## American Assets Trust, Inc. Reports First Quarter 2026 Financial Results

**SAN DIEGO, California - 4/28/2026** - American Assets Trust, Inc. (NYSE: AAT) (the “company”) today reported financial results for its first quarter ended March 31, 2026.

### First Quarter Highlights

- Net income available to common stockholders of \$5.1 million for the first quarter, or \$0.08 per diluted share.
- FFO of \$0.51 per diluted share for the first quarter, compared to \$0.52 per diluted share for the same period in 2025.
- Same-store cash Net Operating Income (“NOI”) remained flat for the first quarter, compared to the same period in 2025.
- Leased 237,000 of office square feet, of which approximately 108,000 is comparable at an average straight-line basis and cash-basis contractual rent increase of 10.6% and 4.8%, respectively, during the first quarter.
- Leased 39,000 of retail square feet, of which approximately 38,000 is comparable at an average straight-line basis increase of 1.3% and cash-basis contractual rent decrease of 2.0%, respectively, during the first quarter.

### Amended and Restated Credit Facility

- On April 1, 2026, the credit facility was amended and restated to, among other things, increase the borrowing capacity to \$600 million, consisting of a \$500 million revolving line of credit and a \$100 million term loan, and extend the maturity date to April 1, 2030.

### Financial Results

*(Unaudited, amounts in thousands, except per share data)*

	Three Months Ended March 31,	
	2026	2025
Net income	\$ 6,739	\$ 54,107
Basic and diluted income attributable to common stockholders per share	\$ 0.08	\$ 0.70
FFO attributable to common stock and common units	\$ 38,834	\$ 39,945
FFO per diluted share and unit	\$ 0.51	\$ 0.52

Net income attributable to common stockholders decreased \$47.4 million for the three months ended March 31, 2026 compared to the same period in 2025, primarily driven by the gain on sale of Del Monte Center recognized in 2025, higher interest expense as we stopped capitalizing interest related to La Jolla Commons III being placed into service, decrease in occupancy at First & Main and overall increase in rental expenses across all segments.

FFO decreased \$1.1 million for the three months ended March 31, 2026 compared to the same period in 2025, primarily due to the items described above. Gain on sale of Del Monte Center is excluded from FFO computations.

FFO is a non-GAAP supplemental earnings measure which the company considers meaningful in measuring its operating performance. A reconciliation of net income to FFO is attached to this press release.

## Leasing

The portfolio leased status as of the end of the indicated quarter was as follows:

	March 31, 2026	December 31, 2025	March 31, 2025
<b>Total Portfolio</b>			
Office	84.5%	83.1%	85.5%

Reported results are preliminary and not final until the filing of the company's Form 10-Q with the Securities and Exchange Commission and, therefore, remain subject to adjustment.

## **Use of Non-GAAP Information**

### Funds from Operations

The company calculates FFO in accordance with the standards established by the National Association of Real Estate Investment Trusts ("NAREIT"). FFO represents net income (computed in accordance with GAAP), excluding gains (or losses) from sales of depreciable operating property, impairment losses, real estate related depreciation and amortization (excluding amortization of deferred financing costs) and after adjustments for unconsolidated partnerships and joint ventures.

FFO is a supplemental non-GAAP financial measure. Management uses FFO as a supplemental performance measure because it believes that FFO is beneficial to investors as a starting point in measuring the company's operational performance. Specifically, in excluding real estate related depreciation and amortization and gains and losses from property dispositions, which do not relate to or are not indicative of operating performance, FFO provides a performance measure that, when compared year-over-year, captures trends in occupancy rates, rental rates and operating costs. The company also believes that, as a widely recognized measure of the performance of REITs, FFO will be used by investors as a basis to compare the company's operating performance with that of other REITs. However, because FFO excludes depreciation and amortization and captures neither the changes in the value of the company's properties that result from use or market conditions nor the level of capital expenditures and leasing commissions necessary to maintain the operating performance of the company's properties, all of which have real economic effects and could materially impact the company's results from operations, the utility of FFO as a measure of the company's performance is limited. In addition, other equity REITs may not calculate FFO in accordance with the NAREIT definition as the company does, and, accordingly, the company's FFO may not be comparable to such other REITs' FFO. Accordingly, FFO should be considered only as a supplement to net income as a measure of the company's performance. FFO should not be used as a measure of the company's liquidity, nor is it indicative of funds available to fund the company's cash needs, including the company's ability to pay dividends or service indebtedness. FFO also should not be used as a supplement to or substitute for cash flow from operating activities computed in accordance with GAAP.

