustration only), any provision herein (i) requiring that an Independent Director be in place for any vote to be effective shall require that both Independent Directors be in place for such vote to be effective or (ii) requiring the vote of the Independent Director shall require the vote of both Independent Directors). Borrower shall cause its (or the applicable SPE Component Entity's) organizational documents to be amended to be consistent with the foregoing. Borrower's compliance with the foregoing shall be at Borrower's sole cost and expense. Failure of Borrower to comply with this subsection (f) shall, at Lender's option, constitute an immediate Event of Default. As used herein, the term "**Additional Director Trigger Event**" shall mean an event (i) occurring upon the Debt Service Coverage Ratio falling below 1.25 to 1.00 and (ii) ending upon the Debt Service Coverage Ratio being in excess of 1.25 to 1.00 for four (4) consecutive calendar quarters. (b) If the Net Proceeds are equal to or greater than the Threshold Amount or the costs of completing the Restoration is equal to or greater than the Threshold Amount, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this

Subsection 4.4(b). The term "**Net Proceeds**" for purposes of this Section 4.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsection 3.3(a)(i), (iii), (iv) and (x) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall be continuing under the Note, this Security Instrument or any of the Other Security Documents or an event which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender, at its expense, the insurance set forth in Subsection 3.3(a)(iii) hereof; (E) Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to satisfactory completion; (F) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (G) Lender shall be satisfied that, upon the completion of the Restoration and following a rent-up period from the time such Restoration is complete through the date which is three (3) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, the (1) fair market value of the Property, as reasonably determined by Lender, is equal to or greater than the fair market value of the Property immediately prior to the casualty or condemnation, and (2) gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying costs and operating expenses of the Property, including, without limitation, a Debt Service Coverage Ratio of at least 1.00 to 1.00; (H) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, or (3) such time as may be required under applicable zoning law, ordinance, rule or regulation in order to repair and restore the Property to the condition it was in immediately prior to such fire or other casualty or to as nearly as possible the condition it was in immediately prior to such taking, as applicable; (I) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable zoning laws, ordinances, rules and regulations; (J) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable governmental laws, rules and regulations (including, without limitation, all applicable Environmental Laws (defined below)); (K) such fire or other casualty or taking, as applicable, does not result in the loss of access to the Property or the Improvements; (L) (1) in the event the

Net Proceeds are insurance proceeds, less than thirty-five percent (35%) of each of (i) fair market value of the Property as reasonably determined by Lender, and (ii) rentable area of the Property has been damaged, destroyed or rendered unusable as a result of a casualty or (2) in the event the Net Proceeds are condemnation proceeds, less than fifteen percent (15%) of each of (i) the fair market value of the Property as reasonably determined by Lender and (ii) rentable area of the Property is taken and such land is located along the perimeter or periphery of the Property; and (M) the Required Leases (defined below) shall remain in full force and effect during and after the completion of the Restoration. Lender agrees to use due diligence and good faith efforts to process its determination of Borrower's compliance with the requirements of this Paragraph 4.4(b)(i) as promptly as possible, recognizing the need for a quick determination in order to avoid delay in Restoration of the Property. As used above, the term "**Required Leases**" shall mean Leases encumbering, in the aggregate, 65% of the rentable square footage at the Property.

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, reasonable counsel fees and disbursements and the Casualty Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than

the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re occupancy and use of the Property have been obtained from all appropriate governmental and quasi governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Security Instrument or any of the Other Security Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the principal balance of the Debt whether or not then due and payable, either in whole or in part, or disbursed to Borrower. If Lender shall receive and retain Net Proceeds, as permitted above, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender

and actually applied by Lender in reduction of the Debt. Notwithstanding the foregoing, if Lender does not make the Net Proceeds available for Restoration and such Net Proceeds are received by Lender in connection with a casualty or condemnation to the Property, Lender shall allow Borrower to prepay the Debt in whole (but not in part) without penalty, provided, that, such prepayment is made by Borrower by no later than the date which is six (6) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above.

(h) in the event that the purchase described in subclauses (f) or (g) shall occur, the purchasing entity shall execute any documents or instruments reasonably requested by Lender (and shall provide such opinions, title endorsements or other documents or instruments reasonably requested by Lender) to affirm and/or assume the Loan and such entity's respective obligations thereunder;

(j) the sale or issuance of any tenancy in common interests pursuant to the TIC Agreement will not violate any applicable provisions of the Securities Act or the Exchange Act or any other Applicable Law.

With respect to the foregoing covenants, Lender hereby acknowledges and agrees that the same are (i) restrictions customarily imposed by Lender in connection with commercial loans similar to the Loan and (ii) are intended to be restrictions which are "consistent with customary commercial lending practices" within the meaning of the applicable provisions of Revenue Procedure 2002-22. The foregoing covenants shall only be deemed to apply to West and Venture so long as they are parties to the TIC Agreement and such covenants shall cease to bind West and/or Venture (as applicable) at such time as West or Venture ceases to be a party to the TIC Agreement as a result of a transfer permitted under Section 8.4 below.

The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Note, this Security Instrument and the Other Security Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 6.2. NO RELIANCE ON LENDER. The general partners, shareholders, members, principals or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 6.3. NO LENDER OBLIGATIONS. (a) Notwithstanding any of the provisions of this Security Instrument (including, but not limited to, the provisions of Subsections 1.1(f) and (l), Section 1.2 or Section 3.7), Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Note or the Other Security Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 6.4. RELIANCE. Borrower recognizes and acknowledges that in accepting the Note, this Security Instrument and the Other Security Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article 5 without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof; that the warranties and representations are a material inducement to Lender in accepting the Note, this Security Instrument and the Other Security Documents; and that Lender would not be willing to make the loan evidenced by the Note, this Security Instrument and the Other Security Documents and accept this Security Instrument in the absence of the warranties and representations as set forth in Article 5.

Article 7. FURTHER ASSURANCES

Section 7.1. RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the Other Security Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses (the "**Expenses**") incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the Other Security Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law to do so.

Section 7.2. FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or recording this Security Instrument, or for complying with all Applicable Laws. Borrower, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or other instruments, to evidence more effectively the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender pursuant to this Section 7.2.

Section 7.3. CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS. (a) If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury, then Lender shall have the option by written notice of not less than ninety (90) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. following an Event of Default), duly executed estoppel certificates from any one or more lessees as required by Lender attesting to such facts regarding the Lease as Lender may require, including but not limited to attestations that each Lease covered thereby is in full force and effect (and to the best of lessee's knowledge) with no defaults thereunder on the part of any party, that none of the Rents have been paid more than one month in advance, and that the lessee claims no defense or offset against the full and timely performance of its obligations under the Lease.

(c) Lender, by its acceptance of this Security Instrument, agrees to deliver to Borrower promptly upon Borrower's request therefor (provided such request is not made more than twice in any calendar year) a written statement setting forth the unpaid principal amount of the Note, the accrued and unpaid interest thereon, the date on which an installment of interest and/or principal were last paid thereunder and whether there are any Events of Default which currently exist and are actually known to Lender.

Borrower's obligations hereunder are conditioned upon Lender's agreement, as evidenced by its acceptance hereof, that such splitting or division shall not result in any decrease of any rights of Borrower or any Indemnitor (as defined in the Indemnity Agreement (defined below)) hereunder or under any other Loan Document or any additional cost or potential liability to Borrower or any Indemnitor that exceeds that which exists hereunder prior to such splitting or division.

Section 7.7. REPLACEMENT DOCUMENTS. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

(u) a default beyond applicable notice or cure periods (if any) shall occur under any Other Security Documents.

Section 10.2. LATE PAYMENT CHARGE. If any monthly installment of principal and interest is not paid on the date on which it was due, Borrower shall pay to Lender upon demand an amount equal to the lesser of two and one half percent (2.5%) of such unpaid portion of the outstanding monthly installment of principal and interest then due or the maximum amount permitted by Applicable Law, to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment, and such amount shall be secured by this Security Instrument and the Other Security Documents.

Section 10.3. DEFAULT INTEREST. Borrower will pay, from the date of an Event of Default through the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full, interest on the unpaid principal balance of the Note at a per annum rate equal to the lesser of (a) four percent (4%) plus the Applicable Interest Rate (as defined in the Note), and (b) the maximum interest rate which Borrower may by law pay or Lender may charge and collect (the "**Default Rate**").

Article 11. RIGHTS AND REMEDIES

Section 11.1. REMEDIES. Except as specifically limited hereby or the Other Security Documents, Upon the occurrence of any Event of Default, Borrower agrees that Lender may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender: (a) declare the entire unpaid Debt to be immediately due and payable; (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner; (c) with or without entry, to the extent permitted and pursuant to the procedures provided by Applicable Law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority; (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entity or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law; (e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note or in the Other Security Documents; (f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the Other Security Documents; (g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower or of any person, firm or other entity liable for the payment of the Debt; (h) subject to Applicable Law, and following notice to Borrower, the license granted to Borrower under Section 1.2 shall be revoked (subject to reinstatement as provided herein) and Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom,

without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and, subject to the Cash Management Agreement, receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees; (i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Personal Property or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Personal Property, and (ii) request Borrower at its expense to assemble the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Personal Property sent to Borrower in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Borrower; (j) apply any sums then deposited in the Escrow Fund and any other sums held in escrow or otherwise by Lender in accordance with the terms of this Security Instrument or any Other Security Document to the payment of the following items in any order in its discretion: (i) Taxes and Other Charges; (ii) Insurance Premiums; (iii) any other items or expenses for which such escrow was established; or (iv) during the continuance of an Acceleration Default, (A) interest on the unpaid principal balance of the Note, (B) the unpaid principal balance of the Note; or (C) all other sums payable pursuant to the Note, this Security Instrument and the Other Security Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument; (k) surrender the Policies maintained pursuant to Article 3 hereof, collect the unearned Insurance Premiums and apply such sums as a credit on the Debt in such priority and proportion as Lender in its discretion shall deem proper, and in connection therewith, Borrower hereby appoints Lender as agent and attorney in fact (which is coupled with an interest and is therefore irrevocable) for Borrower to collect such Insurance Premiums; (l) pursue such other remedies as Lender may have under Applicable Law; (m) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion; or

(n) under the power of sale hereby granted, Lender shall have the discretionary right to cause some or all of the Property, including any Personal Property, to be sold or otherwise disposed of in any combination and in any manner permitted by Applicable Law.

In the event of a sale, by foreclosure, power of sale, or otherwise, of less than all of the Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority. In the event of a sale, by foreclosure, power of sale, or otherwise, Lender may bid for and acquire the Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the Obligations the amount of the bid made therefor, after deducting therefrom the expenses of the sale, the cost of any enforcement proceeding hereunder and any other sums which Lender is authorized to deduct under the terms hereof, to the extent necessary to satisfy such bid. Notwithstanding the provisions of this Section 11.1 to the contrary, if any Event of Default as Subsection 10.1(g) shall occur, the entire unpaid Debt shall be automatically due and payable, without any further notice, demand or other action by Lender.

Section 11.2. APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, or any part thereof, or any other sums collected by Lender after the occurrence of an Event of Default pursuant to the Note, this Security Instrument or the Other Security Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. Upon any foreclosure sale or sales of all or any portion of the Property under the power of sale herein granted, Lender may bid for and purchase the Property and shall be entitled to apply all or any part of the Debt as a credit to the purchase price.

Section 11.3. RIGHT TO CURE DEFAULTS. Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 11.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the Other Security Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 11.4. ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 11.5. RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 11.6. EXAMINATION OF BOOKS AND RECORDS. Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower and each other "Indemnitor" under the Indemnity Agreement delivered in connection herewith which reflect upon their financial condition, at the Property or at any office regularly maintained by Borrower or such other Indemnitor or where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower and such other Indemnitor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower and such other Indemnitor where the books and records are located.

Section 11.7. OTHER RIGHTS, ETC. (a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the Other Security Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the Other Security Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 11.8. RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 11.9. VIOLATION OF LAWS. If the Property is not in compliance with Applicable Laws, Lender may impose additional requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Section 11.10. RIGHT OF ENTRY. Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

Section 11.11. EXCULPATION. All rights and remedies of Lender under this Security Instrument and the Other Security Documents are expressly made subject to the limitations and exculpations set forth in Article 15, below.

Borrower hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Lender arising out of or in any way connected with this Security Instrument, the Note, any of the Other Security Documents, or the Obligations. The foregoing shall not be deemed a waiver of Borrower's right to assert in a separate proceeding any claim against Lender which otherwise would constitute a defense, setoff, counterclaim or crossclaim of any nature arising from and after the date hereof.

Section 14.2. MARSHALLING AND OTHER MATTERS. Borrower hereby waives, to the extent permitted by law, the benefit of all appraisement, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Borrower hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Security Instrument on behalf of Borrower, and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date of this Security Instrument and on behalf of all persons to the extent permitted by Applicable Law.

to this Security Instrument (i) Lender exercises any right given to it to approve or disapprove, (ii) any arrangement or term is to be satisfactory to Lender, or (iii) any other decision or determination is to be made by Lender, the decision of Lender to approve or disapprove, all decisions that arrangements or terms are satisfactory or not satisfactory, and all other decisions and determinations made by Lender, shall be in the reasonable determination of Lender applied in good faith. All approvals of or waivers by Lender in respect of any of the terms, conditions or requirements of this Security Instrument must be in writing. No waiver with respect to any condition, breach or other matter shall extend to or be taken in any manner whatsoever to affect any other condition, breach or matter or affect Lender's rights resulting therefrom.

Section 14.5. SURVIVAL. The indemnifications made pursuant to Sections 13.3 and 13.4 and the representations and warranties, covenants, and other obligations arising under Article 12, shall continue indefinitely in full force and effect and shall survive and shall in no way be impaired by: any satisfaction or other termination of this Security Instrument, any assignment or other transfer of all or any portion of this Security Instrument or Lender's interest in the Property (but, in such case, shall benefit both Indemnified Parties and any assignee or transferee), any exercise of Lender's rights and remedies pursuant hereto including but not limited to foreclosure or acceptance of a deed in lieu of foreclosure, any exercise of any rights and remedies pursuant to the Note or any of the Other Security Documents, any transfer of all or any portion of the Property (whether by Borrower or by Lender following foreclosure or acceptance of a deed in lieu of foreclosure or at any other time), any amendment to this Security Instrument, the Note or the Other Security Documents, and any act or omission that might otherwise be construed as a release or discharge of Borrower from the obligations pursuant hereto. Article 17. SERVICE OF PROCESS

Section 17.1. CONSENT TO SERVICE. (a) Borrower will maintain a place of business or an agent for service of process in San Diego County, California and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in San Diego County, California, then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

Article 18. APPLICABLE LAW

Section 18.1. CHOICE OF LAW. THIS SECURITY INSTRUMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF CALIFORNIA AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA AND APPLICABLE LAWS OF THE UNITED STATES OF AMERICA, EXCEPT THAT AT ALL TIMES THE PROVISIONS FOR THE CREATION, PERFECTION, AND ENFORCEMENT OF THE LIEN AND SECURITY INTEREST CREATED PURSUANT HERETO AND PURSUANT TO THE OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY AND CONSTRUED ACCORDING TO THE LAW OF THE STATE IN WHICH THE PROPERTY IS LOCATED, IT BEING UNDERSTOOD THAT, TO THE FULLEST EXTENT PERMITTED BY THE LAW OF SUCH STATE, THE LAW OF THE STATE OF CALIFORNIA SHALL GOVERN THE CONSTRUCTION, VALIDITY AND ENFORCEABILITY OF ALL LOAN DOCUMENTS AND ALL OF THE OBLIGATIONS ARISING THEREUNDER.

Section 18.2. USURY LAWS. This Security Instrument and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by Applicable Law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Borrower is at any time required or obligated to pay interest on the Debt at a rate in excess of such maximum rate, the rate of interest under the Security Instrument and the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

Section 18.3. PROVISIONS SUBJECT TO APPLICABLE LAW. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any Applicable Law. If any term of this Security Instrument or any application thereof shall be invalid or unenforceable, the remainder of this Security Instrument and any other application of the term shall not be affected thereby.

Article 19. SECONDARY MARKET

Section 19.1. TRANSFER OF LOAN. Lender may, at any time, sell, transfer or assign the Note, this Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough

certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "**Securities**"). Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any Rating Agency rating such Securities (collectively, the "**Investor**") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt, Sponsor, Indemnitor and to Borrower, and the Property, whether furnished by Borrower, or otherwise, as Lender determines necessary or desirable. Borrower agrees to reasonably cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases, the financial condition of Borrower, Indemnitor or Sponsor as may be requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Note, this Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

Section 19.2. CONVERSION TO REGISTERED FORM. At the request and the expense of Lender, Borrower shall appoint, as its agent, a registrar and transfer agent (the "**Registrar**") reasonably acceptable to Lender which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of the Registrar shall be subject to the reasonable approval of Lender. Borrower may revoke the appointment of any particular person as Registrar, effective upon the effectiveness of the appointment of a replacement Registrar. The Registrar shall not be entitled to any fee from Borrower or Lender or any other lender in respect of transfers of the Note and Security Instrument (other than Taxes and governmental charges and fees).

Section 19.3. COOPERATION. Borrower acknowledges that Lender and its successors and assigns may (a) sell this Security Instrument, the Note and Other Security Documents to one or more third parties as a whole loan, (b) participate the Loan secured by this Security Instrument to one or more third parties, (c) deposit, through one or a series of transactions, this Security Instrument, the Note and Other Security Documents with one or more trusts, which trusts may sell certificates to third parties evidencing an ownership interest in the trust assets or (d) otherwise sell the Loan or interest therein to third parties (The transaction referred to in clauses (a), (b), (c) and (d) shall hereinafter be referred to collectively as "**Secondary Market Transactions**" and the transactions referred to in clause (c) shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in connection with a Securitization are hereinafter referred to as "**Securities**"). Borrower shall cooperate in good faith (provided such cooperation will not result in expense or additional potential liability to Borrower) with Lender in effecting any such Secondary Market Transaction and shall cooperate

in good faith to implement all requirements imposed by any Rating Agency issuing any statistical rating in any Secondary Market Transaction or the requirements of potential investors in any Secondary Market Transaction. Borrower agrees to make upon Lender's written request, and at no material cost to Borrower, without limitation, all structural or other changes to the Loan (including delivery of one or more new component notes to replace any original Individual Note or modify any original Individual Note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, delivery of opinions of counsel acceptable to the Rating Agencies or potential investors and addressing such matters as the Rating Agencies or potential investors may require; provided, however, notwithstanding anything to the contrary in this Security Instrument, the Note, or the Other Security Documents, Borrower shall not be required to modify any documents evidencing or securing the Loan (or otherwise take any action) which would modify (i) the initial weighted average interest rate payable under the Note, (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, (v) decrease the time periods during which Borrower is permitted to perform its obligations under this Security Instrument or any of the Other Security Documents, or (vi) otherwise increase Borrower's or Indemnitor's obligations or decrease any of their rights under the Note, this Security Instrument or any of the other Security Documents except as otherwise expressly permitted herein. Borrower shall provide such information and documents relating to Borrower, Indemnitor, Sponsor, the Property and any tenants of the Improvements as Lender may reasonably request in connection with a Secondary Market Transaction. Lender shall have the right to provide to prospective investors or Rating Agencies any information in its possession, including, without limitation, financial statements relating to Borrower, Sponsor, Indemnitor, the Property and any tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto, Sponsor and the Property may be included in disclosure documents in connection with the Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, an "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization.

Section 19.4. MEZZANINE OPTION. Lender shall have the right (the "**Mezzanine Option**") at any time to divide the loan into two parts, a mortgage loan and a mezzanine loan, provided, that (i) the total loan amounts for such mortgage loan and such mezzanine loan shall equal the then outstanding amount of the Loan immediately prior to Lender's exercise of the Mezzanine Option and (ii) the weighted average interest rate of such mortgage loan and mezzanine loan shall equal the Interest Rate. Borrower shall cooperate with Lender in Lender's exercise of the Mezzanine Option in good faith and in a timely manner, which such cooperation shall include, but not be limited to, (i) executing such amendments to the Loan Documents and Borrower or any SPE Component Entity's organizational documents as may be reasonably requested by Lender or requested by the Rating Agencies (which such amendments shall include, without limitation, (1) providing that the Equity Collateral (defined below) be certificated (such that the holder of such certificated Equity Collateral would have "protected purchaser" status under Article 8 of the Uniform Commercial Code) and/or (2) providing that any restrictions on

the actions of Mezzanine Borrower, any SPE Component Entity and/or Borrower (such as the need to obtain the consent of any constituent parties of Mezzanine Borrower prior to taking any actions) shall be of no further force or effect upon a foreclosure of the Equity Collateral), (ii) creating a single purpose, bankruptcy remote entity satisfying the requirements of 4.3 hereof and of the Rating Agencies (the "**Mezzanine Borrower**"), which such Mezzanine Borrower shall (A) own, directly or indirectly, 100% of the equity ownership interests in Borrower (the "**Equity Collateral**"), and (B) together with such constituent equity owners of such Mezzanine Borrower or Borrower as may be designated by Lender, execute such agreements, instruments and other documents as may be required by Lender in connection with the mezzanine loan (including, without limitation, a promissory note evidencing the mezzanine loan and a pledge and security agreement pledging the Equity Collateral to Lender as security for the mezzanine loan); and (iii) delivering such opinions, title endorsements, UCC title insurance policies and other materials as may be required by Lender or the Rating Agencies. Lender hereby acknowledges and agrees that, notwithstanding anything to the contrary contained herein, (i) the exercise of the Mezzanine Option may not change the amount of aggregate amount of monthly debt service payments due under the Loan or the amortization term of the Loan and shall not require Borrower to further subdivide the Property, (ii) the institution of the Mezzanine Option (and the documentation relating thereto) may not diminish any of Borrower's (or Guarantor's) rights or increase any potential costs or liabilities of Borrower (or Guarantor) other than to the extent the aforesaid rights, costs or liabilities would be affected if the Loan were divided into a mortgage loan portion and a mezzanine loan portion (as contemplated hereby) as of the date of closing of the Loan and (iii) with respect to the foregoing provisions of this Section 19.4, the same are (A) restrictions and requirements customarily imposed by Lender in connection with commercial loans similar to the Loan and (B) intended to be restrictions and requirements which are "consistent with customary commercial lending practices" within the meaning of the applicable provisions of Revenue Procedure 2002-22. Lender will pay its own and Borrower's reasonable fees and expenses incurred in connection with the exercise of the Mezzanine Option.

Article 20. COSTS

Section 20.1. PERFORMANCE AT BORROWER'S EXPENSE. Borrower acknowledges and confirms that Lender may impose certain reasonable administrative, processing and/or commitment fees in connection with (a) the extension, renewal, modification, amendment and termination of its loan, (b) the release or substitution of collateral therefor, (c) if the servicer, in its reasonable determination, anticipates that there will occur an Event of Default and the Loan is transferred to a special servicer, (d) obtaining certain consents, waivers and approvals required hereunder (including, without limitation, Ratings Confirmations), and/or (e) the review of any Major Lease, proposed Major Lease or any other Lease for which Lender's approval is required hereunder or the preparation or review of any subordination, non disturbance agreement. Borrower further acknowledges and confirms that it shall be responsible for the payment of all costs of reappraisal of the Property or any part thereof required by law, regulation, any governmental or quasi governmental authority. Wherever it is provided for herein that Borrower pay any costs and expenses, such costs and expenses shall include, but

not be limited to, all reasonable legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in house staff or otherwise. Whenever it is provided herein or in any other Loan Document that a Ratings Confirmation (or similar approval) by any Rating Agency is required hereunder (or under any other Loan Document), Borrower shall be responsible for the reasonable fees and other charges imposed by any Rating Agency in connection therewith as well as Lender's reasonable costs and expenses incurred in connection therewith.

Section 20.2. ATTORNEYS' FEES FOR ENFORCEMENT. (a) Borrower shall pay all reasonable legal fees incurred by Lender in connection with the items set forth in Section 20.1 above, and (b) Borrower shall pay to Lender on demand any and all expenses, including legal expenses and attorneys' fees, reasonably incurred or paid by Lender in protecting its interest in the Property or Personal Property or in collecting any amount payable hereunder or in enforcing its rights hereunder with respect to the Property or Personal Property, whether or not any legal proceeding is commenced hereunder or thereunder and whether or not any default or Event of Default shall have occurred and is continuing, together with interest thereon at the Default Rate from the date paid or incurred by Lender until such expenses are paid by Borrower.

SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT (this "**Agreement**") is made as of the __ day of _____, 200[__] by and among **BEAR STEARNS COMMERCIAL MORTGAGE, INC.**, a New York corporation, having an address at 383 Madison Avenue, New York, New York 10179 (together with its successors and assigns, "**Lender**"), [_____] ("**Tenant**") and **WAIKELE RESERVE WEST HOLDINGS, LLC,** a Delaware limited liability company, having an address at 11455 El Camino Real, Suite 200, San Diego, California 92130 ("**West**") and **WAIKELE VENTURE HOLDINGS, LLC,** a Delaware limited liability company, having an address at 11455 El Camino Real, Suite 200, San Diego, California 92130 ("**Venture**"; West and Venture are individually or collectively (as the context requires) referred to herein as **"Landlord"**).

RECITALS:

A. Lender is the present owner and holder of a certain Mortgage and Security Agreement (the "**Security Instrument**") given by Landlord to Lender which encumbers the fee estate of Landlord in certain premises described in Exhibit A attached hereto (the "**Property**") and which secures the payment of certain indebtedness owed by Landlord to Lender evidenced by the Note (as defined in the Security Instrument);

B. Tenant is the holder of a leasehold estate in a portion of the Property under and pursuant to the provisions of a certain [Lease] dated [_____, 200[__] between Landlord, as landlord, and Tenant, as tenant (the "**Lease**"); and

C. Tenant has agreed to subordinate the Lease to the Security Instrument and Lender has agreed to grant non-disturbance to Tenant under the Lease on the terms and conditions hereinafter set forth.

AGREEMENT:

For good and valuable consideration, Tenant, Lender and Landlord agree as follows:

1. Subordination. The Lease and all of the terms, covenants and provisions thereof and all rights, remedies and options of Tenant thereunder are and shall at all times continue to be subject and subordinate to the lien and terms of the Security Instrument, including without limitation, all renewals, increases, modifications, spreaders, consolidations, replacements and extensions thereof and to all sums secured thereby and advances made thereunder with the same force and effect as if the Security Instrument had been executed, delivered and recorded prior to the execution and delivery of the Lease.

2. Non-Disturbance. If any action or proceeding is commenced by Lender for the foreclosure of the Security Instrument or the sale of the Property, Tenant shall not be named as a party therein unless such joinder shall be required by law, provided, however, such joinder shall not result in the termination of the Lease or disturb the Tenant's possession or use

of the premises demised thereunder, and the sale of the Property in any such action or proceeding and the exercise by Lender of any of its other rights under the Note or the Security Instrument shall be made subject to all rights of Tenant under the Lease, provided that at the time of the commencement of any such action or proceeding or at the time of any such sale or exercise of any such other rights (a) the term of the Lease shall have commenced pursuant to the provisions thereof, (b) Tenant shall be in possession of the premises demised under the Lease, (c) the Lease shall be in full force and effect and (d) Tenant shall not be in default beyond any applicable notice and cure period under any of the terms, covenants or conditions of the Lease or of this Agreement on Tenant's part to be observed or performed.

3. Attornment. If Lender or any other subsequent purchaser of the Property shall become the owner of the Property by reason of the foreclosure of the Security Instrument or the acceptance of a deed or assignment in lieu of foreclosure or by reason of any other enforcement of the Security Instrument (Lender or such other purchaser being hereinafter referred as "**Purchaser**"), and the conditions set forth in Section 2 above have been met at the time Purchaser becomes owner of the Property, the Lease shall not be terminated or affected thereby but shall continue in full force and effect as a direct lease between Purchaser and Tenant upon all of the terms, covenants and conditions set forth in the Lease and in that event, Tenant agrees to attorn to Purchaser and Purchaser by virtue of such acquisition of the Property shall be deemed to have agreed to accept such attornment, provided, however, that Purchaser shall not be (a) liable for the failure of any prior landlord (any such prior landlord, including Landlord and any successor landlord, being hereinafter referred to as a "**Prior Landlord**") to perform any of its obligations under the Lease which have accrued prior to the date on which Purchaser shall become the owner of the Property, provided that the foregoing shall not limit Purchaser's obligations under the Lease to correct any conditions of a continuing nature that (i) existed as of the date Purchaser shall become the owner of the Property and (ii) violate Purchaser's obligations as landlord under the Lease; provided further, however, that Purchaser shall have received written notice of such omissions, conditions or violations and has had a reasonable opportunity to cure the same, all pursuant to the terms and conditions of the Lease, (b) subject to any offsets, defenses, abatements or counterclaims which shall have accrued in favor of Tenant against any Prior Landlord prior to the date upon which Purchaser shall become the owner of the Property, except for those that are specifically provided for in the Lease, (c) liable for the return of rental security deposits, if any, paid by Tenant to any Prior Landlord in accordance with the Lease unless such sums are actually received by Purchaser, (d) bound by any payment of rents, additional rents or other sums which Tenant may have paid more than one (1) month in advance to any Prior Landlord unless (i) such sums are actually received by Purchaser or (ii) such prepayment shall have been expressly approved of by Purchaser, (e) bound by any agreement terminating or amending or modifying the rent, term, commencement date or other material term of the Lease, or any voluntary surrender of the premises demised under the Lease, made without Lender's or Purchaser's prior written consent prior to the time Purchaser succeeded to Landlord's interest (provided, however, Purchaser's consent is not required for a termination of the Lease exercised pursuant to the original terms of the Lease) or (f) bound by any assignment of the Lease or sublease of the Property, or any portion thereof, made prior to the time Purchaser succeeded to Landlord's interest other than if pursuant to the provisions of the Lease. In the event that any liability of Purchaser does arise pursuant to this Agreement, such liability shall be limited and restricted to Purchaser's interest in the Property and shall in no event exceed such interest. Alternatively, upon the written request of Lender or its successors or assigns, Tenant

shall enter into a new lease of the Premises with Lender or such successor or assign for the then remaining term of the Lease, upon the same terms and conditions as contained in the Lease (including without limitation any renewal options), except as otherwise specifically provided in this Agreement.

4. Notice to Tenant. After notice is given to Tenant by Lender that the Landlord is in default under the Note and the Security Instrument and that the rentals under the Lease should be paid to Lender pursuant to the terms of the assignment of leases and rents executed and delivered by Landlord to Lender in connection therewith, Tenant shall thereafter pay to Lender or as directed by the Lender, all rentals and all other monies due or to become due to Landlord under the Lease and Landlord hereby expressly authorizes Tenant to make such payments to Lender and hereby releases and discharges Tenant from any liability to Landlord on account of any such payments.

5. Intentionally Omitted.

6. Notice to Lender and Right to Cure. Tenant shall notify Lender of any default by Landlord under the Lease if the default is of such a nature as to give Tenant a right to terminate the Lease, reduce the rent or to credit or offset any amounts against future rents, and agrees that, notwithstanding any provisions of the Lease to the contrary, no notice of cancellation thereof or of an abatement shall be effective unless Lender shall have received notice of default giving rise to such cancellation or abatement and (i) in the case of any such default that can be cured by the payment of money, until thirty (30) days shall have elapsed following the giving of such notice or (ii) in the case of any other such default, until a reasonable period for remedying such default shall have elapsed following the giving of such notice, provided Lender, with reasonable diligence, shall have commenced and continued to remedy such default or cause the same to be remedied. Notwithstanding the foregoing, (i) Lender shall have no obligation to cure any such default and (ii) in the event that any aforesaid default cannot, by its nature, be cured by Lender prior to Lender's gaining possession of Landlord's interest in the Property, the aforesaid "reasonable period for remedying such default" shall be deemed to include such time as is required for Lender to gain possession of Tenant's interest in the Property.