### Cash Net Operating Income

The company uses NOI internally to evaluate and compare the operating performance of the company's properties. The company believes cash NOI provides useful information to investors regarding the company's financial condition and results of operations because it reflects only those income and expense items that are incurred at the property level, and when compared across periods, can be used to determine trends in earnings of the company's properties as this measure is not affected by (1) the non-cash revenue and expense recognition items, (2) the cost of funds of the property owner, (3) the impact of depreciation and amortization expenses as well as gains or losses from the sale of operating real estate assets that are included in net income computed in accordance with GAAP or (4) general and administrative expenses and other gains and losses that are specific to the property owner. The company believes the exclusion of these items from net income is useful because the resulting measure captures the actual revenue generated and actual expenses incurred in operating the company's properties as well as trends in occupancy rates, rental rates and operating costs. Cash NOI is a measure of the operating performance of the company's properties but does not measure the company's performance as a whole. Cash NOI is therefore not a substitute for net income as computed in accordance with GAAP.

Cash NOI is a non-GAAP financial measure of performance. The company defines cash NOI as operating revenues (rental income, tenant reimbursements (other than tenant improvement reimbursements), ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance), adjusted for non-cash revenue and operating expense items such as straight-line rent, amortization of lease intangibles, amortization of lease incentives and other adjustments. Cash NOI also excludes lease termination fees, tenant improvement reimbursements, general and administrative expenses, depreciation and amortization, interest expense, other nonproperty income and losses, acquisition-related expense, gains and losses from property dispositions, extraordinary items, tenant improvements, and leasing commissions. Other REITs may use different methodologies for calculating cash NOI, and accordingly, the company's cash NOI may not be comparable to the cash NOIs of other REITs.

**Forward Looking Statements**

This press release may contain forward-looking statements within the meaning of the federal securities laws, which are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "may," "will," "should," "expects," "intends," "plans," "anticipates," "believes," "estimates," "predicts," or "potential" or the negative of these words and phrases or similar words or phrases which are predictions of or indicate future events or trends and which do not relate solely to historical matters. The following factors, among others, could cause actual results and future events to differ materially from those set forth or contemplated in the forward-looking statements: adverse economic or real estate developments in our markets; defaults on, early terminations of or non-renewal of leases by tenants, including significant tenants; decreased rental rates or increased vacancy rates; our failure to generate sufficient cash flows to service our outstanding indebtedness; fluctuations in interest rates and increased operating costs; our failure to obtain necessary outside financing; our inability to develop or redevelop our properties due to market conditions; investment returns from our developed properties may be less than anticipated; general economic conditions, including the impact of tariffs and other trade restrictions; the potential impact of a prolonged government shutdown; financial market fluctuations; risks that affect the general office, retail, multifamily and mixed-use environment; the competitive environment in which we operate; system failures or security incidents through cyberattacks; the impact of epidemics, pandemics, or other outbreaks of illness, disease or virus and the actions taken by government authorities and others related thereto, including the ability of our company, our properties and our tenants to operate; difficulties in identifying properties to acquire and completing acquisitions; our failure to successfully operate acquired properties and operations; risks related to joint venture arrangements; potential litigation; difficulties in completing dispositions; conflicts of interests with our officers or directors; lack or insufficient amounts of insurance; environmental uncertainties and risks related to adverse weather conditions and natural disasters; other factors affecting the real estate industry generally; limitations imposed on our business and our ability to satisfy complex rules in order for American Assets Trust, Inc. to continue to qualify as a REIT, for U.S. federal income tax purposes; and changes in governmental regulations or interpretations thereof, such as real estate and zoning laws and increases in real property tax rates and taxation of REITs. While forward-looking statements reflect the company's good faith beliefs, assumptions and expectations, they are not guarantees of future performance. For a further discussion of these and other factors that could cause the company's future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in the company's most recent annual report on Form 10-K, and other risks described in documents subsequently filed by the company from time to time with the Securities and Exchange Commission. The company disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes.