7. Notices. All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (hereinafter defined) after having been deposited for one (1) day overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

13. Limitations on Purchaser's Liability. In no event shall the Purchaser, nor any heir, legal representative, successor, or assignee of the Purchaser have any personal liability for the obligations of Landlord under the Lease and should the Purchaser succeed to the interests of the Landlord under the Lease, Tenant shall look only to the estate and property of any such Purchaser in the Property for the satisfaction of Tenant's remedies for the collection of a judgment (or other judicial process) requiring the payment of money in the event of any default by any Purchaser as landlord under the Lease, and no other property or assets of any Purchaser shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies under or with respect to the Lease; provided, however, that the Tenant may exercise any other right or remedy provided thereby or by law in the event of any failure by Landlord to perform any such material obligation. Notwithstanding the foregoing, Tenant may offset against rent due under the Lease the amount of any judgment obtained against any Purchaser.

Failure of the other party to deliver such certificate to the requesting party within twenty (20) days after such request shall mean that such other party certifies that this Agreement is in full force and effect, that there are no uncured defaults of the requesting party and that the requesting party has paid to the other party all sums due and owing the requesting party.

EXHIBIT C

Requirements of Loan Documents

All references to "Borrower" shall mean and refer to Owner, as defined in this Management Agreement. All capitalized terms used herein which are not otherwise defined shall have the meanings ascribed to them in the Loan Documents.

1. Regularly scheduled debt service payments or payments required under Loan Documents:

(a) Principal Loan Amount: The principal sum of the Loan, which is $130,310,000 and all interest thereon shall be due and payable on July 1, 2017 (the "**Maturity Date**").

(b) Monthly Payment: A Monthly Payment equal to the amount of interest which has accrued during the preceding Interest Accrual Period (i.e. the period beginning on the first day of each calendar month during the term hereof and ending on (but including) the last day of such calendar month) computed at 5.387% per annum (the **"Applicable Interest Rate")** on the first day of each calendar month **("Monthly Payment Date")** up to and including the first day of February, 2017, with each Monthly Payment to be applied to the payment of interest which has accrued during the preceding Interest Accrual Period.

(c) Escrow Fund: In addition to any initial deposits to the Escrow Fund, except as provided below, Borrower shall pay to Lender on the first day of each calendar month (a) one twelfth of an amount which would be sufficient to pay the Taxes payable, or reasonably estimated by Lender to be payable, during the next ensuing twelve (12) months and (b) one twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration thereof. Notwithstanding the foregoing, Borrower shall not be required to make deposits to the Escrow Fund for Insurance Premiums, pursuant to the Loan Documents so long as (i) no Event of Default occurs and is continuing thereunder, (ii) Borrower pays all Insurance Premiums by no later than ten Business Days prior to the delinquency thereof, and (iii) Borrower provides Lender paid receipts for the payment of the Insurance Premiums by no later than one Business Day prior to the delinquency thereof.

(d) Replacement Reserve: On each Monthly Payment Date, Borrower shall deposit with Lender into an Eligible Account held by Lender or any Servicer appointed by Lender (such account, the "**Replacement Reserve**") an amount equal to $776.75, which monies shall be used for replacements and alterations to the Property required to be capitalized according to GAAP (individually or collectively (as the context requires) the "**Capital Expenditures**") approved by Lender.

(e) Deposits to Leasing Reserve. Borrower has deposited into an Eligible Account held by Lender or any Servicer appointed by Lender (the "**Leasing Reserve**") an amount equal to $635,133 (the "**Initial Leasing Reserve**"). In addition, on each Monthly Payment Date, Borrower shall deposit the sum of $7,767.50 into the Leasing Reserve (each such amount, collectively, the "**Ongoing Leasing Reserve**"); provided, that, Borrower shall have no further

obligation to make the foregoing monthly deposits to the extent that, as of any applicable Monthly Payment Date, amounts on deposit in the Leasing Reserve (exclusive of any amounts representing the Initial Leasing Reserve) equal or exceed $50,000.

2. Borrower's accounting and reporting requirements set forth in the Loan Documents:

(a) Insurance: Borrower shall pay the Insurance Premiums as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender at least 20 days prior to the expiration of any apparently expiring Policy.

(b) Taxes: Borrower will deliver to Lender, promptly upon Lender's written request, evidence satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent.

(c) Changes: Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge.

(d) Books and Records:

(i) Borrower shall keep adequate books and records of account in accordance with Borrower's current methods (which such methods are tax basis accounting) or such other comprehensive basis of accounting as may be acceptable to Lender in its reasonable discretion, in each case consistently applied (each or any of the foregoing, the **"Approved Accounting Method")** and furnish to Lender:

(1) prior to Securitization, monthly (but in no event for a period of more than two years from the date hereof) and, thereafter, quarterly, rent rolls signed, dated and certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the names of all tenants of the Improvements, the portion of Improvements occupied by each tenant, the base rent and any other charges payable under each Lease and the term of each Lease, including the expiration date, and any other information as is reasonably required by Lender, within 30 days after the end of each calendar month or quarter (as applicable);

(2) prior to Securitization, monthly (but in no event for a period of more than two years from the date hereof) and, thereafter, quarterly, operating statements of the Property certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the total revenues received, total expenses incurred, total capital expenditures (including, but not limited to, all capital improvements (including, but not limited to, tenant improvements)), leasing commissions and other leasing costs, total debt service and total cash flow, and if available, any quarterly operating statement prepared by an independent certified public accountant, within 30 days after the close of each calendar month or quarter (as applicable); and

(3) an annual balance sheet and profit and loss statement of Borrower, prepared and certified by Borrower, and, if available, any financial statements prepared by an independent certified public accountant within 90 days after the close of each fiscal year of Borrower.

(ii) Upon request from Lender, Borrower shall furnish to Lender: (1) an accounting of all security deposits held in connection with any Lease of any part of the Property; and (2) an annual operating budget presented on a monthly basis consistent with the annual operating statement described above for the Property and all proposed capital replacements and improvements.

(iii) Borrower shall furnish Lender with such other additional financial or management information regarding Borrower and/or the Property as may, from time to time, be reasonably required by Lender.

(iv) If, at the time a Disclosure Document is being prepared for a Securitization, Lender expects that Borrower alone or Borrower and one or more affiliates of Borrower collectively, or the Property alone or the Property and Related Properties (defined below) collectively, will be a Significant Obligor (defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(l) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans (defined below) as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization, or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten Business Days after notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than 30 days after the end of each fiscal quarter of Borrower and (C) not later than 75 days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an **"Exchange Act Filing")** is not required. If requested by Lender, Borrower shall furnish to Lender financial data and/or financial statements for any tenant of the Property if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor.

(v) All financial data and financial statements provided by Borrower hereunder pursuant to Section 2(d)(iv) hereof shall be prepared in accordance with GAAP, and shall meet the requirements of Regulation AB and other applicable legal requirements. All financial statements referred to in Section 2(d)(iv) above shall be audited by independent accountants of Borrower acceptable to Lender in accordance with Regulation AB and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as "experts" in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided. All financial data and financial statements (audited or unaudited) provided by Borrower under Section 2(d)(iv) shall be accompanied by an executed certificate of a responsible officer of Borrower, which certification shall state that such financial statements meet the requirements set forth in the first sentence of this Section Section 2(d)(v).

(vi) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall determine to be required pursuant to Regulation AB or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by Lender.

(vii) In the event Lender determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of this Section, Lender may request, and Borrower shall promptly provide, such other financial data and financial statements as Lender determines to be necessary or appropriate for such compliance.

(viii) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, (ii) on a diskette, and (iii) if requested by Lender and within the capabilities of Borrower's data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding the Property and Borrower that is provided to Lender pursuant to this Section in connection with the Securitization to such parties requesting such information in connection with such Securitization.

(ix) As used above, the following defined terms have the following meanings:

(1) **"Regulation AB"** shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(2) "**Related Loan**" shall mean a loan to an affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan.

(3) "**Related Property**" shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is "related" within the meaning of the definition of Significant Obligor, to the Property.

(4) "**Significant Obligor**" shall have the meaning set forth in Item 1101(k) of Regulation AB under the Securities Act.

(e) Assessment Reserve: Borrower shall provide evidence reasonably acceptable to Lender of its payment of all Assessments prior to delinquency thereof (the "**Assessment Payment Evidence**"). Borrower shall immediately notify Lender of (a) any adjustments made to the amount of Assessments due under the Condominium Documents, or (b) the imposition of any additional Assessments under the Condominium Documents.

(f) Lease Termination Reserve: Borrower shall notify Lender in writing, within two Business Days following receipt thereof, of Borrower's receipt of any early termination fee or payment or other termination fee or payment paid by any tenant under any Lease (any such payment, a "**Termination Payment**").

(g) Letter of Credit: If Borrower is at any time a beneficiary under a letter of credit relating to the properties, rights, titles and interests referenced in Section 1.1 of Mortgage, Assignment of Leases and Rents, Security Agreement, Financing Statement and Fixture Filing ("**Security Agreement**") now or hereafter issued in favor of Borrower, Borrower shall promptly notify Lender thereof.

(h) Parking Management Agreement: Borrower shall promptly notify Lender of any default under the Parking Management Agreement of which it is aware.

(i) Hazardous Substances: Borrower shall immediately notify Lender in writing of (A) any presence or Releases or threatened Releases of Hazardous Substances in, on, under, from or migrating towards the Property; (B) any non compliance with any Environmental Laws related in any way to the Property; (C) any actual or potential Environmental Lien; (D) any required or proposed Remediation of environmental conditions relating to the Property; and (E) any written or oral notice or other communication which Borrower becomes aware from any source whatsoever (including but not limited to a governmental entity) relating in any way to Hazardous Substances or Remediation thereof affecting the Property, possible liability of any person or entity pursuant to any Environmental Law, other environmental conditions in connection with the Property, or any actual or potential administrative or judicial proceedings in connection with he foregoing.

3. Rights of Lender under the Loan Documents with regard to insurance and terms and conditions in the event of casualty, as set forth in Exhibits C-1 and C-3 attached hereto and made a part hereof.

4. Rights of Lender under the Loan Documents with regard to condemnation, as set forth in Exhibits C-2 and C-3 attached hereto and made a part hereof.

5. Limitations in Loan Documents regarding the assignment or other disposition or transfer (by operation of law or otherwise) by Manager or Borrower of all or any portion of this Agreement to an Affiliate of such assigning party.

(a) Borrower shall not, without the prior written consent of Lender (which consent shall not be unreasonably withheld, conditioned or delayed): surrender, terminate or cancel the Management Agreement or otherwise replace Manager or enter into any other management agreement with respect to the Property (provided, that, the foregoing shall not be deemed to prohibit Manager from sub-contracting some of its responsibilities under the Management Agreement provided that Manager retains responsibility and control of all material management decisions).

6. Cash Management Agreement and Restricted Account Agreement Requirements, including bank account information into which all Property Revenues shall be deposited:

(a) Cash Management Agreement

(i) Establishment of the Accounts.

(1) Borrower has, simultaneously herewith or prior hereto, established an account (the "**Restricted Account**") pursuant to the Restricted Account Agreement into which Borrower shall deposit, or cause to be deposited, all Rents and other revenue from the Property. EXHIBIT C-1

All references to "Borrower" shall mean and refer to Owner, as defined in this Management Agreement.

(a) Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Lender, shall obtain and maintain, or cause to be maintained, during the entire term of this Security Instrument policies of insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("**Special Form**") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Security Instrument shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Fifty Thousand and No/100 Dollars ($50,000.00) for all such insurance coverage and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (y) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area," flood hazard insurance in an amount equal to (A) the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such lesser amount as Lender shall require plus (B) excess flood insurance in an amount equal to the building value of the first floor of the Improvements plus three (3) months worth of the coverage set forth in subsection (ii) hereof; and (z) earthquake insurance in amounts and in form and substance reasonably satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity, provided that the insurance required to be maintained pursuant to clauses (y) and (z) above shall be on terms consistent with the Special Form policy required pursuant to this subsection (i). Notwithstanding anything to the contrary in this Security Instrument, the insurance coverage described in the foregoing subparagraphs (y) and (z) shall be required (1) as of the date hereof only if determined to be necessary by Lender based upon its reasonable evaluation of third party reports, and (2) at any time hereafter in the event subsequent third party reports indicate a change in the condition of or circumstances surrounding the Property;

(ii) rental loss insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) in an annual aggregate amount equal to 100% of all rents or estimated gross revenues from the operation of

the Property (as reduced to reflect actual vacancies and expenses not incurred during a period of Restoration) and covering rental losses for a period of at least eighteen (18) months after the date of the casualty and notwithstanding that the Policy may expire prior to the end of such period and (D) containing an extended period of indemnity endorsement which provides that after physical loss to the Improvements and the Personal Property has been repaired, the continued loss of income will be insured until such income returns to the same level it was prior to the loss, or the expiration of six (6) months from the date of completion of the Restoration, whichever first occurs and notwithstanding that the policy may expire prior to the end of such period. The amount of such rental loss insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding eighteen (18) month period and a five percent (5%) vacancy factor. Provided no Event of Default has occurred and is continuing, all proceeds payable to Lender pursuant to this subsection (the "**Rent Loss Proceeds**") shall (i) to the extent such proceeds are not paid in a lump sum in advance, be disbursed by Lender (A) to Borrower provided a Cash Management Period (as defined in the Cash Management Agreement) does not exist or (B) to the extent a Cash Management Period exists, into the Cash Management Account (as defined in the Cash Management Agreement) to be further disbursed in accordance with the applicable terms and conditions of the Cash Management Agreement or (ii) in the event such Rent Loss Proceeds are paid in a lump sum in advance, be held by Lender in a segregated interest-bearing escrow account and Lender shall estimate the number of months required for Borrower to restore the damage caused by the applicable casualty, shall divide the applicable aggregate Rent Loss Proceeds by such number of months and shall, provided no Event of Default has occurred and is continuing, disburse such monthly installment of Rent Loss Proceeds from such escrow account to (A) if a Cash Management Period then exists, the Cash Management Account to be further disbursed in accordance with the applicable terms and conditions of the Cash Management Agreement or (B) if a Cash Management Period does not then exist, Borrower each month during the performance of such Restoration. During the continuance of an Event of Default, all Rent Loss Proceeds shall be held by Lender in the Cash Management Account and may be applied by Lender in the same manner as Rents held therein pursuant to the terms thereof and of the other Loan Documents. Nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such Rent Loss Proceeds;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form referenced in subsection (i), above, does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the commercial general liability insurance policy in (v) below; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on

terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars ($2,000,000.00) in the aggregate and One Million and No/100 Dollars ($1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until reasonably required to be changed by Lender as provided in subsection 3.3(b) below; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability and (5) contractual liability covering the indemnities contained in Section 13.1 to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, if any, used by Borrower in the operation of the Property, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars ($1,000,000.00);

(vii) umbrella liability insurance in an amount not less than Thirty Million and No/100 Dollars ($30,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(viii) so-called "dramshop" insurance, if applicable, or other liability insurance required in connection with the sale of alcoholic beverages; and

(ix) workers' compensation, subject to the statutory limits of the state in which the Property is located, and employer's liability insurance with a limit of at least $1,000,000 per accident and per disease per employee, and $1,000,000 for disease aggregate in respect of any work or operations on or about the Property, or in connection with the Property or its operation (if applicable);

(x) (A) such insurance as may be required pursuant to the terms of the Property Documents and (B) upon sixty (60) days' written notice, such other reasonable insurance (such as sinkhole or land subsidence insurance) in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 3.3(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and (i) shall be issued by financially sound and responsible insurance companies reasonably approved by Lender, and authorized or licensed to do business in the state where the Property is located, with (A) general policy ratings of A or better and financial classes of X or better by A.M. Best Company, Inc. and (B) either (i) such insurance companies having claims paying ability/financial strength

ratings of “A” (or its equivalent) or better by the Rating Agencies or (ii) to the extent that the Policies are issued by a syndicate of not less than five (5) insurance companies each otherwise meeting the requirements set forth herein, sixty percent (60%) of such insurance companies having a claims paying ability/financial strength rating of “A” (or its equivalent) or better by the Rating Agencies (with the first layers of the coverages required hereunder provided by such insurance companies) and the remaining forty percent (40%) of such insurance companies having a claims paying ability/Financial strength rating of “BBB” (or its equivalent) or better by the Rating Agencies; (ii) shall name Borrower as the insured and Lender as an additional insured, as its interests may appear; (iii) in the case of property damage, boiler and machinery and, if required pursuant to the provisions hereof, flood and earthquake insurance, shall contain a so called New York Non Contributory Standard Mortgagee Clause and (other than those strictly limited to liability protection) a Lender’s Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, naming Lender as the person to which all payments made by such insurance company shall be paid; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of this Security Instrument without cost to Lender; (vi) shall be assigned and, if requested in writing by Lender, the originals (or duplicate originals certified to be true and correct by the applicable insurer or its agent) delivered to Lender; and (vii) shall contain such provisions, consistent with the provisions hereof, as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements or clauses providing that (I) neither Borrower, Lender nor any other party shall be a co insurer under said Policies, (II) that Lender shall receive at least ten (10) days prior written notice of any modification, reduction or cancellation of any Policy, (III) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned, (IV) Lender shall not be liable for any Insurance Premiums (defined below) thereon or subject to any assessments thereunder, and (V) such Policies do not exclude coverage for acts of terror or similar acts of sabotage. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the “**Insurance Premiums**”) as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender’s servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least twenty (20) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like; provided, however, such increased coverages shall not be requested more frequently than once every three years, and shall only be requested if such coverage is commercially available at commercially reasonable rates and such rates are consistent

with those paid in respect of comparable properties in comparable locations, and Lender also reasonably determines that either (I) prudent owners of real estate comparable to the Property are maintaining same or (II) prudent institutional lenders (including, without limitation, investment banks) to such owners are generally requiring that such owners maintain such insurance.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be approved by Lender (the "**Restoration**") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) provided no Event of Default shall have occurred and be continuing, Borrower may adjust losses aggregating not in excess of the Threshold Amount (defined below) if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred and be continuing, Lender shall not settle or adjust any such claim under clause (1), above, without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

FLOOD INSURANCE. After Lender's request, Borrower shall deliver evidence satisfactory to Lender that no portion of the Improvements is situated in a federally designated "special flood hazard area." or, if any of the Improvements are located within any such area Borrower will obtain and maintain the insurance required prescribed in Section 3.3 hereof, if required under the terms of that section.

EXHIBIT C-2

Loan Document Requirements Re: Condemnation

Borrower shall promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding affecting the Land and/or the Improvements and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney in fact coupled with an interest, with exclusive powers to collect, receive and apply to the Debt (or provide to Borrower to pay for Restoration) any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and, at any time during which an Event of Default has occurred and is continuing, to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. Any award or payment to be applied to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the unpaid portion of the Debt.

Notwithstanding anything contained in this Section 3.6 or this Security Instrument to the contrary, but subject to the provisions of Section 4.4, below, Lender may elect to (y) apply the net proceeds of any condemnation award (after deduction of Lender's reasonable costs and expenses, if any, in collecting the same) in reduction of the Debt in such order and manner as Lender may elect, whether due or not, or (z) make the proceeds available to Borrower for the restoration or repair of the Property. Any implied covenant in this Security Instrument restricting the right of Lender to make such an election is waived by Borrower. In addition, Borrower hereby waives the provisions of any law prohibiting Lender from making such an election.

EXHIBIT C-3

RESTORATION AFTER CASUALTY/CONDEMNATION.

In the event of a casualty or a taking by eminent domain, the following provisions shall apply in connection with the Restoration of the Property:

(d) If the Net Proceeds (defined below) shall be less than the Threshold Amount (defined below) and the costs of completing the Restoration shall be less than the Threshold Amount, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Subsection 4.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Security Instrument. As used herein, the term "**Threshold Amount**" shall mean (i) for any period that the Sponsorship Condition (defined below) remains satisfied, an amount equal to seven percent (7%) of the original aggregate principal amount of the Loan and (ii) for any period that the Sponsorship Condition is not satisfied, an amount equal to five percent (5%) of the original aggregate principal amount of the Loan. As used herein, the term "**Sponsorship Condition**" shall mean a condition which shall be deemed satisfied so long as Sponsor owns a 51% direct and/or indirect interest in Borrower and Controls Borrower.

(e) If the Net Proceeds are equal to or greater than the Threshold Amount or the costs of completing the Restoration is equal to or greater than the Threshold Amount, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Subsection 4.4(b); provided, that, with the exception of Section 4.4(b)(i), the following subsections of this Section 4.4(b) shall not be deemed to apply to any Net Proceeds to be disbursed pursuant to Section 4.4(a) above. The term "**Net Proceeds**" for purposes of this Section 4.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsection 3.3(a)(i), (iii), (iv) and (ix) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall have occurred and be continuing under the Note, this Security Instrument or any of the other Loan Documents or an event which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender, at its expense, the proceeds of the insurance described in Subsection 3.3(a)(ii) hereof (which such proceeds shall be held and disbursed in accordance with Subsection 3.3(a)(ii) hereof); (E)

Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to satisfactory completion; (F) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (G) Lender shall be satisfied that, upon the completion of the Restoration and following a rent-up period from the time such Restoration is complete through the date which is three (3) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, the (1) fair market value of the Property, as reasonably determined by Lender, is equal to or greater than the fair market value of the Property immediately prior to the casualty or condemnation, and (2) gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying costs and operating expenses of the Property, including, without limitation, a Debt Service Coverage Ratio of at least 1.00 to 1,00; (H) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, or (3) such time as may be required under (I) the Property Documents and (II) applicable zoning laws, ordinances, rules or regulations in order to repair and restore the Property to the condition it was in immediately prior to such fire or other casualty or to as nearly as possible the condition it was in immediately prior to such taking, as applicable; (I) the Property and the use thereof after the Restoration will be in compliance with and permitted under (I) the Property Documents and (II) all applicable zoning laws, ordinances, rules and regulations; (J) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with (I) the Property Documents and (II) all applicable governmental laws, rules and regulations (including, without limitation, all applicable Environmental Laws (defined below)); (K) such fire or other casualty or taking, as applicable, does not result in a loss of access to the Property or the Improvements which will exist following Restoration; (L) (1) in the event the Net Proceeds are insurance proceeds, less than thirty-five percent (35%) of each of (i) fair market value of the Property as reasonably determined by Lender, and (ii) rentable area of the Property has been damaged, destroyed or rendered unusable as a result of a casualty or (2) in the event the Net Proceeds are condemnation proceeds, less than fifteen percent (15%) of each of (i) the fair market value of the Property as reasonably determined by Lender and (ii) rentable area of the Property is taken and such land is located along the perimeter or periphery of the Property; (M) the Required Leases (defined below) shall remain in full force and effect during and after the completion of the Restoration and (N) the Property Documents will remain in full force and effect during and after the Restoration and a Property Document Event shall not occur as a result of the applicable casualty, condemnation and/or Restoration. Lender agrees to use due diligence and good faith efforts to process its determination of Borrower's compliance with the requirements of this Paragraph 4.4(b)(i) as promptly as possible, recognizing the need for a quick determination in order to avoid delay in Restoration of the Property. As used above, the term "**Required Leases**" shall mean Leases encumbering, in the aggregate, 65% of the rentable square footage at the Property.

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower on a monthly basis during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed to date (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property (other than items being disputed by Borrower in accordance with Borrower's contest rights contained in Section 3.12 hereof) arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, the Casualty Consultant's fees, shall be paid by Borrower. Lender shall not require Borrower to pay attorney's fees and expenses in connection therewith unless such process involves unusual circumstances that cannot reasonably be handled by Lender (or its Servicer) in-house and which otherwise reasonably justify the need for counsel.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds under this Subsection 4.4(b) in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re occupancy and use of the Property have been obtained from all appropriate governmental and quasi governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage

being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender in an interest-bearing account before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Security Instrument or any of the other Loan Documents.

(f) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the principal balance of the Debt whether or not then due and payable, either in whole or in part, or disbursed to Borrower. If Lender shall receive and retain Net Proceeds, as permitted above, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt. Notwithstanding the foregoing, if Lender does not make the Net Proceeds available for Restoration, Lender shall allow Borrower to prepay the Debt in whole (but not in part) at par, without penalty or premium, provided, that, (A) such prepayment is made by Borrower by no later than the date which is sixty (60) days prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, (B) no Event of Default is continuing and (C) if such prepayment is made on a date other than a Monthly Payment Date, Borrower pays Lender, concurrently with such

prepayment, a sum equal to the amount of interest which would have accrued on the Note if such prepayment had occurred on the next occurring Monthly Payment Date.

3.1.1 endeavor to obtain or cause to be obtained any permits or approvals necessary for the Hotel from time to time; to cause the completion of construction, furnishing and equipping of the Hotel in accordance with the Construction Schedule, the Construction Plans, the Construction Budget, and all applicable building and other governmental permits; to furnish the Hotel in conformity with the Construction Budget; to obtain financing for the development, construction, furnishing and equipping of the Hotel (the "**Construction Loan**"), substantially in accordance with the terms, provisions, and conditions set forth in that certain "Embassy Suites Hotel Conversion, Summary of Terms & Conditions" dated October 2, 2005, prepared by the construction lender; to cause the Hotel to open in accordance with the Construction Schedule; to administer and implement, as Owner's agent, development and construction-related contracts and agreements in existence as of the Commencement Date, at the expense of Owner, including (i) the Construction Contract; (ii) that certain Turnkey Agreement dated as of April 4, 2005, between ABW Lewers LLC and ESW LLC, which was assigned by ESW LLC to Owner (the "**Turnkey Agreement**"); and (iii) that certain Reimbursement Agreement dated as of April 4,2005, between ABW Lewers LLC and ESW LLC, which was assigned by ESW LLC to Owner (the "**Reimbursement Agreement**"); pursuant to which agreements ABW Lewers LLC is constructing certain improvements on behalf of Owner and the Hotel.

3.1.2 except as otherwise set forth in this Section 3.1, the right, authority and power, either by itself or as part of an association, to administer and implement, as Owner's agent, contracts, leases and agreements relating to the Hotel in existence as of the Commencement Date, including Owner's obligations as a member of, and under, that certain WBW CHP, LLC Limited Liability Operating Agreement dated as of December 15, 2005, pursuant to which ABW Lewers LLC is constructing, on behalf of WBW CHP, LLC, a chilled water system that will service the Hotel, at the expense of Owner; provided, however, that Operator may accept contracts or reservations for the use of guest rooms, banquet facilities, or meeting rooms or other facilities at the Hotel, including all individual, group and corporate contracts or reservations and airline crew reservation contracts, regardless of whether secured by

deposits. Owner hereby agrees to execute any such contracts, leases, or agreements upon the request of Operator;

For purposes of this paragraph, a change that materially affects the cost of the improvements of the Hotel means any change of greater than $750,000 (in the aggregate with all such changes relating to the same subject matter) from the amounts set forth in the Construction Budget;

3.2.6 use of cash receipts for the repayment of any indebtedness in excess of regularly scheduled debt service payments or payments required under loan documents executed and delivered with regard to the Hotel;

3.2.7 entering into any contract on behalf of the Hotel or causing Owner to be obligated for any obligation which, in the aggregate with all contracts relating to the same subject matter, is greater than $750,000, unless such contract or obligation is approved in the Annual Budgets or is otherwise a Hotel Expense permitted under Section 9.1.1; and

3.2.8 the purchase and/or contract for goods, supplies and services (including Chain Services) for the Hotel from Operator or any of Operator's Affiliates if (a) the prices, terms and quality of goods, supplies and/or services rendered are not competitive with the prices, terms and quality of goods, supplies and/or services otherwise available if Operator were to negotiate for such goods, supplies and/or services on an arm's length basis from unrelated third party providers, and (b) such purchase and/or contract for goods, supplies and services is not otherwise approved by Owner through the Annual Budgets.

During the Term, all personnel regularly employed at the Hotel, including the general manager, who shall report to Operator and not Owner (collectively, the "**Hotel Employees**"), shall remain the employees of Operator; provided, however, that Owner shall pay for all of the costs of employment of the Employees during the Term ("**Wages and Benefits**"), including:

3.3.1 wages; salaries; bonuses; benefits or rights granted to the Employees, whether under the terms of any pension, profit sharing, employee benefit and similar plans, if any, applicable to the Employees, or any existing employment or consulting contract with regard to the Employees;

Operator shall have the right during the Term to direct, supervise, train and assign work schedules, duties and assignments to the Hotel Employees in connection with the operation of the Hotel.

3.4 Standard of Operation. Operator shall operate the Hotel during the Term as a first class hotel and shall provide or cause to be provided all amenities in connection therewith. Owner and Operator acknowledge that the operation of the Hotel shall be as a first class hotel if such operation complies with the building standard required under the Trademark License Agreement and the standards specified in the Manual described in the Franchise Agreement.

ARTICLE 4

4.1 Chain Services Generally. The Management Fee covers Operator's basic operation and management of the Hotel. Operator agrees to make available to Owner specialized services for marketing, reservations, information technology, accounting, human resources and purchasing (the "**Chain Services**"). The cost for the Chain Services shall be paid for by Owner in accordance with the Annual Operating Budget, and Operator shall, upon request by Owner in connection with any Annual Operating Budget review process, provide to Owner details, including methodology, used to calculate the costs for the Chain Services reflected in any such Annual Operating Budget.

4.2 Payment for Chain Services. On the fifth (5th) day of each calendar month during the Term and on the fifth (5th) day of the calendar month immediately following the end of the Term, all fees and expenses for Chain Services provided by Operator, together with general excise tax imposed thereon, if any, for the preceding calendar month as then estimated by Operator shall be paid by Owner. If such estimated amounts paid to Operator prove to be different from the amounts shown on the Monthly Financial Statement subsequently delivered by Operator to Owner, the installments for that month shall be recomputed on the basis of such statement and appropriate adjustments shall be made in the estimated amount due for the next succeeding month(s).

ARTICLE 5

OPERATOR'S FEES

5.1 Management Fees. During the Term, Operator shall be paid, in respect of its management services hereunder, a "**Management Fee**" comprising the following:

5.1.1 commencing from and after the date on which Franchisor under the Franchise Agreement authorizes Licensee to open for business ("Open") or, if Licensee has not

fully complied with the terms of the Franchise Agreement, to conditionally open for business ("Conditional Opening"), and to make available the facilities, guest rooms or services of the Hotel under the Licensed Brand, "Embassy Suites™" (such date being defined as the "Opening Date" under the Franchise Agreement), and continuing throughout the Term, the amount of **three percent (3%)** of Gross Revenues during the Term, payable monthly as set forth in Section 5.4 (Payments to Operator); and

5.1.2 commencing from and after the earlier to occur of the Opening Date or the date of Conditional Opening (as such terms are defined in the Franchise Agreement) and continuing throughout the Term, **six percent (6%)** of Gross Operating Profit, payable monthly as set forth in Section 5.4 (Payments to Operator);

provided however, that the sum of the payments under Sections 5.1.1 and 5.1.2, for any Fiscal Year (or portion thereof), shall not exceed three and one-half percent (3.5%) of Gross Revenues for such Fiscal Year (or portion thereof) during the Term.

5.2 Gross Revenues. As used in this Agreement, "**Gross Revenues**" means all revenues and income of any kind derived directly or indirectly from the operation of the Hotel, whether on a cash basis or on credit, paid or unpaid, collected or uncollected, determined in accordance with generally accepted hotel accounting principles applied on a basis consistent with those of the preceding year, excluding, however:

5.2.1 federal, state and municipal excise, sales and use taxes collected directly from patrons or guests or as a part of the sales price of any goods, services or displays, such as transient accommodations, gross receipts, admission, cabaret or similar or equivalent taxes;

5.2.2 proceeds of claims under any insurance policies, except for proceeds under any business interruption insurance;

5.2.3 gains arising from the sale or other disposition of capital assets;

5.2.4 any tax refunds or reversal of any contingency or tax reserves;

5.2.5 any proceeds from sales of any of Owner's real or personal property, including any proceeds resulting from condemnation proceedings or the threat of condemnation;

5.3 Gross Operating Profit. As used in this Agreement, "**Gross Operating Profit**" means Income Before Management Fees and Fixed Charges, which is determined by deducting Hotel Expenses from Gross Revenues. The term, "Income Before Management Fees and Fixed Charges," is defined in A Uniform System of Accounts for Hotels, Ninth Revised Edition.