This Supplemental Information contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 (set forth in Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act). Forward-looking statements involve numerous risks and uncertainties and you should not rely on them as predictions of future events. Forward-looking statements depend on assumptions, data or methods which may be incorrect or imprecise and we may not be able to realize them. We do not guarantee that the transactions and events described will happen as described (or that they will happen at all). The following factors, among others, could cause actual results and future events to differ materially from those set forth or contemplated in the forward-looking statements: adverse economic or real estate developments in our markets; defaults on, early terminations of or non-renewal of leases by tenants, including significant tenants; decreased rental rates or increased vacancy rates; our failure to generate sufficient cash flows to service our outstanding indebtedness; fluctuations in interest rates and increased operating costs; our failure to obtain necessary outside financing; our inability to develop or redevelop our properties due to market conditions; investment returns from our developed properties may be less than anticipated; general economic conditions, including the impact of tariffs and other trade restrictions; the potential impact of a prolonged government shutdown; financial market fluctuations; risks that affect the general office, retail, multifamily and mixed-use environment; the competitive environment in which we operate; system failures or security incidents through cyberattacks; the impact of epidemics, pandemics, or other outbreaks of illness, disease or virus and the actions taken by government authorities and others related thereto, including the ability of our company, our properties and our tenants to operate; difficulties in identifying properties to acquire and completing acquisitions; our failure to successfully operate acquired properties and operations; risks related to joint venture arrangements; potential litigation; difficulties in completing dispositions; conflicts of interests with our officers or directors; lack or insufficient amounts of insurance; environmental uncertainties and risks related to adverse weather conditions and natural disasters; other factors affecting the real estate industry generally; limitations imposed on our business and our ability to satisfy complex rules in order for American Assets Trust, Inc. to continue to qualify as a REIT, for U.S. federal income tax purposes; and changes in governmental regulations or interpretations thereof, such as real estate and zoning laws and increases in real property tax rates and taxation of REITs.

While forward-looking statements reflect our good faith beliefs, they are not guarantees of future performance. We disclaim any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, or new information, data or methods, future events or other changes. For a further discussion of these and other factors that could impact our future results, refer to our most recent Annual Report on Form 10-K and other risks described in documents subsequently filed by us from time to time with the Securities and Exchange Commission.

Notes:

- (1) Base rent for our office and retail portfolios and the retail portion of our mixed-use portfolio represents base rent for the three months ended March 31, 2026 (before deferrals, abatements, and tenant improvement reimbursements) and excludes the impact of straight-line rent and above (below) market rent adjustments. Total abatements for our office portfolio and retail portfolio were approximately \$3.1 million and \$0.1 million, respectively, for the three months ended March 31, 2026. Total abatements for our mixed-use portfolio were minimal for the three months ended March 31, 2026. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. Multifamily portfolio base rent represents base rent (including parking, before abatements) less vacancy allowance and employee rent credits and includes additional rents (which include insufficient notice penalties, month-to-month charges and pet rent). There were \$0.2 million of abatements for our multifamily portfolio for the three months ended March 31, 2026. For Waikiki Beach Walk - Embassy Suites™, base rent is equal to the actual room revenue for the three months ended March 31, 2026. Total tenant improvement reimbursements for our office portfolio, retail portfolio and the retail portion of our mixed-use portfolio were approximately \$0.2 million in the aggregate for the three months ended March 31, 2026. A reconciliation of base rent to rental income is shown below:

Base Rent	\$	94,118
Billed Expense Reimbursement		11,648
Percentage Rent		465
Straight-line rent components		257
Other Rental Income*		(2,066)
Rental Income	\$	104,422

\* Other rental income includes rent abatement, rent deferral, above market rent, below market rent, lease incentives, tenant improvement reimbursement, storage rent and other miscellaneous rental income.