5.4 Payments to Operator. On the fifth (5th) day of each calendar month, Operator shall be paid the Management Fee specified in Section 5.1 for the preceding calendar month as then reasonably estimated by Operator and disclosed to Owner, along with any amounts due Operator under ARTICLE 3 (Operation of Hotel by Operator) and ARTICLE 4 (Chain Services). If the estimated amounts paid to Operator shall prove to be different from the amounts shown on the Monthly Financial Statement subsequently delivered by Operator to Owner, the Management Fee for the month for which it was paid shall be recomputed on the basis of the amounts so shown and appropriate adjustments shall be made (without consideration of interest on any overpayment or underpayment) in the amount of the Management Fee otherwise due for the next succeeding month (or months, if necessary).

ARTICLE 6

BANK ACCOUNTS AND CASH DISBURSEMENTS

6.1 Possession of Funds. Subject to this Agreement, Operator, as agent of Owner, shall have possession and control of the Gross Revenues and all other funds utilized in the Hotel's operation. All funds received by Operator in the operation of the Hotel, including Working Capital provided by Owner, shall be deposited in one or more accounts ("**Agency Accounts**") with Bank of Hawaii or such other federally insured bank depository as Operator may from time to time select with Owner's approval, which approval shall not unreasonably be withheld or delayed.

6.2 Risk of Loss. Owner shall bear all losses resulting from any failure or insolvency of the bank, trust company or other financial institution in which the Agency Accounts or the investments authorized by Section 6.1 are maintained. Upon the termination of this Agreement, and the payment to Operator of all amounts due Operator upon such termination, all remaining amounts in the Agency Accounts to which Owner is entitled shall be transferred to Owner.

6.3 Distribution of Funds to Owner. After adequate Working Capital reserves have been provided in accordance with ARTICLE 7, Operator shall, on the twentieth (20th) day of each calendar month during the Term, pay to Owner any remaining surplus funds and accrued interest, if any, thereon that are not required for current obligations.

ARTICLE 7

WORKING CAPITAL

7.1 Owner to Provide Working Capital. Owner shall provide Operator at all times with cash sufficient in Operator's opinion to finance and support the uninterrupted and efficient

operation of the Hotel from time to time and the performance by Operator of its obligations under this Agreement ("**Working Capital**"), which amount should at any time approximate Five Hundred Thousand Dollars ($500,000.00) ("**Minimum Working Capital Amount**"). Operator acknowledges that, as of the date of this Agreement, Owner has delivered to Operator an amount equal to the Minimum Working Capital Amount, and Owner agrees that Operator may use the same as Working Capital in accordance with the Annual Operating Budget and the provisions of this Agreement. At no time during the Term shall the amount of Working Capital available to Operator be less than the Minimum Working Capital Amount. Under no circumstances shall Operator be obligated to provide its own funds for the operation of the Hotel.

7.2 Additional Working Capital. If the operation of the Hotel requires the infusion of Working Capital in addition to that which is available in the Agency Accounts, Owner shall procure and deliver to Operator, within ten (10) Business Days after receiving notice from Operator of the need therefor, such additional funds as are required to finance and support the uninterrupted and efficient operation of the Hotel. In the event Owner fails to pay such additional funds, Operator may, at Operator's sole discretion, advance such additional funds, whereupon Owner shall pay to Operator from Owner's own funds and not as a Hotel Expense, commencing as of the first day on which Operator advances such funds and ending on the date on which Owner repays to Operator funds advanced by Operator, interest on the delinquent amount at a rate equal to four (4) percentage points above the Prime Rate.

ARTICLE 8

EXPENSES

8.1 Expenses of Owner. Unless this Agreement expressly provides for an item or service to be at Operator's own expense, all costs and expenses incurred by Operator in the performance of Operator's obligations under this Agreement shall be for and on behalf of Owner and for its account, and each of the same shall be a "**Hotel Expense**," except as and to the extent this Agreement provides expressly for any of them to be at Owner's separate expense to be paid by Owner from Owner's own funds on a cash basis and not from the Agency Accounts.

8.2 Owner's Debts and Liabilities. All debts and liabilities incurred with or owed to third parties by Operator on behalf of either Owner or the Hotel, in the normal course of business, and within the authority granted to Operator herein, are and shall remain the sole obligations of Owner.

8.3 Payment of Construction Costs and Use of Construction Loan Proceeds. Construction costs are Owner's Expenses that shall be paid for by Owner on a cash basis from Owner's own funds (and not from the Agency Accounts) and shall be reimbursed by Owner to Operator. Construction Loan proceeds shall be disbursed and applied as set forth in Exhibit E attached hereto and made a part hereof.

ARTICLE 9

ANNUAL BUDGETS AND FINANCIAL STATEMENTS

9.1 Annual Budgets

9.1.1 Operator shall, not later than sixty (60) days prior to the commencement of each Fiscal Year, prepare an estimate of operating revenues and expenses for the ensuing Fiscal Year ("**Annual Operating Budget**") and an estimate of capital expenses for the ensuing Fiscal Year ("**Annual Capital Budget**") (together the "**Annual Budgets**"); provided that the Annual Budgets for the first Fiscal Year shall be prepared by Operator within ninety (90) days after the Commencement Date. The Annual Budgets must be approved by Owner (which approval shall not unreasonably be withheld and shall be deemed given unless a specific written objection is delivered by any Owner to Operator within thirty (30) days after submission to Owner of each Annual Budget) and thereafter may not be exceeded without Owner's prior written approval, which approval shall not unreasonably be withheld, except that the Hotel Expenses in the Annual Operating Budget may be exceeded in the aggregate by not more than ten percent (10%) of the amount of Hotel Expenses in that Annual Operating Budget without Owner's approval.

9.1.2 Owner acknowledges that any increase in the occupancy levels of the Hotel over the levels estimated in the Annual Operating Budget during any Fiscal Year or other budgeting period may have a direct effect on and may cause a corresponding increase in the expenses of the Hotel. Owner therefore agrees that any consequential increases in expenses in the Annual Operating Budget (not to exceed ten percent (10%) in any line item of that Annual Operating Budget) which are a result of such increases in occupancy levels shall be deemed approved by Owner, and need not be submitted to Owner for approval nor will they count as increases over the previously approved budget amount, i.e., such increases will not be included as excess expenses in calculating the percentage limit set forth above. Operator shall otherwise use reasonable efforts to adhere to the Annual Budget and, if requested by Owner, Operator will hold quarterly meetings with Owner to review the results of the Hotel operations. If, between quarterly meetings, Operator finds it necessary to exceed the Annual Budget authorizations as approved and permitted herein, Operator will give notice to Owner requesting approval for such excess; such approval shall not unreasonably be withheld and shall be deemed given unless a specific written objection is delivered by any Owner to Operator within ten (10) days after submission thereof to Owner. If Owner and Operator are unable to reach agreement with respect to individual expense items in the Annual Budgets for a particular Fiscal Year, the Annual Budgets shall be implemented for such Fiscal Year with respect to expense items which are not in dispute, and expense items in dispute shall be kept at the same level of such expense items for the previous Fiscal Year, adjusted, however, by any increase, if any, in the Consumer Price Index of the Bureau of Labor Statistics of the U.S. Department of Labor for Urban Wage Earners and Clerical Workers, All Items, All Urban Areas (1982-84=100) for Honolulu (the "**CPI**"), from the first day of the previous Fiscal Year. In the event Owner and Operator cannot resolve any disputed expense item, such dispute shall be resolved by the Dispute Resolution Procedures.

9.2 Financial Statements. Within twenty (20) days after the end of each calendar month during the Term, Operator shall furnish to Owner an accounting of the fees and expenses under this Agreement, which shall include a profit and loss statement and an operating cash flow statement consistent with the format attached hereto as Exhibit B and made a part hereof (the "**Monthly Financial Statement**"). Within ninety (90) days after the end of each Fiscal Year, Operator shall submit to Owner a statement of operations for the Hotel, including a profit and

loss statement, a statement of financial position and a statement of cash flow, providing a comparison of such profit and loss statement against the profit and loss statement of the Annual Operating Budget for the Fiscal Year just concluded, and, where available, the prior Fiscal Years' results (the "**Annual Financial Statement**"), along with such other financial reports and information as may be reasonably requested by Owner.

9.3 No Reliance on Projections. Owner hereby represents that in entering into this Agreement Owner has not relied, and agrees that in the future it will not rely, on any budgets, projection of earnings, statements as to the possibility of future success or other similar matter, including the Annual Budgets ("**Projections**"), which may have been or may hereafter be prepared by Operator. Owner hereby acknowledges and agrees that the Projections are good faith estimates only and that unforeseen circumstances may make adherence to the Projections impracticable, and that any use of the Projections by Owner shall be subject to this understanding.

9.4 Location and Availability of Records. The books and records of the Hotel shall be maintained at the Hotel or such other place designated by Operator and approved by Owner from time to time and shall, during regular business hours, be available for inspection and duplication by Owner and its designated representatives including, without limitation, attorneys, auditors, and accountants, at Owner's Expense.

ARTICLE 10

FF&E RESERVE FUND

10.1 Reserve Fund. Twenty (20) days after the end of each calendar month during the Operating Term, Operator shall transfer from the Agency Accounts to an account designated by Owner, an amount equal to four percent (4%) of the Gross Revenues of the Hotel for such preceding month, for the purpose of establishing a reserve fund (the "**Reserve Fund**") to pay for replacement of and additions to the FF&E in accordance with the Annual Budgets. Any proceeds from sales of FF&E shall be transferred to Owner, and all interest earned on the Reserve Fund shall accrue to the Reserve Fund; provided, however, that the Reserve Fund shall not exceed $500,000.00 at the end of any calendar month without the consent of Owner. If in any Fiscal Year the Reserve Fund is inadequate to meet FF&E expenses during such Fiscal Year, Owner shall have the obligation to make up the amount of any shortfall. Upon the termination of this Agreement, the balance of the Reserve Fund shall be paid to Owner.

ARTICLE 11

MAINTENANCE AND REPAIRS; CAPITAL EXPENDITURES

11.1 Maintenance and Repair Expenditures. To the extent sufficient Working Capital is made available and to the extent included in the Annual Budgets or otherwise approved by Owner, Operator will make such expenditures for repairs and maintenance (excluding structural or other extraordinary repairs not required to be made on an emergency basis) as it deems necessary to keep the Hotel in good operating condition.

11.2 Annual Capital Expenditures Plan. Operator shall prepare annually, for Owner's approval, a capital expenditures plan (the "**Annual Capital Budget**") outlining expenditures for replacements of FF&E and other capital expenditures deemed necessary or desirable by Operator during the ensuing Fiscal Year. Owner's consent to the Annual Capital Budget shall not unreasonably be withheld and shall be deemed given unless a specific written objection thereto is delivered by any Owner to Operator within thirty (30) days after submission thereof. Operator shall make such substitutions and replacements or renewals to FF&E as it deems necessary or desirable, up to the amount set forth in the Annual Capital Budget in effect from time to time, and to the extent sufficient funds in the Reserve Fund are available. No expenditure will be made in excess of such amount or for any other capital improvement without the approval of Owner. The FF&E component of the Annual Capital Budget prepared by Operator shall be paid for from monies held in the Reserve Fund and, where such monies are insufficient to pay for such expenditures, Owner shall pay for such shortfall with Owner's own funds.

11.3 Owner's Right to Alter/Improve Hotel. Owner may, at any time but subject to any loan requirements and the Franchise Agreement, at Owner's Expense, make such alterations or improvements in or to the Hotel as Owner and Operator shall mutually approve and as shall be included in the Annual Capital Budget. All alterations or improvements shall be made in a manner to cause the least practicable interference with the operation of the Hotel, and only in accordance with the mutually approved Annual Capital Budget. No Hotel expansion shall be undertaken or commenced by Owner without Operator's prior written reasonable approval of such expansion, including the plans, specifications, drawings, architect and contractor therefor. In the event (i) any alterations, additions or improvements, structural or nonstructural, are required to bring the Hotel into compliance with any applicable requirements under all laws, ordinances, orders, rules and regulations of authorities with jurisdiction over the Hotel ("**Governmentally Required Improvements**"); or (ii) any alterations, additions or improvements, structural or nonstructural, that are treated as "capital improvements" under generally accepted accounting principles, are required to maintain the standard of operation for the Hotel, Owner shall make such improvements from Owner's own funds on a cash basis and not from the Agency Accounts, at the earlier to occur (such earlier date being called the "**Completion Date**") of (a) a time mutually agreed to by Owner and Operator, or (b) before any litigation, action, claim or proceeding is filed against the Hotel seeking to enforce the law, ordinance, order, rule or regulation requiring such Governmentally Required Improvements. Operator and Owner shall promptly provide to the other party a copy of any notice received by Operator or Owner, as the case may be, with respect to any such threatened or actual litigation, action, claim or proceeding.

11.4 Owner's Failure to Alter/Improve Hotel in Time Required. In the event Owner fails to make Governmentally Required Improvements by the Completion Date, Operator may, at Operator's election, (a) terminate this Agreement, or (b) to make the improvements required, and in the event Operator elects to make the required improvements, Owner shall pay to Operator from Owner's own funds and not as a Hotel Expense, commencing as of the first day after the payment is due to Operator, interest on the delinquent amount at a rate equal to four (4) percentage points above the Prime Rate.

11.5 Capital Expenditures. Owner and Operator shall agree upon a person or entity, which person or entity may be Operator, to supervise and direct, in the manner and to the extent

agreed upon by Owner and Operator, the Hotel's programs of capital expenditures authorized from time to time by the provisions of this ARTICLE 11. If such person or entity is agreed to be Operator, Operator shall be entitled to receive reasonable compensation for these services as agreed upon by Owner and Operator in addition to any other amounts payable to Operator under this Agreement.

ARTICLE 12

INSURANCE

12.1 Policies to be Carried. In the name of Owner and Operator, and as a Hotel Expense (except as provided in Section 12.2), Operator shall, from and after the Commencement Date, procure and maintain in full force and effect insurance as is reasonably customary from time to time for hotels of equivalent class for the hotel industry in Hawaii, the policies of which shall be subject to Operator's and Owner's mutual approval as to form and content, including policy coverages, premiums and deductibles. Such insurance shall include the following:

12.1.1 General Liability. A policy of commercial general liability insurance with respect to the Hotel and the business conducted therein by Operator with such limits, deductibles, and coverages from time to time as a prudent businessperson would require, but in no event shall such policy be less than $10,000,000.00 per occurrence and in the aggregate for bodily and personal injury including property damage, or a combined single limit of $10,000,000.00.

12.1.2 Property Insurance. A policy of property insurance to insure against risks of direct physical loss not otherwise excluded (commonly referred to as all risk coverage that includes windstorm/hurricane) and flood. All insurance proceeds from such policy in the event of a casualty shall be deposited into an Agency Account, to be established by Owner and Operator, for the purpose of repairing, replacing and reconstructing the Hotel in accordance with this Agreement.

12.1.3 Business Personal Property Insurance. A policy of business personal property insurance to cover damage or loss to the FF&E, against risks of direct physical loss not otherwise excluded, in the full replacement cost thereof. All insurance proceeds from such policy in the event of a casualty shall be deposited into an Agency Account, to be established by Owner and Operator, for the purpose of repairing and/or replacing the FF&E in connection with the repair, replacement and reconstruction of the Hotel in accordance with this Agreement.

12.1.4 Business Income Insurance. A policy of insurance covering loss of earnings or business income, with extra expense, resulting from loss or damage by risks of direct physical loss not otherwise excluded, payable to Operator.

12.1.5 Insurance Required By Law. Such insurance or other coverage as may be required by any law, regulation, or ordinance of any federal, state, or municipal government or agency thereof, including workers' compensation, temporary disability and automobile insurance.

12.2 Insurance Not Required. Owner and Operator agree that neither Owner nor Operator will obtain insurance to cover acts of terrorism and mold infestation and that such risks,

including damage to the Hotel, are assumed by Owner; provided, however, that Owner and Operator shall endeavor, on a commercially reasonable basis, not to purchase insurance policies that expressly exclude such risks. Should Owner desire insurance to cover such risks, Owner will procure such insurance at Owner's sole cost and expense.

12.3 General.

12.3.1 Policies. All insurance policies required under this Agreement shall be in a form and written by good and responsible insurance companies authorized to do business in the State of Hawaii, holding a "General Policyholders Rating" with a minimum A.M. Best Rating of A- (as set forth in the most current issue of "Best's Insurance Guide"), and otherwise reasonably satisfactory to Owner and Operator. To the extent reasonably possible, Operator shall furnish to Owner a certificate of insurance and/or evidence of property insurance as evidence for each policy of insurance required to be maintained by Operator hereunder on or before the Commencement Date. Each certificate of insurance and/or evidence of property insurance shall contain a provision that such policy shall not be changed or canceled, nor the coverage reduced, without thirty (30) days' prior written notice to Owner, and shall evidence the existence and coverages of such insurance with loss payable clauses. All policies of insurance required to be maintained by Operator hereunder shall, to the extent permitted by law, name Owner as an additional insured. Operator reserves the right to obtain additional insurance either under a single policy or under a blanket policy with respect to any and all of the insurance requirements herein.

12.3.2 Blanket Insurance Policy. Any insurance required to be provided by Operator may be provided under policies of blanket insurance which cover other properties and activities of Operator.

12.3.3 Reports. Operator shall periodically (but in no event less frequently than annually and when insurance coverage is materially changed or modified) provide a report or reports to Owner setting forth the specific insurance, including coverage limits, procured by Operator pursuant to Section 12.1. If Owner is dissatisfied with such insurance coverage, Owner shall so advise Operator, and the parties shall endeavor to come to an agreement. If the parties are unable to agree, the matters in dispute shall be resolved pursuant to arbitration.

12.4 No Right of Subrogation; Adequacy of Coverage. All policies of insurance shall provide that the insurance company shall have no right of subrogation against Owner or Operator, their respective agents or employees except in the event of willful misconduct or gross negligence on the part of Owner, Operator, or their respective agents or employees. Owner assumes all risks in connection with the adequacy of any insurance program.

ARTICLE 13

TAXES

13.1 Payment of Taxes.

13.1.1 Operator shall pay when and as the same are due and payable, in the name and on behalf of Owner, in such installments as are permitted by law, all transient

accommodation taxes, general excise taxes (including general excise taxes assessed against all payments to Operator under this Agreement, including payments under this Section 13.1.1), gross income taxes, withholding and payroll taxes, and betterment assessments levied or assessed on or against the Hotel or any portion thereof or Gross Revenues therefrom for any fiscal period of the taxing authority, all or any part of which period is included in the Term. The portion of any such amount so paid which is allocable to a period during the Term shall be included as a Hotel Expense.

13.1.2 During the Term, Operator shall pay when and as the same are due and payable, as an Owner's Expense, in such installments as are permitted by law, all real property taxes levied or assessed on or against the Hotel. Operator shall have absolute control and discretion with respect to all matters relating to real property taxes levied or assessed against the Hotel.

ARTICLE 14

DAMAGE, DESTRUCTION OR CONDEMNATION

14.1 Damage or Destruction. If the Hotel or any portion thereof shall be damaged or destroyed at any time during the Term by fire, casualty or any other cause, Owner shall, subject to the provisions of the Franchise Agreement, have the sole discretion to repair and/or replace the Hotel.

14.1.1 If Owner elects, within twenty (20) days of such fire, casualty or cause, not to repair and/or replace the Hotel, then this Agreement shall automatically terminate upon written notice of such election by Owner to Operator; provided, however, that Owner shall (a) through the date of such termination (or such longer period as required by federal law or the laws of the State of Hawaii) and regardless of whether all or a portion of the Hotel is operating, pay for the Wages and Benefits of, and all payments required by federal law or state laws to, all Hotel employees, together with all general excise taxes imposed thereon and an amount to cover Operator's reasonable administrative costs and expenses in connection with processing such payment, and (b) pay for, at Owner's Expense, any and all amounts due and payable, upon termination or thereafter, to Licensor by any party, as Licensee, under the Franchise Agreement.

14.1.2 If Owner elects to repair and/or replace the Hotel (or if Owner fails to provide notice of any election within such 20-day period, in which event Owner shall be deemed to have elected to repair and/or replace the Hotel), then throughout such period of repair or reconstruction Owner shall continue to pay for the Wages and Benefits of all Hotel employees, together with all general excise taxes imposed thereon and an amount to cover Operator's reasonable administrative costs and expenses in connection with processing such payment; provided, however, that, if permitted by and subject to applicable law, Operator shall reasonably endeavor to minimize such expenses, including the termination of Hotel employees or reassignment of Hotel employees to other hotels operated by Operator.

14.2 Condemnation. If the whole of or a portion of the Hotel shall be taken in any condemnation, expropriation or like proceedings, or if such a portion thereof shall be taken as to make it unreasonable, in Owner's opinion, to use the remaining portion as a hotel of the type

preceding such taking, then this Agreement shall terminate as of the date of such taking; provided, however, that Owner shall (a) through the date of such termination (or such longer period as required by federal law or the laws of the State of Hawaii) and regardless of whether all or a portion of the Hotel is operating, pay for the Wages and Benefits of, and all payments required by federal law or state laws to, all Hotel employees, together with all general excise taxes imposed thereon and an amount to cover Operator's reasonable administrative costs and expenses in connection with processing such payment, and (b) pay for, at Owner's Expense, any and all amounts due and payable, upon termination or thereafter, to Licensor by any party, as Licensee, under the Franchise Agreement.

ARTICLE 15

ASSIGNMENT

15.1 No Right to Assign Without Consent of Other Party. Neither Owner nor Operator shall assign this Agreement, or any interest herein, without the prior written consent of the other party, which consent may be withheld for any reason or no reason. No assignment of this Agreement or any portion thereof shall relieve the assignor or transferor of its obligations and liabilities under this Agreement. Notwithstanding the foregoing, Operator or Owner shall be permitted to assign this Agreement to its respective Affiliate without the consent of the other party; provided, however, that such Affiliate shall be bound by the terms of this Agreement.

ARTICLE 16

TRANSFER OF HOTEL

16.1 Owner's Transfer of Interest in Hotel. In the event Owner Transfers (defined below) its right, title and/or interest in the Hotel either during the Term or prior to the date that is the twenty-fifth (25th) anniversary of the Commencement Date, either (a) any such Transfer shall be subject to this Agreement, or (b) Owner shall pay the Cancellation Fee set forth in Section 19.1.2 below; provided, however, that in the event Franchisor does not consent to the assignment or other transfer of the Licensee's rights under the Franchise Agreement to Owner or Owner's designee within one-hundred twenty (120) days after the Commencement Date, Operator acknowledges that Owner is required to reconvey the Hotel to ESW LLC, and upon such reconveyance, Owner and Operator shall cancel and terminate this Agreement and the recorded memorandum hereof without payment of the Cancellation Fee.

16.2 Definition of "Transfer." "**Transfer**" means, (a) as a noun, any transfer, sale, assignment, exchange, charge, pledge, gift, hypothecation, conveyance, encumbrance, or other disposition, whether direct or indirect, voluntary or involuntary, by operation of law or otherwise, of all of Owner's right, title and/or interest in the Hotel or of all of its membership interest or percentage interest in any entity comprising Owner, and (b) as a verb, directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, to transfer, sell, assign, exchange, charge, pledge, give, hypothecate, convey, encumber, or otherwise dispose of all of Owner's right, title and/or interest in the Hotel or of all of its membership interest or percentage interest in any entity comprising Owner; provided, however, that a "Transfer" shall not include any of the foregoing if the result is that ESW LLC, Outrigger Hotels Hawaii or any Affiliate of

either of them, does not own any interest, either directly or indirectly, in the Hotel after the subject transaction takes effect.

ARTICLE 17

TERMINATION BY OWNER

17.1 Termination By Owner. The occurrence of any of the following events shall constitute a default and be good cause for Owner to terminate this Agreement without prejudice to any other rights or remedies Owner may have hereunder, or otherwise at law or in equity:

17.1.1 Operator breaches or fails to comply with any material term, covenant or condition of this Agreement or any other contract or agreement with a third party arising under, in connection with or relating to the Hotel or this Agreement, and Operator fails to cure such default within thirty (30) days after receipt of written notice from Owner specifying the exact nature of such default (unless some other cure period is provided in this Agreement, in which event such other cure period shall apply); provided, however, that if such default is curable but not reasonably susceptible of being cured within such thirty (30)-day period, Owner shall not be entitled to terminate this Agreement if Operator commences curing such default within the thirty (30)-day period and thereafter diligently pursues a cure thereof to completion.

17.1.2 Operator makes any assignment of its property for the benefit of creditors.

17.1.3 Operator's interest under this Agreement is taken on execution of a judgment.

17.1.4 Operator files a petition for adjudication as a bankrupt, for reorganization or for an arrangement under any bankruptcy or insolvency law, or an involuntary petition under any such law is filed against Operator and not dismissed within ninety (90) days thereafter.

17.2 Effective Date. If Owner elects to terminate this Agreement pursuant to Section 17.1.1, such termination shall be effective after the expiration of any cure periods available to Operator under such section, otherwise, such termination shall be effective upon Operator's receipt of written notice from Owner of Owner's intention to terminate this Agreement.

17.3 No Termination Without Cause. Owner may not terminate this Agreement without cause.

ARTICLE 18

TERMINATION BY OPERATOR

18.1 Termination by Operator. The occurrence of any of the following events shall constitute a default and be good cause for Operator to terminate this Agreement without prejudice to any other rights or remedies Operator may have hereunder, or otherwise at law or in equity:

18.1.1 Owner breaches or fails to comply with any material term, covenant or condition of this Agreement or another contract or agreement with a third party arising under, in connection with or relating to the Hotel or this Agreement and Owner fails to cure such default within thirty (30) days after receipt of notice from Operator specifying the exact nature of such default (unless some other cure period is provided in this Agreement, in which event such other cure period shall apply); provided, however, that if such default is curable but not reasonably susceptible of being cured within such thirty (30)-day period, Operator shall not be entitled to terminate this Agreement if Owner commences curing such default within the thirty (30)-day period, and thereafter diligently pursues a cure thereof to completion.

18.1.2 Owner makes any assignment of its property for the benefit of creditors.

18.1.3 Owner's interest under this Agreement is taken on execution of a judgment, including a judgment of foreclosure.

18.1.4 Owner files a petition for adjudication as a bankrupt, for reorganization or for an arrangement under any bankruptcy or insolvency law, or an involuntary petition under any such law is filed against Owner and not dismissed within ninety (90) days thereafter.

18.1.5 Owner fails to pay to Operator any amounts when due hereunder and Operator elects to terminate; provided, however, (1) that Operator must give Owner forty-five (45) days' prior notice of Operator's election to terminate for such reason and (2) Owner may cure such default during such notice period by paying funds, which payment would negate Operator's right to terminate under this subsection. If Owner fails to pay amounts as and when due hereunder, commencing as of the first day after the payment is due to Operator, (i) there shall be a late charge of five (5%) of the delinquent amount, and (ii) interest shall accrue on the delinquent amount at a rate equal to the lower of (x) three (3) percentage points above the Prime Rate or (y) the highest legal rate.

18.2 Effective Date. If Operator elects to terminate this Agreement pursuant to Section 18.1.1 and/or 18.1.5 above, such termination shall be effective after the expiration of any cure periods available to Owner under such section, otherwise such termination shall be effective upon Owner's receipt of written notice from Operator of Operator's intention to terminate this Agreement.

18.3 No Termination Without Cause. Operator may not terminate this Agreement without cause.

ARTICLE 19

RIGHTS UPON TERMINATION

19.1 Payment of Fees to Operator; Reimbursement of Other Amounts to Operator.

19.1.1 Upon termination of this Agreement for any reason or upon expiration of the Term, (1) Operator shall be entitled to: (a) reimbursement of all outstanding expenses incurred by Operator pursuant to this Agreement with respect to the Hotel; (b) payment of the Management Fee and any other fees payable under this Agreement (or under any other

arrangement entered into between the parties and/or the Affiliates of either in respect of the Hotel), to which Operator and/or its Affiliates would be entitled to through the date of termination; and (c) payment of any other sums due Operator hereunder; (2) Owner shall, through the termination or expiration date, as applicable, pay for the Wages and Benefits of all Hotel employees, together with all general excise taxes imposed thereon and an amount to cover Operator's reasonable administrative costs and expenses in connection with processing such payment, and (3) payment of any and all amounts due and payable, upon termination or thereafter, to Franchisor by any party, as Licensee, under the Franchise Agreement.

19.1.2 Owner and Operator hereby acknowledge agree that the continued effectiveness of this Agreement is a material consideration to the parties under the Tenancy-in-Common Agreement and to Operator, and that the termination or expiration of this Agreement will result in losses and damages to Operator. Accordingly, in addition to the sums provided for under Section 19.1.1, upon the termination of this Agreement by Owner pursuant to Section 16.1 or as a result of Owner's default under Section 18.1, Operator shall have the immediate right to a cancellation fee (the "**Cancellation Fee**") as liquidated damages and not as a penalty in an amount equal to the following:

(a) for the period from the Commencement Date to the eleventh (11th) anniversary of the Commencement Date, an amount equal to the product of (i) eight (8) times (ii) the Management Fees for the twelve (12) month period immediately preceding the date on which the event that resulted in the termination of this Agreement occurs, and

(b) for the period from the eleventh (11th) anniversary of the Commencement Date to the fifteenth (15) anniversary of the Commencement Date, an amount equal to the product of (i) the Management Fees for the twelve (12) month period immediately preceding the date on which the event that resulted in the termination of this Agreement occurs, times (ii) the following number (factor):

Year of Management Agreement	Factor
12	4
13	3
14	2
15	1;

provided, however, that if this Agreement is so terminated prior to the first (1st) anniversary of the Opening Date, the Management Fees budgeted for the first twelve (12) months after the Opening Date (as such budgeted Management Fees are shown in the Annual Operating Budget), shall be used to calculate the Cancellation Fee. An example of the calculation of the Cancellation Fee is set forth in Exhibit C attached hereto, based on an estimated annual Management Fee.

All entities comprising Owner, on behalf of themselves and their respective members, shareholders, officers and directors, and Operator hereby agree that the Cancellation Fee, as calculated above and as liquidated damages, is commercially reasonable.

19.2 Indemnification of Operator Upon Owner's Termination of Agreement. Upon the expiration or earlier termination of this Agreement by Owner, Owner shall indemnify, defend and hold Operator harmless against any and all losses, costs, damages, liabilities, claims and expenses, including reasonable attorneys' fees, arising or resulting from the failure of Owner to provide any of the services contracted for in connection with the business booked in the normal course of business for the Hotel up to and including the date of termination of this Agreement, including any and all business so booked as to which facilities or services are to be furnished subsequent to the date of termination.

19.3 Return of the Hotel and Distribution of Owner's Funds. Upon termination of this Agreement for any reason, Owner shall be entitled to: (a) return of possession of the Hotel and its FF&E in "as is, where is" condition, and (b) after payment to Operator of all fees and expenses due and payable to Operator pursuant to this ARTICLE 19 and after adequate reserves have been set aside by Operator for payment of Hotel Expenses that remain unpaid at the date of termination, (x) return of all funds held by Operator on Owner's behalf in any Agency Account or other account, including Working Capital reserves, and (y) payment of all other amounts due and payable by Operator to Owner under this Agreement to the date of termination.

ARTICLE 20

INDEMNIFICATION

20.1 Indemnification by Owner. Operator shall not, in the performance of this Agreement, be liable to Owner or to any other person for any act or omission, whether negligent, tortious or otherwise, of any agent (other than Operator) or employee of Owner. Owner shall indemnify, defend and hold harmless Operator to the fullest extent permitted by law, from any and all liability, loss, damage, cost or expense (including all attorneys' fees and expenses) arising from or relating to the organization, marketing, operation, direction, management, maintenance or supervision of the Hotel, or any of the foregoing acts or omissions, except to the extent such liability, loss, damage, cost or expense arises from the gross negligence or willful misconduct of Operator or its agents, representatives, officers, or employees. Owner's duty to indemnify Operator shall survive the termination of this Agreement and shall apply to any event or occurrence arising after the execution of this Agreement.

20.2 Indemnification by Operator. Operator shall indemnify, defend and hold harmless Owner to the fullest extent permitted by law, from any and all liability, loss, damage, cost or expense (including all attorneys' fees and expenses) arising from or relating to Operator's actions that fall within the scope of restrictions on Operator's authority, as expressly set forth in Section 3.2 (Limitations on Operator's Authority) in this Agreement, except to the extent such liability, loss, damage, cost or expense arises from the gross negligence or willful misconduct of Owner or its agents, representatives, officers, or employees. Operator's duty to indemnify Owner shall survive the termination of this Agreement and shall apply to any event or occurrence arising after the execution of this Agreement.

20.3 Limitation on Operator's Liability. In no event shall Owner make any claim against Operator on account of any alleged errors of judgment made in good faith in connection with the performance by Operator and/or its Affiliates of the obligations of Operator expressed

herein, nor shall Owner object to any expenditure made by Operator in good faith in connection with the performance of Operator's obligations hereunder, unless such expenditure is specifically prohibited by this Agreement.

ARTICLE 21

HOTEL TRADE NAME

21.1 Hotel Trade Name. During the Term, the Hotel shall be known by and operated under the name "Embassy Suites – Waikiki Beach Walk." Owner and Operator acknowledge that Licensor under the Franchise Agreement is and shall remain the owner of the "Embassy Suites" mark, that Operator is and shall remain the owner of the "Waikiki Beach Walk" mark, and that the Hotel will be owned, operated and managed in accordance with and subject to the terms and conditions of the Franchise Agreement and the Trademark License Agreement.

21.2 Other Operator Trade Names/Trademarks. Owner hereby acknowledges and agrees that Operator is and shall remain the owner of the "Waikiki Beach Walk™,""Outrigger™" and "OHANA™" trademarks and services marks, including the logos associated with such trademarks (collectively, the **"Operator Trade Names and Trademarks").** The exclusive rights to the use of the Operator Trade Names and Trademarks belong to and shall remain with Operator and are not in any way to be considered appurtenant to the Hotel, regardless whether any of the Operator Trade Names and Trademarks are used by Operator for the first time at the Hotel or elsewhere. By this Agreement, Operator does not grant to Owner the right to use Operator Trade Names and Trademarks, except as may be required under the Franchise Agreement.

21.3 Termination. Upon termination of this Agreement for any reason, and subject to the provisions of the Franchise Agreement, all further rights to use Operator Trade Names and Trademarks shall remain with Operator, and Owner, and each and every other occupant of the Hotel, shall immediately cease all use (including any use on a website or via the internet) of the Operator Trade Names and Trademarks, and all other service marks, slogans, signs, logos and emblems of Operator. Immediately upon termination of this Agreement, and subject to the provisions of the Franchise Agreement, Owner shall make all such physical changes to the Hotel and take all such other action as is necessary to remove from use, in connection with the Hotel, the Operator Trade Names and Trademarks and any and all signs, consumable supplies and other items bearing the Operator Trade Names and Trademarks, and/or any logos, emblems, slogans or service marks of Operator. If Owner fails to take such action within thirty (30) days of termination of this Agreement, Operator, at Owner's Expense, may enforce Owner's performance of its obligations hereunder by any legal means.

ARTICLE 22

COMPLIANCE WITH LAWS AND OBLIGATIONS

22.1 Compliance with Laws and Insurance Policies. Provided there is sufficient Working Capital, Operator shall comply with and abide by all applicable requirements of all laws, rules, regulations, requirements, orders, notices, determinations and ordinances of any

federal, state or municipal authority and the requirements of insurance companies covering any of the risks against which the Hotel is insured. In the event there is insufficient Working Capital, Owner shall immediately deposit sufficient Working Capital into the Agency Accounts from Owner's own funds on a cash basis, whereupon Operator shall comply with and abide by all such requirements.

22.2 Right to Contest. Owner shall have the right to contest any alleged violation and to postpone compliance pending the determination of such contest, both as permitted by law. In such event, Owner shall indemnify Operator from any resulting liability, loss, cost, damage or expense (including all fees and expenses of attorneys approved or selected by Operator), unless such violation is proved to have been caused by Operator's willful misconduct or gross negligence.

22.3 Owner's Obligations. Owner will observe and perform all obligations to be observed or performed by Owner under any agreement whatsoever in respect of the Hotel. The expense of any legal actions in defense of Owner's title or obligations shall be Owner's separate expense paid with Owner's own funds on a cash basis and not from the Agency Accounts.

ARTICLE 23

RESPONSIBILITY FOR HOTEL OPERATIONS

23.1 Agent of Owner; No Partnership. In the performance of its duties as Operator of the Hotel, Operator shall act solely as agent of Owner. Nothing herein shall constitute a partnership or joint venture between Owner and Operator. All debts and liabilities to third persons incurred by Operator in accordance with the provisions of this Agreement and otherwise in the normal course of its operation and management of the Hotel shall be the debts and liabilities of Owner, whether or not Operator so informs third parties with whom it deals on behalf of Owner (although Operator may so inform such third parties).

23.2 Operator's Right to Close Hotel. If at any time during the Term it becomes necessary in Operator's good faith and reasonable opinion to cease operation of the Hotel in order to protect the Hotel and/or the health, safety and welfare of the guests and/or Hotel Employees, then in such event Operator may close and cease operation of all or part of the Hotel and may reopen and commence operation when Operator deems that such may be done without jeopardy to the Hotel, its guests and employees.

23.3 Discounts; Employee Lodging. Operator may, in its discretion, provide food, beverage, lodging or parking at the Hotel, on a complimentary or discount basis, to any employee or guest of Owner or Operator, in accordance with Operator's policies. Operator, in its discretion, may provide the management of the Hotel suitable living quarters within the Hotel and may allow management to use all Hotel facilities, including food and beverage services, without charge. Any arrangement for the provision of goods and/or services to or for the benefit of the Hotel, the entering into of which is within Operator's authority hereunder, may be established at Operator's discretion in a manner permitting payment for Owner's account in kind, using the Hotel's facilities. Notwithstanding the foregoing, any actions by Operator under this section shall be consistent and in accordance with the Annual Operating Budget.

24.2 Governing Law; Jurisdiction. This Agreement is being executed and delivered in the State of Hawaii and shall be governed by and construed and interpreted in accordance with the laws of the State of Hawaii. Owner and Operator hereby agree that disputes between the parties hereto pertaining to this Agreement shall be resolved in federal courts located in the following jurisdictions: (a) Seattle, Washington, with regard to disputes solely between and involving Owner and Operator, or (b) Honolulu, Hawaii, with regard to all other disputes.

24.3 Force Majeure.

24.3.1 Neither party shall be liable to the other in damages nor shall this Agreement be terminated nor a default be deemed to have occurred because of any failure to perform hereunder caused by a Force Majeure.

24.3.2 In this Agreement, the term **"Force Majeure"** shall mean a war, act of terrorism, hurricane, tsunami, earthquake, fire, flood, explosion, strike, lockouts, labor troubles materially affecting Operator's ability to obtain sufficient qualified workers or materials, failure of power or other utility service for a period of more than 72 consecutive hours, riots, insurrection, unavoidable accident, civil disturbance, act of public enemy, embargo, war, catastrophic act of God, or any outbreak of disease.

24.3.3 A Force Majeure shall be deemed to have commenced as of the first day of the month in which Operator notifies Owner that an event has occurred after completion of Project construction and that the occupancy reports published by Smith Travel Research indicate a reduction in the average monthly occupancy rates for upper scale hotels located in Waikiki, Hawaii for such month by more than fifteen (15) points from the Base Period Occupancy. **"Base Period Occupancy"** means the average monthly occupancy rate for upper scale hotels located in Waikiki, Hawaii for the same month in the immediately preceding three (3) years.

24.3.4 The Force Majeure event shall be deemed terminated on the last day of the first month after the commencement of such Force Majeure event in which the average monthly occupancy rates for upper scale hotels located in Waikiki, Hawaii, as applicable, as reported by Smith Travel Research, to be within ten (10) points of the Base Period Occupancy (for the same month of comparison in the immediately preceding three (3) years). If Smith Travel Research ceases to publish such statistics, then such reduction in hotel occupancy rates shall be determined by reference to any successor publication mutually acceptable to the parties. If there is no successor publication, then a new standard shall be substituted by agreement of the parties or arbitration.

24.4 Consent Not Unreasonably Withheld. Except as is otherwise expressly provided herein, whenever in this Agreement the consent or approval of Owner or Operator is required, such consent or approval shall not unreasonably be withheld or delayed and shall be in writing, signed by an officer or agent, thereunto duly authorized, of the party granting such consent or giving such approval. Whenever Operator desires to take any proposed action which requires the approval of Owner, Operator shall give written notice thereof to Owner describing such proposed action in sufficient detail so as to enable Owner to exercise an informed judgment with respect thereto. Except as is otherwise expressly provided herein (a) as soon as practicable thereafter, Owner shall give Operator written notice that Owner either approves or disapproves the

proposed action (setting forth Owner's reasons therefor if it disapproves of such proposed action) or indicating that it needs additional information, and (b) if Owner fails to so respond on or before the tenth (10th) Business Day following the effective date of Operator's notice to Owner (or the tenth (10th) Business Day following the date Operator's response to Owner's request for additional information is delivered to Owner, which tenth (10th) Business Day period shall not be further extended upon delivery of Operator's response), then Owner shall be deemed to have approved of such action, and (b) in cases where consent or approval is required by Owner or Operator, the failure to respond within twenty (20) days of the receipt of the request for such consent or approval shall he conclusively deemed to constitute the requested consent or approval.

24.5 No Waiver. No assent, expressed or implied, by Owner or Operator to any breach of or default in any term, covenant or condition which this Agreement requires to be performed or observed by the other party shall constitute a waiver of or assent to any succeeding breach of or default in the same or any other term, covenant or condition hereof.

24.6 Set-off. Operator shall have the right to set-off against any payments to be made to Owner by Operator under any provision of this Agreement, and against all funds from time to time in the Agency Accounts, any and all liabilities of Owner to Operator, and Owner hereby pledges to Operator all funds from time to time in the Agency Accounts to secure the payment of all of the foregoing liabilities. Operator may withdraw from the Agency Accounts from time to time such amounts as it deems desirable in partial or full payment of all or any portion of said liabilities. The amounts of such withdrawals shall be paid by Owner to Operator on demand for replacement in the respective accounts.

24.7 Invalidity. In the event that any one or more of the phrases, sentences, clauses or paragraphs contained in this Agreement shall be declared invalid by the final and unappealable order, decree or judgment of any court, this Agreement shall be construed as if it did not contain such phrases, sentences, clauses or paragraphs.

24.8 Further Action. Owner and Operator shall execute and deliver all other appropriate supplemental agreements and other instruments, and take any other action necessary to make this Agreement fully and legally effective, binding, and enforceable as between them and as against third parties, including Owner's filing of such certificates as are required to be filed by persons or entities doing business in a name other than their own, indicating that Owner is engaging in the hotel business at the Hotel under the name of the Hotel.

24.9 No Party Deemed Drafter. Owner and Operator agree that no party shall be deemed to be the drafter of this Agreement and further that in the event that this Agreement is ever construed by a court of law, such court shall not deem either party to be the drafter of this Agreement.

1. Operator has paid to the Commencement Date, and from and after the Commencement Date shall pay, on behalf of Owner when due and in accordance with the Construction Contract and the terms of the Construction Loan, all costs of constructing the Project, including those under the Construction Contract and related subcontracts, the Turnkey Agreement and the Reimbursement Agreement.

2. Owner shall reimburse Operator for such costs of construction without additional consideration; provided, however, that, (a) the first $36,960,000.00 of such costs shall be paid from funds held by ESW LLC; (b) the funds from the Construction Loan shall be disbursed and applied next to such costs, and (c) if and to the extent there are additional costs in excess of those available under (a) and (b), all such additional costs shall be paid for by Outrigger Retail LLC, as Guarantor under that certain Guaranty dated as of January 10, 2006.

3. Construction Loan funds shall be disbursed directly to Operator, as and when needed, for purposes of constructing the Project in accordance with the Construction Budget, subject to the following:

(a) For purposes of this Section 3 of this Exhibit E. Owner shall act through American Assets, Inc., Attn.: Brandon Taylor

(b) Operator shall submit to Owner a draw request, which has been prepared to industry-standard financing standards, including (if and as required by the Construction Loan lender (the **"Lender")**) third-party verifications and lien releases.

(c) Owner shall have the right to approve of the each draw request as set forth in Section 24.4 of this Agreement; provided however, that, if the Lender approves a disbursement to Operator to cover costs of development and construction work that are to be reimbursed by funds from the Construction Loan, then Owner shall be deemed to have approved such disbursement upon the approval of the Lender, unless the requested disbursement exceeds the applicable line item Budget amount by more than twenty percent (20%). In such event, Owner shall have the right to review and approve or disapprove of the submittal as set forth in Section 24.4 of this Agreement, notwithstanding the Lender's actions with regard thereto.

4. However, in the event general excise tax is imposed or payable on such reimbursements, Owner shall be responsible for the same.

FRANCHISE LICENSE AGREEMENT

EMBASSY SUITES - WAIKIKI BEACH WALK

HONOLULU, HAWAII

TABLE OF CONTENTS

FRANCHISE LICENSE AGREEMENT

Dated as of the date set forth on the Rider attached hereto as Attachment B (the "Rider") between the licensor entity set forth on the Rider ("we," "us," "our" or "Licensor"), and the licensee entity ("you," "your" or "Licensee"), the name and address of which is set forth on the Rider.

INTRODUCTION

We are a subsidiary of Hilton Hotels Corporation, a Delaware corporation (**"HHC"),** HHC and its subsidiaries and affiliates (collectively, **"Hilton")** own, lease, operate, manage and provide various services for a network of hotels, inns, conference centers, time share properties and other operations (the **"Network")**. HHC and Hilton Hospitality, Inc., a wholly owned subsidiary of HHC, have authorized us to grant licenses to selected, first-class, independently owned or leased hotel properties, to operate under the brand name set forth in the Rider (the **"Licensed Brand")**. You have expressed an interest in operating the property identified on the Rider under the Licensed Brand. You have confirmed to us that you (i) independently investigated the risks of operating a hotel under the Licensed Brand, including current and potential market conditions, and competitive factors and risks, and have made an independent evaluation of all such matters, and (ii) reviewed our uniform franchise offering circular **("UFOC")**. After doing so, you have expressed a desire to enter into a Franchise License Agreement with us to obtain a license to use the Licensed Brand in the operation of a hotel at the address set forth on the Rider.

NOW, THEREFORE, in consideration of the premises and the undertakings and commitments of each party to the other party as set forth in this agreement (the "**Agreement**"), the parties agree as follows:

1. Definitions

The following capitalized terms will have the meanings set forth after each term:

a. The Hotel. The Hotel is the property you will operate under this Agreement. The **"Hotel"** includes all structures, facilities, appurtenances, furniture, fixtures, equipment, and entry, exit, parking and other areas located on the site we have approved for your business, or located on any land we approve in the future for additions, signs, parking or other facilities.

b. The Marks. References to the **"Marks"** will include the Licensed Brand service marks and all other service marks, copyrights, trademarks, logos, insignia, emblems, symbols, designs, slogans, distinguishing characteristics, trade names, domain names, and all other marks or characteristics associated or used with or in connection with the System (as we define that term in Subparagraph 1c.), and similar intellectual property rights, that we designate from time to time to be used in the System.

c. The System. The **"System"** is the elements we designate from time to time to identify hotels operating under the Licensed Brand that provide to the consuming public a similar, distinctive, high quality hotel service. **"System hotels"** means hotels we license to operate under the System and to use the Licensed Brand name. The System currently includes the Licensed Brand and the Marks; access to a reservation service; advertising, publicity and other marketing programs and materials; training programs and materials, standards, specifications and policies for construction, furnishing, operation, appearance and service of the Hotel, we refer to in this Agreement or in the Manual (as defined in Subparagraph 1.d.)

and programs for our inspecting the Hotel and consulting with you. We may add elements to the System or modify, alter or delete elements of the System at our sole discretion.

d. The Manual. References to the "Manual" will include all written standards and requirements we adopt from time to time for constructing, equipping, furnishing, supplying, operating, maintaining and marketing System hotels, including the Hotel. Changes made in the Manual will apply to System hotels as specified and may not apply to all System hotels. We may set forth these standards and requirements in one or more documents or guides. All of these items, as we modify them from time to time, will be considered the Manual. We will change the Manual from time to time. We will notify you at least thirty (30) days before any change becomes effective. You will be responsible for the costs of complying with the Manual, including any changes.

e. Including. The word **"including,"** whenever used in this Agreement, will mean "including, by way of example, but without limitation."

f. License Term. References to the **"License Term"** will mean the period from the date of this Agreement through the expiration of this Agreement.

2. Grant of License

Paragraph 2 of the Franchise License Agreement is deleted in its entirety, and a new Paragraph 2 has been inserted in its place on Attachment B – Rider to Franchise License Agreement

3. Our Responsibilities

a. Training. We will specify required and optional training programs and provide these programs at various locations. We may charge you for (i) required training services and materials and (ii) optional training services and materials we provide to you. You are also responsible for all travel, lodging and other expenses you or your employees incur in attending these programs.

b. Reservation Services. We will, directly or indirectly, furnish you with the Reservation Service (as defined in Subparagraph 6a(15) below). This service will be furnished to you on the same basis as is furnished to other System hotels, subject to the provisions of Subparagraph 14.a.(3) below.

c. Consultation. We may, from time to time at our sole discretion, make available to you consultation and advice in areas such as operations, facilities, and marketing on the same basis as other Licensed Brand hotels. We have the right to establish fees in advance or on a project-by-project basis, for consultation and advice you request.

d. Arrangements for Marketing, Etc. Periodically, we or one of the Entities will publish and make available to the traveling public a directory of System hotels, including the Hotel. Additionally, we will include the Hotel, or cause the Hotel to be included in (i) national or regional group advertising of System hotels, and (ii) international, national and regional market programs offered by us or the Entities; subject to and in accordance with the general practice for System hotels.

We will use your Monthly Program Fee (as defined in Subparagraph 7.a. below) to pay for various programs to benefit the System, including (i) advertising, promotion, publicity, public relations, market research, and other marketing programs; (ii) developing and maintaining Licensed Brand directories and Internet sites; (iii) developing and maintaining the Reservation Service systems and support; and (iv) administrative costs and overhead related to the administration or direction of these projects and programs. We will have the sole right to determine how we spend these funds, including sole control over the creative concepts, materials and media used in the programs, and the placement and allocation of advertising. We may enter into arrangements for development, marketing, operations, administrative, technical and support functions, facilities, programs, services and/or personnel with any other entity, including our affiliates. You acknowledge that Monthly Program Fees are intended for the benefit of the

System, and will not simply be used to promote or benefit any one property or market. We will have no obligation in administering any activities paid by the Monthly Program Fee to make expenditures for you which are equivalent or proportionate to your payments, or to ensure that the Hotel benefits directly or proportionately from such expenditures. We may create any programs and allocate monies derived from Monthly Program Fees to any regions or localities, as we consider appropriate in our sole judgment. The aggregate of Monthly Program Fees paid to us by System hotels does not constitute a trust or "advertising fund" and we are not a fiduciary with respect to the Monthly Program Fees paid by you and other System hotels. We are not obligated to expend funds in excess of the amounts received from System hotels. If any interest is earned on unused Monthly Program Fees, we will use the interest before using the principal. The Monthly Program Fee does not cover your costs of participating in any optional marketing programs and promotions offered by us or Hilton from time to time in which you voluntarily choose to participate. These fees also do not cover the cost of operating the Hotel in accordance with the standards in the Manual.

e. Inspections/Compliance Assistance. We will administer a quality assurance program for the System which may include conducting periodic inspections of the Hotel and guest satisfaction surveys and audits to ensure compliance with System standards. We have the right to inspect the Hotel and its operations at any time, with or without prior notice to you, and to determine if the Hotel is in compliance with the standards and rules of operation set forth in this Agreement and in the Manual. If the Hotel fails to comply with such standards and rules of operation, we may, at our option and at your cost, require an action plan to correct the deficiencies. You must then take all steps necessary to correct any deficiencies within the times we establish. You may be charged a fee **("Quality Assurance Re-Evaluation Fee"),** and you will provide complimentary accommodations for the quality assurance auditor, each time we conduct a special on-site quality assurance re-evaluation (a) after the Hotel has failed a regular quality assurance evaluation or (b) to verify that deficiencies noted in a quality assurance evaluation report or property improvement plan have been corrected or completed by the required dates. The Quality Assurance Re-Evaluation fee is subject to change by us from time to time provided that any change will be established in the Manual. Our approval of an action plan does not waive any rights we may have under this Agreement, nor does it relieve you of any obligations under this Agreement. We will also have the right to place materials required for System and Hilton purposes at the Hotel.

f. Manual. We will issue the Manual to you, and any revisions and updates we may make to the Manual.

g. Equipment and Supplies. We will make available to you for use in the Hotel various purchase, lease, or other arrangements with respect to exterior signs, operating equipment, operating supplies, and furnishings, which we or Hilton may have and which we make available to other System hotels.

4. Proprietary Rights

You acknowledge, and will not contest, either directly or indirectly during the License Term or after termination or expiration of this Agreement: (i) our (and/or any Entities') ownership of, rights to and interest in the System, Licensed Brand, Marks and any of their element(s) or component(s), including present and future distinguishing characteristics; (ii) our sole right to grant licenses to use all or any element(s) or component(s) of the System; (iii) that we (and/or the Entities) are the owner of (or the licensee of, with the right to sub-license) all right, title and interest in and to the Licensed Brand and the Marks used in any form and in any design, alone or in any combination, together with the goodwill they symbolize; and (iv) the validity or ownership of the Marks. You acknowledge that these Marks have acquired a secondary meaning which indicates that the Hotel, Licensed Brand and System is operated by or with Hilton's approval. All improvements and additions to, or associated with, the System, all Marks, and all goodwill arising from your use of the System and the Marks, will inure to our benefit and become our property (or the Entities), even if you develop them. At our request, you will promptly assign to us any rights or registrations to the Marks that you may obtain. You acknowledge that you are not entitled to receive any payment or other value from us or any of the Entities for any goodwill associated with your use of the System or the Marks, or any element(s) or component(s) of the System.

5. Proprietary Marks

a. Use of Trade Name. You will operate under, and prominently display, the Marks in the Hotel. You will not adopt any other names in operating the Hotel that we do not approve. You also will not use any of the Marks, or the word "Hilton," or other Network trademarks, trade names or service marks, or any similar word(s) or acronyms, in (i) your corporate, partnership, business or trade name except as we provide in this Agreement or the Manual, or (ii) any Internet-related name (including a domain name), except as we provide in this Agreement or in the Manual, or (iii) any business operated separately from the Hotel, including the name or identity of developments adjacent to or associated with the Hotel. You agree that any unauthorized use of the Marks will be an infringement of our rights and a material breach of this Agreement.

b. Trademark Disputes. We and you each agree that the protection of the Marks and their distinguishing characteristics as standing for the System is important to all of us. Accordingly, you will immediately notify us of any infringement or dilution of or challenge to your use of any of the Marks and will not, absent a court order or our prior written consent, communicate with any other person regarding any such infringement, dilution, challenge or claim. We will take the action we deem appropriate with respect to such challenges and claims and have the sole right to handle disputes concerning use of all or any part of the Marks or the System. You will extend your full cooperation to us at your expense in these matters. You appoint us as your exclusive attorney-in-fact, to prosecute, defend and/or settle all disputes of this type at our sole discretion. You will sign any documents we believe are necessary to prosecute, defend or settle any dispute or obtain protection for the Marks and the System and assign to us any claims you may have related to these matters. Our decision as to the prosecution, defense and settlement of the dispute will be final. All recoveries made as a result of disputes regarding use of all or part of the System or the Marks will be for our account.

c. Web Sites. You may not register, own, maintain or use any domain names, World Wide Web or other electronic communications sites (collectively, **"Site(s)"),** relating to the Network or the Hotel or that include the Marks. The only domain names, Sites, or Site contractors that you may use relating to the Hotel or this Agreement are those assigned or otherwise approved in writing by us. You also agree to obtain our prior written approval concerning any third-party Site in which the Hotel will be listed, and any proposed links between such Site and any other Site(s) **("Linked Sites")** and any proposed modifications to same. All Sites containing any of the Marks and any Linked Sites must advertise, promote, and reflect on the Hotel and the System in a first-ciass, dignified manner. You acknowledge and agree that our right to approve all materials is necessitated by the fact that those materials will include and be linked with our Marks. Therefore, any use of the Marks on the World Wide Web, the Internet, or any computer network/electronic distribution, must conform to our requirements, including the identity and graphics standards for all System hotels. Given the changing nature of this technology, we have the right to withhold our approval, and to withdraw any prior approval, and to modify our requirements.

You acknowledge that you may not, without a legal license or other legal right, post on your Site(s) any material in which any third party has any direct or indirect ownership interest (including video clips, photographs, sound bites, copyrighted text, trademarks or service marks, or any other text or image in which any third party may claim intellectual property ownership interests). You also agree to incorporate on your Site(s) any other information we require in the manner we deem necessary to protect our Marks.

Upon the expiration or termination of this Agreement, you agree to irrevocably assign and transfer to us (or to our designee) all of your right, title and interest in any domain name listings and registrations which contain any reference to our Marks, System, Network or Licensed Brand, and will notify the applicable domain name registrar(s) of the termination of your right to use any domain name or Site(s) associated with the Marks or the Licensed Brand, and will authorize and instruct the cancellation or transfer of the domain name to us (or our designee), as directed by us. You will also delete all references to our Marks, System, Network or Licensed Brand from any other Site(s) you own, maintain or operate beyond the expiration or termination of this Agreement.

d. Covenant. You agree, as a direct covenant with Hilton, that you will comply with all of the provisions of this Agreement related to the manner, terms and conditions of the use of the Marks, and the termination of any right on your part to use any of the Marks. You agree that any non-compliance by you with this covenant, the terms of this Agreement, or any unauthorized or improper use of the System or the Marks will cause irreparable damage to us and/or to the Entities. You therefore agree that if you engage in this non-compliance, or unauthorized and/or improper use of the System or the Marks during or after the License Term, Hilton, its successors and assigns, separately or along with us, will be entitled to both temporary and permanent injunctive relief against you from any court of competent jurisdiction, in addition to all other remedies that Hilton or we may have at law. You consent to the entry of such temporary and permanent injunctions. You will be responsible for payment of all costs and expenses, including, reasonable attorneys' fees, which we and/or Hilton and/or the Entities may incur in connection with your non-compliance with this covenant.

6. Your Responsibilities

a. Operational and Other Requirements. During the License Term, you agree to:

(2) operate the Hotel twenty-four (24) hours a day every day, except as we may otherwise permit based on special circumstances;

(3) operate, furnish, maintain and equip the Hotel in a clean, safe and orderly manner and in first-class condition in accordance with the provisions of this Agreement and the Manual, and in compliance with all applicable local, state, and federal laws, customs and regulations, including maintaining and conducting your business in accordance with sound business and financial practices;

(4) provide efficient, courteous and high-quality service to the public;

(5) adopt, use and comply with the standards, requirements, services, products, programs, materials, specifications, policies, methods, procedures, and techniques set forth in the Manual, as it may be amended by us from time to time, and keep your Manual current at all times;

We may from time to time require you to purchase a particular brand of product **("Required Brand"),** however, you may purchase this Required Brand from any authorized source of distribution;

(7) comply with System standards, specifications and requirements as to the types and levels of services, amenities and products that either must or may be used, promoted or offered at or in connection with the Hotel;

(8) install, display, and maintain signage displaying or containing the Licensed Brand name and other distinguishing characteristics in accordance with plans, specifications and standards we establish for System hotels;

(9) comply with System requirements for the training of persons involved in the operation of the Hotel, including completion by the general manager and other key personnel of the Hotel of a training program for operation of the Hotel under the System at a site we designate, except that If, in our sole opinion, it is not necessary or desirable for the general manager or any other key personnel of the Hotel to complete that training program, then we may waive this requirement in whole or in part. You will

pay us for all fees and charges, if any, we require for your personnel to attend these training program(s) on the same basis as we charge other System hotels. You will also be responsible for the wages, room, board and travel expenses of your personnel;

(10) purchase and maintain property management, revenue management, in-room entertainment, telecommunications and other computer and technology systems we designate as System-wide (or area-wide) programs based on our assessment of the long-term best interests of hotels using the System, considering the interest of the System as a whole;

(11) advertise and promote the Hotel and related facilities and services on a local and regional basis in a first-class, dignified manner, using our identity and graphics standards for all System hotels, at your cost and expense. You agree to submit to us samples of all advertising and promotional materials that we have not previously approved (including any materials in digital, electronic or computerized form, or in any form of media that exists now or is developed in the future) before you produce or distribute them. You will not begin using the materials until we approve them. You also agree to immediately discontinue your use of any advertising or promotional materials we reasonably believe is not in the best interest of the Hotel or System, even if we previously approved the materials;

(12) participate in, and pay all charges in connection with (i) all required System guest complaint resolution programs, which programs may include chargebacks to the Hotel for guest refunds or credits, and (ii) all required System quality assurance programs, such as guest comment card and mystery shopper programs; and maintain minimum performance standards and scores for such quality assurance programs that we may establish from time to time in the Manual;

(13) comply with System standards, specifications and requirements as to maintenance, appearance and condition of the Hotel, and adopt in your business all changes or additions to the System as we may periodically designate;

(14) honor all nationally recognized credit cards and credit vouchers issued for general credit purposes which are generally honored at other System hotels, and enter into all necessary credit card and voucher agreements with the issuers of such cards or vouchers;

(15) participate in and use, on the terms set forth in this Agreement and in the Manual, those reservation services which we require (the **"Reservation Service"),** including any additions, enhancements, supplements or variants which we or the Entities develop or adopt; and honor and give first priority on available rooms to all confirmed reservations referred to the Hotel through the Reservation Service. You agree that the only reservation service or system you may use in regard to outgoing reservations referred by and from the Hotel to other hotels will be the Reservation Service or other reservation services we or the Entities designate;

(16) comply with all governmental requirements, including the filing and maintenance of any required trade name or fictitious name registrations, pay all taxes, and maintain all governmental licenses and permits necessary to operate the Hotel in accordance with the System;

(17) permit inspection of the Hotel by our representatives at any time to ensure compliance with System standards, cooperate fully with our representatives during these inspections and take all steps necessary to correct any deficiencies detected within the time periods we specify. You will also provide free lodging to our personnel at the Hotel while they are making their inspections on a space-available basis;

(18) provide to us statistics on Hotel operations in the form we specify and using definitions we specify;

(19) not engage, directly or indirectly, in any cross-marketing or cross-promotion of the Hotel with any other hotel, lodging or related business, except for Affiliated Hotels (as defined in Subparagraph 6.a.21), without our prior written consent;

(20) participate in, and pay all fees of, any System travel agent commission payment program(s) as modified from time to time, and promptly pay as we require in the Manual and/or specific program terms, all travel agent commissions and third party reservation service charges (such as airline reservation systems) in accordance with the terms of these programs;

(21) refer guests and customers, wherever reasonably possible, only to, Licensed Brand, Network, Hilton International, and Conrad International hotels (collectively, the **"Affiliated Hotels")** and (if and as we direct) any other hotel systems owned or licensed by us and/or the Entities (each, an **"Other Hotel")** (except that this will not prohibit us from requiring you to participate in programs designed to refer prospective customers to other hotels, whether in the System or otherwise); display all material, including brochures and promotional material we provide for Affiliated Hotels and Other Hotel Systems; and allow advertising and promotion only of Affiliated Hotels and Other Hotel Systems on the Hotel premises;

(22) treat as confidential the Manual, and all other information or materials concerning the methods, techniques, plans, specifications, procedures, information, systems and knowledge of and experience in the development, operation, marketing and licensing of the System (the "**Proprietary Information**"). You acknowledge and agree that you: (i) do not acquire any interest in Proprietary Information other than the right to utilize the same in the development and operation of the Hotel under the terms of this Agreement, (ii) will not use the Proprietary Information in any business or for any purpose other than in the development and operation of the Hotel under the System, (iii) will maintain the absolute confidentiality of the Proprietary Information during and after the License Term, (iv) will not make unauthorized copies of any portion of the Proprietary Information, and (v) will adopt and implement all reasonable procedures we may periodically establish to prevent unauthorized use or disclosure of the Proprietary Information, including restrictions on disclosure to employees and the use of non-disclosure and non-competition clauses in agreements with employees, agents and independent contractors who have access to the Proprietary Information. These restrictions will not apply to any information that does not relate or refer in any way or part to the System, Manual, Licensed Brand and/or Marks and that you can demonstrate came lawfully to your attention before our disclosure or which, at the time of or after our disclosure, becomes a part of the public domain through lawful publication or communication by others;

(23) not own, at any time during the term of this Agreement, in whole or in part, or be the licensor of, a hotel brand, or trade name, either directly or through an Affiliate as defined in Subparagraph 11.b.(2)(a)(i)of this Agreement, without our prior written consent. Any entity that, directly or through an Affiliate, owns in whole or in part, or is the licensor or other owner of a hotel brand or trade name (whether or not licensed) that, in our judgment, competes with the System, irrespective of the number of hotels comprising the competitive hotel brand or trade name will be referred to as a **"Competitor",** These restrictions do not restrict you or your Affiliate from (i) owning a minority interest in a Competitor if you or your Affiliate do not provide services to the Competitor (including as a consultant or employee), do not have any officer, director, or similar position with the Competitor, and have no control or influence in the business decisions of the Competitor; (ii) being a licensee of a Competitor; or (iii) managing a property for a Competitor. **You have advised us that you and/or your Affiliate(s) currently own the hotel brand names "Outrigger" and "Ohana" (collectively, the "Outrigger Brands"). Notwithstanding anything to the contrary in this subparagraph, we will not consider you to be a Competitor solely as a result of your owning and/or operating hotels under the Outrigger Brands, provided that, and so long as, you (and/or your Affiliates) do not, directly or indirectly, do the following anywhere in North American (including the Hawaiian Islands):**

x) have or develop a franchising or similar program for the Outrigger Brands; or

y) license to third parties the right to use any of the Outrigger Brands except in conjunction with providing hotel management services to such third parties; or

z) on the Hawaiian Islands only, include hotels with third party owned brand names that are owned and operated by third parties deemed by us to be a Competitor in your or your Affiliate(s) reservation system whether through an affiliation or membership agreement or otherwise.