- (2) Represents additional property-related income for the three months ended March 31, 2026, which includes (i) percentage rent, (ii) other rent (such as storage rent, license fees and association fees) and (iii) other property income (such as late fees, default fees, parking revenue, the reimbursement of general excise taxes, laundry income and food and beverage sales), and excludes lease termination fees.
- (3) Represents billed tenant expense reimbursements for the three months ended March 31, 2026.
- (4) Represents property operating expenses for the three months ended March 31, 2026. Property operating expenses includes all rental expenses, except non cash rent expense.
- (5) Represents rental adjustments related to base rent (deferrals and abatements).
- (6) See Glossary of Terms.
- (7) Coastal Collection at Torrey Reserve was formerly known as Torrey Reserve Campus.
- (8) Base rent shown includes amounts related to American Assets Trust, L.P.'s corporate leases at Torrey Point and Lloyd Portfolio. This intercompany rent is eliminated in the consolidated statement of operations. The base rent and abatement were both \$0.4 million for the three months ended March 31, 2026.
- (9) Genesee Park was acquired on February 28, 2025.

# SUMMARY OF DEVELOPMENT OPPORTUNITIES

Our portfolio has numerous potential opportunities to create future shareholder value. These opportunities could be subject to government approvals, lender consents, tenant consents, market conditions, availability of debt and/or equity financing, etc. Many of these opportunities are in their preliminary stages and may not ultimately come to fruition. This schedule will update as we modify various assumptions and markets conditions change. Square footages and units set forth below are estimates only and ultimately may differ materially from actual square footages and units.

<b>Development/Redevelopment Pipeline</b>					
<b>Property</b>	<b>Property Type</b>	<b>Location</b>	<b>Estimated Rentable Square Feet</b>	<b>Multifamily Units</b>	<b>Opportunity</b>
Waikele Center	Retail	Honolulu, HI	120,000	N/A	Development of 120,000 square foot retail building (former KMart space)
Lomas Santa Fe Plaza	Retail	Solana Beach, CA		TBD	Development of multifamily units
Genesee Park	Multifamily	San Diego, CA		TBD	Development of multifamily units
Solana Beach Towne Centre	Retail	Solana Beach, CA		TBD	Development of multifamily units
Carmel Mountain Plaza	Retail	San Diego, CA		TBD	Development of multifamily units
Lloyd Portfolio - multiple phases <sup>(1)</sup>	Mixed Use	Portland, OR			
Phase 2B - Oregon Square			385,000	N/A	Development of high density, transit oriented, mixed-use urban village

Notes:

- (1) The Lloyd Portfolio was acquired in 2011, consisting of approximately 600,000 rentable square feet on more than 16 acres located in the Lloyd District of Portland, Oregon. The portion of the property that has been designated for additional development is expected to include a high density, transit oriented, mixed-use urban village, with the potential to be in excess of approximately three million square feet. The zoning for such development opportunity allows a 12:1 Floor Area Ratio with a 250 foot height limit and provides for retail, office and/or multifamily development. Additional development plans are in the early stages and will continue to progress as demand and economic conditions allow.

Notes:

- The net rentable square feet for each of our retail properties and the retail portion of our mixed-use property is the sum of (1) the square footages of existing leases, plus (2) for available space, the field-verified square footage. The net rentable square feet for each of our office properties is the sum of (1) the square footages of existing leases, plus (2) for available space, management's estimate of net rentable square feet based, in part, on past leases. The net rentable square feet included in such office leases is generally determined consistently with the Building Owners and Managers Association, 2017 measurement guidelines. Net rentable square footage may be adjusted from the prior periods to reflect re-measurement of leased space at the properties.
- Percentage leased for each of our retail and office properties and the retail portion of the mixed-use property includes square footage under leases as of March 31, 2026, including leases which may not have commenced as of March 31, 2026. Percentage occupied for our multifamily properties includes total units rented and occupied as of March 31, 2026. Percentage leased for our multifamily properties includes units leased but not occupied as of March 31, 2026.
- Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements)) under commenced leases for the month ended March 31, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. The foregoing notwithstanding:
  - The annualized base rent for La Jolla Commons I & II has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$37,358,105 to our estimate of annual triple net operating expenses of \$10,934,785 for an estimated annualized base rent on a modified gross lease basis of \$48,292,890 for La Jolla Commons I & II.
  - The annualized base rent for 14Acres has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$4,487,018 to our estimate of annual triple net operating expenses of \$2,067,498 for an estimated annualized base rent on a modified gross lease basis of \$6,554,516 for 14Acres.
  - The annualized base rent for Timber Ridge has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$5,311,016 to our estimate of annual triple net operating expenses of \$2,195,683 for an estimated annualized base rent on a modified gross lease basis of \$7,506,699 for Timber Ridge.
  - The annualized base rent for Timber Springs has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases, by adding the contractual annualized triple net base rent of \$1,832,106 to our estimate of annual triple net operating expenses of \$915,042 for an estimated annualized base rent on a modified gross lease basis of \$2,747,148 for Timber Springs.

## PROPERTY REPORT (CONTINUED)

- (4) Annualized base rent per leased square foot for our retail and office properties and the retail portion of the mixed-use property is calculated by dividing annualized base rent, by square footage under lease as of March 31, 2026. Annualized base rent per occupied unit for our multifamily properties is calculated by dividing annualized base rent by units occupied as of March 31, 2026. The foregoing notwithstanding, the annualized base rent per leased square foot for La Jolla Commons, 14Acrs, Timber Ridge and Timber Springs has been adjusted for this presentation to reflect that the contractual triple net leases were instead structured as modified gross leases. See footnote 3 for further explanation.
- (5) Retail anchor tenants are defined as retail tenants leasing 50,000 square feet or more.
- (6) Other principal retail tenants, excluding anchor tenants.
- (7) Coastal Collection at Torrey Reserve was formerly known as Torrey Reserve Campus.
- (8) This property contains 422,426 net rentable square feet consisting of The Landmark at One Market (378,206 net rentable square feet) as well as a separate long-term leasehold interest in approximately 44,220 net rentable square feet of space located in an adjacent six-story leasehold known as the Annex. We currently lease the Annex from an affiliate of the Paramount Group pursuant to a long-term master lease effective through June 30, 2031.
- (9) Lease data for signed but not commenced leases as of March 31, 2026 is in the following table:

	Leased Square Feet Under Signed But Not Commenced Leases (a)	Annualized Base Rent (b)	Annualized Base Rent per Leased Square Foot (b)	Pro Forma Annualized Base Rent per Leased Square Foot (c)
Office Portfolio	244,202	\$ 13,983,472	\$ 57.26	\$ 60.54
Retail Portfolio	7,600	\$ 356,930	\$ 46.96	\$ 30.19
<b>Total Retail and Office Portfolio</b>	<b>251,802</b>	<b>\$ 14,340,402</b>	<b>\$ 56.95</b>	<b>\$ 48.53</b>

- (a) Office portfolio leases signed but not commenced of 104,731, 40,466, 44,542, and 54,463 square feet are expected to commence during the second, third, and fourth quarters of 2026 and first quarter of 2027, respectively. Retail portfolio leases signed but not commenced of 7,600 square feet are expected to commence during the third quarter of 2026.
- (b) Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements)) for signed but not commenced leases as of March 31, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses. Annualized base rent per leased square foot is calculated by dividing annualized base rent, by square footage for signed but not commenced leases.
- (c) Pro forma annualized base rent is calculated by dividing annualized base rent for commenced leases and for signed but not commenced leases as of March 31, 2026, by square footage under lease as of March 31, 2026.
- (10) Net rentable square feet at certain of our retail properties includes pad sites leased pursuant to the ground leases in the following table:

Property	Number of Ground Leases	Square Footage Leased Pursuant to Ground Leases	Aggregate Annualized Base Rent
Carmel Mountain Plaza	5	17,607	\$ 1,051,461
South Bay Marketplace	1	2,824	\$ 114,552
Alamo Quarry Market	4	31,994	\$ 723,455

- (11) The Santa Fe Park RV Resort is subject to seasonal variation, with higher rates of occupancy occurring during the summer months. During the 12 months ended March 31, 2026, the highest average monthly occupancy rate for this property was 84.7%, occurring in August 2025. The number of units at the Santa Fe Park RV Resort includes 120 RV spaces and four apartments. The Santa Fe Park RV resort is excluded from the multifamily presentation above to accurately reflect true multifamily performance.
- (12) Hassalo on Eighth - Multifamily includes three residential buildings: Velomor, Aster Tower, and Elwood.
- (13) Average occupancy represents the percentage of available units that were sold during the three months ended March 31, 2026, and is calculated by dividing the number of units sold by the product of the total number of units and the total number of days in the period. Average daily rate represents the average rate paid for the units sold and is calculated by dividing the total room revenue (i.e., excluding food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services) for the three months ended March 31, 2026 by the number of units sold. Revenue per available room, or RevPAR, represents the total unit revenue per total available units for the three months ended March 31, 2026 and is calculated by multiplying average occupancy by the average daily rate. RevPAR does not include food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services.

3rd Quarter 2025	289	78.3%	\$381	\$298
2nd Quarter 2025	317	86.0%	\$355	\$305

### Notes:

- (1) Percentage leased for mixed-use property includes square footage under leases as of March 31, 2026, including leases which may not have commenced as of March 31, 2026.
- (2) Annualized base rent is calculated by multiplying base rental payments (defined as cash base rents (before abatements)) for the month ended March 31, 2026 by 12. In the case of triple net or modified gross leases, annualized base rent does not include tenant reimbursements for real estate taxes, insurance, common area or other operating expenses.
- (3) Annualized base rent per leased square foot is calculated by dividing annualized base rent, by square footage under lease as of March 31, 2026.
- (4) Average occupancy represents the percentage of available units that were sold during the three months ended March 31, 2026, and is calculated by dividing the number of units sold by the product of the total number of units and the total number of days in the period. Average daily rate represents the average rate paid for the units sold and is calculated by dividing the total room revenue (i.e., excluding food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services) for each respective quarter period by the number of units sold. Revenue per available room, or RevPAR, represents the total unit revenue per total available units for each respective quarter period and is calculated by multiplying average occupancy by the average daily rate. RevPAR does not include food and beverage revenues or other hotel operations revenues such as telephone, parking and other guest services.

Notes:

- (1) Annualized base rent per occupied square foot is calculated by dividing (i) annualized base rent for leases expiring during the applicable period, by (ii) square footage under such expiring leases. Annualized base rent is calculated by multiplying (i) base rental payments (defined as cash base rents (before abatements)) for the month ended March 31, 2026 for the leases expiring during the applicable period by (ii) 12 months.
- (2) Individual items may not add up to total due to rounding.

# APPENDIX

**Earnings Before Interest, Taxes, Depreciation, and Amortization (EBITDA):** EBITDA is a non-GAAP measure that means net income or loss plus depreciation and amortization, net interest expense, income taxes, gain or loss on sale of real estate and impairments of real estate, if any. EBITDA is presented because it approximates a key performance measure in our debt covenants, but it should not be considered an alternative measure of operating results or cash flow from operations as determined in accordance with GAAP. The reconciliation of net income to EBITDA for the three months ended March 31, 2026 and 2025 is as follows:

	Three Months Ended March 31,	
	2026	2025
Net income	\$ 6,739	\$ 54,107
Depreciation and amortization	32,311	30,494
Interest expense, net	19,707	18,780
Interest income	(715)	(1,332)
Income tax expense	101	417
Gain on sale of real estate	—	(44,476)
EBITDA	\$ 58,143	\$ 57,990