(24) own fee simple title (or long-term ground leasehold interest, provided that such interest has been granted to you by an unrelated third party ground lessor in an arms length transaction for a term equal to, or longer than, the License Term) to the real property and improvements of the Hotel, or, at our request, cause the fee simple owner or other third party acceptable to us, to provide its guarantee covering all of your obligations under this Agreement in form and substance acceptable to us;

(25) maintain possession and control of the Hotel and Hotel site, and promptly deliver to us a copy of any notice of default you receive from any mortgagee, trustee under any deed of trust, or ground lessor for the Hotel, and upon our request, provide any additional information we may request related to any alleged default or any subsequent action or proceeding in connection with any alleged default;

(26) refrain from directly or indirectly conducting, or permitting by lease, concession arrangement or otherwise, gaming or casino operations in the Hotel or on its premises without our express written permission, which we may withhold at our sole discretion, and then only to the extent and subject to the terms set forth in such permission;

(27) refrain from directly or indirectly conducting, or permitting the marketing or sale of timeshares or condominiums at, or adjacent to, the Hotel without our express written permission, which we may withhold at our sole discretion, and then only to the extent and subject to the terms set forth in such permission; provided, however, that the foregoing shall not prohibit you from directly or indirectly conducting timeshare or condominium sales or marketing at and for any property located adjacent to the Hotel that is owned or leased by you so long as (i) you do not use any of the Marks in such sales or marketing efforts and (ii) you do not use the Hotel or its facilities in such sales, marketing efforts or business operations;

(28) obtain and maintain in full force and effect from and after the confirmed Opening Date of the Hotel as set forth in Attachment A (conditional or otherwise) all licenses required for the sale of alcoholic beverages at the Hotel (unless no alcoholic beverages are offered at or from the premises of the Hotel);

(29) promptly provide to us or Hilton all information we reasonably request with respect to you and your affiliates, including your respective officers, directors, shareholders, partners or members, and/or the Hotel, title to the property on which the Hotel is constructed and any other property used by the Hotel. The information requested may include, but not necessarily be limited to, financial condition, personal and family background, litigation, indictments, criminal proceedings and the like in which any of the aforementioned may have been involved;

(30) participate in, and pay, all charges related to (i) our and Hilton's marketing programs (in addition to programs covered by Monthly Program Fees), and (ii) all guest frequency programs we or Hilton require. You also agree to honor the terms of any discount or promotional programs (including any frequent guest program) that we or Hilton offer to the public on your behalf, any room rate quoted to any guest at the time the guest makes an advance reservation, and any award guest certificates issued to Hotel guests participating in these programs;

(31) operate the Hotel so as to maximize Gross Rooms Revenue (as defined in Subparagraph 7.b.) consistent with sound marketing and industry practice and not engage in any conduct that is likely to reduce Gross Rooms Revenue in order to further other business activities; and

(32) maintain, at your expense, insurance, of the types, and in the minimum amounts, we specify in the Manual. All such insurance must (i) be with insurers having minimum ratings we specify, (ii) name as additional insureds the parties we specify in the Manual, and (iii) carry the endorsements and notice requirements we specify in the Manual. If you fail or neglect to obtain or maintain the insurance or policy limits required by this Agreement, we have the option, but not the obligation to obtain and maintain such insurance without notice for you, and you, will immediately upon our demand, pay us the premiums and cost we incur in obtaining this insurance.

b. Hotel Quality Assurance. We may from time to time require you to modernize, rehabilitate and/or upgrade the Hotel's fixtures, equipment, furnishings, furniture, signs, computer hardware and software and related equipment, supplies and other items to meet the then-current standards and specifications specified in the Manual. These standards will benefit the System as a whole and you will make all these changes at your sole cost and expense. Nothing in this paragraph will relieve you from the obligation to maintain acceptable product quality ratings at the Hotel and maintain the Hotel in accordance with the Manual at all times during the Agreement. We may make limited exceptions to some of those standards based on local conditions or special circumstances, but we are not required to do so. You may not make any change in the number of approved guest rooms (the **"Guest Rooms")** set forth in the Rider or any other significant change (Including major changes in structure, design or decor) in the Hotel without our prior written approval. Minor redecoration and minor structural changes that comply with our standards and specifications will not be considered significant.

c. Staff and Management. You are at all times responsible for the management of the Hotel's business. You may fulfill this responsibility only by providing (i) qualified and experienced management, which may be a third-party management company, and (ii) a general manager, (the **"Management"),** each approved by us in writing. However, you represent and agree that you have not, and will not, enter into any lease, management agreement or other similar arrangement for the operation of the Hotel or any part of the Hotel with any person or entity without our prior written consent. To be approved by us as the operator of the Hotel, you or any proposed Management must be qualified to manage the Hotel. We may refuse to approve you or any proposed Management which, in our reasonable business judgment, is inexperienced or unqualified in managerial skills or operating capacity or capability, or is unable to adhere fully to the obligations and requirements of this Agreement. You understand that we reserve the right to not approve a Competitor, or any entity that (through itself or an affiliate) is the exclusive manager for a Competitor, to manage the Hotel. If the Management becomes a Competitor or otherwise becomes unsuitable in our sole discretion to manage the Hotel at any time during the License Term, you will have ninety (90) days to retain qualified substitute Management acceptable to us. Any Management must have the authority to perform all of your obligations under this Agreement, including all indemnity and insurance obligations. In the case of any conflict between this Agreement and any agreement with Management, this Agreement prevails.

7. Fees

a. Intentionally Deleted

b. Determination and Payment of Fees. The monthly fees (described in Subparagraph 7.a.) will be determined in accordance with the accounting methods of then current Uniform System of Accounts for Lodging Industry (currently, the Ninth Revised Edition, 1996), or such other accounting methods as may otherwise be specified by Licensor from time to time in the Manual. **"Gross Rooms Revenue,"** as used in the calculation of the Monthly Royalty Fee and the Monthly Program Fee under the Agreement, means all revenues derived from the sale or rental of Guest Rooms (both transient and permanent) of the Hotel, including guaranteed no-show revenue and credit transactions, whether or not collected, at the actual rates charged, less allowances for any Guest Room rebates and overcharges, and will not include federal, state and local taxes collected directly from patrons or guests. Gross Rooms Revenue will also include the proceeds from any business interruption insurance applicable to loss of revenues due to the non-availability of Guest Rooms. The Monthly Royalty Fee and the Monthly Program Fee will be paid to us at the place we designate on or before the fifteenth (15th) day of each month and will be accompanied by our standard schedule setting forth in reasonable detail the computation of the

Monthly Royalty Fee and Monthly Program Fee for such month. There will be an annual adjustment within ninety (90) days after the end of each operating year so that the total Monthly Royalty Fees and Monthly Program Fees paid annually will be the same as the amounts determined by audit. We reserve the right to require you to transmit the Monthly Royalty Fee and the Monthly Program Fee and all other payments required under this Agreement by wire transfer or other form of electronic funds transfer. You agree to bear all costs of wire transfer or other form of electronic funds transfer.

c. Room Addition Fee. If you desire to add or construct additional Guest Rooms at the Hotel (the "**Room Addition**") at any time after you Open the Hotel under the Licensed Brand, you will pay us a nonrefundable fee equal to the prevailing per Guest Room initial fee charged to System hotels multiplied by the number of additional Guest Rooms ("**Room Addition Fee**"). You must pay the Room Addition Fee to us when you submit an application for the Room Addition, and you must submit that application to us before you enter into any agreement to construct the Room Addition. As a condition to our granting approval of your Room Addition application, we may require you to modernize, rehabilitate or upgrade the Hotel, subject to Subparagraph 6.b. of this Agreement.

d. Other Fees. You will timely pay all amounts due any of the Entities for any invoices or for goods or services purchased by or provided to you or paid by any of the Entities on your behalf, including pre-opening sales and operations training.

e. Taxes. If any gross receipts, sales, use, excise or any similar tax (the "**Gross Receipts Tax**") is imposed upon Hilton based on any payment(s) made by you to Hilton under this Agreement, then you must reimburse us for any such Gross Receipts Tax to ensure that the amount of your payment(s) we retain after we pay the Gross Receipts Tax, equals the full amount of the payment(s) you are required to pay us under this Agreement had such Gross Receipts Tax not been imposed on Hilton.

This Subparagraph 7.e., does not apply to federal or state income taxes payable by Licensor or Hilton as a result of its net income relating to any fees collected under this Agreement.

f. Application of Fees. We may apply any amounts received under this Paragraph 7 to any amounts due under this Agreement. If any amounts are not paid when due, such non-payment will constitute a material breach of this Agreement and, in addition, such unpaid amounts will accrue a service charge beginning on the first day of the month following the due date of one and one-half percent (1 1/2%) per month or the maximum amount permitted by applicable law, whichever is less. Should we hire counsel to collect any amounts due under this Agreement, and/or any late charges, you will pay our reasonable attorneys' fees.

8. Records and Audits

a. Reports. At our request, you will prepare and deliver to us daily, monthly, quarterly and annual operating statements, profit and loss statements, balance sheets, and other reports (the "**Reports**") we require, prepared in the form, and by the methods and within the time frames, we require in the Manual. The reports will contain all information we require, including daily rate and room occupancy, and will be certified as accurate in the manner we require. You will also provide us any additional related information and Reports we may periodically request and permit us to inspect your books and records at all reasonable times. At least monthly, you will prepare a statement that will include all information concerning Gross Rooms Revenue, other revenues generated at the Hotel, room occupancy rates, reservation data and other information we require (the "**Data**"). By the fifteenth (15th) day of each month, you will submit to us a statement setting forth the Data for the previous month and reflecting the computation of the amounts then due under Paragraph 7, in the form and detail we reasonably request.

b. Maintenance of Records. You will, in a manner and form satisfactory to us and using accounting and reporting standards we reasonably require, prepare on a current basis (and preserve for no less than the greater of four (4) years or our record retention requirements), complete and accurate records concerning Gross Rooms Revenue and all financial, operating, marketing and other aspects of

the Hotel, and maintain an accounting system that fully and accurately reflects all financial aspects of the Hotel and its business. These records will include books of account, tax returns, governmental reports, register tapes, daily reports, and complete quarterly and annual financial statements (including profit and loss statements, balance sheets and cash flow statements).

c. Audit. We may require you to have the Gross Rooms Revenue or other monies due to us computed and certified as accurate by a certified public accountant. During the License Term and for two (2) years thereafter, we and our authorized agents will have the right to verify information required under this Agreement by requesting, receiving, inspecting and auditing, at all reasonable times, any and all records referred to above wherever they may be located (or elsewhere if requested by us). If any inspection or audit reveals that you understated or underpaid any payment due to us that is not fully offset by overpayments, you will promptly pay to us the deficiency plus interest from the date each payment was due until paid at a rate of one and one-half percent (1 ½%) per month or the maximum amount permitted by applicable law, whichever is less. If the audit or inspection reveals that the underpayment is either willful, or is for five percent (5%) or more of the total amount owed for the period being inspected, you will also reimburse us for all inspection and audit costs (including reasonable travel, lodging, meals, salaries and other expenses of the inspecting or auditing personnel). Our acceptance of your payment of any deficiency will not condone your breach of this Agreement, or waive that breach, or any rights we may have for your breach, including our right to terminate this Agreement as provided in Paragraph 14. If the audit discloses an overpayment, we will credit this overpayment against your future payments under this Agreement, without interest, or if no future payments are due under this Agreement, we will promptly pay you the amount of the overpayment without interest.

d. Ownership of Information. All of the information we obtain from you or about the Hotel or its guests under this Agreement, or under any agreement ancillary to this Agreement (including agreements relating to the computerized reservation, revenue management, property management, and other system(s) we provide or require), or otherwise related to the Hotel (the "**Information**"), and all revenues we derive from such Information will be our property. However, you may at any time during or after the License Term use to the extent lawful and at your sole risk and responsibility any information that you acquire from third parties in operating the Hotel, such as customer data. The Information (except for information you provide to us or Hilton with respect to you and your affiliates, including your respective officers, directors, shareholders, partners or members) will become our Proprietary Information which we may use for any reason as we deem necessary or appropriate, in our discretion, including making an earnings claim in our UFOC.

9. Indemnity

You agree, during and after the License Term, to indemnify us and the Entities, and our successors and assigns, and the members, officers, directors, employees, agents, predecessors, successors and assigns of each such entity (the "**Indemnified Parties**") against, and hold them harmless from, all losses, costs, liabilities, damages, claims, and expenses, including reasonable attorneys' fees, arising out of or resulting from (i) any claimed occurrence at the Hotel or arising from, as a result of, or in connection with the development, construction or operation of the Hotel (including the design, construction, financing, furnishing, equipment, acquisition of Supplies or operation of the Hotel in any way); (ii) any bodily injury, personal injury, death or property damage suffered by any guest, customer, visitor or employee of the Hotel; (iii) your alleged or actual infringement or violation of any patent, mark or copyright or other proprietary right owned or controlled by third parties; (iv) your alleged or actual violation or breach of any contract, federal, state or local law, regulation, ruling, standard or directive applicable to the Hotel, or of any industry standard; (v) any other business conducted by you or a third party in, on or about the Hotel or its grounds; or (vi) any other of your acts, omissions or obligations or those of anyone associated or affiliated with you or the Hotel or in any way arising out of or related to this Agreement. However, you do not have to indemnify us to the extent damages otherwise covered under this Paragraph 9 are adjudged by a court of competent jurisdiction to have been the result of the gross negligence or willful misconduct of any of the Indemnified Parties so long as the claims are not asserted on the basis of (i) theories of vicarious liability, including agency, apparent agency or employment or (ii) our failure to compel you to comply with the provisions of this Agreement. You will give us written

notice of any action, suit, proceeding, claim, demand, inquiry or investigation involving an Indemnified Party within five (5) days of your actual or constructive knowledge of it. At our election, you will defend us and/or the Indemnified Parties against the same, or we may elect to assume (but under no circumstance will we be obligated to undertake) the defense and/or settlement of the action, suit, proceeding, claim, demand, inquiry or investigation at your expense and risk. We may obtain separate counsel of our choice if we believe your and our interests may conflict. Our undertaking of defense and/or settlement will in no way diminish your obligation to indemnify the Indemnified Parties and to hold them harmless. In either case, you will also reimburse the Indemnified Parties upon demand for all expenses, including reasonable attorneys' fees and court costs the Indemnified Parties incur to protect themselves, or to remedy your defaults. Under no circumstances will the Indemnified Parties be required to seek recovery from third parties or otherwise mitigate their losses to maintain a claim against you, and their failure to do so will in no way reduce the amounts recoverable from you by the Indemnified Parties. Further, you will indemnify the Indemnified Parties for any claim for damages by reason of failure of any contractor, subcontractor, supplier or vendor doing business with you relating to the Hotel to maintain adequate insurance as required in the Manual.

10. Right of First Offer

If you and/or an Affiliate which, directly or indirectly, controls the Hotel and/or controls the entity which owns the Hotel (the "**Controlling Affiliate**"), wants to market the Hotel for sale or lease (other than the commercial space within the Hotel) or to sell the entity that owns the Hotel, or a controlling interest in that entity, or to sell a Controlling Affiliate, or controlling interest in said Controlling Affiliate before you do so, you must first give us written notice (the "**Offer Notice")** of your intent to sell or lease the Hotel or to sell the entity which owns the Hotel or the Controlling Affiliate or a controlling interest in the same (the "**Marketed interest**"), stating your intended sales price and all terms and conditions of the proposed sale or lease, together with all other information regarding the sale or lease that we may require and that is reasonably available to you. We will, within sixty (60) days after our receipt of the Offer Notice, elect by written notice to you, one of the following alternatives:

a. We or our designee(s) may make an offer to you to purchase or lease the Marketed Interest **("Our Offer").** You must accept or reject in writing Our Offer within twenty (20) days after you receive it. If you fail to respond within twenty (20) days, you will be deemed to have accepted Our Offer. However, if Our Offer is for a price equal to, or greater than, the price set forth in the Offer Notice, and is upon substantially similar terms and conditions (or terms and conditions more favorable to you, as determined by a reasonable seller under the same or similar circumstances), then you are obligated to accept Our Offer **(**"**Deemed Accepted Offer**"). You and we each acknowledge and agree that once the Offer Notice has been delivered to us, you may not change any of the terms and conditions set forth in the same without our express written consent and you must deal exclusively with us for the sale or lease contemplated in said Offer Notice.

(1) If you accept Our Offer, you and we (and/or our designee(s)), will promptly, and in all cases within sixty (60) days after you accept Our Offer (the "**60-Day Period**") (or within sixty (60) days of the date you receive written notice of the Deemed Accepted Offer, if applicable), enter into an agreement for the purchase or lease of the Marketed Interest at the price and on the terms contained in Our Offer, and will complete the transaction subject to, and in accordance with, the terms and conditions of Our Offer; provided, however, that if we are unable to reach agreement following good faith negotiations within the 60-Day Period, you will be deemed to have rejected Our Offer. You shall not offer the Marketed Interest to any other party during the 60-Day Period.

(2) If you reject Our Offer, you may, during the **Marketing Period** (as defined in Subparagraph 10.b.), sell or lease the Marketed Interest in an amount that is greater than a nominal amount above one hundred percent (100%) of the price set forth in Our Offer, and upon substantially similar terms or conditions (or more favorable to you, as determined by a reasonable seller under the same or similar circumstances), but you still must comply with the Transfer provisions contained in Paragraph 11 of this Agreement. If you receive additional unsolicited offers for the Marketed Interest after the Offer Notice has been delivered to us, regardless of whether said additional offers are made by the

same or different unrelated third parties, you expressly agree that such additional offers will not be enforceable against us and the same will not have any effect on the terms and conditions set forth in the Offer Notice.

b. We may waive our right to purchase or lease the Marketed Interest. If we fail to respond to you within the sixty (60) day election period, we will be deemed to have waived our right to purchase or lease the Marketed Interest, if we waive our rights, then you are free, for the Marketing Period, to sell or lease the Marketed Interest in an amount that is greater than **ninety** percent (**90%**) of the price, and on substantially similar terms or conditions (or terms and conditions more favorable to you, as determined by a reasonable seller under the same or similar circumstances), as those contained in the Offer Notice. **"Marketing Period"** will mean the earlier of one hundred eighty (180) days from the date of (i) Our Offer, (ii) our waiver or, (iii) expiration of the sixty (60) day period. Any sale or lease by you under this election, still must comply with the transfer provisions of Paragraph 11 of this Agreement.

During the Marketing Period, if you want to market or sell the Marketed Interest at a price that is less than or equal to the applicable percentages in Subparagraphs 10.a. and 10.b., or on terms and conditions that vary materially from those contained in the Offer Notice, you must issue a new Offer Notice to us, and comply again with the provisions of this Paragraph 10.

If you or a Controlling Affiliate receives an unsolicited offer from a third party to purchase or lease the Hotel, or to purchase the entity that owns the Hotel or to purchase the Controlling Affiliate, or a controlling interest in that entity or Controlling Affiliate, then before you accept that offer, you must comply with the Offer Notice and other provisions of this Paragraph 10, as if you had initiated the sale or lease of the Hotel; provided, however, that the Offer Notice must include the name and full identity of the prospective purchaser or tenant, as the case may be, including the names and addresses of the owners of the capital stock, partnership interests, or other proprietary interests of the purchaser or tenant, as well as a copy of the offer that you or the Controlling Affiliate received from the third party, if in writing.

You expressly acknowledge and understand that if we waive our right to purchase or lease the Marketed Interest, that waiver does not waive our right under the provisions of Paragraph 11 of this Agreement to consent, or withhold consent to any transaction, and it remains your obligation to obtain our consent before you complete any such transaction.

For purposes of this Paragraph 10, you represent and warrant that you have the necessary authority to enter into this Agreement on behalf of any Controlling Affiliate and to bind it in accordance with the terms and conditions hereof, including the obligation to sell to us any controlling interest therein.

11. Transfer

a. Our Transfer of this Agreement. We have the right to transfer or assign this Agreement or any of our rights, obligations, or assets under this Agreement to any person or legal entity. You acknowledge and agree that this Agreement is a license for the Licensed Brand only, and the programs that are unique to the Licensed Brand. Therefore, if we transfer or assign this Agreement, your right to use any programs, rights or services related to or provided by the Entities or their designees, including the Reservation Service, any guest frequency program not unique to the Licensed Brand, and any Marks (except the principal name identified in the Rider), may terminate. The transferee must assume all of our obligations to you under this Agreement.

b. Your Transfer. We recognize that at some time, you or other persons associated with you or the Hotel may want to sell or transfer all or part of an interest in this Agreement, the Licensee or in the Hotel. At the same time, you understand and acknowledge that the rights and duties set forth in this Agreement are personal to you, and that we are entering into this Agreement in reliance on your business skill, financial capacity, and personal character (if you are an individual), and that of your officers, directors, partners, members, stockholders or trustees (if you are a partnership, company, corporation, trust or other legal entity). As a result, you agree that if you or other persons associated with you or the Hotel desire to sell, transfer or lease an interest in this Agreement, the Licensee or in the Hotel, or in any

entity that has an interest in this Agreement, the Licensee or the Hotel, you will abide by the terms of this Subparagraph 11.b.

For purposes of this Subparagraph 11.b., the term **"control"** in all its forms, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of an entity, or of the power to veto major policy decisions of an entity, whether through the ownership of voting securities, by contract, or otherwise. References in this Agreement to **"Equity Interests"** mean any direct or indirect beneficial interest in the Licensee, the Equity Owners and/or the Hotel (an **"indirect"** interest is an interest in an entity other than the Licensee that either itself, or through others, has an interest in the Licensee). References in this Agreement to **"Equity Owners"** mean the owners of a direct or indirect Equity Interest in the Licensee, the Agreement, and/or in the Hotel. **"Publicly Traded Equity Interest"** means any Equity Interest that is traded on any securities exchange or is quoted in any publication or electronic reporting service maintained by the National Association of Securities Dealers, Inc., or any of its successors. In computing changes of Equity Interests, limited partners will not be distinguished from general partners except as provided below. General partners, managing members and other controlling interests in Licensee will be considered Equity Owners for purposes of this section, regardless of whether they have any actual ownership interest in the Licensee. Non-voting equity interests may not qualify as an Equity Interest, at our discretion. Our judgment will be final if there is any question as to the definition of Equity Interest or as to the computation of relative Equity Interests. You represent that as of the date of this Agreement the Equity interests are directly and (if applicable) indirectly owned as shown on the Rider.

(1) Transfers That Do Not Require Our Consent or Notification.

(a) **Privately Held Equity Interests: Less than 25% Change/No Change of Control.** Equity interests that are not publicly traded may be transferred by you and the Equity Owners without notice to us and without our consent, if after the transaction: (i) less than twenty-five percent (25%) of all Equity Interests in Licensee will have changed hands since the date of this Agreement, and (ii) there has not been a change of control of the Licensee, of this Agreement or of the Hotel since the date of this Agreement.

(b) **Publicly Held Equity Interests.** Publicly Traded Equity Interests may be transferred without notice to us and without our consent if the transfer does not effectuate a change of control of the Licensee, of this Agreement or of the Hotel since the date of this Agreement.

(c) **Commercial Leases.** You may lease or sublease commercial space in the Hotel that is customarily subject to lease, or enter into concession arrangements in the ordinary course of business at the Hotel, without notice to us and without our consent.

(2) Other Transfers. No other direct or indirect interest in the Hotel or in this Agreement, and no direct or indirect Equity Interest in the Licensee, may be sold, leased, assigned, or transferred in any way (individually or collectively, a **"Transfer")**, except as specifically provided in this Subparagraph 11.b.(2). If you or any Equity Owners want to transfer any Equity Interest, other than in a transaction that meets the requirements of the foregoing clause (1), you must first notify us and you must first obtain our consent.

(a) **Permitted Transfers.** Certain transfers are transfers we describe as **"Permitted Transfers."** We will consent to a Permitted Transfer, so long as you (i) give us sixty (60) days advance written notice of any proposed Permitted Transfer (the **"Permitted Transfer Consent Request")**, and (ii) submit to us a nonrefundable processing fee of Two Thousand Five Hundred Dollars ($2,500) with the Permitted Transfer Consent Request to cover our costs to review the Transfer (except that in the case of a Transfer of Equity interests which requires registration under any federal or state securities law, you must pay us an additional processing fee of Two Thousand Five Hundred Dollars ($2,500) as provided for in Subparagraph 11.b.(3) below), and meet the requirements for the particular Permitted Transfer as described below. **Notwithstanding the foregoing, we hereby agree to a**

one-time waiver of the $2,500 processing fee for any Permitted Transfer that occurs prior to Opening of the Hotel.

(i) Affiliate Transfer. You or any Equity Owners as of the date of this Agreement may sell, lease, transfer or otherwise convey any Equity Interest to an Affiliate (each an **"Affiliate Transfer")**; provided that such event does not, in our opinion, result in a change in the ultimate controlling Equity Owners of the Licensee, this Agreement or the Hotel and the following conditions are met. **"Affiliate"** means, with respect to any entity, any natural person or firm, corporation, partnership, association, trust or other entity which, directly or indirectly, controls, is controlled by, or is under common control with, you or any Equity Owners as of the date of this Agreement. A natural person or entity which has an entity as an Affiliate will also be deemed to be an Affiliate of that entity. We will not withhold our consent to an Affiliate Transfer if (x) you are not then in material default under this Agreement; (y) the Affiliate Transfer is not, directly or indirectly, to a Competitor; and (z) you otherwise satisfy the conditions as set forth in Subparagraphs 11.b.(2)(b)(i)-(vii), (ix) and (x) below that we may require you to satisfy.

(ii) Family Transfers. If you or any Equity Owners as of the date of this Agreement are a natural person, and desire to sell, lease, transfer or otherwise convey any Equity interest to: (x) a member or member of your or any such Equity Owner's immediate family i.e. spouse, children, parents, siblings **("Family Members")** or (y) a trust or trusts for the benefit of Equity Owner or the Equity Owner's Family Member(s) (each, a **"Family Transfer")**, in either case, without causing a change in the ultimate controlling Equity Owners of the Licensee, this Agreement, or the Hotel, we will not withhold our consent to a Family Transfer if you otherwise satisfy the conditions set forth in Subparagraphs 11.b.(2)(b)(i)-(vii), (ix), and (x) below that we may require you to satisfy.

(iii) Transfer Upon Death. Upon the death of a Licensee or Equity Owner, this Agreement or the Equity Interest (if applicable) may pass in accordance with such person's will or, if such person dies intestate, in accordance with laws of intestacy governing the distribution of such person's estate, without our consent, provided that (x) the Transfer is to a Family Member or to a legal entity formed by such Family Member(s), and (y) within one (1) year after the death, such Family Member(s) or entity meets all our then current requirements for an approved applicant.

(iv) Brick and Mortar Transfers. You may sell, lease or transfer the Hotel, the Hotel site, or any portion thereof if, in our reasonable judgment, after the sale, you retain possession and control of the Hotel site and the management control of the Hotel operations and continue to comply with the requirements of Subparagraph 6.a.(24), provided you give us at least sixty (60) days' prior notice of the proposed transfer, and any Transfer Information (as defined below) that we request. If, in our reasonable judgment, the Transfer will result in your loss of possession or control of the Hotel or Hotel site or management of the Hotel, the sale will then be considered a change of ownership and you must comply with the provisions of Subparagraph 11.b.(2)(b).

(v) Privately Held Equity Interests: 25% or Greater Change/No Change of Control. You or any Equity Owners as of the date of this Agreement may sell, lease, transfer or otherwise convey Equity Interests if a twenty-five percent (25%) or more cumulative change in Equity Interests in Licensee will have changed hands since the date of this Agreement; provided that such event does not, in our opinion, result in a change in the ultimate controlling Equity Owner of the Licensee, this Agreement or the Hotel and the following conditions are met: (x) you are not then in material default under this Agreement; (y) the Transfer is not, directly or indirectly, to a Competitor; and (z) you otherwise satisfy the conditions as set forth in Subparagraphs 11.b.(2)(b)(i)-(vii), (ix) and (x) below that we may require you to satisfy.

(b) **Change of Ownership.** Any proposed Transfer that does not otherwise qualify as a Permitted Transfer as defined in Subparagraph 11.b.(2)(a) above will be considered a change of ownership **("Change of Ownership")**. If there is a proposed Change of Ownership and the proposed owner desires to continue to operate the Hotel as a System hotel, the proposed owner must submit to us a complete application for a new franchise license agreement (the **"Change of Ownership Application")** accompanied by payment of our then prevailing application fee. If we do not approve the Change of

Ownership Application, we will refund the application fee, less Two Thousand Five Hundred Dollars ($2,500) for processing costs. The proposed owner may also be required to pay the then prevailing property improvement plan ("PIP") fee for us to determine the renovation requirements for the Hotel. If we approve the Change of Ownership Application, the new owner will then be required to pay any other applicable fees and charges we then impose for new Licensed Brand franchise licenses.

We will process the Change of Ownership Application in accordance with our then current procedures, including review of criteria and requirements regarding upgrading of the Hotel, credit, background investigation, operations abilities and capabilities, prior business dealings, market feasibility, guarantees, and other factors we consider relevant. We will have sixty (60) days from our receipt of the completed and signed application to consent or withhold our consent to the proposed owner as Licensee.

We may, at our option, or as applicable, make our consent subject to satisfaction of certain conditions, including:

(i) The cure of any existing defaults or events that would become defaults with the giving of notice and passage of time, including, the payment in full at the closing of the Transfer (the **"Closing"**) of all unpaid obligations owed to us and any Entities by you, and/or the renovation by you or the proposed owner of all or part of the Hotel;

(ii) Receipt of evidence from the transferee that insurance coverage, as required by this Agreement, is in full force and effect on the date of Closing;

(iii) Payment of the amount of any fees and charges we estimate will accrue to us or any of the Entities through the date of Closing;

(iv) That you at all times remain in compliance with the terms of this Agreement pending the Closing;

(v) Your signing of an estoppel and a general release in a form satisfactory to us, of any and all claims, demands and causes of action that you and your partners, proprietors, directors, officers, shareholders, members, successors and assigns (as the case may be) may or might have against us or any of the Entities, and their respective officers, directors, shareholders, agents, attorneys, contractors and employees in their corporate and individual capacities including claims arising under federal, state and local laws, rules and ordinances;

(vi) That you submit to us all information related to the Transfer that we may reasonably require, including copies of any proposed agreement(s), the proposed ownership structure of the proposed transferee if ownership of this Agreement or of the Hotel is being transferred and/or all entities involved, the names and addresses of the proposed owners of the Equity Interests and of the site at which the Hotel is operated, and financial statements and business information for all participants in the proposed sale or lease (collectively, the **"Transfer Information")**;

(vii) Evidence of adequate assurances (as determined by us in our sole discretion) of the proposed owner's assumption of and ability to perform all, or its pro rata share, of your or any Equity Owners' obligations under this Agreement;

(viii) Execution by you of our then-current standard form of voluntary termination agreement covering termination of this Agreement and execution by the new owner of a new franchise license agreement (**"New License"**) with us for the then unexpired term of this Agreement (or for such other term as we may approve in our sole discretion). The New License will (i) be on our then current form for the grant of new franchise licenses, (ii) contain our then current license terms (except for duration), and (iii) contain upgrading and other requirements, if any, that we impose.

(ix) Execution of our then-current standard form of guarantee of franchise license agreement by the same guarantors, if any, of this Agreement or substitute guarantors we approve; and

(x) Successful completion by the proposed owner and its management team of any training and orientation programs we require.

We have the right to withhold our consent to any proposed Transfer if any of these conditions are not met to our satisfaction, or if the proposed owner is a Competitor. If we approve the Change of Ownership Application, we will not assess you any liquidated damages for early termination of this Agreement as long as the New License is signed by the new owner no later than the Closing of the Change of Ownership transaction. If we do not approve the Change of Ownership Application, or if you or the new owner do not comply with all these conditions and the Transfer still occurs, then you will be in material default of this Agreement and we will be entitled to all of our remedies, including the right to terminate this Agreement, and the right to payment of all amounts set forth in Subparagraph 14.c.

(3) Public Offering. If you "offer to sell" or "sell" any "securities" in the Licensee or in the Hotel, you shall do so in accordance with the terms and conditions set forth in this Subparagraph 11.b.(3). All materials required by federal, state or other applicable law for the offer or sale of those securities must be submitted to us for review at least twenty (20) days before the date you distribute those materials, or file them with any governmental agency, including any materials to be used in any offering exempt from registration under federal or state securities laws. You must submit a non-refundable Two Thousand Five Hundred Dollar ($2,500) processing fee to us with the offering documents, and agree to pay any additional costs we may incur in reviewing your documents, including reasonable attorneys' fees. You also may not use any of the Marks or otherwise imply Hilton's or our participation or endorsement of any securities offering. We will have the right to approve any description of this Agreement or of your relationship with us, or any use of the Marks, contained in any "prospectus" or other communications or materials you use in the sale or offer of any "securities." You may not imply Hilton's or our participation in or endorsement of any such "securities." To the extent we give you any comments to your documents, you must modify the documents to address those comments, satisfactory to us, before filing or distributing the documents. Our review of these documents will not in any way be considered our agreement with any statements contained in those documents, including any projections, or our acknowledgment or agreement that the documents comply with any applicable laws.

You may not sell any "securities" unless you do so in compliance with all applicable federal and state securities laws, and unless you clearly disclose to all purchasers and offerees that (i) neither we, nor any Entity, nor any of our or their respective officers, directors, agents or employees, will in any way be deemed an "issuer" or "underwriter" of said "securities," and that (ii) we, the Entities, and our respective officers, directors, agents and employees have not assumed and will not have any liability or responsibility for any financial statements, prospectuses or other financial information contained in any "prospectus" or similar written or oral communication. You agree to indemnify, defend and hold the Indemnified Parties free and harmless of and from any and all liabilities, costs, damages, claims or expenses arising out of or related to the "sale" or "offer" of any of your "securities" to the same extent as provided in Paragraph 9 of this Agreement. All terms used in this Subparagraph 11.b.(3) will have the same meaning as in the Securities Act of 1933, as amended.

(4) Transfers Not in Accordance With This Agreement. Any purported Transfer, by operation of law or otherwise, not in accordance with the provisions of this Agreement, will be null and void and will constitute a material breach of this Agreement, which will allow us to terminate this Agreement without giving you any opportunity to cure. Further, we will have all other rights and remedies, including the right to specific performance or mandatory or prohibitory injunctive relief, to redress any attempt on your part to transfer this Agreement other than in accordance with the provisions of this Agreement.

(5) Pledge to Lending institution. Notwithstanding any other provision of this Agreement, you do not need to notify us to obtain our approval if you want to pledge or mortgage the

assets of the Hotel or any Equity Interest to a third-party bank or other commercial lending institution that is not a Competitor. However, you do need to notify us and obtain our consent if you want to pledge or mortgage your interest in this Agreement. As a condition to our giving our consent to a pledge or mortgage of this Agreement we will require the lender to sign a lender comfort letter that describes our requirements on foreclosure, and includes an estoppel and general release of Claims that you may have against us, Hilton or the Entities, in a form satisfactory to us. If it desires to continue to operate the Hotel as a System hotel, the lender will be required to conform to the lender comfort letter signed with us or, if no lender comfort letter was signed, then it must meet the terms and conditions of this Agreement for a Transfer involving a Change of Ownership.

12. Condemnation and Casualty

a. Condemnation. You will, at the earliest possible time, give us notice of any proposed taking of any portion of the Hotel by eminent domain. If we agree that the Hotel or a substantial part of the Hotel is to be taken, we may, in our sole discretion and within a reasonable time of the taking (within four months) transfer this Agreement to a nearby location you select. If we approve a new location, and if within one (1) year of the closing of the Hotel you open a new hotel (or are diligently proceeding toward opening a new hotel and ultimately do so) at the new location in accordance with our specifications and in accordance with our timing requirements, then the new hotel will be deemed to be the Hotel licensed under this Agreement. If a condemnation takes place and a new hotel does not, for whatever reason, become the Hotel under this Agreement in strict accordance with this Paragraph 12 (or if it is reasonably evident to us that this will be the case), then we may terminate this Agreement immediately upon notice to you, and we will not require you to pay a Termination Fee under Subparagraph 14.c.

b. Casualty. If the Hotel is damaged by fire or other casualty, you will immediately notify us. If the damage or repair requires closing the Hotel, you may choose to repair or rebuild the Hotel according to our standards, provided you (i) immediately notify us (ii) begin reconstruction within four (4) months after closing, and (iii) reopen the Hotel for continuous business operations as soon as practicable (but in any event within one (1) year after the closing of the Hotel), giving us ample advance notice of the date of reopening. Until we determine that the Hotel can be re-opened as a System hotel, the Hotel will not promote itself as a System hotel, or otherwise identify itself with any of the Marks without our prior written consent. You and we each have the right to terminate this Agreement if you elect not to repair or rebuild the Hotel as set forth above in this Paragraph 12, provided the terminating party gives the other party sixty (60) days written notice, in which case we will not require you to pay a Termination Fee under Subparagraph 14.c; provided however, if subsequent to such termination notice and prior to the natural expiration of the License Term, you, or any of your Affiliates, have a controlling interest in and/or operate a hotel at this Hotel site and such hotel is not operated under a license or franchise from one of the Entities, then you must pay us the Termination Fee.

c. No Extensions of Term. Nothing in this Paragraph 12 will extend the License Term.

13. Term of License. Unless terminated earlier, this Agreement will expire without notice on the date set forth on the Rider. You acknowledge and agree that this Agreement is non-renewable and that this Agreement confers upon you absolutely no rights of license renewal whatsoever following the expiration of the License Term.

14. Termination

a. Termination, Suspension or Other Interim Remedies by Us on Advance Notice. In addition to our right to immediately terminate this Agreement upon the occurrence of certain events as provided in Subparagraph 14.b below, we have the right to terminate this Agreement immediately upon notice to you if you fail to cure an Event of Default (as defined in Subparagraph 14.a.(1)) within thirty (30) days after we furnish notice of default to you based on the Event of Default, or, if there is a non-monetary Event of Default that is incapable of cure within thirty (30) days, if you fail to commence to cure within such thirty (30) day period and diligently pursue cure of such default and fail to cure the default within the additional time periods we set forth in the notice of default. In lieu of Event of Default termination at such

time, we may elect to postpone termination for a period of time we alone determine and impose one or more of the Interim Remedies listed below in subsection (3), it being expressly understood that, at any time after doing so, we continue to retain the right – exercisable at any time we determine – to terminate this Agreement.

(1) An "**Event of Default**" will occur if you fail to satisfy or comply with any of the obligations, requirements, conditions, or terms set forth in (i) this Agreement, the Manual (including the standards in the Manual and minimum performance scores required by the Manual), or any attachment to this Agreement; or (ii) any other agreement you have with us, or any of the Entities, relating to the Hotel, including, any computer system agreement, or any agreement to manage the Hotel. An "Event of Default" will also occur if you make any misrepresentations to us, whether in entering into this Agreement, or in the performance of your obligations to us.

(2) Our notice of termination will not relieve you of your obligations under this Agreement or any of its attachments.

(3) After expiration of the applicable notice and cure periods for an Event of Default, we may at anytime elect to postpone termination for a period of time we alone determine and impose any one or more of the following interim remedies (each, an **"Interim Remedy")**, including the suspension of our and/or Hilton's obligations under this Agreement and/or the Hilton Information Technology System Agreement, and any other agreement between you and us or any Affiliate related to this Hotel and/or the property upon which the Hotel is located (collectively, "**Your Agreements**"):

(a) We and/or Hilton may suspend you from any reservation and/or website services. We may remove the listing of the Hotel from any directories we publish, and from any advertising we publish, and/or remove or suspend you from the Reservation Service. If we suspend you from the Reservation Service, we will have the right to divert reservations previously made for the Hotel to other System hotels.

(b) We and/or Hilton may disable all or any part of the software provided to you pursuant to Your Agreements, and/or may suspend any one or more of the information technology and/or network services that we and/or Hilton provide or support under Your Agreements.

(c) We and/or Hilton may charge you for: the cost of any computer hardware, computer software, other information technology and/or information technology service which we and/or Hilton provided to you at no additional charge other than the fees you paid under Your Agreements; costs related to such suspending, disabling, together with intervention or administration fees set forth in the Manual; and, the cost of any computer hardware, computer software, other information technology and/or information technology service we and/or Hilton determine to provide you (in our and Hilton's sole discretion) (each, an **"Information Technology Recapture Charge").** An Information Technology Recapture Charge may, at our sole option, take the form of one or more specific dollar amounts and/or of a percentage increase to any of the fees charged based on a percentage of your Gross Room Revenues under this Agreement and/or Your Agreements (a **"Percentage Fee")**. If an Information Technology Recapture Charge consists of one or more specific dollar amounts, then you must pay each such amount to us or Hilton immediately upon demand. If an Information Technology Recapture Charge consists of an increase to a Percentage Fee, you must pay the increased Percentage Fee when and as provided in Your Agreements (as applicable). You understand and agree that such increases may be levied in any Percentage Fee notwithstanding any other provision of this Agreement and/or any other of Your Agreements.

If, after we impose any Interim Remedy, but before we exercise our reserved right to terminate this Agreement (as provided above), you completely cure to our satisfaction the subject Event(s) of Default, then we may either elect to terminate this Agreement despite your untimely cure, or, at our sole option, elect not to terminate this Agreement; if the latter, we will withdraw the Interim Remedy on a going-forward basis.

You agree that our exercise of the right to elect Interim Remedies will not result in actual or constructive termination or abandonment of this Agreement, and that the rights granted to us in this clause (3) to elect Interim Remedies are in addition to, and apart from, any other rights we may have in this Agreement, including our right to thereafter at any time we determine terminate this Agreement. If we exercise the right to elect Interim Remedies, the exercise will not be a waiver of any breach by you of any term, covenant or condition of this Agreement. You will not be entitled to any compensation, including repayment, reimbursement, refund or offsets, for any fees, charges, expenses or losses you may directly or indirectly incur by reason of our exercise and/or withdrawal of any Interim Remedy.

(4) In addition to the cure requirements specified in our written notice of an Event of Default, we may also require you to cause person(s) or entity(ies) acceptable to us to guarantee all of your obligations under this Agreement by executing our then-current standard form guarantee.

b. Immediate Termination by Us. We have the right to terminate this Agreement immediately upon notice to you (or terminate it at the earliest time permitted by applicable law) if one or more of the following breaches to this Agreement or any of its attachments occur:

(1) After curing any material violation of this Agreement or the Manual, you engage in the same noncompliance within any consecutive twenty four (24) month period, whether or not the noncompliance is corrected after notice; or after we have notified you of your noncompliance with any of the requirements imposed by this Agreement or the Manual, regardless of materiality, you engage in a pattern of noncompliance with any of those requirements, whether or not the noncompliance is corrected after notice, which pattern of non-compliance in and of itself will be deemed material;

(2) You or any guarantor of your obligations under this Agreement:

(a) Generally fails to pay its debts as they become due or admits in writing its inability to pay its debts, or makes a general assignment for the benefit of its creditors;

(h) Fails to continue to identify the Hotel to the public as a System hotel, or abandons the operation of the Hotel by failing to operate the Hotel for five (5) consecutive days, or any shorter period after which it is not unreasonable under the facts and circumstances for us to conclude that you do not intend to continue to operate the Hotel, unless the failure to operate is due to fire, flood, earthquake or similar causes beyond your control, provided that you have taken reasonable steps to minimize the impact of such events;

(i) Contests in any court or proceeding our ownership of the System or any part of the System, or the validity of any of the Marks;

(j) Takes any action toward dissolving or liquidating itself, if it is a corporation, limited liability company or partnership, except for death of a partner;

(3) Information involving you or your affiliates, whether provided by you under Subparagraph 6.a.(29) or obtained through Hilton's or our own investigation, discloses facts concerning you or your affiliates, including your respective officers, directors, shareholders, partners or members, and/or the Hotel, or title to the property over which the Hotel is constructed or any other property used by the Hotel, including leased commercial space, which, in the reasonable opinion of Hilton is likely to adversely reflect upon or affect in any manner, any gaming licenses or permits held by the Entities or the then current stature of any of the Entities with any gaming commission, board, or similar governmental or regulatory agency, or the reputation or business of any of the Entities;

(4) We make a reasonable determination that continued operation of the Hotel by you will result in an imminent danger to public health or safety; or

(5) Any guarantor of your obligations under this Agreement breaches its guarantee, if any, or any guarantee fails to be a continuing obligation fully enforceable against the person(s) signing the guarantee, or if there is any inadequacy of the guarantee or guarantor, and the guarantor fails to provide adequate assurances to us as we may reasonably request.

c. Liquidated Damages upon Termination by Us. If we terminate the Agreement under Subparagraphs 14.a. or 14.b. above, you acknowledge that your default will cause substantial damage to us, the actual amount of which will be difficult to determine. Therefore, you agree that if we terminate this Agreement under Subparagraphs 14.a. or 14.b. as a result of your default or breach of this Agreement, or if you unilaterally terminate this Agreement without cause, which is not authorized and which would be a

material breach of this Agreement, then upon termination you must pay us a lump-sum payment equal to the sum of the following: (i) all amounts owed to us for periods prior to the date of termination, plus (ii) as liquidated damages for the future Monthly Royalty Fees and Monthly Program Fees we will lose, a "**Termination Fee**" determined by multiplying the average of the Monthly Royalty Fees and Monthly Program Fees (collectively, the "**Average Monthly Fees**") with respect to the Hotel for the twenty-four (24) month period immediately preceding the month of termination, by thirty-six (36), or by such lesser multiple as would represent the remaining full or partial months between the date of termination and the expiration of the License Term. If the Hotel has been open for less than twenty-four (24) months, then in calculating the Termination Fee we will multiply thirty-six (36) by the greater of a) the Average Monthly Fees you owed us from the Opening Date through the month immediately preceding the month of termination, and b) the average Monthly Royalty Fees and Monthly Program Fees per Guest Room owed to us by all System hotels in operation throughout the same twenty-four (24) month period, multiplied by the number of Guest Rooms in the Hotel. The Termination Fee is intended to compensate us only for the value lost in Monthly Royalty Fees and Monthly Program Fees as a result of the early termination of the Agreement, and you agree that you remain liable for all other obligations and claims under the Agreement, including obligations following termination under Subparagraphs 5.c, 5.d., 8.c., 14.d. and Paragraph 9 and liabilities arising out of your breach or default.

d. De-identification of Hotel Upon Termination. Upon expiration or termination of this Agreement for any reason, you will immediately stop holding yourself out to the public as a System hotel, and will take whatever action is necessary to assure that no use is made of any part of the System (including the Marks, all forms of advertising and other indicia of operation as a System hotel), and discontinue use of all distinguishing indicia of System and HHC hotels, including such indicia on exterior and interior signs, stationery, operating equipment and supplies, Internet sites, brochures and other promotional material at or in connection with the Hotel or otherwise. You will return to us the Manual and all other proprietary materials, remove all distinctive System features of the Hotel, including the primary freestanding sign down to the structural steel, and take all other actions ("**De-identification Actions**") required to preclude any possibility of confusion on the part of the public that the Hotel is still using all or any part of the System or is otherwise holding itself out to the public as a System hotel. If within thirty (30) days after the termination or expiration of this Agreement, you fail to comply with this paragraph, we and our agents, at your expense, may enter the premises of the Hotel to perform the De-identification Actions without being deemed guilty of or liable for trespass or any other tort, and make or cause to be made such changes at your expense. You will pay all such expenses that we incur upon demand. If you fail to take all De-identification Actions, we and Hilton will be entitled to recover all losses, costs, expenses and damages caused by that failure. We and Hilton will also be entitled to relief by injunction, and any other right or remedy at law or in equity to enforce our rights under this Agreement.

e. Special Termination. You recognize the additional harm by way of confusion for national accounts, greater difficulty in re-entering the market, and damage to goodwill of the Marks that we will suffer if (i) you (or any of your Affiliates) cause two (2) or more franchise license agreements for the Licensed Brand between yourself (or any of your Affiliates) and us to be terminated prior to the expiration date of such agreements within twelve (12) months of each other (if we terminate those agreements following your breach or default, you (or your Affiliate) will be deemed to have caused the termination) or (ii) this Agreement terminates or is terminated by us following an unapproved Transfer to a Competitor (each of these will be referred to as a "**Special Termination**"). In the case of a Special Termination, the amount due to us upon termination will be an amount equal to the amount set forth in clause (i) of Subparagraph 14,c., plus an additional amount equal to two (2) times the Termination Fee payable under clause (ii) of Subparagraph 14.c. This Subparagraph 14.e. is not triggered upon mutual voluntary termination of this Agreement.

15. Relationship of Parties

a. No Agency Relationship. You are an independent contractor. Neither of us is the legal representative or agent of the other, or has the power to obligate (or has the right to direct or supervise the daily affairs of) the other for any purpose. You expressly acknowledge that we have a business relationship based entirely on, and defined by, the express provisions of this Agreement and that no

partnership, joint venture, agency, fiduciary or employment relationship is intended or created by reason of this Agreement. Neither we nor any of the Entities will have any responsibility to any person for any debts, liabilities, damages, claims or expenses related to the establishment, construction or operation of the Hotel or arising out of or related to your policies, procedures, practices or alleged practices in the operation of the Hotel or any other business conducted at the Hotel.

b. Notices to Public Concerning Your Independent Status. You will take all steps reasonably necessary to minimize the chance of a claim being made against us for anything that occurs at the Hotel, or for the acts or omissions of you or anyone associated or affiliated with you or the Hotel, including steps mandated by us in the Manual or otherwise. You will not incur any obligation or indebtedness on our behalf. All contracts for the Hotel's operations and services at the Hotel will be in your name or in the name of your management company. You will not enter into or sign any contracts in our name or using the name of the Licensed Brand or the Marks or any acronyms or variations on same. You will disclose in all dealings with suppliers and third parties that you are an independent entity and that we have no liability for your debts.

16. Miscellaneous

a. Severability and Interpretation. The remedies provided in this Agreement are cumulative. These remedies are not exclusive of any other remedies to which you or we may be entitled in case of any breach or threatened breach of the terms and provisions hereof. If any provision of this Agreement is held to be unenforceable, void or voidable, that provision will be ineffective to the extent of the prohibition without in any way invalidating or affecting the remaining provisions of this Agreement, and all remaining provisions will continue in effect. If any provision of this Agreement is held unenforceable due to its scope, but may be made enforceable by limiting its scope, the provision will be considered amended to the minimum extent necessary to make it enforceable. This Agreement will be interpreted without interpreting any provision in favor of or against either of us by reason of the drafting of the provision, or either of our positions relative to the other. Any covenant, term or provision of this Agreement that provides for continuing obligations after the expiration or termination of this Agreement will survive any expiration or termination. To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like other than in accordance with applicable law, those provisions will, to the extent they are not in accordance with applicable law, be superseded by said taw, and we will comply with applicable law in connection with each of these matters.

b. Controlling Law. This Agreement will become valid when signed by both of us. We each agree that the State of New York has a deep and well developed history of business decisional law. For this reason, we each agree that except to the extent governed by the United States Trademark Act of 1946 (Lanham Act; 15 U.S.C. If 1050 et seq.), as amended, this Agreement, all relations between us, and any and all disputes between us, whether sounding in contract, tort, or otherwise, are to be exclusively construed in accordance with and/or governed by (as applicable) the laws of the State of New York without recourse to New York (or any other) choice of law or conflicts of law principles. If, however, any provision of this Agreement would not be enforceable under the laws of New York, and if the Hotel is located outside of New York and the provision would be enforceable under the laws of the state in which the Hotel is located, then the provision in question (and only that provision) will be interpreted and construed under the laws of that state. Nothing in this section is intended to invoke the application of any franchise, business opportunity, antitrust, "implied covenant," unfair competition, fiduciary or any other doctrine of law of the State of New York or any other state which would not otherwise apply absent this Subparagraph 16.b.

Because, as stated above, the State of New York has a well developed history of business decisional law and because the courts of the State of New York are best suited to interpret and apply that law, we each agree that any litigation arising out of or related to this Agreement, any breach of this Agreement, the relationship between us, and, any and all disputes between us, whether sounding in contract, tort, or otherwise, will be submitted to and resolved exclusively by a court of competent jurisdiction located in the City and State of New York. You waive, and agree never to assert, move or

otherwise claim that this venue is for any reason improper, inconvenient, prejudicial or otherwise inappropriate (including, any claim under the judicial doctrine of forum non conveniens).

If our mutual choice of venue in the City and State of New York is not honored by the subject court(s), then we each agree that any litigation arising out of or related to this Agreement; any breach of this Agreement; the relationship between us; and, any and all disputes between us, whether sounding in contract, tort, or otherwise, will instead be submitted to and resolved exclusively by a court of competent jurisdiction located in the City and County of Los Angeles, California. You waive, and agree never to assert, move or otherwise claim that this substitute venue is for any reason improper, inconvenient, prejudicial or otherwise inappropriate (including, any claim under the judicial doctrine of forum non conveniens).

c. Exclusive Benefit. This Agreement is exclusively for our and your benefit, and none of the obligations of either of us in this Agreement will run to, or be enforceable by, any other party (except for covenants in favor of the Entities, which covenants will run to and be enforceable by the Entities or their successors and assigns), or give rise to liability to a third party, except as otherwise specifically set forth in this Agreement.

d. Entire Agreement. You and we acknowledge that we want all terms of this business relationship defined in this written Agreement, and that neither of us wants to enter into a business relationship with the other in which any terms or obligations are subject to any oral statements or in which oral statements serve as the basis for creating rights or obligations different than or supplementary to the rights and obligations set forth in this Agreement. Therefore, you and we agree that this Agreement and its attachments will be construed together and will supersede and cancel any prior and/or contemporaneous discussions or writings (whether described as representations, inducements, promises, agreements or by any other term) between us. We each agree that we placed, and will place, no reliance on any such discussions or writings. You agree that no claims, representations or warranties of earnings, sales, profits, success or failure of the Hotel have been made to you. This Agreement and its attachments is the entire agreement between us and contains all of the terms, conditions, rights and obligations between us with respect to the Hotel and any other aspect of the relationship between us. No change, modification, amendment or waiver of any of the provisions of this Agreement will be effective and binding upon us unless it is in writing, specifically identified as an amendment to this Agreement, signed by one of our officers, and which may include an estoppel and general release of Claims that you may have against us, Hilton or the Entities, in a form satisfactory to us. If any provision of this Agreement is inconsistent with the Manual, the provisions of this Agreement will prevail. No failure by us or by any of the Entities to exercise any power given us under this Agreement or to insist on strict compliance by you with any of your obligations, and no custom or practice at variance with the terms of this Agreement, will be considered a waiver of our or any Entity’s right to demand exact compliance with the terms of this Agreement.

e. Consent; Business Judgment. Wherever our consent or approval is required in this Agreement, unless the provision specifically indicates otherwise, we have the right to withhold our approval in our discretion taking into consideration our assessment of the long-term interests of the System overall. You and we recognize, and any arbitrator or judge is affirmatively advised that if those decisions are supported by our business judgment, neither an arbitrator nor a judge nor any other person reviewing those decisions will substitute his, her or its judgment for our judgment. When the terms of this Agreement specifically require that we not unreasonably withhold our approval or consent, if you are in default or breach under this Agreement, any withholding of our approval or consent will be considered reasonable. Our approvals and consents will not be effective unless given in writing. In no event may you make any claim for money damages based on any claim that we have unreasonably withheld or delayed any consent or approval to a proposed act by you under the terms of this Agreement. You also may not claim damages by way of set-off, counterclaim or defense for our withholding of consent. Your sole remedy for the claim will be an action or proceeding to enforce the provisions of this Agreement by specific performance or by declaratory judgment.

f. Notices. All notices must be in writing and will be effective on the earlier of (i) the day it is sent via facsimile with a confirmation of receipt; or (ii)one business day after it is sent by next business day delivery service; or (iii) the third business day after it is sent by first-class or certified mail or other form of express delivery to the appropriate party at the following single address, or such other single address as may be designated by the party to be notified (which, in no event, is **a** P.O. Box). If to us, the notice should be sent to our principal executive offices, addressed to "General Counsel." The current address of our principal executive offices is as follows: 9336 Civic Center Drive, Beverly Hills, CA 90210. If to you, then to the address set forth for you in the Rider. Notice to you is deemed given if 1) delivered in writing via one of the delivery methods set forth above and 2) addressed to the Principal Correspondent at the address you designate in the Rider. Any change to your address or Principal Correspondent for notice must be delivered to us in writing in accordance with the delivery procedure set forth in this Subparagraph 16.f. Licensee hereby grants Licensor permission to send communications to the Licensee via facsimile for the purposes of notices under this Agreement, including this Subparagraph 16.f. and/or to provide information from the Licensor to the Licensee via facsimile or email, subject to any applicable laws. To the extent there are any regulations or laws prohibiting such mass communications and to the extent they are waivable, Licensee hereby waives them.

g. General Release. You and your heirs, administrators, executors, agents and representatives and their respective successors and assigns release, remise, acquit and forever discharge us and the Entities and their officers, directors, employees, agents, representatives and their respective successors and assigns from any and all actions, claims, causes of action, suits, rights, debts, liabilities, accounts, agreements, covenants, contracts, promises, warranties, judgments, executions, demands, damages, costs and expenses, whether known or unknown at this time, of any kind or nature, absolute or contingent, at law or in equity, on account of any matter, cause or thing whatsoever that has happened, developed or occurred before you sign and deliver this Agreement to us (collectively, **"Claims")**. This release will survive the termination of this Agreement.

h. Estoppel Certificate. Whenever we reasonably request it, you will deliver to us an estoppel certificate in the form we require as to the matters described in this Agreement.

i. Descriptive Headings. The descriptive headings in this Agreement are for convenience only and will not control or affect the meaning or construction of any provision in this Agreement.

j. Representations and Warranties. You warrant, represent and agree that all statements made by you in the Application you submitted to us in anticipation of this Agreement and all other documents and information you submitted to us are true, correct and complete as of the date of this Agreement and that you will continue to update them so that they are always true, correct and complete. You further represent and warrant to us that you have the full legal power and authority to enter into this Agreement and that by entering into this Agreement you will not be breaching any agreement to which you are a party. You hereby indemnify and hold us harmless from any breach of these representations and warranties. These warranties and representations will survive the termination of this Agreement.

k. Time. Time is of the essence in this Agreement.

l. Counterparts. This Agreement may be signed in counterparts, each of which will be considered an original.

m. Performance Requirements/Responsibilities. Attachment A, setting forth certain of your performance conditions and requirements, is incorporated by reference and made a part of this Agreement.

n. Informational Copies. You acknowledge that we may provide, but are not required to provide, copies of any information we provide to you concerning the Hotel (such as quality assurance reports and default notices) to the owner and/or lessor of the Hotel.

o. Blocked Persons or Entities. Licensee represents and warrants to Hilton that to Licensee's actual or constructive knowledge: (1) neither Licensee (including its directors and officers), nor any of its Affiliates, or the funding sources for any of the foregoing, is identified on the list of the Treasury's Office of Foreign Assets Control (OFAC); (2) neither Licensee nor any of its Affiliates, is directly or indirectly owned or controlled by the government of any country that is subject to an embargo imposed by the United States government; and (3) neither Licensee nor any of its Affiliates is acting on behalf of a government of, or is involved in business arrangements or other transactions with, any country that is subject to such an embargo. Licensee agrees that it will notify Hilton in writing immediately upon the occurrence of any event which would render the foregoing representations and warranties of this Subparagraph 16.o. incorrect. Notwithstanding anything to the contrary in this Agreement, no Transfer shall be made to a Specially Designated National or Blocked Person (as herein defined below) or to an entity in which a Specially Designated National or Blocked Person has an interest. For purposes of this Agreement, **"Specially Designated National or Blocked Person"** means (i) a person or entity designated by OFAC (or any successor office or agency of the U.S. government) from time to time as a "specially designated national or blocked person" or similar status, (ii) a person or entity described in Section 1 of U.S. Executive Order 13224, issued on September 23, 2001, or (iii) a person or entity otherwise identified by government or legal authority as a person with whom Hilton is prohibited from transacting business. Note to Licensee: The U.S. government has published a list of such designations and the text of the Executive Order is published under the internet website address www.ustreas.gov/offices/enforcement/ofac.