**Adjusted EBITDA:** Adjusted EBITDA is a non-GAAP measure that begins with EBITDA and includes adjustments for certain items that we believe are not representative of ongoing operating performance. Specifically, we include an early extinguishment of debt adjustment and pro forma adjustment to reflect a full period of NOI on the operating properties we acquire during the quarter, to assume all transactions occurred at the beginning of the quarter. We use Adjusted EBITDA as a supplemental performance measure because we believe these items create significant earnings volatility which in turn results in less comparability between reporting periods and less predictability regarding future earnings potential. However, Adjusted EBITDA should not be considered an alternative measure of operating results or cash flow from operations as determined by GAAP. The reconciliation of EBITDA to Adjusted EBITDA for the three months ended March 31, 2026 and 2025 is as follows:

	Three Months Ended March 31,	
	2026	2025
EBITDA	\$ 58,143	\$ 57,990
Pro forma adjustments	—	—
Adjusted EBITDA	\$ 58,143	\$ 57,990

**Earnings Before Interest, Taxes, Depreciation, and Amortization for Real Estate (EBITDA<sub>re</sub>):** EBITDA<sub>re</sub> is a supplemental non-GAAP measure of real estate companies' operating performances. The National Association of Real Estate Investment Trusts (NAREIT) defines EBITDA<sub>re</sub> as follows: net income or loss, computed in accordance with GAAP plus depreciation and amortization, net interest expense, income taxes, gain or loss on sale of real estate including gain or loss on change of control, impairments of real estate, and adjustments to reflect the entity's share of EBITDA<sub>re</sub> of unconsolidated affiliates, if any. EBITDA<sub>re</sub> is presented because it approximates a key performance measure in our debt covenants, but it should not be considered an alternative measure of operating results or cash flow from operations as determined in accordance with GAAP. The reconciliation of net income to EBITDA<sub>re</sub> for the three months ended March 31, 2026 and 2025 is as follows:

	Three Months Ended March 31,	
	2026	2025
Net income	\$ 6,739	\$ 54,107
Depreciation and amortization	32,311	30,494
Interest expense, net	19,707	18,780
Interest income	(715)	(1,332)
Income tax expense	101	417
Gain on sale of real estate	—	(44,476)
EBITDA <sub>re</sub>	\$ 58,143	\$ 57,990

**Funds From Operations (FFO):** FFO is a supplemental measure of real estate companies' operating performances. NAREIT defines FFO as follows: net income, computed in accordance with GAAP plus depreciation and amortization of real estate assets and excluding extraordinary items, gains and losses on sale of real estate and impairment losses. NAREIT developed FFO as a relative measure of performance and liquidity of an equity REIT in order to recognize that the value of income-producing real estate historically has not depreciated on the basis determined under GAAP. However, FFO does not represent cash flows from operating activities in accordance with GAAP (which, unlike FFO, generally reflects all cash effects of transactions and other events in the determination of net income); should not be considered an alternative to net income as an indication of our performance; and is not necessarily indicative of cash flow as a measure of liquidity or ability to pay dividends. We consider FFO a meaningful additional measure of operating performance primarily because it excludes the assumption that the value of real estate assets diminishes predictably over time, and because industry analysts have accepted it as a performance measure. Comparison of our presentation of FFO to similarly titled measures for other REITs may not necessarily be meaningful due to possible differences in the application of the NAREIT definition used by such REITs.

**Funds Available for Distribution (FAD):** FAD is a supplemental measure of our liquidity. We compute FAD by subtracting from FFO As Adjusted second generation tenant improvements and leasing commissions and capital expenditures, eliminating the net effect of straight-line rents, amortization of above (below) market rents for acquisition properties, the effects of other lease intangibles, adding noncash amortization of deferred financing costs and debt fair value adjustments, adding noncash compensation expense, and adding (subtracting) unrealized losses (gains) on marketable securities. Capital expenditures do not include capital expenditures incurred in connection with repositioning activities, as well as planned capital expenditures identified at the time of acquisition. FAD provides an additional perspective on our ability to fund cash needs and make distributions by adjusting FFO for the impact of certain cash and noncash items, as well as adjusting FFO for recurring capital expenditures and leasing costs. However, other REITs may use different methodologies for calculating FAD and, accordingly, our FAD may not be comparable to other REITs.