17. WAIVER OF JURY TRIAL

TO THE EXTENT EITHER PARTY INITIATES LITIGATION INVOLVING THIS AGREEMENT OR ANY ASPECT OF THE RELATIONSHIP BETWEEN US (EVEN IF OTHER PARTIES OR OTHER CLAIMS ARE INCLUDED IN SUCH LITIGATION), ALL THE PARTIES WAIVE THEIR RIGHT TO A TRIAL BY JURY. THIS WAIVER WILL APPLY TO ALL CAUSES OF ACTION THAT ARE OR MIGHT BE INCLUDED IN SUCH ACTION, INCLUDING CLAIMS RELATED TO THE ENFORCEMENT OR INTERPRETATION OF THIS AGREEMENT, ALLEGATIONS OF STATE OR FEDERAL STATUTORY VIOLATIONS, FRAUD, MISREPRESENTATION, OR SIMILAR CAUSES OF ACTION, AND IN CONNECTION WITH ANY LEGAL ACTION INITIATED FOR THE RECOVERY OF DAMAGES BETWEEN OR AMONG US OR BETWEEN OR AMONG ANY OF OUR OWNERS, AFFILIATES, OFFICERS, EMPLOYEES OR AGENTS.

THIS AGREEMENT CONTINUES WITH AN ATTACHMENT A AND ATTACHMENT B, WHICH ARE A PART OF THIS AGREEMENT.

ATTACHMENT A - PERFORMANCE CONDITIONS:
NEW DEVELOPMENT

A. **Consultation.** You or your representative(s) will meet with us to consult and coordinate with the project manager we assign to you. The meeting will take place within forty-five (45) days after we notify you of approval, and the meeting will be held at a location we select.

B. **Approval of Architect/Designer/Contractors.** Before you submit Plans and Designs (as defined in Paragraph C) to us, you will furnish us with resumes and other information we request pertaining to the architect you desire to retain to prepare your Plans and the interior designer you desire to retain to prepare your Designs. The Plans and Designs will not be approved until we have approved the architect and/designer who are to prepare the Plans and Designs. Before Construction Work (as defined in Paragraph E), you will also submit to us resumes and other information we request pertaining to the general contractor and/or any major subcontractors for the Construction Work. Construction Work will not begin until we have approved the contractors, which approval may be conditioned on bonding of the contractors.

C. **Approval of Plans.** On or before the date specified on the Rider for submission of the Plans, you must submit to us your plans, layouts, specifications, and drawings for the Hotel, (collectively, the **"Plans").** Construction Work will not begin unless and until we have approved the Plans. You must also submit to us your plans, layouts specifications and designs for the proposed furnishings, fixtures, equipment and decor of the Hotel (collectively, the **"Designs")** when we instruct you to do so. Once we approve the Plans and Designs, no change may be made to the Plans without our advance consent. In approving the Plans and Designs, we do not warrant the depth of our analysis or assume any responsibility for the efficacy of the Plans and Designs, or the resulting Construction Work. It is solely your responsibility to ensure your Plans comply with our then prevailing standards and specifications as set forth in the Manual and with all Legal Requirements (as defined below).

You are responsible for making certain that the Hotel complies in all respects with all Legal Requirements. For purposes of this Agreement, **"Legal Requirements"** means all public laws, statutes, ordinances, orders, rules, regulations, permits, licenses, authorizations, directions and requirements of all governments and governmental authorities, which, now or hereafter, may apply to the construction, completion, equipping and opening of the Hotel and the operation of the Hotel, including environmental, zoning, building, and life safety. We and Hilton will have the right to, and you will arrange for us and Hilton to, participate in all progress meetings during the development and construction of the Hotel, to have access to all contract and construction documents relating to the Hotel, and to have access to the Hotel during reasonable business hours to visit the Hotel. However, neither we nor Hilton are obligated to participate in progress meetings, or visit the Hotel, and our and Hilton's participation and site visits are not to be considered as a representation of the adequacy of the construction, the structural integrity, or the sufficiency of mechanical and electrical systems for the Hotel. Before we approve your Plans, your architect or other certified professional must certify to us that the Plans comply with the Americans with Disabilities Act and its architectural guidelines as well as all applicable state and local codes for accessible facilities. Upon completion of the construction of the Hotel and as a condition to Opening of the Hotel, your architect, general contractor or other certified professional must provide us with a certificate stating that the as-built premises comply with the Americans with Disabilities Act and its architectural guidelines and all applicable state and local codes for accessible facilities.

D. **Site Control.** Before you begin Construction Work, you must submit to us a copy of the deed or lease to the Hotel site evidencing your legal access to the Hotel site for the full License Term.

E. **The Construction Work.** You agree to take all action necessary to perform the development and construction of the Hotel, renovation, furnishing, equipping, acquisition of supplies and the implementation of the Plans **("Construction Work")** all in accordance with this Agreement, the

approved Plans and Designs, the Manual, and the standards we establish for System hotels, within the time frames we specify. You will be solely responsible for obtaining all necessary licenses, permits and zoning variances required for the Construction Work. Before you begin the Construction Work, you will submit to us copies of applicable permits, licenses and zoning variances.

F. **Commencement; Completion.** You will begin construction of the Hotel on or before the date specified on the Rider (the "**CCD**"). For the Hotel to be considered under construction by the CCD, you must have begun to pour the concrete foundations for the Hotel (or for partially or fully constructed structures, you must have otherwise satisfied our site-specific criteria for "under construction" which criteria we will provide to you in writing based on the site-specific circumstances of the structure). Your failure to begin construction by the CCD will be an Event of Default, unless we extend the CCD. If you want to request an extension of the CCD, you must submit a written request and a Ten Thousand Dollar ($10,000) extension fee before the CCD. If we approve the extension, we will set a new CCD and the extension fee will become non-refundable. If we deny the extension, we will refund the extension fee. Once begun, construction of the Hotel will continue uninterrupted (except to the extent continuation is prevented by events beyond Licensee's control, such as acts of God, third party strikes, acts of terrorism, war, or general governmental restrictions ("**Force Majeure**")) until it is completed. For purposes of this Paragraph F, Force Majeure does not include your own financial inability, inability to obtain financing, inability to obtain permits or any other events unique to you or the Hotel.

Upon our request, you will promptly provide us with evidence that construction has commenced. Notwithstanding any Force Majeure, or any other matter, Construction Work must be completed and the Hotel must be furnished, equipped, and otherwise made ready to Open (as defined in Paragraph O) in accordance with this Agreement no later than the date specified on the Rider (the **"Construction Work Completion Date"**). If you fail to complete the Construction Work in accordance with this Agreement on or before the Construction Work Completion Date and this failure to meet the Construction Work Completion Date is due solely to Force Majeure, the Pre-Opening Termination Fee (as defined in Paragraph T below) will not be assessed. We will have the sole right to determine whether the Construction Work has begun and has been completed in accordance with this Agreement, the approved Plans, and Designs, the Manual, and our standards for System hotels.

G. **Site Visits.** During the course of Construction Work, you and your architect, engineer, contractors, and subcontractors will cooperate fully with us for the purpose of permitting us to visit the Hotel site and review the progress of the Construction Work. In addition, you and your contractors, architect and designer will (i) supply us with samples of construction materials, test borings, corings, supplies, equipment, materials and reports as we may request and (ii) give our representatives access to the Hotel site and Construction Work in order to permit us to carry out our site visits.

H. **Progress Reports.** You will submit to us each month (or more frequently if we so request) a report showing progress made toward fulfilling the terms of this Agreement.

I. **Acquisition of Equipment, Furnishings, and Supplies.** You will purchase and/or lease and install all fixtures, equipment, furnishings, furniture, signs, computer terminals and related equipment, supplies and other items we require in order to prepare the Hotel for opening as a System hotel under this Agreement. After Opening, you will replace all these items, at your cost, in accordance with schedules we set in order to assure that the Hotel will meet the standards for operation we set for the System hotels.

J. **Costs of Constructing and Equipping.** You will bear the entire cost of the Construction Work, including the cost of the Plans, professional fees, licenses, permits, equipment, furniture, furnishings and supplies.

K. **Insurance During Construction.** In addition to the insurance coverage required under this Agreement, during the course of Construction Work, you will maintain or will cause the general contractor to maintain Builder's Risk coverage for the replacement value of the Hotel, which policies must name us and the Entities as additional insureds. This coverage must be evidenced by an original certificate of insurance, submitted to us at least thirty (30) days before you begin Construction Work and thereafter any time before a change is made in the coverage. Prior to the Opening Date, you will submit to us a certificate of insurance evidencing the other types of insurance we require under Subparagraph 6.a.(32) of this Agreement.

L. **Limitation of Liability.** We will have no liability or obligation with respect to design and construction of the Hotel. We have furnished to you that portion of the Manual which contains the technical standards and specifications to assist you in completing the Construction Work. You acknowledge you have studied these standards and specifications and satisfied yourself that the Hotel can be designed, furnished and equipped in accordance with these standards and specifications and that you and your design and construction consultants and contractors have the necessary resources and skills to do so. The Manual does not encompass the architectural, structural, mechanical or electrical safety, adequacy, integrity or efficiency of the design or compliance with applicable Legal Requirements. We do not undertake to approve the Hotel as complying with governmental requirements or as being safe for guests or other third parties and we have no responsibilities in these areas. You must indemnify us with regard to compliance with these matters to the extent provided in Paragraph 9 of this Agreement. The Manual may not be used by you or by any design or construction professional for any hotel or lodging project other than the Hotel.

M. **Trademarks.** During the planning and Construction Work phases of the Hotel, you will have the right, so long as this Agreement is in effect: (i) to place a sign on the Hotel site, advising the general public that a System hotel is under construction, in accordance with our plans and specifications for System hotels; (ii) to advertise and promote the development and Opening of the Hotel in the media; (iii) to purchase, from vendor(s) approved by us, operating supplies and equipment bearing the Marks required for the operation of the Hotel; and (iv) to purchase, from vendor(s) approved by us, and install the permanent Licensed Brand signage required for the operation of the Hotel. You agree, at your sole expense, upon, or promptly after, you begin construction, to install and maintain a construction sign on the Hotel site using the Licensed Brand name and other distinguishing characteristics, which meets our standards and specifications. Once we authorize the Hotel to Open (conditionally or otherwise), you may use the Marks and the System in the operation of the Hotel consistent with the terms and conditions of this Agreement.

N. **Staffing.** Before the Opening Date, you will, at your cost, hire a staff to operate the Hotel, and train that staff, all in accordance with the Manual and such other instructions as we may furnish to you.

O. **Opening.** The Hotel will be considered open for business **("Open"** or **"Opening")** on the date **("Opening Date")** we authorize you to make available the facilities, Guest Rooms or services of the Hotel to the general public under the Licensed Brand name(s). You will not Open the Hotel unless and until you receive our written authorization to do so. We will only authorize the Hotel to Open when we, in our sole discretion, are satisfied that: (i) you have complied with all the terms and conditions set forth in this Agreement; (ii) your staff has received adequate training and instruction; and (iii) all fees and charges you owe to us or the Entities have been paid. Opening the Hotel before we authorize you to Open will constitute unauthorized use of our Marks and a material breach of this Agreement. Recognizing the difficulty of ascertaining damages for such a breach, you agree to pay to us, as liquidated damages, solely for the damage to our Marks and not as a penalty, Five Thousand Dollars ($5,000) per day to compensate us for the damage to our Marks. You also agree to reimburse us for our costs, including attorneys fees, incurred in enforcing our rights. These liquidated damages for damages to our Marks do not limit any other remedies we may have, at law or in equity.

P. **Compliance/Investigation.** You will give us at least fifteen (15) days advance notice that, in your opinion, you have complied with all the terms and conditions of this Agreement and the Hotel is ready to Open (conditionally or otherwise). We will use reasonable efforts within fifteen (15) days after we receive your notice to visit the Hotel and to conduct other investigations as we deem necessary to determine whether to authorize the Opening (conditional or otherwise) of the Hotel, but we will not be liable for delays or loss occasioned by our inability to complete our investigation and to make this determination within the fifteen (15) day period. If you fail to pass our initial opening site visit, we may, in our sole discretion, charge you reasonable fees associated with any additional visits.

Q. **Conditional Opening.** Notwithstanding Paragraph O above, we may, in our sole discretion, conditionally authorize you to Open and operate the Hotel as a System hotel **("Conditional Opening")** even though you have not fully complied with the terms of this Agreement, if you are meeting your performance obligations under this Agreement and if you agree to fulfill all remaining terms of this Agreement, including any attachment, on or before the completion date set forth on the Rider, or any extension we approve. Our determination as to whether to authorize a Conditional Opening will be final and binding.

R. **Performance of Agreement.** You agree to satisfy all of the terms and conditions of this Agreement, and to equip, supply, staff and otherwise make the Hotel ready to Open under our standards. As a result of your efforts to comply with the terms and conditions of this Agreement, you will incur significant expense and expend substantial time and effort. You acknowledge and agree that we will have no liability or obligation to you for any losses, obligations, liabilities or expenses you incur if we do not authorize the Hotel to Open or if we terminate this Agreement because you have not complied with the terms and conditions of this Agreement.

S. **Termination Prior to Opening.** Your failure to satisfy the terms of this Agreement, including your failure to begin or complete the Construction Work in accordance with the Plans, the Manual and our requirements (including the milestone and completion dates) will constitute a material breach of your obligations under this Agreement and will be considered an Event of Default. If an Event of Default occurs before the Opening, we may terminate this Agreement if that Event of Default continues for ten (10) days (or longer, if required by law) after written notice to you.

T. **Pre-Opening Termination Fees.** If there is an Event of Default by you prior to Opening and, as a result of your failure to cure such Event of Default, we terminate this Agreement either:

1. Before you begin the Construction Work, but only if, within one (1) year of such termination you (or your affiliate) then, directly or indirectly, (a) enter into a franchise, license and/or management agreement for, and/or (b) begin construction or commence operation of: a hotel, motel, inn, or similar facility at the Hotel site under a Competitor brand name; or
2. After you begin the Construction Work, but before Opening (unless the Event of Default is due solely to Force Majeure as provided for in Paragraph F above);

then you will be liable to us for a Pre-Opening termination fee equal to One Thousand Two Hundred Dollars ($1200.00), for each Guest Room, multiplied by three (3) (the "Pre-Opening Termination Fee"). You must pay the entire Pre-Opening Termination Fee to us in one lump sum upon demand. The Pre-Opening Termination Fee represents the minimum damages we would incur as a result of the additional time necessary for us to develop an alternative site in the market. It does not substitute for any other damages we may incur as a result of any breach by you of any provision of this Agreement before or after the termination date, for which you will remain liable.

U. **Termination after Opening of the Hotel.** Termination of this Agreement after the Opening of the Hotel (conditionally or otherwise) will be governed by Paragraph 14 of this Agreement.

2. Grant of License

a. Non-Exclusive License. We hereby grant to you and you hereby accept a non-exclusive license (the "License") to use the System at, and in connection with the operation of, the Hotel, in accordance with the terms of this Agreement. You acknowledge and agree that you are not acquiring any rights other than the non-exclusive right to use the System to operate the Hotel under the Licensed Brand at the site licensed under this Agreement and in accordance with the terms of this Agreement.

Except as provided below, this Agreement does not limit our right, or the right of any of our present or future owners, subsidiaries, and affiliated entities (the "Entities"), to own, license or operate any other business of any nature ("Other Businesses"), including a hotel, inn, conference center, time share property, lodging facility or similar business, whether under the Licensed Brand or as a competitive brand, or otherwise. We reserve the right to engage in any Other Businesses, even if they compete with the Hotel, the System, or the Licensed Brand, whether we start those businesses, or purchase, merge with, acquire, are acquired by, or affiliate with, those businesses. We may also: (a) use or license to others all or part of the System; (b) use the facilities, programs, services and/or personnel used in connection with the System in Other Businesses; and (c) use the System, the Licensed Brand, and the Marks in the Other Businesses. You waive and release any claims, demands or damages arising from or related to any of the foregoing activities, and you acknowledge and agree that those activities will not give rise to any liability on our part, including liability for claims for unfair competition, breach of contract, breach of any applicable implied covenant of good faith and fair dealing, or divided loyalty.

Notwithstanding the foregoing, neither we nor any of the Entities will operate, or allow to operate, an all-suites hotel or motel under the Licensed Brand, as such name may be changed by us from time to time, within the Restrictive Area (defined below) from the Effective Date to midnight on the day before the fifteenth (15th) anniversary of the Opening Date, but in no event later than midnight on April 25, 2022 (the "Restrictive Period"). This restriction does not apply to any hotel that is currently open or under construction or has been approved for development or opening as a Licensed Brand hotel as of the Effective Date ("Existing Hotel"). The term Existing Hotel also includes any hotel located or to be located within the Restrictive Area that replaces such Existing Hotel under the Licensed Brand.

Restrictive Area as used in this Paragraph 2 means the area located within the following boundaries:

North & West:	**Center line of the Ala Wai Canal**
South:	**High tide line between Ala Wai Canal and Kapahulu Ave.**
East:	**Center line of Kapahulu Ave. between Ala Wai Canal and the Pacific Ocean**

This Restrictive Area is generally outlined on the map attached to, and incorporated by reference into, this Agreement as Exhibit A. Except as may otherwise be specifically provided in this Subparagraph 2.a., the Restrictive Area is from the shore or side of the street currently closest to the Hotel. If there is a conflict between Exhibit A and this narrative description, this description will control.

b. You agree that nothing contained in this Agreement or any laws, prohibits or limits us, Hilton, the Entities or any successors (by purchase, merger, acquisition or otherwise) from (1) engaging in any of the activities relating to Other Businesses under brand names other than the Licensed Brand, (2) constructing, owning, leasing, managing, franchising, licensing, operating or authorizing the operation of any Existing Hotel, and (3) constructing, owning, leasing, managing, franchising, or licensing any hotel other than an Existing Hotel under the Licensed Brand in the Restrictive Area, as long as the subject hotel does not begin operating under the Licensed Brand

until after the expiration of the Restrictive Period. In addition, the restrictions do not apply to (i) areas located anywhere outside the Restrictive Area; (ii) any period after the earlier of the expiration of the Restrictive Period or termination of this Agreement; (iii) any gaming-oriented hotels, facilities, or Other Businesses; (iv) any shared ownership properties commonly known as "vacation ownership" or "time share ownership" or similar real estate properties; or (v) any hotel(s), motel(s), or inn(s) that are part of a chain or group of four (4) or more hotels, motels, or inns that we, Hilton or the Entities, in a single transaction, after the Effective Date own, operate, acquire, lease, manage, franchise, license, or join through a merger, acquisition or marketing agreement (or otherwise), whether under their existing name or the Licensed Brand name or any other name.

You waive and release any claims, demands or damages arising from or related to any of the foregoing activities, and you acknowledge and agree that those activities will not give rise to any liability on our part, including liability for claims for unfair competition, breach of contract, breach of any applicable implied covenant of good faith and fair dealing, or divided loyalty.

c. Trade Name. The Hotel will be initially known by the trade name set forth in the Rider (the "Trade Name"). We may change the Trade Name and/or the Licensed Brand name and/or any of the Marks at any time at our sole discretion, but we will not change the principal name identified in the Rider. You may not change the Trade Name without our specific written consent. You acknowledge and agree that you are not acquiring the right to use any service marks, copyrights, trademarks, logos, designs, insignia, emblems, symbols, slogans, distinguishing characteristics, trade names, domain names or other marks or characteristics owned by the Entities that we do not specifically designate to be used in the System.

INSERT TO ATTACHMENT B – RIDER TO FRANCHISE LICENSE AGREEMENT
FOR EMBASSY SUITES
DEVELOPERS ADVANTAGE PROGRAM ONLY

1. **Monthly Fees - Paragraph 7a.** of the License Agreement is hereby deleted and the following is inserted in its place and stead:

"a. Monthly Fees – Developer's Advantage. Beginning on the Opening Date of your Hotel, you will pay to us for each month (or part of a month, including the final month you operate under this Agreement) the Monthly Royalty Fees as set forth and defined in the Rider and a Monthly Program Fee in the amount of four percent (4%) of the Hotel's Gross Rooms Revenue (as the term is defined more specifically in Subparagraph 7.b. below) for the preceding calendar month. However, during the period from the Opening Date through the end of the first twelve (12) full calendar months after the Opening Date (the **"First Operating Year"),** you may retain one percent (1%) of the Monthly Program Fee, which must be allocated by you toward local advertising, marketing and promotional expenditures for the Hotel **("Local Markets Advertising")**, We will extend this provision during the second operating year only if the Hotel has not met or exceeded an average of one hundred percent (100%) "Yield" during the First Operating Year. For purposes of this provision, Yield will be determined by dividing the Hotel's average Gross Rooms Revenue per available Guest Room into the average gross rooms revenue per available guest room of all hotels in the Hotel's competitive set (as reported by Smith Travel Research) and multiplying by 100 to produce a percentage. You and we must mutually agree upon your competitive set prior to the Opening Date as well as any subsequent changes you may propose. Nothing in this Agreement is to be deemed a representation that the actual market share of the Hotel will meet or exceed one hundred percent (100%). At our request, you will provide us with documentation of Local Markets Advertising expenditures made pursuant to this paragraph. Additionally, all Local Markets Advertising must comply with then-current existing Embassy standards for advertising and comply with Paragraph 6.a.(11) below.

The amount of this Monthly Program Fee is subject to change by us from time to time, provided that any change will be established in the Manual. However, increase in the Monthly Program Fee, if any, will not exceed one percent (1%) of the Hotel's Gross Rooms Revenue in any calendar year, and the cumulative increases in the Monthly Program Fee, during the Term of this Agreement, will not exceed five percent (5%) of Gross Rooms Revenue."

2. **The following new Paragraph 7.g.** is hereby added to the License Agreement as follows:

"g. We acknowledge receipt from you of a non-refundable fee of Seventy-Five Thousand Dollars ($75,000), representing payment of the initial application fee (the **"Initial Fee").** Notwithstanding, that the Initial Fee is non-refundable under the terms of the franchise application that you signed and submitted, we agree to rebate to you fifty percent (50%) of the Initial Fee, or Thirty-Seven Thousand Five Hundred dollars ($37,500.00), without interest, provided that (i) you (or your Affiliate) have entered into a franchise license agreement with us for a second new-build Licensed Brand hotel and have commenced construction of such hotel by October 1, 2007, and (ii) you are then in good standing under this Agreement. You are not obligated to submit, and we are not obligated to approve, any franchise license application that may qualify you to receive this Initial Fee rebate. Any such application will be processed in accordance with our then standard franchise license application processing procedures."

3. **Monthly Royalty Fee of the Rider to Franchise License Agreement** is hereby deleted in its entirety and the following is substituted in its place and stead:

"Monthly Royalty Fee – Developers Advantage: **From the Opening Date of the Hotel, you shall pay a Monthly Royalty Fee representing a percentage of the Gross Rooms Revenue of the Hotel (as defined in Subparagraph 7.b. of the Agreement), in the amounts set forth below:**

Operating Year	Monthly Royalty Fee
Year 1*	Two percent (2%) of Gross Rooms Revenue
Years 2 and 3	Three percent (3%) of Gross Rooms Revenue
Years 4 or more	Four percent (4%) of Gross Rooms Revenue

* through the first twelve (12) full calendar months after the Opening of the Hotel."

4. HHonors Points. The following new Paragraph 7.h is hereby added to the License Agreement as follows:

After the Hotel has Opened, we will award you 1,000,000 Hilton HHonors points, having an estimated cash value of $10,000. HHonors membership, earning and redemption of HHonors points are subject to HHonors program terms and conditions. Federal, state and local taxes, if any, are your sole responsibility. We will furnish you with a 1099 tax form reflecting actual cash value of the 1,000,000 Hilton HHonors points awarded to you.

5. **Additional Support. The following new Paragraph 7.i** is hereby added to the License Agreement as follows:

We will provide you with the following target sales and marketing support if you meet specific milestones before Opening your Hotel:

(a) We will pay you Twenty Five Thousand Dollars ($25,000) towards the first year's salary of your Director of Sales for the Hotel, if the Hotel's Director of Sales is hired and working at least one year before the Hotel's Opening Date (At all times during this period, you will remain the employer of the Director of Sales).

(b) We will waive the initial training fees for the Hotel's general manager if the general manager is hired and working at least one year before the Hotel's Opening Date. We will also waive the initial training fees for the Hotel's Assistant General Manager, Chief Engineer, Executive Housekeeper, Front Office Manager, Food and Beverage Director, Hotel Controller and Director of Human Resources if the people in these positions are hired and working at least 6 months before the Hotel's Opening Date.

(c) If the Hotel starts construction on or before October 1, 2005, or the Licensor-approved extension of that date, if applicable, we will promote the Hotel before it Opens by Hilton-directed pre-opening marketing and public relations support.

(d) If the Hotel Opens on or before April 26, 2007, or the Licensor-approved extension of that date, if applicable, then we will promote the Hotel with two weeks of local spot radio advertising when the Hotel Opens.

Re: American Assets Trust, Inc.
Registration Statement on Form S-11
Filed September 13, 2010
File No. 333-169326

Ladies and Gentlemen:

On behalf of American Assets Trust, Inc. (the "***Company***"), we have electronically transmitted for filing under separate cover, pursuant to Regulation S-T, Amendment No. 1 (the "***Amendment***") to the Company's above-referenced Registration Statement on Form S-11, which was initially filed with the Securities and Exchange Commission (the "***Commission***") on September 13, 2010 (the "***Registration Statement***"). For your convenience, we have enclosed a courtesy package that includes five copies of the Amendment, three of which have been marked to show changes from the initial filing of the Registration Statement on September 13, 2010.

This letter responds to the comments of the staff (the "***Staff***") of the Division of Corporation Finance of the Commission, received by facsimile on October 12, 2010 (the "***Comment Letter***"), with respect to the Registration Statement, and the Amendment has been revised to reflect the Company's responses to the Comment Letter. For ease of review, we have set forth below each of the numbered comments of your letter and the Company's responses thereto. All page numbers and captions in the responses below refer to the Amendment, except as otherwise noted below.

General

1. **Please provide us with copies of any graphics, maps, photographs, and related captions or other artwork including logos that you intend to use in the prospectus. Such graphics and pictorial representations should not be included in any preliminary prospectus distributed to prospective investors prior to our review.**

Response: The Company respectfully advises the Staff that, to the extent the Company intends to use any graphics, maps, photographs or other artwork, it will supplementally provide the Staff with copies of any such materials prior to inclusion in the prospectus.

2. **We note that much of the statistical and economic market data included in your prospectus was derived from market information prepared by Rosen Consulting Group. We further note your disclosure on page i that you paid Rosen Consulting Group a fee of $32,500. Please provide us with copies of the relevant portions of any study, report or book that you cite or on which you rely as well as the sources for the charts presented. Please mark the materials to specifically identify the portions that support your disclosure. To the extent that you rely on other sources not prepared by Rosen Consulting Group, please confirm that the industry reports or studies that you rely on were publicly available and not prepared for you and that you did not compensate the party that prepared these reports or studies. Alternatively, please file consents for the parties providing such data as exhibits to the registration statement.**

Response: The Company is supplementally providing (i) as **Exhibit A** to this letter relevant portions of the Rosen Consulting Group ("**RCG**") report, which have been marked to specifically identify the portions that support the Company's disclosure and (ii) as **Exhibit B** to this letter a copy of STR Global's 2010 STR US Chain Scales report, which has also been marked to identify the portions that support the Company's disclosure. The Company respectfully advises the Staff that it has not relied on other sources not prepared by RCG other than the 2010 STR US Chain Scales report, which is made publicly available without charge by STR Global, an independent hospitality industry research company. To the extent the Company does rely on other sources in the future, it will confirm to the Staff that such industry reports or studies are publicly available and not prepared for the Company and that the Company did not compensate the party that prepared such reports or studies. Alternatively, the Company will file consents for the parties providing such data as exhibits to its Registration Statement.

3. **We note that you intend to elect to be taxed as a REIT and, based on your current disclosure, it appears that less than $375 million of the proceeds of this offering has been allocated to identified uses. As a result, your offering may constitute a "blind-pool" offering. Accordingly, as applicable, please provide the disclosures required by Industry Guide 5 or advise us why this is not appropriate. See Securities Act Release 33-6900.**

Response: In response to the Staff's comment, the Company respectfully submits that its identified uses of proceeds exceed $375 million. As set forth on pages F-7 and F-13 of the prospectus, the Company currently anticipates raising $500 million of gross proceeds in this offering, of which approximately $44 million will be used to pay underwriting discounts and commissions, transaction costs and financing fees, resulting in net proceeds of approximately $456 million. In addition, as set forth on pages 20 and 59, the Company has identified $365.1 million of uses that will come out of such net proceeds. The combination of the $365.1 million of uses set forth in the "Use of Proceeds" section and the $44 million of underwriting discounts and commissions and other expenses results in $409.1 million of identified uses of the anticipated $500 million of gross proceeds of the offering. In addition, the Company respectfully notes that the $365.1 million of identified uses of proceeds set forth in the "Use of Proceeds" section also exceeds 75% of the net offering proceeds of $456 million.

4. **We note your disclosure on page II-1. Please revise your disclosure regarding the formation transactions to include a brief description of the private placement. In addition, please**

provide us with a detailed analysis regarding why the concurrent private placement of your common stock should not be integrated into your current public offering. Please see Securities Act Release No. 33-8828 (Aug. 10, 2007).

Response: In response to the Staff's comment, the Company has revised the disclosure on pages 12, 202 and 218 to include a brief description of the private placement.

With respect to why the concurrent private placement should not be integrated with the Company's public offering, the Company respectfully advises the Staff that the sole participants in the concurrent private placement are Ernest S. Rady, the Company's Executive Chairman, affiliates of Mr. Rady, and the other approximately 55 investors (the "***Private Placement Investors***") that currently hold equity interests, together with Mr. Rady and his affiliates, in predecessor entities of the Company that own, directly or indirectly, the properties that the Company will acquire pursuant to the formation transactions. Since each of Mr. Rady, his affiliates and the Private Placement Investors are contributing these equity interests to the Company in the formation transaction, and Mr. Rady is also an executive officer of the Company, each of Mr. Rady, his affiliates and the Private Placement Investors had a substantive, pre-existing relationship with the Company and these predecessor entities, having co-invested with them in the properties that will comprise the initial portfolio of the Company. Mr. Rady and other members of the Company's senior management, individually and through the predecessor entities of the Company, maintain a line of communication with each of the Private Placement Investors, and no general solicitation of any Private Placement Investor was made in connection with the formation transactions, whether in the form of the Registration Statement or otherwise. In addition, each of Mr. Rady, his affiliates and the Private Placement Investors have been aware of the proposed offering prior to the filing of the Registration Statement, and have entered into contribution or merger agreements, filed as Exhibits 10.9, 10.10 and 10.14 to the Registration Statement, irrevocably committing them to receive either shares of the Company's common stock or units in the operating partnership as consideration for their interests in the applicable entity or entities in which such person holds an interest.

Prior to the filing of the Registration Statement, each Private Placement Investor was provided with a confidential private placement memorandum describing the terms of the formation transactions and the proposed initial public offering, and subsequently consented to either (i) the contribution of its interests in the entity or entities in which it owns an interest to the operating partnership or a wholly owned subsidiary thereof, or (ii) the merger of the entity or entities in which it owns an interest, either with and into the Company or the operating partnership, or with a wholly owned subsidiary of the Company or the operating partnership. In connection with such consent, each Private Placement Investor who satisfied the accredited investor requirements under Regulation D also elected to receive either shares of the Company's common stock or units in the operating partnership as consideration for their interests in the applicable entity. As such, each Private Placement Investor was aware of the proposed public offering prior to the filing of the Registration Statement and made its investment decision based on its substantive, pre-existing relationship with the Company and its predecessor entities. In addition, in connection with the consent process, each Private Placement Investor that will be receiving shares of the Company's common stock or operating partnership units completed an accredited investor questionnaire and certified to the Company that it is an accredited investor as defined in Rule 501 of Regulation D. As a result of the circumstances outlined above the Company believes that the private placement of the Company's securities to Mr. Rady, his affiliates and the Private Placement Investors is permissible and should not be integrated with the registered public offering in accordance with the interpretive guidance regarding the integration of concurrent public and private offerings

issued by the Staff in its Compliance and Disclosure Interpretations—Securities Act Sections, Question 139.25 (the "***CDI***") and in Securities Act Release No. 33-8828 ("***Release 33-8828***").

In Release 33-8828, the Commission confirmed its position that the filing of a registration statement does not, in itself, eliminate a company's ability to engage in a concurrent private offering, whether it is commenced before or after the filing of a registration statement. Specifically, Release 33-8828 provides that:

> the determination as to whether the filing of the registration statement should be considered to be a general solicitation or general advertising that would affect the availability of a Section 4(2) exemption for such a concurrent unregistered offering should be based on a consideration of whether the investors in the private placement were solicited by the registration statement or through some other means that would otherwise not foreclose the availability of the Section 4(2) exemption. This analysis should not focus exclusively on the nature of the investors, such as whether they are "qualified institutional buyers". . .or institutional accredited investors. . . .; instead, companies and their counsel should analyze whether the offering is exempt under Section 4(2) on its own, including whether securities were offered and sold to the private placement investors through the means of a general solicitation in the form of the registration statement. . . . [I]f the prospective private placement investor became interested in the concurrent private placement through some means other than the registration statement that did not involve a general solicitation and otherwise was consistent with Section 4(2), such as through a substantive, pre-existing relationship with the company . . .. , then the prior filing of the registration statement generally would not impact the potential availability of the Section 4(2) exemption for that private placement and the private placement could be conducted while the registration statement for the public offering was on file with the Commission. Release 33-8828, pages 54-56.

The interpretive guidance provided in Release 33-8828 was subsequently confirmed by the Staff in the CDI, where it re-affirmed that, under appropriate circumstances, there can be a side-by-side private offering, under Securities Act Section 4(2) or the Securities Act Rule 506 safe harbor, with a registered public offering without having to limit the private offering to qualified institutional accredited investors, as permitted under the *Black Box Incorporation* (June 26, 1990) and *Squadron, Ellenoff* (February 28, 1992) no-action letters issued by the Division of Corporation Finance, or to a company's key officers and directors, as permitted under the "Macy's" position.

Based on the guidance set forth in Release 33-8828 and the CDI, the Company believes that the Section 4(2) exemption under the Securities Act is available for the concurrent private placement since the Company's common stock and operating partnership units to be issued in the concurrent private placement were not offered by means of a general solicitation, whether in the form of the Registration Statement or otherwise. As described above, the Company, through its predecessor entities, has a substantive, pre-existing relationship with Mr. Rady, his affiliates and each Private Placement Investor and each was directly contacted by the Company pursuant to the private

placement memorandum, which took place outside of the public offering effort. The Company affirms that no Private Placement Investor was identified or contacted through the marketing of the public offering, nor did any of them independently contact the Company as a result of the Registration Statement. Accordingly, the Company cannot be said to have identified or contacted Mr. Rady, his affiliates or the Private Placement Investors through a general solicitation by means of the Registration Statement or otherwise.

As a result of the foregoing, based upon the interpretive guidance provided in Release 33-8828, the Company believes that the concurrent private placement is exempt from Section 4(2) of the Securities Act and should not be integrated with the Company's public offering that is the subject of the Registration Statement.

Cover Page of Prospectus

5. The cover page should contain only information required by Item 501 or that is key information. Please revise accordingly and confirm that the cover page will not exceed one page in length. Refer to Item 501(b) of Regulation S-K.

Response: In response to the Staff's comment, the Company has revised the cover page of the prospectus and confirms that the cover page will not exceed one page in length.

Prospectus Summary, page 1

6. We note your summary is over 25 pages long and contains a lengthy description of your competitive strengths, growth strategies, market opportunity and industry background. Further, we note that identical or very similar disclosure appears later in your prospectus. The summary should not include a lengthy description of the company's business and business strategy. This detailed information is better suited for the body of the prospectus. Please revise to substantially reduce the amount of repetitive disclosure in the summary.

Response: In response to the Staff's comment, the Company has revised the disclosure in the prospectus summary to shorten and streamline the presentation and limit the amount of repetitive disclosure.

Overview, page 1

7. We note your disclosure on page 2 that your multifamily portfolio is comprised of 922 multifamily units and your disclosure on page i that RV spaces are counted as multifamily units. Please revise your disclosure on page 2, and elsewhere as appropriate, to specify the number of RV spaces in your multifamily portfolio.

Response: In response to the Staff's comment, the Company has revised the disclosure on page 2, and elsewhere as appropriate, to specify that the 922 multifamily units in the Company's multifamily portfolio include 122 RV spaces.

Our Competitive Strengths, page 2

8. We note your disclosure that your senior management team has an average of 28 years of experience in the industry and worked with American Assets Inc. for an average of 15 years. Please do not average the experience of your management and revise accordingly.

Please note that this comment also applies to disclosure in your Business section on page 118.

Response: In response to the Staff's comment, the Company has revised the disclosure on pages 2 and 114 to eliminate references to the average length of industry experience of its management team.

9. **We note your disclosure about the prior experience of your management team. To the extent that you continue to include this disclosure, please balance it with a discussion of adverse business developments. Please note that this comment also applies to disclosure found in your Business section on page 118.**

Response: In response to the Staff's comment regarding the Company's disclosure relating to the prior experience of its management team, the Company has added additional disclosure in the "Management" section on pages 186 and 187 which includes a balancing discussion of adverse business developments experienced by American Assets, Inc. since its inception.

Business and Growth Strategies, page 4

10. **Elsewhere in your prospectus, such as your Business section, please discuss in more detail your underwriting process and explain why you believe it is "rigorous."**

Response: In response to the Staff's comment, the Company has revised the disclosure on pages 3 and 118 to eliminate the characterization of its underwriting process as "rigorous" and has revised the disclosure on page 118 to discuss its underwriting process in more detail.

Summary Risk Factors, page 7

11. **Please revise your summary risk factors to more specifically describe each risk presented, including:**

- **Please revise the first bullet point to include your percentage concentration in each geographic area;**
- **Please revise the second bullet to include your leverage percentage and briefly describe any limitations on leverage or state that there are no limitations;**
- **Please revise the third bullet point to identify your significant tenants and the percentage of revenue derived from each significant tenant;**
- **Please clarify in the fifth bullet point the percentage of your revenue derived from leases that expire in the next year;**
- **Please clarify in the ninth bullet point what portion of his time Mr. Rady intends to devote to your business and affairs;**
- **Please clarify in the twelfth bullet point the percentage ownership of Mr. Rady and his affiliates in your company following this offering; and**

- **Please include disclosure regarding the risk that (i) you did not conduct arms-length negotiations with Mr. Rady, (ii) you have not obtained any third party appraisals and (iii) the price you will pay to Mr. Rady and prior investors may exceed the fair market value of the properties.**

Response: In response to the Staff's comment, the Company has revised the referenced summary risk factors, as well as several other summary risk factors, under the caption "Prospectus Summary—Summary Risk Factors" beginning on page 5 in order to more specifically describe each risk presented, as requested and, as appropriate, has made similar revisions to the corresponding risk factors under the caption "Risk Factors" beginning on page 25.

In addition, the Company has included under the caption "Prospectus Summary—Summary Risk Factors" beginning on page 5 a summary risk factor disclosing that (i) it did not conduct arms-length negotiations with Mr. Rady, (ii) it has not obtained any third party appraisals and (iii) the value of the common units and shares of its common stock to be issued as consideration for the properties and assets to be acquired in the formation transactions may exceed their aggregate fair market value and exceed their aggregate historical combined net tangible book value. The Company also has made revisions to the risk factor under the heading "*The value of the common units and shares of our common stock to be issued as consideration for the properties and assets to be acquired by us in the formation transactions may exceed their aggregate fair market value and exceed their aggregate historical combined net tangible book value. . .*" on page 36 to more specifically describe the risk presented in such risk factor.

Our Properties, page 9

12. We note that you have included your 25% ownership of Fireman's Fund Headquarters in your property table. Please revise to separately present your joint venture property.

Response: The Company respectfully advises the Staff that it has determined not to include the Predecessor's 25% ownership interest in Fireman's Fund Headquarters in the formation transactions and, therefore, Fireman's Fund Headquarters will not be included in the Company's initial portfolio. As such, the Company has removed all references to Fireman's Fund Headquarters as a component of its initial portfolio from the property table and elsewhere throughout the prospectus.

13. We note the extensive use of footnotes following the table on page 9. Please revise to limit the use of footnotes by providing the disclosure in the narrative section preceding the chart or some other manner.

Response: In response to the Staff's comments, the Company has revised the property table and its related footnotes on pages 7, 8 and 9 and on pages 119, 120, and 121 to limit the use of footnotes by moving the substance of many of the footnotes to the property table into a narrative section following the table.

14. Please refer to the multifamily portfolio portion of your property table and footnote 24. Please explain to us how average monthly base rent per lease unit is the substantive equivalent of net effective rent per unit or revise your table to include net effective rent per leased unit for your multifamily portfolio. Please note that this comment also applies to your portfolio table on pages 123-125.

Response: In response to the Staff's comment, the Company respectfully advises the Staff that the leases in the multifamily portfolio generally have lease terms ranging from 7 to 15 months, with rental rates staying flat during the term of such leases. As the difference between average monthly base rent and net effective rent would be the result of increases or decreases in rent over time and there are no changes in the rental rates during the terms of the leases, in this instance, monthly base rent per leased unit is substantively equivalent to net effective rent per leased unit. In addition, the Company respectfully notes that, since none of the multifamily properties are significant properties as defined by Item 14 of Form S-11, disclosure of net effective rent per leased unit is not required pursuant to Item 15 of Form S-11.

Structure and Formation of Our Company, page 12

15. We note your disclosure on page 14 that you will issue to the prior investors a certain number of shares of your common stock and common units and that you will pay cash to those prior investors that are unaccredited. Please revise to (i) identify those prior investors, (ii) explain what you mean by "unaccredited" and (iii) briefly explain why you are paying cash to the unaccredited investors.

Response: In response to the Staff's comment, the Company has revised the disclosure throughout the Registration Statement to refer to "non-accredited" investors, rather than "unaccredited" investors, and has revised the disclosure on pages 12 and 219 to explain what it means by "non-accredited" and to briefly explain why it is paying cash to the non-accredited investors. With respect to identifying the prior investors, the Company respectfully advises the Staff that, in addition to Messrs. Rady, Chamberlain and Barton and their respective affiliates, there are approximately 55 other prior investors, none of whom will have any influence or control over the management of the Company, other than in their capacity as holders of relatively small amounts of the Company's securities. Assuming that the Company issues $500 million of its common stock in its initial public offering and that the offering price per share of the Company's common stock in such offering implies a valuation of $2.0 billion to its initial portfolio, Messrs. Rady, Chamberlain and Barton and their respective affiliates will collectively own approximately 37% of the Company on a fully diluted bases and no other prior investor will own in excess of approximately 1.6% of the Company on a fully diluted basis. Given the large number of these other prior investors, the immateriality of their investment in the Company and their lack or influence or control over the management of the Company, the Company respectfully suggests that the identities of these other prior investors is not material to the investment decision of investors in the Company's initial public offering. Furthermore, the Company believes that the inclusion of this additional immaterial information could detract investors from focusing on the material information that the Company is attempting to communicate regarding its structure and the formation transactions.

16. Please revise to aggregate the amount of common stock, common units and cash that each prior investor, including Mr. Rady and his affiliates, will receive as a result of this offering and the formation transactions. In this regard, we note that Mr. Rady and prior investors will receive amounts from notes payable as well as the excess of net working capital.

Response: In response to the Staff's comment, the Company has revised its disclosure on pages 6, 221 and 222 to include the aggregate cash consideration to be received in connection with the formation transactions by each of Mr. Rady and his affiliates, Mr. Chamberlain and his affiliates and Mr. Barton his affiliates. In addition, the Company respectfully notes that on pages 6, 221 and 222 of the prospectus it will be disclosing the aggregate amount and value of the

shares of common stock and common units to be received by each of Mr. Rady and his affiliates, Mr. Chamberlain and his affiliates and Mr. Barton and his affiliates. With respect to including similar disclosure relating to each of the other prior investors, in addition to the relatively immaterial equity ownership of the other prior investor as set forth in response to comment 15 above, the Company respectfully advises the Staff that the total amount of cash payable to unaccredited investors, which will be disclosed on page 20 and 59 of the prospectus, is expected to be approximately $4.4 million, assuming that the Company issues $500 million of its common stock in its initial public offering and that the offering price per share of the Company's common stock implies a valuation of $2.0 billion to its initial portfolio. For this reason and for the reasons set forth in its response to comment 15 above, the Company respectfully submits that, in its view, the aggregate amounts of common stock, common units and cash payable to the individual prior investors (other than Messrs. Rady, Chamberlain and Barton and their respective affiliates) is not material to the investment decision of investors in the Company's initial public offering and that the inclusion of this additional immaterial information could detract investors from focusing on the material information the Company is attempting to communicate regarding the formation transactions and the interests of its senior management in the formation transactions.

17. **We note that no third party appraisals were obtained in connection with the formation transactions. Please revise your disclosure to specifically describe how you determined the value of each of the properties.**

Response: In response to the Staff's comment, the Company has included additional disclosure on pages 11, 202, 203 and 218 to describe better how the value of each of the properties will be determined based on a relative equity valuation analysis.

18. **We note that you intend to use $24.3 million of the net proceeds of this offering to pay applicable prepayment costs, exit fees and defeasance costs associated with the outstanding indebtedness you intend to repay and that you expect to have approximately $924.1 million of indebtedness including your pro rata share of joint venture debt following this offering. Please describe, in this section or elsewhere as appropriate, how you determined the indebtedness to be repaid with the proceeds of this offering.**

Response: In response to the Staff's comment, the Company has revised the disclosure on pages 13 and 220 to describe how the Company determined the indebtedness to be repaid with the proceeds of this offering.

Our Structure, page 19

19. **Please include your services company, American Assets Trust Services, Inc., in your organization chart.**

Response: In response to the Staff's comment, the Company has included its services company, American Assets Trust Services, Inc., in its organization chart on pages 16 and 225.

20. **Please revise to identify the affiliates of Ernest Rady as well as the other prior investors in your organization chart.**

Response: The Company has included the affiliates of Ernest Rady, John Chamberlain and Robert Barton in footnote 3 of the organization charts on pages 16 and 225. As discussed in response to comments 15 and 16 above, the Company does not believe that the identities of the individual other prior investors would be material to the investment decisions of investors in the Company's initial public offering and that the identification of each individual other prior investor in this organization chart would be distracting, given the number of such prior investors, and could detract investors in the Company's initial public offering from focusing on material information regarding the ownership interests of the Company's senior management, which the Company is attempting to communicate in its organization chart. As such, the Company respectfully suggests that it should not be required to provide the identities of its other prior investors in its organization chart.

Risk Factors, page 28

21. We note that several risk factor subheadings merely state general facts about your business. For example, we note the following subheadings:

- **"We depend on significant tenants in our office properties," page 29;**
- **"We may be unable to renew leases, lease vacant space or re-let space as leases expire," page 30;**
- **"Our future acquisitions may not yield the returns we expect," page 32;**
- **"Our proposed revolving credit facility will restrict our ability to engage in some business activities," page 34;**
- **"We are subject to risks that affect the general retail environment," page 35;**
- **"We are subject to the business, financial and operating risks inherent in the hospitality industry," page 37;**
- **"Our real estate development activities are subject to risks particular to development," page 39;**
- **"Our performance and value are subject to risks associated with real estate assets. . .," page 43;**
- **"We may assume unknown liabilities in connection with our formation transactions," page 48;**
- **"Tax protection agreements could limit our abilities to sell .," page 50;**
- **"Legislative or other actions affecting REITs could have a negative effect on us," page 56; and**
- **"Market interest rates may have an effect on the value of our common stock."**

Please revise throughout as necessary to identify briefly in your subheadings the specific risks to you that result from the noted facts or uncertainties, and then elucidate as needed to

provide details regarding each risk. Potential investors should be able to read a risk factor subheading and understand the risk as it specifically applies to you.

Response: In response to the Staff's comment, the Company has revised the referenced risk factor subheadings, as well as other risk factor subheadings under the caption "Risk Factors" beginning on page 25, in order to identify the specific risks arising from the facts or uncertainties noted in the corresponding risk factor, and has provided additional details regarding certain revised risk factors, as necessary.

22. **You should present as risk factors only those factors that represent a material risk to investors in this offering. Do not include risk factors that could apply to any issuer or to any other offering. Several of your risk factors seem to fit into this category and you should revise to cite a particular risk. For example only, we note the following risk factors:**

- **"Potential losses, including from adverse weather conditions, natural disasters and title claims, may not be covered by insurance," page 41;**

Response: In response to the Staff's comment, the Company has revised the referenced risk factor as requested to focus more specifically on the material risk to investors in this offering, namely, that potential losses from earthquakes in the Company's largest markets, California and Hawaii, may not be covered by insurance.

- **"If we fail to maintain an effective system of integrated internal controls . . . ," page 42;**

Response: In response to the Staff's comment, the Company has deleted the referenced risk factor as it presented a risk that applies to issuers generally rather than to the Company specifically.

- **We could incur significant costs related to government regulation and litigation . . .," page 45; and**

Response: In response to the Staff's comment, the Company has revised the referenced risk factor as requested to focus more specifically on the material risks to investors in this offering, namely, that as an owner of commercial real estate the Company could face significant costs and liabilities related to environmental compliance and that one of the Company's properties is subject to an ongoing environmental remediation.

- **"Our rights and the rights of our stockholders to take action against our directors and officers are limited," page 52.**

Response: In response to the Staff's comment, the Company has revised the referenced risk factor as requested to focus more specifically on the material risks to investors in this offering, namely, that, since the Company's charter eliminates certain liability of its directors and officers, the Company and its stockholders may have more limited rights against its directors and officers than might otherwise exist.

Risks Related to Our Business and Operations, page 28

Our portfolio of properties is dependent upon regional and local economic conditions and is geographically concentrated . . .,, page 28

23. Risk factor disclosure should be detailed enough so that investors can understand the potential magnitude of the risk. Please revise this risk factor to explicitly identify and describe how your operations have been effected by its geographic concentration and dependence.

Response: In response to the Staff's comment, the Company has revised the referenced risk factor to enhance its disclosure of the potential magnitude of the risks posed by owning a real estate portfolio that is geographically concentrated in California and Hawaii. Specifically, the Company has included specific examples of recent developments and conditions in California and Hawaii that have adversely affected the Company's operations as a result of the Company's geographic concentration in such markets.

Our retail shopping center properties depend on anchor stores . . .,, page 30

24. Each risk factor should contain a single, discrete risk. This risk factor appears to discuss the risk associated with anchor tenants and certain lease provisions, which appear to be separate risks. Please revise to present each risk separately.

Response: In response to the Staff's comment, the Company has separated the referenced risk factor into two new risk factors—one, the risk factor under heading "*Our retail shopping center properties depend on anchor stores . . .*" on page 27, focused on the risks posed by the Company's dependence on anchor and major tenants at its retail properties, and the other, the risk factor under heading "*Many of the leases at our retail properties. . .*" on page 27, focused on the risks posed by certain "co-tenancy" provisions contained in certain of the Company's retail leases—in order to ensure that each risk factor contains a single, discrete risk.

Risks Related to Our Status as a REIT, page 53

We may be unable to make distributions at expected levels, and we may be required to borrow funds . . . , page 57

25. Refer to the comment above. This risk factor also appears to present multiple risks and should be revised to present each risk separately.

Response: In response to the Staff's comment, the Company has separated the referenced risk factor into two new risk factors—one, the risk factor under heading "*We may be unable to make distributions at expected levels. . . .*" on page 53, focused on the Company's ability to make distributions at expected levels, and the other, the risk factor under heading "*Some of our distributions may include a return of capital . . .*" on page 54, focused on risks posed by the potential tax treatment of certain distributions—in order to ensure that each risk factor contains a single, discrete risk.

Distribution Policy, page 64

26. Please revise to clarify whether you are permitted to use common stock to make any portion of your distribution payments.

Response: In response to the Staff's comment, the Company has revised the disclosure on pages 19 and 61 to clarify that the Company will be permitted to use its common stock to make distribution payments. In addition, given this possibility, the Company has included a cross

reference to the risk factor entitled "*We may in the future choose to pay dividends in shares of our common stock, in which case you may be required to pay tax in excess of the cash you receive*" so that investors understand the implication of any such potential distributions in stock.

27. Please refer to footnote (1) on page 66, and notes (G) and (HH) on pages F-13 and F-18, respectively. We note the pro forma amounts give effect to a revolving credit facility you anticipate entering into. Please clarify whether this assumption is based on a firm commitment from a lender. If not, explain how this assumption is factually supportable.

Response: In response to the Staff's comment, the Company respectfully advises the Staff that although it does not have firm commitments from lenders at this time, it is in the process of negotiating the revolving credit facility with Wells Fargo Securities, LLC and Bank of America Securities LLC and further assures the Staff that it will have a firm commitment from lenders prior to effectiveness of the registration statement.

28. In footnote (6) it appears that you have not reflected decreases for lease expirations in which a tenant has entered into a month-to-month lease. Since month-to-month leases are generally cancelable at any time, it does not appear that you have a reasonable basis to assume the continuation of month-to-month leases for a full year. Unless you have entered into a renewal lease, please revise your distribution table to reflect the decreases due to lease expirations for month-to-month leases.

Response: In response to the Staff's comment, the Company respectfully advises the Staff that it has six month-to-month leases, which were initiated in 2002, 2003, 2004, 2004, 2008 and 2010. Each of these tenants is current on its payments and none of them has indicated an intention to terminate its lease within the next 12 months, nor is the Company is aware of any such intention by any of these tenants. The Company respectfully believes that for those of its tenants who have maintained month-to-month leases for greater than 60 months, given their extended tenure as month-to-month tenants, it is reasonable for the Company to anticipate that these tenants will continue their tenancies for the next 12 months. The Company has revised the disclosure in footnote 4 on page 64 to reflect that the Company assumes no month-to-month lease renewals, other than with respect to month-to-month leases that have been in place for more than 60 months.

Capitalization, page 69

29. Please revise the capitalization table to include a column that presents the pro forma amounts before the offering.

Response: In response to the Staff's comment, the Company has revised the capitalization table to include a column that presents the pro forma amounts before the offering.

Dilution, page 70

30. Please revise the dilution table to disclose the increase in pro forma net tangible book value per share attributable to the offering separate from the effect of the formation transactions.

Response: In response to the Staff's comment, the Company has revised the dilution table to disclose the increase in pro forma net tangible book value per share attributable to the offering separate from the effect of the formation transactions.

Hospitality, page 115

31. Please disclose the meaning of "upscale" and "upper upscale" in plain English and explain what you mean by your statement on page 115 that "hotels in Hawaii are expected to react in a similar fashion" and the basis for it.

Response: In response to the Staff's comment, the Company has revised the disclosure on page 111 to explain what it means by "upscale" and "upper upscale" and has deleted the statement that "hotels in Hawaii are expected to react in a similar fashion."

Business and Properties, page 117

Overview, page 117

32. Please revise to provide an aggregate schedule of the lease expirations. In addition, please provide the occupancy data as well as the average effective annual rent per square foot associated with your mixed-use and multifamily portfolios for each of the last five years. Refer to Item 15 of Form S-11.

Response: In response to the Staff's comment, the Company has included an aggregate schedule of lease expirations for its retail portfolio, office portfolio and the retail portion of its mixed-use portfolio beginning on page 122, each of which use the same property-level data (including annualized base rent and annualized base rent per leased square foot) and, thus, can be presented on an aggregate basis. The Company has excluded the multifamily portfolio and the hotel portion of the mixed-use property from this schedule as it believes that inclusion would not provide useful information to investors. In particular, the multifamily portfolio is not included in this schedule since the multifamily unit leases, as described on page 173, generally have lease terms ranging from 7 to 15 months, with a majority having 12-month lease terms. The hotel portion of the mixed-use portfolio also is not included in this schedule because the rooms are rented on a nightly basis and, therefore, lease expiration information would be meaningless.

In response to the Staff's comment, beginning on page 174, the Company has also included occupancy data as well as average monthly base rent data for each of the properties in its multifamily portfolio for each of the last five years. Further, the Company respectfully advises the Staff that occupancy data as well as the average effective annual rent per square foot for the retail portion of its mixed-use property for each of the last five years is provided on page 171. However, as the hotel rents rooms on a nightly basis, the Company does not believe such information would be useful to investors with respect to the hotel portion of its mixed-use property. In addition, the Company respectfully notes that, since none of the properties in either the mixed-use portfolio or the multifamily portfolio are significant properties as defined by Item 14 of Form S-11, such disclosure is not required pursuant to Item 15 of Form S-11.

33. We note your reference to your Waikiki Beach Walk property, which consists of retail space and a 369-room all-suite hotel. According to Waikiki Beach Walk's website, www.waikikibeachwalk.com, which is maintained by Outrigger Hotels Hawaii, there are four hotels included in the Waikiki Beach Walk property. Please revise to clarify which hotel you own and identify the franchisor.

Response: In response to the Staff's comment, the Company has revised its disclosure on page 168 and elsewhere in the Registration Statement, as appropriate, to clarify that its hotel property

is the Embassy Suites™ located at the Waikiki Beach Walk property and that this hotel is operated under a Franchise License Agreement with Promus Hotels, Inc., as the licensor.

Our Portfolio, page 123

34. We note that throughout this section you do not disclose rental data for one of your tenants, Old Navy. Please provide this information in your amendment.

Response: In response to the Staff's comment, the Company respectfully advises the Staff that the terms of the Company's lease agreement with Old Navy prohibit the Company, subject to certain limited exceptions, from disclosing lease terms without its tenant's consent, and that its tenant has not consented to the disclosure of certain financial terms and the renewal options. In addition, the Company respectfully suggests that because Old Navy does not occupy ten percent or more of the rentable square footage of a significant property, disclosure of the rental data is not required by Item 15 of Form S-11.

Legal Proceedings, page 187

35. Please provide the information required by Item 103 of Regulation S-K with respect to the legal proceedings you have disclosed.

Response: In response to the Staff's comment, the Company respectfully advises the Staff that the legal proceedings it has disclosed fall outside the scope of Item 103 of Regulation S-K and for this reason additional disclosure is not required.

Item 103 of Regulation S-K requires the description of any material legal proceedings, other than ordinary routine litigation incidental to the business, to which the registrant or any of its subsidiaries is a party or of which any of their property is the subject. The Company respectfully notes that neither the Company nor any of its subsidiaries is a party to any of the litigation disclosed. With respect to the legal proceedings other than the litigation to which American Assets, Inc., the Rady Trust and Mr. Rady are a party (the "***American Assets, Inc. Litigation***"), which are referenced by the Company but not specifically identified in its disclosure, the Company respectfully advises the Staff that these matters constitute ordinary course litigation incidental to the operation of certain of the ownership entity's commercial real estate business and that none of these proceedings involves a claim for relief which would be material to the Company.

Although the Company does not believe that Item 103 disclosure is required with respect to the American Assets Litigation, it has nevertheless revised its disclosure on page 183 to provide disclosure consistent with the requirements of Item 103 of Regulation S-K with respect to these proceedings in the interest of providing full disclosure of litigation involving Mr. Rady, who will be the Executive Chairman of the Company and its largest stockholder.

36. We note your statement on page 187 that to the extent these plaintiffs were prior investors, they have consented to the formation transactions. Please revise your disclosure to identify the prior investors, explain what you mean by the statement, clarify how the prior investors gave consent and discuss, as appropriate in the risk factor section, how these claims could impact your business.

Response: In response to the Staff's Comment, as discussed above, the Company has revised its disclosure on page 183 to disclose that the prior investors described are direct or indirect stockholders of American Assets, Inc. and to clarify how the prior investors gave their consent. 42. We note your disclosure that the Controlled Entities are under common control of Ernest Rady, and/or his affiliates, including the Rady Trust. Please clarify how you determined the entities were under common control especially in situations where an affiliate may hold the controlling interest. Supplementally identify the controlling party and explain the type and percentage interests held in each entity. As it relates to the trust, please tell us the structure of the trust, the powers held by the trustee in terms of their discretion in voting the trust's shares, whether the trustee may be removed at will and whether the trust was set up in contemplation of the offering.

Response: In response to the Staff's comment, the Company advises the Staff that Mr. Rady, through the Rady Trust and his ownership interest in entities in which either Mr. Rady or the Rady Trust is the managing member or general partner, has a 50.1% or more direct or indirect ownership interest in all of the Controlled Entities. See attached **Exhibit E** for a summary of Mr. Rady's percentage ownership of the Controlled Entities. With respect to the Rady Trust, Mr. Rady has voting control over securities held by the trust and the power to dispose of the trust's assets. With respect to those entities in which either Mr. Rady or the Rady Trust is the managing member or the general partner, in his, or its, capacity as managing member or general partner, either Mr. Rady or the Rady Trust has the power to vote the securities held by such entities and dispose of their assets. In addition, with respect to those entities in which either Mr. Rady or the Rady Trust is the managing member or general partner, the non-managing members and limited partners, as applicable, of such entities do not have the ability to remove the managing member or general partner, as applicable.

With respect to the Rady Trust, the Company further advises the Staff that the trust is a revocable trust established by Mr. Rady and his wife, of which Mr. Rady is the trustee. The trust does not allow for the removal of Mr. Rady as the trustee at will. The Company further advises the Staff that the trust was established in March of 1983 and not in contemplation of this offering.

45. We note that you plan to have a distribution to existing investors equal to the positive working capital balance. Please tell us how you considered the guidance in SAB Topic 1B.3.

Response: In response to the Staff's comment, the Company advises the Staff that it considered the guidance in SAB Topic 1B.3 which provides that (i) dividends declared by a subsidiary should either be given retroactive effect in the balance sheet with appropriate footnote disclosure, or reflected in a pro forma balance sheet and (ii) when dividends are to be paid from the proceeds of the offering, it is appropriate to include pro forma per share data (for the latest year and interim period only) giving effect to the number of shares whose proceeds were to be used to pay the dividend. Based on the this guidance, the Company determined to reflect the planned distribution in the pro forma balance sheet in accordance with the guidance in SAB Topic 1B.3. As excess net working capital from the ownership entities, and not proceeds from the offering, will be used to pay the dividend, the Company did not include pro forma per share data giving effect to the number of shares whose proceeds were to be used to pay the dividend. The Company further advises the Staff that when presenting pro forma per share data in subsequent amendments, it will again consider the guidance in SAB Topic 1B.3.

46. For your below market leases, please tell us how you factored any fixed rate renewal options into the calculation of the fair value of below market leases acquired and the period over which it is amortized.

Response: In response to the Staff's comment, the Company advises the Staff that, for below market leases with fixed rate renewal options, where the Company concluded that it was probable that the option would be exercised by the tenant and the liability would be amortized over the expected lease period, it included the extended lease period in the calculation of the below market lease intangible where it was material.

48. We note that you have a management agreement for your Waikiki Beach Walk™ property. Please explain why you have not filed the agreement as a material contract pursuant to Item 601(b)(10) of Regulation S-K.

Response: In response to the Staff's comment, the Company has filed a copy of the management agreements for its Waikiki Beach Walk property as Exhibits 10.40 and 10.41 to its Registration Statement.

49. Refer to the material contracts filed as exhibits 10.8, 10.9, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15, 10.16, 10.19 and 10.27 to your registration statement. We note that contracts, as filed, appear to omit schedules and exhibits to the contracts. Item 601(b)(10) of Regulation S-K requires you to file all material contracts in their entirety. Please file the complete contracts with your amendment.

Response: In response to the Staff's comment, the Company has filed complete copies of each of exhibits 10.9, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15, 10.16 and 10.19, including all schedules and exhibits. With respect to Exhibit 10.8, the Company respectfully advises the Staff that this is a "form of" agreement that has not yet been executed and, as such, its schedules have not yet been finalized. With respect to former Exhibit 10.27, the Company respectfully advises the Staff that as the Fireman's Fund Headquarters will not be included in the Company's initial portfolio, this loan agreement will not be assumed by the Company. Accordingly, this loan agreement has been removed from the exhibits to the Company's Registration Statement because it is not a material contract of the Company.