**Net Operating Income (NOI):** We define NOI as operating revenues (rental income, tenant reimbursements, lease termination fees, ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance). NOI excludes general and administrative expenses, interest expense, depreciation and amortization, acquisition-related expense, other nonproperty income and losses, gains and losses from property dispositions, extraordinary items, tenant improvements and leasing commissions. Other REITs may use different methodologies for calculating NOI, and accordingly, our NOI may not be comparable to other REITs. Since NOI excludes general and administrative expenses, interest expense, depreciation and amortization, acquisition-related expenses, other nonproperty income and losses, gains and losses from property dispositions, and extraordinary items, it provides a performance measure that, when compared year over year, reflects the revenues and expenses directly associated with owning and operating commercial real estate and the impact to operations from trends in occupancy rates, rental rates, and operating costs, providing a perspective on operations not immediately apparent from net income. However, NOI should not be viewed as an alternative measure of our financial performance since it does not reflect general and administrative expenses, interest expense, depreciation and amortization costs, other nonproperty income and losses, the level of capital expenditures and leasing costs necessary to maintain the operating performance of the properties, or trends in development and construction activities which are significant economic costs and activities that could materially impact our results from operations.

**Overall Portfolio:** Includes all operating properties owned by us as of March 31, 2026.

**Cash NOI:** We define cash NOI as operating revenues (rental income, tenant reimbursements (other than tenant improvement reimbursements), ground lease rental income and other property income) less property and related expenses (property expenses, ground lease expense, property marketing costs, real estate taxes and insurance), adjusted for non-cash revenue and operating expense items such as straight-line rent, amortization of lease intangibles, amortization of lease incentives and other adjustments. Cash NOI also excludes lease termination fees, tenant improvement reimbursements, general and administrative expenses, depreciation and amortization, interest expense, other non-property income and losses, acquisition-related expense, gains and losses from property dispositions, extraordinary items, tenant improvements, and leasing commissions. Other REITs may use different methodologies for calculating cash NOI, and accordingly, our cash NOI may not be comparable to the cash NOIs of other REITs. We believe cash NOI provides useful information to investors regarding the company's financial condition and results of operations because it reflects only those income and expense items that are incurred at the property level, and when compared across periods, can be used to determine trends in earnings of the company's properties as this measure is not affected by (1) the non-cash revenue and expense recognition items, (2) the cost of funds of the property owner, (3) the impact of depreciation and amortization expenses as well as gains or losses from the sale of operating real estate assets that are included in net income computed in accordance with GAAP or (4) general and administrative expenses and other gains and losses that are specific to the property owner. We believe the exclusion of these items from net (loss) income is useful because the resulting measure captures the actual revenue generated and actual expenses incurred in operating the company's properties as well as trends in occupancy rates, rental rates and operating costs. Cash NOI is a measure of the operating performance of the company's properties but does not measure the company's performance as a whole. Cash NOI is therefore not a substitute for net income as computed in accordance with GAAP. A Reconciliation of Total Cash NOI to Net Income is presented below:

(1) La Jolla Commons Tower III is considered non same-store, as it was placed into service on April 1, 2025.

- (2) One Beach Street and Lloyd Portfolio - Land were previously included as redevelopment property. One Beach Street is considered same-store for the three months ended March 31, 2026 since it was placed into operations on August 1, 2024. Lloyd Portfolio - Land is not leased and has no active redevelopment activity; as such it is included within the non-same-store portfolio.

**Tenant Improvements and Incentives:** Represents not only the total dollars committed for the improvement (fit-out) of a space as it relates to a specific lease but may also include base building costs (i.e. expansion, escalators, new entrances, etc.) which are required to make the space leasable. Incentives include amounts paid to tenants as an inducement to sign a lease that do not represent building improvements.
